James Hector McCallum

James Hector McCallum

1918 - 1984

James Hector McCallum, affectionately known as "Mac", was born September 23, 1918 near Maxton in Robeson County, North Carolina. He was the youngest of twelve children born to Jefferson and Jackie Ann McCallum. After graduating from the public school in Robeson County, he earned the Bachelor of Science degree from Fayetteville State University and the Master of Science degree from North Carolina Agricultural and Technical State University in Greensboro. He also studied at the Southeastern Baptist Theological Seminary in Wake Forest and at the School of Evangelism at Scarritt College in Nashville, Tennessee.

Mac was admitted to the North Carolina Conference of the Central Jurisdiction in 1942. He served the church well and was a leader in the merger of the North Carolina-Virginia Conference into the North Carolina Conference of the Southeastern Jurisdiction of the United Methodist Church. His appointments included Hoffman, Mt. Zion, Bomore, Piney Grove, Laurinburg, Cool Springs, Maxton, Jerusalem, Beauty Spot, John Wesley, Wilson Temple, the Administrative Assistant to the Cabinet, Sanford District Superintendent, and the Conference Council on Ministries Staff. In all of these appointments, Mac was loved and admired because of his calm, quiet character and his outstanding leadership ability. He was a sterling example of God's grace and the Christian Ministry.

Mac loved music and often served as the musician at churches where he was pastor. He organized a choir from several churches that sang at the 1980 session of the North Carolina Conference, representing the Black worship experience. He served on several boards and agencies and led the North Carolina Conference clergy delegation to the 1976 General Conference of the United Methodist Church. He made a long and lasting contribution to the Church he loved so much when he co-authored the book, *TO BE FAITHFUL TO OUR HERITAGE*, a history of Black United Methodism in North Carolina.

In addition to his work in the ministry, Mac served the children of North Carolina as a public school teacher and principal for twenty-one years.

Mac married Wilhelmina Powell McCallum and they have one daughter, Rachelle.

James Hector McCallum died on Friday morning, April 27, 1984. He died as he lived, peacefully, calmly, quietly, and serenely. At his death many accolades were sent to Mrs. McCallum. The Director of the Methodist Home for Children, Rufus H. Stark III said: "He was a true pioneer, for he helped this Conference to break from the old racism of the past. The work that you and Jim did on the Sanford District will always stand as one of the greatest examples of Christian Ministry done in this Conference. Mac's ability to do that job with grace and confidence, understanding and strength is one of the greatest stories of our times. It took a great deal of courage for him to take that appointment and I shall always admire and respect him. He lived the spirit of Jesus as well as anyone I have known."

"Rev. Mac" served as interim pastor three times, 1947-1949, 1956-1963 and May-October, 1983.

History of Piney Grove United Methodist Church

Piney Grove United Methodist Church is celebrating its 100th Anniversary under the leadership of the Rev. Robert A. Fairley, Sr. We are proud to note that the present pastor is from the Maxton area. According to the best sources available, the first pastor appointed to Piney Grove was the Rev. J.H. Hunter in 1886. The earliest deed was dated October 31, 1889, for the purchase of one acre of land for the sum of twenty dollars. Peter McRae, S.A. McQueen and Jim Fairley were the trustees that signed the deed.

The deed specified that the premises would be used, kept and maintained for divine worship and membership. There were a lot of faithful and dedicated persons who were very instrumental in the building and growth of the church.

Brief historical accounts of Piney Grove's accomplishments over the years cannot be properly acknowledged due to the lack of written records.

Based on material made available from a publication on the history of Black Methodism in North Carolina, we would like to honor the Ministers who provided leadership for our church. The following is a list of their names and dates of appointments:

1886 - Rev. J.H. Hunter	1920 - Rev. N.M. Black
1887 - Rev. T.M. Joiner	1922 - Rev. R.D. Bethea

TO PINEY GROVE UNITED METHODIST CHURCH

My dear sisters and brothers:

My thoughts and prayers are with you today as you celebrate the one hundredth anniversary of your local church's life and ministry. I am grateful to God for your mothers and fathers in the faith who organized Piney Grove Methodist Church in response to the call of Jesus in their lives; and I am grateful for all of those faithful members in the past and in the present who have touched the lives of people with the touch of Jesus Christ.

Thank you for your faithful discipleship and for your strong witness.

Congratulations to you on this special day.

Grace to you and peace from God and our Lord Jesus Christ.

Sincerely,

C. P. Minnick, Jr.

Dear Robert:

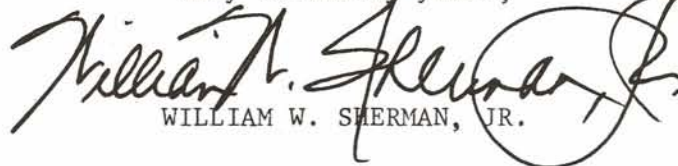

All of the people of the Rockingham District rejoice with you and your people today as Piney Grove celebrates its one hundredth anniversary! Surely you are surrounded by a great cloud of witnesses for this occasion as those whose lives and talents provided the leadership for the organization of this church in days gone by speak words of praise for its continuing life today.

History is a great teacher. Too often we look at the negative side of the past and say, "We'll never make that mistake again," but history books are filled with persons who did make the same mistake again and again. As a part of the Body of Christ - the Church - we look at history with a positive view, to see repeatedly how the power of God in Christ Jesus, His Son, allows us to be reclaimed from the mistakes of the past with power to live a strong and renewed life in days to come.

The witness of Piney Grove is not found so much in a building as it is in the lives of those who pass through its doors week by week to find refreshment and peace from their daily trials and tribulations elsewhere in the world. The joy of changed lives and the legacy of new opportunities are the marks of Piney Grove's contribution to the Kingdom of God in this particular place.

Surely God will continue to bless the faithful response and dedication of His people here in this community as they worship and praise Him in the coming years. May the next hundred years be still sweeter!

Very cordially yours,

WILLIAM W. SHERMAN, JR.

Dear Friends at Piney Grove:

I wish to extend greetings and congratulations upon your celebration of the Centennial of Piney Grove United Methodist Church.

Piney Grove Church has a fine history of service to its community, and to the Annual Conference of which it has been a part. You have sent many of your sons and daughters, and they have rendered outstanding service, beyond the local church.

As you celebrate the past, you are challenged to enhance the ministry and mission of your church in the present, so that Piney Grove will have a future equally as, if not more effective, as its past.

May God bless your celebration. Shirley and Josefa join me in the expression of greetings and best wishes.

Very sincerely yours,

"Greetings In The Name Of Our Lord Jesus Christ"

Thanks be to God our Father who has brought us and sustained us through these 100 years.

We give thanks to God for the forefathers who labored, prayed, and gave their lives that we might have this place of worship. We also give thanks for the loyal mothers who labored and prayed with them.

Because of the inspiration and prayers of these dedicated mothers & fathers, young men and women answered the call to the Gospel ministry.

We have a rich heritage of which we can be proud. It is my prayer that God will grant us the courage and strength to move forward. Let us hold to his unchanging hand and follow where He leads.

In this faith let us say "To God be the glory, great things He has done."

In Christian Love,

Emma Ruth McLean
