Project AGAPE

VOLUME VI, ISSUE X

OCTOBER 2012

"I DON'T REMEMBER WHEN LAST TIME I SPENT MONEY ON BUYING CLOTHING"

The distribution of the goods from July container took place mainly in September-October and was completed in November. About 600 families received

clothing, blankets and bedding, food, hygiene and school supplies. There are enough Christmas Boxes for the Christmas event organized every year for the children of the orphanage, Christian Education Center, the children of Berdzor and the villages. People call to AGAPE office in Berdzor almost every day to ask about the Christmas event and the date it will take place.

Danielyan Marine from Ishkhanadzor was among those who received humanitarian aid from AGAPE in October. She has six children and receives aid from Project AGAPE on regular bases. She came to Berdzor to deliver her sixth child when the distribution was in progress. Prior to going to the hospital she visited the AGAPE office to get the necessary things for the newborn child. And then she came again on the day when she was ready to go back to her village with her newborn child to get a warm coat and some clothing for herself and for her other 5 children. "I DON'T REMEMBER WHEN

LAST TIME I SPENT MONEY ON BUYING CLOTHING", told Marine while trying on the denim coat. "This has been an invaluable help for my family since the very first day when we moved to Ishkhanadzor village of Kashatagh. May God abundantly bless all those people, whose hearts and love are bigger than the distance between them and us..."

One of the habitants holding her child while Marine chooses clothing and tries on a denim coat

Message from the AGAPE Board

Project AGAPE is making a difference in the lives of thousands of people in Armenia and Karabagh. We are the only organized group serving in this Karabagh region. United Methodists from across North Carolina continue to support our brothers and sisters helping to meet needs of

food, medical care, clothing and Christian education. The economy continues to struggle with 60% unemployment where folks just try to exist from day to day. YOU provide hope in this day to day struggle.

Please continue your support and share this need in your

church. Your financial contributions are vital to Project AGAPE's ministry. If you are not a member of the Fellowship of 1000, please join today. It only takes a gift of \$100.00 per year to be part of making people like Marine Danielyan, who are less fortunate, happier.
