

Children's Artwork Needed

At Annual Conference 2015, we want 2,000 children to be present with us! Through their artwork, that is. We are asking all churches in the NC Conference to collect artwork from the children in their local churches.

As we celebrate 75 years of UMCOR and the mission work done through our Annual Conference, all children are invited to share a picture they draw, paint, color, or any other medium they choose, of what they think it means to serve others/what service is. We want every person present at AC 2015 to have a hand-drawn picture from a child in our Conference, to take home with them.

Collect all artwork on any type of paper, 8 1/2 x 11 size, and send to:
