ADULTS 220 **Adult Bible Studies DVD: Encounter.** Nashville, Tenn, Cokesbury, 2020.  
COKESBURY

**Summary:** Fall Theme: Encounter. This fall, our lessons support the theme of "Encounter." The writer of the student book lessons is Chuck Aaron; the teacher book writer is David Mosser. So That You Can See: The lessons in this unit help us focus on salvation and what it means through example and explanation. We move from the conversion of Paul to a number of Paul's writings, where he speaks out of his thoughtful understanding of salvation through Christ and out of his personal experience of receiving Christ. We are challenged to consider our own salvation and how we can live faithfully into it. Spiritual Practice - Mindfulness, Listening, Silence. Remember Who You Are: The lessons in this unit call us to consider who we are as children of God and followers of Christ. At the heart of who we are lies the important concept of covenant. The covenant that God made with Israel is a defining theological affirmation of the Old Testament. The covenant that God made with the church through Christ's blood is a defining theological affirmation of the New Testament. These lessons help us look more closely at those critical covenants and how they inform our thoughts, actions, and relationships. Spiritual Practice - Confession. In This Place: The daily readings in this unit call us to think more deeply and specifically about worship by looking at places where, in the Scriptures, worship takes place. We will look at ad hoc altars, synagogues, the church, and worship at the throne of God. In each case, we will be challenged to evaluate our worship and broaden our understanding of where and how worship can happen. Spiritual Practice - Worship. Hundreds of thousands of people each week have transformative encounters with God through Adult Bible Studies—Bible-based, Christ-focused Sunday school lessons and midweek Bible studies endorsed by the Curriculum Resources Committee of the The United Methodist Church. In fall 2019, based on feedback from hundreds of readers, we made exciting changes designed to benefit Bible study groups. For 2020, in response to additional feedback, we are reintroducing printed focal Bible passages in both the Student and Teacher books. Lessons follow the church seasons, including Advent and Lent, and include suggestions for developing spiritual practices to help nurture your faith. Published quarterly, the DVD includes 13 five-minute video segments, each featuring hosts providing context for the Bible lesson and then tying that content to personal stories and daily living. -- Cokesbury

Story, Laura. ***When God Doesn't Fix It DVD: Learning to Walk in God's Plans Instead of Our Own***. Nashville, TN, Nelson Books, 2016.

**Summary:** Laura Story's life took an unexpected turn when her husband, Martin, was diagnosed with a brain tumor. The devastating news forever changed their lives and brought Laura's dreams of a fairy-tale life to an end. Yet her struggles to accept her new situation also brought her deeper joy and intimacy with God as she allowed him to rewrite her story. In this five-session curriculum, Laura examines the twists and turns that took place not only in her own life but also in the lives of many of the heroes of the faith. She reveals how God used crises in the lives of people such as Abraham, Sarah, David, and Paul to bring them closer to him and set them on the path he wanted them to take. She also shows how God used each of these individuals in spite of their flaws and brokenness. God may not fix everything in our lives. In fact, our situation might not ever change or get better. But we can know that God will lead us to a place where we are better because of it. -Thomas Nelson

They will realize they don't need to know all the answers to be able to lead well. -- Upper Room

***Living Faithfully Revised and Updated: Human Sexuality and The United Methodist Church***. Nashville, Abingdon Press, 2020.

**Summary:** The United Methodist Church is seeking a way forward. There is deep disagreement about what The United Methodist Church should teach about homosexuality, same gender marriage, and the ordination of LGBTQ persons. In 2019, a special session of General Conference was held to consider these issues and how they will be addressed by The United Methodist Church in the future. Yet many have felt that the outcome of the special session did not lead to resolution, but to increased tension and deepening division. *Living Faithfully* is designed to help you understand the shape of this debate and what it means for the present and the future. Each chapter includes background on the Bible, Christian theology, history, stories from diverse viewpoints, and United Methodist structure and practice to guide reflection and conversation. You'll also find definitions of key terms and information about upcoming events. The four chapters are: 1. Is the Practice of Homosexuality Incompatible with Christian Teaching? 2. Is Same-gender Marriage Compatible with Christian Teaching? 3. Is Ordaining Practicing Homosexuals Compatible with Christian Teaching? 4. Where Are We Now? This revised four-week study contains an updated fourth chapter that describes the outcome of the 2019 General Conference and the ongoing debates and responses to it. It will help you understand and grapple with various views about the ministry and teaching of The United Methodist Church around issues of human sexuality. It will lead you to have honest, well-informed, and grace-filled conversations with others about these matters and the calls for change. And it will help you discern, in prayer and conversation, how you can respond faithfully in love of God and neighbor. A Leader Guide is included with lesson plans to help facilitate a four-session small group study. From the Faultlines collection, resources intended to inform conversations around human sexuality and the church. --Cokesbury
