Join Carol Knight (NC Conference Cokesbury Resource Consultant), Aaron Harris (Amplify Sales and Support Manager for Cokesbury), and Laura Dallas (NC Conference Media Center Director) for a special webinar on **Thursday, May 7th at 2:00 p.m.** We will discuss the resource needs of our churches during COVID-19 and recommend some tools that may be of use to your ministry.

We will also be joined by **the Rev. Rob Phillips** from White Plains UMC. Rob will share how WPUMC is using Amplify to keep their congregation connected during COVID19, and how they see this tool being used beyond the crisis.

Amplify is a multimedia platform from Cokesbury that offers churches unlimited access to Bible studies, inspiring videos, and kids shows, all from a Wesleyan perspective. Amplify also provides churches with a means to live stream their services.
