

**Report of the Committee on Nominations**  
**North Carolina Annual Conference**  
**June 2024**

The report of the Committee on Nominations includes nominations to district and conference boards and agencies for service in the 2024-2028 quadrennium. The committee received feedback over the last year from committee chairpersons. Most committees or boards had vacancies due to required term rotations, resignations, or attendance requirements. Unless a committee or board has a term rotation defined in *The Book of Discipline*, the committee membership rotates on a quadrennial basis. As a result, the 2024 Report of the Committee on Nominations contains many changes from the prior year committee rosters. The vacancies were posted on the Nominations website and persons expressed interest in serving via the website.

Service on committees and boards for the next year begins July 1, 2024. Some committees have membership requirements defined in *The Book of Discipline* and those requirements have been addressed in the nominations process. As defined in *The Book of Discipline*, the Committee on the Episcopacy will remain in place through the next Jurisdictional Conference. Other committees with membership defined in *The Book of Discipline*, including the Council on Finance and Administration, Board of Ordained Ministry, Board of Pension, and Board of Trustees, have nomination recommendations as needed due to member term rotations. In addition, District Lay Leaders are nominated for those positions where the District Lay Leader has stepped away from the position due to term rotations. If corrections are needed to spelling, district, or any demographical information for anyone on the nominations listing, please email [helpdesk@nccumc.org](mailto:helpdesk@nccumc.org) and the correction will be made in the nominations files.

The committee is grateful for all who applied to serve in these vacancies and appreciates the time and energy that applicants give so generously in service to the committees of the NC Annual Conference. We are blessed in North Carolina with strong capable leadership and look forward to working with both current and future committee members toward our shared mission - healthy congregations and effective leaders in every place making disciples of Jesus Christ for the transformation of the world!

\*Note: The Committee on Nominations works with a stated goal of inclusivity on all conference boards, committees, and agencies.
