

Duke vs. UNC

October 20, 2012

NC Conference UMM Duke Day
*Share the Game,
Share your Faith*

Our speaker for this event is Albert Long.

Albert Long is a graduate of UNC-Chapel Hill, and while there as student/athlete he became the only four sport letterman in ACC history to win letters in football/basketball/baseball and track. In 1973, after twelve very exciting and quite profitable years in the life insurance business, the good Lord put Albert in another "life insurance business." Albert Long Happenings, Inc., a non profit Christian organization, was formed that year and for the next twenty five years he was blessed to have traveled all over the country speaking at well over 2,000 high school, or middle school, assembly programs and sport banquets as a youth motivational speaker. In 2007 he was inducted in the Fellowship of Christian Athlete (FCA) national Hall of Champions.

This is a community outreach event sponsored by the United Methodist Men of the North Carolina Conference. Local UMM units are encouraged to reach out to local youth groups to sponsor their participation in this event.

For sponsorship information, contact Charlie Gray at (919) 810-2217 or cgray@nccumc.org.
