Children from Spitak

Your gifts make a remarkable difference in this place of suffering, bringing hope into the midst of despair and proclaiming joy in the realm of sorrow. In giving for these whom Jesus names "the least," you touch the face of Christ.

Help Project AGAPE make a Difference:

Project Agape is making a difference in the lives of thousands of people in Armenia and Karabagh. We are the only organized group serving in this Karabagh region. United Methodists from across North Carolina continue to support our brothers and sisters helping to meet needs of food, medical care, clothing and Christian education and housing. With a struggling economy and 60% unemployment, YOUR GIFTS provide hope in this day to day existence! Please give generously.
