(BK1418) A Blueprint for Discipleship: Wesley's General Rules as a A Blueprint for Discipleship offers a concrete and practical approach to Christian discipleship that is distinctly Wesleyan. This approach builds on the foundation of the General Rules (do no harm, do good, and practice the spiritual disciplines) and the practice of "watching over one another in love" through small-group accountability. John Wesley and the first Methodists used this blueprint to spark a revival that enabled their followers to become deeply committed Christians whose faith had an impact on every part of their lives. Written in a concise and accessible style, A Blueprint for Discipleship seeks to bring the past success Methodism had in forming Christians into the present and future. In a nine week study, Watson talks about grace, the foundation for the rules, and exploring how the three rules became the blueprint of the Christian faith. Age: YAS 128 Pages	1	Kevin M. (BK1425) Both-And: Living the Christ-Centered Life in an Either-Or It's an Either-Or world. We find ourselves caught between competing factions, secular or religious, conservative or liberal. We are pulled between extremes on one side or the other. But the Christian faith holds together seemingly contradictory ideas: Jesus is both human and divine; God is both three and one. There is a paradoxical power in the both-and. Rich Nathan and Insoo Kim show how Christians can live out the fullness of the gospel through the both-and. They affirm that we believe in both proclamation and demonstration of the gospel, justice and mercy, and unity and diversity as one body with many parts. The answer is not to choose one or the other, but to hold both together for a richer, more holistic experience of Christianity. Then we will live into the realities of the kingdom of God, both now and not yet, on earth as it is in heaven. Both-And Christians are both timeless and timely, hewing to the orthodoxy of traditional belief while always contextualizing our witness in a rapidly changing world. Discover how you can deepen your discipleship with the larger vision of the both-and. Age: YAS 253 Pages	1	Rich Nathan and Insoo Kim	InterVarsity Press	2013

(BK1433) Everything Belongs: The Gift of Contemplative Prayer FROM THE PUBLISHER: Using parables, koans, and personal experiences, Richard Rohr leads us beyond the techniques of prayer to a place where we can receive the gift of contemplation: the place where (if only for a moment) we see the world in God clearly, and know that everything belongs. Richard Rohr has written this book to help us pray better and see life differently. He teaches us that there are not two worlds - a sacred and a profane. There are two ways of seeing the same world. If we can let go of who we think we are, we can see who we really are. And when we do, we will see the sacred for ourselves. Rohr encourages us to take on a "beginner's mind," to unlearn old habits and learn to stand reality on its head. The benefit is the gift of contemplation: "a way of living in awareness of the Presence, even enjoying the Presence. We trust, allow, and delight in it. We see how everything fits, and know that everything belongs." Includes a reader's guide for reflection. Age: YAS 192 Pages	1	Richard Rohr	Crossroad Publishing Com	2005

(BK1444) Intimacy with God: An Introduction to Centering Prayer A poetic and accessible introduction to the method of Centering Prayer, this guide explains its origins, theological basis, and psychology by drawing on the writings of important Catholic figures, such as St. Teresa of Avila and St. John of the Cross, and significant texts, such as The Cloud of Unknowing. Describing the theological basis for the Centering Prayer while staying rooted in the heart of a practice that is very personal and intimate, the study explores how harmful attitudes and beliefs about God can distort a positive relationship with the divine. With a careful balance of both Christian and Buddhist philosophy, the volume also discusses the psychological barriers and levels of resistance that contemplatives must face and bolsters seekers with supportive practices like Lectio Divina (holy reading) and praying the rosary. (DVD1360) Justice For The Poor	1	Jim Wallis and Sojourners	Zondervan	2010
<p>Through this six-session small group Bible study DVD, Justice for the Poor, Jim Wallis and Sojourners teaches you to connect biblical faith with contemporary responses to poverty, both in your neighborhood and around the world. According to Wallis, 'When the wealthy are dying from diseases of overabundance and the poor are dying from inadequate health care, poor diets, and stress-related illnesses, there is spiritual disease in society.' Justice for the Poor recaptures the biblical vision that links poverty with justice. Jesus' life and teaching shows a deep compassion toward the poor and marginalized. His messages often highlight the injustices shown to the poor and the prejudices the well-off have against them. How can we learn from the poor? What is our responsibility to care for the poor and to advocate for justice on their behalf? Jim Wallis and Sojourners, in this six-session DVD, designed for use with the Justice for the Poor Participant Guide, will engage your small group to take action. Sessions include: 1. Burger King Mom: Being Poor in America 2. Is There Something Wrong With the Prosperity Gospel? 3. At the Corner of Church and State: What's the Proper Role of Each in Caring for the Poor? 4.
