## From Strength to Strength

### Quadrennial Theme, North Carolina Conference of the United Methodist Church

The psalmist writes of a place of joy, a source of strength, a place of security, and that place is in God's presence.

*"How lovely is your dwelling place, O Lord of hosts!  
My soul longs, indeed it faints for the courts of the Lord; . . .  
Happy are those who live in your house . . .  
Happy are those whose strength is in you,  
in whose heart are the highways to Zion.  
As they go through the valley of Baca  
they make it a place of springs:  
the early rain also covers it with pools.  
They go from strength to strength;  
the God of gods will be seen in Zion." (Psalm 84:1-7)*

Christians find strength in every situation of life. We celebrate this reality that give us hope in any time of trouble, trial or stress. "Baca" appears in our journey. However, it does not define us. We overcome through Jesus Christ.

The message of the psalmist is that believers who find their strength in the living God not only find their spirits lifted, they transform the landscape into one of hope and refreshment. "They go from strength to strength" as they are nourished by their relationship to God. The benefits are contagious, as others recognize in them a source of vitality that sustains them and spills over in transformative ways. Jesus invited disciples into such a life-enhancing relationship. In the words of the Apostle Paul, "May you be made strong with all the strength that comes from his glorious power." (Colossians 1:11)

Over and over again, the scriptures speak of strength, not our own creation or development, but God's provision. Over and over again, the scriptures beckon us to remain rooted in Jesus Christ, so that we may bear fruit and lead productive lives for his sake.

In each year of this quadrennium, 2013-2016, our Annual Conference theme will focus on the strength we receive from God. Each year, we also will focus on one aspect of that relationship that produces growth, wellness, and a desire to serve and to give, transforming the lives and communities around us.

Grow!  
Thrive!  
Serve!  
Give!

So that, people of all ages and places may come to know the life-giving love of Jesus Christ, and find themselves strengthened for the task he has given us. With a renewed commitment to our vision as people of the Wesleyan way, the North Carolina Conference seeks to be "healthy congregations and effective leaders in every place, making disciples of Jesus Christ for the transformation of the world."

Welcome to the 2013 Annual Conference session in Greenville, NC. Join us for the teaching, the singing, the celebrating of our ministries, all of which are God's gift of strength for us, as we live by faith in Jesus Christ.

# Rules of Order and Procedure

## Section I: Rules of Order and Procedure

### A. Applicability and Amendment of these Conference Rules

1. The current edition of *Robert's Rules of Order, Newly Revised* shall apply to any situation not covered by these rules.
2. If any part of these rules conflicts with the current edition of the *Book of Discipline* of The United Methodist Church, the *Book of Discipline* shall prevail.
3. These rules of order and procedure for the North Carolina Annual Conference\* of The United Methodist Church shall apply to the annual conference as regularly scheduled and to all called sessions of the North Carolina Annual Conference until superseded. [See note at end of Conference Rules]
4. These rules of order and procedure may be amended by a two-thirds vote on the next day after a proposed amendment has been presented in writing.
5. These rules of order and procedure of The North Carolina Annual Conference shall become effective immediately upon adoption by the Annual Conference.

### B. Motions, Amendments, Reports and Resolutions

1. Main motions presented to the Annual Conference shall be submitted in writing to the Conference Secretary prior to, or immediately following, presentation.
2. Reports, recommendations, and resolutions coming from boards, agencies and committees of the Annual Conference to be included in the on-line posting shall be sent to the Conference Secretary, in a format acceptable to the Conference Secretary, on or before the deadline set by the secretary and published in the Annual Conference calendar.
3. Resolutions to be presented to the annual conference, other than those coming from boards, agencies, and committees, shall be submitted to the Conference Secretary and the chairperson of the Committee on Resolutions and in a format acceptable to the Conference Secretary with the deadline set in accordance to Section I, paragraph B.2 above, but not less than thirty (30) days prior to the opening of the annual conference, to allow time for review by the Conference Secretary, the Committee on Resolutions and Reference, and all members of the Annual Conference. Individuals and non- official organizations may submit only one resolution for consideration.
4. The Committee on Resolutions and Reference shall schedule all properly presented resolutions for consideration by the Annual Conference. The scheduling of resolutions from Conference boards or agencies will not constitute a recommendation for approval, disapproval or referral. Any resolution coming from a source other than an Annual Conference board or agency will be reviewed by this committee, which shall then recommend to the Annual Conference approval, disapproval, or referral to another board or agency. With each report the Committee on Resolutions and Reference shall state the rationale for the recommendation.
5. A resolution, motion, amendment or report is considered presented to the Annual Conference when it is distributed in Annual Conference publications, and/or on the Conference website, or distributed to members on the floor of the annual conference after authorization by the Conference Secretary or the Assistant Secretary, and chairperson of the Committee on Resolutions and Reference. The expense for distributed copies shall be borne

by the agency or person originating the resolution, and all copies distributed shall indicate the source of the resolution. No resolution shall be voted on unless it has been presented at least twenty-four (24) hours in advance. All resolutions shall be referred to the Committee on Resolutions and Reference, which shall report to the annual conference.

6. Early in each annual conference, the Council on Finance and Administration shall present a proposed budget for consideration and debate, but not action. After consideration and debate, the proposed budget will lie on the table until the final report of the Council on Finance and Administration. Any motion to change the proposed budget may be considered, debated, and voted on, and if affirmed, will be referred to the Council on Finance and Administration. In its final report on the last day of business (See Section IV:B below) the Council on Finance and Administration will indicate their concurrence or non-concurrence with any such motion before final passage of the budget.

### C. Speeches

1. Speeches shall be limited to three (3) minutes except by consent of the Annual Conference.
2. A member may speak only once on any motion until all who desire to speak have done so, and then he/she may speak only one additional time.
3. The chairperson of an agency, or someone designated by him/her, shall be allowed to speak last on his/her report even though the previous questions have been ordered.

### D. Voting

1. All votes shall be cast in the bar of the annual conference. The Annual Conference shall determine the bar of the annual conference at the beginning of the first session.

### E. Election of Delegates to General and Jurisdictional Conferences

1. In the Annual Conference prior to the election of delegates to General and Jurisdictional Conference the Annual Conference Rules Committee shall propose the manner of election to be approved by Annual Conference.
2. Prior to the convening of any annual conference that will elect delegates to General and Jurisdictional Conferences, the Conference Secretary will publish eligibility requirements and voting procedures for election of delegates.
3. Episcopal Nominations—At the conclusion of an annual conference that conducts elections for clergy and lay delegates to General Conference and Jurisdictional Conference, the entire newly elected delegation (clergy and laity) will meet. The first clergy elected will be acknowledged as an automatic nominee for bishop. Other nominations will be received from members of the delegation. Such nominations will be made by secret ballot. Nominees can be any Elder in good standing in the NCCUMC. A delegate will be given the opportunity to speak regarding his/her nominee. A secret ballot vote will follow immediately. The vote will narrow the field of nominees to a number not to exceed 10% of the delegation. As soon as possible, officers of the delegation, or those whom they designate, will contact the nominees selected during this process and upon request share with them the results of the vote concerning their nomination. They will be given three weeks to discern God's will for their ministries. Those who accept nomination must submit by July 15 a one-page biographical statement to the delegation Secretary, who will distribute all such statements to all members of the delegation. Before September 1, the delegation will meet and engage

the nominees. This day of discernment will include each nominee's making a presentation (10 minutes), responding to a set of questions composed by the delegation officers or those whom they designate (10 minutes), responding to questions from the floor of the meeting (10 minutes), and offering closing remarks (1 minute). Immediately after meeting with the nominees, the delegation will vote, perhaps several times, by written ballot. The nominee, who earns the delegation's endorsement, must receive at least 60% of the votes cast. If after 5 votes the delegation present has not cast 60% (or more) of its ballots for one nominee, the delegation and the Annual Conference will not endorse an episcopal nominee in that election cycle. At the annual conference immediately before Jurisdiction – al Conference, the delegation's nominee will make a brief speech and be endorsed (or not) by vote of the Annual Conference; endorsement by the Annual Conference requires at least 60% of the votes cast. If after 3 votes the Annual Conference members present have not cast 60% (or more) of their ballots for one nominee, the Annual Conference will not endorse an episcopal nominee in that election cycle. A nominee endorsed by the Annual Conference becomes the Annual Conference's nominee for bishop.

## Section II: Districts

- A. Number of Districts—the number of districts shall be **eight (8)**. A motion to change the number of districts must be presented in writing, and must be considered no sooner than the day following its introduction. - B. The Annual Conference shall elect the District Lay Leaders for a four-year term at the beginning of each quadrennium, at the first annual conference\* after the General Conference of The United Methodist Church upon nomination by each District Superintendent and the Annual Conference Lay Leader.

*\*A note on usage in this document:*

*The terms “North Carolina Annual Conference,” “Annual Conference,” or “Conference” [note the capital letters] refer to The North Carolina Annual Conference of The United Methodist Church. These terms refer to an organization.*

*The term “annual conference” [in lower-case letters] refers to the yearly assembly, usually occupying several days in June, at which the North Carolina Annual Conference gathers to worship God and conduct business. This term [not capitalized] refers to this yearly, multi-day convention.*

*The term “session” refers to one meeting of the North Carolina Annual Conference occurring on any part of one of those days or to a meeting on a single day for a special or called session. For example, the minutes often refer to the “morning session of the first day of the annual conference” or to the “evening session of Friday of annual conference.” This document avoids the common practice of using the phrase “the annual conference session” to refer to the whole week of meetings in June. This document’s usage would designate that whole series of meetings as “the 2006 annual conference,” or “the 2009 annual conference.”*

# Daily Minutes of the 2014 Annual Conference

## Opening Session, Wednesday, June 11, 2014

A Worship Service and Celebration of Holy Communion began at 9:55 a.m. Bishop Hope Morgan Ward preached and celebrated Holy Communion. A special offering was taken for Imagine No Malaria. The worship service concluded at 10:44 a.m.

### Organization of the Conference:

The 47<sup>th</sup> session of the North Carolina United Methodist Church Annual Conference was called to order at 10:59 a.m. by Bishop Ward. Gary Wayne Locklear, the Conference Lay Leader, invited the Annual Conference to stand and sing the opening hymn "And Are We Yet Alive." This is the 189th Conference of The Methodist Church in North Carolina and the 230th year of Methodism in the United States. Bishop Ward led the Conference in prayer.

### Motions of Order:

Bishop Ward recognized Conference Secretary, Jerry Bryan, to put forward motions of order for the Annual Conference which are found on page 6, and 7 of the 2014 Conference Workbook. Secretary Bryan made the motions of order which were approved by the annual conference.

### Report of the Committee on Conference Rules:

Bishop Ward recognized Ellen McCubbin (CO - Davis Street) who presented the report of the Committee on Conference Rules. Rev. McCubbin moved the adoption of the rules as found on page 11 of the Conference Workbook. Rev. McCubbin thanked Secretary Bryan and Shannon Medlin for this report.

Bishop Ward informed the Conference that Dr. Christine Poul from Asbury Seminary who was scheduled to make a presentation would be unable to attend because of an illness in her family. Bishop Ward asked for prayers.

### Welcome:

Bishop Ward recognized the members of the Beacon District as the host district this year. Gil Wise, District Superintendent for the Beacon District, along with Tom Quance, the District Lay Leader introduced a video produced by the Beacon District as a welcome to annual conference. At the conclusion of the video Rev. Wise asked the members of the Beacon District to stand and be recognized.

### Cokesbury:

Bishop Ward called on Dr. Carl Frazier, Cary First United Methodist and Michael Boone from Cokesbury to make a presentation on behalf of the Fellowship Council at Cokesbury. Dr. Frazier introduced Michael Boone who addressed the Annual Conference. Mr. Boone presented Bishop Ward with a sparkly cross and flame tee shirt.

### Prayer Baton:

Bishop Ward explained that a prayer baton had passed through all the Districts. The baton began its tour in the Beacon District at each county courthouse and has ended at Annual Conference. Bishop Ward asked all those who participated in the prayer gatherings to stand. The prayer baton was then brought in by a member of the Capital District and presented to Gary Wayne Locklear, Conference Lay Leader.

Mr Locklear mentioned the 1-1-1 initiative of the conference commission on evangelism. He placed the ceremonial baton on the altar as a reminder of the initiative of prayer. Bishop Ward read from the Second Chapter of Acts and delivered the report from Strength to Strength as part of the leadership tool with the emphasis on Thrive. Bishop Ward called on Frances Daniels, Harbor District Superintendent, to describe their district mission strategy. Bishop Ward asked members of the Harbor District to stand. They were received with applause from the Conference. Bishop Ward recognized Jon Strother, District Superintendent of the Capital District, who spoke about the Capital District's Mission strategy. Rev. Strother quoted from Reggie McNeill's book "Get Off Your Donkey." Rev. Strother then invited the annual conference to sing the third stanza of hymn 383, This Is A Day of New Beginnings, as an affirmation of faith. Bishop Ward reminded the annual conference that mission is global, but strategy is local. She reminded the Conference that the theme for this year is, "From Strength to Strength: Thrive":

### Duke Divinity School:

In the absence of Dean Richard Hayes, Bishop Ward called upon Wes Brown to bring greetings from the Duke Divinity School. Rev. Brown showed the Annual Conference a video from Duke Divinity School. Bishop Ward asked the Duke graduates and all local pastors trained at Duke to stand and be recognized.

### Recognition of Bishop Minnick:

Bishop Ward recognized Bishop Minnick for his years of service in the North Carolina Annual Conference. She was joined on stage by several former district superintendents who served under Bishop Minnick. As a tribute to Bishop Minnick they led in the singing of a re-written version of "Lord, You have come to the Lakeshore."

Bishop Minnick addressed the Annual Conference with humor and grace. The Annual Conference gave Bishop Minnick a standing ovation. Bishop Ward asked Gary Wayne Locklear, Conference Lay Leader, to pray before lunch. The morning session adjourned at 12:15 p.m.

## **Afternoon Session, Wednesday, June 11, 2014**

### Clergy Executive Session:

Bishop Ward called the Executive Session together at 1:35 p.m. and asked the pastors in the executive session to sing the first verses of three Wesley hymns "O For A thousand Tongues to Sing," "Come Sinners to the Gospel Feast," and "And Can It Be that I Should Gain." Bishop Ward led the Executive Session in prayer. After her address, Bishop Ward asked the Executive Session to sing the second stanza of the hymn "Come Sinners to the Gospel Feast."

Bishop Ward asked the Executive Session to grant permission for those laity who serve on the Board of Ordained Ministry to be present for the meeting. The motion was made, seconded and approved.

Bishop Ward asked the clergy members to pass the character of the District Superintendents. The Executive Session voted to approve the character of the District Superintendents. Bishop Ward asked the District Superintendents to give their report on the character of the clergy of their districts. Gil Wise declared the clergy of the Beacon District blameless. Jon Strother declared the clergy of the Capital District to be blameless in their execution of their duties. Donna Banks declared the clergy in the Corridor District blameless. Ray Broadwell declared the clergy of the Fairway District blameless. With the exception of one person currently under investigation Sam Wynn declared the clergy of the Gateway District blameless. Francis Daniels, Harbor District, declared the clergy in the Harbor District blameless in their character and administration. Randy Ennis, Heritage District Superintendent, declared the clergy of the Heritage District to be blameless in their character and administration. Linda Taylor, Sound District Superintendent, declared their clergy of the Sound District blameless in their character and administration.

Bishop Ward called on Ned Hill, Chair, to bring the report of the Board of Ordained Ministry. Rev. Hill placed Larry Bowden and Valerie Balance Tyson's names in nomination for the Class of 2018 for the Board of Managers for the Convocation of Pastors at Duke Divinity School. They were elected.

Rev. Hill turned to Question 32: Who are elected as members in Full Connection. After reading the names, Bishop Ward asked the historic questions and called for the vote. They were approved and received a standing ovation. Bishop Ward offered prayer on their behalf. A list of these names will be found in the 2014 Journal.

Rev. Hill referred to Question 21A: Who are approved and appointed as full-time local pastors? Rev. Hill asked the new local pastors to stand. Bishop Ward asked for the vote and they were approved. Bishop Ward asked that the full-time local pastors from each of the eight districts stand and be approved as their district was named. A vote was called for each district and they were approved.

## 2015 Rainbow Covenant Overview

The Rainbow Covenant is organized into five lanes and connects persons in mission with the projects in which they are involved.

The lanes are:

Lane One: Persons in Mission \*

Lane Two: Conference Advances

Lane Three: National Missions

Lane Four: World Missions

Lane Five: UMCOR

### Persons in Mission \*

In Lane One are persons in mission supported by the NC Conference and the General Board of Global Ministries. They serve on the ground throughout the world and are the hands and feet of Christ. Some of them work locally in this conference area. Others work in other parts of the nation. Still others work in other countries. All have valid ministries and all have valid needs.

Local churches are encouraged to be involved with the various missionaries that the NC Conference supports. Several persons in mission are not commissioned missionaries through the General Board of Global Ministries; yet they still need funds to advance their ministry. (These persons are designated with “S” in their identification code which shows that they are a part of a Conference Advance). For more information about the GBGM missionaries, go to the website: [umcmmission.org](http://umcmmission.org). All persons in missions appreciate prayers, cards, letters and emails.

### Covenant Relationships

All gifts and contributions share the love of Jesus Christ by supporting missionaries who work to offer hope and alleviate human suffering. Generous one-time gifts make this service possible. Congregations and individuals are also encouraged to support missionaries through Covenant Relationships.

The standard covenant relationship for a local church to support a General Board of Global Ministries (GBGM) missionary is \$2500 annually or \$5 per church member per year. However, this partnership is much more than a financial commitment. It is a dynamic relationship where the church and missionary pray for one another and communicate regularly. By deepening its own awareness of the struggles and triumphs of the missionary, congregations participate in a work that is truly connectional.

To learn more about covenant relationships, contact the Conference Missions Team Secretary, Bill Haddock ([revbillh@nccumc.org](mailto:revbillh@nccumc.org)) or <http://www.umcmmission.org/Get-Involved/Partnerships/Covenant-Relationships>.

## Advance Specials

GBGM ADVANCE for Christ projects are General Advance Specials. There are also Conference Advance Specials approved by the North Carolina Annual Conference.

Both types of Advance Specials are assigned numbers which should be recorded on the new remittance sheets (<http://nccumc.org/treasurer/files/remitformfillin.pdf>) and turned into the Conference Treasurer with the contribution check. Remittances for General Advance Specials can also be made on-line at the General Board of Global Ministries website at [umcmmission.org](http://umcmmission.org).

At the end of the fiscal year, please fill out the form at the end of this section and send it to the District Mission Secretary who will issue the Rainbow Covenant Form to the participating local churches. Remember that all remittances need to be sent to the Conference Treasurer or to the General Board of Global Ministries, **not** to the district secretaries.

This list is not inclusive: any missionary or any ADVANCE Special can be supported by local churches or individuals. The Conference Missions website, at <http://nccumc.org/missions/> has a number of ADVANCE specials that local churches and individuals support.

**Disciple Bible Outreach Ministries of NC, Inc.**

*Ministering in prisons and pews*

*Offering God's grace to a world in need*

Disciple Bible Outreach Ministries of NC, Inc. (DBOM) was founded in 1999 as a collaborative DISCIPLE Bible Study ministry of the Western North Carolina and North Carolina Conferences. DBOM supports DISCIPLE in the local churches and mobilizes local church volunteers to take the DISCIPLE ministry to prisons, jails, and youth development centers.

In North Carolina, nearly 38,000 inmates live in 61 prisons. Since beginning in a United Methodist church in North Carolina in the 1990s, the program has grown steadily and is now expanding nationally. More than 100 United Methodist congregations in North Carolina have been involved, and some correctional facilities have had as many as four Disciple Bible groups active at one time.

DBOM has established a new national organization (Disciple Bible Outreach National, Inc.) and has organized affiliate ministries in Virginia, Tennessee, Louisiana, and Illinois. More expansions are planned for the future.

DBOM this past year held Prison Ministry Days in the following Districts: Capital, Corridor, Harbor, and Fairway. At every meeting the District Superintendent opened with a devotional. Then there was a time of testimony that went for 2 hours! Praise God! We then talked about all of the prison ministries that people could get involved in based upon their gifts and graces. Those that were interested could stay afterwards to be trained to be a DISCIPLE facilitator. Across the state of North Carolina, 148 people were in attendance and 57 were trained to be DISCIPLE facilitators.

DBOM is also involved in the life of the Academy with our partnership with Duke Divinity. We have worked with well over 100 Duke Divinity students in a variety of ways whether as interns with us, in the classroom, training them to be a DISCIPLE facilitator, or by setting up meetings with relevant practitioners. We are prayerful that their time at Duke Divinity will be formational and transformational and that they will leave with a heart for prison ministry which they will take with them into whatever capacity God calls them to serve.

None of this would be possible without you, the laity and clergy of the conference. A primary source of DBOM funding comes from the yearly special offering. In 2014, the offering will be taken on August 24th. Envelopes and additional information will be provided soon. We are grateful for your support.

Thank you and God bless you as we continue to offer DBOM's ministry in the prisons and pews of America!

## North Carolina United Methodist Women

The year 2013 was the second year of our quadrennial theme "Today, Tomorrow and Beyond, God is Calling Us...". For 2013 we focused on the subtheme "God is Calling Us to Pray". We know that we inherited the wonderful mission-focused organization because of the many prayers and acts of faith of our foremothers.

The year began with the excitement of learning about birthing kits. In December of 2012, UMW partnered with the Conference Mission Team to promote the making of birthing kits to be delivered to Annual Conference. Our UMW Mission Team met Katey Zeh, Project Director of the Healthy Families, Healthy Planet initiative of the General Board of Church and Society and Society, at our January meeting. She shared her work with us and the need for birthing kits. Several thousands of birthing kits were delivered to Annual Meeting.

UMW hosted 3 conference wide events in 2013; 39 & Under Event, Mission u and Mother-Child Retreat and Annual Meeting. UMW uses each of these events to promote mission, to educate about mission, to equip and empower women, to promote social advocacy and to know God.

Our Conference 39 & Under event was a weekend of faith, fun, fellowship and learning. We focused on prayer, hope and dancing for Jesus. A youth workshop titled "Standing Up For Jesus" addressed how teens can stay centered in Christ with peer pressure and how to share the gospel with others. This event is targeted for young women but women of all ages attend.

Mission u is a 3 day event to share the mission studies and to train women to teach the studies in their local units and in the districts. The studies were "Poverty", "The People of Roma" and "Living Sacramentally, Walking Justly". Mission education is an important part of United Methodist Women. These studies share how UMW and the UMC are involved in mission and provide theological understanding of mission.

Our Mother-Child Retreat held annually in September at Camp Don Lee, continues to be a favored event for our young mothers and grandmothers. A total of 271 mothers, children and UMW staff attended this event. It is a weekend opportunity to get to know God and to share time with young ones.

Our Annual Meeting is a business session where we adopt our budget, elect officers, celebrate our work and memorialize those who have passed during the year. In 2013 we loss two past Conference UMW Presidents, Ruth Cade and Tibbie Roberts. A celebration of their lives and their commitment to mission was presented via a PowerPoint presentation. The 2012 Book of Reports was dedicated in memory of Ruth and Tibbie. Ruth Cade's daughter, Barbara White, also shared her memories of her mother's involvement in UMW.

**At our Annual Meeting we also celebrated the 125th Anniversary of the Deaconess and Home Missioner Program. North Carolina UMW honored the work of three Deaconess, Melba McCallum, Lisa Bachman and Nancy Van Antwerp; and our three Home Missioners, Gary Locklear, Charles Barrow and Thomas Gates.**

In September, 14 United Methodist Women travelled to Savannah, Georgia to work at the Wesley Community Center of Savannah. We stocked the food pantry, rearranged and organized the clothing closet, organized the library, made blankets, shredded sensitive documents, worked in the garden and showered the daycare children with the love of Christ. What a joy it was to be helping hands at one of National UMW's mission institutions. We give special thanks to Ellabell UMC who provided housing for us. A mission trip to the Scott's Run Settlement House in Osage, West Virginia is planned for September 2014.

In 2013, the North Carolina Conference UMW remitted \$410,081.58 in Mission Giving to National UMW. We give thanks to God for the dedicated and faithful women in North Carolina who support mission. And we give thanks to God for the difference that will be made in the lives of women, children and youth who will benefit from our mission giving.

LaNella Smith  
Conference President

### Report of North Carolina Conference Board of Church and Society to Annual Conference 2014

During this past year, the focus of the North Carolina Conference Board of Church and Society has been to bring serious and thoughtful conversation around issues of social justice. To that end, we have partnered with Bishop Hope Morgan Ward in presenting three forums. The first centered on immigration, the second on racial justice, and the third on human sexuality. A fourth forum, on Israel and Palestine, has been postponed because of the winter weather that wrecked havoc in North Carolina.

It is evident that our oneness in Christ as Methodists does not always result in oneness of opinion. Christians of faith and goodwill can indeed find themselves on opposite sides of social issues, and both can find Scripture, reason, tradition, and experience to support their claims. The forums provided an important opportunity for people of different perspectives to listen carefully and gracefully to those with different points of view.

The Board had the happy opportunity to present the Jack Crum Award (for prophetic ministry) to Youth for Hope, which ministers to underprivileged children in Israel and Palestine and seeks to foster understanding between Jewish and Christian children and youth.

The Board was one of the co-sponsors of the Faith Summit on Child Poverty in November 2013. Other expenditures included helping to send a representative to the following gatherings: World Council of Churches meeting, the Peace with Justice Meeting, and the Young Clergy Forum sponsored by the General Board of Church and Society. The Board also helped sponsor the Imagine No Malaria initiative in our Conference.

During one meeting we heard from Heather Olson, a representative from the Committee on Refugees and Immigration.

Finally, the Board purchased copies of the Social Principles of the United Methodist Church, which are available upon request.

Chairperson  
North Carolina Board of Church and Society

## Commission on Evangelism

In obedience to the commission by Jesus Christ and the mission of the United Methodist Church, the Commission on Evangelism has wrapped itself into the mission of making disciples of Jesus Christ to transform the world (Matt. 28:16-20 & ¶201). The Commission has lived out its purpose to provide training opportunities and resources to equip the clergy and laity of the North Carolina Conference to share the Gospel of Jesus Christ with all persons for the “Heart of Christian Ministry – Christ’s ministry of outreaching love.” (¶125).

2013 for the Commission has been a year of focusing and thriving to listen to the call of God and to see where he is leading us as a conference to make disciples. The Commission continues to provide grants for multi-district evangelism training events, multi-church local training workshops, and continuing education scholarships for Evangelistic training. In 2013, the Commission provided risk-taking grants for local churches to help them get their evangelism ministries moving in a positive way. The 11 Caswell County UMC churches joined together to have a county wide revival with a grant.

In Spring 2013, the 12th annual Academy of Christian Witness for Clergy was held at the Bergland Center at Camp Rockfish, with full scholarships, books, and resource materials provided to the participants. Each year, upon the recommendation of the District Superintendents, approximately 25 pastors are trained and inspired by 10 presenters with workshops including worship as evangelism, witnessing to post-moderns, pastoral leadership as evangelism, local missions as evangelism, spirituality of the pastor-evangelist, personal faith sharing, getting the Word out, and “taking it to the streets.” The 2013 Clergy sessions continues to be revamped to address the present changing needed to reach the lost and to spread the Gospel message.

The fall of 2013, brought a new insight to the Laity Academy of Christian Witness is that the new calling from God was to have “CLARITY”. This new format led the Commission to develop an Academy where Clergy and Laity would come together to look at Evangelism in their area of ministry. This was done by having the Clergy and two laity from a church look at the needs of their community, to focus on what their church had to offer their community. The commission provided demographic from MissionInsite for each church and each church left with a plan of Evangelism for their church. Six churches were participants in this first Clarity Academy.

The Advance Academy of Christian Witness in January, 2014 brought a new vision to the work of Evangelism in our Conference when 70 people, clergy and laity, joined together to share with Tom Berlin and Mark Miller on doing “Evangelism in an Established Church”. The three day Academy helped the church leaders to focus on how an historical established church could be a missional evangelism faith community.

The Commission on Evangelism continues to embrace the visions to which God has entrusted us for outreach, nurture, strengthening clergy and lay leadership, and equipping the saints for ministry through the Wesleyan model for making disciples of Jesus Christ to transform the world. The North Carolina Conference continues to be one of the few in the United Methodist Church to report annual net growth of membership. The Commission on Evangelism urges all United Methodists to be faithful to their calling and their membership vows, to go into the world and to witness to make disciples for Jesus Christ.

In 2013, the Commission and the Foundation of Evangelism recognized Rev. Jerry Mitchell, Mr. Todd Rentz, Ms. Jennifer White as the Harry Denman Evangelism Award recipient for Clergy, Laity and Youth. This award is presented each year to people in our annual conference who model the image of Jesus in sharing the faith to the children of God and the unchurched. Our Conference has given this award out since 1990.

Rev. Dr. Jerry A. Jackson, Chairperson

## Disability Concerns, Committee on

The Committee on Disability Concerns got off to a late start during the past year, slowed by the lack of a chairman and the need for old and new members to regroup and reorganize. We were able to meet in early April and get ourselves back on track.

The committee in recent years has laid a foundation for progress. We produced a video with its powerful message encouraging our churches to make ourselves more accessible to all persons with disabilities. This was shown during the 2012 Annual Conference where we also conducted a huge survey to assess disability concerns within the churches of our conference.

Last year we produced and distributed at Annual Conference a brochure, “Making Life’s Spiritual Journey A Little Easier,” giving our churches and members some practical guidance on ways to make our churches more hospitable to members with disabilities.

We continue to offer financial support to the annual conference on faith-based ministry to the mentally ill held in Chapel Hill every year. It is inspiring to see so many caring people together in one place on behalf of some of the most vulnerable people in our society.

Thanks to the initiative and effort of Dr. Christine Harman during the past year, the committee now has a visible page on the conference website where visitors can view our video and link to a wide variety of valuable resources.

With so many disabilities – physical, emotional, developmental – we still have much to do. We’re still trying to analyze and draw direction from the copious data from our survey. We want to update our brochure and continue to make it available. We hope to keep improving our website and expanding the resources we can recommend. We encourage you to make full use of them. At the very minimum, we encourage you to make sure your church has at least a ramp to allow mobility challenged members to enter the sanctuary and/or fellowship hall.

Our major new initiative, we decided in April, will be to work with the lay servant ministry to develop online courses for our conference lay servants and anyone else interested, starting with a general overview of ministering to persons with disabilities but gradually offering more specialized training aimed at ministering to persons with specific disabilities. These will take time and a lot of work, even coordination and cooperation with other conference ministries, but we’re confident that the care and compassion of our lay servants, once trained, will expand hospitality for the disabled far beyond what one small committee can accomplish.

One of our tasks as a committee is to be an advocate for people with disabilities, a very real need in a society where the rights of the disabled lag behind those of other North Carolinians and where state services and support are increasingly restricted as the legislature cuts programs and funding necessary to serve our disabled citizens. The mental health system in North Carolina continues to be broken and not adequate to our state’s needs. Advocacy is where our churches and church leaders can be more effective, day in and day out, than one small committee. We encourage you to inform yourself

on the needs of the disabled and to take the lead in your own communities in becoming advocates on their behalf in the political, business, and social communities. Help give a voice to the voiceless. Our quadrennial theme of “Strength to Strength” and this year’s theme of “Thrive” relate to persons with disabilities as much as anyone else. All persons are of sacred worth and persons with disabilities within our congregations, with appropriate assistance and opportunities, can add to the strength of our church ministries and contribute to ways we can thrive in our spiritual growth with God and within our communities.

Ken Ripley Chair

## **Financial Discipleship Team, 2014**

The Financial Discipleship Team is here to promote effective financial discipleship in our churches, ministries, and individuals across the North Carolina Conference. This includes the promotion of qualities like good stewardship and extravagant generosity.

Our primary ministry event has been the New Clergy Stewardship Training. This year, stewardship training for new clergy is being taken online! Topics include stewardship campaigns and the Biblical basis for stewardship among others. We are also hosting in-person events as supplements to the online training. For example, Sheila Ahler came to Jarvis Memorial UMC in Greenville on March 22nd to go over clergy tax information. A Church Budgets live-seminar is being planned for Saturday, August 16, 2014.

We are very thankful for the work of Christine Harman (Christian Formation Team Coordinator) and Robin Harry (Administrative Assistant). We are also blessed to be in partnership with The United Methodist Foundation and staff.

Respectfully submitted by Rev. Taylor Mills, Team President

## **The Spiritual Life Committee**

The Spiritual Life Committee serves a vital role in helping local congregations to grow deeper in their spiritual journeys. It continues to provide spiritual resources to the Media Center, both for personal and congregational use. Books on spiritual disciplines, especially in the areas of prayer and spiritual growth as well as works written by noted foundational authors have been made available. Taize music and other contemplative resources along with congregational studies enable churches to explore faith issues in greater depth.

A major undertaking this year has been the formation of a covenant community of spiritual directors. This group is ecumenical by design and includes clergy and laity of other faith traditions as well as United Methodists who are offering spiritual direction. Informative brochures have been developed as well as those listing the locations of directors. Continuing education opportunities will be developed for this group as well as retreat opportunities for participants from local churches.

Last year a 24' canvas labyrinth was presented to the Conference and dedicated by Bishop Hope Morgan Ward. With the high demand for its use especially in the liturgical seasons of Lent and Advent, the Spiritual Life Committee has made a second labyrinth available. This one was dedicated by the spiritual directors at their formation event and will be used in conference youth events.

This committee is in the process of providing avenues for teaching of the sacraments. This undertaking is in memory of Rev. Gayle Felton, who was a committee member, and who is credited with developing the materials on Holy Communion and Baptism found in our UM hymnals, and in confirmation and other church studies. Partnerships with Lay Servant Ministries are being explored.

### **Clergy Care, Committee on**

Financial aid is available to both clergy and diaconal ministers and their families, as described in the section below entitled, "Eligibility for Financial Grants". The financial grants, of up to \$400 per family per calendar year, are provided to cover one-half of the cost of counseling sessions. Ministers under the NC Conference health insurance program should review the Health Care Benefits for outpatient psychiatric care. The coordination of insurance benefits and Clergy Care Grants should not exceed 100% of fees charged.

### **Marriage and Family Enrichment**

The Committee on Clergy Care encourages participation in marriage and family enrichment events, including those focusing on the needs of single, as well as married ministers. Grants up to \$100 per individual, or \$200 per family or couple, per calendar year, are available. A schedule and/or outline of the events, leaders' names and credentials and verification of participation should accompany a letter of application for the grant.

### **Eligibility for Financial Grants**

Persons who qualify for financial grants:

1. Clergy who are members of the NC Annual Conference whose status is active and serving within the boundaries of the Conference, or any person, regardless of conference relationship, who is serving a local church of the NC Annual Conference, or a dependent.
2. Diaconal ministers and or candidates who are serving a local church and are members of the NC Conference.

Conference clergy and diaconal ministers and their families are eligible for grants. A family is defined as dependents of the minister living in a minister's home or parsonage, including spouse, children, parents and grandparents. Ministers' children through the age of 22, whether attending college or living at home, are eligible to receive financial grants.

## Counselors and Therapists Who Qualify for Financial Grants

Only counselors and therapists who meet the following criteria qualify to receive grants from the Committee on Clergy Care:

**Psychiatrist:** American Medical Association (AMA) Board Certification,  
North Carolina License

**Psychologist (Clinical):** Licensed Practicing Psychologist LPP and/or HSP-P),  
North Carolina License

**Pastoral Counselor:** Member, Fellow or Diplomate of the American Association of Pastoral Counselors, Inc. (AAPC)

**Counselor:** Clinical Member of the American Association of Marriage and Family Therapists (AAMFT), North Carolina Certified Marriage and Family Therapists, North Carolina Licensed Professional Counselors (LPL)

**Social Worker:** Member Association of Certified Social Workers (ACSW).

### Application Procedure

The Counselor or therapist, at the request of the qualifying client who is receiving the counseling, is to make application for a grant to the Office of Ministerial Relations in the following manner:

1. The application and brochure are available on the conference website: [www.nccumc.org](http://www.nccumc.org), Ministries tab, Ministerial Relations tab and Downloads, then Clergy Care tab, or the counselor or therapist may request an application form and instructions from the Office of Ministerial Relations by email: [lcbourey@nccumc.org](mailto:lcbourey@nccumc.org) or via mail to the Office of Ministerial Relations, 700 Waterfield Ridge Place, Garner, NC 27529, or by calling either 919-779-6115 or 800-849-4433, ext 244.
2. Once the application and instructions for a Clergy Care Grant are received by the counselor/therapist, and a determination is made that the client qualifies, the application should be completed and returned to the Office of Ministerial Relations for processing. To protect the confidentiality of the client, the client's name and social security number shall never appear on the application. When more than one member of the client's family is involved in counseling, all family members shall be assigned the same case number.
3. The counselor/therapist will receive the financial aid grant on behalf of the client to apply to the client's account or to refund to the client if the account has already been paid. Clients should request from the therapist a statement showing the amount of financial assistance received.
4. The deadline for submitting grant applications is in late December of the calendar year in which the services were provided.

In conference year 2013-2014, the Committee on Pastoral Care granted \$10,634.56 for counseling sessions. This represents 375 sessions with counselors and therapists during the calendar year. Grants processed in 2013-2014 totaled 86, representing 288 sessions for clergy, 80 for spouse, 7 for children. Of these 86 grants, 10 received the maximum of \$400.00 in assistance and 10 received at least half to two-thirds of the maximum grant.

## Continuing Education, Committee on

The Continuing Education Committee of the Board of Ordained Ministry has the responsibility of developing continuing education programs that will enable ministers to fulfill the Disciplinary requirements. According to the *Book of Discipline*, “Clergy shall be expected to continue their education and spiritual growth throughout their careers, including carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities.” *The Discipline* further states that, “In most cases the ordained ministers’ continuing education and spiritual growth program should allow for such leaves at least one week each year and at least one month during one year of each quadrennium. Such leaves shall not be considered as part of the ministers’ vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, district superintendent, and Annual Conference Continuing Education Committee.”

In providing the resources to enable pastors to meet the minimum requirement of The Discipline, the Committee on Continuing Education has edited a brochure that applies to all clergy and diaconal ministers of the NC Annual Conference. The brochure contains information defining Continuing Education, the role of the local church, and how the pastor’s continuing education can be financed. The brochure is printed as part of this report.

## Continuing Education for Ministry in the NC Annual Conference:

**Rationale:** A prime expectation of every minister of the NC Annual Conference is professional growth. In recent years, one of the major avenues through which such growth occurred has been continuing education. In the *Book of Discipline* it states, “There are professional responsibilities that elders are expected to fulfill and that represent a fundamental part of their accountability and a primary basis for their continued eligibility for annual appointment. Growth in vocational competence and effectiveness through continuing formation is expected of conference members.”

**Definition:** Continuing education is defined as an organized structured program of formal study under competent leadership with clearly defined goals and objectives. Here the key words are “organized,” “competent leadership,” and “clearly defined goals and objectives.” By this definition certain activities, though worthwhile, are not considered “continuing education”; e.g., degree programs, recreational programs, course of study programs, promotional meetings, worship services, entertainments, undirected reading, and study travel (except for limited lecture, seminar, or workshop time), and the like.

## The Conference Program:

The Conference Board of Ordained Ministry, through the Committee on Continuing Education, performs three functions: 1) it sets minimum continuing education standards for ministry; 2) it establishes guidelines for continuing education; and 3) it seeks to insure their availability.

1. **Minimum Standards:** The NC Conference has established as a minimum standard one Continuing Education Unit (CEU) to be earned by each minister from an approved continuing education program each year. One CEU is defined as ten contact hours of participation in an approved continuing education program.

2. **Guidelines for Continuing Education Programs:** CEUs will be approved for those persons sponsored by organizations which are accredited by a) a regional educational agency (such as the Southern Association of Colleges and Schools), b) a professional accrediting agency (such as the American Medical Association), or c) the Council on the Continuing Education Unit. It should also be noted that only those programs which relate directly to ministerial growth and development will be approved.
3. **Insuring their Availability:** Efforts by the Board of Ordained Ministry to insure the availability of continuing education programs include encouraging conference-related and other colleges within the Conference bounds to offer courses for ministers, providing supplementary financial aid for ministers, publicizing approved programs, and identifying specific subject areas for needed programs.

**Role of the Local Church:** In addition to the minister, the local church has a significant stake in the success of continuing education programs. The local church, therefore, has an important role to play in continuing education.

### **The Pastor-Parish Relations Committee of the Local Church:**

1. Confers with the pastor and the district superintendent in the development of a continuing education program that will enhance the total ministry of the church.
2. Provides study leaves at least one week each year and at least one month during one year of each quadrennium. Such study leaves are not to be considered vacation time.
3. Recommends to the church's Finance Committee budgetary funds to be applied toward the minister's continuing education program. In providing funds for continuing education programs, the Pastor-Parish Relations Committee should insure that only those programs which meet both the definitions and specific guidelines above are funded.

### **Financial Aid to Clergy:**

Funding for continuing education is the combined responsibility of the participant, the congregation, the sponsoring institution, and the Annual Conference. Conference funds for continuing education are derived as a portion of conference apportionments. Thus, it is not possible (nor is it desirable) for the conference to assume a major responsibility. Continuing education can be expensive. For this reason, local churches are encouraged to provide a minimum of \$300.00 annually for each clergy and diaconal ministers' continuing education.

All persons under Episcopal appointment to charges, conference staff positions, Conference Evangelists, retired supply, and Extension Ministries appointed to conference-related agencies and institutions are eligible for grants from the Conference funds provided:

1. The program meets the definitions and Conference guidelines described above.
2. The applicant has documented his or her efforts to secure funding from other sources, including local church, Duke Endowment, and personal resources.
3. The application for a grant is filed on the appropriate form which furnishes complete information about the event and bears the signatures of the applicant, the Pastor-Parish chairperson, and district superintendent.

## **Continuing Education Grant Guidelines:**

1. The maximum grant to an individual applicant over one conference year is \$300.00
2. Grants are available for ordained, commissioned, licensed and diaconal ministers who receive less than the CAC (Conference Average Compensation), which includes salary and utilities, or less. Pastors serving rural churches are eligible for an additional \$500.00 grant annually, providing funding is available.
3. Applicants must use all funds designated by their local congregation or employing organization prior to requesting Conference grants.
4. Grants for District Continuing Education Seminars shall be limited to \$100.00, based upon the availability of funds, regardless of the number of CEUs involved and within the limits outlined in numbers 1, 2, and 3.
5. Grants for Clinical Pastoral Education (CPE) can be given when the CPE program offers the required CEU credits. No more than \$300.00 per CPE unit will be granted in any given year. Grants for CPE are given only for non-degree programs.
6. Holy Land Trips: A grant according to the current policy may be made once in a pastor's career, providing funding is available.

## **Monitoring Continuing Education Units:**

1. The district superintendent, in annual consultation, may suggest to the clergy or diaconal minister the area of continuing education he or she should take to facilitate his or her professional growth. The pastor's annual Continuing Education Report will be given to the district superintendent at the annual consultation or other appropriate time.
2. Clergy shall have the responsibility for securing from the institution granting Continuing Education credit a record of earned credit and providing a copy of this record to the Office of Ministerial Relations.
3. It is the responsibility of each participant to determine, in consultation with the Committee on Continuing Education, if a proposed program meets the criteria prior to participation and funding.

## **Ministerial Education Fund**

The Ministerial Education Fund (MEF) is one of the most "unsung blessings" of our connectional support! In addition to being the underlying support to our seminaries, it provides invaluable support for the following ministries: Annual Conference Board of Ordained Ministry for programs they provide for clergy, both Elder and Deacon in Full Connection, diaconal ministers; scholarships for students studying for the ordained, both Elder and Deacon In Full Connection in the outstanding United Methodist seminaries and in non-United Methodist seminaries approved by the Division of Ordained Ministry and taught by seminary professors and conference leaders throughout the United Methodist Church; Continuing Education; Course of Study Schools (more than 5,000 people are involved in the Course of Study Schools); research and special programs related to candidacy and enlistment; pastoral care initiatives; clergy women concerns; racial and ethnic concerns; spiritual for-

mation; testing and evaluation; training of boards of ordained ministry; international theological education; jurisdictional block grants; supervision issues and Dempster Fellowships. All of these ministries are funded by money from the Ministerial Education Fund. According to ¶816.1, “Of the total money raised in each annual conference for the Ministerial Education Fund, 25 percent shall be retained by the annual conference that raised it, to be used in its program of ministerial education as approved by the annual conference and administered through its Board of Ordained Ministry.”

The general policies for the North Carolina Annual Conference’s portion of the Ministerial Education Fund are set by the Board of Ordained Ministry. Brochures with guidelines and policies for the MEF scholarships are available from the Office of Ministerial Relations.

Some interesting facts regarding MEF are:

- Hundreds of millions of dollars have been given by local congregations to the MEF since 1968.
- More than twenty-five percent (25%) of that amount from the MEF has supported conference board services in each annual conference since 1970.
- MEF supports Duke Divinity School, which for over 79 years has prepared men and women for leadership in the church as clergy and laity.

A complete list of University Senate-approved schools is on the GBHEM website: [www.gbhem.org](http://www.gbhem.org).

## North Carolina Pastors' School and Duke Divinity School Convocation

The 2013 Convocation & Pastors' School, "Renewing the Church," explored how thriving Christian communities are meeting the deep needs of the world and in the process, breathing new life into the church.

Held October 14-15, 2013, at Duke Divinity School, the event featured lectures from James K.A. Smith, professor of philosophy at Calvin College and senior fellow of The Colossian Forum on Faith, Science and Culture; Jorge Acevedo, lead pastor at Grace Church, a multi-site United Methodist congregation in Southwest Florida; and Lacey Warner, executive vice dean, associate professor of the practice of evangelism and Methodist studies, and Royce and Jane Reynolds teaching fellow at Duke Divinity School. **Rev. Jeremy Troxler**, pastor of Spruce Pine United Methodist Church, Spruce Pine, N.C., served as the Convocation preacher.

Attendees also participated in worship and their choice of 11 seminars led by faculty, church leaders, and practitioners on topics ranging from ministering to millennials to missional renewal to clergy health. As part of the event, participants also submitted images to form a photo mosaic that illustrates the many ways that congregations, organizations, and individuals are renewing the church. The mosaic is available online at <http://bit.ly/1c2yEx1>.

The next Convocation & Pastors' School, "Life after Christendom: Resident Aliens 25 Years Later," will take place October 13-14, 2014. Drawing on the insights of lecturers Stanley Hauerwas and Will Willimon, as well as James Davison Hunter of the University of Virginia, the event will celebrate the 25th anniversary of the publication of *Resident Aliens* through academic lectures and explorations of its impact on pastors and congregations. Pastors serving churches eligible for grants from The Duke Endowment, current Divinity School students, and 2014 graduates of the Divinity School may attend at a discounted rate.

The Convocation & Pastors' School Board of Managers is comprised of representatives the North Carolina and Western North Carolina Annual Conferences, and it advises and works with Duke Divinity School to offer a quality continuing education event annually.

The North Carolina Conference representatives on the Board of Managers are:

Edgardo Colon-Emeric	2011-2014

## **Residency in Ordained Ministry, Committee on**

"It is my prayer that your love may abound more and more, with knowledge and all discernment, so that you may approve what is excellent, and so be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ, to the glory and praise of God."

Philippians 1:9-11

The intent of the Residency in Ordained Ministry (RIOM) process is to create a journey in which each candidate for ordination lives into practices of fruitful ministry while living in covenant with one another and the community in which he/she serves. Components of this process address the confirmation of strengths, creation of partnerships, and the development of leadership competencies throughout one's ministry. Key components for living into a life-long fruitful ministry as lived out in this initiative include: theological reflection, spiritual formation, leadership competency development, peer group learning, individual coaching, and mock interviews.

The continuation of a generous grant from The Duke Endowment has allowed us the opportunity to develop curriculum, equip RIOM Group Leaders, and train coaches so that RIOM could take a more holistic and long-term view of a pastor moving into ministry that takes into account the systemic nature of ministry. Due to the initial success of this new paradigm for RIOM begun in 2012, The Duke Endowment has solicited the expertise of researcher Dr. John Bennett of Queens University in Charlotte, NC. Dr. Bennett will develop evidence-based publications about the NC Conference RIOM program outcomes specifically around pastor leadership development and the impact of coaching to support pastor development. The hope is that research conducted by Dr. Bennett will help us learn which experiences in RIOM have the most significant impact so that those findings can be shared and possibly replicated in other Annual Conferences of the United Methodist Church.

The NC Conference owes a great deal of gratitude to those who served as RIOM Group Leaders during the past conference year: Tom Newman, Allen Bingham, Paul Dunham, Rich Greenway, Kevin Baker, Karen Crutchfield, and Nancy Willard. These gifted servants have enabled our Annual Conference to offer candidates an enriching and worthwhile experience of growth and reflection.

Sincere thanks is also extended to the Reverend Timothy J. Russell, Director of Ministerial Relations and Assistant to the Bishop, Mrs. Linda Bourey, the Executive Assistant to Tim Russell, and Mrs. Peg Aldridge, Pastoral Coach with Passion in Partnership Coaching Network, for their guidance and assistance.

## Sexual Ethics Support Team

Ministry professionals are called to the sacred work of making disciples, which includes nurturing and protecting those under their care. Unfortunately there are occasions when this sacred trust is betrayed. These incidents often appear in the form of clergy sexual or professional misconduct, which are the result of an abuse of power and authority.

In order to help prevent incidents of clergy misconduct and respond appropriately when an incident does occur, it is important to have an effective ethics policy in place to provide preventative guidelines, and an impartial process for a just resolution, accountability, reconciliation, and healing (*2012 Book of Discipline* 363).

New guidelines related to clergy sexual and professional misconduct were adopted at the 2012 General Conference and are reflected in the *2012 Book of Resolutions* and *2012 Book of Discipline*. The team has re-written the Policy on Clergy Sexual and Professional Misconduct for the North Carolina Conference of the United Methodist Church to reflect and comply with these changes. The new policy became effective in June 2013.

The new policy was developed in the form of a brochure so it can be easily printed and distributed. The team also developed a form for reporting incidents of clergy misconduct, and a general information brochure. The ethics policy, reporting form, and brochure can be downloaded from the NC Conference website.

A Response Team was developed under the direction of Bishop Ward, for the purpose of assisting the Bishop and District Superintendents in effectively responding to incidents of misconduct. A just resolution, accountability, reconciliation, and healing are better achieved through the participation of a team rather than one individual (*2012 Book of Resolutions* 2043).

To help with this endeavor, a uniform supervisory response process was developed that also reflects the new guidelines in the *2012 Book of Discipline* and *2012 Book of Resolutions*. Everyone involved in the response process has received comprehensive training.

We, the members of the NC Conference Sexual and Professional Ethics Team, extend a sincere thanks to Bishop Ward for her guidance in developing a response team, and Rev. Timothy Russell for his wise counsel in supporting the work of the team, and for orchestrating the “Keeping Our Sacred Trust” online training that all clergy under Episcopal appointment received through the Lewis Center for Church Leadership at Wesley Theological Seminary. All new licensees will also receive sexual ethics training during licensing school prior to receiving an appointment.

In addition, we also thank Mrs. Linda Bourey for her consistently helpful administrative support. We also extend thanks to the members of the Response Team for their commitment to the task of objectively walking alongside everyone involved in the response process which includes: complainants, respondents, their families, and congregations.

Members who serve on the Response Team: Donna Thompson, Coordinator, Berry Barbour, Brenda Carter, Steve Castle, Jerry Cribb, Joyce Day, Terry Hobbs, David Hollowell, Glenda Johnson, Keith Nanney, Josephine Sutton, Catherine Thompson, Johnnie Wright.

Members who serve on the Sexual and Professional Ethics Team: Donna Thompson, Chair, Anne Ahl, Leonard Fairley, Irene Gattis, Fred Hight, Pat McGhee, Ken McLean, Sandra Ray.

### III. Financial Policies

The United Methodist Church is a connectional church, and all local churches participate in the mission and service giving of the larger church. The outreach and mission giving opportunities of the Connection are distributed to the churches of the NC Conference by means of a formula based on the financial performance in each local church. Every effort is made to develop a computation which is shared with fairness by all. Church leaders are encouraged to interpret the work of the Connection so that each congregation understands these funds to be a necessary extension of the ministry and mission of the church beyond its local organization.

#### A. Apportionments:

1. The funds to be apportioned are:
  - World Service and Connectional Ministries
  - Past Service Liability – Pension
  - Episcopal Fund
  - Interdenominational Cooperation Fund
  - Black College Fund
  - Africa University Fund
2. Formula: The Apportionments for each year shall be based on the average of the total monies disbursed by each church in the four years immediately previous to the apportionment year less the approved exclusions each year, or on the most recent year less the approved exclusions, whichever is lower. The change in unadjusted apportionments from the previous year shall not increase in excess of 15%. The exclusions are: Payments on World Service and Connectional Ministries, Past Service Liability – Pension, Episcopal Fund, and all other apportionments; principal and interest on indebtedness; buildings and improvements; 50% of property insurance; local benevolences paid directly by the local church; General and Conference Advance Specials; IMPACT10; up to \$4,500 for travel paid by a charge for each pastor; United Methodist Student Day; Human Relations Day; Peace and Justice Sunday; Native American Awareness Sunday; One Great Hour of Sharing; World Communion Sunday; UMW Funds sent to district or conference treasurer; housing allowance paid in lieu of furnished parsonage to a minister serving under Episcopal appointment in a charge of the Conference; offerings taken for disasters as designated by the Disaster Response Committee and the Resident Bishop.
3. Effective July 1, 2004, new congregations shall be assigned an apportionment beginning in the apportionment year in which the church is chartered (Year A in the following table), or five years from launch date, whichever is sooner. The new and projected charter dates for all new churches shall be reported annually by the New Faith Communities Office to the Treasurer's Office immediately following Annual Conference. The amount to be apportioned shall be a percentage of the apportionment as computed on the standard formula described in III.A.2 above. Because this formula results in a lower apportionment for a longer period than earlier new church formulas, no adjustment will be allowed to the apportionment computed as shown in the following table:

Year	Percent	Base Year	Net Disbursement Formula	Maximum % Change
A	0%		None	None
B	60%		$=(4A)/4$	None
C	65%		$=((3A)+B)/4$	None
D	70%		$=((2A)+B+C)/4$	None
E	75%		$=(A+B+C+D)/4$	None
F	80%		$=(B+C+D+E)/4$	None
G	85%		$=(C+D+E+F)/4$	None
H	90%		$=(D+E+F+G)/4$	None
I	95%		$=(E+F+G+H)/4$	None
J	100%		$=(F+G+H+I)/4$	None

4. Apportionments to the churches shall be made by the Council on Finance and Administration (CFA) based on the current formula. Each cause shall be paid proportionately out of the income from funds received up to the amount fixed by the Annual Conference. In the event receipts shall fall short, all items shall be paid pro-rata. The CFA is authorized to make supplementary appropriations between sessions of the Annual Conference, if funds are available, for emergency or unforeseen needs. Such supplementary appropriations shall be made only from available undesignated funds. It is the intent of CFA that 50% of supplemental funds available be designated for the retirement of our current liabilities. In the light of possible unforeseen and emergency need beyond available resources within the Annual Conference, the CFA is authorized to adjust the pro-rata distribution by up to 10% at its discretion and is authorized to use such funds to make supplementary appropriations according to this provision. General Church apportionments will be paid in full as collected to general agencies and will not be subject to adjusted pro-rata distributions. All supplementary appropriations made under these provisions shall be reported in the Conference Journal for purposes of information.
  5. Apportionments will be delivered from the treasurer's office to the district superintendents by **July 18, 2014**.
  6. The percentage payout rate for local churches shall be based upon payment of all six apportioned items as listed in Section III.A.1. above.
- B. The following special offerings shall be taken in each local church and remitted to the Conference Treasurer as separate items. They are not to be included in the Apportionments. General Church special offerings include United Methodist Student Day, Human Relations Day, Peace with Justice Sunday, Native American Awareness Sunday, One Great Hour of Sharing, and World Communion Sunday. Annual Conference approved special offerings include Project AGAPE Mission to Armenia, Methodist Home for Children, Mother's Day Offering for the Methodist Retirement Homes, Golden Cross Sunday and Disciple Bible Outreach Ministries.
  - C. No Conference agency's budget shall incorporate funds to be appropriated to a non-conference agency, without specific approval of CFA. All funds granted to a non-conference agency must be spent consistent with the Social Principles of The United Methodist Church.
  - D. No transfer of funds shall be made from one line item in the Conference Budget to another.

- E. All General Church Funds (World Service, Episcopal, Ministerial Education, Black Colleges, Africa University, Interdenominational Cooperation, General Administration), Past Service Liability Fund, Jurisdictional Conference, and Methodist Building Routine and Capital Maintenance Funds will be raised and paid out in the same year. College Sustaining Fund will be raised and paid out in the same year until funds are received in advance equivalent to one year's budget. This transition will take place over 4 years beginning in 2010 and ending in 2013 operating budgets. All other funds will be raised and paid out in the subsequent year on a schedule determined by the CFA.
- F. Investment Policy: The investment of the funds of the conference shall be such that funds available for mission are maximized in a manner consistent with the preservation of capital and with the Social Principles of The United Methodist Church. Investments are with the United Methodist Foundation, Inc. (local), the United Methodist Church Foundation (national), area banks, and with specific minority financial institutions within the bounds of the NC Conference. Investments of funds reserved for use in the next budget year shall be invested 50% fixed income investments and 50% equity investments.
- G. Monies paid by the churches shall be reported to the statistician by the pastors at the end of the year on the Table II, Financial Report. The Table I, Table II and Table III reports for **2014** shall be due to the statistician no later than **January 31, 2015**.
- H. The Council may enact its own bylaws governing meetings, quorum, and other matters of procedure as authorized in the *Discipline*, Para. 610.5.b.
- I. The Council shall maintain a central treasury for all Conference agencies as authorized by Para. 611.11 of the *Discipline*, and the 1953 session of the Annual Conference. Annual Conference boards and agencies, including those separately incorporated, are required to maintain their funds on deposit in the central treasury unless exempted by the Annual Conference or the Discipline. Exemptions are granted to the Methodist Home for Children, the Methodist Retirement Homes, the Colleges, the United Methodist Foundation, Inc., Board of Missions, Inc., Asbury Homes, and North Carolina United Methodist Camp and Retreat Ministries, Inc.
- J. All new programs or entities which would not be funded by an existing approved budget shall be referred to the CFA for review of budget needs and supplemental funds available prior to approval by Annual Conference. If the item is approved, the next year's budget shall be amended to include the necessary funds based on the CFA recommendation.
- K. Contracts executed by commissions, boards, or agencies which obligate the Annual Conference must: 1) be created for periods of no more than 12 months and should be completed by June 30 annually, 2) not involve expenditures exceeding \$50,000 in the aggregate and 3) not include a guarantee by the Conference of debt incurred by a separately incorporated entity. All contracts that exceed a 12-month period and/or \$50,000 must be authorized by the Council on Finance and Administration. Should authorization be needed between meetings of CFA, it can be given by two signatures from the Executive Director of Connectional Ministries, the president of CFA or the Conference Treasurer and will require ratification by CFA at its next meeting.

## **IV. Itinerant Clergy Moving Expense**

### **Effective Date – June 1, 2014**

The Itinerant Clergy Moving Expense Committee met to study moving expense needs and policies. The Committee makes the following recommendations.

#### **A. Eligibility**

1. Pastors of local churches continuing under appointment to local churches within the Conference, district superintendents, ministerial assistants to district superintendents and Conference ministerial staff whose salaries are paid from the Conference Treasurer's office.
2. Pastors in section A.1. who become Conference Evangelists upon moving from an appointment to new residence. Their moving expense to return to any of the above categories will also be paid.
3. Pastors in section A.1 who retire from serving appointment or who assume approved medical leave or return into active service from approved medical leave.
4. Widows or widowers of those identified in section A.1. upon moving from place of appointment to new residence.
5. Pastors moving into an appointment in the North Carolina Conference under section A.1.
6. Interim Supply pastors
7. Pastors being appointed to leave of absence are entitled to moving expense for one leave of absence.
8. Pastors who are called to active military duty will be entitled to moving expense at the time of call up, if need be, and at the time of return, if need be, if not covered by the military, with substantiation of the military orders.
9. Persons moving who are not defined above will not be eligible to make claim.

#### **B. Payment of Claims**

1. All reimbursements must be substantiated with paid receipts for actual moving expenses. All reimbursements must be for expenses which are deductible for income tax purposes according to Internal Revenue code, Section 217, non-taxable fringe benefits. Payment will be granted to all who are eligible to make claims as follows:
  - a. Active itinerant clergy in section A.1., A.2., A.5., A.6., A.7. and A.8. (except retiring clergy, widows, widowers, and clergy couples) will receive reimbursement of costs up to **\$2,250.00** with submission of paid receipts for actual moving expense.
  - b. Retiring itinerant clergy, widows or widowers will receive reimbursement of costs up to **\$3,500.00** with submission of paid receipts for actual moving expenses. The retirement amount may be granted upon request when taking medical leave in lieu of receiving the retirement benefit at retirement.
  - c. Itinerant clergy couples will receive reimbursement of costs up to **\$2,600.00** with submission of paid receipts for actual moving expenses. If only one member of the clergy couple is re-appointed, section B.1.a. will apply.
2. Travel: Mileage is reimbursed at the standard IRS rate for moving expense deductions. This rate may be paid per mile per vehicle for a single trip to move each vehicle to the new

residence. If a vehicle is used to move household goods, i.e., in lieu of a moving company, additional trips maybe reimbursed as necessary. The per trip mileage will be computed from appointment to appointment, or from the Conference boundary to the appointment, or from the appointment to the residence/Conference boundary (in case of retirement), whichever is less. Either the mileage as described above or actual out of pocket expenses for gas, oil, etc. may be reimbursed from the Conference boundary.

### 3. Reporting and Payment Requirements

- a. IRS guidelines require that moving expense reimbursements be reported on a W-2. Based on recommendation from legal counsel and their consultations with the Internal Revenue Service, we recommend that the W-2 be issued by the local church. The Conference Treasurer will provide to the local church all moving expense information to be reported on the W-2. The Conference Treasurer will make payment to the new local church appointment. The new local church will pay the clergy and include the moving expense on the W-2 that they issue to the pastor at the end of the year. In absence of a new appointment, payment will be made to and reported by the old appointment.
  - b. The Conference Treasurer will make this payment upon receiving the Itinerant Clergy Moving Expense Requisition form signed by the person receiving reimbursement and verified by the District Office, along with appropriate receipts to substantiate the expenses.
  - c. The pastor should send the completed document, “So You’re Moving” checklist to the District Office. This will fulfill the 2012 Discipline, Paragraph 2533.4, which states “The chairperson of the board of trustees or the chairperson of the parsonage committee, if one exists, the chairperson of the committee on pastor-parish relations, and the pastor shall make an annual review of the church-owned parsonage to ensure proper maintenance.”
  - d. Moving expense funds will be withheld by the Conference Treasurer if the district superintendent determines that the parsonage was inadequately cleaned or was damaged beyond normal wear and tear. If an inspection by the district superintendent and the pastor-parish relations committee or the parsonage committee reveals monetary needs for cleaning or repairs, or for having the fuel tank filled, the remaining balance of the moving expense due said pastor shall be made payable to the respective district to pay for needed cleaning or repairs. If the district superintendent or the moving pastor is NOT in agreement with said pastor-parish relations committee or the parsonage committee, the superintendent may request the arbitration committee of the clergy living committee to inspect the parsonage involved and give an impartial recommendation.
4. The Conference Treasurer will make an advance payment up to \$600.00 to eligible itinerant clergy to cover the expense of deposit and fees for moving expenses prior to their move, upon verification by the District Office. Those receiving an advance must substantiate their expenditures, and any money that is left over shall be refunded to the Conference Treasurer. All advance payments shall be included in W-2 information provided to the local church by the Conference Treasurer for inclusion on the W-2.
  5. No additional claim can be made against a local church, district or the Conference for payment of moving expenses.
  6. Reimbursable expenses include the cost of boarding and moving domestic animals, the moving of recreational vehicles, moving household and personal goods, travel as defined

in B.2., lodging, packing, crating, in-transit storage and insurance, labor costs, and any other expense necessary to physically move household items. Expenses which are not reimbursable include meals, purchase of household items, or any other item not reasonable or necessary for the move.

7. The request for moving expense reimbursement must be received in the Treasurer's Office no later than four months following the date of the move.
8. Reimbursement will be considered a qualified, non-taxable fringe benefit not subject to income and self-employment tax when:
  - Your move is 50 or more miles from the old appointment to the new appointment **and**
  - Your new appointment is full time for at least 39 weeks during the first 12 months at the new location.

If your new appointment does not meet the above conditions, then the reimbursement will be reported as taxable for both income and employment tax. However, if your reimbursement is treated as taxable income, an additional stipend in the amount of 20% of the taxable income portion will be provided. The maximum stipend will be no more than 20% of the applicable limit stated in section B.1.

### C. Review Committee

1. There will be a Review Committee consisting of ***one person appointed by the chairperson of the Council on Finance and Administration***, one district superintendent appointed by the Bishop, the Conference Treasurer, the director of Ministerial Relations and the chair of the Moving Expense Committee.
2. The Review Committee will consider and have final authority over any questionable or disallowed claim or special claim beyond allowances set in the approved plan.

## V. Local Church Finance Minimum Standards

Serving as a financial officer or in a financially related position within a local church requires that we serve with fiduciary responsibility over the financial matters of the church. This fiduciary responsibility means that we stand in service to perform our duties with the trust and confidence that we act for the benefit of the church and not for the benefit or convenience of ourselves. As we serve with these responsibilities in local churches, we are guided to provide the most effective and most efficient ways to safeguard the assets entrusted to our care. One of the ways we safeguard the assets is to put procedures in place that have been proven to minimize risks by preventing and detecting error, deterring fraud and protecting innocent staff and volunteers. The following guidelines have been developed in order to assist those with financial responsibilities in local churches to identify and implement basic internal control procedures. These guidelines are intended to aid in the prevention or deterrence of fraudulent behavior and are not accusations that fraudulent activities are being performed. These guidelines provide protection for those in a position of controlling financial activity from being accused of fraud. Part of the fulfillment of our calling to be good stewards of the Lord's funds is having effective procedures in place to safeguard those funds. These minimum standards should be increased for churches with higher volumes of transactions but should not be compromised for lower volumes of transactions. All local churches are expected to meet these minimum standards.

## **A. Receipts and Disbursements**

1. Treasurer and Financial Secretary should not be the same person and should not be in the same immediate family residing in the same household
2. Counting team (at least two unrelated persons) should count offerings and document totals – not treasurer and not financial secretary
3. Offerings should be deposited the same or next business day
4. Offering count details should be given to financial secretary for recording
5. Offering totals should be given to the treasurer or financial secretary to record deposit
6. The Financial Secretary's deposit log should be compared to the bank statement to verify deposits (by bank reconciliation reviewer)
7. At least two persons should be listed as authorized signatures on all accounts. This should also be the case for setting up electronic payments (or EFTs). For EFTs, one of those individuals should be a Trustee or a member of the Finance Committee (other than the Secretary or Treasurer).
8. The Treasurer is authorized to make electronic payments of bills. The Treasurer shall maintain support for every electronic payment just as with the support for paper checks.
9. Financial policy and authority guidelines should be written and approved by the Finance Committee (there is a template available on the Conference Treasurer's Office website).
10. Invoices should be required for all payments from all accounts
11. Someone other than the treasurer (with authority by Finance Committee) should approve invoices for payment
12. Typically, the Treasurer should make payments only after the invoice is approved. A policy may be implemented where routine, budgeted expenses (i.e., rent/mortgage, electric bill, etc.) may be paid without recurring approval; non-routine expenses must be approved prior to payment.

## **B. Reporting and Review**

1. All accounts should be reconciled monthly
2. Someone other than treasurer should review bank reconciliation at least semiannually – including bank statements, invoices, checks written, and financial reports
3. The Treasurer should make detailed report of budget and designated fund activities to the Finance Committee at least quarterly
4. There must be an annual evaluation of financial records – at least in as much detail as the Local Church Audit Guide (completed by August 1 for preceding year) – including ALL accounts of the church (except UMW may be under separate evaluation or audit) – ALL accounts includes the general fund, building funds, designated accounts, cemetery funds, discretionary funds, Sunday school accounts, etc.
5. An external annual audit of ALL accounts should be done at least every three years for churches with total annual disbursements of more than \$500,000 per year (completed by August 1 for preceding year). An annual evaluation should be performed during the interim years.

6. While a full audit is optimal, the term 'external audit' could mean a review by a CPA firm or other qualified individual (one with an accounting degree and accounting experience) that is independent of the church's Finance Committee or church council.
7. An external annual audit of ALL accounts should be done every year for churches with total annual disbursements of more than \$1,000,000 per year (completed by August 1 for preceding year). The term 'external audit' in this recommendation refers to an audit by an independent CPA or firm—not a member of the church. An opinion is given on the financial statements – both balance sheet and income statement.
8. An individual CPA may participate in an audit, however, s/he must be a member of a church audit team performing an audit; thereby, a member of an audit team reporting to the church's finance committee. (Revised July 2011)

### **C. Tax Reporting Requirements**

1. W-2s must be issued for employees, including pastors, and 1099s issued for non-employee compensation by January 31 for preceding year (federal law requirement)
2. Payroll tax forms and deposits done as required for payroll amount (federal law requirement) – payroll reporting should be completed for the IRS and SSA by appropriate due date for filing method
3. Housing allowance or exclusions approved annually at charge conference and kept on file (federal law requirement)

### **D. Other General Requirements**

1. Prepare list of all church property for insurance purposes – include item description, serial number and value
2. Prepare list of safety deposit box contents – update authority as needed – access should be allowed by two unrelated people
3. Computer records are backed up and password protected for security
4. Ideally, four individuals are required for regular financial procedures: financial secretary, treasurer, person to review and approve invoices and person to review bank reconciliations. It is possible for this to be accomplished with 3 individuals if proper segregation is achieved.

## **VI. Approval To Solicit Funds**

Any organization designated as a Conference Advance Special may ask local churches to consider opportunities for giving. It shall be at the discretion of the local church as to whether, when and how these opportunities will be presented to the membership. Solicitation or private campaign may not be taken directly into local churches of the Conference through solicitation in classes or other groups or by the use of membership lists (either partial or in entirety).

Approval is given to the requests of the following agencies and programs for the privilege of soliciting funds under these policies throughout the District or Conference.

- A. Christmas Offering for District programs and/or projects.
- B. The Commission on Congregational Development for the promotion of the Church Extension IMPACT10 and the John Wesley Endowment for Congregational Development.

- C. The Board of Directors for Camp and Retreat Ministries, Inc. to solicit from church groups and individuals, materials and money for specific projects for the three camps of the North Carolina Conference.
- D. Methodist Retirement Homes, Incorporated; Methodist Home for Children; Louisburg College; Methodist University; North Carolina Wesleyan College; and Asbury Homes for the privilege of private solicitation and receipt of such funds as may be directed thereto.
- E. The United Methodist Foundation, Incorporated, as provided in its charter.
- F. The Disaster Response Committee upon joint decision of the committee and the Resident Bishop to respond to disasters within the bounds of the NC Annual Conference.

The CFA continues to recommend that 100% “Missional Service Giving” be the on-going priority. The Council also recommends that stewardship continue to be a missional focus, Conference priority.

## **VII. District Superintendents’ Salary**

The Council on Finance and Administration recommends that the formula for computing the annual salary for the district superintendents be the average of the top 25 pastors’ salaries in the Conference for the previous year, no less than the salary of the previous year. Salary is defined as cash salary plus nonvouchered allowances. We recommend the 2015 salary for district superintendents be set at \$105,153.

## **VIII. Organization and Procedure (presented for information only)**

- A. The audit for 2013 will be by Crosslin & Associates, Nashville, Tennessee.
- B. The president, vice-president, secretary, and treasurer of the CFA shall serve as the executive committee of the Council. In addition to these individuals, at-large members of the executive committee include chairpersons of the CFA sub-committees.
- C. The Conference Treasurer will include in the monthly financial reports, for any given month, all monies received in the office by 8:30 a.m. on the 5th day of the following month, except when the 5<sup>th</sup> day falls on a weekend or holiday the report will include the funds received by 8:30 a.m. on the following workday.
- D. The Treasurer may approve minor overexpenditures of a budget line item up to \$5,000 or 5% of the line item, whichever is less. A request for such overexpenditure shall be submitted in writing in advance and shall state the reason for the request. The overexpenditure will be reported to CFA and will be listed in the Conference Journal.
- E. Any Conference or non-conference agency which receives financial support from Conference funds or from any authorized conference-wide appeal in excess of \$5,000 shall submit, with any budget request, an annual detailed audited budget report of all receipts, disbursements and assets. A statement in effect that “All funds granted have been spent consistent with the social principles of The United Methodist Church” will be furnished to CFA upon submission of the audit. Such reports received may be reported in whole or in summary form in the Conference Journal and shall remain on file in the treasurer’s office. An agency may be exempted (for just cause) from this reporting requirement by CFA. Note: CFA requests the Board of Institutions to provide regular reports (at least annually) regarding its financial monitoring of related institutions/programs. The financial monitoring shall include consideration of a final independent audit for the institution, pension plan and affiliated entities, including journal entries, the auditor’s management letter and

any other reports of the auditors; liability insurance coverage levels; and the institution's projected budget for any subsequent fiscal years, including the current fiscal year.

- F. A carry-over of budgeted funds remaining (not including any supplemental appropriations) of up to 10% of the amount raised for the subsequent year will be allowed for Conference budget line items. Any carryover or portion thereof by this policy may be rescinded in any year in which funds are not available to meet basic ministry needs as determined by the CFA.
- G. Funds appropriated to a board or agency must be spent in the calendar year of the appropriation unless otherwise allowed.
- H. Supplemental Appropriations: The Council will consider requests for supplemental appropriations in the following priority order:

#### **First Priority**

- Salary and benefit items previously approved according to the policies of the Annual Conference or General Conference (i.e. Equitable Compensation Funds, staff salaries, etc.)
- Programs authorized and mandated by the NC Annual Conference which are not included in the Annual Conference budget for that financial year.
- Amounts required by the Past Service Funding Plan adopted jointly by the Board of Pensions and the CFA which are not raised by the Board of Pensions annual budget requests.

#### **Second Priority**

- New creative programs to respond to emerging needs and to expand the mission of the Annual Conference which are not included in the Conference budget for that year. Such programs will be funded through supplemental appropriations only on a short-term basis.
- Emergency needs and programs in the life of the boards and agencies of the Annual Conference. The petitioning group shall make such requests in writing to the treasurer's office at least 15 working days before a scheduled CFA meeting.

#### **Third Priority**

- Any other type of funding requests.

#### **Procedure for seeking supplemental appropriations:**

1. All requests for supplemental appropriations shall be made to the CFA President and/or the Conference Treasurer's office in writing at least 15 working days before a scheduled CFA meeting.
  2. The normal procedure for requests for supplemental appropriations will be a review by the CFA supplemental appropriations committee which will make a recommendation to the full Council.
  3. If an emergency request for supplemental appropriations is received between scheduled meetings, the CFA supplemental appropriations committee will consider the request and direct the Conference treasurer to forward it to the membership via mail or e-mail with a recommendation for action.
- I. Interest shall be paid to/from the Board of Pension, Insurance Fund, Blackburn Scholarship Fund, Church Extension Redevelopment, and Church Extension Salary Endowment funds using the rate

of the conference interest bearing checking account, compounded monthly, on monthly average balances held by the Conference treasurer.

- J. Retroactive adjustments for transfer or posting delays will be made to the Board of Pension and the Insurance Fund accounts for earnings calculations.
- K. Funds in excess of operational needs for the Board of Pension and the Insurance fund are invested in the United Methodist Foundation, Inc. of the N.C. Conference, the Board of Pension and Health Benefits or other socially balanced investment funds as deemed appropriate by the Council.
- L. In order to prevent a loss of funds due to investment risk, and in order to have funds available for emergency use, the goal of the Council is to maintain minimum reserve funds equal to 15% of the current operating budget for World Service and Connectional Ministries and the Past Service Liability. Supplemental appropriations from current year earnings shall follow the guidelines in paragraph H above. Supplemental appropriations beyond current year earnings shall follow the following guidelines: 1. If reserves are less than or equal to 20% of the current operating budget, then only supplements to meet payroll for existing positions may be considered. 2. If reserves are above 20% and below 30% of operating budget, then only supplements to meet payroll for existing positions, ministries and unfunded liabilities may be considered. 3. If reserves are equal to or greater than 30% of operating budget, then other requests may be considered. 4. No request may be considered if the amount requested would reduce reserves below 15% of operating budget.
- M. Mailing address labels will be available for a nominal fee to conference agencies, clergy and lay members of Annual Conference or other United Methodists for church-related uses.
- N. **CFA Meeting Schedule:** The executive committee meets at the call of the President. Scheduled meetings are:

Supervisors will have lay employees who are eligible for these benefits contact the treasurer's office 60 days before they are eligible for participation, or sign a waiver form if they decline to participate in the UMPIP. The form will be kept on file in the treasurer's office for future reference.
2. The Conference Treasurer's office will administer the UMPIP and the UMLifeOptions.

## Clergy Medical Leave, Joint Committee on

The Joint Committee on Clergy Medical Leave acts as the advocate for those pastors in the North Carolina Conference who are forced by physical or emotional medical and disabling conditions to seek temporary or permanent relief from their appointment. The committee is given the responsibility to study the problems of clergy medical leave within the Conference, to provide a continuing personal ministry to those clergy on medical leave, and to make recommendations to the appropriate agencies of the Conference for each pastor or deacon seeking Clergy Medical Leave, including the source of their disability income. The Joint Committee on Clergy Medical Leave has begun a study of the utilization of medical leave benefits in our annual conference and how our utilization compares to denominational and jurisdictional averages. The committee will continue to monitor resource levels needed to fund medical leave benefits as one part of efforts to ensure the long-term sustainability of our support for clergy on medical leave.

Persons interested in discovering more about the process of being granted Clergy Medical Leave can contact a district superintendent or the chair of the Joint Committee on Clergy Medical Leave.

The following recommendations are presented to the 2014 session of the North Carolina Annual Conference:

### I. General Policies

- A. The Joint Committee on Clergy Medical Leave, through the Conference Treasurer's Office, will make available upon request the necessary forms for any full time pastor or deacon to make application for Clergy Medical Leave. In all cases the applications must be completed by the pastor or deacon, the physician, chair of the Joint Committee on Clergy Medical Leave, Conference benefits officer, and the district superintendent before the request for Clergy Medical Leave can be acted upon. Whenever possible medical leave requests are to be submitted ninety (90) days prior to Annual Conference except in life-threatening situations after that date, or when the disabling condition occurs after that date. Requests presented before May 15 will be included in the Committee's report to the Annual Conference.
- B. Definition of Disability: For the first 24 months, an active participant will be considered disabled for the purposes of the Comprehensive Protection Plan or the Basic Protection Plan as of the date the Administrator determines, on the basis of medical evidence, that such active participant was unable to perform the usual and customary duties of his/her employment by reason of bodily injury, disease, or behavioral illness or disorder that will presumably last for at least six continuous months, exclusive of any incapacity resulting from service in the armed forces of any country, warfare, intentionally self-inflicted injury, or participation in any criminal or unlawful act.
- C. Definition of Clergy: Clergy in The United Methodist Church are individuals who serve as commissioned ministers, deacons, elders, and local pastors under appointment of a bishop (full- and part-time), who hold membership in an annual conference, and who are commissioned, ordained, or licensed.
- D. A pastor or deacon seeking to be on Clergy Medical Leave secures a disability claim kit from the Conference Treasurer's Office. The applicant completes Form A, completes the applicant's portion of Form C, and submits these forms to the Conference Treasurer's Office for completion.

Liberty Mutual reviews the claim and recommends a determination to the General Board of Pension and Health Benefits (GBOPHB) who retains the authority to approve or deny a claim.

- E. We recommend that pastors applying for Clergy Medical Leave be approved only when the General Board of Pension and Health Benefits grants their request for incapacity benefits through the Comprehensive Protection Plan.
- F. The Annual Conference and Conference Board of Pension (effective January 1, 2007), will fund pension contributions for the Clergy Retirement Security Program-Defined Benefit Plan in the required annual payment for normal cost as defined by the plan document and the General Board of Pension and Health Benefits for all pastors receiving medical leave benefits from the Comprehensive Protection Plan.
- G. The Comprehensive Protection Plan (effective January 1, 2007), will fund contributions for the Comprehensive Protection Plan and the Clergy Retirement Security Program-Defined Contribution Plan which is 3% of plan compensation as defined by the plan document and the General Board of Pension and Health Benefits for all pastors receiving medical leave benefits from the Comprehensive Protection Plan.
- H. Health Insurance and Life Insurance benefits are subject to the policies outlined in Section III below.
- I. Pastors on Clergy Medical Leave are required to file for Social Security benefits within 60 days of the effective date of approved Clergy Medical Leave. Failure to do so will result in decreased benefits. Participation in Medicare Part A and B is required at the earliest possible date in order to receive the best health insurance benefits. Participants who choose not to participate in Medicare Part B at that date will receive the same contribution towards the health insurance premium as if they were retired. Refer to Section III regarding benefits.
- J. Effective July 1, 2008, we recommend that a lump sum grant of \$4,300 be made at the beginning of Clergy Medical Leave. This grant will be available only one time in a pastor's years of service.
- K. The Joint Committee on Clergy Medical Leave will review the progress of each pastor or deacon on Clergy Medical Leave at least annually. This review will include both recommendations from the pastor's physician and district superintendent as well as opportunities for continuing fellowship with the pastor to develop further possibilities of assistance in his/her disabled circumstances.
- L. We recommend the following pastors to be continued on Clergy Medical Leave:
  - 1. Vernon Brown, 107 Town Point Rd, Jacksonville, NC 28540 910/340-4537

## Equitable Compensation, Commission on

The *Book of Discipline* mandates that “there shall be in each annual conference a commission on equitable compensation” (§ 625), whose purpose is “to support full-time clergy serving as pastors in the charges of the annual conference” (§625.2). Four broad areas of responsibility are outlined in §625.2, which are: “(a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation; and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations”; and (d) submitting an arrearage policy to be adopted by the annual conference.

The Commission seeks equity and fairness for both pastors and local churches. Why should this commission be so concerned about equity and fairness? Our prayerful consideration of scriptural and historical foundations are found in the following:

- a. Jesus says, “the laborer deserves to be paid,” (Luke 10:7) and Paul reminds us “Let the elders who rule well be considered worthy of compensation, especially those who labor in preaching and teaching; for the scripture says, “You shall not muzzle an ox while it is treading out the grain,” (1 Timothy 5:17,18).
- b. Wesley was concerned that clergy have responsibility not to be “in debt so as to embarrass you in your work” (§330.5.d.18), which implies that the Church has a responsibility that it neither lead its clergy into positions of embarrassing indebtedness, nor leave them there.
- c. The Great Commission to “go into all the world preaching, teaching and baptizing” brings with it a cost. Systems of clergy support which foster the use of the right pastor in the right place hold up the hope of seeing the Great Commission bear its promised fruit.
- d. The Commission on Equitable Compensation embraces the Great Commandment to “love our neighbors as we love ourselves” by desiring for each pastor what our members’ desire for themselves – compensation adequate to free persons for the work of pastoral ministry.

Through our prayers, working and considering together as both laity and clergy from across The N.C. Annual Conference, we make the following recommendations. We believe these recommendations will help us move toward fairness for both local churches and pastors as together we support ordained ministry in The N.C. Annual Conference.

The Commission on Equitable Compensation's mandate and mission is to ensure justice and fairness in salaries of active full-time pastors of our local congregations. While, for many years, we have been recommending a single minimum salary for all full-time pastors serving, we have found that many congregations look at the "minimum salary recommendation" as "the amount we have to pay the pastor." Clarification of "minimum compensation" may benefit the mission and ministry of the local congregations.

The definition of "minimum" is not the ceiling, or maximum, amount of "the pastor's salary;" rather, it is the floor, or minimum, of what a full-time pastor is to be paid. No full-time pastor may be paid less than the minimum compensation. We recommend that each congregation review its ability to sustain its pastor independently and only use the minimum salary as just that, a minimum, and prayerfully discern the appropriate level of compensation for its called leader. As Jesus said, "Where your treasure is, there is your heart." When the congregation's treasure and heart are in the health and effectiveness of both local congregation and pastor, God is glorified!

For the year 2014, the average full-time salary increase was approximately 0.7%. The CPI (Urban South) for the last twelve months ending December 2013 showed an increase of 1.6%. The Commission currently recommends no change in recommended minimum salary for the year 2015. No change in recommended minimum salary does not prevent a local church from granting a salary increase to their pastor.

## I. Recommended Schedule of Minimum Compensation for 2015:

### A. Salary Schedule

We recommend that the student minimum salary be based on 65% of the minimum salary of full-time pastors.

<b>Pastors Under Full-Time Appointment</b> <i>(Full Connection, Associate, Provisional, Local Pastor)</i>	2014	2015
<b>Salary</b>	\$41,770	\$41,987
<b>Student Pastors</b> <i>(Local Pastors or Conference Members)</i>		
<b>Salary</b>	\$27,151	\$27,292

### B. Utilities Expense

It is expected that each local charge would provide for utilities expense for parsonages. Utilities have been defined in guidance from the Internal Revenue Service to be electricity, heat, water/sewer, trash pick-up, local telephone and internet access expenses. In order to increase

accountability surrounding utility payments and to help ease transitions during appointment changes the local church shall pay utilities directly to the utilities companies instead of through unvouchered allowances to the pastors.

### **C. Travel Expense**

Although travel is reimbursed by the local charge as an item of pastoral expense, it is expected that each local charge would provide at least \$4,000 for travel expense. The Commission encourages each charge to establish a plan to reimburse the pastor for all legitimate business mileage at the current rate established by the IRS. Where such a plan is established for reimbursement of business mileage, equitable compensation support shall not be affected by payment of travel expenses. However, where a reimbursement plan is not implemented and a travel allowance is given, any travel allowance in excess of \$4,000 will result in a reduction of equitable compensation support.

### **D. Pension Program**

Charges receiving Equitable Compensation Funds support are responsible for paying the total amount required for the Clergy Pension Plan and the Comprehensive Protection Plan (CPP) based on the pastor's cash base compensation (including funds from the Equitable Compensation Fund, Duke Endowment, and any other sources), and housing (percentage of cash base compensation designated by the General Board of Pension/Health Benefits or housing allowance, if provided in lieu of a parsonage).

### **E. Vacation Recommendation**

Vacation and time off is defined as annual leave and weekly time off "which is completely distinct from any other occasions in which the pastor is out of the parish" (1988 NC Annual Conference Journal, page 373) such as Continuing Education events, Bishop's Day Apart, Order of Elders, Deacons, Local Pastors, Annual Conference, and Convocation/Pastor's School.

#### **Rationale:**

In recent times, focus on clergy health has highlighted the necessity of following the mandate of God's Commandment to "remember the Sabbath by keeping it holy" (Exodus 20:8) and, like our Lord Jesus, to take time apart for rest and relaxation. This mandate and example are beneficial to not only the pastor, but also the larger faith community/local church. Many pastors in full time ministry do not take time away increasing the likelihood of burn-out, compromising their health, and reducing their effectiveness in ministry. Right stewardship of time, finances, physical health, relationships with family and colleagues is necessary for effective ministry in the parish. These personal areas often suffer with the lack of a weekly personal day, a weekly Sabbath Day, and an annual vacation time apart. Our Conference Board of Ordained Ministry found in 1988, "Our experience as an Annual Conference with clergy burnout shows that rest and recreation are an indispensable element of a whole and complete ministry." (1988 NC Annual Conference Journal, page 373).

#### **Recommendations to local congregations:**

1. A. That clergy members of the Annual Conference (Book of Discipline 2012 ¶602.1) under full-time appointment to local congregations shall receive one full month of vacation per

calendar year. Vacation time shall include four (4) Sundays per year and shall be negotiated between the pastor and S/PPR Committee and may be taken in either segments adding up to one full month or as a whole.

- B. Part-time pastors under appointment should receive vacation time per calendar year in  $\frac{1}{4}$  increments according to their salary structure.
2. Clergy members of the Annual Conference (Book of Discipline 2012 ¶602.1) under full-time appointment should receive at least one personal day off per week. Changes to a set personal day off should be allowed due to unforeseen circumstances that may arise. This time should be carefully respected and guarded by the district superintendent and the congregation.
3. We encourage annual discussions between pastor/s and the S/PPR Committee where they are appointed concerning provisions for Continuing Education and Spiritual Growth and Sabbatical Leave, found in paragraphs 351 and 352 of the 2012 *Book of Discipline*.

## II. Principles Governing Eligibility for Equitable Compensation Funds:

The clergy's base compensation is the responsibility of the charge; therefore, each charge of The North Carolina Annual Conference should be so arranged as to be able to assume full salary support. The Commission urges each charge receiving Equitable Compensation Funds, its pastor, and the district superintendent responsible for that charge, to administer the affairs of that charge to the end that it may move as rapidly as possible toward total self-support. To enable the Annual Conference, the Commission and the district superintendents to carry on their cooperative efforts in understanding, in harmony, and for the greatest good for all concerned, the following principles and procedures are set forth:

- A. **Base Compensation:** In considering the base compensation for the charge, all income, including base compensation, bonuses, and other benefits not specifically excluded, are included as base compensation in determining appropriations from the Equitable Compensation Fund.
- B. **Any Equitable Compensation Fund supplement will be terminated immediately** upon information that the pastor has taken full-time, secular employment. The supplement may be reinstated at the time the charge's appointed pastor returns to full-time or student status. Exceptions to this provision will be permitted only by the approval of the executive committee of the Commission on Equitable Compensation upon the recommendation of the district superintendent of the pastor seeking to be employed outside their ministerial responsibilities for emergency reasons.
- C. **Disbursement of funds from Conference Treasurer's Office:** Equitable Compensation Funds are to be sent to charges that have applied for their use to provide their pastor with the minimum base compensation established by the Annual Conference. The monthly base compensation supplement checks sent by the Conference Treasurer's office are to be deposited by the charge treasurer into the charge/church bank account. *Checks shall not be endorsed nor cashed by the pastor.*
- D. **Application for funds:** Churches or charges applying for Equitable Compensation Funds shall submit a request on the appropriate form which can be found online. The pastor, administrative council, and the district superintendent shall carefully review the request. The application form

must have the signatures of the pastor and recording secretary of the charge conference, affixed to it, and receive the approval of the charge conference. Applications received that are not completed in full are not eligible for consideration by the Commission until such time that they have been completed and resubmitted.

### **Application Deadlines for Full time Pastoral Compensation Supplement:**

1. Completed applications for the January – December calendar year are to be received by November 1 of the previous year.
2. Completed applications for the July – June appointment cycle are to be received by November 1 of the previous year.
3. The application deadline for those grants limited to superintendent/cabinet initiated applications for the immediate appointment year, providing funds are available, is May 15.

### **Application Deadlines for Mission-Based Supplement:**

1. Completed applications for the July – June appointment cycle are to be received by November 1 of the previous year.
  2. The application deadline for those grants limited to superintendent/cabinet initiated applications for the immediate appointment year, providing funds are to be received by May 15.
- E. The Commission on Equitable Compensation will not fund any charge that is also receiving funds from The Emerging Church Salary Fund. The Commission on Equitable Compensation is in consultation and study with other Conference boards and agencies to seek ways to more adequately provide for the temporal needs of our pastors and churches.
- F. Consideration may be given to make funds available for the deacon when the primary appointment is to a local church. (*Book of Discipline 2012* ¶625.4)

## **III. Policies Governing Use of Equitable Compensation Funds**

- A. Charges must be so arranged that no more than one third (1/3) of the total base compensation will come from the Equitable Compensation Fund on the first application of the charge.
1. **Charges seeking more than one third (1/3) supplement** shall provide specific information with their application, indicating the reasons for their inability to meet these guidelines. Information shall be made available to the Commission on Equitable Compensation and the district superintendent regarding the terms of Equitable Compensation support, giving the date of its inception and the present amount of support being received by the respective charges.
  2. **When the division of a charge is desired**, Equitable Compensation funds will be used only upon the recommendation of the Bishop and the approval of the cabinet. In the division of a charge in which one church seeks to become a station, it is recommended that such a church shall assume total responsibility for base compensation and its proportionate share of all apportionments.
    - a. The remainder of the charge in such a division assumes full pastoral support and proportionate share of all apportionments. In no case will the Commission on Equitable

Compensation provide more than one third (1/3) of the base compensation required for such a division.

- b. When there is a division of a charge forming one or more student appointments, each newly created charge shall pay initially two thirds (2/3) of the pastoral support established by the division.
3. It is expected that each church receiving Equitable Compensation support will pay 100% of its financial responsibilities including apportionments, insurance, and pension benefits, etc.

#### **B. Annual Reduction and Length of Time for Support:**

1. Each charge which is receiving, or shall hereafter receive, Equitable Compensation Fund, is expected to reduce this aid by at least twenty-five percent (25%) of the original grant each year.
2. Commission on Equitable Compensation grants shall be made annually, renewable for each year, up to five years for mission or charge-support grants, and three years for grants based on The Book of Discipline paragraph 213.
3. At the beginning of the second and subsequent years of receiving grant renewal applications, an evaluation of the charge's progress toward reaching its own goals will be made by members of the commission following a site-visit and consultation with the charge's pastor, its leadership, and the district superintendent.

#### **C. Supplementals to Base Compensation:**

1. **Merit Grant Supplemental to Base Compensation:** Each full-time pastor, associate member, or member in full connection of The N.C. Annual Conference, serving full-time, and who, in the opinion of the cabinet and in consultation with the Commission on Equitable Compensation is rendering unusually effective service, may apply for a one-time grant in the amount of \$400, when such clergy person's salary and utilities are equal to the Conference minimum base compensation.
2. **Supplemental Compensation for Years of Service:**
  - a. Elders and Deacons who have served continuously as pastors in charge in the North Carolina Annual Conference, at conference established minimum salary, for five years or more, in the sixth year, may apply for this supplemental grant of up to \$400. With each annual application, the grant may increase incrementally by up to \$400 per year until the lifetime maximum of \$6,000 has been reached. No single year supplement may exceed \$2,000. Special attention shall be given to ethnic pastors serving ethnic ministries (*Book of Discipline 2008 ¶625.6*).
3. **Extraordinary Grants:** These policies do not restrict the Commission on Equitable Compensation, upon the recommendation of the cabinet, from making additional grants in extraordinary circumstances.

### **IV. Compensation and Benefits Arrearage Policy**

- A. In the event that a local church treasurer becomes aware that the church will be unable to provide to the pastor full payment of a regularly scheduled payroll or housing allowance installment, or

to remit to the Conference Treasurer full payment for regular direct billed benefit payments such as pension and health care, the church treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council of the impending arrearage. Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately (within 3 days) notify the District Superintendent of the impending arrearage. It is the pastor's responsibility to keep copies of all such written notifications, and to provide additional written confirmation to the District Superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of pension and benefits.

- B. Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall immediately (within 24 hours) call a meeting of the Pastor, Lay Leader, and Chairs of Finance, Trustees, and the Administrative/Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Such remedies might include:
- a. Drawing from invested funds
  - b. An emergency appeal for special giving from the congregation
  - c. Emergency grants from the District or Conference

According to the Book of Discipline ¶ 624, such remedies cannot include a reduction in the Pastor's compensation until the beginning of the next Conference year.

- C. If, after consultation among the Lay Leader and Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council, it becomes apparent that the church may be facing a long term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor and District Superintendent that:
- a. An Equitable Compensation Subsidy Grant may be necessary to maintain compensation for the remainder of the Conference year and/or
  - b. A change in pastoral compensation or appointment may be necessary at the beginning of the following Conference year.
- D. If the local church becomes delinquent in the pastor's compensation (i.e. more than 30 days delinquent), then the District Superintendent shall notify the Commission on Equitable Compensation (CEC), which on its own initiative may do any or all of the following, but not limited to:
- a. Sending a representative from CEC to meet with the local church and pastor to seek resolution of the issue.
  - b. Developing with the local church a payment plan so that the pastor receives full payment of compensation by the end of the conference year.

The District Superintendent shall be invited to participate in this process.

- E. If the local church is already receiving a subsidy grant from the Commission on Equitable Compensation, the Commission may also:
- a. Determine if all subsidy grant funds allocated to the church were used to pay the pastor's salary

- b. Examine the original subsidy grant application to determine if the amount requested to meet minimum compensation was reduced
  - c. Require an outside audit of all church funds in compliance with GCFA guidelines ([www.gcfa.org](http://www.gcfa.org))
  - d. Notify the District Superintendent of its findings and recommendations in writing
- F. If a local church becomes delinquent in the payment of the pastor's direct billed pension and benefits (i.e. more than 30 days delinquent), then the Conference Treasurer shall notify the Conference Benefits Office, the District Superintendent, and the Commission on Equitable Compensation. On behalf of the Conference, the Benefits Officer and/or District Superintendent shall develop a written payment plan with the local church so that the Conference receives full payment of pension and benefits by the end of the conference year.
- G. It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation such as: Treasurer's Reports, Charge Conference reports of adopted salary and compensation, check stubs, W-2 forms, and a Certification of Payment Form (sample provided by Treasurer's Office staff) signed by the Pastor, S/PPRC Chair, Trustee Chair, Treasurer, and Administrative/Church Council Chair.
- H. The statute of limitations for filing a claim for funds from the Annual Conference (i.e., notification to the District Superintendent of the arrearage) for any salary arrearage is one year from the date of the initial arrearage. Once an appointment ends the Pastor no longer has claim on the local church for compensation funds (§ 342.4).
- I. An Administrative Complaint may be filed against a pastor who fails to report an arrearage according to the time lines established in this policy.
- V. The Commission reports that 9 (nine) charges received grants for mission and compensation assistance for a total \$129,825.83 in the year 2013 and has awarded grants for calendar year 2014 for 11 charges for a total of \$147,243.
- VI. In the last year, in addition to full-time pastoral compensation requests, the Commission has received grant requests from congregations under *The Book of Discipline* paragraph 213 plan and for additional staff to serve the area of Christian Education. The Commission requested supplemental funding to serve congregations that are in process of renewal, revitalization, and growth. As A Call to Action plan is lived across the conference over the next quadrennium, the Commission expects to review applications from congregations choosing solid growth in their ministry. Along with this review for initial grant approval, with each renewal application a report will be made following consultation between the Commission, the Superintendent, and the charge.

## III. Health Insurance Benefits

### A. Group Health

- 1. The Insurance Committee will provide the proposed benefits to the members immediately before each Annual Conference session. The committee considers the most current financial information that is available before adopting its recommendations.
- 2. Insurance companies who make inquiries, for the purpose of submitting proposals, will be notified of a \$200 processing fee. This fee will help cover the costs of preparation and processing of the information necessary for proposals.
- 3. The NC Conference health care plan has been amended as necessary to comply with federal Health Care Reform.

**B. Policy and Rules**

1. Effective January 1, 2004, the North Carolina Conference offered a Preferred Provider (PPO) health insurance plan administered by Blue Cross Blue Shield of North Carolina. Details may be obtained by contacting the Benefits Manager in the Treasurer's Office, 800-849-4433.
2. Effective January 1, 2012 the North Carolina Conference recommends a PPO Base Plan for health insurance benefits with the option of a PPO Buy-Up plan for increased health insurance benefits.
3. Effective January 1, 2014 benefits will include life insurance, health, pharmacy, and mental health services. Optional benefits available will include supplemental life, dental coverage, medical reimbursement, and dependent care accounts. Funding for all optional coverages will be the responsibility of the participant.
4. Medical Reimbursement and Dependent Care Accounts must be established during Open Enrollment (November 1 – 30), for an effective date of the following January 1. If you do not claim these funds prior to March 31 for the preceding plan year (plan year being the previous calendar year plus a 75 day grace period of the current year), these funds are forfeited. Participation in the Medical Reimbursement and Dependent Care accounts is contingent upon participation in the health insurance plan.
5. A change of life circumstances (divorce, death, loss of spousal coverage) will allow a mid-year change. When there is a change in family status, or a change of address, it is the insured's responsibility to notify the Treasurer's Office within 30 days. The toll free number to the Methodist Building in Garner is 1-800-849-4433 where staff persons continue to provide personal attention to insurance matters.
6. Effective January 1, 2004, health insurance for the subscriber may continue for 18 months after employment is terminated provided that full payment of the monthly premiums is made in advance. The continuation of life insurance beyond the termination of employment is not permitted by the life insurance carrier. Conversion of the life insurance may be possible by contacting MetLife at 1.877.275.6387 or [solutions@metlife.com](mailto:solutions@metlife.com).
7. Adding new family members must be completed within 30 days of the qualifying event or 60 days if the eligible change is related to the Children's Health Insurance Program (CHIP).
8. Effective January 1, 2014, participants will no longer be subject to the pre-existing conditions clause under federal healthcare reform. Children under the age of 19 are not subject to preexisting conditions.
9. Effective January 1, 2004, the Conference health insurance plan will be the primary carrier for active participants who continue to work past the Medicare eligibility age, and are enrolled in the Conference health plan.
10. Pre-Certification of all in-patient admissions is required. Effective January 1, 2004, call Blue Cross Blue Shield of NC at 800-214-4844. Mental Health benefits should be pre-certified through Magellan Behavioral Health at 800-359-2422

11. Denial of claims or incorrect processing of claims should be appealed through Blue Cross Blue Shield of NC. There are two levels of appeal.
12. Payment for the church's portion of the insurance programs must be made by the church/charge treasurer. Personal checks cannot be accepted due to IRS regulations governing Section 125 cafeteria plans. The personal portion of insurance premiums must be withheld from the participant's salary by the salary-paying unit on a pre-tax basis.
13. Premiums for health and life insurance may be paid in ADVANCE on a monthly, quarterly, semi-annual, or annual basis.
14. Lay persons or clergy on maternity/family medical leave may continue their insurance coverage, as long as the premiums are paid.
15. The Insurance Committee may terminate the coverage for non-payment of premiums. Insurance payments which are 60 days late (from the date of the bill) will result in termination of benefits. Termination will take place on the last day of the month in which the 60th day has occurred. Benefits may be reinstated without lapse in coverage if full payment is made within 30 days of the termination date. Thereafter, insurance coverage may be reinstated upon full payment and coverage will be effective the first day of the following month. The one-year waiting period for pre-existing conditions may apply to all reinstatements where a lapse in coverage occurs. Children under the age of 19 are not subject to preexisting conditions.
16. In case of termination of coverage, the church is responsible for the premium until the Treasurer's Office is notified in writing of such termination.

#### **IV. Statement of Intent**

The NC Annual Conference established a Life Insurance Plan with the intent of providing coverage for the active and retired clergy and a Group Health Plan with the intent of providing coverage for active clergy. However, the Annual Conference reserves the right to terminate the health and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plan without the consent of individual participants.

#### **V. Eligibility Policies of Non-Retired Participants**

- A. If you enroll in the Conference insurance plan, you are eligible for your coverage to begin on the first day of the month following the date of hire, or appointment. Coverage is not automatic. Completion of an enrollment form on a timely basis is required (within 30 days of original eligibility).
- B. You must work a minimum of 30 hours per week to be eligible for the Conference insurance plans.
- C. Health insurance and life insurance through the Conference groups will be available to the following:
  1. Clergy who are members in full connection of the Conference, probationary and commissioned probationary members, associate members, student local clergy, part-time local clergy, interim supplies (covered as lay employees) serving full-time or part-time (half-time

- a. One of the churches or charges of the NC Conference.
- b. One of the institutions or agencies of this Conference receiving financial support from the Conference.
- c. An institution or agency established to provide a ministry or service provided that

2. Clergy on Leave of Absence, provided a written request to retain benefits is submitted to the Benefits Manager within 30 days of the appointment of Leave of Absence. The participant is responsible for the entire monthly rate (church portion and personal portion) by the due date.

#### D. Post Retirement Benefits

1. Eligibility for post retirement benefits may be viewed in detail in the Board of Pensions Report Section B.
2. Post retirement health plan funding eligibility for clergy newly licensed, commissioned or ordained effective July 1, 2009 (or later), under Episcopal appointment to a NC Conference responsible appointment (i.e. eligible for enrollment in the Conference Insurance plan) will be based on total months enrolled in the Conference Insurance Plan. A minimum of 180 months total enrollment is required for funding eligibility.
3. Effective January 1, 2014 funding for post retirement health benefits will be established by the Conference Board of Pension via a Health Reimbursement Account (HRA). Post 65 retirees may purchase individual health care plans with the assistance of Towers Watson or on their own. Individual HRA balances can be used to reimburse retirees for qualified expenses. Funding of the individual HRA will be based on the accrued years of credit as outlined in the Board of Pension Report.

#### E. Clergy Couple Appointments

1. Clergy couples will be enrolled in the life insurance program separately. This affords the clergy couple with the maximum life insurance benefits available. Clergy couples are not permitted to cover each other under the provisions of the life insurance. Eligible dependents may only be covered by one member of the clergy couple.

#### F. Clergy Medical Leave Leave Appointments

1. Clergy placed on Clergy Medical Leave can remain covered under the Conference insurance plans, provided they were enrolled and covered in the Conference plan immediately preceding the approval date of Clergy Medical Leave.

#### G. Clergy eligible for life and health insurance through the North Carolina Conference benefits under option V. A - C (above) are entitled to these benefits.

#### H. Lay Employees:

1. An insurance administrator must be appointed at each church/charge to manage insurance policies dealing with lay staff. It is the responsibility of each local church/charge and its officers to be apprised of the parameters of the Conference insurance plan.
2. Each local church must have at least 75% participation of the eligible lay employees to participate in the Conference plan.
  - a. As of January 1, 2007, churches who currently have less than 75% participation will be allowed to continue the current participation of their lay employees under the Conference plan.
3. The employee must work a minimum of 30 hours weekly and must be enrolled in the period specified for initial enrollment.
  - a. This period being within 30 days of date first eligible, or be added as a late applicant during Open Enrollment.
4. Persons appointed as Interim Supply are enrolled as lay employees.
5. The Committee recommends that the church provide this benefit to lay employees with the same premium payment policy as recommended for clergy.
6. All churches providing post-retirement benefits to retired lay employees will be billed in full for the funding of the post retirement HRA or life insurance premiums associated with retirement insurance benefits. The Annual Conference is not responsible for the funding of local church retired lay staff benefits.

#### I. Continuation of Benefits

1. The participant may be eligible to continue health insurance for up to 18 months following the loss of employment or appointment.
2. Written requests for continuation should be submitted to the Conference Benefits Manager within 30 days of the termination of employment or loss of appointment.
3. The life insurance cannot be continued. Conversion of the life insurance may be possible by contacting MetLife at 1.877.275.6387 or [solutions@metlife.com](mailto:solutions@metlife.com).
4. Flexible Spending Accounts are not available to terminated participants, as they are no longer receiving salary from which to with-hold these funds. Funds already contributed must be claimed within 90 days of the termination date.

#### J. Open Enrollment

1. Open Enrollment for active participants is held each year from November 1 through November 30.
2. During Open Enrollment, an active employee or appointee may enroll in the Conference insurance plan.
3. Flexible Spending Accounts must be established for the upcoming year during Open Enrollment. If the participant does not establish a new account during each Open Enrollment, they cannot participate in the Flexible Spending Accounts for the upcoming year.

- K. The Insurance Committee continues to explore eligibility options for future benefit plans and questions of church participation.
- L. Participants enrolled in the Conference health and life insurance plans may continue to be enrolled in the Conference benefits as long as they are Episcopally appointed, employed as lay staff, meet the qualifications of Continuation as defined in Section G above, and meet the required eligibility rules and regulations.
- VI. Historically, the Insurance Committee has developed rates based on maximum actuarially projected claims.
- VII. The Insurance Committee strives diligently to present the best possible health and life insurance coverage available to the North Carolina Annual Conference. Careful consideration is given to benefits and rates that are proposed each year.

## **Report B – Recommendations for the Pension Program and Post-Retirement Benefits**

### I. Funding Plan for Supplement One of the Clergy Retirement Security Program

**A. Defined Plan Benefits:** Supplement One of the Clergy Retirement Security Program (Pre-82 Plan) provides defined benefit pension benefits to participating retired clergy for all service rendered to the North Carolina Conference through December 31, 1981. This plan will continue until all pastors with past service benefits and their surviving spouses are deceased and is administered by the General Board of Pension and Health Benefits (GBOPHB).

**B. Current Past Service Rate:** For many years, the Book of Discipline has defined Pre-82 Plan defined benefits as a fixed payment per year of past service. This fixed payment is the Past Service Rate (PSR). The benefit goal is stated to be a PSR of 1% of the Conference Average Compensation (CAC). The 2014 CAC for the North Carolina Conference is \$70,235. The 2014 PSR is \$672 or 0.96% of the CAC. Our Conference Board would like to maintain a PSR of at least 0.9% of CAC. North Carolina CAC has increased by an average of 3.05% per year over the past 10 years. We estimate future PSR increases to average approximately 2.5% each year.

**C. Funded Status:** The Conference is required to fund all future benefits of the Pre-82 Plan by December 31, 2021. Funded Status (previously called unfunded liability) is the difference of the current assets held by the GBOPHB for future benefits of North Carolina participants and the total present value of all future benefits to be paid under the plan at the approved PSR. The GBOPHB values assets and liabilities of the plan every two years and projects data to current years based on the increase in PSR and investment earnings. For the 2014 Funding Plan, GBOPHB and the Conference use an assumed earnings rate of 7.0%.

The General Board of Pension and Health Benefits has determined that the portion of the pre-82 plan liability attributable to North Carolina Annual Conference is \$37,712,274 with a 2.5% PSR increase assumption based on a 2014 PSR of \$672. Plan funds currently held with the General Board of Pension and Health Benefits have a value of \$14,666,867 as of January 1, 2012 (for 2014 funding plan).

The difference between the total plan liability and current plan funding is \$23,045,407. This represents the unfunded plan liability and will be provided through apportionments and non-plan funds that are held in various investment sources. The Conference intends for contributions to be made within the 8-year period, ending December 31, 2021. The minimum annual contribution due December 31, 2014 is currently estimated to be \$3,323,865.

**D. Funding Plan for 2014:** Our conference pays for plan benefits through several potential funding sources. Both the interest and principal of non-plan funds may be available for retirement funding needs. Below is a description of the non-plan assets available to pay the present value of future contributions. Our Conference expects to utilize annual apportionments from the local churches as the primary source for pre-82 pension funding. Our Conference expects to receive annual apportionments in an amount of \$3,300,000 for 2014 through 2015. The present value of the expected apportionments is \$5,966,460. This apportionment funding was originally approved by the 1991 Annual Conference with revisions approved by the 2013 Annual Conference.

The Conference maintains a General Deposit Account with the General Board of Pension and Health Benefits that has a value of \$16,645,033 as of January 1, 2014. Both the interest and principal from this account are available to meet future contribution requirements.

The Conference maintains and manages various liquid asset accounts that are available for Supplement One of the Clergy Retirement Security Program funding. The current value of these accounts are \$2,848,921 as of January 1, 2014. Both the interest and principal from these sources are available to meet future contribution requirements.

The Superannuate Endowment fund has a value of \$520,643 as of January 1, 2014. All of it is available except for the original balance of \$87,195.39, from which interest only is available.

The 2014 funding plan as of January 1, 2012 is summarized below:

Supplement One of the Clergy Retirement Security Program funding Liability:

Assuming a PSR Increase of 2.5%	\$37,712,274
Current Plan Funding as of 1/1/12	\$14,666,867
Unfunded Plan Liability as of 1/1/12	\$23,045,587
Projected Unfunded Plan Liability as of 1/1/14	\$19,058,525
Additional Plan Assets:	
Present Value of Future Apportionments	\$5,966,460

General Deposit Account (GBOPHB)	\$16,645,033
Conference Managed Liquid Asset Accounts	\$2,848,921
Conference Superannuate Endowment Fund (GBOPHB)	\$520,643
Total Additional Plan Assets	\$25,981,057

Proposed Past Service Rate: The 2015 CAC for the North Carolina Conference is \$71,154. We propose that the past service rate beginning January 1, 2015 be increased to \$683 per service year, or 0.96% of the CAC. Assuming 2.5% future PSR increases and 7.0% investment earnings, this increase creates an unfunded liability of \$25,345,527. The minimum annual contribution due December 31, 2015 is currently estimated to be \$3,471,062.

## II. Ministerial Pension Plan (MPP) (effective through December 31, 2006)

Guidelines for the Ministerial Pension Plan and the Comprehensive Protection Plan are contained in the plan document. A copy of the summary plan document is available on request by contacting pension services in the treasurer's office.

- A. Service on and after January 1, 1982 through December 31, 2006 was funded on a defined contribution basis. This plan is basically deferred salary, and creates no unfunded liability because it builds an account of funds for a specific minister as his/her salary is paid.
- B. These contributions were placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.
- C. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.

## III. Clergy Retirement Security Program (CRSP) (Effective January 1, 2007)

Guidelines for the Clergy Retirement Security Program and the Comprehensive Protection Plan are contained in the plan document. A copy of the summary plan document is available on request by contacting pension services in the treasurer's office. Service on and after January 1, 2007 will be funded on a combined defined contribution/defined benefit basis.

- A. Defined Benefit (Effective January 1, 2007 – December 31, 2013)
  - 1. The Defined Benefit will be 1.25% of the Denominational Average Compensation (DAC) according to the plan document.
  - 2. The Defined Benefit portion will be funded based on a percentage of Plan Compensation calculated on a yearly basis using up to the normal cost rate provided by the General Board of Pension and Health Benefits factoring in the annual interest rate. The current assumed interest rate is 7.0%. The funding percentage rate through 2013 is 10.4% of Plan Compensation.
- B. Defined Benefit (Effective January 1, 2014)
  - 1. The Defined Benefit will be 1.0% of the Denominational Average Compensation (DAC) according to the plan document.

2. The Defined Benefit portion will be funded based on a percentage of Plan Compensation calculated on a yearly basis using up to the normal cost rate provided by the General Board of Pension and Health Benefits factoring in the annual interest rate. The current assumed interest rate is 7.0%. The funding percentage rate for 2014 is 8.8% of Plan Compensation.

C. Defined Contribution

1. Benefits will be provided based on the participant's account balance at their actual retirement date.
2. The Defined Contribution portion funding is based on three percent (3%) of Plan Compensation.
3. Of the 3% funding, a 2% non-matching contribution will be made to the participant's Defined Contribution account with 1% matching if the participant makes a contribution of at least 1% to their United Methodist Personal Investment Plan (UMPIP) account.
4. Any funds remaining from a pastor's non-participation in the matching component will be redirected to fund the liabilities of other components of the pension plan.

D. Plan Compensation is calculated by the GBOPHB according to the plan document:

1. Vouchered travel and utilities paid directly to utility companies are not used in Plan Compensation calculations since this is considered by the General Board of Pension and Health Benefits to be a local church expense.
2. Clergy couples housing:
  - a. When only one of the spouses is furnished a parsonage, the one furnished the parsonage includes the housing allowance.
  - b. When one spouse is furnished the parsonage and the other a cash allowance, the one furnished the parsonage will use the 25% housing allowance and the other will report the actual cash housing paid.
  - c. When two parsonages are furnished each spouse claims a housing allowance.
  - d. When neither is furnished a parsonage, the actual cash housing allowance may be counted by the person/or persons receiving the allowance.
3. In accordance with the plan document, the housing allowance for those furnished housing is 25% times the cash salary.
4. Those furnished a cash housing allowance will report the actual amount in accordance with the plan document.

E. The Clergy Retirement Security Program contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office.

F. The Defined Contribution portions are placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.

G. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.

#### IV. Comprehensive Protection Plan (CPP)

- A. This part of the program contains provisions for a death benefit and disability income. In addition to the provisions of a death benefit for the pastor, there is a death benefit on the life of the spouse and dependent children under age 18 or who are dependent because of disability. The Comprehensive Protection Plan also includes educational benefits for the children of a deceased minister. This part of the plan is only available to those ministers covered under the CPP, whose charges are paying at least minimum full-time salary.
  1. Effective January 1, 2002, the disability benefit equals 70% of plan compensation, with plan compensation capped at 200% of the DAC. (The DAC for 2014 is \$65,186 and for 2015 is \$66,259) The disability benefit is reduced by any disability benefits payable under the Social Security Act. This revised benefit applies only to eligible clergy whose disability effective date, as determined by the General Board of Pension and Health Benefits, is on or after January 1, 2002.
  2. The Comprehensive Protection Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office. (Effective November 1, 2004)
  3. Pastors who have been approved for a leave of absence for military service and who were enrolled in the CPP prior to the date of their leave will continue to be enrolled in the CPP under optional Conference enrollment.
  4. Death Benefits provide \$50,000.00 as the benefit paid on the death of an eligible active participant.
- B. Death Benefits in retirement prior to January 1, 2013
  1. For participants who retire prior to January 1, 2013, the death benefit payable upon the death of the clergyperson is \$19,558.80 for the year 2014 and \$19,877.70 for 2015. This is 30% of the DAC. The death benefit payable upon the death of a spouse of an active or retired participant is \$13,037.20 for 2014 and \$13,251.80 for 2015. This is 20% of the DAC. The death benefit payable upon the death of a surviving spouse of a deceased active or retired participant is \$9,777.90 for 2014 and \$9,938.85 for 2015. This is 15% of the DAC.
- C. Death Benefits in retirement after January 1, 2013
  1. For participants who retire after January 1, 2013, death benefits payable upon the death of the clergyperson will be fixed at \$20,000. The death benefit payable upon the death of a spouse of an active or retired participant will be fixed at \$15,000. The death benefit payable upon the death of a surviving spouse of a deceased active or retired participant will be fixed at \$10,000.
- D. Effective January 1, 2007, the cost of the Comprehensive Protection Plan (CPP) will be funded by billing up to the calculated percentage to fund the CPP each year using the rate required by the General Board of Pension. For 2014 the cost is a total of 3% of the actual Plan Compensation up to 200% of the Denominational Average Compensation (DAC). The pastor shall be required to pay 1% of Plan Compensation (up to 1% of 200% of DAC) on an after tax basis and the church or charge shall pay 2% of the Plan Compensation (up to 2% of 200% of DAC). ¶1506.15 in *The Book of Discipline 2012*.

- G. Newly appointed Clergy (licensed, commissioned or ordained receiving first time appointment) effective July 1, 2009

(Subject to plan changes effective 1/1/2014, section VI.H)

1. Post retirement insurance plan eligibility for clergy newly licensed, commissioned or ordained effective July 1, 2009, under Episcopal appointment to a NC Conference responsible appointment (i.e. eligible for enrollment in the Conference Insurance plan) will be based on total months enrolled in the Conference Insurance Plan with a minimum of 180 months total enrollment with 60 consecutive months enrollment immediately preceding the date of retirement for funding eligibility.
2. Participants who meet the 60 consecutive months enrollment but do not meet the 180 months minimum will have access to the plan with no funding from the Conference Board of Pensions. The participant will be responsible for 100% of the applicable premiums.
3. Credited enrollment in the insurance plan, once earned, will not be reduced or terminated due to breaks in enrollment.
4. Funding will be based on the following:

<b>Years in NC Insurance Plan</b>	<b>Individual Contribution</b>	<b>Board of Pension's Contribution</b>
0-4	Not eligible	Not eligible
5-14	100%	0%
15-19	60%	40%
20-24	50%	50%
25-29	40%	60%
30-34	30%	70%
35-39	20%	80%
40 or more	10%	90%

- H. Effective January 1, 2014 retirees and covered spouses age 65 or older will be required to obtain their Medicare secondary coverage through the open market with the help of a Conference designated vendor. Funding for the purchase of coverage will be established through the use of a Health Reimbursement Account (HRA) based on the applicable retirement rules listed above. Retiring clergy and spouses under age 65 will remain in the Conference active plan until their attainment of the Medicare eligibility age or their request to be removed from coverage. The recommended maximum HRA amount for 2015 is \$3,200 with a 3% future increase assumption.
- I. Life Insurance – A clergy person must have been covered under the conference active life insurance plan in order to retain life insurance benefits after retirement. The Board of Pension does not provide life insurance for dependents of retired clergy.
- J. Clergy Couples Insurance
1. When one member of a clergy couple retires, medical and life insurance will be paid for the retiree according to the schedules and rules previously listed.
  2. Funding of health insurance will be provided for the spouse and eligible dependents of the retired clergy partner according to the rules and schedules previously listed.
  3. Each member of a clergy couple would receive credit for the years they were covered under the plan.
- K. Surviving Spouses
- Surviving spouses of active participants:
1. Must be enrolled in the health insurance plan at the time of the participant's death in order to receive health insurance benefits under the current health insurance plan.
  2. The Conference Board of Pensions will pay the health insurance premiums for surviving spouses and eligible dependents for up to six months following the death of the active clergy person.
  3. Premiums thereafter will be determined by the retirement rules in place on the date of death.
  4. When surviving spouses are employed and provided health insurance by their employer, the plan of the Board of Pensions will be the secondary carrier.
  5. If the surviving spouse remarries, the conference health insurance will terminate. Future benefits under the conference health insurance plan are waived.
- Surviving spouses of retired participants:
1. Surviving spouses of retired clergy must be enrolled in the conference HRA plan at the time of the retired clergy's death in order to receive health insurance funding under the current conference HRA plan.
  2. Surviving spouses currently enrolled who married the clergy person after the clergy person's retirement, can receive funding for Conference sponsored health benefits. The Board of Pension will grant a flat rate of \$150.00 monthly towards the funding of the Health Reimbursement Account (HRA) for the surviving spouse.

3. Surviving spouses of retired clergy who married the clergy person prior to the clergy person's retirement are subject to the funding schedule applicable prior to the death of the clergy person.
4. Effective January 1, 2001 retired clergy persons may not add new dependents to the health insurance funding plan.

#### VII. Intent

The North Carolina Annual Conference established health, dental, and life insurance plans with the intent of providing coverage for the active pastors. However, the Annual Conference reserves the right to terminate the health, dental, and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plans without the consent of the individual participants.

#### VIII. Special Provisions

The North Carolina Annual Conference Board of Pension is hereby authorized, at its discretion, to arrange with the General Board of Pension and Health Benefits for active participation in the CRSP and/or CPP by persons who are eligible under special rules but not automatically included as active participants. (CRSP Plan Document Section 3.3 and CPP Plan Document Section 3.2.)

#### IX. Conclusion

Our constant aim is to provide our retired families with their needs for an adequate income to purchase essentials for living as well as to insure adequate care in case of illness. To these ends our recommendations are directed, and their satisfaction is found in the acceptance of the North Carolina Conference and its membership.

### **Report C – Housing Exclusion Allowance (For Income Tax Purposes Only) Resolutions Relating to Rental/Housing Allowances for Retired, Disabled, or Former Clergypersons of the North Carolina Conference**

The North Carolina Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, terminated or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, terminated and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

1. THAT an amount equal to 100% of the pension, severance or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the “Discipline”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), any amounts received from the Minister’s Transition Fund (MTF) and including amounts received in this respect from the Duke Endowment, during the year 2013 and 2014 by each active, retired, terminated or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and
2. THAT the pension, severance or disability payments to which this rental/housing allowance designation applies will be any pension, severance or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated or a disabled Clergyperson’s pension, severance, or disability plan benefit as part of his or her gross compensation.

**NOTE:** The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2) and regulations thereunder to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergyperson or former clergyperson is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

**Please Note:** There is no place on your 1040 Tax Form to list this Housing Exclusion. The General Board of Pension and Health Benefits has provided a sample statement to be used: “I received \$\_\_\_\_\_ from the General Board of Pension and Health Benefits, Incorporated in Missouri; and/or from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline and \$\_\_\_\_\_ from the Duke Endowment and \$\_\_\_\_\_ from the Ministers’ Transition Fund (total \$\_\_\_\_\_) as reported on the attached 1099 - R’s. I did not include that amount

on Line 16b because \$\_\_\_\_\_ \* has been excluded under provisions of IRC Section 107 of the Internal Revenue Code as a rental allowance exclusion. As a retired clergyperson, I am entitled to take this rental allowance exclusion.” (\*In this blank put the least of the 3 amounts on your Housing Exclusion Worksheet.)

Attach this note to your 1099-R forms.

## **Report D – Ministers’ Transition Fund**

**I. The Principles of the Fund** – The Ministers’ Transition Fund of the North Carolina Conference of The United Methodist Church (the “Fund”) was established effective November 20, 1937, to assist the minister to more easily make the transition from the active relationship in which a furnished parsonage has usually been provided, to the retired relationship in which the minister provides his or her housing. The Fund has been established by apportionments to each local church in the Outreach Ministries-Fair Share Apportionments and by assessments to each minister who has membership in the Fund. Since all churches have contributed to this Fund, it is the desire of the North Carolina Annual Conference of The United Methodist Church that all ministers participate in the Fund. The Conference does not interpret the churches’ support of the Ministers’ Transition Fund as an additional benefit for their ministers, but as a benefit for all ministers of the Conference. Therefore, the only funds to which a minister can make personal claim are those that he or she contributed to the Fund.

The Conference vigorously emphasizes that the purpose of this Fund is to assist the minister’s retirement transition and not to be an emergency fund available for any other purpose. All participant elections available shall be irrevocable. The Fund is intended to be a church plan within the meaning of section 414(e) of the Internal Revenue Code of 1986, as amended (the “Code”) which has not made the election under section 410(d) of the Code and is also intended to meet the requirements of a retirement income account under section 403(b)(9) of the Code. The Plan shall be interpreted, wherever possible, to comply with the applicable terms of the Code and all applicable formal regulations and rulings issued under the Code.

**II. The Conference Treasurer** – The Treasurer of the North Carolina Conference (the “Conference Treasurer”) shall serve as Treasurer and custodian of this Fund. He or she shall promote this work, receive funds from pastors and charges, and keep permanent records of assessments received and benefits paid.

**III. Eligibility for Membership** – Membership in this Fund is not mandatory. Each ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) who is serving full time in a charge or as a district superintendent, a Conference ministerial staff person, or others who are appointed to serve at a North Carolina Annual Conference Institution (Methodist Retirement Home, Inc.; Methodist Home for Children, Inc.; Louisburg College; Methodist College; North Carolina Wesleyan College) or other Episcopal appointment of the North Carolina Annual Conference shall be eligible to join.

In order to remain an active, participating member, the ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) must continue to serve full time in a charge or other appointment. A full-time local pastor may continue as a member of the Fund only during the time he or she is serving under episcopal appointment. Students under

episcopal appointment who have previously served full time and who intend to return to full time service are eligible to continue. Those ministerial members on disability leave, leave of absence, or Conference members with less than full time service, may continue to be active, participating members by meeting the provisions discussed hereafter.

Ministerial members who transfer into the Conference or new ministers receiving appointments for the first time are eligible to join the Fund in January of the year following the Annual Conference session in which their credentials were recognized. Ministers in these categories applying for membership will be assessed on the basis of their total salary and utility allowances for the six months between July 1 and December 31 computed to a twelve-month amount.

Each new member of the Fund shall file an application form. Upon filing of application for membership and paying the recommended assessment for one year, his or her membership becomes effective. The deadline for enrollment for all ministers is January 31 of each year.

#### **IV. Apportionments and Assessments**

- A. Conference Contributions** – Funds shall be placed in the Annual Conference budget annually as approved by the Annual Conference. This budgeted amount will be apportioned to charges on the same basis as all other Conference budget items. Funds may also be placed in the fund through special contribution by Annual Conference boards or committees. All such budget or other contributions shall become part of the Fund.
- B. Minister Contributions** – Each minister in a pastoral appointment who participates in the Fund shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of all salary and utility allowances he or she receives each year from the charge he or she is serving and/or Conference sources. (Salary also includes Equitable Salary Fund payments, Duke Endowment Funds, and missionary sources.) Such contributions may be paid in monthly installments by check or electronic bank drafts.
- C. District Superintendent and Conference Ministerial Staff Contributions** – District superintendents and Conference ministerial staff shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of their salary and utility allowances.
- D. All Other Ministers** – All other ministers who participate in the Fund shall be assessed and pay into the Fund on an after-tax basis a sum equivalent to one percent (1%) of their annual salary and utility allowances or one percent (1%) of the Conference Average Salary and Utilities, whichever is greater.

- V. Deadline For Receipt of Assessment** – The plan (fiscal) year of the Ministers' Transition Fund shall be the same as that of the Annual Conference fiscal year, January 1 through December 31. No later than November 1 of each year, the Conference Treasurer shall notify all members their assessment is due. Each member of the Fund shall submit payment for the required assessment no later than January 31 of each year. Such contributions may be paid in monthly installments by check or electronic bank drafts. Assessments received after January 31 will be returned to the minister. If he or she has been a member less than ten (10) years, this lack of payment extends the period for one additional year before dividends can be received. If the minister has been a member

over ten (10) years, he or she will receive no dividends for the year involving lack of payment. If any member of the Fund fails to pay his or her required assessment for three consecutive years, he or she shall be required to withdraw from membership in the Fund.

**VI. Base Benefits** – Base benefits shall be paid to retired members of the Transition Fund as follows:

If retired at the end of one year of membership	\$200.00
If retired at the end of two years of membership	300.00
If retired at the end of three years of membership	400.00
If retired at the end of four years of membership	500.00
If retired at the end of five years of membership	600.00
If retired at the end of six years of membership	700.00
If retired at the end of seven years of membership	800.00
If retired at the end of eight years of membership	900.00
If retired at the end of nine years of membership	1,000.00
If retired at the end of ten years of membership	1,100.00
If retired at the end of eleven years of membership	1,200.00
If retired at the end of twelve years of membership	1,300.00
If retired at the end of thirteen years of membership	1,400.00
If retired at the end of fourteen years of membership	1,500.00
If retired at the end of fifteen years of membership	1,600.00
If retired at the end of sixteen years of membership	1,700.00
If retired at the end of seventeen years of membership	1,800.00
If retired at the end of eighteen years of membership	1,900.00
If retired at the end of nineteen years of membership	2,000.00
If retired at the end of twenty years of membership	2,100.00
If retired at the end of twenty-one years of membership	2,200.00
If retired at the end of twenty-two years of membership	2,300.00
If retired at the end of twenty-three years of membership	2,400.00
If retired at the end of twenty-four years of membership	2,500.00
If retired at the end of twenty-five years of membership	2,600.00

**VII. Allocation of Dividends After Ten Years of Membership** – After ten years of membership, and beginning with the eleventh year, the base benefit to be paid is increased by dividends credited to the members account.

Any funds, except as provided below, including apportionments, assessments, forfeitures and earnings thereon, remaining after benefits have been paid to eligible members for the plan year shall be divided into equal parts, in the case of members who remained members through the year, and portions of such equal parts in the case of members who have retired during the year and who are entitled to a part-year allocation, as described below, and credited to the accounts of those who have been participating members for more than ten years and are not in arrears for the previous year.

A reserve equal to ten percent of the members' payments and dividend fund balances as of December 31 each year shall be maintained. Unrealized gains on investments shall be reserved

and are not generally eligible to be distributed as annual dividends. The Hearing Committee may supplement the annual dividend from such reserves to maintain the declared dividend in an amount consistent with previous year levels when such action is deemed appropriate considering current investment returns and current economic conditions. The purpose of maintaining these reserves is to insulate the members in any year from market fluctuations and preserve the ability of the fund to consistently provide for housing needs in their retirement.

In the event a member retires during a year after completing ten years of membership, such member may elect to submit payment to the Fund of that portion of their assessment for the year equal to the product of (1) the assessment the member would have paid had the member not retired, and (2) a fraction, the numerator of which is the number of whole months in the year prior to the date the member retires, and the denominator of which is 12. If a member pays the assessment described in the preceding sentence, the account of the member shall also receive as an allocation of dividends for such year an amount equal to the product of (1) the amount of dividends which would be credited to the account of such member had the member not retired during such year, and (2) a fraction, the numerator of which is the number of whole months in the year prior to the date the member retires, and the denominator of which is 12.

## **VIII. Limitations on Contributions Pursuant to the Internal Revenue Code**

**A. In General** – The contributions for any calendar year allocated to a member’s account under Articles VI and VII on behalf of a member under all Qualifying Retirement Plans in which the member participates shall not exceed the member’s Limit on Annual Additions as determined in subsection B of this Article VIII. The provisions of this Article VIII are intended to provide the limit on the amount of contributions to this Fund which are excludable from the gross income of the member pursuant to Code section 415, and shall be interpreted in a manner consistent with that Code section.

### **B. Limit on Annual Additions Under Code Section 415**

1. A member’s Limit on Annual Additions shall for any calendar year be an amount equal to the lesser of:
  - (a) 100% of the member’s includible compensation within the meaning of Code section 415(c)(3)(E) in such calendar year, or
  - (b) \$52,000, or such greater amount as is permitted under Code section 415(c) as adjusted under Code section 415(d)(1)(B).

For purposes of determining a member’s Limit on Annual Additions, in the case of a member who has more than 50% control of an employer (a “Controlled Employer”) within the meaning of Code section 415(h), contributions to a plan of the Controlled Employer that constitute annual additions (as defined in Code section 415(c)(2)) to the member shall be treated as contributions to this Plan.

2. A member’s “includible compensation” for purposes of paragraph (1), above, shall mean the amount of compensation received from an employer within the meaning of Code section 403(b)(3) and 414(e) which is includible in gross income, computed without regard to Code

section 911 for the most recent period ending not later than the close of the taxable year which is counted as a one year period of service as defined under paragraph (3) below. Such term shall not include any amount received by a former member after the fifth taxable year following the taxable year in which such member was terminated, or utilities to the extent such amounts are not includible in compensation pursuant to Code section 107.

3. A member's "period of service" for purposes of paragraph (2) above shall be expressed as a number equal to the member's number of full years of service plus one-twelfth for each one month period of service in addition to his or her full years of service. Part-time service of a member shall be taken into account as the percentage of such service that is equal to the percentage of full-time service served.

Notwithstanding any provision of this Article VIII.B to the contrary, the Limit on Annual Additions of a member who has made an election under Code section 415(c)(7) shall be determined under such Code section and the regulations issued thereunder.

- C. Prohibition on Before-Tax Salary Reduction Contributions - Before-tax contributions under a salary reduction agreement shall not be permitted under this Fund.

**IX. Death Benefits** – When a participating member of the Fund dies, the Treasurer shall pay to his or her designated beneficiary or beneficiaries, otherwise to his or her estate, the full amount of the base benefit payments plus the dividends, if any, added to his or her account. In the event that a minister dies prior to the eleventh year of membership, the designated beneficiary or beneficiaries, or otherwise the estate, shall receive the full amount of the base benefit payments plus the assessments contributed by the participating member. In no case would the beneficiary, beneficiaries or estate receive less at the time of the ministers death than the member's assessments plus simple interest credited annually at the rate of The United Methodist Foundation, Inc., cumulative dividend yield for the most recent four quarters prior to the date of death.

**X. Designation of Beneficiary** – Each member shall provide the Conference Treasurer the name(s) of the beneficiary or beneficiaries to whom the death benefits described in Article IX are to be paid in the event of death. The designation shall be indicated on a form provided by the Conference Treasurer. A designation shall not be effective unless such form has been duly completed and filed with the Conference Treasurer. In the absence of a designated beneficiary, benefits shall be paid to the member's estate.

**XI. Irrevocable Election Regarding Distribution of Funds** – Members actively serving must make, prior to attaining age 59 1/2, an irrevocable election to either terminate from the Ministers' Transition Fund beginning with the Annual Conference following the attainment of age 60 or to defer termination from the Fund until retirement, as defined in the Book of Discipline, 2012, ¶¶358.1, 358.2a, 358.2b, 358.2c. Such irrevocable election is the responsibility of the member and must be made in writing to the Conference Treasurer by age 59 1/2. Forms can be obtained upon request from the Conference Treasurer. Should the member fail to make the irrevocable election, the member will not terminate from this Fund until retirement.

## XII. Payment of Benefits

**A. In General** – At retirement or early termination from the Fund, members who have accrued the same number of years of service credited under the Fund (during the same calendar years) will have exactly the same accrued benefit and will receive exactly the same benefit regardless of their total individual contributions. Notwithstanding any other provision of this Fund, all payments under this Fund must be made at least as rapidly as required under section 401(a)(9) of the Code and any proposed or final regulations thereunder, including but not limited to the incidental death benefit requirements of Code section 401(a)(9)(G).

In no case would the member receive less at retirement than the member's assessments plus interest computed at the United Methodist Foundation, Inc. cumulative dividend yield for the four most recent quarters prior to the retirement date.

- 1. Ministers With Less Than Ten (10) Years.** For ministers retiring between January 1 through Annual Conference, and who retire or terminate from this Fund with less than ten (10) years credit in the Fund shall be paid in a single lump sum immediately following the session of the Annual Conference at which he or she retires or terminates. For ministers retiring between Annual Conference and December 31, payment shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. The benefit shall be the base benefit as prescribed in the table for retired members under Article VI plus minister contributions.
- 2. Ministers With Ten (10) or More Years.** A minister who retires or terminates from this Fund with ten (10) or more years credit in the Fund must make an irrevocable election to receive benefit payments under one of the following options. This irrevocable election must be made no later than ninety days prior to the retirement month or month of termination due to early retirement or disability. For either option selected, total benefit payments shall be the base benefits as prescribed in the table plus the dividends credited. Interest will accrue on the principal balance beginning on the later of the retirement date or July 1 of the retirement year and will continue until the account is paid in full. The interest rate will equal the United Methodist Foundation, Inc. cumulative dividend yield for the four most recent quarters. All payments excluding the payment of member assessments shall be subject to income tax.
  - (a) Two payment option:** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The second payment shall be the remainder of dividends and base benefit payment earned during their membership and interest accrued.
  - (b) Six payment option.** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The remaining payments shall be five equal annual installments of the remaining dividends and base benefit payment earned during their membership and interest accrued. The six payment option shall not be available to a member following attainment of age 70.

For ministers retiring between January 1 and Annual Conference, under either option, the first payment shall be paid within 15 working days following the adjournment of the Annual Conference following the ministers' retirement or termination from the Fund. The second and subsequent payments shall be paid annually between January 1 and January 10 of each year

following the year in which the minister terminates or retires until the account is paid in full.

For ministers retiring between Annual Conference and December 31, the first payment and second payment for either payment option shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. Unless the minister selects the six payment option, the account shall be disbursed in full in the first January after retirement. If the six payment option is selected, the four remaining installments shall be paid annually between January 1 and January 10 of each subsequent year until the account is paid in full.

## **B. Direct Rollovers**

1. This Article XII.B applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the Fund to the contrary that would otherwise limit a distributee's election under this Article XII.B, a distributee may elect at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.
2. **Definitions:**
  - (a) **Eligible rollover distribution:** An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code as made applicable by section 403(b)(10) of the Code, any amount that is distributed upon hardship, and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).
  - (b) **Eligible retirement plan:** An eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity contract described in section 403(b) of the Code (including custodial accounts described in section 403(b)(7) of the Code and retirement income accounts described in Section 403(b)(9) of the Code), a qualified plan described in section 401(a) or 403(a) of the Code, or an eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state which agrees to separately account for amounts transferred to such 457(b) plan from this Fund, that accepts the distributee's eligible rollover distribution
  - (c) **Distributee:** A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse.

**(d) Direct rollover:** A direct rollover is a payment by the plan to the eligible retirement plan specified by the distributee.

3. Within a reasonable time before making an eligible rollover distribution from the Fund, the Conference Treasurer shall provide or cause to be provided the written explanation to the distributee required by Code section 402(f).

**XIII. Disability Leave** – A minister who is approved for and placed on Disability Leave granted by the Conference may elect to:

- A. Continue as an active member and pay one percent (1%) of the disability pay received from all sources. Should Disability Leave be granted between sessions of Annual Conference, 1% of the disability pay received from all sources computed to a 12 month amount shall be paid.
- B. Be treated the same as a transferring member.
- C. Receive benefits the same as a retiring member.
- D. Terminate from the Fund and receive all benefits within thirty (30) days following the granting of Disability Leave.

The minister shall notify the Conference Treasurer in writing of his or her choice of option within ten (10) days following the granting of Disability Leave. In no case would the member receive less than the member's assessments plus interest, determined as described in Article IX.

**XIV. Leave of Absence** – A minister who is approved for and placed on Leave of Absence by the Conference may elect to:

- A. Continue as an active member by paying 1% of the Conference Average Salary and Utilities while on leave.
- B. Be treated the same as a transferring member under Article XVI.

**XV. Less Than Full Time Service** – A Conference member who is approved for less than full time service by the Conference may elect to:

- A. Continue as an active member for no more than three years by paying 1% of the Conference Average Salary and Utilities (within the meaning of Article XIV) while serving less than full time.
- B. Withdraw from the Fund according to the provisions of Article XVII.

**XVI. Membership Transferring** – Any ministerial member who leaves the North Carolina Conference by transfer to another annual conference of The United Methodist Church cannot make any further payment to the Fund. He or she may leave his or her account (including dividends, if any) in the Fund until retirement. If this is done, the benefit under this Fund will be computed as of the date of transfer from the North Carolina Conference with interest determined in the manner described in Article IX, determined from the date of transfer to the date of retirement. If the account is left, and the minister returns to the North Carolina

Conference, he or she may reinstate his or her payments and dividend earnings, effective at the time of transfer back into this Conference.

**XVII. Withdrawing from the Fund Prior to Retirement** – If a member desires to withdraw from the Fund prior to retirement, upon a written request to the Conference Treasurer, he or she shall receive the amount he or she has paid into the Fund, plus interest determined in the manner described in Article IX each year he or she was participating in the Fund. Amounts in the members account in excess of the amount determined under the preceding sentence shall be forfeited and reallocated as dividends for the year of forfeiture pursuant to Article VII.

Each member whose membership is terminated in the Fund in any way will provide the Conference Treasurer with a statement indicating that he or she has received the funds for which he or she is eligible, and that he or she is no longer a member of the Fund. Any minister leaving the North Carolina Conference to join another denomination other than The United Methodist Church will be required to withdraw from the Fund and payment will be made to the minister according to the formula set forth in the first paragraph of this Article XVII.

**XVIII. Reinstatement** – A member who has withdrawn from the Fund may not be reinstated, but is required to begin anew as though he or she were a new member. A minister shall not be permitted to rejoin the Fund more than two (2) times during his or her ministerial career.

### **XIX. Hearing Committee**

**A. The Committee** – A Hearing Committee consisting of the Board of Pensions Executive Committee, Conference Treasurer, Director of Ministerial Relations, Conference Controller, and the Conference Insurance Group Administrator shall have authority to act on behalf of the Board of Pensions between Annual Conference sessions concerning matters that relate to, but are not specifically covered by, this constitution of the Ministers' Transition Fund. The Plan Administrator for the Fund for other plan administrative matters and matters delegated by the Hearing Committee shall be the Conference Insurance Group Administrator. Determinations by the Hearing Committee, the Board of Pensions or the Plan Administrator shall be conclusive and binding on all persons and shall be afforded the maximum deference permitted by law.

**B. Claims Procedure** – If a claim is wholly or partially denied, the Hearing Committee shall furnish the member or beneficiary with written notice of the denial within sixty (60) days of the date the original claim was filed. This notice of denial shall provide:

1. The specific reason or reasons for denial;
2. Provide specific reference to pertinent plan provisions on which denial is based;
3. A description of any additional information needed to perfect the claim and an explanation of why such information is necessary; and
4. An explanation of the plan's claims procedure.

The member or beneficiary shall have sixty (60) days from receipt of denial notice in which to make written application for review by the Hearing Committee. The Hearing Committee shall issue a decision on such review within sixty (60) days after receipt of an application for review as provided in the preceding sentence. Such decision on review shall be made in writing and shall include specific reasons for the decision written in a manner calculated to be understood by the claimant. All decisions and denials of claims by the Hearing Committee shall be afforded the maximum deference permitted by law.

**XX. New Rules and Constitutional Provisions** – The rules and guidelines of this constitution supersede all previous Conference legislation regulating this Fund. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of this constitution without the consent of individual members of the Fund. No amendment shall have the effect of modifying any benefit election of any member in effect at the time of such amendment or modifying the benefit of any member who retired prior to the date of such amendment, unless the amendment expressly so provides. The Annual Conference established this Fund with the intent that it will be maintained for an indefinite period of time. However, the Annual Conference reserves the right to terminate the Fund, in whole or in part, at any time. No amendment, modification or termination of the Fund shall adversely affect the members benefits accrued for his or her retirement at the time of termination of the Fund.

#### **XXI. Miscellaneous Provisions**

- A. Prohibition Against Diversion** – Subject to Code section 414(p), there shall be no diversion of any portion of the assets of the plan other than for the exclusive benefit of members and their beneficiaries.
- B. Delegation of Authority** – The Board of Pensions, Conference Treasurer and the Hearing Committee may authorize any agent or agents to carry out their duties, and may employ such counsel, auditors, and other specialists and such clerical, actuarial and other services as it may require in carrying out the provisions of the Fund.
- C. Notification of Mailing Address** – Each member and other person entitled to benefits hereunder shall from time to time file with the Conference, in writing, such persons post office address and change of post office address. Any check representing any payment due hereunder, and any communication forwarded to a member of beneficiary at the last known address as indicated by the records of the Conference shall constitute adequate payment to such person and be binding on such person for all purposes of the plan. The Conference, Board of Pensions, Conference Treasurer and Hearing Committee shall not be under any obligation to search for or ascertain the whereabouts of any such person.
- D. Unclaimed Benefits** – If any benefits payable to, or on behalf of, a member are not claimed within a reasonable period of time from the date of entitlement, as determined by the Hearing Committee, and if the member cannot be located at his or her last provided mailing address, such member shall be presumed dead and the post-death benefits, if any, under this plan shall be paid to his or her beneficiary if he or she is then living and can be located. If the member's beneficiary is not then living or cannot be located, or if no beneficiary was effectively named, the member's account shall be forfeited and treated as dividends pursuant to Article VII.

- E. Facility of Payment** – Whenever, in the Hearing Committees opinion, a person entitled to receive any payment of a benefit under the plan is under a legal disability or is incapacitated in any way so as to be unable to manage such person's financial affairs, the Hearing Committee may, to the extent permitted by law, make payments directly to the person, to the person's legal representative, or to a relative or friend of the person to be used exclusively for such person's benefit, or apply any such payment for the benefit of the person in such manner as the Hearing Committee deems advisable. Any benefit payment (or installment thereof) made in accordance with the provisions of this shall completely discharge the obligation for making such payment under the plan.
- F. Commingling of Assets** – The assets of the Fund may be commingled in a common fund made up of such accounts or in a common fund with other amounts exclusively devoted to church purposes, provided that the part of such fund which equitably belongs to the plan shall be separately accounted for and cannot be used for or diverted to purposes other than for the exclusive benefit of employees and their beneficiaries. The reasonable costs of administering an account may be charged against the account. Such costs may include the reasonable costs of administering a retirement income program of which the account is a part, including costs associated with informing employees and employers of the availability of the program.
- G. Governing Law** – This plan shall be administered, and its validity, construction, and all rights hereunder shall be governed by the Book of Discipline of The United Methodist Church, and by the laws of the State of North Carolina to the extent not in conflict with such *Book of Discipline*. If any provisions of the plan shall be held invalid or unenforceable, the remaining provisions hereof shall continue to be fully effective.
- H. Limitations on Liability** – The Conference, Conference Treasurer, Board of Pensions and members of the Hearing Committee shall not be liable to any person or entity for any of their acts carried out hereunder in good faith and based upon the information available at the time.

## **Trustees, Board of**

The Board of Trustees of the Annual Conference is charged with responsibilities vital to the mission and ministry of the Conference as defined in paragraphs 2512-2516 of the *2012 Book of Discipline*. These include holding legal title and managing Conference property; receiving and holding bequests and donations; receiving and managing closed or abandoned churches and other property; recommending action to the Annual Conference regarding sale, lease or acquisition of property to serve the Conference interests and mission; and intervening to protect Annual Conference interests.

### **The United Methodist Building**

The United Methodist Building was relocated to the current location in Garner in June 2010. The facility has had only a few minor maintenance issues throughout the year and remains in excellent condition.

### **Closed Churches**

- Andrew's Chapel – Gateway District – closed March 27, 2014.
- Calvary – Capital District – church closed October 31, 2013.
- Cornerstone – Gateway District – closed February 11, 2014.
- Parmele – Sound District – property sold, March 2014.
- Pleasant Grove – Gateway District – property sold, March 2014.

The Board of Trustees continues to receive local church property as they are closed in compliance with the Discipline.

### **Conference Parsonages and Episcopal Residence**

The Board of Trustees currently provides funding for three Conference staff positions with housing allowances in lieu of parsonages. Funding available to pay the staff housing allowances is provided through the Conference budget. The market value of investments for conference parsonages is currently \$358,574.53 as of December 31, 2013. Beginning in 2013, investments from prior conference parsonage sales were added to the funding generated through district parsonage sales to furnish housing allowances to district superintendents. Funding needed for district superintendent housing allowances is to be generated from earnings on the investment of the sale proceeds from conference and district parsonages.

The Episcopal Residence is maintained by the Board of Trustees and funding provided by the conference apportionments and the Episcopal Fund, which is managed by the General Council on Finance and Administration. The new residence, obtained in 2004, still needs minimal maintenance at this time. Budget requests have been recommended to begin to reserve funding for future capital repairs of the residence in addition to current year operating expenses.

### **Frederick and Closs Peace Wardlaw Bequest**

In August of 2002, the Trustees received a bequest from the estate of Frederick and Closs Peace Wardlaw with the stated preference of providing a retreat or renewal location for clergy of the Conference. The trustees continue to hold a lot at Somerset Plantation at Kerr Lake purchased from bequest property sale proceeds. The property will be held for resale until property market proves prime for sale.

The Trustees entered into a partnership with the NC United Methodist Camp and Retreat Center Ministries, Inc., (NCUMCRCM) in 2011 to use funding from the Wardlaw bequest to construct a clergy retreat center on the property of Camp Don Lee. The retreat center was completed in December 2012 and is available for use for clergy renewal, as desired by the Peace Wardlaw family. The NCUMCRCM board and staff own the cottage and provide oversight for clergy retreat opportunities. The Conference Trustees encourage all clergy to use this facility to its fullest to fulfill the wishes of the generous donors and provide a place for renewal of our clergy.

The Trustees have agreed to work with NCUMCRCM over the next year in the development of a second clergy retreat center at Camp Chestnut Ridge. The remaining funds of the Wardlaw bequest continue to be invested with the United Methodist Foundation and have a market value of \$368,293.39 as of December 31, 2013.

### **Property Insurance**

*The Book of Discipline* provides that one of the responsibilities of local church Trustees is to review insurance annually in order to ensure that the church, its properties and its personnel are properly protected against risks. In evaluating these levels of protection, the Conference Trustees recommend the following types and levels of coverage as guidelines for property and casualty insurance coverage:

- Building and business personal property insurance at full replacement cost,
- General liability coverage at \$1,000,000,
- Physical abuse and sexual misconduct liability coverage at \$1,000,000,
- Pastoral professional liability coverage at \$1,000,000,
- Employee dishonesty and crime coverage at levels adequate to cover assets held by the church – each church needs to evaluate this coverage independently,
- Directors and Officers liability coverage at \$1,000,000,
- Umbrella policy coverage at \$1,000,000, and
- Workers' Compensation coverage at \$1,000,000 for all employees whether or not the church meets the minimum requirements under North Carolina law.

Property insurance for the NC Annual Conference property is insured through the denominational insurance provider, United Methodist Insurance (UMI). The predecessor to UMI was the Property and Casualty Trust (PACT), a self-insured property insurance captive. In order to facilitate participation in the trust for local churches in North Carolina, a new non-profit insurance agency corporation was formed to provide the insurance administration for the PACT program in North Carolina. That corporation is named North Carolina Conference Property and Casualty Insurance Trust, Inc.

The denominational PACT program moved all lines of coverage to best in class providers in 2011 and transitioned from a multiple parent captive to a single parent captive with the General Council on Finance and Administration (GCFA) as the only parent. PACT was merged into UMI in November 2013. With the NC Conference Trustees only holding investment at this point, the NCCPACT corporation will no longer be necessary to provide coverage in NC and the corporation will be dissolved over the next year. The Trustees are excited about the coverage opportunities now available to local churches through the United Methodist Insurance program and see this next step in the development of the program as favorable to the NC Conference churches in the areas of property and liability coverage.

### **Board of Trustees**

The Conference Board of Trustees seeks to be faithful stewards of the assets of the North Carolina Conference. All financial activities and assets held by the Conference Board of Trustees are included in the audit of financial records of the Conference. Full reports of this activity are available from the Conference Treasurer's Office. We will continue to manage property of the Conference to the best of our ability in compliance with the Discipline and welcome the suggestions, ideas and input of every person in this Conference. We thank you for your faithful support of the work of the Conference and seek your prayers for the work that is given to us.

## Conference Relations, Committee on

The Committee on Conference Relations has as its primary responsibility the assisting of any clergy who seek to change or terminate their relationship with the Annual Conference. Changes in conference relationship may occur in any of the following ways: 1) discontinuation, 2) leave of absence, 3) retirement, 4) sabbatical leave, 5) maternity/paternity leave, 6) family leave, 7) termination of conference relationship (surrender of credentials) and 8) honorable location.

The Committee on Conference Relations meets with the person who is seeking a change in conference relationship upon the request of that person, or upon request of the Cabinet or the Board of Ordained Ministry. The committee attempts to determine what is appropriate in each case

by posing questions, offering counsel and providing support. The committee then discusses the request and acts upon it by making a recommendation to the Board of Ordained Ministry. In any event, the person requesting the change and the Committee on Conference Relations acting on the request must follow the requirements in The Book of Discipline.

The Book of Discipline provides specific guidelines applying to each of the categories of conference membership. All those persons in the various categories of conference membership (other than the effective relationship) should remember to familiarize themselves with, and adhere to, the disciplinary guidelines which apply to that category. The Committee on Conference Relations issues a yearly reminder of these guidelines through a letter approved by the Board of Ordained Ministry at its annual meeting. Following the appropriate guidelines is particularly important for clergy on leave of absence; for these persons, exercise of any ministerial function is restricted to the Charge Conference in which their membership is held. The Conference Relations Committee would take this opportunity to reiterate that pastors on leave of absence cannot perform weddings, conduct funerals, or administer the sacraments outside the bounds (both geographical and membership bounds) of that charge conference.

## Duke Divinity School

The academic year 2013–2014 has been an exciting year in which we completed an intensive period of hiring new faculty. We believe that a strong faculty is at the heart of any great theological school, and we are thankful that the men and women who have joined us are characterized by excellent scholarship, generous character, and a deep commitment to the church. In the past three years, we have hired 18 new faculty, which means that 36 percent of current faculty have been hired since 2010. Half of those appointments are United Methodist, bringing our total regular-rank faculty to 42 percent Methodist.

Some of our new faculty hires were in response to retirements or departures; others were in response to the growth in our new degree programs, the Master of Arts in Christian Practice (M.A.C.P.), Master of Arts in Christian Studies (M.A.C.S.), and the Doctor of Ministry (D.Min.). Other hires help expand our expertise into crucial areas. Xi Lian, professor of world Christianity, is a leading scholar of Christianity in China; Meredith Riedel, assistant professor of the history of Christianity, studies Byzantine Christianity and its engagement with the Muslim world; and Luke Bretherton, associate professor of theological ethics, works in Christianity and contemporary politics and community-building in a pluralistic culture.

Other new faculty build on our traditions of strength in historical, theological, ministerial, and biblical studies. Ross Wagner and Brittany Wilson both have Wesleyan commitments to reading Scripture that influences their scholarship in New Testament; Valerie Cooper, a self-described “fifth-generation Methodist,” does singular work in historical studies and biblical hermeneutics. Edgardo Colón-Emeric, assistant professor of Christian theology, continues our rich legacy of engagement between Methodist and Catholic theologies; and Jeff Conklin-Miller brings a wealth of experience as a United Methodist minister and youth programs director to his position in Christian formation.

All of our faculty members in all of our academic programs are committed to training talented, committed men and women for ministry. We continue to welcome students from a range of backgrounds who are called to serve God and the church. In 2013, our total enrollment was 635 students: 434 are enrolled in the M.Div. degree program; 60 in the M.T.S.; 18 in the Th.M.; 43 in the Th.D.; 36 in the D.Min.; 25 in the M.A.C.P.; 17 in the M.A.C.S.; and 12 who are special students. Thirty-seven percent of our students are United Methodist, with an additional 4.5 percent from other Wesleyan traditions. Eleven percent are Baptist, 10 percent are Anglican or Episcopal, 6 percent are Roman Catholic, 6 percent are Presbyterian, with the remaining 6 percent from other denominations or nondenominational churches.

In addition to the ongoing excellent academic and field education work done by students each year, several students had notable achievements. Griff Gatewood M.Div.'13 was awarded a fellowship by the Fellowships at Auschwitz for the Study of Professional Ethics, one of only 14 seminarians selected for the award. Andrew Barnhill M.Div.'13 was selected by a Duke University campus committee to deliver the student speech at the university's 161st Commencement Ceremony in May, the first time a Divinity student has been selected for that honor. Two M.Div. students, Kayla Harward and Carmen Gonzalez-McKernie traveled to South Korea to represent the Divinity School at the World Council of Churches 10th Assembly.

Duke Divinity School does not view our work as only academic or "ivory tower." Our departments, centers, initiatives, and programs continue to engage with the church and social and cultural issues. The important work of the Clergy Health Initiative will be extended, thanks to a \$5.74 million grant from The Duke Endowment. In August its research was published in the *Journal of Primary Prevention*. Findings include that the rate of depression among clergy is nearly double the national rate. Factors contributing to depression include job stress, sense of guilt about not doing enough, and social isolation. In response to these findings, the Clergy Health Initiative has introduced a theologically framed curriculum for United Methodist Churches. *Pastor & Parish* is designed to strengthen relations between clergy and congregations, and it provides a scriptural foundation for Staff-Parish Relations Committees to engage in constructive ways to promote health and unity for the church and pastor.

Duke Initiatives in Theology and the Arts (DITA) co-sponsored the Dean's Songwriter Series with the Dean's office. The series promotes an ongoing conversation about songwriting, performance, and music in relation to Christian faith. Guests included singer-songwriter Pierce Pettis and his daughter Grace Pettis, David Wilcox, and Carrie Newcomer. Events include lunch concerts and discussion with students and evening concerts open to the community. DITA also introduced an informal film study for Divinity School students, "Image & Word," hosted by postdoctoral fellow Daniel Train. The study includes short lectures, film viewings, and group discussion in order to deepen imaginative and pastoral acumen.

Leadership Education at Duke Divinity (LEADD) has launched a new website that describes its programs in denominational leadership and resources to strengthen institutional resources: <http://leadership.divinity.duke.edu>. The online journal *Faith & Leadership* continues to draw hundreds of thousands of readers. Greg Jones, senior strategist for LEADD and professor of

theology, has been named to the leadership team for the Duke Innovation and Entrepreneurship Initiative, where he will serve as a senior strategist for education.

The Center for Reconciliation sponsored the fifth annual Summer Institute at Duke Divinity School, hosting nearly 145 Christian leaders involved in diverse reconciliation ministries around the world. Participants included representatives from World Vision International, InterVarsity Christian Fellowship, the National Immigrant Youth Alliance, and organizations in South Korea, Japan, Burundi, South Sudan, and Uganda. For the first time the Summer Institute featured a seminar on Muslim-Christian dialogue, led by Professor Ellen Davis and Duke's Muslim chaplain, Abdullah Antepli.

The Duke Youth Academy for Christian Formation (DYA) is expanding to a yearlong program that combines a week of summer residency at Duke University with a year of ongoing engagement and practice. The new format will allow high-school students to build on the intensive summer residency experience throughout the year with the support of the DYA community and a local mentor. The program includes lectures by Divinity School faculty, workshops, theological reading, online community forums, and a self-directed final project on Christian practice.

The second phase began of Thriving Rural Communities, a partnership between Duke Divinity School, The Duke Endowment, and the North Carolina and Western North Carolina Conferences to help divinity students, pastors, laity, districts, and conferences cultivate and strengthen Christian leadership and United Methodist congregations in rural North Carolina. Eight new partner churches are participating, and over the next five years approximately 70 Thriving Rural Communities Fellows will be serving in United Methodist Churches across North Carolina. Brad Thie has been named the director; he has previously served as pastor of United Methodist churches in Charlotte, Asheboro, and Newton, N.C.

We remain deeply grateful for the relationships among the United Methodist Church, this Annual Conference, and Duke Divinity School. We look forward to working with you in the task of preparing men and women for Christian ministry. ## **Duke Endowment**

The Duke Endowment was formed in December of 1924 by the industrialist and philanthropist James B. Duke, who famously said that if it were not for his father and the Methodist Church he would not have amounted to anything. When forming his Endowment, Mr. Duke named four areas of focus: higher education, health care, child care and rural United Methodist churches in North Carolina. For nearly 90 years, the Endowment has been blessed to engage in ministry with rural churches all across the conference and state. We have witnessed the powerful ways in which the Holy Spirit is igniting congregations for service. Formed by the grace and love of God, and led by the Spirit, rural churches understand what it means "love their neighbors." Theirs are powerful and faithful stories, which you may experience at our website: [www.dukeendowment.org](http://www.dukeendowment.org). The Duke Endowment is blessed to serve congregations all across the Western North Carolina Conference.

*We are pleased now to be able to work with some congregations again for the first time in many years through an expansion of the Endowment's definition of "rural" approved by our Trustees in February, 2013.* This expanded definition added a new class of eligible churches to our list and was made in response to our state's changing reality. When Mr. Duke wrote his Indenture of Trust forming the Endowment and defining a "rural" community as one in which 1,500 or fewer people resided, motorized vehicles were rare and the population of our state was less than 3 million. Today, people regularly commute long distances to work every day in metropolitan areas, and the population of North Carolina is over 9.5 million. The expanded definition uses RUCA (Rural-Urban Commuting Area) codes developed by the US Department of Agriculture and the federal Office of Rural Health to define "rural" based on commuting patterns around urban areas. Using a numeric scheme, RUCA codes designate the nature (rural or urban, and to what degree) of a specific community by census tract (rather than by county). The staff and Trustees of the Endowment have determined the use RUCA codes to be a good method for defining what is "rural," and are using them to supplement Mr. Duke's historic definition in determining a church's eligibility for grant funding. Churches that are in communities designated "rural" by RUCA code, even if their populations are above 1,500, are now eligible to request an application for grant funding from the Rural Church program area. A list of all eligible churches, including those newly-eligible by RUCA designation, can be found in the "Frequently Asked Questions," or "FAQ's" section of the Rural Church page on the Endowment's website.

*The FAQ's section of The Duke Endowment's Rural Church program area website is a wealth of helpful information about our priorities, our policies and our grant programs,* and we encourage all pastors and lay delegates in the North Carolina Conference to spend some time with it, whether your church is an eligible church or not. It even has a searchable grants database, and you can find it here: <http://dukeendowment.org/faqs/rural-church-faqs>

Part of the information you will find on the FAQ's page is our *new pre-application deadline information* for our *new grant cycles*. For the foreseeable future, the Rural Church Committee of the Endowment Trustees will meet to make grant decisions *in May and October* of each year. Our pre-application deadlines will be November 7th for a May decision, and May 7th for an October decision.

In addition to making grants, we are also blessed to serve clergy through the *Clergy Health Initiative (CHI)*, a partnership of the NC Conference, the Western NC Conference, Duke Divinity School and the Endowment. In the fall of 2010, 1150 pastors enrolled in a program called Spirited Life, which provides clergy with the tools they need to manage stress; learn to care for their bodies in a healthy, mindful way; and find spiritual renewal. The third of three clergy cohorts started the program in January 2013 and will complete it this fall. Though the Spirited Life program will end this year, the research work of the CHI will continue for a few more years and will help inform future work for both conferences, the Divinity School, and the Endowment.

The *Thriving Rural Communities Initiative (TRCI)* is another example of working in partnership with the two conferences and the Divinity School at Duke University. Through the Thriving Rural Communities Initiative, the partners seek to promote the development of transformative leaders for rural ministry and thriving congregations. Rev. Brad Thie, formerly the pastor of a TRCI partner

church, serves as the Director of the TRCI at Duke Divinity School. Rural Ministry Fellows, who receive a full scholarship to Duke Divinity School as well as special colloquia on serving in rural ministry, and who covenant to serve in rural communities for at least 5 years after graduation, are selected through a rigorous process that considers a number of factors. This May, five Rural Fellows from the North Carolina Conference graduated with their M.Div.'s and will begin serving rural congregations this summer. They are Regina Barrow, Adam Brinkley, Debbie Matthis, Brock Meyer, and Sara Beth Pannell. These dynamic rural leaders are another reason why our future looks bright!

In August, we will once again host the *Convocation on the Rural Church*. The theme is "Sabbath Living" and will feature sessions led by Matthew and Nancy Sleeth of Blessed Earth. Matthew is the author of *24/6: Prescription for a Healthier, Happier Life*, and Nancy has written *Almost Amish*. If you can't be with us August 11-13 for Convocation, know that Study Leave is available throughout the year at Duke Divinity and is offered at a significant cost reduction for pastors of Endowment-eligible churches. *Study Leave* allows you to design your own week of learning and gives you access to faculty. It's a wonderful week. If you're interested in learning more, please visit our website.

## Lake Junaluska Assembly, Inc.

For over 100 years Lake Junaluska has been a place of Christian hospitality where lives are transformed through renewal of soul, mind, and body. How grateful we are that throughout our history we have been inextricably linked to the United Methodist Church of the Southeastern Jurisdiction (and its predecessor bodies). Last year we reflected on the number of people who have come to Lake Junaluska in the last century and whose lives were transformed and renewed. While it would be impossible to come up with an exact number we are confident that it is well over one million people. How many other United Methodist organizations would be able to claim that number? We have absolutely been an integral part of fulfilling the mission of the United Methodist Church, to make disciples of Jesus Christ for the transformation of the world.

2013 was, arguably, one of the most significant in our history as we celebrated our centennial. Events were planned and carried out throughout the year that celebrated our glorious past and envisioned our very bright future. People are still buzzing about the experiences they had here in 2013. During the week of July 4th we had 59 events scheduled over eight days and while we had 8 ½ inches of rain not one event was cancelled and everyone who came seemed to have a marvelous time.

For the second year in a row, we ended the year "in the black." This is particularly significant when you realize that in 2009, just four years earlier, we received over 11% of our income for Operations from the Southeastern Jurisdiction through Apportionments and in 2013 we did not receive any Operational Apportionment support. Lake Junaluska has embraced the new financial model that was approved by the 2008 SEJ Conference and will work diligently to always "live within our means." Not only have we ended the last two years "in the black" but we have shared a majority of our "profits" with our staff. In 2012 every employee, adjusted for percentage of full-time hours worked, received \$1,000 (before taxes). In 2013 the average full-time employee received \$1,421 in profit sharing, again, regardless of base pay. In 2013 a quarter of the profit shared was adjusted based on work performance.

2013 was another great year for charitable giving. We received \$801,519 from 1,226 individuals. This represents a 17.5% increase in total giving over 2012 and a 21% increase in number of donors. Since 2009 our Annual Fund giving has increased by over 400% to \$269,633.

Not only was 2013 a great year for Lake Junaluska 2014 promises to be even better. We continue to refine and implement our plans for improvements to our grounds, facilities, and programs. Continued improvements are taking place to the Terrace Hotel. We are making the Jones Dining Hall into a year round facility by replacing windows and adding a heating and air conditioning system. Thanks to the generous support of the Junaluska Associates we are renovating the children's playground at the Wilson Children's Building. We are also building a new boat storage area along with a boat dock and fishing pier just to the north of the swimming pool.

As a member of the United Methodist Church within the Southeastern Jurisdiction we want you to know that "your" asset, Lake Junaluska is doing very well. You can be very proud of this important organization within the jurisdiction and the larger United Methodist Church. We are striving to be good stewards of the resources with which you have entrusted us.

Pick up a copy of our 2014 program, Experience Lake Junaluska, if you do not already have one. Peruse its pages to read about the impact of our programs, to learn about new projects we are working on, and our calendar of events. We do hope you can come and visit us this year to be transformed and renewed in soul, mind, and body.

## **NC Conference Media Center**

The Media Center has added over 550 new resources in the last year including new bible studies, curricula, DVDs, and books through purchases and donations. Resources by Rev. Adam Hamilton dominated the list of most popular items borrowed alongside resources on Methodist basics from United Methodist Communications.

The NC Conference Spiritual Life Team once again generously donated a collection of new resources on spiritual formation. This year's resources mostly focused on Taizé worship and centering prayer. In addition, the SLT provided a second labyrinth and resource kit to allow for greater use of this ministry throughout the conference. The first labyrinth was used 15 times in our conference in 2013. The NC Conference Young Adults Committee also donated a collection of books of interest to young adults and those in ministry with them. These books, along with other relevant resources in the collection, were included on a new Young Adult Resources Subject Guide.

In 2013, the Media Center received 601 requests for resources averaging 4.4 requests per day. Some of these requests were received in person among our 251 visitors. Phone, email, and online catalog requests were evenly matched with around 165 requests through each medium. In total, 1,030 resources were borrowed from our collection that currently stands at 3,700 items. All of these statistics are an increase over 2012.

At Annual Conference, the Media Center again used the display table to give away hundreds of VHS tapes from the collection. The Media Center is weeding VHS tapes as less churches are able to use

them and attempting to replace them with DVD versions or updated material on the same topic. Look for an even larger VHS giveaway at Annual Conference this year as we make room on our shelves for new material.

In July, Laura Dallas, Media Center Associate, presented a workshop at the Church & Synagogue Library Association Annual Conference at Lake Junaluska. The workshop was titled “Beyond the Catalog: Enhancing Your Church Library’s Website.” Participants responded positively to the concepts and tools used in the Media Center’s website.

In cooperation with the Christian Formation Team, the Media Center has been co-sponsoring online book studies using Moodle, an online learning system. We hosted our first Lenten study using Rev. Shane Stanford’s book, *Mosaic: When God Uses All the Pieces*. Just before Advent, we collaborated with the Healthy Families, Healthy Planet Project of the General Board of Church & Society to host an online study on Mary, the mother of Jesus, and maternal health.

For Lent and Advent, the Media Center posted a virtual display of our relevant resources so that folks who could not come to the Media Center in person could still view an attractive list of all of our resources for the season. These virtual displays were hosted on LibraryThing, a popular social networking website where anyone can post their library’s holdings. The Media Center recommends LibraryThing to church libraries that are looking to post their collections online for free.

The Media Center continues to offer a weekly email newsletter that features news, recommendations, reviews, learning opportunities, and a complete list of all new resources at the beginning of each month. Our website continues to feature recommendations, subject guides, Kindle eBooks, online resources, reviews, and church librarian training. Two new subject guides for new believers were added to the list. One guide features resources for new Methodists, and the other includes broader resources for new Christians.

The NC Conference Media Center is open to all churches in the North Carolina Conference. There is no membership fee. We welcomed 9 churches as new clients in 2013. Contact us to let us know how we can help provide Christian resources for bible study, leadership, worship, and more to your congregation.

## Unity Dialogue

United Methodists – brothers and sisters in Christ, clergy and laity we plead with you to “[make] every effort to maintain the unity of the Spirit in the bond of peace” (Ephesians 4:3, NRSV) in The United Methodist Church.

Since 1998, we have been two participants in The Unity Dialogue of the North Carolina Conference. For over fifteen years, this dialogue has theologically discussed and debated matters related to the Church and homosexuality. As elders in our denomination, we have profound disagreements about these matters. One of us is committed to maintaining current church teaching and practice. One of us is committed to revising current church teaching and practice. Even so, with others on The Unity Dialogue, we have remained in dialogue, and in communion with The United Methodist Church. We are two members in the Body of Christ, differently gifted by God for different functions, yet both indelibly marked with the same sign of the cross on our brow. We are convinced that “the eye cannot say to the hand, ‘I have no need of you.’” (I Corinthians 12:21) This Body needs all its members.

Yet The United Methodist Church is now threatened by formal schism over matters related to homosexuality. Clergy are presiding at same-sex ceremonies; complaints are being filed; various responses to those complaints (including church trials and the avoidance of church trials) are occurring; and such responses are spreading a spirit of division and distrust. We United Methodists have forced ourselves into what seems to be an untenable, and even irreconcilable, situation because we have seen ourselves not as siblings in the faith but seemingly as quarreling marriage partners, frustrated, incompatible, and betrayed. Presuming this model of dysfunctional or unfaithful marriage has led us to the brink of exhausted options. Increasingly, real pain is experienced by those who are committed to revising The Book of Discipline and by those who are committed to defending the Discipline. As patience wears thinner by the day, the threat of visible schism grows.

We oppose formal schism in The United Methodist Church. More positively stated, we are committed to the unity of The United Methodist Church. The basis of our primary commitment to unity is Jesus Christ. Into Jesus Christ we, with all members of the Church, were baptized. The same Jesus Christ, before He suffered and died for the sins of the world, prayed for the unity of His Church: “Holy Father, protect them in your name that you have given me, so that they may be one, as we are one....The glory that you have given me I have given them, so that they may be one, as we are one....” (John 17:11,22) Furthermore, we, with all members of our church, have vowed in The Baptismal Covenant to “be loyal to Christ through The United Methodist Church, and do all in [our] power to strengthen its ministries.” (Vow V)

For the sake of Jesus Christ, St. Paul begged Christians to live out unifying loyalty in the Church. “[L]ead a life worthy of your calling...with all humility and gentleness, with patience, bearing with one another in love, making every effort to maintain the unity of the Spirit in the bond of peace. There is one body and one Spirit, just as you were called to the one hope of your calling, one Lord, one faith, one baptism, one God and Father of all, who is above all and through all and in all.” (Ephesians 5:1-6)

In addition, for the sake of Jesus Christ and in the service of unity, John Wesley urged Methodists to practice discernment: “In essentials, unity. In non-essentials, liberty. In all things, charity.”

Focusing on Jesus Christ, we remember (literally, re-member); we are renewed in the truth that the Church is the Body of Christ. As the Head of the Church, Jesus Christ is the Lord of the Church. The Church is Christ’s, not ours. We United Methodists are not powerful owners and decision-making managers of our own church; instead, we are humble servants, called to serve at the bidding of the Lord of the Church. We, mere members of the Body, have neither the authority nor the right to divide what Christ has built in The United Methodist Church.

Therefore, dedicated to the unity of the Church because of Jesus Christ, we believe that the way forward for The United Methodist Church includes meeting the following challenges:

- (1) All United Methodists must “lead a life worthy of the calling,” “[speak] the truth in love,” and “grow up...into Christ.” (Ephesians 4) This mature discipleship most certainly includes: listening in love for the truth God may speak through each other, repenting of our sins, and practicing a penitent spirit.
- (2) All United Methodists must acknowledge and abide by the church order contained in *The Book of Discipline*, which implies:
  - (a) Those United Methodists who defend current church teaching and practice on human sexuality must acknowledge (along with all in the church) that this church teaching and practice will be vigorously tested at General Conferences, and in other venues, in the foreseeable future. For them, “loyal[ty] to Christ through The United Methodist Church” involves proposing and defending, lovingly and persuasively, current church teaching and practice, and if changes are made, abiding by the Discipline as debate continues.
  - (b) Those United Methodists who challenge current church teaching and practice on human sexuality must acknowledge and abide by (along with all in the church) the prescribed means through which The Book of Discipline is emended and amended. For them, “loyal[ty] to Christ through The United Methodist Church” involves proposing, lovingly and persuasively, change in current church teaching and practice. When actions of conscientious objection are employed, disciplinary consequences are to be expected and accepted.

We believe that adherence to these challenges demonstrates “loyal[ty] to Jesus Christ through The United Methodist Church.” While such mutual adherence to these challenges will not immediately solve the crisis in our church, it may allow resolution to emerge in God’s time. Rev. Martin Luther King, Jr. wrote that “justice too long delayed is justice denied” (“Letter from a Birmingham Jail”); and yet, the meaning and requirements of justice emerge only over time -- not as quickly as preferred by all.

By the grace of God, with the guidance of God, and under the judgment of God, let us United Methodists meet this test as one church -- and remain one church -- even as we work through strong disagreements, and discern Christian truth, about human sexuality. Let us not settle for a middle ground of hurried compromise, nor wind up on a divided ground with self-righteous churches. Rather, let us together find the higher ground offered by Jesus Christ, who in The Baptismal Covenant makes us one. Again, the Church is Christ's, not ours.

**\* Hymn of Response.**..... *For All the Saints*

1) For all the saints who've shone your love  
in how they live and where they move,  
for mindful women, caring men,  
accept our gratitude again.

2) For all the saints who loved your name,  
whose faith increased the Savior's fame,  
who sang your songs and shared your word,  
accept our gratitude, good Lord.

3) For all the saints who named your will,  
and showed the kingdom coming still  
through selfless protest, prayer, and praise,  
accept the gratitude we raise.

4) Bless all whose will or name or love  
reflects the grace of heaven above.  
Though unacclaimed by earthly powers,  
your life through theirs has hallowed ours.

### **The Sending Forth**

Therefore, sisters and brothers, since we are surrounded by so great a cloud of witnesses, will you lay aside every weight and the sin that clings so closely, and run with perseverance the race that is set before us?

#### **With God's help, we will.**

Will you take on the mantle and put on the shoes they have left behind and dare to open new ways of ministry across boundaries and beyond limitations?

#### **We take on their mantle and dare to walk in their steps.**

Like those who have gone before us, will you work to thrive in ministry both locally and globally, touching the lives of all of God's people?

#### **With God's help, we will.**

Will you go forth from this place ready to grow from strength to strength, making disciples for Jesus Christ?

#### **We will go and make disciples for Jesus Christ for the transformation of the world.**

Please rise in body and spirit as your are able for our closing hymn

**\*Closing Hymn.** ..... *You Are the Seed*

1) You are the seed that will grow a new spout;  
 you're a star that will shine in the night;  
 you are the yeast and a small grain of salt,  
 a beacon to glow in the dark.  
 You are the dawn that will bring a new day;  
 you're the wheat that will bear golden grain;  
 you are a sting and a soft, gentle touch,  
 my witnesses where'er you go.

*(Refrain)*

*Go, my friends, go to the world, proclaiming love to all,  
 messengers of my forgiving peace, eternal love.  
 Be, my friends, a loyal witness, from the dead I arose;  
 "Lo, I'll be with you forever, till the end of the world."*

2) You are the flame that will lighten the dark,  
 sending sparkles of hope, faith, and love;  
 you are the shepherds to lead the whole world  
 through valleys and pastures of peace.  
 You are the friends that I chose for myself,  
 the word that I want to proclaim.  
 You are the new kingdom built on a rock  
 where justice and truth always reign.

*(Refrain)*

3) You are the life that will nurture the plant;  
 you're the waves in a turbulent sea;  
 yesterday's yeast is beginning to rise,  
 a new loaf of bread it will yield.  
 There is no place for a city to hide,  
 nor a mountain can cover its might;  
 may your good deeds show a world in despair  
 a path that will lead all to God.

*(Refrain)*

**\*Benediction.** ..... Bishop Ward

Alice played the piano and often was the pianist in churches her husband served. Her son visited her shortly before her death. She said she was not playing the piano in the nursing home much but was taking harp lessons. When he asked where she was getting harp instruction and she pointed heavenward with a smile.

## Ellis Jennings Bedsworth

1925-2013

Reverend Ellis Jennings Bedsworth was born in Baltimore, MD on June 25, 1925 to the late Ellis Basil Bedsworth of the Eastern Shore of Maryland and Mary Ward Davis Bedsworth of Marshallberg in Carteret County. His family moved to Marshallberg where he graduated from Smyrna High School. He then attended Louisburg College one year before he transferred to East Carolina Teachers College, graduating in 1945 with a degree in business and history. He worked in Greenville, NC for the Imperial Tobacco Company for seven years. He felt God's call to the ministry but had no way of financing Divinity School. In 1952 God opened a door – he was drafted at the age of 26! On April 5, 1952, he married Betty Ann Shaw, from Weldon. 2 weeks later, he left for boot camp! After 21 months in the Army, his military service provided him with the GI Bill which paid for Divinity School.

Upon his graduation from Duke Divinity School in June of 1957 he received his first appointment, the Vanceboro Circuit (Epworth, Chapman's and Lane's Chapel) churches. He, Betty Ann and their 2½ year old daughter, Brenda, began his over 50 years of service in the North Carolina Conference. After serving this first appointment, in 1959 he went on to serve the Beech Grove Charge (Beech Grove, Clarks and Rhems) until 1961. It was here his son Jay was born. Next he served LaGrange UMC from 1961-1967. In 1967 he was appointed to Trinity UMC in New Bern. From 1973-1986

he was appointed to Bethel UMC. In 1986 Plymouth UMC became what would be his last appointment before retiring in 1991.

In June of 1991 Ellis retired, agreeing to a retired supply appointment to his home church, Trinity Marshallberg and the Smyrna Church. For 17 years he enjoyed serving these people.

Through all of his years of service he treasured being the shepherd of those he loved and who loved him. He said he had never had a bad appointment or congregation. Every place was unique and exciting.

In 2008 Ellis and Betty Ann moved to Greenville, NC, and there he died on July 24, 2013. A "Giant Tree" of faith has left the earth and now dwells with his Father. His funeral was held at Trinity in Marshallberg with the Reverends Karen Howell, Paul Harris and Ron Estes officiating. Interment followed in Victoria Cemetery. They were married in 1954, and enjoyed a wonderful life together until her death, March 20, 2005. They were blessed with a daughter and a son.

I first came to know Billy when we served adjoining parishes in Durham. He was one of the gentlest and kindest men I have ever known. Billy wanted everyone to know that his name was not William "but just plain Billy." He often shared how he had a good life, working for Central Carolina Bank in Durham, but then at a revival service at Carr United Methodist in Durham, he answered the call to preach the gospel and prepared to go back to school.

Billy received his A.B. degree from Duke in 1960 and his M.Div. from the Divinity School in 1963. He also did further study at Royal Holloway College in London.

He began his ministry at Maybrook-Massey as a student, and went on to serve thirty-three years in the North Carolina Annual Conference. He was ordained an elder in 1963. His service record is attached.

He retired in 1994, and he and Peggy moved to their home on Hyco Lake where he could pursue his love of fishing. *Deep in our hearts a memory is kept,  
Of one we loved and shall never forget.  
God will link the broken chain,  
As one by one we meet again.  
In our hearts he will always stay,  
Loved and remembered every day.*

The words of Proverbs 31 come to mind as we think of Miss Maude:

*Who can find a virtuous woman? for her price is far above rubies.  
The heart of her husband doth safely trust in her, so that he shall have no need of spoil.  
She openeth her mouth with wisdom; and in her tongue is the law of kindness.  
She looketh well to the ways of her household, and eateth not the bread of idleness.  
Her children arise up, and call her blessed; her husband also, and he praiseth her.  
Many daughters have done virtuously, but thou excellest them all.*

She graduated from Grantham High School and Hardbarger's Business College prior to working for the Federal Government in Washington, DC, Charlottesville, VA and Seymour Johnson AFB in Goldsboro.

Elizabeth and Jean grew up across the swamp from each other. They graduated from school together and were married on February 10, 1946 sharing nearly 68 years of happiness.

The couple settled into farming and were blessed with three children during the early years of marriage. Elizabeth was a very supportive wife when Jean was called into the ministry. She served in rolls as choir director, secretary, United Methodist Women's leader, children's ministry and many other rolls. She especially enjoyed singing in the choir and playing the piano.

After retirement, Elizabeth and Jean enjoyed moving back to the farm and living in her old homeplace, which they moved to their farm. It was a joy to her to be able to remodel the house and make a scrapbook of the history of the house. She loved having people visit and learn the history, hosting family reunions there and swinging or rocking on the front porch. She lived there until she had to go to Assisted Living.

## Henrietta Jackson

1924 - 2014

Henrietta Jackson, age 89, passed away on January 17, 2014, after a period of declining health due to gastric cancer. Henrietta was born May 18, 1924 on a farm in the Bear Creek community of Onslow County, near Swansboro, NC. She was the youngest of three children born to Edgar Isaac Riggs and Edith Ann Matthews Riggs. She was predeceased in death by her beloved husband of 59 years, the Rev. Lester P. Jackson, Jr., her parents, her sister, and her brother.

Church was always a large part of Henrietta's life. Her earliest memories took place in her home church of Oak Grove United Methodist Church, where she was active in the conference youth program. She was also active in the 4H club. Henrietta graduated from Swansboro High School, where she played basketball. After graduating from high school, Henrietta went to a branch of William and Mary in Norfolk, VA. While there, Pearl Harbor was attacked, so when that school year ended, she stayed at home for a year working for the US Navy Medical Department at the newly created Camp Lejeune Marine Base, less than a mile from her home. She helped print and put out materials that were sent with the troops to aid them in the South Pacific.

After a year working with the Navy, Henrietta went to Duke University as both a student, and to work with the North Carolina Methodist Conference, which was located on the Duke campus at the time. Shortly thereafter, she met Lester P. Jackson, Jr. and they were married December 27, 1945. Duke always held a very special place in her heart; especially Duke Gardens where Lester proposed to her. They had one daughter, Eleanor Ann Jackson.

If Henrietta has a motto, it would be to leave every place better than she found it. To that end, every parsonage was left cleaner than she found it, and every parsonage yard was left prettier than she found it, with many colorful flowers adding beauty wherever she went, as gardening was a large part of Henrietta's life. In the neighborhood where she and Lester retired, she was known as the "the flower lady." She gave away flowers and bulbs in large quantities to anyone who asked. Her irises are spread over several counties.

Henrietta worked alongside Lester in all of his churches over their 43-year ministry. They were a team, working together for the Lord and His people. She was totally selfless person, who always put everyone else's needs ahead of her own. She was a kind, gentle, quiet person, who couldn't stand to be in the spotlight. She avoided cameras, praise, and snakes. She loved animals of every kind, but cats in particular. She always volunteered to pet sit for her grandcats through the years, and thoroughly enjoyed them. They certainly all loved her. She was passionate about environmental causes, believing that humanity should take care of the Earth, God's creation.

She is survived by her daughter Eleanor Jackson Settle and her son-in-law Donald T. Settle, of Raleigh, her cat, Prince, and her grandcat Emma.

Both Henrietta and Lester wanted to donate their bodies to the Anatomical Gifts Program at Duke Medical Center. There, medical students study the human body and all its organs to aid them in becoming the best doctors they can possibly be. Lester achieved that goal in 2005. Henrietta's body was also accepted into that program. Each donor is treated with great dignity and respect. After approximately a year, their ashes will be mingled together, per their request, and scattered in Duke Forest.

A Memorial service will be held at The Cremation Society of the Carolinas on Saturday, February 1, 2014 at 2:00 PM, with visitation at 1:00 PM. The address is 2205 E. Millbrook Rd., Raleigh, NC (919-571-3300), on the corner of Millbrook Rd. and Alpinis Dr. Please do not send flowers. Henrietta had many charities that she loved to support, but her favorites were UMCOR (United Methodist Committee on Relief) – PO Box 9068, New York, NY 10087-9068, ZOE Ministry – 700 Waterfield Ridge Place, Garner, NC 27529, and many, many animal welfare organizations and environmental organizations.

*And let this feeble body fail,  
And let it droop and die;  
My soul shall quit the mournful vale,  
And soar to worlds on high;  
Shall join the disembodied saints,  
And find its long sought rest,  
That only bliss for which it pants,  
In my Redeemer's breast.*

*O what are all my sufferings here,  
If, Lord, Thou count me meet  
With that enraptured host to appear,  
And worship at Thy feet!  
Give joy or grief, give ease or pain,  
Take life or friends away,  
But let me find them all again  
In that eternal day.*

## Alonzo (Al) Parrish III

1938 - 2013

Alonzo (Al) Parrish III, husband of Rev. Carrie W. Parrish (Harbor District, retired) died September 27, 2013 at his home in Stedman, NC. He was born June 22, 1938 in Benson, NC to Alonzo Parrish Jr. and Magolene Allen Parrish. Carrie and Al were married on June 14, 1969 and were blessed by the births of their daughters, Julia Parrish Riddle and Margaret Parrish Colvin.

Al and Carrie began their journey in ministry at the South River Charge in the Fayetteville District in 1978. What began as a "part-time, interim" appointment became ten blessed years of serving, loving and growing among God's people at Bethany, Bethabara and Halls United Methodist churches. Al could be spotted in worship with one-year-old Margaret on his lap and five-year-old Julia sitting closely beside him. As the children grew and the appointments changed, this image became the trademark picture for this pastoral family.

Carrie served as pastor at Roseboro UMC and chaplain at Methodist College (University). MC students were often found at the Parrish home, and Al became known as "Big Daddy P." Upon retiring from full-time service, Carrie returned to Halls UMC (as a part-time retired supply pastor) for eleven wonderful years. Al felt especially at home during this time, and was faithfully involved until declining health and death claimed him.

Al's passion was teaching. As a high school mathematics instructor for twenty-five years, he earned the reputation among his students as "the teacher who could get math out of a turnip." He was masterful in helping struggling students understand and succeed. He could often be found in the Parrish family's den, tutoring numerous youth from the neighborhood, the school, the college. He was especially sensitive to students who were economically, socially or otherwise disadvantaged. He was a compassionate mentor who encouraged them to believe in themselves.

Al helped many students transition into college. He would walk them through the application and financial aid paperwork, make countless phone calls to campus officials and set up interviews for the students. He would drive them to the colleges and make sure all details were covered and questions answered. In his last months with us, numbers of young people he helped came by to see him. A service of death and resurrection was held for Al on September 30, 2014 at Cokesbury UMC in Stedman, NC. The Reverend James Koo, pastor, led the service, and the Reverend Frances Daniel, superintendent of the Harbor District UMC, brought the sermon. The Reverend Carrie W. Parrish gave a witness on behalf of the family.

In addition to Carrie, Al is survived by his daughters, Julia Parrish Riddle and Margaret Parrish Colvin. His grandchildren are Anna Elizabeth Riddle, Zachery Parrish Riddle, James Terry (J.T.) Riddle, Ava Grace Colvin and Madalyn Julia Colvin.

We miss him but count our blessings. He served God. He adored his children, doted over his grandchildren and was a faithful partner in ministry with Carrie. God is good.

Carrie, Julia and Margaret

## **Lloyd Graham Royall, Sr.**

1939 - 2013

Lloyd Graham Royall, Sr., was born on January 4, 1939, in Goldsboro, NC. Graham died on July 18, 2013 at home following an extended illness. It was a sweet time with his family and friends with him during his final days. A service celebrating his life and ministry was held at Pinetops United Methodist Church. A marker is placed in his memory at his home church, Providence United Methodist Church, Goldsboro, NC.

When Graham was a very young boy, one Sunday he began “helping” the preacher. When his embarrassed dad got up to take him out, the minister stopped him, saying, “Don’t take him out; he might be a preacher some day.” He married his high school sweetheart, Virginia Lou Davis, and he answered the call to ministry when he was a young adult with two small children.

Graham loved the Lord and took very seriously the privilege of sharing God’s love and his word wherever he served. He loved his family and all people and had the gift of making those in his presence feel special. He loved nature and wildlife and had a passion for painting and wildlife carving.

Graham especially loved rural areas. He faithfully served the following churches: Harlowe-Oak Grove; Calvary; Cumberland; Hubert-Oak Grove; Fair Bluff-Cerro Gordo; St. Pauls; Vass-Cameron; Vanceboro; Pinetops-Temperance Hall; and post-retirement at Red Oak and Grifton.

He is survived by his wife of 55 years, Virginia, who lives in their home in Pinetops; sons, Lloyd G. Royall, Jr., and wife Shirley, of Lake Waccamaw; Dan Royall of Wilmington; daughter, Janice Royall Garland and husband, Mike, of Asheville; brother, Bill Royall, and wife, Lisa, of Goldsboro; grandchildren, Donna Parker, Wyatt and Mackenzie Royall, great granddaughter, Haley Parker, and several very special nieces and nephews. He was preceded in death by his parents, James Lloyd and Elizabeth J. Royall, and a brother, Bobby Royall.

Walter graduated from Durham High School in 1952. He earned a Bachelor of Arts degree from Duke University in 1956. While in college his beautiful baritone voice graced the Duke Men's Glee

Club. After Duke, Walter married his high school sweetheart and moved to Massachusetts where he served in the Navy for the next two years assigned to the Office of Naval Research in Boston.

The Weavers returned to Durham in 1958 and he entered the Duke Divinity School where he received his Bachelor of Divinity degree in 1962. He received his Ph.D. from Drew University in New Testament in 1968.

I first came to know him through his work at Florida Southern. His leadership brought national and international scholars to Lakeland to participate in symposiums and seminars. ## Denny Claude Wise

1941 - 2013

Denny Claude Wise was born October 7, 1942 to the Reverend Wilford Denny Wise and Hulda Balance Wise of Manteo. Denny began his life as a fun-loving little guy with sand between his toes. He loved all things coastal. But at age 10, his father decided to put down his meat cleaver (he was a butcher in his father's supermarket) and pick up the Bible. All of a sudden, young Denny was cast into the fishbowl life of a "preacher's kid."

He graduated from Whiteville High School with honors in science. From there he went onto North Carolina Wesleyan with but one thought...he was not sure what his career would be, but he knew for sure he would NEVER be a preacher. But a professor at Wesleyan recognized his talent and turned him around. He graduated with a double major in religion and psychology realizing that his true calling WAS to the ministry. He had lived at home during his college years, so he decided to go to Candler School of Theology at Emory University in Atlanta, GA. This changed after his first year as his father became ill and Denny had to transfer to Duke Divinity School – where his great love of all things DUKE began.

As a Duke Endowment summer intern, he was sent to First UMC of Graham. There he met the love of his life, Judy Bason. They had a whirlwind courtship of exactly 34 days before marrying and moving to Durham to finish his 3rd year. After graduation, they lived the itinerate life of the Methodist minister for the next 40 years...serving churches all over the Conference... from Burlington to Wilmington and from Oxford to Laurinburg. Denny loved the people he was sent to serve and he tried to teach them the theology that had nourished him...relational theology.

Denny was diagnosed with Lymphoma in 1999. He had numerous rounds of chemotherapy every year following, but in all that time, he never missed a service or a meeting because of his illness.

Denny was a remarkable man with a very bright mind. He worked hard, was always fair and would never think of cheating anyone.

He retired in 2006 to Graham, NC. In his retirement, he worked on his book which was finally published in 2014, called SUGAR- FREE RELIGION. He, spent more time with his family, did some traveling, went on several cruises and enjoyed helping with anything needed in his church. He portrayed characters in dramas, taught bible studies, taught Sunday school and occasionally did what he loved best—preach!

Denny died December 19, 2013 after a year of intense chemo and radiation. He is survived by his adoring wife, Judy, his son, Patrick (Christie) of Norcross, GA and his grandsons, Cameron, Connor and Jose, who were his heart's delight. He is also survived by his sister Wanda Sanseri (Gary), of Portland, Oregon and their three sons.

We will miss him forever.

## 2014-2015 Alphabetical Roll Of Clergy

## In The NC Conference With Status And Pastoral Record

Note: This was formerly the Chronological Roll and is now alphabetically arranged for greater convenience and to provide a listing of the service records of conference clergy, both active and retired. These records include only service in the North Carolina Conference. Note that service years vary in value and the Conference Board of Pensions evaluates each year of service in terms of annuity credit. The figures in the far right hand column indicate the number of years service under episcopal appointment to the North Carolina Conference, after being received into the Conference. All questions concerning years applicable to annuity credits should be directed to the Board of Pensions.
