

## **Guidelines for Items for the DBOM Auction:**

Thank you for your support of DBOM. Both the live and silent auctions will be critical to our fundraising efforts. The following are some guidelines for auction items:

- We are looking for items with a market value of at least \$100.
- Items of lesser value will be accepted but may be grouped with other items or used at the committee's discretion.
- We are requesting brand new items that have never been used.
- Antiques will be accepted, but they must have a documented value of at least \$100.

## Suggestions for donations include:

- Electronic equipment including computers, phones, iPods, Flat Screen TVs, DVD players, stereo equipment, etc.
- Tickets for sporting events such as the Carolina Hurricanes, Durham Bulls, ACC games
- Tickets to the theater or other special events
- Sports paraphernalia from all North Carolina teams
- Rounds of golf at popular golf courses
- Vacation getaways to the beach, mountains, Disney, etc.
- Gift Certificates for personal items like spas, hair care, nails, etc.
