determine what is true and what is false. While these three women each speak on the distinctive topic the Holy Spirit had lead them to teach, the messages result in a marvelous blend. Whether they were "Bad to the Bone," "Bad for a Season, but Not Forever," or only "Bad for a Moment," these infamous sisters show women how not to handle the challenges of life. With her trademark humor and encouragement, Higgs teaches us how to avoid their tragic mistakes and joyfully embrace grace. Includes an example of the participant workbook featuring ten women of the Bible.

**DVD400  Places in the Heart**
Acclaimed by critics all over the country and boasting an Academy Award(r)-winning performance by Sally Field, PLACES IN THE HEART is a landmark film. Its emotionally gripping story centers around Edna Spalding (Field) and her unending struggle against extraordinary hardships. But, as recalled from director-writer Robert Benton's own childhood, it's also a portrait of a time and a place and a people. It is the 1930s in Waxahachie, Texas. Against this Depression-torn background, unforgettable characters meet and collide. Like Mr. Will (John Malkovich), the blind boarder who sees all too clearly the bigotry of his time, Moze (Danny Glover), a black man who knows a lot, including his own place in a white Southern town, and Wayne (Ed Harris), Margaret (Lindsay Crouse) and Viola (Amy Madigan), decent people caught up in an adulterous triangle which threatens two marriages. Together they leave an indelible impression of faith, courage, love and, most of all, endurance. Rated PG.

**DVD403  Lives for Sale**
A documentary on Immigration and Human Trafficking. "Lives for Sale" goes beyond the rhetoric to show why immigrants are willing to risk everything - even virtual slavery - for the American Dream. While politicians, activists and the media wrestle with the thorny issue of immigration, this new investigative documentary exposes the painful, rarely seen human side of illegal immigration; especially the growing black market trade in human beings. The DVD contains lots of extras including a study guide, script, fact sheets, brochures, video clips, and more. You can view a preview at [http://www.livesforsale.com](http://www.livesforsale.com).

"Providing a biblical basis for mission in different periods and centuries, the DVD also offers specific stories of women engaged in mission against the odds."
