North Carolina Conference
The United Methodist Church

God's Great Generosity

Dear United Methodist Family,

Grace, mercy and peace to you as we celebrate God's generosity in all seasons.

We travel through time each year, experiencing a rainbow of liturgical color: purple/blue, white, green, purple, white, red. Advent is the time of expectation and hope. Christmas beckons us to the manger of the Christ Child. Epiphany is radiant, beckoning us to rise and shine in unity and in mission to all the world. Lent invites humility, self-examination, repentance and sacrifice as we follow Jesus to the cross. Christ, alive forevermore, greets us as Easter dawns. The Holy Spirit is gifted to us at Pentecost.

We are carried along in the great flow of God's purpose and power as we celebrate, love and live this annual journey. A wise one observed that we need liturgical seasons because we cannot contemplate all of this at once! Such is the abundant mystery of the Triune God!

God is generous in all seasons, and our grateful response is generosity at all times, to all people, in all places. Your gifts are well-invested in the mission of The United Methodist Church.

Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work. – 2 Corinthians 9: 6-8 (NIV)

Bishop Ward

Help, hope and healing are offered to children, youth, women and men in all parts of the world through our shared witness in giving.

The North Carolina Conference family soon will experience a substantial reduction in the conference budget, resulting in a lowering of apportionments to churches. This is a gift to us, in this season, from those who came before us. Our gifts make a difference yesterday, today, and tomorrow, as God honors our faithfulness.

With gratitude for your faithful generosity,

A handwritten signature in black ink that reads "Hope Morgan Ward". The signature is written in a cursive, flowing style.

Hope Morgan Ward

As you share God’s abundance, your gift of \$1.00 supports: *

1 Your Local Church’s Ministry	88.34%
2 World Service and Connectional Ministries	8.68%
3 Past Service Liability	1.37%
4 Second Mile Giving	1.10%
5 Other Apportionments	.50%

88.34% of every dollar you give stays in your local church and is spent as follows:

45.54% Local Church Programs, Operating Expenses, and Benevolences:

These funds are expended for operational needs such as utilities, building maintenance, salaries and benefits, office supplies, local programs such as Sunday Schools and youth activities, and local benevolences.

25.76% Local Pastor(s) Salaries and Benefits:

This item reflects the compensation paid to the local church’s pastor or pastors in the form of salary, travel, utilities, and continuing education allowances. It also represents the church’s portion of pension payments on behalf of its pastor(s) and supplemental benefits for items such as hospitalization and life insurance.

17.04% Local Building and Debt Retirement:

This represents capital improvements, mortgages, and debt retirements related to local church buildings and property. Building programs and other capital investments unique to each church are not included in calculating conference apportionments.

* Based on the grand total of all expenditures as reported on the 2018 Table II.

North Carolina Conference Budget

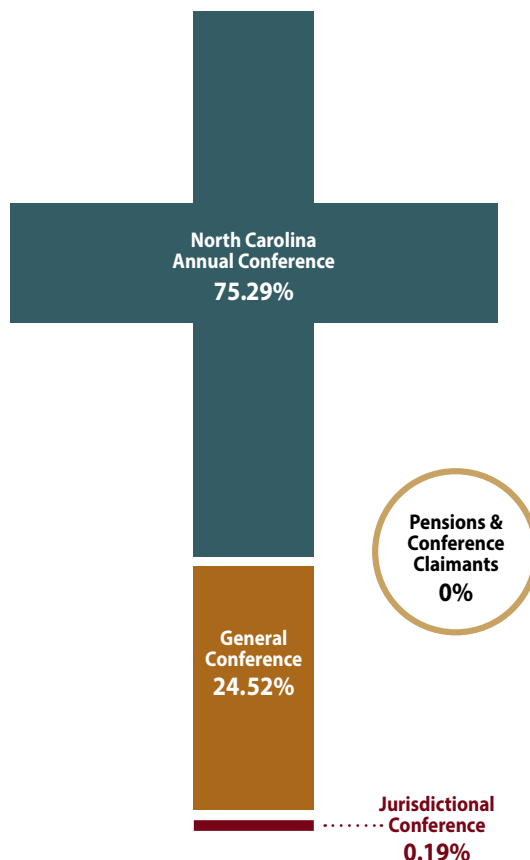

The North Carolina Conference budget is developed through a four-year cycle.

Year 1: A zero-based budget is planned based on ministry needs. Statistical data is collected by NCC Statistician.

Year 2: The budget is debated and voted upon by members of the Annual Conference. Apportionments are calculated based on Table II reports.

Year 3: The budget is raised through apportionments. Funds are invested for future use. At the close of Year 3, individual budget lines are funded based on actual apportionment receipts.

Year 4: The budget developed in Year 1 is spent using monies raised in Year 3. The Council on Finance and Administration may vote to use investment earnings to supplement budget and ministry needs.

Apportionment Formula

The NC Conference apportionment formula is approved by each Annual Conference session and is based on how a church spends money.

The base amount of local church expenses is calculated by adding all expenditures reported on Table II and then subtracting exclusions (as listed below).

Each church's base is then compared to the total of all base amounts for all other churches and the budget approved at the last Annual Conference is distributed to each church using the same ratio.

The apportionment formula limits increases for regular apportionment calculations to 15% from one year to the next.

The exclusions are:

1. Payments on World Service and Connectional Ministries, Past Service Liability, Episcopal Fund and all other apportionments;
2. Principal and interest on indebtedness, buildings and improvements;
3. 50% of property insurance;
4. Local benevolences paid directly by the church;
5. Support of General and Conference Advance Specials;
6. New Room Society support (new faith communities);
7. Up to \$4,500 for travel paid by a charge for each pastor;
8. Offerings for United Methodist Student Day, Human Relations Day, Peace with Justice Sunday, Native American Awareness Sunday, UMCOR Sunday (formerly called One Great Hour of Sharing), World Communion Sunday, Youth Service Fund;
9. Housing allowance paid in lieu of furnished parsonage to a full-time pastor serving under Episcopal appointment in a charge of the conference;
10. Offerings taken for disasters as designated by the Disaster Readiness Response Committee and the Resident Bishop;
11. NC Conference Mission Endowment Support.

World Service Fund

(Support for this fund is raised and spent in the same year.)

The World Service Fund is the basic benevolence fund of the Church, designated in The Book of Discipline as “the first benevolent responsibility of the Church” (¶1812, 2016 Book of Discipline). Receipts are distributed to the general program agencies and other benevolent causes by a precise formula. These agencies resource local churches and extended local church mission nationally and internationally. The World Service Fund allows United Methodists to participate in meaningful ways in God’s mission throughout the world.

Giving Report for 2019 Rainbow Covenant

To be a Rainbow Covenant Church, a local church needs to meet the “first mile” by paying in full apportionments as set by the Annual Conference.

Then each local church is asked to support at least one project in each of the five lanes of the Rainbow Covenant: Persons in Mission,

NCC Advance Missions, National Missions, World Missions, and UMCOR.

Each lane reminds the local church that it has touched persons with the love of God in its own community, in the broader areas of the Conference, on a national level, and throughout the world.

Reporting for 2019

Complete all information on the reverse side of this page for your congregation and return to your District Missions Secretary.

Completing this form ensures that your church will be recognized for its work in missions in the past year.

Remember: In order to be recognized as a Rainbow Covenant church, churches must pay 100% of all 2019 apportionments and give a contribution in each of the five lanes. The six Special Sunday offerings are not included.

Please return this form to the District Missions Secretary by January 31, 2020.

NOTE: Contributions should be sent to the NCC Treasurer’s Office and be received no later than **January 14, 2020.**

2020 Rainbow Covenant Overview

The Rainbow Covenant is organized into five lanes and connects persons in mission with the projects in which they are involved.

The lanes are:

Lane 1: Persons in Mission

Lane 2: Conference Advances

Lane 3: National Missions

Lane 4: World Missions

Lane 5: UMCOR

Persons in Mission

In Lane One are persons in mission supported by the NC Conference and the General Board of Global Ministries. They serve on the ground throughout the world and are the hands and feet of Christ. Some of them work locally in this conference area. Others work in other parts of the nation. Still others work in other countries. All have valid ministries and all have valid needs.

Local churches are encouraged to be involved with the various missionaries that the NC Conference supports. Several persons in mission are not commissioned missionaries through the General Board of Global Mission, yet they still need funds to advance their ministry. (These persons are designated with "S" in their identification code which shows that they are a part of a Conference Advance).

For more information about the GBGM missionaries, go to the website: umcmmission.org. All persons in missions appreciate prayers, cards, letters and emails.

Covenant Relationships

All gifts and contributions share the love of Jesus Christ by supporting missionaries who work to offer hope and alleviate human suffering. Generous one-time gifts make this service possible. Congregations and individuals are also encouraged to support missionaries through Covenant Relationships.

The standard covenant relationship for a local church to support a General Board of Global Ministries (GBGM) missionary is \$2,500 annually or \$5 per church member per year. However, this partnership is much more than a financial commitment. It is a dynamic relationship where the church and missionary pray for one another and communicate regularly. By deepening its own awareness of the struggles and triumphs of the missionary, congregations participate in a work that is truly connectional.

To learn more about covenant relationships, contact the Conference Missions Interpreter, Bill Haddock (revbillh@nccumc.org) or umcmmission.org/Get-Involved/Partnerships/Covenant-Relationships.

Advance Specials

GBGM ADVANCE for Christ projects are General Advance Specials. There are also Conference Advance Specials approved by the North Carolina Annual Conference.

Both types of Advance Specials are assigned numbers which should be recorded on the new remittance sheets (nccumc.org/treasurer/files/FillInRemit.pdf) and turned into the Conference Treasurer with the contribution check. Remittances for General Advance Specials can also be made on-line at the General Board of Global Ministries website at umcmmission.org.

At the end of the fiscal year, please fill out the form on page 14 of this book and send it to the District Mission Secretary who will issue the Rainbow Covenant Form to the participating local churches. Remember that all remittances need to be sent to the Conference Treasurer or to the General Board of Global Ministries, not to the district secretaries.

This list is not inclusive: any missionary or any ADVANCE Special can be supported by local churches or individuals. The Conference Outreach page, at nccumc.org/outreach has a number of ADVANCE specials that local churches and individuals support.
