Mini-Sabbath Experience

At NCCUMC Annual Conference

Wednesday, June 13, 2018 - 4:30-8pm

Hilton, 207 Greenville Blvd SW, Greenville, NC

Need to catch your breath? Want to experience a time of renewal and Christian fellowship as you prepare your heart for your time at Annual Conference?

You are invited to be the guest of *Sabbath Living* for a *Space4Grace* mini-Sabbath experience.

This *soul get-away* will provide the space to nurture your soul and engage in life-giving conversation as we share our stories, struggles, and testimonies, and explore how God can transform our lives through the practice of Sabbath.

During this mini sabbatical experience, we will gather over a gourmet meal. Our conversation will be centered on the theology and practice of Sabbath as found in the parables of Jesus that invite disciples to lead a wholehearted life through Sabbath living.

Jesus teaches that Kingdom living requires a Sabbath rhythm of life where there is: *space for grace*, a *pace of grace*, and a *place of grace* in our lives.

Come, bring a friend, and be blessed!
