# Special Standing Rules of Order for Annual Conference 2021

## I. Rules of Order and Procedure

### A. Applicability of these Conference Rules

1. These special standing rules for the North Carolina Annual Conference of The United Methodist Church shall apply to the 2021 annual conference events as scheduled by the bishop.
2. The terms "North Carolina Annual Conference," "Annual Conference," or "Conference" [note the capital letters] refer to The North Carolina Annual Conference of The United Methodist Church. These terms refer to an organization. The term "annual conference" [in lower-case letters] refers to the yearly assembly, usually occupying several days in June, at which the North Carolina Annual Conference gathers to worship God and conduct business. The term *session* refers to one assembly of the North Carolina Annual Conference occurring on any part of one of those days or for a special or called session.
3. These special standing rules shall become effective immediately upon majority approval by the annual conference members by a manner determined by the conference secretary.
4. The Agenda of the Annual Conference shall be one that is published in the Conference Workbook, and which will be online at the annual conference website, and that may be changed from time to time, as needed by the presiding officer.
5. The bar of annual conference shall be those members of the annual conference (as defined by the *Book of Discipline*) who are present and voting by electronic means.
6. The Official Record of the Attendees of the Annual Conference shall be the Registrations recorded by the Conference Registrar via the online meeting platform.

## NC Conference Lay Equalization Plan

### ***For consideration at annual conference 2021 for implementation before annual conference 2022***

The annual conference is “the basic body in the Church” (The Book of Discipline paragraph 33). It is composed of an equal number of clergy (active & retired) and lay members, who cast vision, prioritize ministry, and resource mission. In order to have balanced representation, each annual conference designs and implements an equalization plan. Below is the process for the nomination and election of At-Large Lay Members for the NC Annual Conference. This plan is intended to bring a diversity of laity to the decision making process. ## Africa University

The opportunity to update and thank the members of the North Carolina Conference is a joy.

Africa University is deeply grateful to the local congregations of the North Carolina Conference for investing 100 percent of the asking to the Africa University Fund in 2020. Thank you for supporting the ministry of Africa University with such faithfulness and generosity. By giving as you do, even in difficult times, North Carolina United Methodist congregations are a source of inspiration, momentum, and strength.

The multilayered impact of COVID-19 and the measures instituted to control the public health crisis it engendered have brought about profound and lasting adjustments in how we live, work, serve and connect. For Africa University, these include:

- **A shift to online-only teaching and learning from late March through December 2020.** Online teaching and remote work required more equipment and training for faculty and staff as well as creative actions to ensure consistent internet access for the students, regardless of location. As the only university in Zimbabwe accredited to offer online degrees, Africa University had the infrastructure and expertise to transition smoothly and break new ground with competency-based student assessment tools.
- **Gifts totaling more than \$300,000 from across the United Methodist connection were designated for COVID-19 relief efforts.** These second-mile gifts enabled Africa University to care for around 300 international students who were stranded on its campus between March and late July 2020.
- **Excellent student retention and modest enrollment growth**, with a 99 percent uptake of online learning by students. More than 3,000 students enrolled for the 2020-2021 academic year—an increase of 16% over the previous year—with 2,395 young people studying full-time. Fifty-seven percent of full-time students were female and 24% were international.
- **Innovation, outreach, and service** through:
  - The development and distribution of masks and hand sanitizer (of its own design/formulation), that are now been certified for commercial production.
  - The launch, via a web application, of farm to household delivery of fresh produce, meat and poultry products by the Africa University Dream Farm Trust.
  - Two student-led initiatives—Feed a Family and Ben Hill UMC Women’s Residence Girl Child Support Program—that provided medical care, food, and school fees assistance to vulnerable families in the wider community. Campus-based and home-based students gave up meals, raised resources, procured supplies, and organized safe distribution to families.
- **The successful completion of two new buildings**—the Highland Park UMC-funded student union facility and a dormitory for female students. A new solar farm powers the Highland Park women’s dormitory.

Africa University’s online campus is here to stay, thanks to infrastructure upgrades and the

lessons learned in 2020. Adaptability and a consistently high-quality of service delivery have made Africa University number one in Zimbabwe and 39th among the continent's top 200 universities. Going forward, Africa University is committed to growing its pan-African presence and impact through new programs, partnerships, and an effective blend of in-person and online learning options.

Thank you, North Carolina United Methodists, for helping to prepare young leaders to be “an aroma that brings life” to a world that is crying out for justice, compassion, healing, and wholeness (2 Corinthians 2:14-16). Your prayers and gifts provide a strong foundation for the efforts of the students, lecturers, and administrators as they engage in disciple-making by example.

By maintaining a 100 percent investment to the Africa University Fund as its tradition, the North Carolina Conference helps Africa University to transform lives and grow vibrant, worshipping communities. In journeying alongside Africa University in ministry and mission, North Carolina United Methodists are the church in the world—seeding hope and sharing the love of Christ. **You affirm that when we are all in it together, God's grace is indeed sufficient.** To God be the glory.

—James H. Salley, Associate Vice Chancellor for Institutional Advancement  
Africa University Development Office

## Candler School of Theology

Since our founding in 1914, Candler School of Theology at Emory University has educated more than 10,000 students, shaping thoughtful, principled, and courageous leaders dedicated to transforming the world in the name of Jesus Christ. We continued our work even through this most difficult year, with the coronavirus continuing its march around the world, a reckoning for racial injustice rolling across our nation, and a toxic, divisive political atmosphere challenging our civic life. Perhaps there has been no better year than this to underscore the importance of faithful and creative leaders for the church's ministries throughout the world—the type of leaders we form at Candler.

Though our mission remains unchanged, the pandemic has necessitated many changes in how we undertake that mission: We have shifted classes online, redesigned syllabi to support optimal online learning, developed new ways to worship and experience community together in the virtual sphere, and discerned which new habits and modalities have promise for enriching our work even after the pandemic ends. Through these efforts, we and our students have gained deep experience in being flexible, adaptable, and creative as we respond to the demands of ever-changing contexts—experience that not only serves us well now, but will continue to serve us and our ministries far into the future.

Candler is one of 13 official seminaries of The United Methodist Church, yet true to the Methodist tradition of ecumenical openness, we enthusiastically welcome students from 44 denominations, with 46% of MDiv students coming from the Wesleyan tradition. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 483 from 12 countries and 37 states, 44 percent persons of color (U.S.), and a median age of 27 among MDivs. This diversity is a rich blessing, and this year we created a new staff position of assistant director of student life

for diversity, equity and inclusion to foster understanding and ensure we are responsive to the needs of our diverse student body.

We offer six single degrees (MDiv, MTS, MRL MRPL, ThM, DMin) and ten dual degrees. Our Doctor of Ministry degree is 90 percent online, so students can remain in their places of ministry while completing their degrees. Our new Chaplaincy concentration is now among our most popular, and our Teaching Parish program enables students to serve as student pastors in local churches throughout the southeast, learning firsthand about shepherding a congregation; this year, there were 36 participants.

Alleviating student debt through generous financial aid remains among our top priorities. In 2019-2020, we awarded nearly \$6.6 million in financial aid, with 100% of MDiv and 98% of all students receiving support. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, and master of religious leadership students who are enrolled part-time or more receive a scholarship covering at least 50% of tuition for the length of their program.

The demands of the pandemic did not diminish Candler's robust schedule of events. Candler's Black Church Studies program celebrated its 30th anniversary with a yearlong slate of online lectures and panel discussions, now available at [vimeo.com/candler](https://vimeo.com/candler). We also launched The Candler Foundry to make theological education accessible to all, through short and semester-length courses taught by Candler faculty, videos and discussion guides to spark conversation in groups or one-on-one, and Facebook Live panel discussions connecting theology with current issues in the world. View the latest offerings at [candlerfoundry.emory.edu](https://candlerfoundry.emory.edu).

Candler's ability to fulfill our mission of educating faithful and creative leaders for the church's ministries throughout the world depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this vital ministry in the life of our denomination. We invite you to visit us online at [candler.emory.edu](https://candler.emory.edu).

## Center for Leadership Excellence

**A pandemic year's worth of equipping...** During a year like no other, the Center for Leadership Excellence has been striving to adapt and adjust to new opportunities by connecting church leaders with topical experts in virtual settings. In the past year, this is how we have resourced our conference:

### **Nearly 40 online events, including webinars, workshops, and Days of Learning**

Content about preaching in a pandemic, mental health, leading during liminal times, effective online worship, and more.

### **Almost 3,000 participants attending the 40 events**

Connections made across states, across denominations, and literally across the globe.

**We also continued:**

**The Leadership Fellows Program** 2020-2021 cohort has continued to meet online and have felt similar connections and relationship with one another through a covenant learning community.

Encouragements is a monthly mailing written by women for women intended to give clergy a chance to reflect and take action on topics relevant specifically to them.

## Clergy Care Grants

Financial aid is available to both clergy and diaconal ministers and their families, as described in the section below entitled, *“Eligibility for Financial Grants”*. The financial grants, of up to \$400 per family per calendar year, are provided to help cover one-half of the co pay cost of counseling sessions. Ministers under the NC Conference health insurance program should review the Health Care Benefits for outpatient psychiatric care. The coordination of insurance benefits and Clergy Care Grants should not exceed 100% of fees charged.

## Marriage and Family Enrichment

The Committee on Clergy Care encourages participation in marriage and family enrichment events, including those focusing on the needs of single, as well as married ministers. Grants up to \$100 per individual, or \$200 per family or couple, per calendar year, are available. A schedule and/or outline of the events, leaders’ names and credentials and verification of participation should accompany a letter of application for the grant.

## Eligibility for Financial Grants

**Persons who qualify for financial grants:**

1. Clergy who are members of the NC Annual Conference whose status is active and serving within the boundaries of the Conference, or any person, regardless of conference relationship, who is serving a local church of the NC Annual Conference, or a dependent.
2. Diaconal ministers and or candidates who are serving a local church and are members of the NC Conference.

Conference clergy and diaconal ministers and their families are eligible for grants. A family is defined as dependents of the minister living in a minister's home or parsonage, including spouse, children, parents and grandparents. Ministers' children through the age of 22, whether attending college or living at home, are eligible to receive financial grants.

## **Counselors and Therapists Who qualify for Financial Grants**

Only counselors and therapists who meet the following criteria qualify to receive grants from the Committee on Clergy Care:

*Psychiatrist:* American Medical Association (AMA) Board Certification, North Carolina License

*Social Worker:* Member Association of Certified Social Workers (ACSW).

## **Application Procedure**

The Counselor or therapist, at the request of the qualifying client who is receiving the counseling, is to make application for a grant to the Office of Ministerial Relations in the following manner:

1. <https://nccumc.org/ministerial-relations/files/Mental-Health-Financial-Assistance.pdf> or via email to [heidi.seifert@nccumc.org](mailto:heidi.seifert@nccumc.org) or USPS mail to the Office of Ministerial Relations, 700 Waterfield Ridge Place, Garner, NC 27529, or by calling either 919-779-6115 or 800-849-4433, ext 244.
2. Once the application and instructions for a Clergy Care Grant are received by the counselor/therapist, and a determination is made that the client qualifies, the application should be completed and returned to the Office of Ministerial Relations for processing. To protect the confidentiality of the client, the client's name and social security number shall never appear on the application. When more than one member of the client's family is involved in counseling, all family members shall be assigned the same case number.
3. The counselor/therapist will receive the financial aid grant on behalf of the client to apply to the client's account or to refund to the client if the account has already been paid. Clients should request from the therapist a statement showing the amount of financial assistance received.
4. The deadline for submitting grant applications is in late December of the calendar year in which the services were provided.

In 2020, the Committee on Pastoral Care granted \$13,874.24 for counseling sessions. This represents sessions with counselors and therapists during the calendar year. Grants processed in 2020 totaled 61, representing sessions for clergy, spouses, children, family and couples. Of the

grants, 14 received the maximum of \$400 in assistance and 17 received at least half to two-thirds of the maximum grant.

## **Clergy Medical Leave, Joint Committee on**

The Joint Committee on Clergy Medical Leave acts as the advocate for those pastors in the North Carolina Conference who are forced by physical or emotional medical and disabling conditions to seek temporary or permanent relief from their appointment. The committee is given the responsibility to study the problems of clergy medical leave within the Conference, to provide a continuing personal ministry to those clergy on medical leave, and to make recommendations to the appropriate agencies of the Conference for each pastor or deacon seeking Clergy Medical Leave, including the source of their disability income. The Joint Committee on Clergy Medical Leave routinely studies the utilization of medical leave benefits in our annual conference and how our utilization compares to denominational and jurisdictional averages. The committee will continue to monitor resource levels needed to fund medical leave benefits as one part of efforts to ensure the long-term sustainability of our support for clergy on medical leave.

Persons interested in discovering more about the process of being granted Clergy Medical Leave can contact a district superintendent or the chair of the Joint Committee on Clergy Medical Leave.

The following recommendations are presented to the 2021 session of the North Carolina Annual Conference:

### **I. General Policies**

- A. The Joint Committee on Clergy Medical Leave, through the Conference Treasurer's Office, will make available upon request the necessary forms for any full-time or three-quarter time pastor or deacon to make application for Clergy Medical Leave. In all cases the applications must be completed by the pastor or deacon, chair of the Joint Committee on Clergy Medical Leave, Conference benefits officer, and the district superintendent before the request for Clergy Medical Leave can be acted upon. Whenever possible medical leave requests are to be submitted ninety (90) days prior to Annual Conference except in life-threatening situations after that date, or when the disabling condition occurs after that date. Requests presented before May 15 will be included in the Committee's report to the Annual Conference.
- B. Definition of Disability: For the first 24 months, an active participant will be considered disabled for the purposes of the Comprehensive Protection Plan or UMLifeOptions as of the date the Administrator determines, on the basis of medical evidence, that such active participant was unable to perform the usual and customary duties of his/her employment by reason of bodily injury, disease, or behavioral illness or disorder that will presumably last for at least six continuous months, exclusive of any incapacity resulting from service in the armed forces of any country, warfare, intentionally self-inflicted injury, or participation in any criminal or unlawful act.
- C. Definition of Clergy: Clergy in The United Methodist Church are individuals who serve

as commissioned ministers, deacons, elders, and local pastors under appointment of a bishop (full and part-time), who hold membership in an annual conference, and who are commissioned, ordained, or licensed.

- D. A pastor or deacon seeking to be on Clergy Medical Leave secures a disability claim kit from the Conference Treasurer's Office. The applicant completes Form A, completes the applicant's portion of Form C, and submits these forms to the Conference Treasurer's Office for completion. Lincoln Financial reviews the claim and recommends a determination to Wespath Benefits and Investments (Wespath) who retains the authority to approve or deny a claim.
- E. We recommend that pastors applying for Clergy Medical Leave be approved only when Wespath grants their request for medical leave benefits through the Comprehensive Protection Plan.
- F. The Annual Conference and Conference Board of Pension (effective January 1, 2007) will fund pension contributions for the Clergy Retirement Security Program Defined Benefit Plan in the required annual payment for normal cost as defined by the plan document and Wespath for all pastors receiving medical leave benefits from the Comprehensive Protection Plan.
- G. The Comprehensive Protection Plan (effective January 1, 2007) will fund contributions for the Comprehensive Protection Plan and the Clergy Retirement Security Program Defined Contribution Plan, which is 3% of plan compensation as defined by the plan document and Wespath, for all pastors receiving medical leave benefits from the Comprehensive Protection Plan.
- H. Health Insurance and Life Insurance benefits are subject to the policies outlined in Section III below.
- I. Pastors on Clergy Medical Leave are required to file for Social Security benefits within 60 days of the effective date of approved Clergy Medical Leave. Failure to do so will result in decreased benefits. Participation in Medicare Part A and B is required at the earliest possible date in order to receive the best health insurance benefits. Participants who choose not to participate in Medicare Part B at that date will receive the same contribution towards the health insurance premium as if they were retired. Refer to Section III regarding benefits.
- J. A lump sum grant of \$5,000 is recommended to be made at the beginning of Clergy Medical Leave. This grant will be available only one time in a pastor's years of service.
- K. The Joint Committee on Clergy Medical Leave will review the progress of each pastor or deacon on Clergy Medical Leave at least annually. This review will include both recommendations from the pastor's physician and district superintendent as well as opportunities for continuing fellowship with the pastor to develop further possibilities of assistance in his/her disabling circumstances.
- L. We recommend the following pastors to be continued on Clergy Medical Leave:
  - 1. David J. Beck, Pleasant Hill (Robbins) CC, Fairway District

2. Vernon Brown, Verona (Jacksonville) CC, Sound District
  3. Marty Cauley, First UMC (Rocky Mount) CC, Heritage District
  4. John M. Crowe, (St. James Greenville) CC, Sound District
  5. Eldrick Davis, Harry Hosier (Fayetteville) CC, Gateway District
  6. Annette Ethridge, Open Table (Raleigh) CC, Capital District
  7. Penny Dollar Farmer, Bayboro (Bayboro) CC, Sound District
  8. Michael David Gira, North Raleigh (Raleigh) CC, Capital District
  9. David William Girod, First (Elon) CC, Corridor District
  10. Al Hocutt, Horne Memorial (Clayton) CC, Capital District
  11. Ronda Lee-Torres, Pinehurst (Pinehurst) CC, Fairway District
  12. Charles Moseley, Oriental (Oriental) CC, Sound District
  13. Benjamin Sims, Warren's Grove (Roxboro) CC, Corridor District
  14. David C. Wade, Pine Valley (Wilmington) CC, Harbor District
- M. We recommend the following pastors to be placed on Clergy Medical Leave for the first time:  
NONE
- N. Who has been placed on Clergy Medical Leave since the last Annual Conference?  
David Beck
- O. Who have had their Clergy Medical Leave terminated since the last conference session?  
Bob Bauman
- P. Who are to be removed from Clergy Medical Leave at this Annual Conference?  
Jodi Lampley Gonzalez  
Terry Hobbs  
William W. Snotherly, Jr.  
Clinton William Spence
- Q. We recommend that pastors and congregations in the communities in which our disabled pastors reside seek to establish a supportive relationship with those on Clergy Medical Leave to maintain good fellowship and provide for pastoral opportunities.

## Church and Society, Board of

The driving impulse behind the Board of Church and Society in this quadrennium is the promotion of learning and worshiping around themes of Biblical justice – or, the justice that God embodies and calls us to embody in Scripture. Discipleship that includes serving those and advocating for those who have been relegated to the margins of our community is more well-rounded discipleship. Advocacy and justice ministries are biblically-based and should be part of every Methodist's holiness of heart and life. In furtherance of this goal, the BCS and the laity and clergy of the NCC offered online, recorded Advent Evening Prayer services in 2020. With the prophets as our guide, we prayed and listened together, learning from one another. We pray that the time was enriching and enlivening for those who participated. As we look forward to the fall of 2021, your BCS will be offering a Conference-wide online Bible study open to anyone who is interested in searching the Scriptures as a way to include justice ministry in our personal discipleship and communal life together. Stay tuned to Conference communications for more information later in the summer.

The Board of Church and Society administers the Jack and Kay Crum Award that celebrates prophetic ministry in our Conference. In 2020/21, the BCS gifted the Crum Award to the following organizations:

- The Feast Gathering in Wilmington advocating for the unhoused population;
- Bridges Puentes in the Raleigh-area advocating for the Latinx community;
- The Encouraging Place in the Raleigh-area advocating for racial reconciliation;
- and, the Justice For Our Neighbors Clinic in Fayetteville advocating for immigrant rights

and protections.

The Crum Award is given on a rolling basis through applications or nominations. Contact Rev. Molly White at [molly.white@nccumc.org](mailto:molly.white@nccumc.org) for more information.

The Board of Church and Society administers the Peace with Justice Grant on behalf of the Conference. The Peace with Justice Grant focuses on social justice in particular militarism, human rights, systemic poverty, and inequalities based on race, ethnicity, and indigenous cultural identification. The Grant is awarded on a rolling basis. Grant information is available at [nccumc.org/christianinformation/church-and-society/peace-with-justice/](http://nccumc.org/christianinformation/church-and-society/peace-with-justice/).

The Board of Church and Society seeks to build connections between the General Conference, the North Carolina Conference, and local churches by promoting and providing education around the Social Principles and our Conference emphases. If you are looking for support for your local church's social justice group, to start a social justice group in your local church, or to connect with other social justice groups, the NCCUMC Board of Church and Society would like to help! ## Conference Connectional Table

In partnership with the bishop and in collaboration with the Cabinet, the work of the Connectional Table is to vision, focus, and guide the mission and ministry of the annual conference.

The Table develops and nurtures relationships and connections among the local, district, annual conference, and general church ministries. We provide encouragement, coordination, and support for the ministries of nurture, outreach, and witness. Additionally, we work to develop and strengthen ethnic ministries. In short, your ministry is our ministry, aiding in resourcing and sustaining healthy congregations and effective leaders, who empowered by God's Spirit, make disciples of Jesus Christ for the transformation of the world.

The years 2020 and 2021 have brought an incredible set of challenges for our Connectional Ministries and the NC Conference. With a global pandemic necessitating virtual worship/trainings/meetings/and some ministry, adaptation and creativity have been key parameters of effective work. The CCT has worked diligently focusing on our 5 priorities of ministry:

- Effective Leaders
- Healthy Congregations
- Congregations for Children
- Anti-Racism
- Unity

while seeking to provide needed tools and innovative solutions for congregations and ministry committees.

Wherein it is not possible to narrate the expansive and innovative work of the Conference Connectional Table (CCT) during the past year of pandemic and increasing levels of violence and violation against Black and Brown people, following are some of actions taken by your Conference Connectional Table. More detailed information covering many of these actions are found in the

various reports from Connectional Ministries offices and committees.

- Continued to provide updated COVID-19 guidance, put forth guidance for returning to in-person worship, expanded our ZOOM account offerings and information to local congregations, made available expanded resources for parents in local congregations, and created videos to encourage people to be vaccinated.
- In creative work with the Bishop and Leadership Team, we arrived at Isaiah 58 and the beautiful image of a well-watered garden as our scriptural theme for the year. Like Isaiah, amid wondering how to worship in hard spaces and times, we hear the hopeful call of God, reminding us that care for the community, for our own congregations, for the vulnerable and violated among us is the worship that waters our souls and brings God's healing and wholeness.
- In response to deep generosity demonstrated by Conference Finance and Administration Committee providing congregational COVID-19 grants, we encouraged congregations to apply for grants, through the work of the Missions Team helped congregations vision meeting internal and external community needs, and then shared stories through the Conference of the life-giving nature of ministry accomplished through the grants and within our connectional life. The grants were for any church in the Annual Conference – not just rural or small churches. Some of our larger churches received these grants. In receiving COVID assistance for a pastor's salary, insurance, pension, mission grant, or a grant for some other good purpose in our church, we demonstrated that the connection is a web of interactive relationships. We invited all congregations into that interaction.
- Through the work of Living the Word, a ministry of the Mission Team, received a grant of approximately \$1 million from the Lilly Endowment Inc. and continued and expanded the work of creating learning communities in rural North Carolina with the purpose of collaborative cross-racial, inter-denominational ministry with a core work of anti-racism.
- Continued to vision the work of anti-racism through a myriad of efforts, including broad deployment of the Intercultural Development Inventory, intensive leadership training addressing implicit and explicit bias; the history and current reality of systemic racism, the understanding of white supremacy and the myths of meritocracy; engaging the work of cultural competency and cultural humility; continuing to develop an ongoing conference-wide anti-racism strategy; developing web pages, online resources, and a space of accountability and measuring Conference anti-racist progress; and uplifting the broad sweep of other anti-racism work.
- Provided regular reporting of Conference Connectional Table meetings and work.
- Through the Center for Leadership Excellence, continued to provide resourcing, training, and educational opportunities targeted to a wide range of needs, including clergy and congregational mental health, leadership development in a time of liminality, effective communication through virtual spaces, and many other offerings. The CfLE's efforts reached across the conference and beyond, even connecting with many throughout of global United Methodist Church.
- In the area of Conference Youth Ministries, after providing years of strong and dedicated leadership as CCYM Chairperson and many more years in other leadership roles, the

Reverend Doctor Suzanne Cobb left the position. Mr. Jay Locklear accepted the interim role and will lead a task force to vision the future of youth ministries. Many groups will be involved, including youth leadership, district coordinators, youth operations team, the Office of Christian Formation Ministries, and Cabinet. Conference youth have provided strong leadership and ministry and we affirm that we are moving from strength to strength.

**In reflecting on the work over the last year in the midst of global pandemic, increased violence against Ethnic people and communities, deep community needs, and the work going forward, the Conference Connectional Table has continued to ask guiding questions. Here are significant learnings, realizations, and hopes:**

The role of the Connectional Table is to be the steward of the vision of the Annual Conference. In evaluating budgets, this is a critical component of our consideration.

**Question 1:** In the priorities as identified by the CCT/Cabinet (Effective Leadership, Healthy Congregations, Unity, Anti-Racism, Congregations for Children), where are the positive points of celebration and where are we doing things really well and most fully meeting our priorities? Where did our budget proposal and mission priorities come together?

- We're doing the best we can, given so many unknowns: COVID, General Conference.
- We turn toward what is emergent and important in the moment, as seen by responses to hurricanes and COVID. Now, the work of anti-racism is in the center of every gathering. We are far from perfect, but we do have the capacity to turn toward something that is emergent, pressing, important, and the Conference continues to move in mission and ministry. Deep generosity of United Methodist people in North Carolina continue to uplift and provide the budgetary stability to move in positive, hopeful, and creative ways.
- Many offices and ministries are being interwoven. The staff, cabinet, and districts have recently merged programming calendars to think collectively and work collaboratively toward unified outcomes.

**Question 2:** Where priorities and budget requests conflict, where are our greatest priorities? What budget requests should be modified? Within the budget parameters in which we must work, are there ministry functions where we might consolidate across committee lines so that we do meet our priorities within budgetary constraints?

- Within Christian Formation, Outreach, and Higher Education, we have consolidated to give more flexibility in those budgets. A more simplified budget removes some constraint from those leaders, enabling them to prioritize for the greatest current need.
- The \$50,000 projected for the anti-racism line in 2021 is probably low, especially as we continue to expand that work. We are just gathering momentum and energy in this area, so are unable to forecast what the need might truly be in 2023. (CCT requested and CFA approved a supplemental request of \$98,000 for the work in the year 2021.)
- The more we increase funding for ministry areas, the greater the burden becomes on conference staff. We want to be sure that we have the human resources to make ministries work and to take care of the people who are doing that vital ministry.
- Staff have been adaptive in ways to facilitate more and greater engagement with current

staffing levels. For example, as part of our anti-racism work, we are working in Wilson around a major anti-racism project, contracting with consultant Dr. Micheline Malson. Out of that work was born the Gentlemen's Agreement, an after-school program for Black male youth. Barton College came on board as a partner and has set up a full scholarship for the top graduate of that program. Last fall, the Lilly Endowment Inc. awarded us a \$1 million grant for continuation and expansion of that work.

- Changing the name of the Multicultural Ministries Team to the Equity and Justice Ministries Team was a wise change. It is not just a new name; it reflects the priority of the work done through that office which is much more expansive in scope than what was being done previously.
- The CCT's helping to keep budgets and resourcing focused on the priorities of the Annual Conference helps staff make better decisions about where to allocate their time and attention by focusing on the guiding questions: *Which priority does this fit? How will this help us fulfill the vision and mission?*
- Staff have become more confident in letting folks know that their time is full – and that takes a degree of trust to show that honesty and transparency. If staff reductions become necessary, we also must decide what program or ministry goes with that.
- The CCT needs to be committed to its evaluation responsibility, even more than it has been in the past, to ensure that our stated priorities link up with actual accomplishments. Are programs/events/committees fulfilling their stated purpose? Even though they may remain consistent with conference priorities, they may not have effective results. Taking on something new may require letting go of something that is no longer working.

**Question 3:** Are there ministry areas/committees requesting funding that do not meet our priorities? Are there ministry areas where the work overlaps or conflicts? Can these be eliminated, or should they be consolidated in a way that they do meet our priorities?

- With recent consolidations (Christian Formation, Outreach/Missions Team, Higher Education), we have addressed some of these issues.
- We must ensure that we are not replicating efforts with onboarding (clergy women and cross-cultural, cross-racial appointments).
- We need better communication across the conference to limit program duplication and avoid staff's duplicating efforts (overwork). We can uplift all conference ministries and support work that others are doing, without competition. Starting recently, conference and district staff have been asked to place their activities/events/meetings/trainings on a conference-wide Asana calendar which should help us move in that direction.
- Questions to ponder: *Are there things that are no longer moving us toward our vision of the Annual Conference in an effective manner? Are there duplications in work efforts?* The CCT does evaluative work and will be doing that at future meetings.
- One CCT member, serving with CCT and CFA over the last 15-20 years, notes that more money is being spent on ministry, ministry training, staffing for ministry, and resources for ministry, as opposed to property – in other words, spending money on trying to be ever better at who we say we are, and that is a good thing.

## Conference Relations Committee

The Committee on Conference Relations has as its primary responsibility the assisting of any clergy who seek to change or terminate their relationship with the Annual Conference. Changes in conference relationship may occur in any of the following ways: 1) discontinuation, 2) leave of absence, 3) retirement, 4) sabbatical leave, 5) maternity/paternity leave, 6) family leave, 7) termination of conference relationship (surrender of credentials) and 8) honorable location.

The Committee on Conference Relations meets with the person who is seeking a change in conference relationship upon the request of that person, or upon request of the Cabinet or the Board of Ordained Ministry. The committee attempts to determine what is appropriate in each case by posing questions, offering counsel and providing support. The committee then discusses the request and acts upon it by making a recommendation to the Board of Ordained Ministry.

The *Book of Discipline* (635.1d) provides specific guidelines applying to each of the categories of conference membership. All those persons in the various categories of conference membership (other than the effective relationship) should remember to familiarize themselves with, and adhere to, the disciplinary guidelines which apply to that category. The Committee on Conference Relations issues a yearly reminder of these guidelines through a letter approved by the Board of Ordained Ministry at its annual meeting. Following the appropriate guidelines is particularly important for clergy on leave of absence; for these persons, exercise of any ministerial function is restricted to the Charge Conference in which their membership is held. The Conference Relations Committee would take this opportunity to reiterate that pastors on leave of absence cannot perform weddings, conduct funerals, or administer the sacraments outside the bounds (both geographical and membership bounds) of that charge conference.

## C4C/UMAPS

The mission of **Congregations for Children (C4C)** is to support public education in North Carolina by partnering local congregations with neighboring public elementary schools, focusing on four main goals to undergird our lower-income children and their families: (1) promote K-3 literacy; (2) provide basic needs such as food, clothing, and school supplies; (3) supply caring adult volunteers to schools as reading buddies, tutors, and school helpers; and (4) advocate for fully funded and adequately supported public schools throughout the state. The fourth goal is the focus of **United Methodist Advocates for Public Schools (UMAPS)**, a NCCUMC social justice organization that now partners directly with C4C.

The past year has been defined by the word “pivot.” As in-person church and public school activities ground to a sudden halt in 2020, churches and schools had to adapt quickly to life within a pandemic. As distance learning became necessary, and the reality of widely inconsistent access to the internet by many low-income and rural students became evident, C4C offered Community Connectivity Grants to encourage innovative ways for churches to support online instruction for all children. In just two months, eleven churches and two NCCUMC organizations

that work directly with public school children received almost \$10,000 to enhance during-and after-school programs that provide safe and supportive learning spaces equipped with sufficient internet access.

Churches throughout the conference found creative ways to continue to promote K-3 literacy through book drives so children had books of their own at home to read, and many reading buddies continued to read to children on the phone or via FaceTime. Churches continued to supply essential food for children and their families through food deliveries to common pickup locations and even home deliveries. One church in Alamance County even raised funds to purchase a food truck for their school system to deliver hot meals to children at their homes!

All NCCUMC clergy and laity are encouraged to go to our redesigned **C4C website** to learn more about C4C and UMAPS and to find ways to initiate or expand public school partnerships within the lay ministries of your local church.

## Continuing Education Committee

The Continuing Education Committee of the Board of Ordained Ministry has the responsibility of developing continuing education programs that will enable ministers to fulfill the Disciplinary requirements. According to the *Book of Discipline*, “Clergy shall be expected to continue their education and spiritual growth throughout their careers, including carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities.” The *Discipline* further states that, “In most cases the ordained ministers’ continuing education and spiritual growth program should allow for such leaves at least one week each year and at least one month during one year of each quadrennium. Such leaves shall not be considered as part of the ministers’ vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, district superintendent, and Annual Conference Continuing Education Committee.”

In providing the resources to enable pastors to meet the minimum requirement of The Discipline, the Committee on Continuing Education has edited a brochure that applies to all clergy and diaconal ministers of the NC Annual Conference. The brochure contains information defining Continuing Education, the role of the local church, and how the pastor’s continuing education can be financed. The brochure is printed as part of this report.

### Continuing Education for Ministry in the NC Annual Conference:

**Rationale:** A prime expectation of every minister of the NC Annual Conference is professional growth. In recent years, one of the major avenues through which such growth occurred has been continuing education. In the *Book of Discipline* it states, “There are professional responsibilities that elders are expected to fulfill and that represent a fundamental part of their accountability and a primary basis for their continued eligibility for annual appointment. Growth in vocational competence and effectiveness through continuing formation is expected of conference members.”

**Definition:** Continuing education is defined as an organized structured program of formal study under competent leadership with clearly defined goals and objectives. Here the key words are “organized,” “competent leadership,” and “clearly defined goals and objectives.” By this definition

certain activities, though worthwhile, are not considered “continuing education”; e.g., degree programs, recreational programs, course of study programs, promotional meetings, worship services, entertainments, undirected reading, and study travel (except for limited lecture, seminar, or workshop time), and the like.

### **The Conference Program:**

The Conference Board of Ordained Ministry, through the Committee on Continuing Education, performs three functions: 1) it sets minimum continuing education standards for ministry; 2) it establishes guidelines for continuing education; and 3) it seeks to insure their availability.

1. **Minimum Standards:** The NC Conference has established as a minimum standard one Continuing Education Unit (CEU) to be earned by each minister from an approved continuing education program each year. One CEU is defined as ten contact hours of participation in an approved continuing education program.
2. **Guidelines for Continuing Education Programs:** CEUs will be approved for those persons sponsored by organizations which are accredited by a) a regional educational agency (such as the Southern Association of Colleges and Schools), b) a professional accrediting agency (such as the American Medical Association), or c) the Council on the Continuing Education Unit. It should also be noted that only those programs which relate directly to ministerial growth and development will be approved.
3. **Ensuring their Availability:** Efforts by the Board of Ordained Ministry to ensure the availability of continuing education programs include encouraging conference-related and other colleges within the Conference bounds to offer courses for ministers, providing supplementary financial aid for ministers, publicizing approved programs, and identifying specific subject areas for needed programs.

**Role of the Local Church:** In addition to the minister, the local church has a significant stake in the success of continuing education programs. The local church, therefore, has an important role to play in continuing education.

### **The Pastor-Parish Relations Committee of the Local Church:**

1. Confers with the pastor and the district superintendent in the development of a continuing education program that will enhance the total ministry of the church.
2. Provides study leaves at least one week each year and at least one month during one year of each quadrennium. Such study leaves are not to be considered vacation time.
3. Recommends to the church’s Finance Committee budgetary funds to be applied toward the minister’s continuing education program. In providing funds for continuing education programs, the Pastor-Parish Relations Committee should insure that only those programs which meet both the definitions and specific guidelines above are funded.

### **Financial Aid to Clergy:**

Funding for continuing education is the combined responsibility of the participant, the congregation, the sponsoring institution, and the Annual Conference. Conference funds for continuing education

are derived as a portion of conference apportionments. Thus, it is not possible (nor is it desirable) for the conference to assume a major responsibility. Continuing education can be expensive. For this reason, **local churches are encouraged to provide a minimum of \$300.00 annually for each clergy and diaconal ministers' continuing education.**

All persons under Episcopal appointment to charges, conference staff positions, Conference Evangelists, retired supply, and Extension Ministries appointed to conference-related agencies and institutions are eligible for grants from the Conference funds provided:

1. The program meets the definitions and Conference guidelines described above.
2. The applicant has documented his or her efforts to secure funding from other sources, including local church, Duke Endowment, and personal resources.
3. The application for a grant is filed on the appropriate form which furnishes complete information about the event and bears the signatures of the applicant, the Pastor-Parish chairperson, and district superintendent.

### **Continuing Education Grant Guidelines:**

1. The maximum grant to an individual applicant over one conference year is \$300.00 for Office of Ministerial Relations grants and \$300 per conference year for Duke Endowment Rural Church grant. Pastors who are serving a DE Rural Church may apply for both the OMR grant and the DE grant for a total of \$600 over the Conference year.
2. Applicants must use all funds designated by their local congregation or employing organization *prior* to requesting Conference grants.

### **Monitoring Continuing Education Units:**

1. The district superintendent, in annual consultation, may suggest to the clergy or diaconal minister the area of continuing education he or she should take to facilitate his or her professional growth. The pastor's annual Continuing Education Report will be given to the district superintendent at the annual consultation or other appropriate time.
2. Clergy shall have the responsibility for securing from the institution granting Continuing Education credit a record of earned credit *and providing a copy of this record to the Office of Ministerial Relations.*
3. It is the responsibility of each participant to determine, in consultation with the Committee on Continuing Education, if a proposed program meets the criteria prior to participation and funding.

—Committee on Continuing Education

## Disaster Ministries

NC Conference Disaster Ministries faced the challenges of continuing Hurricane Matthew, Florence, and Dorian repairs and rebuilds for survivors during the COVID-19 Pandemic. Though the pandemic hampered volunteer efforts, work pressed on as disaster centers resorted to implementing COVID volunteer, staff, and client protocols to reduce COVID exposure and infection. In some cases, centers hired contractors to complete work normally completed by volunteers. In other cases, as the NC Conference Disaster Centers have closed, locally established or newly empowered organizations have sprung up to meet needs.

The COVID-19 Pandemic did offer congregations localized opportunities across the NC Conference. Churches have risen to meet the needs of abruptly home schooled students by offering wifi hotspots, computer access, and tutorial services. As unemployment became more prevalent, congregations provided food and meal deliveries while others provided help paying for utilities, rent, and other essential needs. COVID vaccination clinics welcomed church volunteers to help with registrations, traffic control, and monitoring patients. Neighbors fulfilled Jesus' command by helping and comforting their neighbors.

To ready the Conference for future disaster response, the MERCI center is being prepared to become a central springboard for immediate and early disaster response. Disaster vehicles, equipment, and disaster kits and supplies are being staged there to enable nimble disaster response.

Knowing that disaster preparation will minimize damage and loss, the Disaster Response Committee encourages local churches to prepare their congregations and buildings for disasters by engaging in Connecting Neighbors and Early Response Team training.

## Drew University Theological School

As with most other schools in the northeast of the U.S., Drew University evacuated its campus in early spring 2020 in response to the COVID-19 pandemic. Drew Theological School faculty and staff adapted to this challenge with resilience, compassion, and creativity. The Theological School faculty put their courses all online, led development workshops for faculty across the university, and, in order to accommodate our many international admits who would not be able to enter the United States for fall 2020, designed an asynchronous Master of Divinity program. As a result of this work, the Theological School welcomed 147 new students, its largest entering class in a decade, with an enrollment of 380 for the current academic year. Our chapel team has also led the way in creating online worship experiences that connect the Drew community now across the globe. All degree programs at the Theological School include interdisciplinary courses that demand out-of-the-box thinking, apprenticeship training that addresses real-world issues, and modes of learning that promote adaptability and innovation. Our MDiv and MATM degrees include a required gateway year, vocational pathways, and experiential learning that develops and deepens adaptive leadership skills. The curriculum features a team-designed and

taught interdisciplinary sequence of core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty have also articulated shared values that are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation. Drew cultivates pastors, preachers, deacons, activists, teachers, and thought leaders who go all over the world to take their place as the next generation of faith leaders and change agents.

## Duke University Divinity School

Edgardo Colón-Emeric, the Irene and William McCutchen Associate Professor of Reconciliation and Theology, Associate Dean for Academic Affairs and Director of the Center for Reconciliation will become Dean of Duke Divinity School (DDS) July 1, 2021. Dean Gregory L. Jones will leave DDS to become president of Belmont University.

DDS continues to discern fresh strategies to respond faithfully and wisely to the changing church and the world. The disruptions, challenges, and injustices of 2020 occupied enormous attention as the school adapted to different modes of teaching/learning and interacting while also managing financial challenges both to DDS and Duke University.

DDS announced a new hybrid version of its Master of Divinity (M.Div.) program that will give students the opportunity to earn the M.Div. degree without relocating to Durham, N.C. The hybrid learning curriculum combines remote coursework with week-long residential intensives, where students connect in-person. The first cohort will begin coursework in fall 2021.

DDS welcomed the largest incoming class in school history with 257 new students from 35 different states and seven countries. Our Master of Arts in Christian Practice (28 students) and Doctor of Ministry (52 students) programs received record enrollments. The Master of Theology (13 students), Master of Theological Studies (34 students), and Doctor of Theology (6 students) had strong enrollment. Our new Certificate in Theology and Health Care will enroll 6 students, all of whom are TMC Fellows. Across all degree programs, 31% of the incoming class identified as a race/ethnicity other than white. Black students made up 21% of all students, Asian students, 5%; and American Indian students, 2%. 45% of students in the incoming class were female, and 55% were male. The M.Div. degree program gained 113 new students.

2020 also witnessed an expansion of DDS's partnerships, including the Kern Family Foundation partnership with the Office of Wesleyan Engagement to provide accelerated pathways for undergraduate students to pursue the M.Div. degree at Duke and welcomed its first cohort of students at Martin Methodist College. The Americas Initiative, a fellowship of organizations, scholars and practitioners convened by the Center for Reconciliation, is working on peacebuilding among Latin American and Latinx communities, particularly those of Indigenous and African descent. The five-year Black Pastoral Leadership Collaboration, begun in the fall of 2019 and jointly funded by DDS and the Provost's Office, is working to harness the research and experiential wisdom of Black pastoral leaders nationally through a leadership school and practical theology archiving project.

DDS sought to reckon in deeper and broader ways with systemic racism and injustice and the school sought opportunities to strengthen its partnership and racial justice work across Duke University. A Story Listening and Gathering project solicited past or present students, faculty, and staff to share stories of how race and racial discrimination affects daily life at DDS with a goal of understanding the experiences of the community and to inform the school's broader anti-racism efforts. A new Race and the Professions Fellowship, in partnership with the Kenan Institute for Ethics, and the Churches Promoting Recovery Project, and with the Theology, Medicine, and Culture Initiative, provided new opportunities for students to deepen their vocational formation and reimagine community transformation beyond campus.

DDS hired eight new faculty members in 2020. Peter Casarella is a Professor of Theology. Sarah Barton is an Assistant Professor of Occupational Therapy and Theological Ethics and has a joint faculty appointment at Duke University Medical Center. Quinton Dixie is an Associate Research Professor of Church History and Black Church Studies. Zebulon Highben is Associate Professor of the Practice of Church Music at Duke Divinity School and Director of Chapel Music at Duke University Chapel. Alma Tinoco Ruiz is a Lecturer in Homiletics and Evangelism and Director of the Hispanic House of Studies and is a provisional elder in the United Methodist Church. Janet Martin Soskice is the William K. Warren Distinguished Research Professor of Catholic Theology. Norbert Wilson is Professor of Food, Economics, and Community. Wylin D. Wilson is an Assistant Professor of Theological Ethics.

## Equitable Compensation, Commission on

The *Book of Discipline* mandates that “there shall be in each annual conference a commission on equitable compensation” (§ 625), whose purpose is “to support full-time clergy serving as pastors in the charges of the annual conference” (§625.2). Four broad areas of responsibility are outlined in §625.2, which are: “(a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation; (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations”; and (d) submitting an arrearage policy to be adopted by the annual conference.

The Commission seeks equity and fairness for both pastors and local churches. Why should this commission be so concerned about equity and fairness? Our prayerful consideration of scriptural and historical foundations is found in the following:

- a. Jesus says, “the laborer deserves to be paid,” (Luke 10:7) and Paul reminds us, “Let the elders who rule well be considered worthy of double compensation, especially those who labor in preaching and teaching; for the scripture says, “You shall not muzzle an ox while it is treading out the grain,” (1 Timothy 5:17,18).
- b. Wesley was concerned that clergy have responsibility not to be “in debt so as to embarrass you in your work” (§330.5.d.18), which implies that the Church has a responsibility that it neither lead its clergy into positions of embarrassing indebtedness, nor leave them there.

- c. The Great Commission to “go into all the world preaching, teaching and baptizing” brings with it a cost. Systems of clergy support which foster the use of the right pastor in the right place hold up the hope of seeing the Great Commission bear its promised fruit.
- d. The Commission on Equitable Compensation (CEC) embraces the Great Commandment to “love our neighbors as we love ourselves” by desiring for each pastor what our members’ desire for themselves – compensation adequate to free persons for the work of pastoral ministry.

Through our prayers, working and considering together as both laity and clergy from across The North Carolina Annual Conference, we make the following recommendations. We believe these recommendations will help us move toward fairness for both local churches and pastors as together we support ordained ministry in The North Carolina Annual Conference.

The CEC’s mandate and mission is to ensure justice and fairness in salaries of active full-time pastors of our local congregations. While, for many years, we have been recommending a single minimum salary for all full-time pastors serving, we have found that many congregations look at the “minimum salary recommendation” as “the amount we have to pay the pastor.” Clarification of “minimum compensation” may benefit the mission and ministry of the local congregations.

The definition of “minimum” is not the ceiling, or maximum, amount of “the pastor’s salary;” rather, it is the floor, or minimum, of what a full-time pastor is to be paid. No full-time pastor may be paid less than the minimum compensation. We recommend that each congregation review its ability to sustain its pastor independently and only use the minimum salary as just that, a minimum, and prayerfully discern the appropriate level of compensation for its called leader. As Jesus said, “Where your treasure is, there is your heart.” When the congregation’s treasure and heart are in the health and effectiveness of both local congregation and pastor, God is glorified!

For the year **2021**, the average full-time salary and non-vouchered cash allowance for all clergy under appointment to a local church in the North Carolina Conference increased by **2.74%**. The CPI (Urban South) for the last twelve months ending December **2020** showed an increase of **1.4%**. With the rapidly changing economic environment, the CPI varies widely by month. The Commission currently recommends a 1.6% (\$746) increase minimum salary for the year **2022**.

## **I. Recommended Schedule of Minimum Compensation for 2022:**

### **A. Salary Schedule**

We recommend that the student minimum salary be based on 65% of the minimum salary of full-time pastors.

<b>PASTORS UNDER FULL-TIME APPOINTMENT</b>	<u>2021</u>	<u>2022</u>
(Full Connection, Associate, Provisional, Local Pastor)		
Salary .....	\$46,627	<b>\$47,373</b>
<b>STUDENT PASTORS</b>		
(Local Pastors or Conference Members)		
Salary .....	\$30,308	<b>\$30,792</b>

## **B. Utilities Expense**

It is expected that each local charge would provide for utilities expense for parsonages. Utilities have been defined in guidance from the Internal Revenue Service to be electricity, heat, water/sewer, trash pick-up, local telephone, cable and internet access expenses. In order to increase accountability surrounding utility payments and to help ease transitions during appointment changes, the local church shall pay utilities directly to the utilities companies instead of through unvouchered allowances to the pastors.

## **C. Travel Expense**

Although travel is reimbursed by the local charge as an item of pastoral expense, it is expected that each local charge would provide at least \$4,000 for travel expense. The Commission encourages each charge to establish a plan to reimburse the pastor for all legitimate business mileage at the current rate established by the IRS. Where such a plan is established for reimbursement of business mileage, equitable compensation support shall not be affected by payment of travel expenses. However, where a reimbursement plan is not implemented and a travel allowance is given, any travel allowance in excess of \$4,000 will result in a reduction of equitable compensation support.

## **D. Pension Program**

Charges receiving Equitable Compensation Funds support are responsible for paying the total amount required for the Clergy Pension Plan and the Comprehensive Protection Plan (CPP) based on the pastor's cash base compensation (including funds from the Equitable Compensation Fund, Duke Endowment, and any other sources), and housing (percentage of cash base compensation designated by Wespeth Benefits and Investments or housing allowance, if provided in lieu of a parsonage).

## **E. Vacation Recommendation**

Vacation and time off is defined as annual leave and weekly time off "which is completely distinct from any other occasions in which the pastor is out of the parish" (1988 NC Annual Conference Journal, page 373) such as Continuing Education events, Bishop's Day Apart, Order of Elders, Deacons, Local Pastors, Annual Conference, and Convocation/Pastor's School.

### **Rationale:**

In recent times, focus on clergy health has highlighted the necessity of following the mandate of God's Commandment to "remember the Sabbath by keeping it holy" (Exodus 20:8) and, like our Lord Jesus, to take time apart for rest and relaxation. This mandate and example are beneficial to not only the pastor, but also the larger faith community/local church. Many pastors in full-time ministry do not take time away increasing the likelihood of burnout, compromising their health, and reducing their effectiveness in ministry. Right stewardship of time, finances, physical health, relationships with family and colleagues is necessary for effective ministry in the parish. These personal areas often suffer with the lack of a weekly personal day, a weekly Sabbath Day, and an annual vacation time apart. Our Conference Board of Ordained Ministry found in 1988, "Our experience as an Annual Conference with clergy burnout shows that rest and recreation

are an indispensable element of a whole and complete ministry.” (1988 North Carolina Annual Conference Journal, page 373).

**Recommendations to local congregations:**

1. That clergy members of the Annual Conference (*Book of Discipline 2016* ¶602.1) under full- or part-time appointment to local congregations shall receive one full month of vacation per calendar year. Vacation time shall include four (4) Sundays per year and shall be negotiated between the pastor and S/PPR Committee and may be taken in either segments adding up to one full month or as a whole.
2. Clergy members of the Annual Conference (*Book of Discipline 2016* ¶602.1) under full-time appointment should receive at least one personal day off per week. Changes to a set personal day off should be allowed due to unforeseen circumstances that may arise. This time should be carefully respected and guarded by the district superintendent and the congregation.
3. We encourage annual discussions between pastor/s and the S/PPR Committee where they are appointed concerning provisions for Continuing Education and Spiritual Growth and Sabbatical Leave, found in paragraph 351 of the 2016 Book of Discipline.

## **II. Principles Governing Eligibility for Equitable Compensation Funds:**

The clergy’s base compensation is the responsibility of the charge; therefore, each charge of The North Carolina Annual Conference should be so arranged as to be able to assume full salary support. The Commission urges each charge receiving Equitable Compensation Funds, its pastor, and the district superintendent responsible for that charge, to administer the affairs of that charge to the end that it may move as rapidly as possible toward total self-support. To enable the Annual Conference, the Commission and the district superintendents to carry on their cooperative efforts in understanding, in harmony, and for the greatest good for all concerned, the following principles and procedures are set forth:

- A. **Base Compensation:** That portion of a pastor’s compensation which is paid directly to the pastor as cash compensation, contributions authorized by the pastor to either a tax-paid pension program or a tax-deferred program (such as a 403(b) plan), payments to assist the pastor with the personal share of Social Security taxes, and some other kinds of cash compensation, such as bonuses, payments to private investment programs, and the like. Base compensation would not include other items included in total compensation, such as utilities and other housing-related allowances, accountable reimbursements for professional expenses (such as continuing education, books, and the like), and the cost of benefits such as life or health insurance.
- B. Any Equitable Compensation Fund supplement will be terminated immediately upon information that the pastor has taken full-time, secular employment. The supplement may be reinstated at the time the charge’s appointed pastor returns to full-time or student status. Exceptions to this provision will be permitted only by the approval of the executive committee of the CEC upon the recommendation of the district superintendent of the pastor seeking to be employed outside their ministerial responsibilities for emergency reasons.

- C. Disbursement of funds from Conference Treasurer's Office: Equitable Compensation Funds are to be sent to charges that have applied for their use to provide their pastor with the minimum base compensation established by the Annual Conference. The monthly base compensation supplement checks sent by the Conference Treasurer's office are to be deposited by the charge treasurer into the charge/church bank account. *Checks shall not be endorsed nor cashed by the pastor.*
- D. Application for funds: Churches or charges applying for Equitable Compensation Funds shall submit a request on the appropriate form which can be found online. The pastor, administrative council, and the district superintendent shall carefully review the request. The application form must have the signatures of the pastor and recording secretary of the charge conference affixed to it, and receive the approval of the charge conference. Applications that are not completed in full are not eligible for consideration by the Commission until such time that they have been completed and resubmitted.
- E. The CEC will not fund any charge that is also receiving funds from The Emerging Church Salary Fund. The CEC is in consultation and study with other Conference boards and agencies to seek ways to more adequately provide for the temporal needs of our pastors and churches.
- F. Consideration may be given to make funds available for the deacon when the primary appointment is to a local church. (Book of Discipline 2016 ¶625.4)

**Application Deadlines for Full-Time Pastoral Compensation Supplement:**

- 1. Completed applications for the January – December calendar year are to be received by November 1 of the previous year.
- 2. Completed applications for the July – June appointment cycle are to be received by November 1 of the previous year.
- 3. The application deadline for superintendent/cabinet-initiated applications for the immediate appointment year is May 15. These grants are subject to the availability of funds.

**Application Deadlines for Mission-Based Supplement:**

- 1. Completed applications for the July – June appointment cycle are to be received by November 1 of the previous year.
- 2. The application deadline for those grants limited to superintendent/cabinet initiated applications for the immediate appointment year, providing funds are to be received by May 15.

### **III. Policies Governing Use of Equitable Compensation Funds**

- A. Charges must be so arranged that no more than one third (1/3) of the base compensation will come from the Equitable Compensation Fund on the first application of the charge.
  - 1. Charges seeking more than one third (1/3) supplement shall provide specific information with their application, indicating the reasons for their inability to meet these guidelines. Information shall be made available to the CEC and the district

superintendent regarding the terms of Equitable Compensation support, giving the date of its inception and the present amount of support being received by the respective charges.

2. When the division of a charge is desired, Equitable Compensation funds will be used only upon the recommendation of the Bishop and the approval of the cabinet. In the division of a charge in which one church seeks to become a station, it is recommended that such a church shall assume total responsibility for base compensation and its ~~proportionate share of all~~ apportionments.
  - a. The remainder of the charge in such a division assumes full pastoral support and proportionate share of all apportionments. In no case will the CEC provide more than one third (1/3) of the base compensation required for such a division.
  - b. When there is a division of a charge forming one or more student appointments, each newly created charge shall pay initially two thirds (2/3) of the pastoral support established by the division.
3. It is expected that each church receiving Equitable Compensation support will pay 100% of its financial responsibilities including apportionments, insurance, and pension benefits, etc.

**B. Annual Reduction and Length of Time for Support:**

1. Each charge which is receiving, or shall hereafter receive, Equitable Compensation Fund, is expected to reduce this aid by at least twenty-five percent (25%) of the original grant each year.
2. CEC grants shall be made annually, renewable for each year, up to five years for mission or charge-support grants, and three years for grants based on The Book of Discipline paragraph 213.
3. At the beginning of the second and subsequent years of receiving grant renewal applications, an evaluation of the charge's progress toward reaching its own goals will be made by members of the commission following a site-visit and consultation with the charge's pastor, its leadership, and the district superintendent.

**C. Supplementals to Base Compensation:**

1. **Merit Grant Supplemental to Base Compensation:** Each full-time pastor, associate member, or member in full connection of The North Carolina Annual Conference, serving full-time, and who, in the opinion of the cabinet and in consultation with CEC is rendering unusually effective service, may apply for a one-time grant in the amount of \$400, when such clergy person's salary is equal to the Conference minimum base compensation.
2. **Supplemental Compensation for Years of Service:** Elders and Deacons who have served continuously as pastors in charge in the North Carolina Annual Conference, at conference established minimum salary, for five years or more, in the sixth year, may apply for this supplemental grant of up to \$400. With each annual application, the grant may increase incrementally by up to \$400 per year until the lifetime maximum of \$6,000 has been reached. No single year supplement may exceed \$2,000. Special

attention shall be given to ethnic pastors serving ethnic ministries (Book of Discipline 2016 ¶625.6). Receipt of this supplemental compensation may be subject to income taxation and will be reported as applicable.

3. **Extraordinary Grants:** These policies do not restrict the CEC, upon the recommendation of the cabinet, from making additional grants in extraordinary circumstances.

#### IV. Compensation and Benefits Arrearage Policy

- A. In the event that a local church treasurer becomes aware that the church will be unable to provide to the pastor full payment of a regularly scheduled payroll or housing allowance installment, or to remit to the Conference Treasurer full payment for regular direct billed benefit payments such as pension and health care, the church treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council of the impending arrearage. Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately (within 3 days) notify the District Superintendent of the impending arrearage. It is the pastor's responsibility to keep copies of all such written notifications, and to provide additional written confirmation to the District Superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of pension and benefits.
- B. Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall immediately (within 24 hours) call a meeting of the Pastor, Lay Leader, and Chairs of Finance, Trustees, and the Administrative/Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Such remedies might include:
  - a. Drawing from invested funds
  - b. An emergency appeal for special giving from the congregation
  - c. Emergency grants from the District or Conference

According to the Book of Discipline ¶ 624, such remedies cannot include a reduction in the Pastor's compensation until the beginning of the next Conference year.

- C. If, after consultation among the Lay Leader and Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council, it becomes apparent that the church may be facing a long term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor and District Superintendent that:
  - a. An Equitable Compensation Subsidy Grant may be necessary to maintain compensation for the remainder of the Conference year and/or
  - b. A change in pastoral compensation or appointment may be necessary at the beginning of the following Conference year.
- D. If the local church becomes delinquent in the pastor's compensation (i.e. more than 30 days delinquent), then the District Superintendent shall notify the CEC, which on its own initiative may do any or all of the following, but not limited to:

- a. Sending a representative from CEC to meet with the local church and pastor to seek resolution of the issue.
- b. Developing with the local church a payment plan so that the pastor receives full payment of compensation by the end of the conference year.

The District Superintendent shall be invited to participate in this process.

- E. If the local church is already receiving a subsidy grant from the CEC, the Commission may also:
    - a. Determine if all subsidy grant funds allocated to the church were used to pay the pastor's salary
    - b. Examine the original subsidy grant application to determine if the amount requested to meet minimum compensation was reduced
    - c. Require an outside audit of all church funds in compliance with GCFA guidelines ([www.gcfa.org](http://www.gcfa.org))
    - d. Notify the District Superintendent of its findings and recommendations in writing
  - F. If a local church becomes delinquent in the payment of the pastor's direct billed pension and benefits (i.e. more than 30 days delinquent), then the Conference Benefits Team shall notify the District Superintendent. If the church makes application for salary support, the status of payment of benefits will be reported to the CEC. The Conference Benefits Team and District Superintendent shall develop a written payment plan with the local church so that the Conference receives full payment of pension and benefits by the end of the conference year.
  - G. It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation such as: Treasurer's Reports, Charge Conference reports of adopted salary and compensation, check stubs, W-2 forms, and a Certification of Payment Form (sample provided by Treasurer's Office staff) signed by the Pastor, S/PPRC Chair, Trustee Chair, Treasurer, and Administrative/Church Council Chair.
  - H. The statute of limitations for filing a claim for funds from the Annual Conference (i.e., notification to the District Superintendent of the arrearage) for any salary arrearage is one year from the date of the initial arrearage. Once an appointment ends the Pastor no longer has claim on the local church for compensation funds (§ 342.4).
  - I. An Administrative Complaint may be filed against a pastor who fails to report an arrearage according to the timeline established in this policy.
- V.** The Commission reports that **13** charges received grants for mission and compensation assistance for a total of **\$148,676** in the year **2020**. The Commission has awarded grants for the calendar year **2021** for **11** charges for a total of **\$137,861**.
- VI.** The Commission reports that no pastors were awarded the Years of Service supplemental compensation for the appointment year **2020**.
- VII.** The Commission remains committed to monitoring the rapidly changing financial realities of

our local churches and will adapt our procedures as needed to respond and support ministries of the United Methodist Church.

### III. FINANCIAL POLICIES

The United Methodist Church is a connectional church, and all local churches participate in the mission and service giving of the larger church. The outreach and mission giving opportunities of the Connection are distributed to the churches of the NC Conference by means of a formula based on the financial performance in each local church. Every effort is made to develop a computation which is shared with fairness by all. Church leaders are encouraged to interpret the work of the Connection so that each congregation understands these funds to be a necessary extension of the ministry and mission of the church beyond its local organization.

#### A. APPORTIONMENTS:

1. The funds to be apportioned are:
  - World Service and Connectional Ministries
  - Episcopal Fund
  - Interdenominational Cooperation Fund
  - Black College Fund
  - Africa University Fund
2. Formula: The Apportionments for each year shall be based on the average of the total monies disbursed by each church in the four years immediately previous to the apportionment year less the approved exclusions each year, or on the most recent year less the approved exclusions, whichever is lower. The change in unadjusted apportionments from the previous year shall not increase in excess of 15%. The exclusions are: Payments on World Service and Connectional Ministries, Past Service Liability, Episcopal Fund, and all other apportionments; principal and interest on indebtedness; buildings and improvements; 50% of property insurance; local benevolences paid directly by the local church; General and Conference Advance Specials; New Room Society; up to \$4,500 for travel paid by a charge for each pastor; United Methodist Student Day; Human Relations Day; Peace and Justice Sunday; Native American Awareness Sunday; UMCOR Sunday (formerly One Great Hour of Sharing); World Communion Sunday; UMW Funds sent to district or conference treasurer; housing allowance paid in lieu of furnished parsonage to a minister serving under Episcopal appointment in a charge of the Conference; offerings taken for disasters as designated by the Disaster Readiness and Response Committee and the Resident Bishop.
3. Effective July 1, 2004, new faith communities shall be assigned an apportionment beginning in the apportionment year in which the church is chartered (Year A in the following table), or five years from inception date (designated leader begins ministry), whichever is sooner. New faith communities considered under this formula include new churches, multi-site locations, and relaunched churches sponsored by the New Faith Communities Office. The new and projected charter dates for all new churches shall be reported annually by the New Faith Communities Office to the Treasurer's Office immediately following Annual Conference. The amount to be apportioned shall be a percentage of the apportionment as computed on the standard formula described in III.A.2 above. Because this formula results in a lower apportionment for a longer period than earlier new church formulas, no adjustment will be allowed to the apportionment

computed as shown in the following table:

Year	Percent	Base Year Net Disbursement Formula	Maximum % Change
A	0%	None	None
B	60%	$= (4A)/4$	None
C	65%	$= ((3A)+B)/4$	None
D	70%	$= ((2A)+B+C)/4$	None
E	75%	$= (A+B+C+D)/4$	None
F	80%	$= (B+C+D+E)/4$	None
G	85%	$= (C+D+E+F)/4$	None
H	90%	$= (D+E+F+G)/4$	None
I	95%	$= (E+F+G+H)/4$	None
J	100%	$= (F+G+H+I)/4$	None

4. Apportionments to the churches shall be made by the Council on Finance and Administration (CFA) based on the current formula. Each cause shall be paid proportionately out of the income from funds received up to the amount fixed by the Annual Conference. In the event receipts shall fall short, all items shall be paid pro-rata. The CFA is authorized to make supplementary appropriations between sessions of the Annual Conference, if funds are available, for emergency or unforeseen needs. Such supplementary appropriations shall be made only from available undesignated funds. In the light of possible unforeseen and emergency need beyond available resources within the Annual Conference, the CFA is authorized to adjust the pro-rata distribution by up to 10% at its discretion and is authorized to use such funds to make supplementary appropriations according to this provision. General Church apportionments will be paid in full as collected to general agencies and will not be subject to adjusted pro-rata distributions. All supplementary appropriations made under these provisions shall be reported in the Conference Journal for purposes of information.
  5. Apportionments will be delivered from the Treasurer's Office to the district superintendents by July 16, 2021.
  6. The percentage payout rate for local churches shall be based upon payment of all apportioned items as listed in Section III.A.1. above.
- B. The following special offerings shall be taken in each local church and remitted to the Conference Treasurer as separate items. They are not to be included in the Apportionments. General Church special offerings include United Methodist Student Day, Human Relations Day, Peace with Justice Sunday, Native American Awareness Sunday, UMCOR Sunday (formerly One Great Hour of Sharing), and World Communion Sunday. Annual Conference approved special offerings include Project AGAPE Mission to Armenia, Methodist Home for Children, Mother's Day Offering for the Methodist Retirement Homes, Golden Cross Sunday, and Disciple Bible Outreach Ministries.
- C. No Conference agency's budget shall incorporate funds to be appropriated to a non-conference agency, without specific approval of CFA. All funds granted to a non-conference agency must

be spent consistent with the Social Principles of The United Methodist Church.

- D. No transfer of funds shall be made from one line item in the Conference Budget to another.
- E. All General Church Funds (World Service, Episcopal, Ministerial Education, Black College, Africa University, Interdenominational Cooperation, General Administration), Jurisdictional Conference, and Methodist Building Operations and Capital Maintenance Funds will be raised and paid out in the same year. All other funds will be raised and paid out in the subsequent year on a schedule determined by the CFA.
- F. Investment Policy: The investment of the funds of the conference shall be such that funds available for mission are maximized in a manner consistent with the preservation of capital and with the Social Principles of The United Methodist Church. Investments are with the United Methodist Foundation, Inc. (local), the United Methodist Church Foundation (national), Wespath Benefits and Investments, area banks, and with specific minority-owned financial institutions within the bounds of the NC Conference. Investments of funds reserved for use in the next budget year shall be invested 50% fixed income investments and 50% equity investments.
- G. Monies paid by the churches shall be reported to the statistician by the pastors at the end of the year on the Table II, Financial Report. The Table I, Table II and Table III reports for 2021 shall be due to the statistician no later than January 31, 2022.
- H. The Council may enact its own bylaws governing meetings, quorum, and other matters of procedure as authorized in the 2016 Discipline, Para. 612.5.b.
- I. The Council shall maintain a central treasury for all Conference agencies as authorized by Para. 613.12 of the 2016 Discipline, and the 1953 session of the Annual Conference. Annual Conference boards and agencies, including those separately incorporated, are required to maintain their funds on deposit in the central treasury unless exempted by the Annual Conference or the Discipline. Exemptions are granted to the Methodist Home for Children, the Methodist Retirement Homes, the Colleges, the United Methodist Foundation, Inc., Board of Missions, Inc., Asbury Homes, and North Carolina United Methodist Camp and Retreat Ministries, Inc.
- J. All new programs or entities which would not be funded by an existing approved budget shall be referred to the CFA for review of budget needs and supplemental funds available prior to approval by Annual Conference. If the item is approved, the next year's budget shall be amended to include the necessary funds based on the CFA recommendation.
- K. Contracts executed by commissions, boards, or agencies which obligate the Annual Conference must: 1) be created for periods of no more than 12 months, 2) not involve expenditures exceeding \$50,000 in the aggregate and 3) not include a guarantee by the Conference of debt incurred by a separately incorporated entity. All contracts that exceed a 12-month period and/or \$50,000 must be authorized by the Council on Finance and Administration. Should authorization be needed between meetings of CFA, it can be given by two signatures from the Executive Director of Connectional Ministries, the president of CFA, or the Conference Treasurer.

## IV. ITINERANT CLERGY MOVING EXPENSE

### *Effective Date – June 1, 2020*

The Itinerant Clergy Moving Expense Committee met to study moving expense needs and policies. The Committee makes the following recommendations.

#### A. Eligibility

1. Pastors of local churches continuing under appointment to local churches within the Conference, moving to or from extension ministries, district superintendents, ministerial assistants to district superintendents and Conference ministerial staff whose salaries are paid from the Conference Treasurer's Office.
2. Pastors in section A.1. who become Conference Evangelists upon moving from an appointment to a new residence. Their moving expense to return to any of the above categories will also be paid.
3. Pastors in section A.1 who retire from serving appointment or who assume approved medical leave or return into active service from approved medical leave.
4. Widows or widowers of those identified in section A.1. upon moving from place of appointment to new residence.
5. Pastors moving into an appointment in the North Carolina Conference under section A.1.
6. Interim Supply pastors
7. Pastors being appointed to leave of absence are entitled to moving expense for one leave of absence.
8. Pastors who are called to active military duty will be entitled to moving expense at the time of call up, if need be, and at the time of return, if need be, if not covered by the military, with substantiation of the military orders.
9. Persons moving who are not defined above will not be eligible to make claim.

#### B. Payment of Claims

1. All reimbursements must be substantiated with paid receipts for actual moving expenses. All reimbursements must be for expenses which are deductible for income tax purposes according to Internal Revenue code, Section 217, non-taxable fringe benefits. Payment will be granted to all who are eligible to make claims as follows:
  - a. Active itinerant clergy in section A.1., A.2., A.5., A.6., A.7. and A.8. (except retiring clergy, widows, widowers, and clergy couples) will receive reimbursement of costs up to \$2,250.00 with submission of paid receipts for actual moving expense.
  - b. Retiring itinerant clergy, widows or widowers will receive reimbursement of costs up to \$3,500.00 with submission of paid receipts for actual moving expenses. The retirement amount may be granted upon request when taking medical leave in lieu of receiving the retirement benefit at retirement.
  - c. Itinerant clergy couples will receive reimbursement of costs up to \$2,600.00 with submission of paid receipts for actual moving expenses. If only one member of the clergy couple is re-appointed, section B.1.a. will apply.

2. Travel: Mileage is reimbursed at the standard IRS rate for moving expense deductions. This rate may be paid per mile per vehicle for a single trip to move each vehicle to the new residence. If a vehicle is used to move household goods, i.e., in lieu of a moving company, additional trips may be reimbursed as necessary. The per trip mileage will be computed from appointment to appointment, or from the Conference boundary to the appointment, or from the appointment to the residence/Conference boundary (in case of retirement), whichever is less. Either the mileage as described above or actual out of pocket expenses for gas, oil, etc. may be reimbursed from the Conference boundary.
3. Reporting and Payment Requirements
  - a. Effective January 1, 2018, all moving expense reimbursements are taxable to the recipient. The Conference Treasurer's Office will reimburse moving expenses directly to the pastor. Moving expense reimbursements will be reported on the employee's W-2 for employees of the Conference and on a 1099-MISC for pastors not paid through the Conference Treasurer's Office. Any required benefit computations or payments due for the moving expense reimbursement will be completed by the Conference Treasurer's Office and funded through the Itinerant Clergy Moving Expense annual budget.
  - b. The Conference Treasurer will make this payment upon receiving the Itinerant Clergy Moving Expense Requisition form signed by the person receiving reimbursement and verified by the District Office, along with appropriate receipts to substantiate the expenses.
  - c. The pastor should send the completed document, "So You're Moving" checklist to the District Office. This will fulfill the 2016 Discipline, Paragraph 2533.4, which states "The chairperson of the board of trustees or the chairperson of the parsonage committee, if one exists, the chairperson of the committee on pastor-parish relations, and the pastor shall make an annual review of the church-owned parsonage to ensure proper maintenance."
  - d. Moving expense funds will be withheld by the Conference Treasurer if the district superintendent determines that the parsonage was inadequately cleaned or was damaged beyond normal wear and tear. If an inspection by the district superintendent and the pastor-parish relations committee or the parsonage committee reveals monetary needs for cleaning or repairs, or for having the fuel tank filled, the remaining balance of the moving expense due said pastor shall be made payable to the respective district to pay for needed cleaning or repairs. If the district superintendent or the moving pastor is NOT in agreement with said pastor-parish relations committee or the parsonage committee, the superintendent may request the arbitration committee of the clergy living committee, or other committee of the Board of Ordained Ministry assigned these duties, to inspect the parsonage involved and give an impartial recommendation.
4. The Conference Treasurer will make an advance payment up to \$600.00 to eligible itinerant clergy to cover the expense of deposit and fees for moving expenses prior to their move, upon verification by the District Office. Those receiving an advance must substantiate their expenditures, and any money that is left over shall be refunded to the Conference

Treasurer. All advance payments shall be reported as required as taxable income on the W-2 for conference employees and 1099-MISC for pastors not paid through the Conference Treasurer's Office.

5. No additional claim can be made against a local church, district or the Conference for payment of moving expenses.
6. Reimbursable expenses include the cost of boarding and moving domestic animals, the moving of recreational vehicles, moving household and personal goods, travel as defined in B.2., lodging, packing, crating, in-transit storage and insurance, labor costs, and any other expense necessary to physically move household items. Labor costs paid to individuals currently residing in the moving household, or those moving their own personal belongings are not reimbursable. Other expenses which are not reimbursable include meals, purchase of household items, or any other item not reasonable or necessary for the move.
7. The request for moving expense reimbursement must be received in the Treasurer's Office no later than four months following the date of the move.
8. The Moving Expense Committee will consider and have final authority over any questionable or disallowed claim or special claim beyond allowances set in the approved plan.

## **V. LOCAL CHURCH FINANCE MINIMUM STANDARDS**

Serving as a financial officer or in a financially related position within a local church requires that we serve with fiduciary responsibility over the financial matters of the church. This fiduciary responsibility means that we stand in service to perform our duties with the trust and confidence that we act for the benefit of the church and not for the benefit or convenience of ourselves. As we serve with these responsibilities in local churches, we are guided to provide the most effective and most efficient ways to safeguard the assets entrusted to our care. One of the ways we safeguard the assets is to put procedures in place that have been proven to minimize risks by preventing and detecting error, deterring fraud and protecting innocent staff and volunteers. The following guidelines have been developed in order to assist those with financial responsibilities in local churches to identify and implement basic internal control procedures. These guidelines are intended to aid in the prevention or deterrence of fraudulent behavior and are not accusations that fraudulent activities are being performed. These guidelines provide protection for those in a position of controlling financial activity from being accused of fraud. Part of the fulfillment of our calling to be good stewards of the Lord's funds is having effective procedures in place to safeguard those funds. These minimum standards should be increased for churches with higher volumes of transactions but should not be compromised for lower volumes of transactions. All local churches are expected to meet these minimum standards.

### **A. Receipts and Disbursements**

1. Treasurer and Financial Secretary should not be the same person and should not be in the same immediate family residing in the same household
2. Counting team (at least two unrelated persons) should count offerings and document totals – not treasurer and not financial secretary
3. Offerings should be deposited the same or next business day

4. Offering count details should be given to financial secretary for recording
5. Offering totals should be given to the treasurer or financial secretary to record deposit
6. The Financial Secretary's deposit log should be compared to the bank statement to verify deposits (by bank reconciliation reviewer)
7. At least two persons should be listed as authorized signatures on all accounts. This should also be the case for setting up electronic payments (or EFTs). For EFTs, one of those individuals should be a Trustee or a member of the Finance Committee (other than the Secretary or Treasurer).
8. The Treasurer is authorized to make electronic payments of bills. The Treasurer shall maintain support for every electronic payment just as with the support for paper checks.
9. Financial policy and authority guidelines should be written and approved by the Finance Committee (there is a template available on the Conference Treasurer's Office website).
10. Invoices should be required for all payments from all accounts
11. Someone other than the treasurer (with authority by Finance Committee) should approve invoices for payment
12. Typically, the Treasurer should make payments only after the invoice is approved. A policy may be implemented where routine, budgeted expenses (i.e., rent/mortgage, electric bill, etc.) may be paid without recurring approval; non-routine expenses must be approved prior to payment.

**B. Reporting and Review**

1. All accounts should be reconciled monthly
2. Someone other than treasurer should review bank reconciliation at least semiannually – including bank statements, invoices, checks written, and financial reports
3. The Treasurer should make detailed report of budget and designated fund activities to the Finance Committee at least quarterly
4. There must be an annual evaluation of financial records – at least in as much detail as the Local Church Audit Guide (completed no later than August 1 for preceding year, with the results of the audit being reported at Charge Conference) – including ALL accounts of the church (except UMW may be under separate evaluation or audit) – ALL accounts includes the general fund, building funds, designated accounts, cemetery funds, discretionary funds, Sunday school accounts, etc.
5. An external annual audit of ALL accounts should be done at least every three years for churches with total annual disbursements of more than \$500,000 per year (completed by August 1 for preceding year). An annual evaluation should be performed during the interim years.
6. While a full audit is optimal, the term 'external audit' could mean a review by a CPA firm or other qualified individual (one with an accounting degree and accounting experience) that is independent of the church's Finance Committee or church council.

7. An external annual audit of ALL accounts should be done every year for churches with total annual disbursements of more than \$1,000,000 per year (completed by August 1 for preceding year). The term 'external audit' in this recommendation refers to an audit by an independent CPA or firm—not a member of the church. An opinion is given on the financial statements—both balance sheet and income statement.
8. An individual CPA may participate in an audit, however, s/he must be a member of a church audit team performing an audit; thereby, a member of an audit team reporting to the church's finance committee.

#### C. Tax Reporting Requirements

1. W-2s must be issued for employees, including pastors, and 1099s issued for non-employee compensation by January 31 for preceding year (federal law requirement)
2. Payroll tax forms and deposits done as required for payroll amount (federal law requirement) – payroll reporting should be completed for the IRS and SSA by appropriate due date for filing method
3. Housing allowance or exclusions approved annually at charge conference and kept on file (federal law requirement)

#### D. Other General Requirements

1. Prepare list of all church property for insurance purposes – include item description, serial number and value
2. Prepare list of safety deposit box contents – update authority as needed – access should be allowed by two unrelated people
3. Computer records are backed up and password protected for security
4. Ideally, four individuals are required for regular financial procedures: financial secretary, treasurer, person to review and approve invoices and person to review bank reconciliations. It is possible for this to be accomplished with 3 individuals if proper segregation is achieved.

## VI. APPROVAL TO SOLICIT FUNDS

Any organization designated as a Conference Advance Special may ask local churches to consider opportunities for giving. It shall be at the discretion of the local church as to whether, when and how these opportunities will be presented to the membership. Solicitation or private campaign may not be taken directly into local churches of the Conference through solicitation in classes or other groups or by the use of membership lists (either partial or in entirety).

Approval is given to the requests of the following agencies and programs for the privilege of soliciting funds under these policies throughout the District or Conference.

- A. Christmas Offering for District programs and/or projects.
- B. The Congregational Development Fund, Inc., for the promotion of the Church Extension, New Room Society, and the John Wesley Endowment for Congregational Development.
- C. The Board of Directors for Camp and Retreat Ministries, Inc. to solicit from church groups

and individuals, materials and money for specific projects for the three camps of the North Carolina Conference.

- D. Methodist Retirement Homes, Incorporated; Methodist Home for Children; Louisburg College; Methodist University; North Carolina Wesleyan College; and Asbury Homes for the privilege of private solicitation and receipt of such funds as may be directed thereto.
- E. The United Methodist Foundation, Incorporated, as provided in its charter.
- F. The Disaster Response Committee upon joint decision of the committee and the Resident Bishop to respond to disasters within the bounds of the NC Annual Conference.

The CFA continues to recommend that 100% “Missional Service Giving” be the on-going priority. The Council also recommends that stewardship continue to be a missional focus, Conference priority.

## **VII. DISTRICT SUPERINTENDENTS’ SALARY**

The Council on Finance and Administration recommends that the formula for computing the annual salary for the district superintendents be the average of the top 25 pastors’ salaries in the Conference for the previous year, no less than the salary of the previous year. Salary is defined as cash salary plus nonvouchered allowances. In March 2021, current district superintendents requested no increase be made to the district superintendent salary in 2022. Therefore, we recommend the 2022 salary for district superintendents be set at \$112,766, reflecting no change from the 2020 and 2021 salaries.

## **VIII. ORGANIZATION and PROCEDURE** *(presented for information only)*

- A. The audit for 2020 will be by Crosslin & Associates, Nashville, Tennessee.
- B. The president, vice-president, secretary, and treasurer of the CFA shall serve as the executive committee of the Council. In addition to these individuals, at-large members of the executive committee include chairpersons of the CFA sub-committees.
- C. The Conference Treasurer will include in the monthly financial reports, for any given month, all monies received in the office by the 5th day of the following month, except when the 5th day falls on a weekend or holiday the report will include the funds received the following workday.
- D. The Treasurer may approve minor over-expenditures of a budget line item up to \$5,000 or 5% of the line item, whichever is less. A request for such over-expenditure shall be submitted in writing in advance and shall state the reason for the request. The over-expenditure will be reported to CFA and will be listed in the Conference Journal.
- E. Any Conference or non-conference agency which receives financial support from Conference funds or from any authorized conference-wide appeal in excess of \$5,000 shall submit, with any budget request, an annual detailed audited budget report of all receipts, disbursements and assets. A statement in effect that “All funds granted have been spent consistent with the Social Principles of The United Methodist Church” will be furnished to CFA upon submission of the audit. Such reports received shall remain on file in the Treasurer’s Office until reported

to CFA. An agency may be exempted (for just cause) from this reporting requirement by CFA. Note: CFA requests the Board of Institutions to provide regular reports (at least annually) regarding its financial monitoring of related institutions/programs. The financial monitoring shall include consideration of a final independent audit for the institution, pension plan, and affiliated entities, including journal entries, the auditor's management letter and any other reports of the auditors; liability insurance coverage levels; and the institution's projected budget for any subsequent fiscal years, including the current fiscal year.

- F. A carry-over of budgeted funds remaining (not including any supplemental appropriations) of up to 10% of the amount raised for the subsequent year will be allowed for Conference budget line items. Any carryover or portion thereof by this policy may be rescinded in any year in which funds are not available to meet basic ministry needs as determined by the CFA.
- G. Funds appropriated to a board or agency must be spent in the calendar year of the appropriation unless otherwise allowed.
- H. Supplemental Appropriations: The Council will consider requests for supplemental appropriations in the following priority order:

*First Priority*

- Salary and benefit items previously approved according to the policies of the Annual Conference or General Conference (i.e. Equitable Compensation Funds, staff salaries, etc.)
- Programs authorized and mandated by the NC Annual Conference which are not included in the Annual Conference budget for that financial year.
- Amounts required to provide funding for retiree pension or insurance benefits included in previously fully funded plans.

*Second Priority*

- New creative programs to respond to emerging needs and to expand the mission of the Annual Conference which are not included in the Conference budget for that year. Such programs will be funded through supplemental appropriations only on a short-term basis.
- Emergency needs and programs in the life of the boards and agencies of the Annual Conference. The petitioning group shall make such requests in writing to the Treasurer's Office at least 15 working days before a scheduled CFA meeting.

*Third Priority*

- Any other type of funding requests.

*Procedure for seeking supplemental appropriations:*

1. All requests for supplemental appropriations shall be made to the CFA President and/or the Conference Treasurer's Office in writing at least 15 working days before a scheduled CFA meeting.
2. The normal procedure for requests for supplemental appropriations will be a review by the CFA supplemental appropriations committee which will make a recommendation to the full Council.

3. If an emergency request for supplemental appropriations is received between scheduled meetings, the CFA supplemental appropriations committee will consider the request and may direct the Conference Treasurer to forward it to the membership via mail or e-mail with a recommendation for action.
- I. Interest shall be paid to/from the Board of Pension, Insurance Fund, Blackburn Scholarship Fund, Congregational Development funds using the rate of the conference interest-bearing checking account, compounded monthly, on monthly average balances held by the Conference Treasurer for interest earned in excess of service fees paid for transactions in those funds. Excess service costs of boards or committees funded outside the conference budget not covered through the conference interest-bearing account may be billed to the appropriate board or committee's fund.
  - J. Retroactive adjustments for transfer or posting delays will be made to the Board of Pension and the Insurance Fund accounts for earnings calculations.
  - K. Funds in excess of operational needs for the Board of Pension and the Insurance fund are invested in the United Methodist Foundation, Inc. of the N.C. Conference, Wespath, Inc., or other socially responsible investment funds as deemed appropriate by the respective board or committee.
  - L. In order to prevent a loss of funds due to investment risk, and in order to have funds available for emergency use, the goal of the Council is to maintain minimum reserve funds equal to 15% of the current operating budget for World Service and Connectional Ministries. Supplemental appropriations from current year earnings shall follow the guidelines in paragraph H above. Supplemental appropriations beyond current year earnings shall follow the following guidelines:
    1. If reserves are less than or equal to 20% of the current operating budget, only supplements to meet payroll for existing positions may be considered.
    2. If reserves are above 20% and below 30% of operating budget, only supplements to meet payroll for existing positions, ministries, and retiree pension or insurance may be considered.
    3. If reserves are equal to or greater than 30% of operating budget, other requests may be considered.
    4. No request may be considered if the amount requested would reduce reserves below 15% of operating budget.
  - M. Mailing address labels will be available for a nominal fee to conference agencies, clergy and lay members of Annual Conference or other United Methodists for church-related uses.
  - N. **CFA Meeting Schedule:** The executive committee meets at the call of the President. Scheduled meetings are:

## Health Ministry Team

Members of the Conference Health Ministry Team virtually attended the All People's Conference in 2020. The focus was on how to combat systemic racism and improve overall health for all people. The team plans to follow up by inviting someone from community outreach with our local hospital systems to address the conference health ministry team to explore potential partnerships.

Additionally, we have tried to amplify the voices of folks promoting mental health and providing coronavirus vaccinations, as we perceive this to be our largest health crises at the moment. Team member Sheryl Taylor worked with Chris Daniels, from the Conference Communications Team, to create an amazing **video with Dr. Robin Peace of Robeson County concerning the need for everyone to get the coronavirus vaccine.**

We have advocated for suicide prevention including team member Lindsay Collins' participation in a Council of Churches panel and team member Ryan Parker's design of a Community Clergy Training event through the Durham VA to raise awareness about suicide prevention within the veteran community. Our next priority is to advocate for the closing of the health insurance gap that exists in North Carolina.

## Insurance Committee

The Insurance Committee is to be made up of representatives from the following boards and agencies: 2-Board of Pension; 1-Board of Pension Chair; 2-Board of Ordained Ministry; 2-Joint Committee on Clergy Medical Leave; 3-Lay Members appointed by the Commission on Laity; 5-At Large Members. The following members are without vote: 1-Conference Treasurer; 1-Controller; 1-Benefits Coordinator; 1-Director of Ministerial Relations. The representative should be elected at the organizational meeting of these boards and agencies. Once elected

  - Total Benefit FILED: \$138,300

## **III. Health Insurance Benefits**

- A. Group Health

  - 2. Insurance companies who make inquiries, for the purpose of submitting proposals, will be notified of a \$200 processing fee. This fee will help cover the costs of preparation and processing of the information necessary for proposals.
  - 3. The NC Conference health care plan has been amended as necessary to comply with federal health care laws applicable to the plan.
- B. Policy and Rules
  - 1. The North Carolina Conference offers a PPO Base Plan for health insurance benefits with the option of a PPO Buy-Up plan for increased health insurance benefits. Benefits will include life insurance, pharmacy, and mental health services. Optional benefits available will include supplemental life, dental coverage, medical reimbursement, and dependent care accounts. Funding for all optional coverages will be the responsibility of the participant.

2. Medical Reimbursement and Dependent Care Accounts must be established during Open Enrollment (November 1 – 30), for an effective date of the following January 1. If you do not claim these funds prior to March 15 for the preceding plan year (plan year being the previous calendar year plus a 75 day grace period of the current year), these funds are forfeited. Participation in the Medical Reimbursement and Dependent Care accounts is contingent upon participation in the health insurance plan.
3. A change of life circumstances (birth, marriage, divorce, death, loss of spousal coverage) will allow a mid-year change. When there is a change in family status, or a change of address, it is the insured's responsibility to notify the Treasurer's Office within 30 days. The toll-free number to the Methodist Building in Garner is 1-800-849-4433 where staff persons continue to provide personal attention to insurance matters.

Members can use the MDLive telehealth service or other providers.
7. Effective January 1, 2019, diagnostic imaging services should be pre-certified.
8. Denial of claims or incorrect processing of claims should be appealed through Blue Cross Blue Shield of NC. There are two levels of appeal.
9. Payment for the church's portion of the insurance programs must be made by the church/charge treasurer. Personal checks cannot be accepted due to IRS regulations governing Section 125 cafeteria plans. The personal portion of insurance premiums must be withheld from the participant's salary by the salary-paying unit on a pre-tax basis.
10. Premiums for health and life insurance may be paid in ADVANCE on a monthly, quarterly, semi-annual, or annual basis.
11. Lay persons or clergy on maternity/family medical leave may continue their insurance coverage, as long as the premiums are paid.
12. The Insurance Committee may terminate the coverage for non-payment of premiums. Insurance payments which are 60 days late (from the due date of the bill) will result in termination of benefits. Termination will take place on the last day of the month in which the 60th day has occurred. Benefits may be reinstated without lapse in coverage if full payment is made within 30 days of the termination date. Thereafter, insurance coverage may be reinstated upon full payment and coverage will be effective the first day of the following month.

13. In case of any termination of coverage, the church is responsible for the premium until the Treasurer's Office is notified in writing of such termination.

## Media Center Report

When the COVID-19 pandemic began in March and we all started to quarantine, the Media Center began to offer online resources. Our lists of online resources for spiritual growth and Christian education for children were some of our most popular posts ever. When George Floyd was murdered, we recommended “9 Things Your Church Can Do to Fight Racism” which became our second most popular post of all time.

We continued to highlight online and anti-racism resources as we responded to the needs of our community. We re-designed our [Online Resources](#) web page to highlight study ideas for online small groups, Christian online subscription services, United Methodist online courses, and free United Methodist ebooks you can access through your local public library. We also created an [Anti-Racism Resources](#) web page and continued to feature new anti-racist resources that were added to our collection.

Through it all, we provided resource recommendations for supporting your congregation through

the pandemic, solving your church's pandemic problems, increasing giving, growing small groups, surviving the election year, choosing virtual children's curriculum, and entertaining children and youth at home. We promoted several unique virtual opportunities such as having authors Will Willimon or David Gira join your small group or viewing webinars on detecting disinformation. We co-hosted a webinar on the United Methodist video streaming service, Amplify.

Our Facebook page and Facebook group for United Methodist Small Group Leaders proved to be points of connection as we shared about virtual events, new resources, and began weekly giveaways that have been fun, built connections, and helped us move some of the items that we might normally share at annual conference. We also continued our weekly email newsletter that shared the posts mentioned above, as well as including a new section for an online resource of the week.

We continued to stay up-to-date and add newly published and older works of note to our collection with 673 items being added in 2020. Although it was a very different year, our list of most borrowed resources was similar to other years with a few notable exceptions. Adam Hamilton increased his presence on the list but made space for Amy-Jill Levine, James W. Moore, and Matthew Sleeth's *24/6*. New publications, *Virus as a Summons to Faith* by Walter Brueggemann and the new United Methodist financial discipleship program, *Saving Grace*, debuted in top spots.

Despite the closed churches, postponed small group meetings, and the Media Center being closed to in-person visitors, we added 72 new users to our database which is a few more than the previous year. We currently have 1,062 registered borrowers in our automated library system.

The NC Conference Media Center is open to all churches in the North Carolina Conference. There is no membership fee. We pay to mail items to you; you pay to mail them back. Contact us to let us know how we can help provide Christian resources for bible study, leadership, worship, and more to your congregation.

## Ministerial Education Fund Committee

The Ministerial Education Fund (MEF) is one of the most "unsung blessings" of our connectional support! In addition to being the underlying support to our seminaries, it provides invaluable support for the following ministries: Annual Conference Board of Ordained Ministry for programs they provide for clergy, both Elder and Deacon in Full Connection, diaconal ministers; scholarships for students studying for the ordained, both Elder and Deacon In Full Connection in the outstanding United Methodist seminaries and in non-United Methodist seminaries approved by the Division of Ordained Ministry and taught by seminary professors and conference leaders throughout the United Methodist Church; Continuing Education; Course of Study Schools (more than 5,000 people are involved in the Course of Study Schools); research and special programs related to candidacy and enlistment; pastoral care initiatives; clergy women concerns; racial and ethnic concerns; spiritual formation; testing and evaluation; training of boards of ordained ministry; international theological education; jurisdictional block grants; supervision issues and Dempster Fellowships. All of these ministries are funded by money from the Ministerial Education Fund. According to ¶816.1, "Of the total money raised in each annual conference for the Ministerial Education Fund, 25 percent shall be retained by the annual conference that raised it, to be used

in its program of ministerial education as approved by the annual conference and administered through its Board of Ordained Ministry.”

The general policies for the North Carolina Annual Conference’s portion of the Ministerial Education Fund are set by the Board of Ordained Ministry. Brochures with guidelines and policies for the MEF scholarships are available from the Office of Ministerial Relations.

Some interesting facts regarding MEF are:

- Hundreds of millions of dollars have been given by local congregations to the MEF since 1968.
- More than twenty-five percent (25%) of that amount from the MEF has supported conference board services in each annual conference since 1970.
- MEF supports Duke Divinity School, which for over 79 years has prepared men and women for leadership in the church as clergy and laity.

**A complete list of University Senate-approved schools is on the GBHEM website:**

**Mission Team**

The NCCUMC Mission Team has continued to serve with our ministry partners inside the bounds of the annual conference and around the world. Mission Seed Funds were primarily allocated so that church members could respond faithfully to the needs wrought by the Covid-19 coronavirus. Congregations found creative ways to minister with their communities under safety restrictions. As we begin to emerge from the global crisis, we continue to empower churches to engage with their neighbors in new and life-giving ways, reflecting the love Christ has for us.

Our Project Agape sisters and brothers in the Republic of Artsakh, Armenia were brutally attacked

and forced to flee their homes, businesses, and churches, leaving behind everything to start over in Armenia proper. Project Apape has reestablished in a new location and we are helping in the resettlement efforts. We continue to support Ganta Mission Station in Liberia, the Methodist Church in Peru, and Mission of Hope at Rotifunk Hospital in Sierra Leone, our missionaries in El Salvador, and the emerging churches in Vietnam. In the name of Jesus, individual lives and whole communities are changed around the world through the faithful ministries of the NCCUMC.

## Multicultural Ministry Committee 2020

God's grace and peace to you. We are thankful for this time in dry parched places of Jesus's Resurrection, who has given us resurrection life and love in this uncertain pandemic.

We are grateful for the virtual Zoom connection to continue the work of our committee. Our accomplishments were works of love and action. We did a Sunday Worship Service, Celebrating Diversity June 28, with ethnic clergy and laity participants. Our youth participated in the Youth Pentecost Worship Sunday and Pilgrimage and did awesome. We are in conversation for a liaison ethnic youth representative on the NCCUM Youth Ministry. We assisted in support to clergy and congregations with Zoom grants for connections to worship, bible study and administration meetings. There were several churches awarded CPI grants for outreach ministry; The Feast Gathering, "Ablaze" a Community Celebrating CHRIST Together, Multi-Cultural Community Pilot Project, Native American Cooperative Ministries and Sacred Pathways. These grants will support; improving health and well-being with nutritious food, educational and social needs, tutoring, individuals experiencing poverty with meals, discipleship and reaching out to youth, congregation and communities to bring racial awareness and breakdown the barriers that divide.

As a part of the committee and staff leadership team, Rev. Ernesto Barriguete and Rev. Linda Harris, are in conversation on Anti-Racism, Diversity and Inclusion Strategy and Consultation meetings, keeping our committee informed on the progress.

We appreciate Bishop Ward for meeting with the Native American Indian Clergy, we give thanks for that opportunity. The Committee has prepared the budget and met with the Connectional Table for Multicultural Ministry needs.

Thank you to our committee, conference and others that support this ministry of diversity and inclusion of the NCCUMC. As scripture truth in Galatians 3:28 "There is *neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus*", guides us to love one another, as Christ loves us and to be one in Christ Jesus.

—Multicultural Ministry Chairperson  
Larmari Louise Mitchell

## North Carolina Council of Churches

With 18 denominations representing over 6,200 congregations in N.C., the Council provides incarnational evidence of Christian Unity. By creating unity without expecting uniformity, member bodies collaborate on matters that contribute to the flourishing of God's creation. We are grateful to the North Carolina Conference of The United Methodist Church for their support and for the leadership on our Governing Board provided by the Rev. Ernesto Barriguete, Conference Staff, Clayton, NC, the Rev. Claire Clyburn, First UMC, Graham, NC, and the Rev. Albert Shuler, retired, Durham, NC.

Currently our priority areas include:

- **Anti-Racism Project:** A few days after George Floyd was killed, the Council's Governing Board approved a policy statement that, among other things, called on white Christians to take seriously the work of dismantling racism. To help us see what needs to come apart, the Council staff have put together a 12-series project that systematically examines the structures contributing to racial inequity. Each lesson examines a specific issue from three angles: personal witness, demographic evidence, and the faith imperative. This final piece will also include concrete action items that individuals and groups can perform to start the process of taking down the structure of white supremacy. We hope this resource will be a place to take hold and start acting to end racism. It is designed to be used in group study or by individuals. We imagine it as a pilgrimage of sorts, a way to begin walking toward a world we all want to inhabit, the world of flourishing peace that God already knows we can have. For more information, contact [info@ncchurches.org](mailto:info@ncchurches.org).
- **Confederate Monument Removal:** Related to the above, but with its own emphasis, the Council has joined the work of the N.C. Commission on Racial and Ethnic Disparities in Criminal Justice in their effort to move confederate monuments from courthouse lawns. For more information, contact: [info@ncchurches.org](mailto:info@ncchurches.org).
- **Our NC Interfaith Power & Light (NCIPL) work** is expanding to become the Eco-Justice Connection (EJC). This larger program scope is a multi-faith program focused on environmental and climate justice, while NCIPL will still focus on energy democracy and climate policy. Our program mission continues to be to educate, inspire, and mobilize people of faith and conscience in this state to act on climate change as a moral imperative. For more information, contact [susannah@ncipl.org](mailto:susannah@ncipl.org).
- **Partners in Health and Wholeness (PHW)** provides tools to help faith communities form healthy habits including exercise, healthy eating, mental health awareness, and smoking cessation by supporting congregation based health ministries with resources and mini-grants. Mini-grant applications will be received June 1 through July 30, 2021. Other PHW focus areas include mental health, substance use disorder, and issues related to healthy aging. Additionally, to assist with Covid-19 vaccinations we facilitated partnerships between the Department of Health and Human Services and faith communities across the state with an emphasis on rural and marginalized areas to aid in the equitable distribution of the COVID-19 vaccines. For more information, contact [phwinfo@ncchurches.org](mailto:phwinfo@ncchurches.org).
- **The Opioid Crisis, the Faith Community Responds** educates faith leaders about compassionate

responses to the growing overdose crisis and offers ways for congregations to become involved by connecting them to resources in their communities, such as a harm reductionist. If you would like to host an event or learn more about this project, contact [elizabeth@ncchurches.org](mailto:elizabeth@ncchurches.org).

- Gun Violence Prevention advocacy focuses on telling the truth about gun violence in our country. We know the majority of gun deaths are suicides; the next highest number is homicides, usually among people who know each other or who are related to one another. Our work is to help people understand how guns end up in places that create great harm and what each of us can do to make all of us safer. For more information, contact [jennifer@ncchurches.org](mailto:jennifer@ncchurches.org).

Over the course of this year, the Governing Board approved the following policy statements which can be found on our website along with other statements from previous years:

- Statement on Staying Home (April 24, 2020)
- Statement on Systemic Racism (June 2, 2020)
- Statement on Removing Confederate Symbols Where Justice Is Sought (January 26, 2021)

We craft these statements in keeping with our interpretation of the prophetic witness of the Old Testament and the gospel message of the New Testament.

Currently, other areas of emphasis include living wage promotion, criminal justice reform, Medicaid expansion, and redistricting reform. Resources are available online and our staff is available to help your congregation address any of the myriad concerns that arise in our contemporary setting. If you have any questions or are interested in more information, please contact us at [info@ncchurches.org](mailto:info@ncchurches.org), or call our office at 919-828-6501.

### Report B – Recommendations for the Pension Program and Post-Retirement Benefits

#### I. Funding Plan for Supplement One of the Clergy Retirement Security Program

- A. **Defined Plan Benefits:** Supplement One of the Clergy Retirement Security Program (Pre-82 Plan) provides defined benefit pension benefits to participating retired clergy for all service rendered to the North Carolina Conference through December 31, 1981. This plan will continue until all pastors with past service benefits and their surviving spouses are deceased and is administered by Wespath Benefits and Investments.
- B. **Current Past Service Rate:** For many years, The Book of Discipline has defined Pre-82 Plan defined benefits as a fixed payment per year of past service. This fixed payment is the Past Service Rate (PSR). The benefit goal is stated to be a PSR of 1% of the Conference Average Compensation (CAC). The **2021** CAC for the North Carolina Conference is **\$77,555**. The **2021** PSR is **\$793** or **1.02%** of the CAC. Our Conference Board would like to maintain a PSR of at least 0.9% of CAC. North Carolina CAC has increased by an average of **1.37%** per year over the past 10 years. We estimate future PSR increases to average approximately 2.5% each year.
- C. **Funded Status:** The Conference is required to fund all future benefits of the Pre-82 Plan by December 31, 2021. Funded Status (previously called unfunded liability) is the difference of the current assets held by Wespath for future benefits of North Carolina participants and the total present value of all future benefits to be paid under the plan at the approved PSR. Wespath values assets and liabilities of the plan every two years and projects data to current years based on the increase in PSR and investment earnings. For the **2021** Funding Plan, Wespath and the Conference use an assumed earnings rate of **6.375%**.

Wespath Benefits and Investments has determined that the portion of the pre-82 plan liability attributable to North Carolina Annual Conference is **\$29,490,788** with a 2.5% PSR increase assumption based on a **2021** PSR of **\$793**. Plan funds currently held with Wespath Benefits and Investments have a value of **\$20,806,947** as of January 1, **2021** (for **2021** funding plan).

The difference between the total plan liability and current plan funding is **\$8,683,841**. This represents the unfunded plan liability and will be provided through non-plan funds that are held in various investment sources. The Conference intends for contributions to be made within the **1-year** period, ending December 31, 2021. The minimum annual contribution due December 31, **2021**, is currently estimated to be **\$3,558,082**.

- D. **Funding Plan for 2021:** Our conference pays for plan benefits through several potential funding sources. Both the interest and principal of non-plan funds may be available for retirement funding needs. Below is a description of the non-plan assets available to pay the present value of future contributions. Our Conference expects to utilize funding from previous annual apportionments from the local churches and earnings on those invested

apportionment funds as the primary source for pre-82 pension funding. This funding plan was originally approved by the 1991 Annual Conference with revisions approved by the 2013 Annual Conference.

The Conference maintains a General Deposit Account with Wespath Benefits and Investments that has a value of **\$11,502,610.44** as of January 1, **2021**. Both the interest and principal from this account are available to meet future contribution requirements.

The Conference maintains and manages various liquid asset accounts that are available for Supplement One of the Clergy Retirement Security Program funding. The current values of these accounts are **\$250,529** as of January 1, **2021**. Both the interest and principal from these sources are available to meet future contribution requirements.

The Superannuate Endowment fund has a value of **\$907,421.94** as of January 1, 2021. All of it is available except for the original balance of \$87,195.39, from which interest only is available.

The **2021** funding plan as of January 1, **2019** is summarized below:

Supplement One of the Clergy Retirement Security Program funding Liability:

Assuming a PSR Increase of 2.5% .....	\$33,419,201
Current Plan Funding as of 1/1/19.....	\$20,806,947
Funded Status as of 1/1/19 .....	(\$12,612,254)
Expected Funded Status as of 1/1/2021 .....	(\$7,474,148)

Additional Plan Assets (as of 12/31/20):

General Deposit Account (Wespath) .....	\$11,502,610
Conference Managed Liquid Asset Accounts .....	\$250,529
Conference Superannuate Endowment Fund (Wespath).....	\$907,421
Total Additional Plan Assets .....	\$12,660,560

Proposed Past Service Rate: The **2022** CAC for the North Carolina Conference is **\$79,471**. We propose that the past service rate beginning January 1, **2022** be increased to **\$813.00** per service year, or **1.02%** of the CAC. Assuming 2.5% future PSR increases and **5.5%** investment earnings, this increase creates an unfunded plan liability of **\$29,836,375**. The minimum annual contribution due December 31, **2022** is currently estimated to be **\$1,054,797**.

**II. Ministerial Pension Plan (MPP)** (effective through December 31, 2006)

Guidelines for the Ministerial Pension Plan and the Comprehensive Protection Plan are contained in the plan document. A copy of the summary plan document is available on request by contacting the Benefits Team in the Treasurer’s Office.

- A. Service on and after January 1, 1982 through December 31, 2006 was funded on a defined contribution basis. This plan is basically deferred salary and creates no unfunded liability because it builds an account of funds for a specific minister as his/her salary is paid.
- B. These contributions were placed in the individual minister’s Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.

- C. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.

4. Any funds remaining from a pastor's non-participation in the matching component will be redirected to fund the liabilities of other components of the pension plan.

H. Plan Compensation is calculated by Wespeth according to the plan document:

1. Vouchered travel and utilities paid directly to utility companies are not used in Plan Compensation calculations since this is considered by Wespeth Benefits and Investments to be a local church expense.
2. Clergy couples housing:
  - a. When only one of the spouses is furnished a parsonage, the one furnished the parsonage includes the housing allowance.
  - b. When one spouse is furnished the parsonage and the other a cash allowance, the one furnished the parsonage will use the 25% housing allowance and the other will report the actual cash housing paid.
  - c. When two parsonages are furnished each spouse claims a housing allowance.
  - d. When neither is furnished a parsonage, the actual cash housing allowance may be counted by the person/or persons receiving the allowance.

3. In accordance with the plan document, the housing allowance for those furnished housing is 25% times the cash salary.
4. Those furnished a cash housing allowance will report the actual amount in accordance with the plan document.
- I. The Clergy Retirement Security Program contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office.
- J. The Defined Contribution portions are placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.
- K. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.

#### **IV. Comprehensive Protection Plan (CPP)**

1. This part of the program contains provisions for a death benefit and disability income. In addition to the provisions of a death benefit for the pastor, there is a death benefit on the life of the spouse and dependent children under age 18 or who are dependent because of disability. The Comprehensive Protection Plan also includes educational benefits for the children of a deceased minister. This part of the plan is only available to those ministers covered under the CPP.
  2. Effective January 1, 2002, the disability benefit equals 70% of plan compensation, with plan compensation capped at 200% of the DAC. (The DAC for 2021 is \$74,199 and for 2022 is \$75,570). The disability benefit is reduced by any disability benefits payable under the Social Security Act. This revised benefit applies only to eligible clergy whose disability effective date, as determined by Wespath Benefits and Investments, is on or after January 1, 2002.
  3. The Comprehensive Protection Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office. (Effective November 1, 2004)

For 2021, the cost is a total of 3% of the actual Plan Compensation up to 200% of the Denominational Average Compensation (DAC). The pastor shall be required to pay 1% of Plan Compensation (up to 1% of 200% of DAC) on an after tax basis and the church or charge shall pay 2% of the Plan Compensation (up to 2% of 200% of DAC). ¶1506.15 in The Book of Discipline 2014.

**V. Transition Fund (TF)**

- B. For specific eligibility and program details, refer to the Treasurer's Office Transition Fund webpage.
- C. The Annual Conference retains approval authorization for any changes to the Transition Fund. No changes are proposed for 2021.

**VI. Implementation of the Program**

The benefit program adopted by your Conference Board of Pension seeks to provide a wider range of support for the minister's family through death benefits for every member of the family, disability income for the minister in time of great stress, educational benefits for children of deceased ministers, minimum annuity benefits for surviving spouses, and clergy benefits based on the Denominational Average Compensation (DAC).

- A. Costs of the Clergy Retirement Security Program/Comprehensive Protection Plan will be borne by the local charge as an item of ministerial support according to the Plan Compensation of the minister and the category of the charge.
  1. Effective January 1, 2022  
 FULL TIME (100% Appointment Time Conference Member/Local Pastor) – 2% of Plan Compensation for CPP (up to 2% of 200% of the DAC) and 7.3% of Plan Compensation for CRSP – Defined Benefit portion and 3% of Plan Compensation for CRSP – Defined Contribution portion. Of the 3% CRSP-Defined Contribution funding, a 2% non-matching contribution will be made to the participant's UMPIP account with 1% matching if the participant makes a contribution of at least 1% to their UMPIP account. Any funds remaining from a pastor's non-participation in the matching component will be redirected to fund the liabilities of other components of the pension plan.

### **VIII. Intent**

The North Carolina Annual Conference established health, dental, and life insurance plans with the intent of providing coverage for the active pastors. However, the Annual Conference reserves the right to terminate the health, dental, and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plans without the consent of the individual participants.

### **IX. Special Provisions**

The North Carolina Annual Conference Board of Pension is hereby authorized, at its discretion, to arrange with Wespath Benefits and Investments for active participation in the CRSP and/or CPP by persons who are eligible under special rules but not automatically included as active participants. (CRSP Plan Document Section B3 and CPP Plan Document Section 3.)

### **X. Conclusion**

Our constant aim is to provide our retired families with their needs for an adequate income to purchase essentials for living as well as to insure adequate care in case of illness. To these ends our recommendations are directed, and their satisfaction is found in the acceptance of the North Carolina Conference and its membership.

## **Report C – Housing Exclusion Allowance (For Income Tax Purposes Only)**

### **Resolutions Relating to Rental/Housing Allowances for Retired, Disabled, or Former Clergypersons of the North Carolina Conference**

The North Carolina Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, terminated or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, terminated and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

1. THAT an amount equal to 100% of the pension, severance or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the “Discipline”), which includes all such payments from Wespath Benefits and Investments (“Wespath”), any amounts received from the Minister’s Transition Fund (MTF) and including amounts received in this respect from the Duke Endowment, during the year 2021 and 2022 by each active, retired, terminated or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and
2. THAT the pension, severance or disability payments to which this rental/housing allowance designation applies will be any pension, severance or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated or a disabled Clergyperson’s pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergy person's gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2) and regulations thereunder to the least of: (1) the amount of the rental/housing allowance designated by the Clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy person to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergy person or former clergy person is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

Please Note: There is no place on your 1040 Tax Form to list this Housing Exclusion. Wespath Benefits and Investments has provided a sample statement to be used: "I received \$\_\_\_\_\_ from Wespath Benefits and Investments, Incorporated in Missouri; and/or from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the Discipline and \$\_\_\_\_\_ from the Duke Endowment and \$\_\_\_\_\_ from the Ministers' Transition Fund (total \$\_\_\_\_\_) as reported on the attached 1099 - R's. I did not include that amount on Line 16b because \$\_\_\_\_\_ \* has been excluded under provisions of IRC Section 107 of the Internal Revenue Code as a rental allowance exclusion. As a retired clergy person, I am entitled to take this rental allowance exclusion." (\*In this blank put the least of the 3 amounts on your Housing Exclusion Worksheet.)

Attach this note to your 1099-R forms.

## Refugee & Immigration Committee

Like Many Committees in the Conference, The Refugee & Immigration Committee activities were impacted by the Covid 19 pandemic and resulting restrictions on gatherings and travel. A key initiative meant to build awareness and highlight immigrant living conditions at the US Southern Border in collaboration with Hope for Humanity was delayed until later in 2021. In recognition of this and the major impact that the pandemic had on refugee and immigrant families, the R&I Committee focused its 2020 funding grants on partnering with organizations that directly served the immigrant communities and promoted our strategic priorities of building relationships; supporting ministry and works; and building awareness.

2020 funding grants included support for a workshop advocating for Temporary Protected Status; funds to support immigration legal services for refugees and immigrants applying for immigration benefits; and funding for immigrant families impacted by the Covid 19 pandemic in partnership with local immigrant community organizations. We also believe in and support the mission of the new Fayetteville Justice for Our Neighbors immigration legal clinic providing legal services for refugees and immigrants in North Carolina. Our hope is that as restrictions ease in 2021, we will be able to re-energize our committee efforts to build awareness of the issues facing refugees and immigrants in the US as they strive to live and work here.

## Residency in Ordained Ministry Committee

### Residency in Ordained Ministry RIOM Relations Team

The NC Conference considers the Residency in Ordained Ministry (RIOM) a time of nurturing residents as they continue to move from readiness to fruitfulness. The church has publicly acknowledged God's call and the response, talents, gifts, and training of residents. Now as Provisional Deacons and Elders, it is a privilege to continue to support and encourage them, as well as:

Ground them in their baptismal identity and a rule of life to sustain them for a lifetime of joyful service in the UMC.

Connect them to one another, the Board of Ordained Ministry, conference leaders and peers, laity, members of their churches and local communities, and their local contexts.

Equip them through ministry reflection, self-awareness, and practical appreciative leadership tools.

Our overall curriculum utilizes authors, bloggers, video vignettes, and visits and readings from UMC pastors—all speaking to ministry tools and practices to sustain residents in their work and deepen their journey from readiness to fruitfulness.

Reflection—communally and individually, is key. Each resident becomes part of a monthly covenant *narrative peer learning community* for accountability, support, and learning so they may practice articulating integration of the academy and the practice of ministry. Participants are considered a collaborator in the learning process and are asked to take responsibility for their own growth in ministry. Each group is led by ordained clergy from our conference who have received training in *narrative peer learning* facilitation. Each resident is also given an individual RIOM coach to journey with them as a confidential theological thinking partner to help connect and integrate monthly meetings and topics, large group gatherings, and work in their local context.

The RIOM Relations team (Tyler Williams, Kelly Lyn Logue, Sarah Lancaster, Ben Alexander, Trip Lowery, Veronica Livingston, Amie Stewart, and Susan Graebe) is grateful to everyone who contributed to a wonderful year, especially our coaches and our Covenant Group Leaders: Claire Clyburn, Larry Bowden, Rich Greenway, Andrew Phillips, Patrick Murphy, Shawn Blackwelder, Laura Wittman, and Kevin Baker.

## COSROW

Philippians 1:6 reads, “I am confident of this, that the one who began a good work among you will bring it to completion by the day of Jesus Christ.” COSROW, the Commission on the Status and Role of Women, this past year carried on doing the faithful work of justice and empowerment for women. While the pandemic brought significant change in our lives, we adapted to the times.

Our COSROW book clubs moved to online gatherings. Clergywomen from across our conference

engaged in great reads each month. Stay tuned for the release of a new book list soon. Clergywomen, it's never too late to join in on the fun!

While much work is still to be done, the pay gap decreased this year. In the past, a clergywoman made 88 cents to the dollar of her male clergy colleague. Currently, the rate is at ninety-four cents to the dollar. This is significant progress in the right direction! Let's carry on to eliminate the gap!

This past year we held our first two-part first transition seminar designed for clergywomen. This program empowered clergywomen with wisdom and tools to use while serving in the first year of a new appointment. Rev. Dr. Grace Pak of GCORR led both seminars.

During Women's History month of this year, we shared a biography every day during the month of March. Biographies highlighted pioneering women of faith. These biographies are available on our NC COSROW Facebook group.

As our world adapted to the pandemic, COSROW adapted and carried on with doing the needed work of justice. March 5th of 2021 marked the 65th anniversary of clergywomen's full rights and ordination in the United Methodist Church. We celebrate; we persevere, led by the Spirit, as God continues to do great things through our NC COSROW team.

## Safe Sanctuaries Update

Our Conference Safe Sanctuaries Team is tasked with providing training, resources, and oversight to all churches in the North Carolina Annual Conference so that children, youth, and vulnerable adults entrusted to the care of our churches are safe and protected. Every church in our Conference is required to have a Safe Sanctuaries policy in place that is enforced, reviewed regularly, and updated as needed. However, many congregations fail to recognize the significance of this responsibility. Our team often encounters churches that are in denial that abuse can happen in their congregations and, because of that, do not take their Safe Sanctuaries policy as seriously as they should. We also recognize that there is not a one-size-fits-all Safe Sanctuaries policy that can be applied to every church. Policies should reflect the unique context and ministries of each local church.

We understand the struggle that churches experience as they seek to have honest, and sometimes difficult, conversations around Safe Sanctuaries. But we also understand the connection between Safe Sanctuaries and every single ministry our churches offer. It is our goal to help bridge the gap so that local churches can faithfully live into their policies while extending grace, love, mercy, and hospitality to everyone as we work together to make disciples of Jesus Christ for the transformation of the world.

Due to the pandemic, there have been changes to the team. We have an entirely new team and so they need to be oriented to what the purpose of this team is. Also, because it's a new team, we need to envision new goals--how are we going to keep our church communities safe in a post-pandemic world?

The Committee offered an opportunity for participation in an interactive, on-line Safe Sanctuaries training course this past year. It was well-attended.

## Sexual and Professional Ethics Committee

Those in church leadership positions, both clergy and laity hold power and authority, and are called to maintain an environment that is safe for people to live and grow in God's love.

Servants in ministerial leadership have the responsibility to avoid actions and words that hurt others as well as to protect the vulnerable against actions or words that cause harm. Every member of the clergy is a symbol of religious authority. Clergy interpret religious truths, the meaning of life, the way of faith, and even the reality of God for many people. Clergy have the ability to offer words and acts of comfort and compassion during difficult life circumstances and during some of the most intimate moments of the human experience. This is a sacred trust.

Yet sometimes persons in church leadership positions violate the trust given them. Sexual and professional misconduct within ministerial relationships inhibits the full and joyful participation of all in the community of God, hinders the mission of Jesus Christ, and is a betrayal of our sacred trust.

The North Carolina Conference is committed to making every reasonable effort to prevent such incidents by requiring comprehensive training on sexual ethics for every person under Episcopal appointment. However, it is both the ethical and legal responsibility of the Annual Conference to establish procedures for making and responding to complaints in matters of misconduct.

The North Carolina Conference, in accordance with the 2016 Book of Discipline has established policies and procedures for responding to incidents of misconduct. These guidelines, in addition to a supervisory response, also offer a pathway of healing for all persons directly involved: the complainant and their families, the respondent and their families, and the congregation that is affected. The healing process will be facilitated by a team of laity and clergy to be known as the "Support Team for Congregations." The team members are located in all areas of the conference. They have been trained and are available to serve when called upon by the Bishop and Cabinet.

In additions to incidents of misconduct the Support Team for Congregations will also be available to provide a healing ministry for other crisis situations that may occur in the life of a congregation.

When a crisis occurs in a congregation due to misconduct or other critical incidents, the effects can be devastating. In the aftermath of a crisis extreme disruption in the life of the congregation may occur. Misdirected anger at congregational, district, and conference leadership, ongoing divisions in the church family, loss of trust, loss of members, a climate of anxiety, gossip and conjecture, embarrassment and isolation from the community, and failure to focus on the mission are often reported. The disruption may continue for many years through the course of several pastoral appointments. However, when a healing ministry is offered many times the congregation will emerge stronger and more united than ever before.

With the guidance of Bishop Ward and Beth Hood, the Assistant to the Bishop and Director of Ministerial Relations, the North Carolina Conference is prepared to respond to a critical incident with Christ-like compassion, accountability measures, reconciliation, and a healing process so that all may experience God's grace and once again focus on their mission to make disciples of Jesus Christ for the transformation of the world.

*—Emily Innes, Chairperson of Sexual Ethics and Coordinator for the Support Team for Congregation*

## Strengthening the Black Church Committee

The committee for Strengthen the Black Church began their tenure by developing ideas that would engage black clergy within the North Carolina Conference. Our strategy for this committee included the development of a comprehensive plan of inclusiveness, a solid vision and mission, support for black pastors and those in cross-cultural appointments and a survey to assess the needs of laity and clergy within the black church.

The committee put together a program entitled "Lifting Our Voices Together" to corporately define the priorities of the Black Church for the New Quadrennial. The design of the program was to discuss the results of the survey, educate clergy on committees within the conference, provide contacts for resources outside the conference, and aid with grant writing for those who need assistance with applying for resources for their churches. Some of the takeaway from the survey and seminar were that black clergy are underrepresented on conference committees, they lacked knowledge of available resources to sustain their churches, and finally that black clergy did not feel appreciated or affirmed by NC Conference. As a collaborative effort of the committee, we informed those who attended of the different positions within the conference that they could serve, provided resources and contacts for financial and education support, and proposed a roundtable discussion to determine why black clergy fail to support programs such as Lifting Our Voices and other empowerment programs.

One of our primary objectives are to create a network within black clergy so that dialogue and support within this community could take place. We discovered that communication and support for programs implemented by Strengthen the Black church has a huge void thereby making progress difficult with the black church community.

## Trustees, Board of

The Board of Trustees of the Annual Conference works to fulfill responsibilities outlined in paragraphs 2512-2516 of the 2016 *Book of Discipline*, as well as the new paragraph 2553 approved at the special session of General Conference 2019. The following report provides details of primary responsibilities and activities of the Trustees since the 2020 Annual Conference.

## The United Methodist Building

The United Methodist Building was completed in 2010 and has had only relatively minor

maintenance issues since that time. Anticipated capital improvements over the next few years include carpet replacement, painting, and potential overhaul or replacement of HVAC units due to normal wear and tear. Funding for capital improvements will be paid from capital reserves held in investment funds in the United Methodist Foundation.

## Closed Churches

- Ahoskie (Ahoskie) - Beacon District – merging with Murfreesboro UMC June 2021
- Bethel (Burlington) – Corridor District – property sale pending June 2021
- Crossroads W. Campus (Fayetteville) – Gateway District – church closed July 2020
- Leah's Chapel (Louisburg) – Heritage District – church closing June 2021
- Mighty Wind (Kill Devil Hills) – Beacon District – merged with Kitty Hawk UMC January 2021
- Spring Lake (Spring Lake) – Gateway District – church closing June 2021
- St. James (Pembroke) – Gateway District – church closed and property sold January 2021
- Wesley Heights (Fayetteville) – Gateway District – church closing June 2021

The Board of Trustees continues to receive local church properties as they are closed in compliance with the *Book of Discipline*. The Trustees are working in partnership with Church Transformation Ministries on the evaluation and recommendation for redevelopment or disposal of closed church properties. Church Transformation Ministries expects to increase the number of churches with which the ministry works in the coming years. Redevelopment work happens in partnership with other ministries in active local churches. The United Methodist Real Estate Foundation or other property management and realty companies assist the Trustees in the marketing and sale of closed church properties as needed. Proceeds of closed church sales will be held by the Trustees in an investment account using earnings to help sustain the ongoing efforts of Church Transformation Ministries, New Faith Communities, and the Trustees' work with closed church properties such as cemeteries. Conference Trustees may receive recommendations from district superintendents and/or District Boards of Trustees regarding the use of the proceeds from the sale of closed church properties and other assets. The Conference Trustees will evaluate recommendations and make disbursements as approved by the Board in accordance with provisions of the *Book of Discipline*.

## Conference Parsonages and Property

The Board of Trustees provides funding for Conference executive clergy staff positions with housing allowances in lieu of parsonages. Funding to pay the clergy staff housing allowances is provided through the Conference budget. In 2013, investments from prior conference parsonage sales were added to the funding generated through district parsonage sales to furnish housing allowances to district superintendents. Funding needed for district superintendent housing allowances is to be generated from earnings on the investment of the sale proceeds from conference and district parsonages. The investment in the United Methodist Foundation from conference and district parsonage sale proceeds total \$5,615,860 as of December 31, 2020.

Following the sale of the Episcopal Residence in April 2020, net proceeds of the sale were added to capital funds being held for capital repairs to the property and were invested with the United

Methodist Foundation. Earnings on the investment will be used to provide the Episcopal housing allowance in the future. The investment in the Episcopal Housing Fund had a market value of \$1,105,592 as of December 31, 2020.

## **Frederick and Closs Peace Wardlaw Bequest**

The Conference Trustees oversee the remaining assets of the Wardlaw bequest, given with the stated preference of providing a retreat or renewal location for clergy of the Conference. Retreat centers have been constructed in partnership with the NC Camp & Retreat Ministries at Camp Don Lee and Camp Chestnut Ridge. Funds remaining from the Wardlaw bequest are being held for potential maintenance needs for the retreat centers and have a value of \$110,769 as of December 31, 2020.

## **Property Insurance**

The Book of Discipline provides that one of the responsibilities of local church Trustees is to review insurance annually in order to ensure that the church, its properties and its personnel are properly protected against risks. In evaluating these levels of protection, the Conference Trustees recommend the levels of coverage approved by the General Council on Finance and Administration\*. In general, the recommendation includes the following types and levels of coverage as guidelines for property and casualty insurance coverage:

- Building and business personal property insurance at full replacement cost,
- General liability coverage at \$1,000,000,
- Physical abuse and sexual misconduct liability coverage at \$1,000,000,
- Pastoral professional liability coverage at \$1,000,000,
- Employee dishonesty and crime coverage at levels adequate to cover assets held by the church – each church needs to evaluate this coverage independently,
- Directors and Officers liability coverage at \$1,000,000,
- Umbrella policy coverage at \$1,000,000, and
- Workers' Compensation coverage at \$1,000,000 for all employees whether or not the church meets the minimum requirements under North Carolina law.

*\*Details of the GCFA recommendation can be found at:*

*<https://www.gcfa.org/services/legal-services/minimum-insurance-requirements/>*

Property insurance for the NC Annual Conference property is insured through the denominational insurance provider, United Methodist Insurance (UMI). In addition to conference insurance coverage, UMI provides coverage options at competitive costs for local churches that meet all of the recommended coverage levels provided above.

## **Mission Endowment**

The 2016 *Book of Discipline* gives the responsibility to receive and administer restricted donations for the annual conference in paragraph 2512.3.a. to the Annual Conference Board of Trustees. The North Carolina Annual Conference has established a permanently restricted asset fund with the goal of endowing in perpetuity funding for new mission endeavors within the North Carolina

Conference. In September 2020, a request was received to permanently name the Mission Endowment for Home Missioner and former Conference Lay Leader, Gary Wayne Locklear, who had just recently passed in the COVID-19 pandemic. Gary Wayne Locklear embodied the spirit of service and mission intended by the Mission Endowment. The Board of Trustees approved renaming the Mission Endowment to the Gary Wayne Locklear Mission Endowment in appreciation for Gary's lifetime of service and witness. The balance of the Mission Endowment as of December 31, 2020, was \$1,586,225. Applications are being received for 2021 ministry investments through the Mission Endowment and will be announced during or just following Annual Conference 2021.

### **Local Church Disaffiliation Agreement Update**

As required by the legislation approved by the 2019 Special Session of the General Conference of The United Methodist Church, the Board of Trustees has developed a process of disaffiliation for any churches in the NC Conference that express an interest in doing so under the provisions of the *Book of Discipline* paragraph 2553. The legislation approved by General Conference required the Board of Trustees to confer with the Cabinet and a variety of other officers of the conference. Many elements must be included in the process, such as a standard disaffiliation agreement, calculation of Conference and local church pension liabilities based on market factors, and additional terms to be included in all agreements. The consultation has been completed and the Board of Trustees approved a standard disaffiliation agreement in June 2020. Requests for discussions of the disaffiliation process should be directed to the District Superintendent of the local church and Church Transformation Ministries. All requests will be coordinated through Church Transformation Ministries in consultation with the Bishop, Cabinet, and Board of Trustees.

The Conference Board of Trustees seeks to be faithful stewards of the assets of the North Carolina Conference. All financial activities and assets held by the Conference Board of Trustees are included in the audit of financial records of the Conference. Full reports of this activity are available from the Conference Treasurer's Office. We will continue to manage property of the Conference to the best of our ability with thanksgiving to God and in compliance with the Book of Discipline.

## **Maryella Bruton Cameron**

1949 - 2021

Maryella Bruton Cameron, 79, of Apex, NC passed away peacefully at home on Friday, April 23, 2021 after a courageous battle with cancer. A native of Mount Gilead, NC, Maryella was the daughter of the late Ella Harris Bruton and Clay Livingston Bruton. She was born in Montgomery County, NC and was a graduate of Mount Gilead High School. Maryella treasured her lifelong friendships with her high school classmates.

Maryella loved to learn—even after graduating from UNCG in 1964, her thirst for knowledge kept her seeking out new information; she thought that the invention of Google was the best thing ever! Maryella and Hugh enjoyed traveling together and she would extensively research locations before their many trips. She was also a master seamstress and children's clothing designer; learning about heirloom sewing and machine embroidery was one of her favorite ways to spend a useful day in her sewing room. In her retirement years, Maryella managed the Bruton family business on Lake Tillery.

Maryella's love for learning was mirrored by her love for teaching. Working with students to gain confidence in public speaking, teaching grandchildren to bake and sew, creating "teachable moments" out of everyday events, and mentoring younger coworkers—she poured out her love and energy into helping others discover their potential. Being married to a United Methodist pastor meant that Maryella lived in quite a few different towns throughout her adult life, therefore, she was blessed with many special friendships in each place she lived. Maryella and Hugh chose to retire in Apex and lived there for the longest period of their married lives, developing cherished friendships through their involvement in Apex United Methodist Church.

Maryella was preceded in death by her parents, siblings, and daughter, Catherine Lee Cameron and we are confident in the joyous family reunion in heaven as they celebrated her homecoming. The most important part of Maryella's life was her family. In addition to her loving husband of 57 years, Hugh, she is survived by two dear daughters and sons-in-law: Betsy and Eric Tang of Kernersville,

and Julie and Jeff Oram of Apex, plus her “work daughter”, Leigh Roach (Andy). She also leaves behind the best part of her later years, 6 precious grandchildren: Ashley Tang-Halverson (Isaac), Kristen Gates (Cameron), Rachel Tang, Abby Cameron, Cameron Oram, and Sol Oram. In addition, Maryella loved and was loved by numerous cousins, nieces, and nephews. Maryella lived a life “well-loved.”

A private funeral service celebrating her life was held Tuesday, April 27 at Apex United Methodist Church with Rev. Laura Katherine Stern and Rev. Gray Southern officiating the service, and Rev. Tim Catlett via Zoom.

## Daniel Thomas Earnhardt

1939 - 2020

The Rev. Daniel Thomas Earnhardt, died at the age of eighty at his home in Greenville, NC, July 30 2020, the result of an accident which took his life. He was born in Durham, to the Rev. Daniel Edwin Earnhardt and Esther Boddie Roberts Earnhardt, October 2, 1939. Dan was born into a family of Methodist ministers, with both his father and grandfather, as well as his brother Ed, all serving in North Carolina Methodism. In fact, there have been Earnhardts serving in both North Carolina Conferences since the Rev. Stokes A. Earnhardt heard the call to ministry at Matton's Grove Church, in Stanly County and entered the Blue Ridge-Atlantic Conference of the Methodist Episcopal Church in the mid-1800's. Dan's father was a renowned leader in the North Carolina Conference whose service included his appointment as President of Louisburg College.

Dan was following an outstanding and remarkable legacy. When he arrived at High Point he discovered his roommate, James Donald Phillips, was also studying for the ministry. They joined the same fraternity, Delta Sigma Phi, a brotherhood legacy he proudly shared with his son, Thomas Earnhardt, at a later time. Don and Dan shared an unswerving commitment in to God and his work and this cemented a lifelong friendship. Dan Earnhardt and Don Phillips were licensed to preach together on the same day at Bethany Methodist in Durham.

After High Point Dan and Don began their seminary career. When Dan arrived at Duke Divinity School, he discovered his boyhood friend from Washington, Charles Michael Smith as also in the entering class.

Dan and Charles had known each other from the fall of 1949. At that time, Dan's father, D. E. Earnhardt, was appointed to Washington: First. Dan and Charles learned quickly that they were both October babies, his natal day coming five days earlier than that of Charles. For many years until his death at age eighty happily they contacted each other on their birthdays.

Charles Michael remembers that their parents were good friends and when he and Dan were ready to enter Duke as freshmen, the Earnhardts offered to house them in their home a few miles from campus. They did not room together then, but they did serve together in Greenville, and later Wilson, and also shared a room in Jerusalem on a special trip arranged by Educational Opportunities. Charles said,

*From childhood, through being classmates at Duke Divinity School, from traveling to Manning, SC to sing at their wedding when he and Pat were married, to returning decades later to conduct his funeral, Dan and his family were always special to us. Without my stint conducting his dad's choir*

*at McMannen Methodist in Durham, I probably never would have heard God's call to ordained ministry. Dan was one of the kindest souls you could ever meet. He did a good job of letting Jesus' light shine through him all the way to the end.*

He fulfilled his calling as a Duke Endowment student minister, serving congregations in rural central North Carolina. Upon ordination, he joined the Western Conference.

In 1969, Dan was appointed as the campus minister for the Wesley Foundation at East Carolina University. He cherished his twenty-eight years at the Wesley Foundation. He often referred to himself as a reverse Methodist; his congregation changed every four years and he stayed put. Guiding students to Christ and service to others was his life's calling.

Dan was instrumental in bringing Americorps VISTA to Greenville in the early 1970s, a group committed to fight against poverty by helping local organizations expand their capacity to make change. Dan arranged to and house their staff within the Wesley Foundation.

Dan and a cadre of campus ministers were vital to the social justice movement in Greenville. He had a compassion for the lives and souls of all people and it led to a legacy of peace and compassion in Greenville. In addition to campus ministry, Dan took appointment of the Grimesland charge, serving Grimesland, Chocowinity and Warren's Chapel for many years.

Serving these congregations drew Dan to a calling to return to congregational leadership full time. He retired from campus ministry and accepted appointments to Carrboro United Methodist Church and then West Nash United Methodist Church in Wilson before his second retirement.

Dan and Pat returned to Greenville in retirement. He continued to serve appointments at Jarvis in Greenville, Jacksonville, Bailey and Rehoboth UMC in Jackson. Dan and Pat enjoyed traveling and were led to spend a summer on the island of Matinicus, Maine, where he served the church and community. Dan led numerous mission trips locally and internationally. He led faithful followers and his family on journeys to Mexico, Jerusalem and Russia.

Dan was a longtime member of the Greenville Evening Rotary Club. He lived the Rotary motto "Service Above Self" through the entirety of his life.

From college to adulthood Dan was a skilled card player. He and Pat were longtime bridge players with their Greenville club. It may have been the easiest time to catch him in mischief and see that wry grin come across his face.

Whether in faith or mischief, often both, Dan was a charismatic leader of people. He was in the midst of lives of others, celebrating bonds, guiding, comforting and loving them better than he loved himself.

He was preceded in death by his parents, brother, the Rev. Edwin Earnhardt and sister, Evelyn Davis. Dan is survived by his wife of fifty-five years, Pat Stogner; son Thomas and wife Kelli, of Vass, NC; and daughter, Patricia and husband, Russell, of Wake Forest, NC.

A service celebrating Dan's momentous life and significant ministry was held at Camp Don Lee with the Rev. Jon Strother, District Superintendent. A funeral service at the time of interment was held in Manning, SC, with the Rev. Dr. Charles Michael Smith officiating, Saturday, October 10, 2020.

One might wonder why it would take three North Carolina ministers to write a memoir for fellow pastor. The fact is that the three of us, Don Phillips, Charlie Mike Smith and Bill Simpson, all had

a longstanding friendship and deep appreciation for Dan Earnhardt. Two of them, Charlie Mike and Bill, served as District Superintendents for Dan. Don Phillips was his roommate at High Point College—now High Point University—and they were fraternity brothers as well. They maintained a close friendship as their families grew and their ministry carried them to their various appointments across the North Carolina Conference.

Dan Earnhardt was a special person and a minister with exceptional gifts and graces. He will be greatly missed by his wife family as well as his many friends all across North Carolina and beyond.

His daughter, Terrah Hall, recalled her dad saying, *"When I go home, I want people to remember me as a faithful pastor."* Keith would say that when pastors prepared their sermons, they should tell the people what God wanted them to do, and give an illustration of someone who did it.

There was a special song Keith often listened to a few months prior to his surgery, which always touched and warmed his heart called, *God's Been Good*. As Keith looked back over his life and the mercies he received, there was no better way to say it than *God's Been Good*. On a cold New Years Day, Keith Nanney finished his race and is now home. We will see him again in the morning. Thank you God for Keith Nanney.

*What a godly woman, she has such grace  
Always a warm greeting, a smile on her face.  
She's always encouraging, wherever the place.  
She is the pastor's wife.*

*Her life, her time, is not her own  
There's always a need, they go on and on  
With a knock at the door, or a ringing phone.  
That's the life of the pastor's wife*

*She will someday reach the end of this race  
As she meets her Master face to face  
Surely our God has a Special Place  
In Heaven for the pastor's wife!*

## John Sidney Paschal

1939 - 2020

The Rev. Dr. John Sidney Paschal, 81, died peacefully, surrounded by family at his home in Indian Trail, NC, on Friday, following a brief illness.

The sixth of eight children – seven boys and one girl – born to Gilliam Robert and Lucinda (Taylor) Paschal, John was born at home on his family's tobacco farm eight miles from Sanford, NC. Raised in tiny Bethlehem Methodist Church, where his mother played the piano for over 50 years, he announced at age five that he would one day become a Methodist preacher, and that was that. Following studies at Louisburg College and at Scarritt College in Nashville, TN (where he was student body president), John was ordained in the North Carolina Conference of the United Methodist Church. Over a 42-year career, he served churches in Sanford, Chapel Hill, Clinton, Southern Pines, Whiteville, Laurinburg, Rocky Mount, and Goldsboro, culminating his ministry as Wilmington District Superintendent. Along the way, he earned a Master of Divinity from Southeastern Baptist Theological Seminary in Wake Forest and a Doctor of Ministry from Drew University in Madison, NJ. He truly left every church he served stronger than when he arrived, combining strong, Biblical preaching with unmatched dedication to serving his members' individual needs.

In marriage, John achieved the rare feat of finding two loves of his life. He met the former Linda Howe on a blind date in late 1965, and by February 1966, they were married. That marriage lasted 31 years, until Linda succumbed to cancer. Deciding to replicate his "formula," John met the former Connie Taylor in late 1999 (on another blind date), and they married in April 2000, a marriage that lasted until his death.

John is survived by wife Connie, sons Jonathan (Maureen) and David (Amy); brothers Carl (Carroll) and Jim (Cathy); and six grandchildren. Family funeral 2 PM Tuesday at Bridges-Cameron Funeral Home in Sanford, NC. In lieu of flowers, donations can be made to Novant Health Hospice, 324 North McDowell Street, Charlotte NC 28204.

## Ernest Ray Porter

1935 - 2020

The Reverend Dr. Ernest Ray Porter, 85, went to meet his Savior, on the afternoon of December 8, 2020, with his wife, Sara, and son, Wesley, by his side.

He was born January 17, 1935, in Rose Hill, Jasper County, Mississippi, the youngest of three sons of Hercial A. Porter and his wife, Anna Simpson Porter.

Ernie Porter came from a family of Methodist ministers that included uncles and cousins. At one time he counted seventeen Methodist ministers in their extended family.

As a young man, Ernie Porter served in the United States Army as a chaplain's assistant. It was while stationed at Fort Jackson that he met Sara Jones of Florence, South Carolina. They were wed on February 26, 1956, a marriage that lasted almost sixty-five years until his death. Two sons, Wesley and Joel were born to this union.

He was a member of the North Carolina Annual Conference of the United Methodist Church for fifty-nine years. Dr. Porter had served two years previously in Mississippi while a student at Millsaps College. After graduation from Millsaps, he graduated from the Divinity School of Duke University. He also held Doctor of Divinity degrees from North Carolina Wesleyan College in Rocky Mount, and Methodist University in Fayetteville.

Dr. Porter served numerous appointments in the North Carolina Conference, including First Church, Morehead City and Centenary United Methodist in New Bern. He also served as Executive Director of the Methodist Retirement Homes, District Superintendent of the Goldsboro District, and Executive Director of the Conference Council on Ministries.

In 1988, he joined the staff of the Office of Finance & Field Service of the General Board of Global Ministries in New York. In that role he directed stewardship campaigns in local churches for capital building projects, endowments, and other budgetary needs. He and his wife, Sara, traveled across the United States directing local church campaigns. Ernie Porter gained a reputation as a leading expert in Christian stewardship, finance, and church funding.

In 1991, the Porters moved to Lake Junaluska and founded Church Funding Associates, an agency to assist churches in financial planning, stewardship and funding. Ernie retired officially in 1999 but continued to direct financial campaigns until recent years. He was assisted by his wife, Sara, who oversaw the administration of the office.

At Lake Junaluska the Porters hosted the Junaluska Crazies, avid Duke basketball fans who gathered on their enclosed porch to view the games on a life-sized screen. Sometimes more than thirty local crazies gathered to cheer on the Duke Blue Devils. Coach K recognized their efforts and sent commendations. The Junaluska Crazies, at Ernie's direction, also sponsored a float each year for the July Fourth Parade at Lake Junaluska.

Dr. Porter is survived by his wife, Sara, their son, Wesley and his wife, Chrisanne, of Charleston, South Carolina, a grandson, Matt and his wife, Jennifer, also of Charleston. Their younger son, Joel, died in 2002.

Ernie Porter loved life, his wife and family and the church. He will be missed by many across North Carolina and the nation. He will be especially missed at First United Methodist Church, Waynesville, and the Junaluska community, where he served as Director of the Junaluska Associates for a number of years.

On the morning of August 28, 2021, just prior to the funeral, his remains were interred in the Columbarium at the Chapel at Lake Junaluska with Bishop Charlene P. Kammerer presiding. The Service of Death and Resurrection celebrating his life followed at First United Methodist, Waynesville, conducted by Bishop J. Lawrence McCleskey. Assisting in the service was his good friend, Dr. James Ivey Warren, Jr. and his cousin, Dr. William C. Simpson, Jr. A solo was given by another close friend, Dr. Charles Michael Smith. His son, Wesley, and his grandson, Matt, spoke for the family and recalled ways Ernie had enriched and blessed their family and their lives.

After the service worshippers gathered for lunch at the Wells Center in Waynesville. A special poem written for the occasion was read by Dr. Michael Leatherwood.

Ernie Porter's presence and leadership will be greatly missed by the North Carolina Conference, the Junaluska Community and his friends and family far and wide.

*Ere we reach the shining river,  
Lay we ev'ry burden down;  
Grace our spirits will deliver,  
And provide a robe and crown.*

—Sara J. Porter and the Family

## Jean Kelly Price

1957 - 2020

Born in Oklahoma on July 12, 1957 as a Air Force brat because her father flew B-52's, duty station changes created an environment for Jean to become adaptable and make friends! Her belief in the Holy Trinity, since being raised Roman Catholic and attending Catholic Church and school, set the foundation for her lifelong faith journey! Pictures/records of her infant baptism, First Communion, Confirmation, Church Membership, etc., are reminders of her lifelong Christian faith decisions!

Following a marriage of 18 years, ending in divorce in North Carolina, Jean met Bill Price for lunch through a mutual friend...and they connected immediately! The fact that Jean was primarily raised in Missouri, following the military retirement of her Father, and Bill was raised in Missouri also as a Roman Catholic and attended the Catholic Church and school too, helped lay the foundation for their relationship!

Six months later, Bill and Jean joined The United Methodist Church in Swansboro, where they had been attending services together for a short time. With a home church established and their relationship on a firm faith foundation, Jean married William (Bill) Price in 1997, a marriage that would last 23 years! Many would say that Bill and Jean were joined at the hip because their love for each other was surpassed only by their love for the Lord God! With their marriage, they officially merged 2 families, though Jean had already begun mothering their 3 teenage boys (Jean's 2 sons and 1 son of Bill's). Some have laughingly argued that mothering 3 teenage boys from the beginning of their marriage, probably declared Jean for sainthood!

By the time of her death in November, 2020 in Florida from 2 forms of cancer, Jean had faithfully attended and served at Swansboro UMC (where Bill was endorsed to be a pastor in The United Methodist Church), and continued to serve in his appointed churches: Lanes Chapel UMC, Chapman UMC, Epworth UMC; Farmville UMC, and then in Coasta Rica (where they had retired in 2016) and finally at Community Life UMC!

Besides being a beautiful person, Jean loved and served her family with honor and pride, and was a devoted and supportive wife, mother, daughter and sister, mother-in-law and Grannie to 4 amazing

grandchildren. The times and moments spent with each one was her gift to them!

Jean will be remembered for many things: Her contagious smile and beautiful serving spirit; A willing desire to help wherever there was need; Being a good friend and maintaining relationships over many years; A champion of prayer; A light of Jesus and a witness of love for God and neighbor to all she encountered; Participating in and serving as Lay Director on Walks to Emmaus (Crystal Coast and Pamlico Emmaus communities); Being very active in United Methodist Women; Attending and leading Bible Studies; and finally, Jean loved baking cookies and preparing meals for many...for no special reason! The list can go on!

It is believed by many, the Lord has said to Jean...Well done, good and faithful servant!

Starting a new chapter in his life, Jim attended the University of Florida, College of Law, where he obtained his Juris Doctor in 1976. Passing the Bar in 1976 he went into private practice in Cocoa, FL. In 1979, he and his family moved to Gainesville, FL, where he began a career in public service with the State of Florida, Division of Children, Youth and Families as Legal Counsel. In 1986, he accepted a position as District Legal Counsel in Orlando, FL. During his career with the State of Florida, his work focused on children, juvenile court, and abandoned newborns. He dedicated his life fighting for the proper care of and the defense of children's rights, well-being, and other issues until retiring in October 2003.

One of his favorite topics was biblical history. He loved discussing theology with pastors and laity. His favorite scripture was Matthew 25:31-46. He believed that if we all lived our lives as Jesus did, the world would be a beautiful place. He firmly believed that man must recognize that God's thoughts were not ours, his ways were not ours, and his timing was not ours. He encouraged his wife to pursue licensing in the United Methodist Church and often stated that the UMC's position on social issues was in line with Christ's teachings.

He was a member of the Florida Bar, Rockledge Kiwanis Club, the Elks Club of Gainesville, FL, and Board Member of the Brevard County Mental Health Association. He was a lover of classical music and classical acoustic guitar. A self-motivated scholar, he was an astounding wealth of

## Jane Sarsfield Shoaf

1930 - 2021

Dr. Jane Sarsfield Shoaf, 90, of Croasdaile Village, Durham, NC, widow of the Rev. E. Clifford Shoaf, passed away peacefully on May 29, 2021. Jane was born on July 23, 1930 to Dix and Ella Ruth Sarsfield in Charlotte, NC.

She married the love of her life, the late Rev. E. Clifford “Cliff” Shoaf, in 1952 after they met working as counselors at Camp Tekoa in Hendersonville, NC. The two raised their family throughout eastern North Carolina while Cliff served as a United Methodist minister. It was Edenton, NC that held a special place in Jane’s heart, for it was there she loved sailing with Cliff, learning about the history of the town and chatting with the locals.

A lifelong learner and lover of literature, Jane received her bachelor’s degree from the University of North Carolina at Greensboro, formerly Woman’s College, in 1952 and went on to earn her master’s degree from East Carolina University and Doctor of Education from the University of North Carolina at Chapel Hill – all while being a devoted wife and mother of five.

Awarded NC English Teacher of the Year, Jane’s 32-year career in education touched the lives of hundreds of students and teachers. Jane was frequently described by her students as the “best English teacher ever” and will be remembered for her commitment to helping her students apply what they learned in class to their own personal lives and interest – though they will also remember her fondness for her red grading pen! Jane also spent more than a decade supervising other teachers and overseeing curriculum design in English and writing, cementing her legacy in the careers of other educators.

Jane’s family and friends will fondly recall her sharp sense of humor, dedication to her family and love of chocolate. With charming Southern manners and poise, she could befriend anyone and was a great conversationalist. She also loved writing and was a member of the Scribblers, where she wrote with fellow teachers.

Jane was part of a group of clergy wives who enjoyed periodic gatherings with their husbands who were members of an informal coterie of ministers rumored to be a shadow cabinet advising the real one. They & their husbands all enjoyed calling her “Dr. Jane” as she along with one of their

number was the only one with an earned doctorate although among them 6 of the brothers had honorary ones. And she loved her final years at Croasdaile Village living in her home there before eventually moving over to what she humorously called “the Big House.”

Jane was preceded in death by her husband, the Rev. E. Clifford “Cliff” Shoaf, her sons, David Shoaf and Eric Shoaf, and her sister, Anne Sarsfield Martin. She is survived by her brother, Patrick Sarsfield, her daughters, Hillary Alexander (Geoffrey) and Mary “Zeen” Shoaf, and her son, Andrew “Bones” Shoaf, as well as three grandchildren, two great-grandchildren and many nieces and nephews.

Jane Shoaf would agree with the testimony of Frederick Buechner when he said,

*To live Eternal Life in the full and final sense is to be with God  
as Christ is with him, and with each other as Christ is with us.*

—*The Family of Jane Shoaf along with remembrances by Dr. Charles Michael Smith and other friends*

## **Myra Mclawhorn Supplee**

1959 - 2021

Myra Mclawhorn Supplee was born on November 13, 1959, in Greenville, North Carolina, the daughter of Richard Herman Mclawhorn and Betty Ellis Mclawhorn.

Myra grew up in Renston, outside Greenville on the family farm with her six other brothers and sisters. She loved farm life. She often with great enthusiasm retold stories of her childhood working in the tobacco fields or picking cotton, or driving tractors, or feeding the pigs.

Myra had a natural love for animals. She loved her horses and especially loved her many dogs.

Myra was a graduate of Ayden-Grifton High School Class of 1978. She was an outstanding student and was very popular among her classmates. During this time, she became an avid reader and developed a keen mind for crossword puzzles and enjoyed the challenge of New York Times puzzles. She also enjoyed contemporary music and strumming her banjo to one of her favorite songs.

Myra's faith journey started as a child at the Reedy Branch Baptist Church, later on, at the Winterville Baptist Church. During her teen years, her best high school friends attended Ayden United Methodist Church and she soon joined them in worship. Ayden Church also had an active Youth Fellowship that made a profound impact on her faith in the Lord Jesus.

Myra's first marriage sadly ended in divorce. The marriage did produce two beautiful and wonderful children, Jack and Ellis Manning. In 1991, while living in Garner, North Carolina, Myra met Pastor Tom Supplee. They became good friends and later married in 1995. Tom also had three children from a previous marriage, Joel, Jennifer, and Jeremy. As a blended family, they adjusted and settled into their new loving relationship as they followed the leading of the Lord.

As a pastor's wife, Myra loved the Lord and faithfully helped and assisted her husband in many ways. She was a real blessing to her husband and to the congregations they served together. Myra always enjoyed church dinners and choir cantatas.

Together Tom and Myra served Bethany in Wanchese, First Roanoke Rapids, Macedonia in Cary, McMannen in Durham, and St. James in Newport.

In 2006, Myra was diagnosed with neck cancer and was treated successfully. However, the residual effects of the treatment limited her general activities. In 2021, her cancer returned in her throat and it was very advanced. She died at Carolina East Hospital in New Bern, NC on Saturday, May 8, 2021. Her final request was that she be cremated.

A joyful service of death and resurrection was held at St. James United Methodist Church in Newport, NC with Reverend Jon Strother officiating. Ms. Mary Neil Hall sang two beautiful

hymns, “Be Thou My Vision” and “Hymn of Promise.” Patricia Respass, a lifetime friend, shared some moving and personal stories about Myra.

Blessed be the God and Father of our Lord Jesus Christ! By his great mercy he has given us a new birth into a living hope through the resurrection of Jesus Christ from the dead. I Peter 1: 3

Myra was a true gift to all who knew her. We all rejoice in the season we had with her. She is now in God’s care and in the loving arms of the good Shepherd, Jesus Christ.

I came to know the Teachey's when I preached a revival at First Church, Siler City in 1976. I remember Sylvia as a wonderful, supportive helpmate. She was a talented organist and pianist and had a beautiful singing voice that contributed so much to our worship.

After Wilbur's Parkinson's disease diagnosis in 1999, Sylvia devoted all of her time and energy to his care, until his passing in 2012, following forty-five years together. She was a devoted Christian, wife, mother, and her favorite title was “Mema.” Sylvia was diagnosed with Alzheimer's in 2015. *I sing a song of the saints of God,  
patient and brave and true,  
who toiled and fought and lived and died  
for the Lord they loved and knew.*

*They loved their Lord so dear, so dear,  
and God's love made them strong;  
and they followed the right, for Jesus' sake,  
the whole of their good lives long.*

*His right foot may lead him in the wrong path,  
But his left foot always leads him the right way;  
He has daylight and darkness, summer and winter,  
Peace and war, and life and death.*
