**WALKING...IN THE LIGHT OF GOD**  
*walking...in the light of God*

Last year we gathered in Fayetteville worshipping in light of God. This year we gather in Greenville walking in the light of God.

Our paths to faith are diverse. As United Methodists we are black, we are Native American, we are white, we are Korean, Latino, Asian. As a people of faith we are female, male, child, youth; we are single, married, we cross all economic and social barriers. We are a diverse people and we all walk in the light of God.

Whether from captivity in Egypt through the wilderness to a Promised Land, from Galilee to Jerusalem, from Hatteras to Burlington We as a people walk in the common knowledge of an All Powerful and Loving God.

Through the streets of New Orleans, down the roads of D 'Iberville and across the waters to the cries of children in Zimbabwe...we walk and serve in the light and care of God.

Walking together, walking side by side gives witness to the world that though we are different our common bond lies in the directive light of God. Spirited singing and dynamic preaching will inspire us and send us forth. At Table we will acknowledge our brokenness and further realize the depth of forgiveness and redemption. We will acknowledge the manifestation of God in our midst and state dreams and aspirations of what is yet to be.

Come with expectant hearts and willing lives as God continues to transform us into faithful disciples.

## *James R. King, Jr.*

BISHOP, KENTUCKY ANNUAL CONFERENCE

Bishop James R. King, Jr. was elected as bishop and assigned to the Kentucky and Red Bird Missionary Conferences in 2000. Bishop King received his Bachelor of Arts from Clark College in Atlanta, GA, and his Master of Divinity from International Theological Seminary, also in Atlanta. He was ordained an elder in the Central Alabama Conference in 1972 and has been a pastor at churches in

Alabama, California, and Tennessee. He was Director of the Wesley Foundation at Tennessee State University and also served in Tennessee as Conference Council director, conference youth coordinator, and district superintendent. Prior to being elected bishop, King was senior pastor at Brentwood UMC in Brentwood, TN.

Because Bishop King has a heart for making disciples for Jesus Christ and “growing a Christ-like world,” he has developed the Disciple Line for Effectiveness (Bishop’s Leadership Institute). These training events encourage clergy/lay teams to come together to focus on the teachings of Jesus Christ and our Wesleyan heritage as the foundation for making disciples

## *Benjamin Zander*

CONDUCTOR, THE BOSTON PHILHARMONIC ORCHESTRA

Benjamin Zander is conductor of The Boston Philharmonic Orchestra, author of the book *The Art of Possibility*, a teacher of thousands of musicians and a speaker on leadership to organizations all over the world.

Benjamin Zander’s presentation takes an audience on a journey that offers a startling new perspective on leadership. Through stories, music and concepts, it causes a radical shift in perception. This is not a speech, it is an experience! In this new model of leadership, the conductor sees his job as awakening possibility in others. The orchestra is a group of highly trained individuals poised to coalesce into an effective whole. Passion, creativity and the desire to contribute are basic human instincts to be released. World famous conductor, Benjamin Zander uses the metaphor of the orchestra and a life-time of experience conducting, coaching and teaching musicians to work to overcome barriers. His dynamic presentation will motivate and inspire.

## **RULES OF ORDER AND PROCEDURE**

### **SECTION I: RULES OF ORDER AND PROCEDURE**

1. Applicability and Amendment of these Conference Rules

  - B. If any part of these rules conflicts with the current edition of the Book of Discipline of the United Methodist Church, the Book of Discipline shall prevail.
  - C. These rules of order and procedure for the North Carolina Annual Conference of the United Methodist Church shall apply to the annual conference as regularly scheduled and to all called sessions of the North Carolina Annual Conference. \* [See note at end of Conference Rules]
  - D. These rules of order and procedure may be amended by a two-thirds (2/3) vote on the next day after a proposed amendment has been presented in writing.
  - E. These rules of order and procedure of the North Carolina Annual Conference shall become effective immediately upon adoption by the Annual Conference.
2. Motions, Amendments, Reports and Resolutions

  - C. *\*A note on usage in this document:*

- *The terms “North Carolina Annual Conference,” “Annual Conference,” or “Conference” [note the capital letters] refer to the North Carolina Annual Conference of the United Methodist Church. These terms refer to an organization.*
- *The term “annual conference” [in lower-case letters] refers to the yearly assembly, usually occupying four days in June, at which the North Carolina Annual Conference gathers to worship God and conduct business. This term [not capitalized] refers to this yearly, multi-day convention. The term “session” refers to one meeting of the North Carolina Annual Conference occurring on any part of one of those days or to a meeting on a single day for a special or called session. For example, the minutes often refer to the “morning session of the first day of the annual conference” or to the “evening session of Friday of annual conference.” This document avoids the common practice of using the phrase “the annual conference session” to refer to the whole week of meetings in June. This document’s usage would designate that whole series of meetings as “the 2006 annual conference,” or “the 2009 annual conference,” for example*

## EXECUTIVE SESSION OF THE 2006 ANNUAL CONFERENCE

WEDNESDAY, JUNE 14, 2006

Charles Michael Smith led the clergy in singing hymns including: Come, Thou Fount of Every Blessing and Great is Thy Faithfulness. Bishop Alfred W. Gwinn, Jr. opened the Executive Session with prayer calling the session to order at 10:00 a.m. Bishop Gwinn made some encouraging comments to all the clergy. The Bishop outlined clergy events and programs planned during annual conference. He focused briefly on the Order of the Day for Thursday, Clergy Women's Celebration. He defined the membership of the Executive Session. The Bishop asked for consent for guests to be present at the Executive Session. Bishop Gwinn recognized the Lay and Clergy members of the Board of Ordained Ministry and asked everyone to thank the Board of Ordained Ministry.

### **Passing of Clergy Character**

The district superintendents were asked to stand to be recognized. Bishop Gwinn declared that the District Superintendents were blameless in their life and ministry. Without objection, the Bishop ordered the vote on passing the character of the district superintendents which passed unanimously.

Bishop Gwinn called on the district superintendents to report on the moral character and conduct of the clergy in their respected districts. All districts reported nothing against the clergy. The body was asked by the Bishop to vote on the moral character of the clergy of all the districts. They were passed.

In this fiftieth year anniversary of the ordination of women, Bishop Gwinn directed the Executive Session to celebrate the quality and service of the women clergy in full connection of the United Methodist Church of the North Carolina Conference. They received applause.

### **Board of Ordained Ministry Report**

Rev. Beth Hood was directed by the Bishop to give the report of the Board of Ordained Ministry for 2006 to the Executive Session. She expressed appreciation for the people that contributed to the report. Hood gave an outline of the duties and responsibilities of the Board of Ordained Ministry. She directed the attention of the Executive Session to page 3, Administrative Review Committee. Nominations were reviewed. She noted the nominations for the Board of Managers Class of 2010 were Alice Kunka and Rich Greenway. She asked the Bishop for a vote on the nominations. Without objection the Bishop ordered the vote and they were approved.

Hood directed the Executive Session to page 26, Question 33 of the Annual Report of the Board of Ordained Ministry: *Who are elected as members in full connection?* The candidates came forward as Rev. Hood read their names. The Bishop spoke of the historical significance of the questions to be asked of the candidates. The Bishop then asked the traditional questions of the candidates who were before him. After examination, the Bishop presented all the persons eligible for Elders and Deacons Orders to the Executive Session. He asked the members if there were any questions for him or any of the candidates. The Bishop ordered the vote on the reception of these candidates into Full Connection by the Executive Session and the motion passed. The body stood and applauded their election. The Bishop asked Charles Michael Smith to lead the Executive Session in singing *Love Divine, All Loves Excelling*. David Preston Haley, a transferee from the Southern Baptist denomination, was then invited by the Bishop to stand before the Executive Session to be approved and accepted into membership. He was voted in unanimously and received a standing ovation.

She noted corrections to Question 21(a) and (b). She removed the name of David Lee Woolsey from Question 21(c). The local pastors were brought before the Executive Session for approval. The Bishop called for their approval and they were approved. Question 21-D, referred to Student Local Pastors from other Annual Conferences who are listed for information only. Hood made one correction to Question 22, page 21: add the name Bryan Keith Langsland, effective 7/1/06. Question 24 was pointed out as information only. Hood asked that those persons under Question 24 to stand and be recognized. Under Question 23, Bishop Gwinn ordered the vote to reinstate Matthew Blaine Whitaker and he was reinstated. She referred to Question 25, page 22: Clergy from Other Christian Denominations which needed the Executive Session's approval. The Bishop called for the vote and they were approved. Hood then referred to Question 26, page 22: Affiliate Members of the NC Annual Conference. The Bishop asked the Executive Session to approve these and it was done. Hood directed the members to Question 28: Who are elected as probationary members? Twenty-three people were listed as probationary Elders. They were invited to stand before the Executive Session. The Probationary Elders were presented, examined and encouraged by Bishop Gwinn. The Bishop called for a vote and they were approved. Hood directed the attention of the Executive Session to page 27. She noted those listed under Question 30: Continuing Probationary Members. She asked those that are continuing as Probationary Members to stand. Hood then referred to page 26, Question 31(c). The Bishop asked those continuing on the probationary member track to stand and be recognized by the Executive Session.

#### **Point of Information/Parliamentary Inquiry:**

Charles Moseley, Hatteras (EC), was recognized and asked a question about Warren Heitzenrater. Moseley questioned whether this body would address his reinstatement as a Local Pastor. Paul Leeland replied that the Conference Board of Ordained Ministry denied the request. Moseley rose to a point of parliamentary inquiry, asking if a motion to reinstate Warren Heitzenrater would be in order at this time. The Bishop responded that such a motion is not in order, although an additional request may be made to the Board of Ordained Ministry.

Hood then referred the Executive Sessions attention to Question 32: *Who have been received from other Christian denominations.* Gail Myers, transferring from the Missionary Baptist denomination was approved. Hood directed attention to Question 34(b): Who are elected for ordination as deacons in full connection? The Bishop ordered the vote and they were approved. The Bishop called for the vote of the Executive Session and he was approved. Kimberly Pollock was added to Question 47(a) and Jerry Dean Campbell was removed from Question 47(b).

### **Request For Decision On Questions of Law:**

Charles Morrison rose to make a request for decision on questions of law:

I hereby request that the Bishop decide, based on the facts set forth above and pursuant to paragraphs 51 and 2609 of the Discipline, the following questions of law:

1. Is Dr. Wethington's purported withdrawal (subsequently characterized by Bishop Gwinn as "not" under complaint) null and void because it was predicated upon Bishop Gwinn's representations to Dr. Wethington that a complaint had been filed, when in fact Bishop Gwinn had not received a written and signed complaint prior to the purported withdrawal, as required by paragraph 362 of the Discipline and relevant Judicial Council Decisions (e.g., Decisions 777, 753 and 741)?
2. Is Dr. Wethington's purported withdrawal null and void because Bishop Gwinn, despite representing to Dr. Wethington that a complaint had been filed against him, failed to provide Dr. Wethington with a copy of a written and signed complaint or with a written copy of the process to be followed regarding that alleged complaint?
3. Is Dr. Wethington's purported withdrawal null and void because Bishop Gwinn, despite not having received a written and signed complaint, initiated a process in which he conveyed an unspecified allegation from an unspecified complaint to the Executive Committee of the Ordained Ministry, seeking their recommendation that Dr. Wethington be suspended?
4. Is Dr. Wethington's purported withdrawal null and void because Bishop Gwinn, despite not having received a written and signed complaint, obtained the recommendation of the Executive Committee of the Board of Ordained Ministry that Dr. Wethington be suspended and then suspended Dr. Wethington?
5. Is Dr. Wethington's purported withdrawal null and void under the Discipline because it was predicated upon Bishop Gwinn's (i) undue influence and/or duress and (ii) failure to investigate the alleged accuser's background and prior history and review Dr. Wethington's prior service in an effort to determine whether the allegations were truthful and thus achieve a "just resolution" in accordance with paragraph 362 thereof?

Bishop Gwinn said that in accordance with ¶2609.6 of *The Book of Discipline*, he will make a ruling within 30 days.

## **Board of Ordained Ministry Report (Continued)**

Hood added the name of Erin Angela Martin to Question 53. Hood directed the Executive Session to Question 54(a): *Who are the probationary or ordained members on leave of absence?* which required a vote. The Bishop called for the vote and they were approved. The Bishop directed a vote on Question 54(d), those taking voluntary Leave of Absence since the last annual conference and they were approved. Hood then moved to Question 55(a): related to Family Leave. The Bishop called for the vote and they were approved. Suzanna Ross Helms has asked for family leave for more than 5 years which requires a 2/3 vote. The Bishop called for the vote and Suzanna Ross Helms' leave was granted. Hood directed attention to Question 57(a) for the Executive Session to grant Incapacity Leave to Willie Herbert Frizzelle and John Clifton Lupton. The Bishop called for the vote and they were approved for incapacity leave. Hood addressed Question 57(b) and 57(c). Bishop Gwinn called for the vote and the leaves were granted. Bishop Gwinn recognized those persons that were present that had received Incapacity Leave and thanked them for their presence. He pledged prayer for them.

Hood referred the Executive Session to page 36, Question 58: *What deacons have been granted transitional leave?* The Bishop called for the vote and it was granted. Questions 59-62 concerning retirement of clergy were addressed by Hood. These clergy were approved for retirement and were greeted with applause from the Executive Session.

Rev. Hood addressed question 83 on page 40, noting several corrections: Julia Ellen Alliger ¼ time; Ingrid Myers ½ time; Jeremy Mitchell ½ time; Joseph Andrew Motley ¼ time; Randall Wayne Partin ½ time; Norma Walters ½ time; Angela Martin ¼ time; James Olen Murphy ½ time; Shivers ¼ time; Alice Jones ¼ time. Julian Erving ¼ time was added to Question 83(b). Hood asked for Marilyn Shipman be changed to ¼ time. Bishop Gwinn recognized Mark Stevens to speak. Stevens will be listed at ½ time under Question 83(a). Rev. Hood asked for other changes or updates to question 83. Patricia Archer ½ time and Jo Elaine Harris ¼ time were added to Question 83(b). Having no objection, the Bishop ordered the vote to approve those in less than full-time service and they were approved. Hood addressed Question 88(c): those for extension appointments. The Bishop called for the vote on Question 88 and they were approved.

Rev. Hood indicated that with the exception of question 52, her report to the Executive Session was complete. The Bishop asked for any other items to come before the body. Rev. Hood offered the entire Board of Ordained Ministry report for approval. The Bishop called for the approval of the report as a whole and it was approved.

The Executive Session was directed to Question 52(c): *What Elders in Full Connection have died during the year?* As those in attendance stood, Dr. Wallace Kirby read the names. The Bishop led the Executive Session in prayer.

#### **Opening Worship Service:**

#### **North Carolina Annual Conference State Of The Church Address**

I greet all of you in the powerful name of our Lord Jesus Christ! And I stand with you before an amazing God who has sounded forth the trumpet that shall never call retreat! An amazing God who calls you and me sons and daughters. An amazing God who calls the Church his beloved.

It seems only yesterday that I stood before you in Fayetteville at our 2005 Annual Conference and sought to name the vision God has planted in your heart and in my heart. To name God's preferred future for us that we continue to discern more clearly every day as we pray with one another, talk with one another and listen to one another.

What a challenging time to be the Church! What a challenging time to be a Christian! What a challenging time to be a United Methodist in North Carolina! Persons like Loren Mead from the Alban Institute, Lesslie Newbigin, Bill Easum, George Barna and others have made the case that these, are indeed, exciting times and that we are living in a truly unique time – a time they are calling a “crack in history” – and in-between-time – between what is and what might be. For example:

- ❖ This world is boiling with anger and hatred. The divisions over political ideologies, religion, and economics are deepening to the point of tearing at the very fabric of world peace and stability, as well as the fabric of nations and institutions.
- ❖ The gap is widening between the “haves” and the “have-nots” and the “have-nots” are becoming increasingly impatient and angry with those who “have.”
- ❖ Our planet is offering up frightening signs and symptoms of too many years of abuse.
- ❖ Human life continues to decrease in value: Children are victims of violence that is
- ❖ inconceivable to most. Every day in America alone 2,482 children are confirmed as abused or neglected. Babies continue to be aborted with the same lack of conscience with which they were conceived. The elderly are put away as easy as an afterthought.

Hundreds of innocent people are dying every day because of ethnic cleansing and political ideologies.

- ❖ Objective truth is so seriously questioned today that for many there remains no true North in terms of the compass of morality.
- ❖ Salvation through Christ is considered one option among many that could lead to abundant living and eternal life - so that the passion to make disciples for Jesus is dying out even in the hearts of those who claim His name.

And we are right in the middle of this “crack in history” - the “what is” – but we are God’s people and God is asking us to live into the “what might be.” Erwin McManus *An Unstoppable Force Rightly Says* the Church is an Unstoppable Force Created to Change the World. And, I am more convinced than ever that there is a common song in our hearts here in North Carolina – “*Hear I am Lord. Is it I, Lord? I have heard you calling in the night. I will go Lord, if you lead me. I will hold your people in my heart.*” The theme of this Annual Conference is much more than just a theme – “Walking in the Light of God” – it’s a statement that captures what we truly intend to do!

There is not doubt in my mind that we are being summoned to undertake with renewed vision and vigor the unfinished task of MAKING DISCIPLES OF JESUS CHRIST FOR THE TRANSFORMATION OF THE WORLD.

Our Council of Bishops has identified SEVEN PATHWAYS that we will focus on as we center on making disciples of Jesus Christ for the transformation of the world:

1. Developing new congregations in churches that are more than 10 years old it takes 72 members to win one disciple. In churches that are between 5 to 10 years old it takes 17 members to win one disciple. In churches that are less than 3 years old it takes 2 members to win 1 disciple for Jesus. That alone should show us what powerful tools of evangelism new church launches are. Further, it is important to remember that we now have 20% of our churches where 80% of the American population lives.
2. Teaching the Wesleyan model of forming disciples of Jesus Christ. I am so pleased that our 2005 statistics show that we have 3,735 more accountability groups here in the North Carolina Conference than we had last year. We are moving in the right direction!
3. Strengthening clergy and lay leadership. This is at the heart of our vision here this conference and I will speak more about this pathway later in this address.
4. Reaching and transforming the lives of the new generations of children. Did you know that there are 75 million children and youth in the Millennial generation? That’s a larger generation than the Baby Boomer generation! It’s the largest generation we’ve ever had in America. And yet, the 2005 statistics of our North Carolina Conference show that we had 3,144 fewer children and youth in our Sunday school classes every Sunday than we did in 2004! We experienced a 342 loss in average weekly attendance at our UMYF meetings! The number of children and youth in society has been rising sharply but the number we are reaching is significantly declining.
5. Eliminating poverty in community with the poor. That means we eliminate poverty not with a handout but a hand up. (Use the legislator letter and Listen to the Children brochure.)

6. Expanding our Hispanic/Latino ministries. Please hear this: The Hispanic/Latino population in North Carolina is growing faster than in any other state in the nation. Later in the conference we will hear a strategic report about our plans with the Hispanic/Latino Ministry.
7. Transforming existing congregations. Once again, this at the heart of our vision here in this conference and I will speak more about this pathway later in this address.

These pathways must guide us as we evaluate ministries, build budgets and strategize for the future. Our founder, John Wesley, affirmed personal holiness and social holiness as the twin spires of the Christian faith. These seven pathways seek to address this balance and interplay between strengthening the Body of Christ and fulfilling the Reign of God. Invitation into the Body of Christ and formation through the Body of Christ cannot be separated from bearing witness to and advocating for the Reign of God in all of creation. Disciples of Jesus do not just believe in Christ, they follow Christ into the world. And, the Church will not be in the world without effective systems of reaching, forming, equipping and sending disciples.

Here in North Carolina, as we travel those seven pathways, we will do so on “two strong legs” – The leg of God-inspired, Christ-centered, Spirit-led, effective, visionary clergy leaders and the leg of healthy Spirit-filled congregations that have radical hospitality, passionate worship, focused spiritual formation from the cradle to the grave and risk-taking ministry and service to the world.

So, let me speak more about the first leg that will carry us down these pathways – Effective, Visionary Clergy Leaders. I thank God daily for the many marvelous, dedicated, cutting-edge clergy we have in this conference! Their effective, faithful and fruitful ministry is richly blessing our smaller membership, medium size and larger membership churches. They are showing us what God can do with obedient, well-trained and equipped, growing servant leaders.

I believe that God desires that same quality of leadership from every single servant leader He calls and the Church sets aside for Word, Sacrament, Order and Service. And I know you believe that also. I wish you knew the number of letters and personal comments I get from our clergy saying to me, “Thank you for calling us to greatness in Christ! Please hold the course!” My brothers and sisters of the “cloth” I implore you to hear this: no servant leader who is willing to give his or her very best has anything to fear about this direction! Only if you are satisfied with mediocrity or maintenance ministry should you have concerns. Later in this conference a Bishop’s Task Force on Effectiveness will update you on a definition of effectiveness and principles that will guide us as we help one another give our very best to the Lord of the Church.

Last year I spoke to you about the vision for an Academy for Leadership Excellence that God had given several lay persons and some clergy persons a few years ago and I reported on the progress of bringing that vision into a reality. Today I report to you that in the next few days a donor couple will step forward with a gift of \$1,000,000.00 to the Academy, which will be added to the \$600,000.00 plus that has already been given or pledged.

Further, on the 29<sup>th</sup> of this month a search committee will make a recommendation of a person (selected from 38 persons identified in a national search) to become the executive director of the Academy and to begin the work as executive director on July 15. Praise be to God! A unique place where clergy can be coached, challenged, “re-tooled” - and clergy and laity can be equipped with specialized and practical leadership skills for the 21<sup>st</sup> century has become a reality in North Carolina. And, God has done all of this through a laity-dominated team!

I am most pleased to report to you that some of our local churches have taken seriously my challenge of last year to become proactive in helping their clergy find healthier, happier and more fulfilling times in their present ministries. Every single congregation, regardless of size, must help us in this endeavor! Laity, please hear me – insisting that your clergy find a rhythm of renewal and recreation is as important as making sure they have adequate salary! Just a few years ago one of our annual conferences in this nation created a Clergy Morale Task Force to study clergy morale in their conference. Their report included these remarks, *“The key to morale lies within our personal practice of the means of grace. Without fail, there is (was) a direct relationship between the person’s morale and his or her personal piety. The more a person practices the means of grace, the higher the morale.”* Lay member, when you go home begin immediately to talk with your other local church leaders about establishing for your clergy a standard of not less than two three-day spiritual retreats a year and a minimum of one month sabbatical leave every four years – of course, these are separate from vacation times. Healthier, happier clergy will make for healthier happier congregations!

One more word on this leg of effective clergy leadership: Dan Dick of the General Board of Discipleship wrote in a recent Interpreter Magazine: *“Beyond burgeoning health care costs and skyrocketing insurance premiums, the physical deterioration of United Methodist clergy is appalling.”* He goes on to write, *“Effective clergy leadership requires a new commitment to self-care and wellness. One solution is to form a clergy wellness group. Clergy are banding together to form covenants around exercise, diet, rest, renewal, learning and recreation – where they hold each other accountable to practices that lead to a greater quality of life. Rather than waiting for disaster to strike, these leaders are taking preventative action.”* May all of us treat our bodies and minds like temples of the Living God, which the scriptures teach us they are!

The second leg that must carry us well as we travel these Seven Pathways of making disciples of Jesus Christ for the transformation of the world is: Spirit-filled, healthy, vibrant, alive, dynamic congregations. Healthy congregations are disciple-making center of Jesus Christ for the transformation of the world. Healthy congregations must become the measuring stick for evaluating the effectiveness of every conference board, agency and committee of this conference! If we fail at this task, we fail overall! But we must never forget that Methodism is first and foremost about connection. United Methodist congregations are not independent locally-owned churches. We are a Connection. We are a Body! We are a family! We are responsible for and to each other.

We belong to each other at the same time we belong to God. To belong to God is to belong to God’s heart. And God’s heart is about love, intimacy, passion and sacrifice. Listen, God’s people know that they are secure in God’s hands. They love to live and live to love. For them God is the center of life – especially life in the Church.

George Morris, longtime professor of evangelism at Candler School of Theology and recipient of the 2005 Distinguished Evangelism Award writes: *“Both my research and teaching in the field of missiology, as well as, my own missionary experience on national and international levels have taught me the following: Growing churches, whether they be protestant, Roman Catholic, or independent, ordinarily hold three things in common: (1)They are committed to the authority and primacy of Holy Scriptures; (2)They have strong Christological convictions; (3)They are open to both the power and the gifts of the Holy Spirit. On the other hand – declining churches, whether they be protestant, Roman*

*Catholic, or independent are, for the most part, in decline because they are deficient in these three areas."*

A Spirit-led, healthy, alive, growing congregation understands this truth. And all of us, including every size congregation in our conference, must come to understand this truth as well. So I say to you - friend, if you've been trying to run your church, stop it! If you are controlling your church, stop it! If you've been trying to save your church, stop it! Fall on your knees and give your church back to Jesus, the Lord of the church. The Church belongs to God! So we need more prayer meeting than we do planning meetings. We need more palms open to the heavens than fingers pointing at each other. We need more calloused knees than sharp tongues. We need more people asking deep questions than giving personal opinions and surface answers.

Friends, the drag of the horizontal perspective will disease and kill a church! And, too many of our congregations have become a body that looks more like a herd of cattle in a stampede than a flock of God's sheep moving beside still waters and green pastures.

Our congregations must become mission centers for Jesus and not "me" centers with a mission. We have forgotten that there is a kingdom of darkness stealing the hopes and dreams and souls of a humanity without God. Did you know that we had 365 local congregations that did not have one single profession of faith in this last year?

The call of God involves risk, passion and sacrifice. Our congregations must become the heart of God in their community and in this world. John the Baptist tells us in the Scriptures that Jesus would baptize us with both Spirit and fire, meaning passion. And in Acts 2 the Church was baptized with the Holy Spirit and with fire. And what a passion it gave them!

Passion for the lost was not an option in the Acts 2 Church. Passion for reaching out to needy people was not an option in the Acts 2 Church. Passion for justice was not an option in the Act 2 Church. Passion for being a vessel for the Living God was not an option in the Acts 2 Church. The Acts 2 Church had radical hospitality, passionate worship, intentional spiritual formation from the cradle to the grave and risk-taking mission and ministry to the world.

So, by the Annual Conference of 2008 I want us to be able to identify, by name, 200 Acts 2 Churches in this conference! Churches that have all four of these qualities functioning well in the life of the Body. Churches that have decided to reach the lost, the unchurched, the de-churched – to reach children, youth, Hispanics and Latinos – not counting the cost or sacrifice involved.

Churches that have prayer-based, Spirit-filled, quality worship services. By the way, our 2005 statistics also show that our average Sunday morning worship attendance is down 2,796 persons! That fact should cause us to ask ourselves several serious questions about how we do worship, what we are or are not teaching about commitment and if real relationships actually exist.

By 2008 we will name 200 churches that are teaching their members to go deeper and not just wider. Churches that are serious about every member being in small groups where they are supported, encouraged and challenged to grow in Christ. Churches that are helping their members understand the gifts of the Spirit and the role of those gifts in building up the Body of Christ. Churches that forge strong, full partnerships between the clergy and laity. Churches that want a leader to equip and empower them and not do their ministry for them. Churches that want to be challenged and not coddled.

In 2008 we want to name 200 churches that are risk-takers in attacking poverty, seeking justice, caring for the needy – eager to give a hand-up and not

just a hand-out. Churches that cause persons like Bishop Hope Morgan Ward to say ..... video clip.

To date we have given \$1,663,204.85 to Katrina relief. And, we have given \$1,093,452.15 to Tsunami relief! Almost every single week since Katrina hit we have had a team or teams of persons in Mississippi – and will continue to do for months to come!

This wonderful, generous outpouring is further proof that money is not our issue. Heart is our issue! When we have the heart of God, we love, we sacrifice, and we burn with passion to help and save others. And just as we have defined effectiveness for clergy we will define effectiveness for local United Methodist congregations. We will find an objective way to evaluate local congregations. So I am asking our conference lay leader, Emily Innes, to lead a team which will bring a report on this issue to the 2007 Annual Conference. And, like I said to clergy, I say to local congregations – there is absolutely no reason to have concern if you want to be an Acts 2 congregation. The only reason for alarm is if you are satisfied with mediocrity or maintenance ministry!

Brothers and sisters, the Church of Jesus Christ is the hope of the world. And we are the Church! The Church is not a group of human beings doing their own thing. We are a Body of disciples under the mandate of a living Lord – and He has trusted us to live in a critical time of history. A “crack in history” – a window – between “what is” and what “might be” - that some say occurs only once or so every thousand years. We were created to be a Daring to Change the World Church. We dare not miss this golden moment for God? What will be written in the Lamb's Book of Life about you and me and the church we belong to and led in such a crucial time?

This one thing I know, there's a consistent theme woven throughout the stories of the heroes and heroines we read about in the Holy Scriptures – namely, the Lord of the Church called them to risk; none of them knew how the challenge or the call would end. They simply obeyed God and trusted God to work out his heart's desires through them as they Walked in the Light of God. And He always did more than they expected! And, in a way better than they could have imagined!

I'm ready to let go of my fears – and my way – and walk in the light of God. “Breathe on me, Breath of God; Fill me with life anew, That I may love what thou dost love, And do what thou wouldst do.”

The State of the church address was followed by the celebration of Holy Communion. An offering of \$18,414.47 was received for the SEJ Lake Junaluska Dam Repair Project.

Nothing in this motion creates any requirement or expectancy that either CFA or the Conference shall budget or appropriate funds to, or authorize any conference-wide appeal on behalf of, any of the Affiliated Institutions, which actions are entirely discretionary with those bodies. The Conference's adoption of this resolution creates no future obligation or liability of any kind on the part of CFA or the Conference.

Bishop Minnick served the Annual Conference as resident bishop for twelve years from 1984 to 1996.

**Plenary Session:**

Gilbert named three areas of need: 1. counseling with new clergy as they follow their calling into the ministry; 2. intervention and support for the health and well-being of clergy; and, 3. assistance for clergy who are leaving the ministry. There is a renewed emphasis on excellence in ministry for every United Methodist congregation regardless of the size of the congregation. The goal of the task force was to create a working document to be presented to the Bishop, to the Board of Ordained Ministry, and to the Conference Cabinet for examination. That part of its work has been completed. There will also be a plan in place to deal with the issue of ineffective clergy. This was presented as an interim report to the conference. It may be accessed on the conference website. Gilbert thanked Carlin Johnson, Lay Leader (RA), for her work on the task force. Bishop Gwinn expressed his gratitude and thanks to Beth Hood for the work of the Board of Ordained Ministry.

## **THIRD DAY, EVENING SESSION FRIDAY, JUNE 16, 2006**

The setting for Annual Conference was transformed during the evening session into an “arena of possibility.” Boston Philharmonic Orchestra conductor and inspirational speaker Benjamin Zander excited the North Carolina Conference with a memorable program featuring story, music, and energy. He invited everyone to leave behind “downward spiral thinking” and “live into the art of possibility.”

Zander engaged the audience in lively ways—drawing them into the power of classical music, eliciting laughter, and sharing deep wisdom about human interaction. He often referred to how his wife, Rosamund Zander, and his father were great influences in his life.

At times, many in the audience were moved. At other times, they were astonished. But throughout the presentation, he kept their attention.

The program began with an unprecedented rendition of *Happy Birthday* sung to a member of the audience, Mary, which taught the audience to make a lasting impression on others. Zander later played a Chopin piano piece in which he demonstrated the growth of possibility through music. The audience also learned by observing Brent Selby, a talented young cellist, who was tutored on stage.

The people were reminded of the tremendous power of our words and Zander contended that possibility is always only one sentence away. For example, Zander believes that we can react to our mistakes by declaring, “HOW FASCINATING.”

At the end of the evening, Zander gave a closing reminder of the power of human potential when he led the North Carolina Conference in a stirring rendition of the *Ode to Joy* sung in German. An offering totaling \$237.36 for the Board of Laity was received as the members of the Conference exited.

After the event, Zander signed copies of *The Art of Possibility* which he co-authored with his wife.

## STRUCTURE REVIEW COMMITTEE

The team met, reviewed, discussed, and approved the suggested changes to our conference structure which will be spelled out in more detail this spring before Annual Conference convenes. The revised structure has also been amended and approved by the Conference Connectional Table and will be mailed to clergy and lay members and presented to the Annual Conference Briefing Sessions held in each district this spring.

The changes will move the structure more into line with the General Connectional Table, enlarge it slightly, and will enable mission and money to be brought to the same table where the mission, ministries, and resources of our conference can be coordinated more effectively. Collaboration with the Conference Council on Finance and Administration will continue to be crucial as the vision of our Annual Conference determines more transparently how our budget is shaped.

We give thanks to God for the excellent manner in which our young structure has been embraced by our clergy and laity, for the generous manner in which our congregations continue to respond to fair-share and second mile giving opportunities, and for the strengthening of our conference we believe the proposed revisions will provide.

Watch for the details in a later separate mailing in mid-May.

George Johnson, Rick Clayton, Tom Holtsclaw, Brenda Brown, Bob Frazier,  
Louisa Locklear, Delores Langley, Charles M. Smith

## CONFERENCE CONNECTIONAL MINISTRIES

The Conference Connectional Table is working under the vision and mission statement it has been discerning over the past several months:

*Healthy Congregations and Effective Leaders in Every Place  
Making Disciples of Jesus Christ  
for the Transformation of the World.*

In cooperation with the Structure Review Team, a proposal to revise the structure and purpose of the table is being prepared for presentation to Annual Conference and will be explained at the Briefing Sessions to be held in each district prior to conference. The table will be less of a think tank and more of a coordinating body which will place our structure more in line with the General Connectional Table. The size will grow to 37 from the current 31 enabling more conference boards, agencies, and committees to participate in forming the vision and recommending funding priorities. The table will become the central place where mission and money are brought to the same table and will strengthen our ability as a conference to better match up vision and priorities with adequate funding. This will enhance the collaboration with the Conference Council on Finance required by the Discipline to bring a united budget presentation to Annual Conference each year. We believe this will enable us to expand our grand tradition of being a leader in the denomination in creative missional opportunities within our boundaries and in our generous support of general and jurisdictional ministries.

Charles M. Smith, Executive Director

## COMMUNICATIONS CIRCLE

The year since we gathered last has brought great change in communications in the North Carolina Conference. At the same time we celebrated 150 years of publication of the North Carolina Christian Advocate, a realization came that the funding sources of the Advocate were drying up. After much deliberation and conversation between representatives of the North Carolina Conference and the Western North Carolina Conference, and including the counsel of Bishop Gwinn and Bishop McClesky, both conference treasurers and communications directors, and representatives of the Methodist Board of Publications, an agreement was reached to dissolve the partnership between the two conferences in the publication efforts of the Advocate and to cease publication of the paper in the fall of 2005.

As the decision was reached to cease joint publication of the Advocate, North Carolina conference members of the Board of Publications, members of the NCC Communications Circle, the Communications Director for the Conference and other key persons met to vision the ongoing need for print communications to the NCC Advocate subscribers while at the same time discussing the future of communications as we move more into cyber-technology and e-communications. Thanks to the generous offers of Barry Merrill and Brownie Futrell to publish and mail a new Advocate for the North Carolina Conference, a six-month window of time was given for reorganization to take place. Thanks also to Bill Norton, Lee Ann Thornton, Linda Smith and all others who are overseeing the production of the NCC Advocate in this time of transition.

While the events of the demise of the North Carolina Christian Advocate are sad for all of us, the change offers to us a window of opportunity to vision for the 21<sup>st</sup> century the vehicles of communication that will be most useful in fulfilling our mission of telling the world what the church is up to. So we go forth in thanksgiving for all that has been and hope for all that will be as we do our part in making disciples for the transformation of the world.

A celebration from committee of Archives and History is the great gathering of the Southeastern Jurisdiction in the North Carolina Conference to remember The Garber Years. Lectures and tours will be given from the Duke Divinity campus to the places in the conference where the vision sown by Bishop Garber grew new churches at a rate unparalleled in the history of the conference. Congratulations to Arthur Warren, Laura Bailey and all associated with this great event for the North Carolina Conference Archives and History Committee.

The challenges of funding Igniting Ministries continue as cuts in budget are ongoing. As there have only been a couple of years when we have had funding to apply for matching grants from the General Church, we have lost the opportunity to participate in Igniting Ministries in ways that might have been truly fruitful in

## ARCHIVES AND HISTORY, COMMISSION ON

The spring meetings of the Historical Society and the Commission were held at Chestnut Street United Methodist Church in Lumberton, NC on April 9, 2005. We had a nice attendance and an outstanding presentation of the history of the church. It was noted that Rev. Francis Asbury visited in the area several times, Sunday, March 11, 1787 and sixteen years later.

A planning meeting was conducted on May 10, 2005 at the United Methodist Building in Raleigh, NC to finalize a brochure for the 2006 SEJ meeting and any additional work that could be completed. A presentation to our Annual Conference was

made on Friday, June 10, 2005 to promote our work and give out brochures for the 2006 SEJ Historical Society Meeting and to encourage attendance at the 2005 SEJ H. S. Meeting in S.C.

The S. E. J. Historical Society meeting to be held in our Conference June 27-30, 2006 is a wonderful opportunity to be more informed about our history and experience some history first hand on a bus tour. It will be hosted at Duke University Divinity School and will celebrate the Bishop Garber Era. Bishop Paul Neff Garber served our Conference from February 1951 to July 1968 holding 18 regular sessions and several special sessions. Higher Education, Camping Ministry, Retirement Homes and New Church Development are several areas among others that flourished during his tenure. We invite everyone to be a part of this event and join with us in the celebration, for more information or a brochure, please contact the Conference Media Center.

We very much appreciate the work of our Conference Staff, Mrs. Laura Bailey and Mrs. Linda Smith with our Newsletter the *Saddlebags* and other activities. Rev. Frank Grill, our Conference Historian, continues to faithfully assist with our work.

The SEJ Historical Society meeting held July 12-15, 2005 in Charleston, SC was an outstanding event with the theme; "Methodism in Charleston: From Wesley to Civil Rights". Those in attendance from our Conference were: Mrs. Pat Bailey, Mrs. Vivian Mitchell, Mr. John Mitchell and Rev. W. Arthur Warren, Jr. We meet at Bethel United Methodist Church. There were many wonderful experiences for us like, the Seafood Extravaganza and Gathering at Johns Island Rural Mission, visiting Old Bethel Church just across the street from Bethel UMC, taking the City of Charleston Walking Tour and the City Bus Tour and enjoying all of the presentations on the history of Methodism in the Charleston area.

The fall meetings of the Historical Society and the Commission were held at Duke's Chapel United Methodist Church in Durham, NC. Mrs. Ruth Copley shared the history of the church and the pastor, Rev. M. B. Collier, Jr. assisted her. We were greatly blessed with the day's activities and a wonderful meal.

We rejoice in the privilege of preserving and sharing our Christian heritage and encourage our local churches to be faithful in preserving their history. Our ministry of history is an excellent way to offer Christ to the world.

W. Arthur Warren, Jr., Chairperson

## EPISCOPAL CIRCLE

As the chair of the Episcopal Circle, I am convinced that the Episcopal Circle strongly supports and takes a part of the visions/ mission statement for the North Carolina Annual Conference, which is, "Healthy Congregations and effective leaders in every place Making Disciples of Jesus Christ for the transformation of the world." Each team members of the Episcopal Circle are willing to use our efforts and energy for the fulfillment of the vision/ mission statement. For example, Ministerial Relations, District Superintendents, Conference Nominations, and the Committee on Episcopacy strengthen effective leaders in the NC Annual Conference, especially clergies, as well as in local church leadership. Congregational development, Christian unity, Interreligious Concerns, Monitoring and accountability team members cultivate and enhance effective leaders. Besides these teams the Episcopal Circle has the Annual Conference program and NC Council of Churches. We all work jointly and build up the body of Christ in the NC Annual Conference.

The mission of the Episcopal Circle is "to listen to, prayerfully consider, and offer insight to the Bishop, and to receive and implement tasks of his special interests." It is the North Carolina Annual Conference great honor and privilege to have Bishop

Gwinn, who shared his great seven visions pathway to “make disciplines.”

1. Developing New Congregations
2. Teaching the Wesleyan model of forming disciples of Jesus Christ
3. Strengthening clergy and lay leadership
4. Reaching out to new generations of children
5. Eliminating poverty in communities with the poor.
6. Expanding our ethnic ministry.
7. Transformation existing congregation.

Five out of seven visions of “making disciplines” are related and connected to the Episcopal Circle. All team members and Conference staff of the Episcopal Circle will continue to be faithful and to do our best to accomplish the mission and ministry of Jesus Christ, our Lord and Savior, in the North Carolina Annual Conference in the year 2006 and 2007.

### **CHRISTIAN AND INTERFAITH UNITY COUNCIL**

Christian Unity is founded on the theological understanding that thru our common faith we are members together in the Body of Christ. With other Christian communions, United Methodists declare the essential oneness of the Church in Christ. This unity finds expression in hymnody, liturgies, and the historic creeds as we confess one holy, catholic and apostolic Church. It is also experienced in joint ventures of ministry and in various forms of ecumenical cooperation and dialogue. These are the focus of the Christian & Interfaith Unity Council. Our responsibilities are listed in paragraph 641 of the *2004 Book of Discipline*, and our work is done in connectional relationship with the General Commission on Christian Unity & Interreligious Concerns.

In 2005 we participated in conference and regional ecumenical studies of *Mutual Recognition & Mutual Reconciliation of Ministries*, a document prepared by Churches Uniting In Christ, exploring full communion between nine denominational communions. We anticipate a Conference-wide study being offered as this process further develops in order to keep the annual conference informed. We are also pleased to report that the Council of Bishops has approved an Interim Eucharistic Sharing agreement with the Evangelical Lutheran Church in America (ELCA). A study resource, “Confessing Our Faith Together: A Statement Toward Full Communion” is downloadable on the General Commission website ([www.gccuic-umc.org](http://www.gccuic-umc.org)), and we encourage local churches to partner with a nearby ELCA Church to study the document together.

In 2005 we provided grants for participation in the Adult Study Tour to the United Nations and Washington D.C.; and a partial grant for a young pastor of our Conference to attend the World Council of Churches 9<sup>th</sup> Assembly held in Brazil during February 2006, in concurrence to “raise up a new generation of ecumenical leadership.” In April 2005 we were represented at the National Workshop on Christian Unity held in New Orleans.

This Commission has representation in the ongoing Episcopal/United Methodist dialogue, and in the House of Delegates of the North Carolina Council of Churches. Several members will attend the 2006 National Workshop on Christian Unity being held in San Jose, CA, to keep current the work of ecumenism in the NC Conference.

Randy Innes, Chairperson

### **CONGREGATIONAL DEVELOPMENT, COMMISSION ON**

The *Book of Discipline of the United Methodist Church 2004* states that the “mission of the church is to make disciples of Jesus Christ,” and that “local churches provide the

most significant arena through which disciple-making occurs.” The North Carolina Conference has taken seriously this charge, leading most conferences in professions of faith, new member, and worship attendance growth.

Five decades ago Bishop Garber helped birth in this annual conference a spirit for planting new churches. The 101 churches planted since that time represent over ten percent of our 840 churches in the annual conference. In the year 2004 these churches represent 24% of conference’s worship attendance, 31% of the professions of faith, and paid 22% of the total apportionments. Worship attendance is one measurement of a church’s health and 35 of these churches are among our top 120 churches with more than 200 persons in worship each week. Of these churches, 7 have more than 300 in worship, 5 report more than 400 in worship, 10 see over 500 in worship, and 1 has over 1,500 persons in worship. The fruit of living into our Lord’s Great Commission brings energy and life to our annual conference.

In 2003-04, the Congregational Development Fund, Inc., with the support of Bishops Edwards and Gwinn, and an outstanding team of laity and clergy, launched *A Time to Grow* funding initiative. To date, about \$1 million has been committed by members of the initiative’s steering committee members. *A Time to Grow* initiative continues to solicit support from interested laity for the Academy of Leadership Excellence in one-on-one and district cultivation events. A national search has been conducted for a person to serve as the executive director of the Academy for Leadership Excellence and a pilot launch of the Academy is expected to occur in the next year.

We recognize the mission of engaging a multi-cultural community that Reconciliation UMC in Durham is undertaking and will celebrate their chartering as a church at the 2006 annual conference. We appreciate the experimenting of beginning emerging ministries within existing churches and facilities. The Shepherd’s Table faith community reaches over 80 Zimbabwean immigrants each week and is hosted by McMannen UMC.

It is the function of the Commission on Congregational Development, and the associated Office of Congregational Development, to aid congregations and their lay and clergy leaders in creating strong and effective churches. Annually, new churches, and older churches of all sizes, are assisted with vision and mission planning, staff development, lay and clergy leadership development, building committee organization, and evangelism and outreach instruction. Each year about 100 churches are assisted, most of them small membership in size, and this was again the case in 2005. In the past decade, 35 new churches have been started within the bounds of the North Carolina Conference. These churches have been started in city settings, growing suburban communities, and rural communities. Membership in these new churches includes persons who are affluent, middle class, and poor, Anglo, Hispanic, African-American, Korean, Native American, and Asian.

The Office of Congregational Development continues to provide through its annual contract with Percept Group, Inc., up-to-date community demographic data, accessible on-line and without cost, to all local churches ([www.link2lead.com](http://www.link2lead.com)).

The Ten Dollar Club, now in its 53rd year, is administered by the Office of Congregational Development. The Club’s loyal members continue to provide funding to underwrite grants to new churches for land purchase and first building construction.

Allen Bingham, Chairperson

## **DISTRICT SUPERINTENDENTS, REPORT OF**

**Burlington District:** In 2005-06, the mission and witness of the Burlington District remained vital, faithful, and innovative. All but five local churches paid 100% toward their connectional, mission apportionment, for a total district pay-out of 98.7%. Several congregations celebrated anniversary year events: Swepsonville UMC—125 years, Efland —100 years and Aldersgate, St. Paul's, and Grace —50 years. Three churches sent mission work teams to Mississippi, in relief of the hurricanes: Mt. Hermon, Christ in Chapel Hill, and Front Street. Cedar Grove UMC moved into their beautiful, new building and held the consecration service on June 5. They also have developed a mission around a community garden named Anathoth (from Jeremiah 32). The garden serves as a place for the community to work in raising vegetables for those in need as well as serve as a site where groups from churches, even school groups, can gather to share in mutual service to others. Hillsborough UMC purchased a new parsonage with plans of using the old parsonage for church use. Christ UMC in Graham will close in June '06. Bellemont UMC "burned notes" of indebtedness and held a dedication service on April 30 for their Christian Life Center, parsonage, administrative wing, and campus improvements. The churches and pastors of the district have been grouped according to regional clusters with 6-10 churches in each cluster, for the purpose of partnering and supporting one another in their shared mission. One cluster held a fundraising event to support hurricane victims in the Gulf states, raising over \$4,000. Two clusters conducted cluster charge conferences, with one being attended by 160 people, sharing a meal together, and then moving to the traditional "business" meeting which was more of a celebration and worship than the normal "business." From a successful Christmas mission offering, the district purchased and equipped a disaster response trailer to be used by mission groups deployed to the Gulf states and elsewhere. The District Laity Rally featured mission awareness with the guest speaker being Dr. Mike Ward, former state commissioner of public instruction and spouse to Bishop Hope Ward of Mississippi. A district academy for disaster response training was held in April at Union Grove UMC. District clergy meetings have focused on physical, emotional, and spiritual wellbeing. A 24-hour Sabbath "Time Out" event was held at Camp Chestnut Ridge for district clergy. RCITI (Rural Communities in Transition Initiative) is conducted by the district and funded by Duke Endowment as a program to assist pastors and local churches where farmland is being lost, factories are closing, housing developments appearing in rural areas, and churches and communities are being impacted by these cultural and environmental shifts. Duke Endowment has assisted the church communities of Saxapahaw, Carr, Evergreen, and Cedar Grove. The District Leadership Training event offered eight classes with over 300 persons in attendance. Fourteen clergy and spouses participated in a Marriage Enrichment Weekend in February in New Bern. The Rainbow Covenant congregations increased from 18 to 23. Seven pastors have been involved in group coaching around leadership and wellness through the Intentional Growth Center at Lake Junaluska. "To God be the glory for the things he has done..."

**Durham District:** There are seventy-five (75) individual churches in the Durham District making 61 charges. Each church is a center of mission and ministry both to the surrounding community and to the area at large. During the year several churches were involved in the following changes:

Cokesbury UMC completed and paid for a new fellowship hall with classrooms. Stovall UMC completed a new sanctuary; Mt. Zion is undergoing construction of a new fellowship hall and classrooms; Salem in Person County has completed the renovation of their sanctuary; Fletcher's Chapel is involved in sanctuary renovation; Plank Chapel has renovated their parsonage.

Hispanic ministry in Durham has prospered with four churches, in addition to Christo-Vive, helping to meet the worship and community needs of the Hispanic people in their communities.

Apportionment payments for the District increased 2.35% in 2005 over previous years.

Space does not permit the telling of the many good things that have happened not involving buildings and renovation but which has made a dramatic difference in people's lives because of the pastors and churches. We give thanks to God for his activity among us all in this great Durham District.

**Elizabeth City District:** 2005 has been a good year for the EC district. Our accomplishments include the following:

1. The Building and Location committee approved three new building projects and one is near completion.
2. Three churches have participated in Capital Fund Campaigns and have pledged over \$2 million.
3. Disaster Response: Over \$90,000 raised for clergy support in the Mississippi Conference and supplies for re-building.
4. Focusing on a new paradigm of doing ministry by partnering with churches across the district.
5. Built a new district parsonage that is debt-free.
6. Paid 100% apportionments because pastors and churches were willing to help smaller congregations with their 100% goal.
7. Currituck Charge will become a full-time appointment on July 1, 2006.

**Fayetteville District:** The Fayetteville District is blessed with fifty-nine Pastors and sixty-four churches. Most of the sixty-four churches are Mission and Ministry oriented and involved in the Hand in Hand Ministries, Stephen Ministries, Disciple Bible Study, Emmaus Walk, Prison Ministry, Food Pantries, Clothing Thrift Shop, Merci Mission trips, as well as day care and after-school programs. Many of the churches grew numerically in membership.

The January Lay Leadership Training was well attended by the District. There were approximately 400 in attendance at Hope Mills United Methodist Church where it was held.

Two Congregations, Haymount United Methodist Church and Hay Street United Methodist Church are engaged in completing construction on their new Family Life Center. Salem and Erwin United Methodist Churches are preparing major renovation to build new Family Life Centers.

Financially, the District Churches remitted 95.80 % of all apportionments. The District gave generously toward the support of Hurricane Katrina Relief Project.

Since this is my seventh year as District Superintendent of the Fayetteville District, I wish to express my sincere appreciation for the wonderful support that I've received over the past seven years. Please know it has been my privilege to serve you. I pray God's continued blessings upon this loyal, faithful and wonderful District.

**Goldsboro District:** The goal for the Goldsboro District for the year 2005 has highlighted effective pastoral leadership and healthy, dynamic churches for the transformation of the world by making disciples of Jesus Christ. In an effort to fulfill these goals, the Goldsboro District has centered its ministry on mentoring groups for pastors and leadership opportunities for congregations. Through the presence of the holy spirit in the Goldsboro District this has been a year of advancement and celebration. The district paid almost 96% of its apportionments and has seen increases in membership and worship attendance. Several congregations have begun multiple services of worship where pastors and congregations have sought to bring relevancy to the gospel in contemporary times. The Lebanon UMC has begun a

dynamic ministry of providing staple food items for their community as has the Selma Edgerton UMC. Charity UMC has begun a ministry to the emerging Latino population in it's midst. The Faison UMC has expressed itself as a strong mission station reaching to it's community in creative and meaningful means to make the person of Jesus incarnate. New Hope UMC has a program called Parents Anonymous which offers care and counsel to people whose lives are often stressed beyond endurance.

The Goldsboro District has a vital partnership with the First Methodist Church of Pascagoula, Mississippi where teams of lay and clergy will continue to reach and love to this congregation so devastated by Hurricane Katrina. Congregations of the Goldsboro District have served on mission teams to Mexico, Hyde County, NC, the mountains of NC and other places of need. A new sanctuary has begun arising at the Walker Memorial UMC. A new Education Building is being built at Bethel Wayne UMC. The Wesley Chapel UMC is planning a new edition to its historic building. The Salem UMC completed a major renovation to its Grange Fellowship Hall.

This has truly been a year in which the spirit of God has been moving across the face of the Neuse River Basin, called the Goldsboro District.

**Greenville District:** Laity and clergy across the Greenville District are seeking to become transforming faith communities calling persons to Jesus Christ and uniting them in service to His Kingdom. Charges in the district increased their level for faithfulness in mission and service giving from 94% to 97% in 2005. We seek to become a district that meets its commitments at 100% in 2006. Our Hispanic ministry at Grimesland, Unidos por Cristo, is growing numerically and spiritually. We celebrate the completion of a new church facility for Sharon UMC. Hookerton UMC completed a new fellowship hall and plans a sanctuary renovation. Soule UMC on the Hyde Charge added a new fellowship building. Last fall, the District Board of Trustees, following District Conference action, sold the district parsonage located on Martinsburg Road and purchased a new home on Carnoustie Drive to serve as district parsonage. During 2005, Walstonburg UMC and Parmele UMC elected to discontinue services. We are thankful for the ministry these churches have provided in the past. In all that we do together, we offer thanks to God!

**New Bern District:** The New Bern District has enjoyed another good year. Growth in ministry and mission has been reflected throughout the District. 63 of our 65 churches paid 100% of their 2005 apportionments. There was a great outpouring of support for Katrina relief. The Hispanic Ministry EMBRACE continued to flourish, anchored at Pine Valley UMC in Jacksonville. Several churches have been expanding their facilities in order to expand their ministries. FUMC in Morehead City has occupied a new 2.2 million education building. Garber UMC has recently consecrated its new 5.5 million Ministry Center. Faith Harbor UMC in Surf City is scheduled to have consecrated its new 1.3 million sanctuary. A new Community Life Center is under construction at St James UMC in Newport. Finally, Broadcreek UMC has completed a new sanctuary.

**Raleigh District:** God said to Ezekiel, *Say to the house of Israel, 'A new heart I will give you, and a new spirit I will put within you.'* The Raleigh District celebrates this word from God which the District believes is being lived-out in our places of ministry.

Because of the growth in their worshipping communities, new sanctuaries have been completed at Macedonia (Cary) and North Raleigh United Methodist Churches. Other construction projects, which enable congregations to expand their ministries, include the completion of a new ministry-center at Garner United Methodist Church and the planning of a fellowship hall at Layden Memorial. Avent Ferry has begun construction of a new sanctuary, while Knightdale United Methodist Church has made significant progress in its plans for relocation. There was a shift in the paradigm for enabling ministries among the Latino/Hispanic community by decentralizing the ministry and integrating it into local congregations. The District acknowledged that the season for a multicultural congregation in Morrisville had not come and closed Church of the Risen Lord.

The work which God has called forth from the Raleigh District has been significantly enhanced by the appointment of the Reverend Jo Elaine Harris as the District Pastor of Missions. One aspect of her ministry was to facilitate a District-wide work team, with over one hundred clergy and laity, to D'Iberville, Mississippi. The District also lived-into a new paradigm in the appointment of the superintendent to serve as part of a pastoral team in a local congregation while continuing to serve the District. Churches were encouraged to envision new ways in which the office of the superintendent could serve to build healthy congregations.

Thanks be to God for the ways in which the congregations in the Raleigh District have heard the calling of God's voice.

**Rockingham District:** The Rockingham District: In 2005 the Rockingham District has given witness to the boundless reservoir of God's grace, and it has been that grace which has been sufficient for people called United Methodist on this district. Despite the very unique challenges of our district we have continued to remind faithful to the call of God; "to make disciples for the transformation of the world." The Rockingham District is blessed to have within its bounds gifted laity and clergy who exhibit the desire to live out their passions, mission, and ministry. Many of our churches have taken work teams to the Gulf Coast, and our Native American churches continue to be blessed by their partnership with the people of Bolivia having built several homes there with many more yet to be built. We are also working on the Asbury Home to be built in Pembroke, North Carolina. The district counts it an honor to have both the clergy and lay Denman Award winners to be recognized at the 2006 Annual Conference. The laity of our district are a major part of our making disciples for Jesus Christ, and they exhibit such vital faith through our record attendance at both the basic, and advance course of Lay Speaker Training.

The Rockingham District Office renovations were completed in the summer of 2005. The renovations include a conference room, and district superintendent's office space.

I can think of no other district that truly lives into the words of Deuteronomy 33:25 "Your strength will equal your days." We in the Rockingham District understand the truth that some days are "little days," with no great task or test. But some days are "big days," with major needs, but whatever the day brings whether challenge or celebration God gives strength sufficient for the need of each day. Thanks be to God, for the things God has, and will do. We in the Rockingham district believe our best days are not behind us, but in front of us!

**Rocky Mount District:** The last year has been one of unusual accomplishments for the Rocky Mount District. On the morning of August 29, when Hurricane Katrina swept across the Gulf Coast, the Rocky Mount District mobilized its emergency response team. \$150,000 was collected for UMCOR and work teams from fourteen congregations prepared to go to Mississippi and Louisiana.

The pastor of our adopted church, Eastlawn UMC in Pascagoula, broke down in tears with the RM district superintendent on the second day of relief efforts. "You have given us much more than money," said George Jackson, "You have given us hope!" The Reverend Jackson and his wife, Dorothy, came and spoke at the Rocky Mount District Lay Rally in March, expressing appreciation for the outpouring of love and assistance. The district work teams sheetrocked and replaced the kitchen appliances in the parsonage. Work teams from Sandy Cross, West Nash, Englewood, Pinetops and Englewood, as well as other congregations, went to help re-build this area.

The Rocky Mount District paid 100% of its conference apportionments. Every church paid out completely for the second year in a row. Some churches, such as Littleton, provided significant second-mile giving in outreach support. This church gave some an additional \$40,000 to UMCOR and world mission beyond its budget and apportionments.

Building programs were initiated in several locations. Bailey broke ground for a half million dollar renovation and expansion. Littleton approved plans for a new parsonage. Evansdale completed a beautiful family life center addition. Elm City undertook extensive renovation of its facilities. Winstead worked on acquisition of land for a re-location of its facilities to the US 264 corridor. Zion in Northampton County installed a lift making the building handicapped accessible. Battleboro completed extensive renovations to its parsonage. Halifax occupied their new fellowship hall which will serve the entire community. Smith Church paved a new parking lot and began looking at ways to expand the facilities to meet the needs of their growing congregation.

Concord celebrated the renovation of its 1795-era facility, one in which Bishop Francis Asbury preached, with a consecration service hosting Bishop Alfred Gwinn. First Wilson celebrated its 150th and New Hope (Halifax Co.) celebrated their 200th anniversary.

La Estrella Resplandeciente United Methodist expanded its program with the addition of two Spanish-speaking Duke students from Texas. This church now provides ESL classes and tutoring for Hispanic students in the local middle school.

The Rocky Mount District is alive and well, proclaiming a gospel of reconciliation, renewal and hope!

**Sanford District:** The Sanford District rejoices again as a community of faith that is truly seeking to make disciples of Jesus Christ for the transformation of the world into the fullness of the Kingdom of God. We hear that phrase all the time, "The Kingdom of God." We hear it lifted up in the New Testament, especially the first four books. We sing about in the church. We hear it from the lips of our Christian leaders. But do we know what it really is? Can we put our finger on it? Can we set out on a journey to find it? It is a topic Jesus addressed time and time again. He must have said on many occasions, "How can I describe the Kingdom of God? What story can I use to illustrate it?" We know He used mysterious parables to spark the curiosity of the people when He shared the following words, "The Kingdom is like a farmer; it is like a treasure hunt; it's like a woman working some yeast into some dough. It's like a fishing net, a mustard seed, a pearl of great price found at a market stall." In other words, the Kingdom is not a political coup as Jesus' listeners were hoping. It is not even a physical place at all. It has been here all the time, waiting to be found in the midst of everyday life, as close as our heartbeat. Jesus said in Luke 17:21, "The Kingdom of God is already among you."

We believe we are Kingdom people doing Kingdom living in the Sanford District as we share the unconditional love of Jesus Christ across the globe. We celebrate our missional giving of over \$200,000 in offerings received to support Katrina victims; \$4,200 given to One Great Hour of Sharing; \$1,300 given on World Communion Sunday; \$1,200 given on Human Relations Sunday; \$900 given to Student Day Offering; \$2,200 given to Peace with Justice offering; \$9,800 given to support the \$10 Club; over \$70,000 given to Conference Advance Specials; \$17,400 given to World and National Missions.

We rejoice in that the District paid almost 98% of our Connectional Missional Support, and 100 % payout of World Service for the Annual Conference. We celebrate support for black colleges, Africa University, Interdenominational Corporation Fund in the amount of \$23,000. We celebrate 46 Rainbow Covenant Churches, and we celebrate the outstanding work of our United Methodist Men in our District who have served over 50,000 meals to Katrina victims in Mississippi. We celebrate several mission teams who have gone to Mississippi to offer support where needed. We celebrate our mission giving to the Methodist Retirement Home, United Methodist Children's Home, and Methodist College.

We rejoice in celebrating wonderful Leadership Workshops with a large attendance coming to grow in their understanding of their leadership roles in the life of the Church. We celebrate 600 in attendance at our District Lay Rally at which Bishop Al Gwinn shared an inspiring message of how we can be healthy and vital churches. These are just a few signs of the coming of the Kingdom, and yet, we know there is far more to come.

In the Sanford District we continue to see our churches build facilities that will continue to shape the spiritual formation of individual lives. Piney Grove United Methodist Church has completed their family life center and it is indeed beautiful. Asbury United Methodist is renovating its sanctuary. Smyrna United Methodist Church has finished its family life center and paid it off. Jones Chapel and Moncure United Methodist Churches are trying to renovate and restore a youth center given to the community. Trinity United Methodist Church in Troy has completed a renovation of its sanctuary and it is beautiful. Merritt's Chapel has completed a family life center and is ready to dedicate that facility. McQueen's Chapel United Methodist Church is in the process of completing a new fellowship hall. Trinity United Methodist Church in Sanford is a mission station which has seen its membership grow from 7 persons to 66 in the last two years. Little River United Methodist has just completed a new fellowship hall.

As you can see, we believe the Kingdom has come and will continue to come in its fullness. In the meanwhile, we will keep singing,

"The Kingdom is coming.  
O Tell ye the story.  
God's banner exalted shall be.  
The earth shall be full of his knowledge  
And glory,  
As waters cover the sea."

**Wilmington District:** John Wesley would be glad to know that the Wilmington District pastors and churches are "going on to perfection." In 2005 we paid 100.01% of our conference apportionments.

Several churches are engaged in building projects and land acquisition: Harbor, \$1.3 million education space; Trinity, Southport, \$2.3 million education/fellowship space; Ocean View, \$2 million sanctuary/administration/education space; Seaside, \$3.2 million sanctuary/education space; Old Dock, \$100,000 fellowship hall; Sharon, \$1.4 million sanctuary/administrative/ education space and \$10,000 land purchase; Wrightsville Beach, \$2.6 million land purchase for parking/building expansion.

Outstanding ministries and missions: District Children's Day, over 700 attending; organization of Congregational Development and Transformation Task Force; District Conflict Transformation Workshop; District Camp Meeting with Bishop Gwinn; Wilmington Area Rebuilding Ministry (WARM), 27 projects completed; "Get on the Bus II," \$7,223 cash and a busload of medical supplies for Ghanta; \$29,560 for Katrina Relief and District Work Team to Biloxi, MS; 21 Rainbow Covenant churches.

We rejoice that God has blessed the Wilmington District with effective leaders and healthy congregations.

## **MONITORING AND ACCOUNTABILITY MINISTRY TEAM**

As the Monitoring and Accountability Ministry Team of the North Carolina Annual Conference, we will continue to guide and encourage this NCC to realize the full and equal participation of all God's children, regardless of ethnicity, gender, physical limitations, or age in the life and leadership of Christ's Church.

During Annual Conference 2005 we offered the following ministries to encourage inclusiveness in the life of our North Carolina Conference.

- 1) We monitored the plenary sessions and worship experience to record participation rates. The results were published daily in the Saddlebags as feedback. Participation in worship services: Racial Ethnic Men 12.5%, and Racial Ethnic Women 4%, Anglo Women 8.5%, and Anglo Men 75%.
- 2) The business sessions of our conference 25% women and 75% men. 16.6% Racial Ethnic and 83.4% Anglo. 9.5% Racial Ethnic Women, and 7.5% Racial Ethnic Men. 13% Anglo Women and 70% Anglo Men.
- 3) District Superintendents: There are twelve district superintendents in our conference: Three of them are African American which constitute 25%, one Native American which constitutes 8.5%, one Anglo American Woman which constitutes 8.5% and seven Anglo American Men which constitutes 58%. There are 642 (give or take) appointments in our Annual Conference. Of the 642 appointments 26 are cross-racial which constitutes (4%). Of the twenty-six cross-racial appointments seven are African American, which constitute (27%): Four are Euro Americans, which constitutes (15%): Eight are Native Americans, which constitute (31%): Six are Asian Americans, which constitute (23%): And one is Hispanic American, which constitute (4%).

On our report last year the Monitoring and Accountability Team stated that your cabinet would look much better at 57% Anglo Men than 67%. Bishop your cabinet has set a precedent for our General Church when it comes to inclusion in leadership and cross-racial appointments in our "great" church. We are happy to be your Monitoring and Accountability Team. We are privileged to serve this great Annual Conference. We sponsored a Sensitivity Training Even in May of 2005 which targeted the Cabinet and Conference Support Staff. It is my conviction that that was the most "eye opening" training event that has happened in the life of this Annual Conference. At your request Bishop, all of our Pastors, Staff Parish Relationship Committee Chairs, and Lay Leaders will receive that training in 2006.

Burlington, Durham, Raleigh and Sanford is scheduled for May 6, 2006 at Garner United Methodist Church, Garner, North Carolina.

Elizabeth City, Greenville, New Bern and Rocky Mount is scheduled for May 20, 2006 at Trinity United Methodist Church, Fayetteville, North Carolina.

Fayetteville, Goldsboro, Rockingham and Wilmington is scheduled for August 19, 2006 at Trinity United Methodist Church, Fayetteville, North Carolina.

This team will continue to familiarize the NCC with the usefulness of Monitoring for inclusiveness as we work to keep before the world and ourselves the church's commitment to inclusiveness as a faithful reflection of Jesus' ministry to all people.

William E. Cummings, Chairperson

## MISSION DEVELOPMENT CIRCLE

The Mission Development Circle and the teams that make up the circle have spent time this year studying the present structure and mission of the work assigned. As part of the restructuring of the Circles of ministry, each area is being looked at with

regard to its fit with the Bishop's seven pathways. In the coming year alignment with these pathways will be a priority of this reorganization process.

The circle continues to operate following the same mission we began with at the beginning of the quadrennial "To inspire courage, cultivate generosity, and to ignite service for Christ mission in the world." During the past year we have attempted to carry out the ministries we have chosen to devote ourselves to in the furtherance of the kingdom and for God's people. The mission circle believes in the structure we have adopted as a conference and has worked hard in adjusting budgets to match the ministries areas we have chosen to lend our focus to.

During the past year we have sought to live out the scripture in seeking to live out the mandate "to serve the least, lost and last" and Make Disciples of Jesus Christ. We have sought to take servant leadership in new places where God's people will meet him face to face. The ZOE project is one example of this in serving children in Africa that would not otherwise be served. Our Methodist Homes for Children has served our children with great needs for many years. Our Methodist Retirement Homes provide a place for our older persons to experience a loving and caring environment that respects their many years of dedication and service. Our Disaster response teams have been challenged in the past year with new challenges of finishing the hurricane Floyd relief work in Eastern North Carolina. In addition to this work, Hurricanes in Louisiana, Mississippi and Florida have provided an even greater challenge than we have previously experienced outside North Carolina. These new challenge have not only created new and difficult work for us, but has brought out the best in all of us in the United Methodist Church in North Carolina. Our Mission team not only serves persons but provides a foundation for calling and equipping persons for ministry in the future through the many opportunities to serve in mission locally, nationally and internationally.

In the past year we have been able to reach more persons in prison and go into more prisons with Disciple Bible Study than ever before. There is a greater excitement at the possibility of serving in a greater capacity in our prisons through our Criminal Justice and Mercy and Evangelism programs. We continue to live into our unique Multicultural environment in North Carolina. We have just developed and adopted a new Comprehensive Plan of Inclusiveness that will undoubtedly make us as a conference stronger as time goes on. Our United Methodist Men continue to recruit and develop new leadership, commitment and vision along with action in our conference. Golden Cross and Asbury Homes continue to work to meet special needs and emergencies as they arise in the lives of our love ones in our conference. Please continue to partner with us as we attempt to serve Christ by meeting individual and local needs as well as global needs around the world.

Gary Wayne Locklear, Chairperson

## **CRIMINAL JUSTICE AND MERCY MINISTRIES, COMMITTEE ON**

The Criminal Justice and Mercy Ministries Committee developed procedures to review financial and mission progress/success for all ministry areas that the committee supports. These ministry areas were compliant with this request and provided the information to support their expenditures. A speaker’s bureau workshop was conducted for the Raleigh District workshops in November. Rev. Ray Warren presented a report to the 2005 N.C. Annual Conference featuring Orange United Methodist Church’s partnership with Forgiven Ministries to host One Day With God Camp which brought inmates and their children together – outside of the prison walls – for a full day of fun, fellowship, worship, and forgiveness. Rev. Warren also spoke to four district superintendent’s meetings about prison ministries and the Angel Tree program. CJAMM supported Disciple Bible Outreach Ministries of N.C., Yokefellow Prison Ministry, Kairos Prison Ministry, Kairos-Out, Prison MATCH of N.C., Inc., and Epiphany Ministries, Inc. A new ministry, Resource Center Without Walls is being supported by CJAMM. This ministry is based in the triangle area and is reaching many individuals to prepare them for the transition from prison back into the community. Methodist involvement in prison ministry began in the summer of 1730 when William Morgan went to the Castle (an Oxford jail) to visit a man condemn to death. He shared his experience with John and Charles Wesley who developed a plan of regular services so that prisoners and jailers alike could anticipate the visits. Sam Isley, CJAMM committee.

## **MARION EDWARDS RECOVERY CENTER INITIATIVES**

(M.E.R.C.I.)

When you enter a home that has been damaged by a disaster; when you smell the odor of polluted water, mold, and mildew; when you lay eyes on a home where all the precious memories have been destroyed; what is your first thought? When you meet a family who has lost everything as the result of a disaster which they had no control over, what is your first thought? When you watch people on TV in pain and suffering over the loss of their homes and all of their possessions and even family members, what is your first thought?

At MERCI our first thought is “how can we help”. What are the family’s immediate needs? What will be their long term needs? What can volunteers do to help? What spiritual or emotional needs might they have? **How can we help?**

With your help, MERCI has been through this process with over 3500 families within the boundaries of the North Carolina Conference. Homes have been repaired, spirits have been uplifted, and families have been given hope and encouragement. Many have returned to their faith or been turned to faith as a result of your being the visible presence of the spirit of Christ. Your churches have provided over one million hours of service to North Carolina!

For the first time in MERCI’s brief six and a half year history, our conference is not in an active disaster response within our boundaries. So what do we do? We respond wherever the need is- Mississippi, Louisiana, Florida, Asia, or anywhere our help is needed. At home we use the time to prepare because we know the next one is just around the corner. This time of brief “calm before the storm” should be used wisely. Is your church prepared to sustain itself and the surrounding community for three (3) full days in the aftermath of a tornado or a hurricane or a flood? If not, now is the time to learn how. Now is the time for your youth to attend Footprints Summer Youth Camp and learn not only the basics of mission work, but also the basics of disaster response. Now is the time for your church to do a Neighbor to Neighbor project, mitigation is the best form of preparedness.

MERCI is here to help empower you and your church in finding a way to serve our Lord. MERCI is here to help those less fortunate than ourselves. MERCI is here to help you be better prepared to handle the disasters of the present and the future.

We thank each and every one of you for your time, your prayers and your support. Without you, there would be no MERCI.

Barbara Tripp, Director, DRM/MERCI

## EVANGELISM, COMMISSION ON

**The mission of the Commission on Evangelism** is to assist the churches and pastors of the North Carolina Conference to witness to the saving love of Jesus Christ for all persons. To that end, the commitment of the Commission is to equip clergy and laity for the work of evangelism. During the past year, the Commission has sought to fulfill that commitment by providing scholarship and seed money to individuals, churches, and districts to assist with a variety of training opportunities and programs in evangelism, and to provide education and resources to increase the knowledge and abilities of our people.

The fourth annual **Academy of Christian Witness (ACW)** was held March 21-23 at the Bergland Retreat Center. The goal of ACW is to train pastors to become more effective evangelists and equippers of witness-minded laity. This year’s workshops included: natural church development; worship as evangelism; pastoral leadership in evangelism; the personal spirituality of the pastor-evangelist; evangelism and local mission; personal faith-sharing; and witnessing to post-moderns. This year’s presenters included: Marty Cauley, Dean of ACW and Director of Ministries with Young People, SEJUMC; Vic Culberson, pastor of Moyock UMC; Vann Spivey, Chairperson of Evangelism and pastor of Christ Community UMC; Tim Reaves, Associate Dean of ACW, former Denman Award winner, and pastor of the Bladen Charge; Laura Early, pastor of All God’s Children UMC; David Beck, pastor of Hertford UMC; Ray Warren, pastor of Orange UMC; and Branson Sheets, senior pastor of Covenant UMC in Winterville. Daily Bible study was led by the Reverend Linda Harris, pastor of Cokesbury and Jenkins Memorial UMCs in Raleigh. In addition, the Reverend Eckie Lancaster, the Southeastern Jurisdiction’s representative to the United Methodist Council on Evangelism was the keynote speaker at the Denman

Award Banquet, held during ACW. All ACW participants received quality evangelism and leadership resources, including books by Eddie Fox, Kirbyjon Caldwell, Erwin McManus, and Steve Sjogren. ACW participants are nominated by their district superintendent or a member of the Commission on Evangelism based on the promise they have shown in evangelism. Full scholarship support is given so that training is available to all pastors.

The Commission has requested an increase in funding for the 2008 conference year in order to expand support for evangelism in the conference. We will offer two ACWs in 2007: one for pastors, and an advanced ACW for past ACW graduates. In addition, in the second half of 2006, the Commission will begin a partnership with the Foundation for Evangelism called the AC-70. In this partnership, the Foundation conducts grassroots fund-raising within an annual conference, and 50% of the funds raised are made available to the conference for evangelism projects.

The North Carolina Conference remains one of the few in the United Methodist Church to report net membership growth year after year. Making disciples is the command of Christ and must be the primary mission of the Church. The Commission on Evangelism seeks your prayers and support as we do our part to fulfill that mission by continuing to faithfully equip all United Methodists in the North Carolina Conference to share their faith in Jesus Christ.

Vann Spivey, Chairperson

### **HISPANIC MINISTRIES TEAM**

The Hispanic/Latino ministries team of The North Carolina Conference is committed to serve the growing Hispanic population in North Carolina. If the present trend continues the Hispanic/Latino Population will make 15 to 20 percent of the state population in less than ten years. Just this year it was expected to go up to 263,626. But we have more than 378,963.

Our mission is aimed at reaching out to the Hispanic/Latino community with the Gospel of Jesus Christ. We pursue our mission by developing communities of faith in which;

- ❖ The Word incarnate of God is proclaimed
- ❖ Neighbors are served
- ❖ All people are transformed and disciplined to become faithful followers of Jesus Christ
- ❖ The life of faith is celebrated in praise and worship

Our vision is to encourage an inclusive Church that actively invites Latinos to be part of the United Methodist Church in the North Carolina Conference. This necessitates worship services and other church ministries to be offered in Spanish.

To accomplish our goals Cookie Santiago was appointed to spear head our ministry. She was appointed to be the Director of Hispanic/Latino Ministries. Guided by her leadership and with the assessment of Lawrence Johnson we have been addressing a varieties of needs. Those needs include leadership development, spiritual formation of pastoral leaders and laity. Also we address lay leadership and discipleship development and issues that affect the Hispanic community. Among these issues are included immigration issues, ESL, health, domestic violence, transportation, child care, parenting, education, substance abuse, employment, adolescent pregnancy. And others such as food, clothing, shelter and housing.

To address these needs the Hispanic/Latino ministries have appointed a Team that meets every three months or in some occasions as it is needed. When we meet we coordinate our activities across the Conference and discuss different concerns. The members of the team are elected from the Pastors or Lay Leaders of the different communities of faith or ministries in the North Carolina Conference.

We have fifteen active ministries and some emerging ministries.

- ❖ El Camino, Siler City, NC
- ❖ Cristo Vive, Durham, NC

The Hispanic Ministries Team was reorganized and meets quarterly to discuss issues and make decisions . The team is made from the leadership of these Hispanic / Latino groups and include; Lawrence Johnson- NC Conference, Director- Cookie Santiago, Sadot Mendez-Chairperson, Elva Monje-Vice President, Rosanna Panizo-Valladares-secretary , Myra Roberts-assistant secretary, ,Gerald Kevin Baker, Delfina Carrasco and Luis Reinoso . Pastors come to the meetings and give input. We are committed to reach and fulfill the goals of a new Comprehensive Plan for the next years.

We have been creating cohesiveness between the different Hispanic ministries and also with other groups within The United Methodist Church. So we shared in The Convocation of The Black church in Fayetteville. We also had two gatherings in Cornerstone United Methodist Church in which in one of them we shared some of the Hispanic Heritage and in the other we shared some seminars directed by Cookie Santiago in the activity called Companerismo. Her mother; a professional translator did instant translation for the English speaking brethren. Also a team went to Nashville, Tennessee for some training concerning legal issues concerning the Hispanic Population. This was called Modulo III, Orientation for Pastors/ as immigrants. We also keep track of the immigration status of our leadership.

We are concerned about the need of Pastoral leadership. We are encouraging our clergy to work towards candidacy. We are trying to build the gap so that we as Latinos would be seen as part of the family. Progress has been achieved in this area. We have been invited to share experiences with non Latino churches. Some Districts are developing EMBRACE {Empowering Ministry to Bridge, Reach Out and Affirm Cultural Esteem} as a model for Hispanic Latino ministries}.

With Cookie Santiago as Director we are and will be working towards developing and expanding the Hispanic Latino Ministries within our conference. This means giving opportunities for cultural and training events, workshops, and working

towards acceptance of diversity and inclusion in the United Methodist Churches in The North Carolina Conference.

Sadot Mendez - Chairperson

### **INCLUSIVENESS, COMPREHENSIVE PLAN OF**

The Comprehensive Plan of Inclusiveness is a compilation of a year's planning, writing and editing of their mission, vision and program goals of the Racial Ethnic groups for the next four years, 2008-2011. These plans follow along the same lines of previous plans of inclusiveness. Three plans have preceded this current document: The Comprehensive Plan of the NCC Missional Priority Coordinating Committee (1987), and the NCC Plan of Inclusiveness (1995), and the 2003 Comprehensive Plan of Inclusiveness that invited each one of the Racial Ethnic Groups to write their plan and vision for the next four years. The thread that runs through all these plans are ways that we can ensure that we have healthy churches and effective clergy and laity. As our population continues to grow in diversity, we need to make sure that our under-served constituency is prepared for mission and witness to meet the challenges of the 21<sup>st</sup> century.

We have a biblical, theological and ecclesial mandate to be faithful to our call of inclusiveness. In Jesus Christ, God has broken down the dividing wall of hostility and calls us from sin and separation to inclusiveness and reconciliation (Ephesians 2:14). Scripture also declares "God was in Christ reconciling the world unto God's very self, and has given to us the ministry of reconciliation." (II Corinthians 5:18-19). The book of Revelation speaks of the fullness of the reign of God, where all nations join in unity to the glory of God." (Revelation 22:1-5).

The 2003 Comprehensive Plan summarizes our continued need to keep these visions and goals before us.

"The Church of Jesus Christ is the institution that God has charged with the ministry of reconciliation. There can be no reconciliation until every ethnic group's gifts and talents are valued by the entire community of faith. The church anticipates the reign of God where the community is fully open and made whole. The North Carolina Conference of the United Methodist Church seeks to make that a daily reality in our common life. We pray, "Thy kingdom come on earth as it is in heaven." With God's grace, we strive to become the Beloved Community, the City of God, and the Light on a Hill. We live between what we are and what we shall become as we embrace the theme of the church for this new millennium, **Open Hearts, Open Minds, Open Doors.**"

(See the Book of Handouts for the expanded Plan on Inclusiveness)

### **MISSIONS TEAM**

In the Story of Mary anointing Jesus' feet, Jesus (John 12:3ff) surprises his listeners by saying that there are more important issues than simply taking care of the poor. Mary's action had to do with more than just taking care of basic human needs. Hers was an act that held the possibility of spiritual transformation for all who observed it and all who would read about through the centuries. Of course, we know that Jesus was concerned about the basic needs of the people, but he was ultimately concerned with their spiritual transformation into the Kingdom of God. This report about the work of the Missions team is the story of our efforts to mobilize our resources as the people called Methodist in eastern North Carolina to relieve suffering, and offer hope and the transformational power of Holy Spirit in all that that we do.

The funds allotted to the Missions Team from the 2005 conference budget (\$369,403) came directly from the Conference Connectional Ministries fund apportioned to each local church in our annual conference in 2004. In addition to these funds, the Missions Team received monies from the Duke Endowment for Town and Country grants (\$20,000) and for grants to rural churches to assist them in the renovations of their restroom facilities (\$75,000). A diligent effort was made by the Team to disburse these funds to relieve suffering but to also transform the lives of those involved in these ministries.

Knowing that few people beyond the Missions Team see the scope of your outreach ministry, the following is a list of the many grants funded by your apportionments (amounts are in thousands of dollars): Volunteers in Missions - 50; Liberia - 12; Agape - 26.5; Chile - 6; Society of St Andrews - 15; Robeson County Church & Community Center - 30; Hinton Rural Life Center - 5; All God's Children - 15; MERCI - 30; ZOE - 5; Hispanic Ministries - 34; and partial support for a Church and Community Worker in partnership with the General Board of Global Min. - 23.6.

Over \$57,000 was given in grants to local church and community programs such as after-school and retraining ministries; food and clothing ministries; and local home-building and refurbishment ministries. In these ministries your hands touched the hands of those who were in physical, emotional, and spiritual need. A requirement in awarding these grants was that the program involve the people of God called Methodist in ways that challenge us to see Jesus in our relationships with others.

In addition to the funds garnered through apportioned giving, you also ministered through the Advance and Rainbow Covenant. Over \$4 million was used in outreach to the most vulnerable of our world through such ministries as UMCOR, Hurricane Relief, Project AGAPE, ZOE, the Peru Covenant, No Hungry Neighbors, Volunteers in Mission, and a multitude of other outreach and hands-on ministries. You touched the lives of orphans, hungry children, and people devastated by earthquakes, tsunamis, disease, war, hurricanes, and the utter desolation of apathy. You brought hope and life to ex-combatant children, struggling farmers, and war widows. You proclaimed life in the midst of death, presented the face of Jesus, and met the incarnate Christ in our world.

The Missions Team continues to support [our staff person] Steve Taylor in his efforts to deepen the understanding and commitment and training of local church leaders in answering the call of Christ through STREET SMARTS; THY KINGDOM COME, LIVING THE WORD and through an emerging initiative called PRAYING WITH OUR HANDS. These programs focus on the root causes of poverty and injustice in our world and seek to provide a foundation of theology and prayer as the basis for doing ministry in Jesus' name. (For more information on these programs see our conference website.)

A relatively unknown responsibility of the Missions Team is the administration of the North Carolina Conference Board of Missions, Inc. Because of the efforts of our annual conference nearly fifty years ago, your Board of Missions Inc. has over five million dollars at its disposal to lend to local churches to assist in their building needs. The BOMI has great flexibility that enables it to respond to special needs of churches. In recent action, the BOMI has increased its maximum for loans to \$500,000 and reduced its interest level to ¼ per cent below the prime rate. The interest income from these loans funds a truly innovative program of your BOMI.

Your BOMI employs two general contractors who work with local churches in our conference in providing expertise and volunteer labor to reduce the cost of their building programs. Priority is given to small and rural churches. The churches also pay a small percentage of the total building cost for this service. Through this ministry, small churches save hundreds of thousands of dollars in their building efforts. This BOMI Building Program is one of the tangible ways in which churches experience the care and support of the annual conference.

As our annual conference seeks to be intentional in our efforts to provide for transformative ministries, your Mission Team will continue its work to encourage outreach, resource the local church, and promote and support ministries that proclaim the wonder and life of Christ, make disciples, offer radical hospitality, and reach out into the world to embrace those whom Jesus calls, "the least of these." This is missions. This is the work of the North Carolina Conference of The United Methodist Church.

### **MULTICULTURAL MINISTRIES**

Thanks to God we have had a very intense and blessed year. In 2005, the Ministry team approved over \$45,000 in the Comprehensive Plan of Inclusiveness grants, assisting fifteen churches and districts with ministries such as a family literacy program for Hispanics/Latinos, a multicultural music program, an ex-felon re-entry program, a low-income community outreach program, and a community health outreach program.

Some highlights in this past year have been: a retreat with pastors in Cross-Racial appointments with a participation of 32; the Adult Study-UNDC Seminar after ten years of interruption in which 18 persons across our Conference attended; the Black Church Convocation at Fayetteville with great preaching, music and inspiration with a registration of 220 people last September; and the participation of 35 youth attending the Harambee gathering in Atlanta, Georgia.

This year, we have been blessed with the hiring of our part-time Director of Hispanic/Latino ministries, Cookie Santiago and Gypsie Murdoch, part-time director of Christian Education for African-American Churches. Our sisters are making a real contribution to the life and mission within our conference with their experience, insights, calling and wisdom.

In April, we celebrated and honored the presence of the diversity of cultures and ethnicities in our conference through the Diversity Rocks! Festival that took place at the Methodist College in Fayetteville.

Finally, for the first time the different constituencies (Native-American Ministries, Strengthening the Black Church, Hispanic/Latino Ministries) within our Conference have worked and presented our Comprehensive Plans for the new quadrennium (2008-2011). These documents are the foundation of the vision and mission of the Comprehensive Plan of Inclusiveness for our whole conference.

### **NATIVE AMERICAN MINISTRIES TEAM**

The Conference Committee On Native American Ministries (CONAM) continues the ministry of "Every Member In Ministry," which has been instrumental in bringing together our fourteen Native American United Methodist Churches as one body of Christ so that we can do more and be more for the up building of God's Kingdom. We serve the least, and the marginalized in one of the poorest counties in North Carolina and two of the poorest communities in South Carolina.

During the past year, we have come together as one body and given away over 800,000 pounds of food, renovated five homes, seven churches, and collaborated with one sister agency to construct a Habitat For Humanity Home. In addition, we spent \$5,000.00 at the grocery store buying food for needy families, gave away \$3,000.00 in emergency aid, gave away roughly \$6,000.00 worth of donated clothing and home items, and in those moments we understood clearly that Jesus Christ had been

visible in us offering hope for so many who had lost sight of the 'Light'. I can still hear the voice of one little boy saying to me, "are those shoes free."

In the past year, God has not only used us to be a light, but challenged us to move closer to the 'Light'. We have experienced an explosion of enthusiasm from our youth and as a result they have become more active in the life of the church, and connection. This year we had a record number attend our Jurisdictional, and Conference events, and we held our first Cooperative Ministry Worship Service and 200 youth and adults attended.

Our goal of providing opportunities for leadership development continues so that our lay and clergy will develop a greater awareness for the mandate given by Scripture to be a disciple and make disciples. We participated in a Minister and Laity Retreat, SEJANAM events, Disciple Bible Study, Emmaus Walk, Discover God's Call, Vocations Conference, and other programs that promoted healthy life styles and holy living. In addition, we have provided opportunities for our local churches to learn more about The Book Of Discipline and how that relates to the Social Principles so that we can bridge the gap between the cultural bias that separate us and the Word of God that calls us to be unified through the transformational grace offered by Jesus Christ.

We continue to develop mission opportunities for our local church members in the community and abroad. We have developed each year an inclusive team of volunteers from across the North Carolina Conference to go to Bolivia and this year we developed a team of church members from our local churches to go to Louisiana to be in ministry with the Houma Indians who suffered great devastation because of hurricane Rita.

We have worked with other social ministries in our community during the past year, and we were instrumental in helping the Healing Lodge acquire a Parish Nurse position through Duke Endowment. Also, we have begun the work necessary to address the issue of Health Disparity among our Native American people who have the highest rate of Heart Disease, and Diabetes in the state. These sorts of collaborations have raised the awareness throughout our community of the importance of Faith Based initiatives, and the extent to which our United Methodist Church will go to ensure our Social Principles are upheld.

Over the past year, we have received support from our Conference through the advance giving and Native American Ministries Sunday, and we are truly grateful. We hope that each of you will continue these efforts, and continue to invite us to speak to your congregation about Native American Ministries, and how God is using The United Methodist Church to bring about change among the displaced and disenfranchised Native American people of North Carolina.

#### **PERU COVENANT, TASK FORCE ON**

The past seventeen years have given proof that the nature of the Covenant between our churches is an excellent example of mutuality-in-mission.

Both the representatives of the General Board of Global Ministries and the General Secretary of the Latin American Council of Churches (CIEMAL), read with great respect the document that we prepared for the celebration of the XVII General Assembly that took place January 31 – February 5<sup>th</sup>, 2006 in Lima, Peru. Their motto was: "Unity for Mission in Sanctity and Renovation."

Bishop Aldo Etchegoyen said: "I read this document and it is one with solid foundations. I can place it in our relationship between the North and the South as a challenging covenant. This is not only an administrative and financial issue, but the important thing here is the human relationship in mutuality, connecting the churches,

where we in the South are able to contribute to the Northern Hemisphere in a way that enriches this relationship.”

The presence of Mark Wethington and me in Peru, in March 2005, along with the dialogue we had with the leadership of the *Iglesia Metodista del Perú* (the evaluation that took place at that time, with the affirmation of the history, present relationships, and future hopes and expectations), and our presence during the last Assembly this year proved that in the “bulb: that was planted so many years ago, today is a “flower” and “in the seed there is today an apple tree.” The unanimous vote of the delegates to the XVII IMP assembly to RENEW THE NCCUMC/PERU COVENANT proved that “in the cold and snow of winter there’s spring that waits to be, unrevealed until its season, something God alone can see.” (Luis F. Reinoso & Gene Joiner – delegates from the NCCUMC)

During recent years, teams of students from Duke Divinity School, under the leadership of Dr. Kristin Herzog, Dr. Mark W. Wethington and Rev.. Chris Barrett, have conducted workshops in Ica, Cusco and Lima, with the pastors and lay people. These workshops have centered on biblical and theological issues. Another team will conduct yet another workshop in March.

Work teams from White Plains UMC in Cary, have contributed building classrooms and rest rooms as well as organized VBS in the Northern part of Lima, at the Peralvillo, Chancay Circuit.

A team from Southern Pines UMC has been in Lima the two past years and will visit again in March of this year; they will continue the construction of a sanctuary, parsonage and educational building at Jose Olaya in Lima. In addition, there is always a two to three day medical clinic for women and children taking place at Jose Olaya at the same time.

Another team will be visiting the Miramar, Callao churches and the Methodist School in Callao this coming August 2006. Their plan is to work with the youth and restore part of the church buildings. This is a youth team from Rockfish Camping Ministries in Fayetteville, Gene Joiner directing, and two other lay people.

Latin America is today the focus of efforts from many churches, mission efforts and even government’s interest. We have to see Latin America as an opportunity to learn new theological, biblical, ecumenical, and ecclesiological trends; Latin America is a young and promising continent. One day we “took the Gospel to the people in those countries”, today we are challenged to go and see, get involved, walk their walk, because these are churches struggling to witness the Gospel in the midst of expectations, desire to grow, and new dreams.

We hope our 2006 Annual Conference will renew our covenant with the Iglesia Metodista del Perú.

Luis Reinoso and Mark Wethington, Co-Chairs

## UNITED METHODIST WOMEN

The theme for the 2005 year was “Come to the Potter for Molding”. This is based on Isaiah 64:8: “Yet, O lord, you are our Father. We are the clay, you are the potter; we are all the work of your hand.” With this theme we focused on creative ways of carrying out our purposes and mission of ministering to women, children and youth in all walks of life globally as well as locally.

Eight young women were awarded a total of \$8,000 in scholarship money for the 2005-2006 academic year. Three of the scholarship recipients are attending Duke University and five recipients are attending Methodist College. We helped Methodist Home for Children raise over \$150,000 on “Sharing Sunday”. Local units sent money, flood buckets, health kits, school kits, sewing kits and layettes to M.E.R.C.I and UMCOR victims of hurricanes on the Gulf Coast and in Florida. Several women went on mission work teams to help in these areas. Three of our local United Methodist Women, Sonya Tilley, Stephanie Wright and Tammy Willis attended a public school

forum sponsored by Women's Division at Scarritt-Bennett Retreat Center in Nashville, Tennessee.

District teams of women visited M.E.R.C.I. to assist in putting various kits and flood buckets together and packaging them for shipment to needed places or to Sager Brown in Louisiana. Some district teams visited and assisted with various activities at the Robeson County Church and Community Center. Several local units started prayer shawl ministries.

Our conference United Methodist Women sent Women's Division a total of \$465,846.33 to be used in the improvement of lives of women, children and youth nationally and internationally. Of this amount, \$428,920.40 was undersigned funds and \$36,925.93 was designated giving.

In addition to three executive committee meetings, we held our annual events. These events are 39 and Under Event at Holland UMC, Raleigh; Charter for Racial Justice Workshop at Asbury UMC, Smithfield; Spiritual Growth Retreat at Louisburg College; Conference School of Christian Mission at Methodist College; Mother/Child retreats at Camp Don Lee and Camp Chestnut Ridge; the annual meeting at Methodist College; and District Officers in Training Day (DO IT Day) at Faith UMC, New Bern. The eleven elected officers, the dean and assistant dean, and the study leaders for our Conference School of Christian Mission attended the South Atlantic Regional School of Christian Mission at Huntingdon College, Montgomery, Alabama. Our conference secretary, Ann Davis, was elected the dean of the 2006 school. Our finance committee met to set a budget which was approved at our annual meeting. Four new conference officers (Penny Johnson, treasurer; Theresa Hodges, chairperson of committee on nominations; Marjorie Brown, secretary of program resources; and Dora A. Maness, member of committee of nominations) attended the Leadership in Training Event in St. Louis, Missouri.

The organized units of United Methodist Women continue to do Bible Study, mission education, support missions and missionaries, and be involved in social justice issues to better this world for all of God's children.

## **SPIRITUAL FORMATION AND LEADERSHIP CIRCLE**

The mission of the Spiritual Formation and Leadership Development Ministry Circle (SFLD) is to: Inspire, nurture, and empower individuals and Christian communities to become centers of spiritual formation and transformational leadership in the image of Christ for others.

Goals and objectives of the Spiritual Formation and Leadership Development Circle:

1. Intentionally engage in worship, Bible study, prayer, ministry with the poor, teaching, and shalom in local churches and communities
2. Develop creative supportive spiritual communities
3. Provide opportunities for clergy and lay members of the annual conference to develop leadership skills to work with local churches and communities
4. Develop spirit-filled dynamic leaders who can influence people to love God and serve their churches and communities effectively

The SFLD Ministry Circle's work has been true to its mission and goals. We have been involved in clarifying functions relative to our mission and goals and actually working to impact worship, Bible study, prayer, ministries with the poor and dispossessed, developing creative and supportive leadership, and influencing the development of spirit-filled and dynamic leaders to serve our churches and local communities. Sue Ellen Nicholson has exemplified spirit-filled and dynamic

leadership as she led us through another year of discernment and action in spiritual formation and leadership development.

We are delighted that in both of our meetings this conference year, our youth members were not only present, but actively participated by taking minutes and notes and leading the worship as well as giving, in many cases, the most comprehensive report of all of the SFLD Circle's ministries. This is indeed an example that youth can and will participate if meetings are scheduled with flexibility to allow for their attendance.

The laity ministries, adult, older adult, youth, and children ministries continue to experience growth in district and conference events. We invite as many as can to participate in the "Listen to the Children... Marching to the Capitol on June 20, 2006 at 1:00 p.m. The camp and retreat ministries group reminds us all that camperships are an excellent tool for local church evangelism and outreach. The stewardship committee continues its recognition of the work of good stewardship through its certificate program. Two of the publications for working with older adult ministries, *Beatitudes for Older Adults*," and *After the Example of Christ: Congregational Care Model* by Jan Durham, provide creative tools and spiritual guidance. Christian Education, through campus ministries and the Higher Education Commission, is providing the personal touch and counseling and spiritual grounding in the midst of a myriad of conflicting social ills which could adversely influence students. This ministries invites us to help increase the number of students attending church related schools. The worship committee continues to work on providing meaningful and purposeful spirit-filled services for persons attending the Annual Conference. While Wellsprings has scaled down its ministries, it remains a strong force in providing spiritual formation and leadership development activities through the Academy for Leadership and the Five Day Academy for Spiritual Formation. More efforts will focus on laity opportunities in the future.

The Ordained Ministry group continued their work of making sure candidates for the ministry are prepared academically, theologically, and psychologically to lead and develop churches in such a way that influences people to love God and serve their churches and communities effectively.

This report is an introduction and summary of the Spiritual Formation and Leadership Development Ministry Circle's work during the past year. In the pages which follow, each ministry within the SFLD Ministry Circle will provide greater details of its work to inspire, nurture, and empower individuals and Christian communities to become centers of spiritual formation and transformational leadership in the image of God for others.

## **CAMPUS MINISTRY**

Across the state of North Carolina, 16 colleges and universities have the presence of the United Methodist Church through Wesley Foundations and United Methodist supported ecumenical campus ministries. Students, who arrive on these campuses, find a safe place to explore and strengthen their faith. Students are met by professional, caring campus ministers who invite and encourage students to risk asking the tough questions — questions waiting for the "safe" place to be asked. Through small groups, Bible study, mission outreach, and fellowship, students grow in their faith and develop leadership skills used in creative and effective ways in their local churches. A survey conducted, on one of the campuses, produced these wonderful facts: As a result of being a part of a Wesley Foundation/ecumenical ministry: 10% became clergy, 85% attend worship regularly, 91% contribute to the financial support of their Church, 86% reported that Wesley Foundation played a moderate to major role in their

post-graduate participation in the church. That's just on one campus! Multiply that by 16 campuses across North Carolina, and one can see the huge impact and; the growing importance of campus ministry. Students, from across the state, share that: Being involved in Wesley Foundations/Ecumenical Campus Ministry: "Kept God in my daily life, gave me courage to keep my Christian values, helped me develop healthy, positive friendships, gave me opportunities to do good in the world through missions." Campus ministry is a vital part of the mission and ministry of the United Methodist Church. An important piece of fulfilling the vision of Bishop Gwinn for excellence in ministry, both lay and clergy, is a strong United Methodist Campus Ministry.

As opportunities for campus ministry continue to grow and change, the North Carolina State Commission on Campus Ministry, continues to discern the most effective way to provide continued support. We, on the NC State Commission, are striving to create new and exciting ways to faithfully proclaim the Good News of Jesus Christ on the campuses across North Carolina. We ask for your prayers.

Linda Taylor, Chairperson of NC State Commission on Campus Ministry

## CHRISTIAN EDUCATORS FELLOWSHIP

Our 2005-06-program year began with a 35<sup>th</sup> anniversary celebration at Genesis United Methodist Church, Cary. Fifteen persons attended this special evening and heard the story of the chapter's beginning from charter member, Margaret Ann Biddle. She and a small group of Christian educators were sharing a meal at the Rathskeller in 1969 when they made the decision to formally affiliate with the newly formed national Christian Educators Fellowship (CEF). Their application to form a local chapter was accepted by the national organization and the chapter was chartered in May 1970.

NC CEF continues to meet to nurture, support, challenge, and advocate for persons responsible for the formation of Christian disciples through the ministry of Christian education. We continue to meet regularly for worship, fellowship, and the sharing of ideas. We are challenged by a recent decline in membership to seek better ways to connect with Christian educators across the Conference. We look forward to participating in the national Christian Educators Fellowship to be held in October 2006 at Lake Junaluska, NC. We give thanks to God for the opportunities that we have to come together as a chapter and with other Christian educators from across the nation. Through these opportunities we continue to grow as Christian disciples. We encourage anyone with responsibility for Christian education in the local church to become involved in CEF—it's good food for the hungry educator's soul.

Joyce Horn, Chapter President

## CLERGY CARE, COMMITTEE ON

Since 1971 the Committee on Clergy Care (*formerly the Committee on Pastoral Care*) has served clergy in the North Carolina Annual Conference by providing financial aid for **confidential professional counseling** and marriage and family enrichment. Beginning 2004, in keeping with our understanding of the call and ministry of those who serve the Church as commissioned minister, deacon, diaconal minister, elder, or licensed local pastor under appointment, the Committee is now referred to as the Committee on Clergy Care. The Committee is comprised of five members from the Board of Ordained Ministry (one of whom serves as chairperson); one representative from the Conference Clergy Living Committee; one representative from the Clergy Partners Association; and one Pastoral Counselor. Funding for grants and expenses of the committee is included in the budget of the Board of Ordained Ministry and the awarding of grants is dependent upon the availability of funds.

Financial aid is available to both clergy and diaconal ministers and their families, as described in the section below entitled, "*Eligibility for Financial Grants*". The financial grants, of up to \$400 per family per calendar year, are provided to cover one-half of the cost of counseling sessions. Ministers under the NC Conference health insurance program should review the Health Care Benefits for outpatient psychiatric care. The coordination of insurance benefits and Clergy Care Grants should not exceed 100% of fees charged.

### **MARRIAGE AND FAMILY ENRICHMENT**

The Committee on Clergy Care encourages participation in marriage and family enrichment events, including those focusing on the needs of single, as well as married ministers. Grants up to \$100 per individual, or \$200 per family or couple, per calendar year, are available. A schedule and/or outline of the events, leaders' names and credentials and verification of participation should accompany a letter of application for the grant.

### **ELIGIBILITY FOR FINANCIAL GRANTS**

Persons who qualify for financial grants:

1. Clergy who are members of the NC Annual Conference whose status is active, retired or on leave in accordance with ¶¶ 353, 354 or 355 of *The Book of Discipline*

2004, OR any person, regardless of conference relationship, who is serving a local church of the NC Annual Conference, or a dependent.

2. Diaconal ministers and or candidates who are serving a local church and are members of the NC Conference.
3. Grant eligibility continues for two years for persons who have terminated their relationship with The United Methodist Church, for surviving spouses of minister and for former spouses of eligible persons.

Conference clergy and diaconal ministers and their families are eligible for grants. A family is defined as dependents of the minister living in a ministers' home or parsonage, including spouse, children, parents and grandparents. Ministers' children through the age of 22, whether attending college or living at home, are eligible to receive financial grants.

#### **COUNSELORS AND THERAPISTS WHO QUALIFY FOR FINANCIAL GRANTS**

Only counselors and therapists who meet the following criteria qualify to receive grants from the Committee on Clergy Care:

*Psychiatrist:* American Medical Association (AMA) Board Certification, North Carolina License;

*Psychologist (Clinical):* Licensed Practicing Psychologist LPP and/or HSP-P), North Carolina License;

*Pastoral Counselor:* Member, Fellow or Diplomat of the American Association of Pastoral Counselors, Inc. (AAPC)

*Counselor:* Clinical Member of the American Association of Marriage and Family Therapists (AAMFT), North Carolina Certified Marriage and Family Therapists, North Carolina Licensed Professional Counselors (LPL)

*Social Worker:* Member Association of Certified Social Workers (ACSW)

#### **APPLICATION PROCEDURE**

The Counselor or therapist, at the request of the qualifying client who is receiving the counseling, is to make application for a grant to the Chairperson of the Committee on Clergy Care in the following manner:

1. The counselor or therapist requests an application form and instructions from the Office of Ministerial Relations. This request should be addressed in care of the Office of Ministerial Relations, PO Box 10955, Raleigh, NC 27605, or by calling either 919-832-9560 or 800-849-4433, ext 244.

2. Once the application and instructions for a Clergy Care Grant are received by the counselor/therapist, and a determination is made that the client qualifies, the application should be completed and returned to the Chairperson of the Committee on Clergy Care. To protect the confidentiality of the client, the client's name shall never appear on the application. When more than one member of the client's family is involved in counseling, all family members shall be assigned the same case number.

3. The counselor/therapist will receive the financial aid grant on behalf of the client to apply to the client's account or to refund to the client if the account has already been paid. Clients should request from the therapist a statement showing the amount of financial assistance received from the Clergy Care Committee and should request the counselor/therapist to contact the Chairperson of Clergy Care to negotiate an acceptable procedure if any problems arise concerning the process. The client, not the Clergy Care Committee, is responsible for all contracts, negotiated fees and payment of services that are provided.

4. **The deadline for submitting grant applications is December 20<sup>th</sup>** of the calendar year in which the services were provided.

In 2005, the Committee on Pastoral Care granted \$6,720.59 for counseling sessions. This represents 219 sessions with counselors and therapists during the calendar year. Grants were processed for 34 clients during 2005 representing 136 sessions for clergy, 40 for cleric and spouse, 27 for spouse, 13 for children. Of these 34, clients 8 received the 2005 maximum of \$400.00 in assistance.

Haywood Smith, Chairperson

## CLERGY COUNSELING AND CONSULTATION, COMMISSION ON

**The 2000 Annual Conference voted unanimously to establish and fund the Clergy Counseling and Consultation Service (CCCS) in order to provide support for our pastors and their families.** It created this Commission to oversee the development and operation of the program. Jane Clark Moorman, MSW, LCSW, BCD was employed by the Commission as Director and began offering services January 1, 2001.

The primary purposes of this program are: 1) to meet the emotional/psychological needs of pastors and their families; and, 2) to provide mental health consultation for clergy to assist them in their pastoral counseling work.

Ms. Moorman provides diagnostic assessment, counseling, psychotherapy, and referral services for pastors and members of their families within the context of their own faith perspective. **In 2005, 186 persons from 145 clergy families (20% of our active clergy under appointment) utilized her services. She provided 890 direct counseling hours and 308 mental health consultations. Such consultations typically assisted pastors in managing challenges or crises in their churches and in offering effective pastoral care to congregation members with mental health issues. Since the CCCS began, more than 550 clergy and family members have received Ms. Moorman's help with a wide range of problems including depression, anxiety, marital conflict, parent-child problems, addictions, sexual concerns, grief, moving/transition difficulties, professional identity, and congregation-related issues.**

Pastors are charged no fees for these services, and all clergy are eligible: pastors serving churches, those in appointments beyond the local church, and retired clergy. Ms. Moorman continually updates a network of mental health providers and pastoral counselors across our Conference who understand the particular stresses of clergy families and can provide professional services for them when referral is needed. After one or more diagnostic interviews with Ms. Moorman, persons may continue to receive services from her or be referred to other providers when appropriate.

**Ms. Moorman adheres closely to a policy of strict confidentiality**, which guards the privacy of each person who seeks consultation, counseling/psychotherapy, or referral. In order for information to be released concerning anyone's contact with the Service, that person must give **written authorization prior to such release**. This is extremely important in our itinerant appointment system. **As Director, she reports only to this Commission and this Commission reports only to the Annual Conference.**

The main office is located at 2804 Montgomery St. in a Durham residential community easily accessible from I-40 and I-85. **To increase accessibility, in October, 2005, Ms. Moorman began providing services two days per month in each of two new satellite locations – Washington and Wilmington.** If you wish further information, to consult by phone, or to make an appointment, please call **toll-free 866-440-4200 or locally 402-4200.**

**This Commission believes that Ms. Moorman's excellent work benefits the entire Conference by helping to create healthier clergy who are able to serve the Lord more effectively and build stronger churches. She is an important resource for pastors called upon to counsel their own parishioners. The Commission, therefore, urges members of the 2006 Annual Conference to continue full funding for this highly utilized clergy support program in the 2008 budget.**

Ted R. Kunstling, M.D., Chairperson

## CONFERENCE RELATIONS, COMMITTEE ON

The Committee on Conference Relations has as its primary responsibility the assisting of any clergy who seek to change or terminate their relationship with the Annual Conference. Changes in conference relationship may occur in any of the following ways: 1) discontinuation, 2) leave of absence, 3) retirement, 4) sabbatical leave, 5) maternity/paternity leave, 6) family leave, 7) termination of conference relationship (surrender of credentials), 8) honorable location.

The Conference Relations Committee meets with the person who is seeking a change in conference relationship upon the request of that person, or upon request of the Cabinet or the Board of Ordained Ministry. The committee attempts to determine what is appropriate in each case by posing questions, offering counsel and providing support. The committee then discusses the request and acts upon it by making a recommendation to the Board of Ordained Ministry. In any event, the person requesting the change and the Conference Relations Committee acting on the request must follow the requirements in *The Book of Discipline*.

*The Book of Discipline* provides specific guidelines applying to each of the categories of conference membership. All those persons in the various categories of conference membership (other than the effective relationship) should remember to familiarize themselves with, and adhere to, the disciplinary guidelines which apply to that category. The Committee on Conference Relations issues a yearly reminder of these guidelines through a letter approved by the Board of Ordained Ministry at its annual meeting. Following the appropriate guidelines is particularly important for clergy on leave of absence; for these persons, exercise of any ministerial function is restricted to the Charge Conference in which their membership is held. The Conference Relations Committee would take this opportunity to reiterate that pastors on leave of absence cannot perform weddings, conduct funerals, or administer the sacraments outside the bounds (both geographical and membership bounds) of that charge conference.

Every spring (since 1987) the Conference Relations Committee has hosted a luncheon for those who will be retiring from the North Carolina Annual Conference at the June session of that year. At this luncheon, the retirees and their spouses are informed about various matters relating to their retirement such as insurance, housing, and pension benefits. This year's retirement luncheon was held at St. Luke United Methodist Church in Goldsboro on Tuesday, May 09, 2006.

## CONTINUING EDUCATION, COMMITTEE ON

The Continuing Education Committee of the Board of Ordained Ministry has the responsibility of developing continuing education programs that will enable ministers to fulfill the Disciplinary requirements. According to the *Book of Discipline*, "Clergy shall be expected to continue their education and spiritual growth throughout their careers, including carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities." *The Discipline* further states that, "In most cases the ordained ministers' continuing education and spiritual growth program should allow for such leaves at least one week each year and at least one month during one year of each quadrennium. Such leaves shall not be considered as part of the ministers' vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, district superintendent, and Annual Conference Continuing Education Committee."

In providing the resources to enable pastors to meet the minimum requirement of *The Discipline*, the Committee on Continuing Education has edited a brochure that applies to all clergy and diaconal ministers of the NC Annual Conference. The brochure contains

information defining Continuing Education, the role of the local church, and how the pastor's continuing education can be financed. The brochure is printed as part of this report.

### **Continuing Education for Ministry in the NC Annual Conference:**

*Rationale:* A prime expectation of every minister of the NC Annual Conference is professional growth. In recent years, one of the major avenues through which such growth occurred has been continuing education. In *The Book of Discipline* it states, "*There are professional responsibilities that elders are expected to fulfill and that represent a fundamental part of their accountability and a primary basis for their continued eligibility for annual appointment. Growth in vocational competence and effectiveness through continuing formation is expected of conference members.*"

*Definition:* Continuing education is defined as an organized structured program of formal study under competent leadership with clearly defined goals and objectives. Here the key words are "organized," "competent leadership," and "clearly defined goals and objectives." By this definition certain activities, though worthwhile, are not considered "continuing education"; e.g., degree programs, recreational programs, promotional meetings, worship services, entertainments, undirected reading, and study travel (except for limited lecture, seminar, or workshop time), and the like.

### **The Conference Program:**

The Conference Board of Ordained Ministry, through the Committee on Continuing Education, performs three functions: 1) it sets minimum continuing education standards for ministry; 2) it establishes guidelines for continuing education; and 3) it seeks to insure their availability.

1. **Minimum Standards:** The NC Conference has established as a minimum standard one Continuing Education Unit (CEU) to be earned by each minister from an approved continuing education program each year. One CEU is defined as ten contact hours of participation in an approved continuing education program.

2. **Guidelines for Continuing Education Programs:** CEUs will be approved for those persons sponsored by organizations which are accredited by a) a regional educational agency (such as the Southern Association of Colleges and Schools), b) a professional accrediting agency (such as the American Medical Association), or c) the Council on the Continuing Education Unit. It should also be noted that only those programs which relate directly to ministerial growth and development will be approved.

3. **Insuring their Availability:** Efforts by the Board of Ordained Ministry to insure the availability of continuing education programs include encouraging conference-related and other colleges within the Conference bounds to offer courses for ministers, providing supplementary financial aid for ministers, publicizing approved programs, and identifying specific subject areas for needed programs.

**Role of the Local Church:** In addition to the minister, the local church has a significant stake in the success of continuing education programs. The local church, therefore, has an important role to play in continuing education.

### **The Pastor-Parish Relations Committee of the Local Church:**

1. Confers with the pastor and the district superintendent in the development of a continuing education program that will enhance the total ministry of the church.
2. Provides study leaves at least one week each year and at least one month during one year of each quadrennium. Such study leaves are not to be considered vacation time.
3. Recommends to the church's Finance Committee budgetary funds to be applied toward the minister's continuing education program. In providing funds for

continuing education programs, the Pastor-Parish Relations Committee should insure that only those programs which meet both the definitions and specific guidelines above are funded.

#### **Financial Aid to Clergy:**

Funding for continuing education is the combined responsibility of the participant, the congregation, the sponsoring institution, and the Annual Conference. Conference funds for continuing education are derived as a portion of conference apportionments. Thus, it is not possible (nor is it desirable) for the conference to assume a major responsibility. Continuing education can be expensive. For this reason, local churches are encouraged to provide a minimum of \$300.00 annually for each clergy and diaconal ministers' continuing education.

All persons under Episcopal appointment to charges, conference staff positions, Conference Evangelists, retired supply, and Extension Ministries appointed to conference-related agencies and institutions are eligible for grants from the Conference funds provided:

1. The program meets the definitions and Conference guidelines described above.
2. The applicant has documented his or her efforts to secure funding from other sources, including local church, Duke Endowment, and personal resources.
3. The application for a grant is filed on the appropriate form which furnishes *complete* information about the event and bears the signatures of the applicant, the Pastor-Parish chairperson, and district superintendent.

#### **Continuing Education Grant Guidelines:**

1. The maximum grant to an individual applicant over one conference year is \$300.00
2. Grants are available for ordained, commissioned, licensed and diaconal ministers who receive less than the CAC (Conference Average Compensation), which includes salary and utilities, or less.
3. Applicants must use all funds designated by their local congregation or employing organization *prior to* requesting Conference grants.
4. Grants for *District* Continuing Education Seminars shall be limited to \$100.00, based upon the availability of funds, regardless of the number of CEUs involved and within the limits outlined in #1, 2, and 3.
5. Grants for Clinical Pastoral Education (CPE) can be given when the CPE program offers the required CEU credits. No more than \$300.00 per CPE unit will be granted in any given year. Grants for CPE are given only for non-degree programs.
6. Holy Land Trips: A grant according to the current policy may be made once in a pastor's career, providing funding is available.

#### **Monitoring Continuing Education Units:**

1. The district superintendent, in annual consultation, may suggest to the clergy or diaconal minister the area of continuing education he or she should take to facilitate his or her professional growth. The pastor's annual Continuing Education Report will be given to the district superintendent at the annual consultation or other appropriate time.
2. Clergy shall have the responsibility for securing from the institution granting Continuing Education credit a record of earned credit *and providing a copy of this record to the Office of Ministerial Relations.*
3. It is the responsibility of each participant to determine, in consultation with the Committee on Continuing Education, if a proposed program meets the criteria prior to participation and funding.

## ENLISTMENT, COMMITTEE ON

A simple look at the ages and faces of clergy in The United Methodist Church, one has a better understanding of the statistical projections about the tremendous loss of clergy through retirement over the next eight to ten years. The primary concern of the Committee on Enlistment is *to raise the awareness of our constituency within the bounds of the North Carolina Conference so that identification and enlistment of ordained ministers is an ongoing concern that touches every dimension of the body of Christ*. In keeping with this goal the Committee on Enlistment is ready to provide direction and encouragement in the process of clergy enlistment. More importantly, the primary responsibility for identifying youth, young adults, and second career individuals who are ready to answer God's call, falls upon local church pastors, laity in the local churches, and campus ministers.

All too often, some people place God's call to the ministry behind economic or security concerns. Sometimes a friend or a respected leader in a local church is more aware of a calling upon an individual than the person him or herself. One of the roles of individuals and Pastor-Parish Relations Committees in local churches is to confirm the claim of God upon those that are called by directing them to their local church pastors, District Superintendents, and District Committees on Ministry.

During each even-numbered year, the denomination offers an event designed to help persons who are "exploring" a call to ministry. The 2006 *Exploration* event is scheduled for November 17-19, 2006 in Jacksonville, Florida. The Exploration weekend is designed to help one explore the call to ministry, discover one's giftedness for ministry and ways in which to fulfill the call.

There are other spiritual encounters [opportunities] that have proven to be helpful in understanding a call to ministry, such as, Disciple Bible Study and Emmaus. Events like these have awakened and provided opportunities for so many to hear and respond to God's call.

The Committee on Enlistment encourages all pastors and laity to assist [the Holy Spirit] in facilitating, clarifying and discovering God's call. To assist those whom God has called into ministry, is a high and holy honor and commitment.

## ITINERANT CLERGY MOVING EXPENSE, COMMITTEE ON

### EFFECTIVE DATE - JUNE 1, 2006

The Itinerant Clergy Moving Expense Committee met to study moving expense needs and policies.

The Committee makes the following recommendations.

#### I. Eligibility

- A. Pastors of local churches continuing under appointment to local churches within the Conference, district superintendents, and Conference ministerial staff whose salaries are paid from the Conference treasurer's office.
- B. Pastors in section I.A. who become Conference Evangelists upon moving from an appointment to new residence. Their moving expense to return to any of the above categories will also be paid.
- C. Pastors in section I.A. who retire from serving appointment or who assume approved incapacity leave or return into active service from approved incapacity leave.
- D. Widows or widowers of those identified in section I.A. upon moving from place of appointment to new residence.
- E. Pastors moving into an appointment in the North Carolina Conference to assume full-time or student appointments under section I.A.
- F. Interim Supply pastors
- G. Pastors being appointed to leave of absence are entitled to moving expense for

one leave of absence.

- H. Pastors who are called to active military duty will be entitled to moving expense at the time of call up, if need be, and at the time of return, if need be, if not covered by the military, with substantiation of the military orders.
- I. Persons moving who are not defined above will not be eligible to make claim.

## II. Payment of Claims

- A. All reimbursements must be substantiated with paid receipts for actual moving expenses. All reimbursements must be for expenses which are deductible for income tax purposes according to Internal Revenue code, Section 217, non-taxable fringe benefits. Payment will be granted to all who are eligible to make claims as follows:

1. Active itinerant clergy in section I.A., I.B., I.E., I.F., I.G. and I.H. (except retiring clergy, widows, widowers, and clergy couples) will receive reimbursement of costs up to \$1,500.00 with submission of paid receipts for actual moving expense.
2. Retiring itinerant clergy, widows, or widowers will receive reimbursement of costs up to \$2,200.00 with submission of paid receipts for actual moving expenses. The retirement amount may be granted upon request when taking incapacity leave in lieu of receiving the retirement benefit at retirement.
3. Itinerant clergy couples will receive reimbursement of costs up to \$1,750.00 with submission of paid receipts for actual moving expenses. If only one member of the clergy couple is re-appointed, section II.A.1. will apply.

- B. Travel: Mileage is reimbursed at the standard IRS rate for moving expense deductions. This rate may be paid per mile per vehicle for a single trip to move each vehicle to the new residence. If a vehicle is used to move household goods, i.e., in lieu of a moving company, additional trips may be reimbursed as necessary. The per trip mileage will be computed from appointment to appointment, or from the Conference boundary to the appointment, or from the appointment to the residence/Conference boundary (in case of retirement), whichever is less. Either the mileage as described above or actual out of pocket expenses for gas, oil, etc, may be reimbursed from the Conference boundary.

### C. Reporting and Payment Requirements

1. IRS guidelines require that moving expense reimbursements be reported on a W-2. Based on recommendation from legal counsel and their consultations with the Internal Revenue Service, we recommend that the W-2 be issued by the local church. The Conference Treasurer will provide to the local church all moving expense information to be reported on the W-2. The Conference Treasurer will make payment to the new local church appointment. The new local church will pay the clergy and include the moving expense on the W-2 that they issue to the pastor at the end of the year. In absence of a new appointment, payment will be made to and reported by the old appointment.
2. The Conference treasurer will make this payment upon receiving the Itinerant Clergy Moving Expense Requisition form signed by the person receiving reimbursement and approved by the sending District Superintendent, along with appropriate receipts to substantiate the expenses.
3. The pastor should send the completed document, "So Your're Moving" checklist to the sending District Superintendent. This will fulfill the 2004 *Discipline*, ¶2532.4, which states "The chairperson of the board of trustees or the chairperson of the parsonage committee, if one exists, the chairperson of the committee on pastorparish relations, and the pastor shall make an annual review of the church owned parsonage to ensure proper

maintenance.”

4. Moving expense funds will be withheld by the Conference treasurer if the district superintendent determines that the parsonage was inadequately cleaned or was damaged beyond normal wear and tear. If an inspection by the district superintendent and the pastor-parish relations committee or the parsonage committee reveals monetary needs for cleaning or repairs, or for having the fuel tank filled, the remaining balance of the moving expense due said pastor shall be made payable to the respective district to pay for needed cleaning or repairs. If the district superintendent or the moving pastor is NOT in agreement with said pastor-parish relations committee or the parsonage committee, the superintendent may request the arbitration committee of the clergy living committee to inspect the parsonage involved and give an impartial recommendation.
- D. The Conference treasurer will make an advance payment up to \$600.00 to eligible itinerant clergy to cover the expense of deposit and fees for moving expenses prior to their move, upon approval by the district superintendent. Those receiving an advance must substantiate their expenditures, and any money that is left over shall be refunded to the Conference treasurer. All advance payments shall be included in W-2 information provided to the local church by the Conference Treasurer for inclusion on the W-2.
- E. No additional claim can be made against a local church, district, or the Conference for payment of moving expenses.
- F. Reimbursable expenses include the cost of boarding and moving domestic animals, the moving of recreational vehicles, boats, etc., moving household and personal goods, travel as defined in II.B., lodging, packing, crating, in-transit storage and insurance, labor costs, and any other expense necessary to physically move household items. Expenses which are not reimbursable include meals, purchase of household items, or any other item not reasonable or necessary for the move.
- G. The request for moving expense reimbursement must be received in the Treasurer's Office no later than four months following the date of the move.
- H. Reimbursement will be considered a qualified, non-taxable fringe benefit not subject to income and self-employment tax when:
  - Your move is 50 or more miles from the old appointment to the new appointment and
  - Your new appointment is full time for at least 39 weeks during the first 12 months at the new location.

If your appointment does not meet the above conditions, then the reimbursement will be reported as taxable for both income and employment tax. However, if your reimbursement is treated as taxable income, an additional stipend in the amount of 20% of the taxable income portion will be provided. The maximum stipend will be no more than 20% of the applicable limit stated in section II.A.

### III. Review Committee

- A. There will be a Review Committee consisting of two persons appointed by the chairperson of the Council on Finance and Administration, one district superintendent appointed by the Bishop, the Conference treasurer, and the director of Ministerial Relations and the chair of the Moving Expense Committee.
- B. The Review Committee will consider and have final authority over any questionable or disallowed claim or special claim beyond allowances set in the approved plan.

## LAITY, COMMISSION ON

The primary purpose of the Conference Board of Laity is to make known the good news of God's love and salvation through Jesus Christ, and to challenge, inspire and equip the laity of the North Carolina Annual Conference for ministry in the local church.

In the past year the District Lay Leaders have implemented training workshops for local church Lay Leaders, held District Lay Rallies to celebrate the ministries of laity, and ensured that Lay Speaker Training courses were offered in their districts. Duke Divinity School sponsored a Laity Weekend; and the Southeastern Jurisdiction held a Laity Retreat at Lake Junaluska. At the close of the 2005 retreat the Southeastern Jurisdictional Lay Leaders voted to discontinue this 40- year event due to the dramatic decline in attendance over time. Although we will miss this event, we will look forward to new opportunities that may spring forth as we try to connect with the emerging needs of the laity. Laity Sunday was promoted on the third Sunday in October, and most congregations participated. In addition our Conference United Methodist Men, United Methodist Women, and United Methodist Youth sponsored many events aimed at spiritual enrichment, leadership development and education (please refer to their individual reports).

The opportunity to nominate an Outstanding Lay Ministry of the Year is given to each district. All nominees will be recognized at Annual Conference, and will receive a grant from the endowment fund left by the late Roy Turnage, a former Conference Lay Leader.

This year the Conference Board of Laity will offer a "Laity Event" to be held during Annual Conference on Friday June 16<sup>th</sup> at 7:30 p.m. (this will replace the traditional Laity Banquet for this year, due to Convention Center expenses for a catered meal). The speaker for our "Laity Event" will be Mr. Benjamin Zander, conductor of the Boston Philharmonic Orchestra, co-author of the book *"The Art of Possibility"*, and a speaker on leadership to organizations all over the world.

Our theme for this quadrennium (2005-2008) is: *"One in Spirit – All in Ministry..."* with the emphasis for 2006 being *"...in the Spirit of Worship,"* in 2007 *"...in the Spirit of Stewardship,"* in 2008 *"...in the Spirit of Fellowship."* We look forward to continuing to explore this theme provided by the General Board of Discipleship in consultation with the Association of Annual Conference Lay Leaders. May our work together as disciples of Jesus Christ bring glory to God.

Emily Innes, Conference Lay Leader

## LAY MINISTRIES OF THE YEAR

### **Burlington District: Saxapahaw UMC—"Mosaic Rural Wellness Center Ministry"**

This Ministry provides a variety of needed services to the rural community surrounding Saxapahaw United Methodist Church. The services offered include a middle school after-school program, which consists of tutoring, mentoring, character building, life-skills education, recreation, and art classes. Fourteen children who would otherwise be unsupervised after school are currently participating. Additionally, the ministry reaches out to the adult population by providing English or Spanish as a second language classes, quilting classes for seniors, and a free dental clinic.

### **Durham District: Trinity UMC & Lakewood UMC—"Reconciliation and Reentry Ministry"**

Among the 450 inmates who return to Durham from prison every year nearly 100 persons return on parole. Through a government referral agency, these newly released persons may be enrolled in the "Reconciliation and Reentry Ministry" of Lakewood and Trinity United Methodist Churches. This restorative justice ministry forms "faith teams" of four to nine church members who are partnered with a newly released prisoner. To date three partnerships have been completed with the returning inmates successfully completing requirements of their supervised release. Persons have overcome numerous financial and personal obstacles, remained drug-free after years of substance abuse, have obtained meaningful employment, and are a source of hope for others coming home from prison. The faith team members say that by expanding their capacity for care of

returning prisoners they have learned how much we all have in common, including untapped strengths and wisdom, when we love one another as God loves us.

**Elizabeth City District: St. John's UMC—"Yellow House Ministry"**

In response to the deaths of three young men from drug related accidents, the "Yellow House Ministry" was formed as a way to reach out to the young adults of the community who are struggling with drug and alcohol addictions and feelings of disenchantment by life's circumstances. Every month as many as seventy young adults meet for a dinner prepared by loving mothers and grandmothers in the community. The "Yellow House Ministry" provides counseling resources and has assisted many with finding rehabilitation centers. The ministry also helps with GED enrollment and offers a variety of life skills classes. A recent new aspect to the ministry has been to reach out to those young adults who find themselves in jail. The ministry provides bibles, resources, visits, and prayers. The main objective of "Yellow House" ministry is to demonstrate God's love in action.

**Fayetteville District: Hay Street UMC—"Lonely, Lost and Hungry Ministry"**

The "Lonely, Lost, and Hungry Ministry" provides daily snacks and sacks of groceries for the homeless neighbors of Hay Street United Methodist Church in downtown Fayetteville. This ministry increases the flow of the poor to the church doors and gives the laity an opportunity to minister to the physical and spiritual needs of the people who come seeking help and guidance.

**Goldsboro District: New Hope UMC—"Parents Anonymous Ministry"**

*Parents Anonymous* addresses the critical need for Wayne County families to have access to unconditional agape love, care, and role modeling of appropriate parent-child relationships as they struggle with the stressors and pressures of parenting and family life. Family members attend this program once a week and are served a meal. The adults participate in parent support groups where they both give and receive input regarding family issues including domestic violence, family court systems, single parenting, and juvenile delinquency. The children are concurrently involved in programming that teaches character, non-violent conflict resolution, and wise decision-making in a nurturing and affirming way. 42% of the 293 program participants during the last three years were referred to the ministry through a family court order and 31% were referred by Wayne County Department of Social Services. The remaining participants are voluntary. Laity of New Hope UMC logged over 1,137 volunteer hours in 2005. Although faith and beliefs are not "preached", this back door evangelism has played a significant role in leading people to accept Christ as Lord and Savior, and led one couple to actually be married during a *Parents Anonymous* meeting. The ministry allows for seeds of faith to be planted on a weekly basis while at the same time helping to reunify families and keep children safe.

**Greenville District: Calvary Memorial UMC—"Plugged In: Digital Connectors"**

Lay members of Calvary Memorial United Methodist Church are reaching out to their fellow Greene County citizens to facilitate education and economic development in this rural impoverished community. With grants from the Duke Endowment and the NC Conference Mission Development Team, and in partnership with the Green County Schools, the local Chamber of Commerce, Cooperative Extension Service and several other agencies Calvary Memorial UMC has established a unique team of students in grades 8-12 called the "Digital Connectors". These students receive over 30 hours of summer training and complete 3-6 hours of initial community service to equip them to minister to local citizens as educators in computer literacy and technology. The Digital Connectors go to several locations including local churches, the Senior Citizens Center, and the Chamber of Commerce to conduct classes that equip people to use computers in their jobs and in their everyday lives. Through this ministry Greene County is reaping the benefits of visionary leadership through new partnerships among churches and community agencies, nurture of citizens of all walks of life, promotion of modern business technology, and new vision for economic empowerment of God's people.

### **New Bern District: First UMC Morehead City—"Prayer Shawl Ministry"**

A group of 35 women meet weekly at First Church Morehead City to pray and knit prayer shawls. When a shawl is completed it is blessed in the group and a final blessing is done in the worship service. A small cross charm and a personally printed card with a prayer is affixed to the shawl. The recipient of the shawl may be an individual who is experiencing a time of stress, bereavement, or illness. It may also be a person who is celebrating a life event such as a new birth, a birthday, confirmation in the church, or graduation. Recipients have been persons from the church, the community, and across the state. Two prayer shawls were sent to the National Assembly of United Methodist Women to be given to UMCOR. Recent recipients include an Alzheimer's patient, a widow of a Navy pilot killed in training, a mother whose daughter was killed in an auto accident, a 4-year-old child with cancer, a Katrina survivor, a victim of domestic violence, a lady celebrating her 100<sup>th</sup> birthday, a Divinity School student, and a young college graduate going to Peru as a missionary. This outreach ministry of prayer is expanding daily. Using the talents God has given and the power of prayer, this outreach ministry is truly a blessing to the recipient and the knitter.

### **Raleigh District: Cokesbury UMC—"Summer Youth Program Ministry"**

The purpose of this ministry is to give children and youth of all racial and ethnic backgrounds in the community, the church, and beyond a place to go and fellowship during the summer instead of being on the streets, joining gangs, or being at home alone. The ministry gives children the opportunity to redirect their attention and energy to something positive and to experience activities they otherwise would not have been afforded. The program starts the first week of June and continues for nearly 8 weeks. Children arrive at 7:00 a.m. and stay until 4:30 p.m. Monday through Friday. The 35 participants receive two meals and two snack per day. They are provided with God's word on a daily basis through interactive devotional time. They receive grade level appropriate learning instruction, and take field trips to such places as the NC Museum of Natural Science, Morehead Planetarium, State Capitol, NC State University, and Pullen Park. They also go bowling, skating, swimming, and to the movies every week. Professional community speakers also come and share with the children on topics of health and life opportunities. The ministry is completely funded through donations from laity, parents, and love offerings.

### **Rockingham District: Galilee UMC—"Bridge Builders Education Enrichment Ministry"**

The Scotland County School System has experienced performance scores in reading, math and science that are below the state average for all students. In response, Galilee United Methodist Church has developed the "Bridge Builders Education Enrichment Program" in partnership with their neighborhood elementary school. The program encourages positive development and greater academic achievement among the 25 second and third grade students enrolled. The ministry is totally staffed by lay volunteers and provides after-school supervision, homework assistance, and instruction in basic skills of math, science, reading, and computer literacy. Mentoring, storytelling, recreational time, character development, community involvement and spiritual formation are all a part of the comprehensive program. The ministry has become a model for other churches in Scotland County and has received the endorsement of the Scotland County School Superintendent.

### **Rocky Mount District: Englewood UMC—"Prayer Shawl Ministry"**

This prayer shawl ministry is composed of 35 women and youth, ages 8-85, who prayerfully knit shawls to be given to individuals of all ages as an act of love, friendship, and caring. It combines the love of knitting with intentional prayer and God's command to "love one another". The group has donated over 110 hand-made prayer shawls since February of 2005 to men, women, and children who range in age from newborn to 100 years. Those who receive the shawls are blessed with the assurance that prayers were said for them during the many weeks it took to complete the shawl, and by the shawl itself which

surrounds them with warmth as tangible evidence of God's love. The prayer shawls are placed on the church altar two Sundays a month for a prayer of blessing. The prayer of blessing is printed and given with each shawl. This ministry is the embodiment of lay ministry – God's people using whatever talent they have to answer God's call to serve. It has helped the congregations to recognize and empathize more fully with the needs of others, and is testimony to the transformational power of prayer.

#### **Sanford District: Broadway UMC—"Helping Hand Ministry"**

This ministry was formed as a response to the devastation caused by Hurricane Katrina. Broadway United Methodist Church secured the loan of a semi-truck and driver filled it with canned beef stew and water and sent it with their love and prayers to Alabama. Of the thousands of pounds of food they collected, 12,000 pounds were left over, and they sent this along with other needed supplies to the MERCI Center. Later they collected nearly \$3,000 and began helping families who were relocating from the Gulf States to their area. The church bought one elderly man a bed and mattress. The United Methodist Women sponsored a "shower" for the man, filling his new apartment with items such as towels, sheets, and flatware. The man soon began attending the church and has been active ever since. The church collected \$1,200 for the Sanford District United Methodist Men's "Mobile Kitchen" and three Broadway United Methodist Men went to Mississippi to help serve food for seven days. Broadway UMC is a small congregation with a big heart for others.

#### **Wilmington District: Hampstead UMC—"Upward Soccer Ministry"**

"Upward Soccer" provides a chance for Hampstead United Methodist Church to use the fastest growing sport in the United States to evangelize the community. By keeping in mind that every child is a winner, "Upward Soccer" has built a league that promotes spiritual formation, character, and self-esteem in all who participate. In just over a year the league has grown to over 200 participants with 15 new families joining the church. The ministry promotes maximizing the family schedule by having only one hour of practice and one game per week. Devotions are a part of every practice, and halftime testimonies speak to the spectators on game day. The coaches and referees are trained to minister to the children in positive ways and the parents receive invitations by newsletter to church functions and worship services. The season builds toward a harvest time banquet, where awards are given, and players and parents are given an opportunity to respond to the Gospel of Jesus Christ.

#### **MINISTERIAL EDUCATION FUND, COMMITTEE ON**

The Ministerial Education Fund (MEF) is one of the most "unsung blessings" of our connectional support! In addition to being the underlying support to our seminaries, it provides invaluable support for the following ministries: Annual Conference Board of Ordained Ministry for programs they provide for clergy and diaconal ministers; scholarships for students studying for the ordained and diaconal ministry in the 13 outstanding United Methodist seminaries and in non-United Methodist seminaries approved by the Division of Ordained Ministry and taught by seminary professors and conference leaders throughout the United Methodist Church; Continuing Education; Course of Study Schools (more than 4,700 people are involved in 12 Course of Study Schools); research and special programs related to candidacy and enlistment; pastoral care initiatives; clergy women concerns; racial and ethnic concerns; spiritual formation; testing and evaluation; training of boards of ordained ministry; international theological education; jurisdictional block grants; supervision issues and Dempster Fellowships. All of these ministries are nurtured by money from the Ministerial Education Fund.

The general policies for the North Carolina Annual Conference's portion of the Ministerial Education Fund (25% of MEF apportionments) are set by the Board of Ordained Ministry. Brochures with guidelines and policies for the MEF scholarships are available from the Office of Ministerial Relations.

Some interesting facts regarding MEF are:

- Hundreds of millions of dollars have been given by local congregations to the MEF since 1968.
- More than twenty-five percent (25%) of that amount from the MEF has supported conference board services in each annual conference since 1970.
- MEF supports Duke Divinity School, which for over 79 years has prepared men and women for leadership in the church as clergy and laity.

Other institutions supported by Ministerial Education Funds are: *Boston University School of Theology, Boston, MA; Candler School of Theology at Emory University, Atlanta, GA; The Theological School at Drew University, Madison, NJ; Iliff School of Theology, Denver, CO; Gammon Theological Seminary, Atlanta, GA; Garrett-Evangelical Theological Seminary, Evanston, IL; Methodist Theological School in Ohio, Delaware, OH; Perkins School of Theology at Southern Methodist University, Dallas, TX; Saint Paul School of Theology, Kansas City, MS; Claremont School of Theology, Claremont, CA; United Theological Seminary, Dayton, OH; Wesley Theological Seminary, Washington, DC.*

#### **NORTH CAROLINA PASTORS' SCHOOL AND DUKE DIVINITY SCHOOL CONVOCATION**

On October 10-12, 2005, almost 500 clergy gathered for the annual Convocation and Pastors' School at Duke Divinity School. The event focused on the theme "A New Creation: Building a Ministry of Reconciliation." Held in conjunction with the dedication of the new divinity school Westbrook Building and the naming of the Langford Building, the event featured inspiring lectures, seminars and worship services. The James A. Gray Lectures were presented by Ellen Davis, professor of bible and practical theology at Duke Divinity School and a gifted theologian whose work focuses on reclaiming the importance of the Old Testament, and Willie Jennings, senior associate dean for academic programs and assistant research professor of theology and black church studies at Duke Divinity School. L. Gregory Jones, dean and professor of theology at Duke Divinity School and a leading scholar on issues of forgiveness and reconciliation, and Samuel Wells, new dean of Duke Chapel and noted theological ethicist, presented the Franklin S. Hickman lectures. Convocation preachers Ross Olivier, one of the key pastor leaders in the "Journey to a New Land" initiative of the church in post-apartheid South Africa, Hope Morgan Ward, bishop of

the Mississippi Annual Conference, and L. Gregory Jones led worship during the event. The keynote panel "Journeys of Reconciliation" featured four leading practitioners affiliated with the newly instituted Duke Center for Reconciliation: Emmanuel Katongole, Chris Rice, Julie Duany and Mark Gornik. Sixteen different continuing education seminars enrolled over three hundred and fifty pastors. The seminars included "Preaching from II Corinthians," "Should Every Congregation Be Multi-Racial?" and "Biblical and Theological Resources for Reconciliation."

The 2006 Convocation and Pastors' School will be held October 9-11, and will feature pastor and author Eugene Peterson and theologian Craig Dykstra. A detailed brochure will be available from Duke Divinity School later this summer. Individuals are encouraged to contact the Center for Continuing Education for more information ([www.divinity.duke.edu/learningforlife](http://www.divinity.duke.edu/learningforlife), email [div-conted@duke.edu](mailto:div-conted@duke.edu), phone 888-845-4216).

### **OLDER ADULT MINISTRIES, COMMITTEE ON**

The committee seeks to be the focal point for aging issues which impact the program and ministry of the local church and the Annual Conference as a whole. The committee hopes to raise the consciousness of how, where and why the church ought to be involved in ministry with, to and by older adults. The committee has promoted the following services and learning programs:

1. The Conference Web Page now offers a link for Older Adult Ministry and it may be reached at: <http://www.nccumc.org/OlderAdultMinistries/default.htm>
2. Through a Speaker's Bureau the committee can offer churches a list of names of people who could speak on issues pertaining to Older Adults.
3. A Resource Library is being maintained in the Conference Audio-Visual Library for use by local churches.
4. The Norman T. Allers Academy on Older Adult Ministries is a certification program established by the Older Adult Association of the Southeastern Jurisdiction to provide training and credentials for those in older adult ministry.
5. Each year in August, we encourage Older Adults and those working with older adults to attend the SEJ Older Adult Conference. "Terra Incognita" is the theme of 2006 conference designed for anyone over the age of 55. The event will be held August 7 – 10, 2006 at Lake Junaluska.
6. To partner with other conference groups and agencies in the sponsorship of the education and training of clergy and lay persons in the spiritual development for the fourth quarter of life. On May 23 – 25, 2006, we partnered with the Western NC Conference and held a three day event in Greensboro. The event programming was for Older Adults and those who work in Older Adult Ministries. Richard Gentzler, Director of the Center of Aging of The United Methodist Church and the Rev. Dr. Belton Joyner were event keynote speakers. It is the hope of the committee that in 2007 we can host a program for the laity and clergy of the NCC.
7. We are exploring the possibilities of partnering with MERCI to offer a work camp/training for older adults.
8. The Burlington District with the support of NCC Older Adult Committee and other ministries/agencies is seeking a grant to establish a program entitled *Third Thursdays at Chestnut Ridge* that "...will provide a way for older adults to use their special knowledge and life experience for the benefit not only of themselves, but for others." It is projected that this program will begin in September 2006.

9. We have developed and will continue to distribute resource packets to Pastors new to the Conference at the yearly training event. The packets contain useful resources and ideas for Older Adult Ministries.

### **ORDAINED MINISTRY, BOARD OF**

The North Carolina Conference Board of Ordained Ministry is pleased and privileged to present to the clergy session of the North Carolina Annual Conference our report for 2006.

Our Board is a strong, representative body from the clergy and laity of this Annual Conference wrestling constantly with its responsibilities outlined in *The Book of Discipline 2004* (§634). These duties require the Board to exercise strong care in its examination of candidates for ordination in a way which is both fair and diligent. The Board also seeks always to encourage and sustain those in the process, and to provide resources for growth for those already involved with ministry to local churches and other places of mission.

To provide this report, the Board of Ordained Ministry members have given eleven (11) full days in meetings and interviews along with innumerable times for committee assignments. All of this is summarized in the names and recommendations found in this submission of our work for your approval.

The duties of the Board of Ordained Ministry include:

- 1) To assume the primary responsibility for the enlistment of ordained clergy, with due regard for the inclusive nature of the Church. It provides guidance for these persons in the process of education, training, and ordination.
- 2) To examine all applicants as to their fitness for ordained, commissioned, licensed, or consecrated ministry and their election as: a) *Diaconal Ministers*, b) *Local Pastors*, c) *Associate Members*, d) *Probationary Members*, and e) *Full Members of the Annual Conference*.
- 3) To interview and report recommendations concerning: a) *Candidates for Commissioning* b) *Students to be appointed to attend school*, c) *Candidates for ordination as Deacon*, and d) *Candidates for ordination as Elder*.
- 4) To interview applicants and make recommendations concerning changes in ministerial relationships: *Leaves of Absence*, *Retirement*, *Sabbatical Leaves*, *Incapacity Leaves*, *Less-than-Full-time Appointments*, and *Readmission to, or the termination of, conference membership*.
- 5) To provide support services for the ordained minister's career development, including personal and career counseling, continuing education, assistance in preparation for retirement, and matters pertaining to ministerial morale.
- 6) To provide a means of evaluating the effectiveness of the clergy in the Annual Conference.
- 7) To interpret the high ethical standards of ministry as set forth in *The Book of Discipline 2004*, and to study matters pertaining to character.
- 8) To administer the portion of the Ministerial Education Fund for use by the Annual Conference.

Members of the North Carolina Conference Board of Ordained Ministry have worked faithfully to fulfill their duties.

This year we are pleased to report that (23) persons were elected to Probationary Membership and commissioned on the Elder Track; (3) persons were elected for ordination as a Deacon in Full Connection; (13) persons were elected for ordination as Elder in Full Connection (moving from Probationary Membership under the 2000 *Discipline*); and (1) person from Another Denomination will have his orders recognized as an Elder.

This year's retirement class includes (12) Elders in Full Connection, (1) Deacon in Full Connection, (2) Associate Members, (1) Probationary Member and (3) Local Pastors. We are deeply grateful for their love, commitment and service to the North Carolina Annual Conference. Many opportunities continue to open for persons in this field of service!

Please note that various committee reports follow this introduction and are significant for the various areas of concern they address. All of this material, as well as our supportive services during the year, have been provided through the Office of Ministerial Relations under the leadership of *Dr. Paul L. Leeland, Robbie W. Barrett, and Linda L. Bourey*. We are indebted to these individuals for their excellent work and dedication to the Ordained Ministry of our Annual Conference.

#### **PSYCHOLOGICAL TESTING AND BACKGROUND CHECKS, COMMITTEE ON**

The Conference Board of Ordained Ministry evaluates all prospective and continuing candidates in accordance with requirements in *The Book of Discipline 2004*. Those seeking to enter ordained ministry or licensed ministry undergo a comprehensive evaluation. One component of the evaluation process involves psychological testing and background investigation, conducted under the direction of the Committee on Psychological Testing and Background Checks.

Psychological testing serves two purposes: (1) It provides the individual with valuable information, feedback and guidance related to psychological health and wholeness. (2) It provides the Board of Ordained Ministry and District Committees with useful information as they evaluate and mentor prospective and continuing candidates to determine their fitness, potential, and promise for fruitful and effective service in ordained and/or licensed ministry.

Psychological evaluation services are being provided through a contract with Dr. Bert Lucas, a member of St. Luke United Methodist Church in Sanford, North Carolina. Dr. Lucas has done an outstanding job this past couple of years in providing this service, and the Committee is indebted to him for his guidance and counsel.

Expenses for psychological evaluations are borne by the Board of Ordained Ministry for those persons residing within the annual conference and for those transferring into the conference *when they are included with North Carolina Conference candidates for group testing*.

Background checks on prospective and continuing candidates are furnished through a contract with Kroll Background America, Inc. Each background check costs \$60.00 and the cost is borne by the applicant. The applicant is provided with a copy of their background check report once completed by Kroll.

On average the Committee processes 75 psychological tests and 80 background checks a year.

The other members of the Committee on Psychological Testing and Background Checks are the following persons: Jimmy Cummings, Clyde Denny, Paul Phillips, Sue Robertson, David Wade and Ray Wittman. I am very appreciative of the seriousness and dedication with which the Committee approaches its work. The Committee would like to thank Paul Leeland for his guidance and wisdom, and Linda Bourey for her assistance with the administrative aspects of our work.

## RESIDENCY IN ORDAINED MINISTRY, COMMITTEE ON

The North Carolina Conference Residency in Ordained Ministry (RIOM) program began in fulfillment of ¶417.3 of the 1984 *Discipline* requiring Annual Conferences to provide Counseling Elders for Probationers. Adjusting to changes in the mentoring process mandated by subsequent *Disciplines*, RIOM continues to provide an opportunity for probationary members to grow and find support as they live and learn through this opportunity of concentrated focus and reflection on ministerial theology and practice. Twenty years of experience with this program have demonstrated the great value in preparing probationers for Full Conference Membership.

Special thanks are offered to the Reverend Bob Wallace, an RIOM pioneer. Bob has developed a manual for Cluster Group Leaders that has provided invaluable information to our leaders, and brought order and consistency to this significant process. An emerging group of current and future Cluster Groups leaders can be directly attributed to Bob's servant heart.

The North Carolina Conference Board of Ordained Ministry uses a "Cluster Group Model" to meet the Disciplinary requirements for providing leadership and supervision for our probationary members. Probationers meet in small "cluster" groups throughout the probationary period. These groups are arranged, as often as possible, by geographical area in order to minimize travel time and facilitate greater fellowship. Cluster leaders are Elders who, by intention, are not members of the Board of Ordained Ministry. Recognizing that these cluster groups become an important source for collegiality and support, every effort is made to keep each participant in the same cluster, with the same leader, throughout the probationary period.

A candidate serving under the 2004 *Discipline* can complete his/her requirements for Deacon/or Elder in Full Connection within three (3) years by accepting a full-time appointment and participating in the RIOM process. *The Book of Discipline* provides a maximum time line of six (6) years to complete these requirements. Under this three-year probationary process, year one (Phase A) focuses on issues of Christian spirituality, while year two (Phase B) involves the shared exploration of the practice of ordained ministry. Year three (Phase C) is a time of preparation for written and oral interviews with the Conference Board of Ordained Ministry as candidates consider the Disciplinary questions for all who seek to come into Full Connection.

During the RIOM process, certain candidates may be required by the Board of Ordained Ministry to spend an additional year or more "continuing" the probationary process. A continuance does not mean the probationer has failed or that he/she does not have the gifts and grace for ministry. This continuance is better understood as an opportunity for the probationer to continue to grow in grace as they seek to answer God's call to ordained ministry.

The RIOM committee also sponsors events aimed at sharing information helpful to candidates in their probationary process. In the past, probationers have met for an overnight retreat. A resource person selected by the Committee has led the group in exploring issues such as call to ministry, spiritual formation and practical concerns of pastoral leadership in the local church.

In September of each year, Duke Divinity School sponsors a conference for candidates who are preparing for *Full Connection interviews* in the coming year. This annual seminar is led by faculty from the Divinity School and focuses on theology, worship, and pastoral concerns. Though not mandatory, we strongly recommend this time of reflection for all who are planning to come before the Board for Full Connection interviews. As a part of this seminar, participants are given the opportunity to meet with representatives from the Board of Ordained Ministry's interview committees to discuss their preparations for the coming year and to address questions they may have. Duke Divinity School also sponsors a seminar each October for candidates who are writing their first papers and seeking commissioning/probationary membership.

The Residency in Ordained Ministry Committee would like to offer a word of sincere thanks to William Braswell, Charles Cook, Mike Frese, Rich Greenway, Teresa Lawrence, Joy MacVane, Kong Namkung, Caswell Shaw, Tommy Sweeley and Bob Wallace for their service as Cluster Group Leaders during the past year, and to Jon Strother and Richard Williams for their service as cluster leaders for a period of time this past year. These gifted servants have enabled our Annual Conference to offer candidates an enriching and worthwhile experience of growth and reflection. We, as a committee, are committed to helping candidates for Ordained Ministry in every way possible.

The Committee wants to express their sincere thanks for their wisdom and assistance to the Reverend Dr. Paul Leeland, Director of Ministerial Relations and Assistant to the Bishop, and to Linda Bourey and Robbie Barrett, administrative staff in the Office of Ministerial Relations.

### **SEXUAL ETHICS SUPPORT TEAM**

The Sexual Ethics Committee has been meeting this year in scheduled sessions, and we have carried out our work as planned. We continue to inform pastors and laity in the areas of faithfulness to Christ, the Holy Scripture and The Book of Discipline of the United Methodist Church as it relates to appropriate behavior for clergy and laity involved in the work of ministry.

The Sexual Ethics Committee has planned a program called "Integrity in Ministry" which is taking place in tri-district events held in March and May of 2006.

Bishop Alfred W. Gwinn, Jr. has spoken to the Sexual Ethics Committee regarding training events to be held again in 2007.

The Sexual Ethics Support Team has designed booklets for Staff Parish Relations Committees or Pastor Parish Relations Committees to use in their work in regard to sexual ethics and self-care issues. The booklets will be very helpful to each congregation in the North Carolina Conference.

We continue to give thanks to God for our Sexual Ethics Support Teams, as they are called upon to respond to incidents of clergy and laity sexual misconduct within the North Carolina Conference.

We are very thankful for the help given to our committee by Mary Jane Wilson-Parsons and the work she contributes to the NC Conference in her present position.

Thomas G. Holtsclaw, Chairperson

### **UNITED METHODIST MEN**

The North Carolina Conference United Methodist Men continue to seek God's will as they advance the purpose of UMM, to declare the Centrality of Christ in every man's life. We continue to seek ways to draw men into daily prayer, Bible study, regular Christian service, and drawing upon their strengthening relationship with Christ to influence their every relationship.

During 2005, we planned a new initiative with our Fall Rally. Drawing from the East Kansas and Missouri Conferences joint rally at a Kansas City Royals game, the North Carolina Conference UMM held a rally prior to a Duke University football game, and included a game ticket in the package. Given our conference's strong connection with the Divinity School at the school, and the school's cooperation, we held a successful rally with approximately 175 in attendance. This represented a 50% increase in attendance over the previous rally high. We promoted it as a father-son/daughter event, and had significant youth attendance, and unlike previous rallies, we had significant minority attendance. We also reached a significantly different group through this event. That also suggests that this event was not attractive to many who

attended previous rallies. We plan to continue with this event, and will plan another event more along the lines of the fall rally.

A second initiative during 2005 continued our commitment to local presidents' training. We have successfully utilized the District Leadership Workshops for several years to present local presidents' training, but with limited success in some districts in reaching many churches. We struck a new model for presenting in 2005. Partners in Mission and Ministry calls for churches to enter a covenant relationship to engage their men in prayer, Bible study, Christian service, and outreach. It also calls for supporting our national, conference and district mission initiatives through chartering, encouraging EMS memberships, and fund-raising and offerings. We also highlighted a local church at each event which is successfully moving their men into a deeper relationship with Christ. We presented it at five events, bringing two districts together for each event for three and a half hours, which included dinner and communion. We had over 200 in attendance at the five events, and reached approximately 100 local church leaders. We will present at individual district events at the remaining two districts during early 2006.

While many districts have been gracious in allowing us to conduct training during their district leadership workshops, many are yielding to others requests for space and time and are implicitly asking that we conduct our training at other times, as UMW does. As we continually face challenges in developing changing leaders at the local church level, we will continue to seek more ways to interact with and train local church leadership.

Approximately 40 men from the conference attended the 9th National Gathering of United Methodist Men at Purdue University last summer. We worked hard to promote this event, had a mass mailing from our Bishop to churches urging attendance at this event, and attempted to organize busses to go. We were able to attract a number of first time attendees to the event, but did not generate enough to significantly increase attendance over the last event, held in 2001. As national attendance was down from 2001, our conference response mirrored the national response.

During Annual Conference 2005, we again, through the efforts of our Prayer Advocate, Ernie Blough of Fayetteville, answered the Upper Room Prayer Line for two days. Ernie has asked to be relieved of his Prayer Advocate responsibilities after a number of years of outstanding service as he accepts other responsibilities at the district level. Phil Platter of Hampstead will lead this ministry during 2006.

We did not conduct a Potato Drop during AC 2005. While the move to Greenville presents some new challenges, we are hoping to have a Potato Drop at AC 2006.

After years of struggling to find leadership for the Scouting Ministry in our conference, Dr. Stan Belyeu of Cary accepted the responsibilities of Annual Conference Scouting Coordinator. Dr. Belyeu has done an outstanding job of recruiting district scouting coordinators, and has initiated a national pilot program of recruiting sub-district level coordinators.

With the outstanding support of his leadership team, Scouting Ministries in the conference conducted three Bishop's Dinners for Scouting. This followed two dinners two years ago. Through their dedication and hard work, record levels of participation were achieved, and many of our churches are expected to sponsor new Boy Scout and Girl Scout units.

As Conference President, I represented United Methodist Men in the North Carolina Conference at the Healthy Congregations meeting in Houston in February, at the National Association of (UMM) Conference Presidents meeting in Nashville in March, and at the Southeastern Jurisdiction UMM meeting at Lake Junaluska in November.

Through the strong efforts of our immediate past president, Mack Parker, we have had district presidents in each of our 12 districts. Eleven of those continue, as we had one resignation during 2005. We expect the Rockingham District Superintendent to name a replacement early in 2006.

In an effort to improve communications, Phil Platter, who served as a conference vice-president during 2005, established a conference UMM website. We successfully utilized that website for on-line registration for our Duke Day rally. We will continue to utilize and enhance communications through our website.

Our Raleigh, Sanford and New Bern Districts continue to hold multiple district events. Goldsboro held a rally during 2005, as did Burlington. Greenville held a successful president's training event, as they have for several years. We will work with the other district presidents to conduct district events in the other districts in the near future, and to encourage the development of additional district events and work projects.

One of our newer district presidents, Sanford District President Ted Thomas, has initiated some strong new leadership in that district and their men have responded. Working with our conference disaster relief center, the MERCI Center, they have funded a mobile kitchen which began a morale boosting ministry on the North Carolina coast, offering Spirit Dinners in areas which are still recovering from hurricanes which have wrecked significant destruction.

After Katrina's massive destruction, as part of our conference's partnership with the Mississippi Conference, the district UMM mobilized to be His Hands and Feet, meeting the need to feed volunteers who were coming to Mississippi to provide disaster relief and were overwhelming the local community's ability to provide their food. In late 2005, volunteer teams from the Sanford District spent several weeks feeding in Mississippi, and they have returned in early 2006.

Through Ted's vision, the district has also worked to establish an aggressive district ministry budget of \$40,000. A portion of that money has gone into scholarships for local church seniors. That program encourages local churches to charter and support the district ministries. They continue to hold district spring and fall rallies.

They are seeking new ground in encouraging local church fellowships in spiritual development and to be effective evangelism units in their communities, following the Faith Sharing model developed by our church of make a friend, be a friend, bring a friend to Christ. The Raleigh District continues their strong district level programs, with a spring rally, a fall spiritual retreat, and district work programs. They have been a strong model for the other districts in the conference for years.

The New Bern District, which has been led for many years by District President Bobby Stricklin, continues to hold two golf tournaments a year to benefit our Methodist Home for Children and Camp Don Lee. Under his leadership, they will conduct a joint district work project, with local Scouts, at Camp Don Lee in Spring 2006.

A number of our local UMM units have been responding with work teams, often in partnership with other church members, to Mississippi as part of our conference's relief efforts in the partnership with that conference.

Since a challenge from our Bishop in 2004, many UMM have responded to train for disaster response, and that training continued in 2005 and continues in 2006.

In 2006, our conference UMM objectives will include continued local church presidents' training, a new district presidents' training program, continued encouragement of development of district events, and new conference events. We will also seek to better utilize Annual Conference as a means of communicating our message of encouraging local churches to grow in connecting their men with Christ through fellowship, worship and service.

We expect and will encourage many of our local units to continue and to initiate relief efforts in Mississippi during 2006.

Through God's anointing of local leadership and through the encouragement of district leadership, there have been several strong, outstanding local fellowships in the conference. They include First UMC in Cary, NC, Swansboro UMC in Swansboro, NC, and Sappling Ridge UMC, near Siler City, NC.

We will also support Disciple Bible Outreach Ministries in their efforts to expand the ministry in local prisons and to bring Disciple Bible study to more small, rural churches.

We have accepted a challenge to support Asbury Homes as they construct a new group home in the Rockingham District.

With God's leadership, your support and prayers, and God's anointing of strong leaders for this ministry, we look forward to continuing His work as we bring more men to the Foot of the Cross in 2006.

Respectfully submitted and for His glory,

Barry Merrill, President

### UNITED METHODIST YOUTH

"Momentum" is the theme for the year 2006 in Conference youth ministry. This theme is best expressed in these words: "Because I believe that actions speak louder than words. Because it's time for God's people to be the people of God. Because I need to get my life in motion. Because faith is an action word. Because my generation can make a difference. Because living the life is what I'm called to. Because I need to give Jesus more control of my life. Because we believe that when Christians begin to love, embrace, and worship God together, the Holy Spirit is released upon us in power."

This theme is also expressed in the mission statement of Conference youth ministry: *to walk with youth in their journey to know Christ by creating an environment in which youth can experience Christian communion to hear the Gospel, to know God's love and to respond in faith by loving and serving others...for in all of this we are making disciples of Jesus Christ.* Through local church youth ministry with a variety of faces and programs and service projects; through districts offering opportunities for youth; with about 8500 youth and adults participating in Conference youth events; and with the new general church Division on Ministries with Young People, we indeed have momentum!

Youth (and adults) from across the Conference have participated in eight events over the year: Confirmation Celebration, Global Vision, Kaleidoscope, Rally Day, Appalachian Trail Hike, Summer Breakaway, ACS-Annual Conference Session for Youth, and Pilgrimage. The Confirmation Celebration offers an experience of the connectional church to those in confirmation classes from local churches. Global Vision included a visit to Washington DC and New York City with a seminar to explore issues around nationalism and the struggle against extremism. Kaleidoscope is a Conference youth event that offers a spiritual life retreat for middle school youth. Rally Day was a bright and sunny spring afternoon that celebrated the place of youth within the life of the church. The Appalachian Trail Hike proved to be a mountaintop experience of God for those involved. Summer Breakaway and ACS offered times of worship and sharing experiences of fellowship and faith in small and large groups. Pilgrimage (with 6300 in attendance from a record number of 316 churches) in the Crown Coliseum with moving messages of God's presence in his life from Ray Buckley and music by Chris Hughes and our own NC Conference youth will be a Pilgrimage not soon forgotten. In addition to these events, Exploration was held in October 2005 with the Western NC Conference for senior high youth and college age young adults exploring Christian vocation and a call to ministry.

Youth Service Fund continues to be an avenue of mission for United Methodist Youth. Grants to such ministries with youth as Shady Grove We Care Project, Positive Attitude Youth Center in Burlington, Conduit in Durham, Camp Mucho at Millbrook UMC, CATALYST, Junior Grade Senate of All God's Children UMC, Zimbabwe Orphans Endeavor in Africa, musical instruments for Liberia, Jubilee Project in Tennessee, EndTime Cross Road Ministry in Florida and a music camp in Guatemala are possible only in as much as local churches support and contribute to Youth Service Fund. Youth Service Fund is money raised by youth and spent by youth to benefit youth. While the contributions to YSF at Conference youth events are very good, more support from local churches is needed to reach our goal each year of remaining at "Top 10 Conference."

We rejoice in the vision that local church youth ministries are living toward in areas of mission, service, study, outreach, fellowship and spiritual growth. We celebrate and give thanks to the Annual Conference and all the people within local churches giving support and encouragement to youth ministry. We pray for God's guidance and blessing as we seek to find and live with Christ in our lives.

Epiphany Bayliff, President

### **WORSHIP, COMMISSION ON**

The goal of the Committee on Worship continues to be one of service, plan, and timely execution of outlined liturgy for the Annual Conference. The Committee is committed to the Annual Conference's agenda. The 2005 Committee on Worship of the Annual Conference had a great opportunity to work under the leadership of our new Bishop Alfred Gwinn, and we learned a lot as a team of disciples with this thought; effective leadership and healthy congregation.

The Committee experienced excitement as we served Early Worship Service, Ordination Service, Holy Communion Service, Memorial Service, and Love Feast Service. Secondly, we witnessed the moving of the Holy Spirit in all these programs. The Committee on Worship assisted in all the various preparations, selections of music and speakers. The preparations allowed us the opportunity to visually experience positively all the cultures representations of our North Carolina Conference. Collectively the Committee on Worship purpose and goal were accomplished and fulfilled as we brought to conscience an acute awareness of all presence as each program was exhibited.

Another key component in the Committee was the shared responsibility with the stage manager and the crew. We were able to work in concert with all the stage set ups for all the planned programs. It is a pleasure to have so many capable colleagues working on the same goal and getting things done.

The Committee on Worship has had so many great years of fine working relationship with the Fayetteville Coliseum Management during Annual Conference, but this ended in 2005. We are very appreciative of the North Carolina Annual Conference clergies and laity allowing us to meet there for many years. The closing of the relationship will always be remembered, as we move to another venue.

The challenge of this Committee has to do with the music and worship. The diversity of music and worship in the Conference and the land continues to cause some concerns. Therefore, annually the Committee on Worship attempts to bring harmony to the Annual Conference on the great issue; traditional, contemporary, or blended music and worship. We do not have the answer, but the Committee is very open and we worked diligently to serve all issues brought to us before final preparation of the Annual Conference.

In summary, the Committee on Worship has had a great 2005 Annual Conference with the preparation and execution. We love Bishop Gwinn's vision and

direction of effective leadership and healthy congregation. The Holy Spirit was high and moved on the people called Methodist. All the programs and stage set ups were in order and in place. We said, “good bye to Fayetteville Coliseum”, as we moved to Greenville Convention Center. Finally, we are gaining ground with some of the various music and worship challenges, but we do not have a clear solution, because of the growth of concerns. We can truly see God’s work being manifested and the love of Christ in our Annual Conference.

Johnnie L. Wright, Chairperson Methodists are not in agreement with this report, because many traditional churches have rejected blended worship and music.

In short, the Committee on Worship is listening, listening, and listening to all of these challenges from churches and worship leaders in this regard. At the present there is no “fixed solution” to all of the above challenges. The positive things that this Committee on Worship strives to achieve are open doors, open hearts, and open minds. It is the goal of the Committee to visit the districts if possible during their “district leadership training workshop” in subsequent months to share and hear more from the heartbeat of the churches in this conference about worship and music.

Johnnie L. Wright, Chairperson

## RESOURCE MINISTRIES CIRCLE

The mission of the Resources Ministry Circle is: **to foster a culture of stewardship, connection, and covenant to fulfill the mission of the church, which is to make disciples of Jesus Christ.** God has truly given the North Carolina Annual Conference an abundance of resources. Each of the ministries of the Resources Ministry Circle face the challenges of today’s economic pressures with faith in God and with a sense of dedication to lead and serve guided by the highest ideals of stewardship, connection, and covenant. We are all in this work together making vital, healthy congregations and providing effective lay and clergy leaders to make disciples of Jesus Christ for the transformation of the world. I give thanks to God for the spirit of dedication and willingness to serve of the leadership in the areas of ministry in this circle.

Alvin M. Horne, Chairperson

## TRUSTEES, CONFERENCE BOARD OF

The Board of Trustees of the Annual Conference is charged with responsibilities vital to the mission and ministry of the Conference as defined in paragraphs 2512- 2516 of the Book of Discipline. These include holding legal title and managing Conference property; receiving and holding bequests and donations; receiving and managing closed or abandoned churches and other property; recommending action to the Annual Conference regarding sale, lease or acquisition of property to serve the Conference interests and mission; and intervening to protect Annual Conference interests.

### **THE UNITED METHODIST BUILDING RELOCATION**

In 2002, the Annual Conference approved the purchase of land for the potential relocation of the United Methodist conference headquarters. Easily accessible to the entire Conference, the property is located in Greenfield Park, just east of Raleigh at the intersection of Interstate 40 and Highway 70. The Trustees continue to hold this land as an investment for a future relocation. As resources become available without apportionments, the Trustees will initiate a study of facility needs and develop plans for new facilities. The goal of the trustees is to obtain a building suitable to the needs of the Conference and its staff without engaging in a major capital campaign or encumbering the Annual Conference with debt service.

Until that time, we recommend continuing to hold the land as an investment.

The current headquarters are located at 1307 Glenwood Avenue, in Raleigh. It is a valuable asset which would be a necessary part of any plan to relocate. We continue to rely on the advice of our consultant Grubb Ellis, Thomas and Linderman, and wait until the local real estate market improves before moving forward with plans for a new building to present to the Annual Conference. While the economy and office market in the Raleigh area continue to improve, property values and other investment sources do not currently support the cost of a new facility.

#### **1307 GLENWOOD AVENUE, RALEIGH**

The current headquarters building has remained almost fully occupied with rent paying tenants and we are maximizing our cash flow. During a year of soft leasing markets, we maintained leasing income consistent with the prior year. Although it is a valuable site, the current condition of the building is slowly declining and major system replacement is underway and will continue in the coming year. The mechanical heating and air handling system is currently being replaced and the roof will need to be replaced upon its completion.

The original 1962 mechanical system except for the water chilled air conditioning system installed in 1992 was rusted out, obsolete, highly inefficient, and failing. With the help of Bass Nixon and Kennedy Consulting Engineers, a plan is being implemented to install roof top systems in phases to limit down time for heating and air systems. The new boiler is gas fired with a modulating burner with variability in firing and adjustable time delay controls creating greater efficiency of operations in the future. Structural reinforcement of the roof and modification of support systems was required to place the new unit and relocate air handling ducts through existing concrete structures. The new boiler is currently functioning but full control will not be effective until the full project is completed. The new air handlers are roof top variable air systems which are currently being installed. The old rusted air handlers have been demolished and removed. New ductwork to connect all of the systems is currently underway. Because the new boiler will have infinite proportional firing rates and the new air handlers will have variable speed fan controls and outdoor air economizers, the completed system will have much less electrical load and should generate future savings in utilities and repairs.

These contracts total \$332,374. Approximately \$90,000 has been paid on these contracts as of December 31, 2005. Current assets and reserves available from Methodist Building Operations and Capital Fund as of December 31, 2005 were \$107,832. Approximately \$134,542 will be needed to complete the remaining payments from 2006 building operations and capital funds. The assets available from these sources are estimated to be \$67,500. The remaining \$67,042 needed to complete this project during 2006 will be borrowed from parsonage reserves until such time they can be replaced by future income or apportionments.

The current roof system is a rubber membrane system installed approximately 25 years ago. It has been patched repeatedly as normal aging deteriorates the joint and edge flashing. Replacement is being deferred until the improvements in the heating and air handling systems are completed. Initial estimates for the new roof obtained during 2004 are approximately \$95,000.

Assets for roofing needs of the facility during 2006 and 2007 will need to be provided by increased Annual Conference budgets, or request supplemental appropriations from CFA. The Trustees have no other source of funding which is not designated for specific uses by other conference action.

#### **RALEIGH TOWNE APARTMENTS**

The land on which the Raleigh Towne Apartments is located was leased under a land lease in 1964 to expire in 2014. The current property value as assessed by Wake County is \$2,766,563. It is the recommendation of the Trustees to retain the 2.42 acre

property which is under ground lease until the year 2014. The Conference may decide at that time what the best course of action is regarding this property with its improvements. Annual income from this ground lease is \$10,500 which is paid to the Methodist Building Operating Fund.

### **CLOSED CHURCHES**

- Cashie UMC – Elizabeth City District, closed 12/31/2004. The Board has approved the sale of this property and the sale is pending.
- Clark Street UMC – RM District, closed 1995. This property was sold in February 2006. Net proceeds of \$129,403 were received in February. \$100,000 of the proceeds has been requested by the district to be held in reserve for congregational development in the RM District.
- Gold Valley UMC – Rocky Mount District, closed 12/31/2004. The Board approved to sell the property for \$28,000 and this is expected to close in March 2006.
- Holly Grove UMC – Elizabeth City District, closed 2002. A sale in the amount of \$4,000 was approved by the Board and net proceeds of \$3,742 were forwarded to the Elizabeth City District for the district parsonage in May 2005.
- Mann's Chapel – Sanford District, closed December 1983. The Board has approved the sale of this property and the sale is pending.
- Pierce's Campground – Rocky Mount District, closed December 1, 2005.
- Providence UMC – Sanford District. The Board approved the sale of this property and it was sold to the former tenants in February 2006. Net proceeds of the sale were \$89,820. These proceeds less administrative selling costs will be held for the district until requested as per Annual Conference policy.

The Board of Trustees continues to receive local church property as they are closed in compliance with the Discipline. The Trustees will distribute proceeds of sales net of selling expenses to the respective districts in which they are located. These proceeds are designated by 2005 Conference action for church extension in the districts.

### **CONFERENCE PARSONAGES AND EPISCOPAL RESIDENCE**

The Board of Trustees currently provides four Conference staff positions with housing allowances in lieu of parsonages. The Trustees remain committed to the parsonage system and hold investments from previous parsonage sales to fund future acquisitions of parsonages if needed. Market value of those investments is currently \$1,084,980 as of December 31, 2005. A combination of earnings on investments and proceeds from the Conference budget fund the housing allowances.

The Episcopal Residence is maintained by the Board of Trustees and funding provided by the conference apportionments and the Episcopal Fund which is managed by the General Council on Finance and Administration. The new residence obtained in 2004 still needs minimal maintenance and the Trustees will make future recommendations as needed.

### **FREDERICK AND CLOSS PEACE WARDLAW BEQUEST**

In August of 2002, the Trustees were notified of a bequest to be received from the estate of Frederick and Closs Peace Wardlaw in the form of some fourteen acres with dwelling on the Virginia shoreline of Kerr Lake. This was left for the purpose of providing a retreat or renewal location for clergy of the Conference. With concurrence of the estate trustees in 2003, the property was sold for \$500,000 and a new lot in a gated community, Somerset Plantation, near Williamsboro, NC, was purchased. The remaining funds of the sale, \$351,437.02 are held for future development of the lot in honor of the testamentary language and the intent of the original bequest.

### **PROPERTY INSURANCE**

The Board of Trustees is responsible for providing property and casualty insurance for all annual conference property and all closed churches under their control. Effective

August 1, 2006, The Board of Trustees plan to obtain insurance for conference responsible property and other risks by joining the Property And Casualty Trust (PACT) which is a captive insurance company created by the General Council of Finance and Administration and 15 other annual conferences.

By virtue of conference membership in PACT, local churches will also have the option to insure property and other risks with PACT. Such participation in this program is voluntary and will make alternative coverage available to the local church which may increase the limits of coverage previously obtainable for many local churches. The Board of Trustees propose the following resolution that they will create a business plan for voluntary local church participation in PACT to be effective January 1, 2007. The following resolution has been presented to the Cabinet and the Council on Finance and Administration both of which have extended their support of these principles.

#### RESOLUTION

#### *A New Platform for Meeting the Property & Casualty Insurance Needs Of The North Carolina Annual Conference and its Local Churches.*

WHEREAS, the *North Carolina Annual Conference* and local churches annually purchase property & casualty insurance to protect against the risk of loss due to a variety of causes, including damage or destruction of property; injury to third parties and employees; as well as errors and omissions by officers, directors and clergy;

WHEREAS, the cost of such insurance has increased over time resulting in a shift of dollars away from mission to administration, a reduction in some coverages and limits; and restriction on ministry through a loss of or inability to obtain or affordable coverage for some risks and/or for some United Methodist entities;

WHEREAS, the above-described outcomes arise out of fluctuating markets and the underwriting practices of property & casualty insurers (among others), none of which an annual conference as a purchaser of traditional or guaranteed cost insurance from "for-profit" providers can control;

WHEREAS, the General Council on Finance and Administration and fifteen annual conferences have created Property a& Casualty Trust (PACT) to provide a long-term property & casualty insurance and risk management strategy and create stable and cost-effective solutions for managing property and casualty risks for the United Methodist Community through a denomination-owned insurance company (all lines captive) with reinsurance partners who understand annual conference needs for flexibility, inclusiveness and ownership;

WHEREAS, such a strategy can potentially control insurance costs, return equity to member/owners, extend coverages and limits beyond those available in the traditional insurance market, expand loss control services, and enable ministry in new ways,

WHEREAS, the cost to capitalize the legal reserve requirements of the PACT is estimated to be 20% of the initial premiums for the Annual Conference and each participating local church,

WHEREAS, the existing policies for casualty insurance and risk management needs for the Annual Conference expire on July 31, 2006,

NOW THEREFORE, BE IT RESOLVED that the Conference Board of Trustees are authorized effective August 1, 2006 to: (1) join PACT as a funding member for the provision of casualty insurance and risk management for all Annual Conference needs, (2) develop and implement a business plan to make participation available to all interested local churches, and (3) effective January 1, 2007, provide optional local church participation in PACT to meet the casualty insurance and risk management needs of local United

Methodist Churches within the bounds of the North Carolina Annual Conference, (4) execute any related documents before the 2007 annual conference session,

BE IT FURTHER RESOLVED that the Conference Council on Finance and Administration transfer a reserve to the Conference Board of Trustees of \$500,000 to fund the capitalization requirements for local churches choosing to participate in PACT. This appropriation will be made in two installments. The first \$250,000 payment will be made in 2006 and the second in 2007 as needed. All investment interest will accrue to CFA accounts. Funds from this reserve may be loaned to the local churches to fund the initial capitalization fee and would be returned over a period of time as determined by the business plan.

Adopted by the *North Carolina Annual Conference*:

### **BOARD OF TRUSTEES**

The Conference Board of Trustees seeks to be faithful stewards of the assets of the North Carolina Conference. We will continue to manage property of the Conference to the best of our ability in compliance with the Discipline and welcome the suggestions, ideas and input of every person in this Conference. We thank you for your faithful support of the work of the Conference and seek your prayers for the work that is given to us.

Cashar Evans, Jr., President

### **EQUITABLE COMPENSATION, COMMISSION ON**

The *Book of Discipline* mandates that “there shall be in each annual conference a **commission on equitable compensation**” (§ 624), whose purpose is “to support fulltime clergy serving as pastors in the charges of the annual conference” (§ 624.2). Three broad areas of responsibility are outlined in § 624.2, which are: “(a.) Recommending conference standards for pastoral support; (b.) administering funds to be used in base compensation supplementation; and (c.) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations.”

God calls persons to ministry to go into all the world, preaching, teaching and baptizing (Matthew 28:19), for without them the world would not have heard Christ preached (Romans 10:14). These are called to be stewards of the mysteries of God (1 Corinthians 4:1). The Church lifts up some persons for the role of clergy and ordains these persons to the work of pastoral ministry to be servants of the servants of God.

Those who are ordained to pastoral ministry answer affirmatively the historic question of John Wesley, (§ 330.17) “Are you determined to employ all your time in the work of God?” For such a called, set apart and committed clergy, the Church assumes an obligation to plan adequate support. The *Book of Discipline* is clear that “the primary responsibility for payment of pastoral salaries remains with individual pastoral charges (§ 624.5; see also § 247.13). Pastoral charges carry a responsibility for clergy salaries as one expression of their missional and ministry presences in the community. We recognize that such a missional presence also includes faithful payment of apportionments in full as ministry beyond the local church.

The Commission seeks equity and fairness for both pastors and local churches. Why should this commission be so concerned about equity and fairness? Our prayerful consideration of scriptural and historical foundations are found in the following:

- a. Jesus says, “the laborer deserves to be paid,” (Luke 10:7) and Paul reminds us “Let the elders who rule well be considered worthy of compensation, especially those who labor in preaching and teaching; for the scripture says, “You shall not muzzle an ox while it is treading out the grain,” (1 Timothy 5:17,18).

- b. Wesley was concerned that clergy have responsibility not to be “in debt so as to embarrass you in your work” (§330.18), which implies that the Church has a responsibility that it neither lead its clergy into positions of embarrassing indebtedness, nor leave them there.
- c. The Great Commission to “go into all the world preaching, teaching and baptizing” brings with it a cost. Systems of clergy support which foster the use of the right pastor in the right place, hold up the hope of seeing the Great Commission bear its promised fruit.
- d. The Commission on Equitable Compensation embraces the Great Commandment to “love our neighbors as we love ourselves” by desiring for each pastor what our members desire for themselves compensation adequate to free persons for the work of pastoral ministry.

Through our prayers, working and considering together as both laity and clergy from across The N.C. Annual Conference, we make the following recommendations, which we believe will help us move toward fairness for both local churches and pastors as together we support ordained ministry in The N.C. Annual Conference.

For the year 2006, the average full-time salary increase was approximately 4.4%. The Commission currently recommends a 4.4% increase for the year 2007. Our recommendation is based on several factors: (1) the average compensation from other conferences; (2) it more closely reflects the majority of salary increases for this conference; (3) shows concern for general economic trends.

#### **I. Recommended Schedule of Minimum Compensation for 2007:**

##### **A. Salary Schedule**

We recommend that the *student minimum salary* be based on 65% of the minimum salary of full-time pastors.

| <b>PASTORS UNDER FULL-TIME APPOINTMENT</b>               | <b><u>2006</u></b> | <b><u>2007</u></b> |
|--|--------------------|--------------------|
| (Full Connection, Associate, Probationary, Local Pastor) |                    |                    |
| Salary .....   | \$35,880.00        | \$37,459.00        |
| Utilities .....  | \$ 2,100.00        | \$ 2,100.00        |
| TOTAL .....  | \$37,980.00        | \$39,559.00        |

##### **STUDENT PASTORS (Local Pastors or Conference Members)**

|                 |             |             |
|-----------------|-------------|-------------|
| Salary .....    | \$23,322.00 | \$24,348.00 |
| Utilities ..... | \$ 2,100.00 | \$ 2,100.00 |
| TOTAL .....     | \$25,422.00 | \$26,448.00 |

##### **B. Travel Expense**

Although travel is reimbursed by the local charge as an item of pastoral expense, it is expected that *each local charge would provide at least \$3,000 for travel expense*. The Commission encourages each charge to establish a plan to reimburse the pastor for all legitimate business mileage at the current rate established by the IRS. Where such a plan is established for reimbursement of business mileage, equitable compensation support shall not be affected by payment of travel expenses. However, where a reimbursement plan is not implemented and a travel allowance is given, *any travel allowance in excess of \$3,000 will result in a reduction of equitable compensation support*.

##### **C. Pension Program**

Charges receiving Equitable Compensation Funds support are responsible for paying the total amount required for the Clergy Pension Plan and the Comprehensive Protection Plan (CPP) based on the pastor's cash base compensation (including funds from the Equitable Compensation Fund, Duke Endowment, and any other sources), and housing (percentage of cash

base compensation designated by the General Board of Pension/Health Benefits or housing allowance, if provided in lieu of a parsonage).

## **II. Principles Governing Eligibility for Equitable Compensation Funds:**

The pastor's base compensation is the responsibility of the charge; therefore, each charge of The North Carolina Annual Conference should be so arranged as to be able to assume full salary support. The Commission urges each charge receiving Equitable Compensation Funds, its pastor, and the district superintendent responsible for that charge, to administer the affairs of that charge to the end that it may move as rapidly as possible toward total self-support. To enable the Annual Conference, the Commission and the district superintendents to carry on their cooperative efforts in understanding, in harmony, and for the greatest good for all concerned, the following principles and procedures are set forth:

- A. Base Compensation:** In considering the base compensation for the charge, all income, including base compensation, bonuses, and other benefits not specifically excluded, are included as base compensation in determining appropriations from the Equitable Compensation Fund. Base compensation support for retired supply, interim supply, part-time local pastors, less than full-time conference members, or associate pastors in other than larger parish arrangement of churches will not be available. Equitable Compensation funds shall not be used to supplement amounts above minimum full-time compensation.
- B. Annual Stewardship Campaign:** Churches receiving Equitable Compensation Funds shall conduct an annual financial/stewardship campaign in the second year of receiving Equitable Compensation funds, to accurately gauge the level of financial support the local church can reasonably expect from its members.
- C. Any Equitable Compensation Fund supplement will be terminated immediately** upon information that the pastor has taken full-time, secular employment. The supplement may be reinstated at the time the charge's appointed pastor returns to full-time or student status. Exceptions to this provision will be permitted only by the approval of the executive committee of the Commission on Equitable Compensation upon the recommendation of the district superintendent of the pastor seeking to be employed outside their ministerial responsibilities for emergency reasons.
- D. Disbursement of funds from Conference Treasurer's Office:** Equitable Compensation Funds are to be sent to charges that have applied for their use to provide their pastor with the minimum base compensation established by the Annual Conference. The monthly base compensation supplement checks sent by the Conference Treasurer's office are to be deposited by the charge treasurer into the charge/church bank account. *Checks shall not be endorsed nor cashed by the pastor.*
- E. Application for funds:** Churches or charges applying for Equitable Compensation Funds shall submit a request on the appropriate form, supplied by the district superintendent. The pastor, recording secretary of the charge conference, and the district superintendent, shall carefully analyze the request. The application form must have the signatures of the pastor, recording secretary of the charge conference, and the district superintendent affixed to it, and receive the approval of the charge conference. **Applications received that are not completed in full are not eligible for consideration by the Commission until such time that they have been completed and resubmitted.**
- F.** The Commission on Equitable Compensation will not fund any charge that is

also receiving funds from The Emerging Church Salary Fund. The Commission on Equitable Compensation plans further consultation and study with other Conference boards and agencies to seek ways to more adequately provide for the temporal needs of our pastors and churches.

- G. In some instances, for missional reasons, consideration may be given to make funds available for the deacon in full connection when the primary appointment is to a local church. (*Discipline 2004*, paragraph 624.4)

### **III. Policies Governing Use of Equitable Compensation Funds**

- A. **Charges must be so arranged that no more than one third (1/3) of the total base compensation will come from the Equitable Compensation Fund on the first application of the charge.**

1. **Charges seeking more than one third (1/3) supplement** shall provide specific information with their application, indicating the reasons for their inability to meet these guidelines. Information shall be made available to the Commission on Equitable Compensation and the district superintendent regarding the terms of Equitable Compensation support, giving the date of its inception and the present amount of support being received by the respective charges.
2. **When the division of a charge is desired**, Equitable Compensation funds will be used only upon the recommendation of the Bishop and the approval of the cabinet. In the division of a charge in which one church seeks to become a station, it is recommended that such a church shall assume total responsibility for base compensation and its proportionate share of all apportionments.
  - a. The remainder of the charge in such a division assumes full pastoral support and proportionate share of all apportionments. In no case will the Commission on Equitable Compensation provide more than one third (1/3) of the base compensation required for such a division.
  - b. When there is a division of a charge forming one or more student appointments, each newly created charge shall pay initially two thirds (2/3) of the pastoral support established by the division.

B. **Annual Reduction and Length of Time for Support:**

1. The Commission further recommends that each charge which is receiving, or shall hereafter receive, Equitable Compensation Fund assistance, shall reduce this aid by at least twenty-five percent (25%) each year, until the charge has achieved full self-support in five (5) years.
2. A minimum mandatory reduction of ten percent (10%) will be required each year.
3. At the end of the fourth (4) year an evaluation shall be conducted with the church and the district superintendent to evaluate the ability of the church to sustain a full time appointment in the future.
4. After review by the cabinet and the Commission, an extension in the length of time for support can be granted for missional purposes.

The Commission wants to be clear at this point that its intent in this recommendation is that each charge will accept in full whatever increases are made in the minimum base compensation for their pastor each year and receive at least ten percent (10%) less each year in assistance from Equitable Compensation Funds than granted the previous year.

- C. **Merit Grant Supplemental to Base Compensation:** *Each full-time minister, associate member, or member in full connection of The N.C. Annual Conference, serving full time, and who, in the opinion of the cabinet is rendering unusually effective service, may apply for a grant in the amount of*

*\$400, when such clergy person's salary and utilities are equal to the Conference minimum base compensation.*

1. *This grant must be applied for on an annual basis, with an annual incremental increase of \$400 per year, not to exceed \$2,000 per year, for five years of full-time service., Special attention shall be given to ethnic pastors serving ethnic ministries (Book of Discipline 2004, paragraph 624.6). Said incremental increase is to be administered by the Commission on Equitable Compensation upon the recommendation of the cabinet, approval by the charge conference, and the district superintendent.*
  2. Further, the local church shall be responsible for all Pension Plan and CPP payments on incremental increase.
  3. This policy does not restrict the Commission on Compensation, upon the recommendation of the cabinet, from making additional grants in extraordinary circumstances.
- D. Anticipated future funding needs:** The cabinet shall report to the Executive Committee of the Commission the anticipated Equitable Compensation funding needs immediately after the first appointment session prior to Annual Conference.
- IV. The Commission reports that 26 charges received a total of \$166,041 in compensation assistance in the year 2005.

## FINANCE AND ADMINISTRATION, COUNCIL ON

### III. FINANCIAL POLICIES

The United Methodist Church is a connectional church, and all local churches participate in the mission and service giving of the larger church. The outreach and mission giving opportunities of the Connection are distributed to the churches of the NC Conference by means of a formula based on the financial performance in each local church. Every effort is made to develop a computation which is shared with fairness by all. Church leaders are encouraged to interpret the work of the Connection so that each congregation understands these funds to be a necessary extension of the ministry and mission of the church beyond its local organization.

#### A. APPORTIONMENTS:

1. The funds to be apportioned are:
  - World Service and Connectional Ministries
  - Past Service Liability - Pensions
  - Episcopal Fund
  - Interdenominational Cooperation Fund
  - Black College Fund
  - Africa University Fund
2. Formula: The Apportionments for each year shall be based on the average of the total monies disbursed by each church in the four years immediately previous to the apportionment year less the approved exclusions each year, or on the most recent year less the approved exclusions, whichever is lower. The change in unadjusted apportionments from the previous year shall not increase or decrease in excess of 15%. The exclusions are: Payments on World Service and Connectional Ministries, Past Service Liability – *Pensions*, Episcopal Fund, and all other apportionments; district work fund; principal and interest on indebtedness; buildings and improvements; 50% of property insurance; local benevolences paid directly by the local church; General and Conference Advance Specials; Ten Dollar Club; up to \$4,500 for travel paid by a charge for each pastor; United Methodist Student Day; Human Relations Day; Peace and Justice Sunday; Native American Awareness Sunday; One Great Hour of Sharing; World Communion Sunday; UMW Funds sent to district or conference treasurer; housing allowance paid in lieu of furnished parsonage to a minister serving under Episcopal appointment in a charge of the Conference; offerings taken for disasters as designated by the Disaster Response Committee and the Resident Bishop.
3. Effective July 1, 2004, new congregations shall be assigned an apportionment beginning in the year in which the church is chartered (Year A in the following table). The new and projected charter dates for all new churches shall be reported annually by the Office of Congregational Development to the Treasurer's Office immediately following Annual Conference. The amount to be apportioned shall be a percentage of the apportionment as computed on the standard formula described in III.A.2 above. Because this formula results in a lower apportionment for a longer period than earlier new church formulas, no adjustment will be allowed to the apportionment computed as shown in the following table:

| Year | Percent | Base Year Net Disbursement Formula | Maximum % Change |
|------|---------|------------------------------------|------------------|
| A    | 0%      | None                               | None             |

| H    | 90%     | $= (D+E+F+G)/4$                    | None             |
| I    | 95%     | $= (E+F+G+H)/4$                    | None             |
| J    | 100%    | $= (F+G+H+I)/4$                    | None             |

4. Apportionments to the churches shall be made by the Council on Finance and Administration (CFA) based on the current formula. Each cause shall be paid proportionately out of the income from funds received up to the amount fixed by the Annual Conference. In the event receipts shall fall short, all items shall be paid pro-rata. The CFA is authorized to make supplementary appropriations between sessions of the Annual Conference, if funds are available, for emergency or unforeseen needs. Such supplementary appropriations shall be made only from available undesignated funds. It is the intent of CFA that 50% of supplemental funds available be designated for the retirement of our current liabilities. In the light of possible unforeseen and emergency need beyond available resources within the Annual Conference, the CFA is authorized to adjust the pro-rata distribution by up to 10% at it's discretion and is authorized to use such funds to make supplementary appropriations according to this provision. General Church apportionments will be paid in full as collected to general agencies and will not be subject to adjusted pro-rata distributions. All supplementary appropriations made under these provisions shall be reported in the Conference Journal for purposes of information.
5. Apportionments will be delivered from the treasurer's office to the district superintendents by **July 14, 2006**.
- B. The following special offerings shall be taken in each local church and remitted to the Conference treasurer as separate items. They are not to be included in the Apportionments: United Methodist Student Day, Human Relations Day, Peace with Justice Sunday, Native American Awareness Sunday, One Great Hour of Sharing and World Communion Sunday.
- C. No Conference agency's budget shall incorporate funds to be appropriated to a non-conference agency, without specific approval of CFA. All funds granted to a non-conference agency must be spent consistent with the Social Principles of The United Methodist Church.
- D. No transfer of funds shall be made from one line item in the Conference Budget to another.
- E. All General Church Funds (World Service, Episcopal, Ministerial Education, Black Colleges, Africa University, Interdenominational Cooperation, General Administration) and College Sustaining Fund, Higher Education Endowment, Past Service Liability Fund, Jurisdictional Conference, and Methodist Building Routine and Capital Maintenance Funds will be raised and paid out in the same year. All other funds will be raised and paid out in the subsequent year on a schedule determined by the CFA.

- F. Investment Policy: The investment of the funds of the conference shall be such that funds available for mission are maximized in a manner consistent with the preservation of capital and with the Social Principles of The United Methodist Church. Investments are with the United Methodist Foundation, Inc. (local), the United Methodist Church Foundation (national), area banks, and with specific minority financial institutions within the bounds of the NC Conference. Investments of funds reserved for use in the next budget year shall be invested 50% fixed income investments and 50% equity investments. The Conference is also a member of Project Equality.
- G. Monies paid by the churches shall be reported to the statistician by the pastors at the end of the year on the Table II, Financial Report. The Table I and Table II reports for **2006** shall be due to the statistician no later than **January 31, 2007**.
- H. The Council may enact its own bylaws governing meetings, quorum, and other matters of procedure as authorized in the *Discipline*, Para. 610.5.b.
- I. The Council shall maintain a central treasury for all Conference agencies as authorized by Para. 611.11 of the *Discipline*, and the 1953 session of the Annual Conference. Annual Conference boards and agencies, including those separately incorporated, are required to maintain their funds on deposit in the central treasury unless exempted by the Annual Conference or the *Discipline*. Exemptions are granted to the Methodist Home for Children, the Methodist Retirement Homes, the Colleges, the United Methodist Foundation, Inc., Board of Missions, Inc., Asbury Homes, and North Carolina United Methodist Commission on Outdoor and Camping Ministries, Inc.
- J. All new programs or entities which would not be funded by an existing approved budget shall be referred to the CFA for review of budget needs and supplemental funds available prior to approval by Annual Conference. If the item is approved, the next year's budget shall be amended to include the necessary funds based on the CFA recommendation.
- K. Contracts executed by commissions, boards, or agencies which obligate the Annual Conference must: 1) be created for periods of no more than 12 months and should be completed by June 30 annually, 2) not involve expenditures exceeding \$50,000 in the aggregate, and 3) not include a guarantee by the conference of debt incurred by a separately incorporated entity. All contracts that exceed a 12 month period and/or \$50,000 must be authorized by the Council on Finance and Administration. Should authorization be needed between meetings of CFA, it can be given by two signatures from the Executive Director of Connectional Ministries, the President of CFA or the Conference Treasurer, and will require ratification by CFA at its next meeting. Commissions, boards, or agencies may not bind a future Annual Conference by contractual obligations. This provision will not apply to contracts involving the purchase or sale of property authorized by the Conference Board of Trustees in accordance with the Trustees' authority under the Book of Discipline.

#### IV. APPROVAL TO SOLICIT FUNDS

Any organization designated as a Conference Advance Special may ask local churches to consider opportunities for giving. It shall be at the discretion of the local church as to whether, when and how these opportunities will be presented to the membership. Solicitation or private campaign may not be taken directly into local churches of the Conference through solicitation in classes or other groups or by the use of membership lists (either partial or in entirety).

Approval is given to the requests of the following agencies and programs for the privilege of soliciting funds under these policies throughout the District or Conference.

- F. The United Methodist Foundation, Incorporated, as provided in its charter.
- G. The Disaster Response Committee upon joint decision of the committee and the Resident Bishop to respond to disasters within the bounds of the NC Annual Conference.

The CFA continues to recommend that 100% "Missional Service Giving" be the on-going priority. The Council also recommends that stewardship continue to be a missional focus, Conference priority.

#### V. DISTRICT SUPERINTENDENTS' SALARY

CFA continues to recommend, as sustained by the 1998 Annual Conference, that the percentage change in district superintendents' salary be the same as the average percentage change in salary (salary and utilities) for the prior year for all full-time pastors serving local charges in the NC Annual Conference. ***Following action and discussion of the 2006 NC Annual Conference the salary for DS for 2007 will increase by "the same dollar amount proposed for full-time local pastors." (Motion by Qunton Covington); the amount of the increase will be \$1,597.00 to equal \$96,043 for 2007. (See Minutes of the 2006 AC, Saturday, June 17, 2006.)***

A request for such overexpenditure shall be submitted in writing in advance and shall state the reason for the request. The overexpenditure will be reported to CFA and will be listed in the Conference Journal.

Any Conference or non-conference agency which receives Conference funds in excess of \$1,000 shall submit, with any budget request, an annual detailed audited budget report of all receipts, disbursements and assets. A statement in effect that "All funds granted have been spent consistent with the social principles of The United Methodist Church" will be furnished to CFA upon

submission of the audit. Such reports received may be reported in whole or in summary form in the Conference *Journal* and shall remain on file in the treasurer's office. An agency may be exempted (for just cause) from this reporting requirement by CFA. Note: CFA requests the Board of Institutions to provide regular reports (at least annually) regarding its financial monitoring of related institutions/programs.

- F. A carry-over of budgeted funds remaining (not including any supplemental appropriations) of up to 10% of the amount raised for the subsequent year will be allowed for Conference budget line items. - Emergency needs and programs in the life of the boards and agencies of the Annual Conference. The petitioning group shall make such requests in writing to the treasurer's office at least 15 working days before a scheduled CFA meeting.

*Third Priority*

Supplemental appropriations from current year earnings shall follow the guidelines in paragraph H above. Supplemental appropriations beyond current year earnings shall follow the following guidelines: 1. If reserves are less than or equal to 20% of the current operating budget, then only supplements to meet payroll for existing positions may be considered. 2. If reserves are above 20% and below 30% of operating budget, then only supplements to meet payroll for existing positions and unfunded liabilities may be considered. 3. If reserves are equal to or greater than 30% of operating budget, then other requests may be considered. 4. No request may be considered if the amount requested would reduce reserves below 15% of operating budget.
- M. Mailing address labels will be available for a nominal fee to conference agencies, clergy and lay members of Annual Conference or other United Methodists for church related uses.

## **INCAPACITY, JOINT COMMITTEE ON**

The Joint Committee on Incapacity acts as the advocate for those pastors in the North Carolina Conference who are forced by physical or emotional incapacity to seek temporary or permanent relief from their appointment. The committee is given the responsibility to study the problems of incapacity within the Conference, to provide a continuing personal ministry to those who are incapacitated, and to make recommendations to the appropriate agencies of the Conference for each pastor or deacon seeking Incapacity Leave, including the source of their disability income. Persons interested in discovering more about the process of being granted Incapacity Leave can contact a district superintendent or the chair of the Joint Committee on Incapacity.

The following recommendations are presented to the 2006 session of the North Carolina Annual Conference:

### **I. General Policies**

- A. The Joint Committee on Incapacity, through the Conference Treasurer's Office, will make available upon request the necessary forms for any full time pastor or deacon to make application for Incapacity Leave. In all cases the applications must be completed by the pastor or deacon, the physician, chair of the Joint Committee on Incapacity, Conference benefits officer, and the district superintendent before the request for Incapacity Leave can be acted upon. Whenever possible incapacity requests are to be submitted ninety (90) days prior to Annual Conference except in life-threatening situations after that date, or when the disabling condition occurs after that date. Requests presented before May 15 will be included in the Committee's report to the Annual Conference.
- B. Definition of Incapacity: For the first 24 months, an active participant will be considered incapacitated for the purposes of the Comprehensive Protection Plan or the Basic Protection Plan as of the date the Administrator determines, on the basis of medical evidence, that such active participant was unable to perform the usual and customary duties of his/her employment by reason of bodily injury, disease, or mental or emotional disease or disorder that will presumably last for at least six continuous months, exclusive of any incapacity resulting from service in the armed forces of any country, warfare, intentionally self-inflicted injury, or participation in any criminal or unlawful act.
- C. Definition of Clergy: Clergy in The United Methodist Church are individuals who serve as commissioned ministers, deacons, elders, and local pastors under appointment of a bishop (full- and part-time), who hold membership in an annual conference, and who are commissioned, ordained, or licensed.
- D. A pastor or deacon seeking to be on Incapacity Leave secures a disability claim kit from the Office of Ministerial Relations. The applicant completes Form A, has his or her physician complete Form B, completes the applicant's portion of Form C, and submits all these forms to the Office of Ministerial Relations for completion. Disability Management Alternatives reviews the claim and recommends a determination to the General Board of Pension and Health Benefits who retains the authority to approve or deny a claim.
- E. We recommend that pastors applying for Incapacity Leave be approved only when the General Board of Pension and Health Benefits grants their request for incapacity benefits through the Comprehensive Protection Plan.
- F. Through December 31, 2006, the Comprehensive Protection Plan will fund pension contributions for the Ministerial Pension Plan and Comprehensive Protection Plan for all pastors receiving incapacity benefits from the Comprehensive Protection Plan.
- G. The Annual Conference and Conference Board of Pensions (effective

January 1, 2007), will fund pension contributions for the Clergy Retirement Security Program-Defined Benefit Plan in the required annual payment for normal cost as defined by the plan document and the General Board of Pension and Health Benefits for all pastors receiving incapacity benefits from the Comprehensive Protection Plan.

- H. The Comprehensive Protection Plan (effective January 1, 2007), will fund contributions for the Comprehensive Protection Plan and the Clergy Retirement Security Program-Defined Contribution Plan which is 3% of plan compensation as defined by the plan document and the General Board of Pension and Health Benefits for all pastors receiving incapacity benefits from the Comprehensive Protection Plan.
- I. Hospital Insurance, and Life Insurance shall be paid by the Joint Committee on Incapacity both for those approved by the General Board of Pension and Health Benefits and those approved by the Joint Committee on Incapacity who are pastors receiving incapacity benefits from the Comprehensive Protection Plan according to Section II, below.
- J. Pastors on Incapacity Leave are reminded to investigate the penalties by the Social Security Administration if they do not elect to come under Medicare at age 65. Participation in Medicare Part A and B is required at the earliest possible date in order to receive full health insurance benefits.
- K. We recommend that a lump sum grant of \$3,500 be made at the beginning of Incapacity Leave. This grant will be available only one time in a pastor's years of service.
- L. The Joint Committee on Incapacity will review the progress of each pastor or deacon on Incapacity Leave at least annually. This review will include both recommendations from the pastor's physician and district superintendent as well as opportunities for continuing fellowship with the pastor to develop further possibilities of assistance in his/her disabled circumstances.

  - 1. The life insurance premiums are paid by the Joint Committee on Incapacity.
  - 2. Current participants on Incapacity Leave who are enrolled in the life insurance are covered as follows: \$25,000 life coverage, \$10,000 on eligible dependents.
- D. Health Insurance —
  - 1. The health insurance premiums are paid in full by the Joint Committee on Incapacity until the participant is Medicare eligible due to age and eligible to retire. Upon reaching Medicare eligibility due to age and eligibility to retire, clergy receiving CPP benefits will receive the same contribution towards the health insurance premium as if they were retired.
  - 2. If the participant is enrolled in Medicare (part A and/or B) due to Incapacity, the Conference health insurance will coordinate benefits with Medicare as primary, the Conference plan as secondary. Family members (with no other coverage) will be covered as primary by the Conference health insurance plan. Participation in Medicare Part B is required at the earliest possible date in order to receive full health insurance benefits. Participants, who choose not to participate in Medicare Part B at that date,

will receive the same contribution towards the health insurance premium as if they were retired. The Conference health insurance will coordinate with Medicare as primary, the Conference plan as secondary whenever possible.

### III. Health Insurance Benefits

#### A Group Health

1. The Insurance Committee will mail the proposed benefits to the members immediately before each Annual Conference session. The committee considers the most current financial information that is available before adopting its recommendations.
2. Insurance companies who make inquiries, for the purpose of submitting proposals, will be notified of a \$200 processing fee. This fee will help cover the costs of preparation and processing of the information necessary for proposals.

3. A Health Fair will be sponsored by the Insurance Committee on a biannual basis. The Insurance Committee encourages everyone to take advantage of this service in 2006.
  4. The Insurance Committee will donate \$1,000 for handicap camperships on an annual basis.
- B. Policy and Rules
1. Effective January 1, 2004, the North Carolina Conference offered a Preferred Provider health insurance plan administered by Blue Cross Blue Shield of North Carolina. Benefits will include health, dental, pharmacy, mental health, Medical Reimbursement Accounts, Dependent Day Care Accounts, and life insurance. Details may be obtained by contacting the Benefits Manager in the Treasurer's Office, 800-849-4433.
  2. Open enrollment for insurance and annual election of benefits (Medical Reimbursement and Dependent Care Accounts) ends on November 30, for an effective date of the following January 1. Medical Reimbursement Accounts and Dependent Day Care Accounts must be re-established on an annual basis. If you do not claim these funds prior to March 31 (for the preceding year), these funds are forfeited. Participation in the Medical Reimbursement and Dependent Care accounts is contingent upon participation in the health insurance plan.
  3. A change of life circumstances (divorce, death, loss of spousal coverage) will allow a mid-year change. When there is a change in family status, or a change of address, it is the insured's responsibility to notify the Treasurer's Office within 30 days. The toll free number to the Methodist Building in Raleigh is 1-800-849-4433 where staff persons continue to provide personal attention to insurance matters.
  4. Effective January 1, 2004, health insurance for the subscriber may continue for 18 months after employment is terminated provided that full payment of the monthly premiums is made in advance. The continuation of life insurance beyond the termination of employment is not permitted by the life insurance carrier.
  5. Adding new family members must be completed within 30 days of the qualifying event.
  6. Participants applying at any time other than the initial enrollment period (30 days from the date first eligible) would be subject to the one year pre-existing conditions clause. Submission of a valid Certificate of Insurance may eliminate or decrease this 12 month clause. The exception to this rule would be possible by a change in life status causing loss of coverage: divorce, death of spouse, loss of spouse's employment, reduction of hours regarding spouse's coverage.
  7. Effective January 1, 2004, the Conference health insurance plan will be the primary carrier for active participants who continue to work past the Medicare eligibility age, and are enrolled in the Conference health plan.
  8. Retired participants should sign up for Medicare parts A and B upon reaching the Medicare eligibility age. The Medicare Companion Plan is the only plan offered to retirees past this age. Medicare becomes the primary payer, with the Conference plan as secondary.
  9. A participant must be covered in the Conference insurance for five consecutive and uninterrupted years immediately prior to retirement to retain health benefits after retirement. All participants enrolled on January 1, 2001 will be prorated under this rule.
  10. Pre-Certification of all in-patient admissions is required. Effective January 1, 2004, call Blue Cross Blue Shield of NC at 800-214-4844. Mental

Health benefits should be pre-certified through Magellan Behavioral Health at 800-359-2422.

11. Denial of claims or incorrect processing of claims should be appealed through Blue Cross Blue Shield of NC. There are two levels of appeal.
12. Payment for the church's portion of the insurance programs must be made by the church/charge treasurer. Personal checks cannot be accepted due to IRS regulations governing Section 125 cafeteria plans. The personal portion of insurance premiums should be withheld from the participant's salary by the salary-paying unit on a pre-tax basis.
13. Premiums for health and life insurance may be paid in ADVANCE on a monthly, quarterly, semi-annual, or annual basis.
14. Lay persons or clergy on maternity/family medical leave may continue their insurance coverage, as long as the premiums are paid.
15. The Insurance Committee may terminate the coverage for non-payment of premiums. Insurance payments which are 60 days late (from the date of the bill) will result in termination of benefits. Termination will take place on the last day of the month in which the 60th day has occurred. Benefits may be reinstated without lapse in coverage if full payment is made within 30 days of the termination date. Thereafter, insurance coverage may be reinstated upon full payment and coverage will be effective the first day of the following month. The one-year waiting period for pre-existing conditions will apply to all reinstatements where a lapse in coverage occurs.
16. In case of termination of coverage, the church is responsible for the premium until the Treasurer's Office is notified in writing of such termination.

#### IV. Statement of Intent

The NC Annual Conference established a Group Health and Life Insurance Plan with the intent of providing coverage for the active and retired clergy. However, the Annual Conference reserves the right to terminate the health and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plan without the consent of individual participants.

#### V. Eligibility Policies for Non-Retired Participants

Clergy couples without additional dependents may enroll as single individuals for health insurance benefits.**
    - b. **Clergy couples will be enrolled in the life insurance program separately. This affords the clergy couple the maximum life insurance benefits available. Clergy couples are not permitted to cover each other under the provisions of the life insurance. Eligible dependents may only be covered by one member of the clergy couple.**
- D. Incapacity Leave Appointments
  - 1. Clergy placed on Incapacity Leave can remain covered under the Conference insurance plans, provided they were enrolled and covered in the Conference plan immediately preceding the approval date of Incapacity Leave.
- E. Clergy eligible for life and health insurance through the North Carolina Conference benefits under option A.1.a (above) are entitled to these benefits.
- F. Lay Employees:
  - 1. An insurance administrator must be appointed at each church/charge to manage insurance policies dealing with lay staff. It is the responsibility of each local church/charge and its officers to be apprised of the parameters of the Conference insurance plan.
  - 2. Each local church must have at least 75% participation of the eligible lay employees to participate in the Conference plan.

  - a. This period being within 30 days of date first eligible, or be added as a late applicant during Open Enrollment.

- 6. All churches providing post-retirement benefits to lay employees will be billed in full for all premiums associated with retirement insurance benefits. The Annual Conference is not responsible for the premiums of local church retired lay staff.

G. Continuation of Benefits

- 1. The participant may be eligible to continue health insurance for up to 18 months following the loss of employment or appointment.
- 2. Written requests for continuation should be submitted to the Conference Benefits Manager within 30 days of the termination of employment or loss of appointment.
- 3. The life insurance cannot be continued.
- 4. Flexible Spending Accounts are not available to terminated participants, as they are no longer receiving salary from which to with-hold these funds. Funds already contributed may be claimed by the participant.

H. Open Enrollment

- 1. Open Enrollment is held each year from November 1 through November 30.
- 2. During Open Enrollment, an active employee or appointee may enroll in the Conference insurance plan.
- 3. Flexible Spending Accounts must be established for the upcoming year during Open Enrollment. If the participant does not establish a new account during each Open Enrollment, they cannot participate in the Flexible Spending Accounts for the upcoming year.

I. The Insurance Committee continues to explore eligibility options for future benefit plans and questions of church participation.

J. Participants enrolled in the Conference health and life insurance plans prior to January 1, 2008 may continue to be enrolled in the Conference benefits as long as they are Episcopally appointed, employed as lay staff, meet the qualifications of Continuation as defined in Section G above, and meet the required eligibility rules and regulations in place prior to January 1, 2008.

B. Personal Payment based on enrollment:

All enrolled participants will be responsible for the respective rate for their selected enrollment options as required to fund plan benefits as approved by Annual Conference. The salary-paying unit should with-hold this personal

payment from the salary on a pre-tax basis, according to the specifications of the Conference Plan Document.

C. Clergy Couples:

Clergy couple appointments (as defined in Section V.C above) to a church/charge/institution/agency will be billed the required church/charge/institution/agency payment as two participants. The personal payment will be based on the individual's applicable enrollment in the benefit plan.

- VII. Historically, the Insurance Committee has developed rates based on maximum actuarially projected claims. The Insurance Committee may use funds in excess of the plan's operational needs to fund post retirement benefits.
- VIII. The Insurance Committee strives diligently to present the best possible health and life insurance coverage available to the North Carolina Annual Conference. Careful consideration is given to benefits and rates that are proposed each year.

## **Report B Recommendations for the Pension Program**

### **I. Funding Plan for Supplement One of the Ministerial Pension Plan**

- A. **Defined Plan Benefits:** Supplement One of the Ministerial Pension Plan (Pre-82 Plan) provides defined benefit pension benefits to participating retired clergy for all service rendered to the North Carolina Conference through December 31, 1981. This plan will continue until all pastors with past service benefits and their surviving spouses are deceased and is administered by the General Board of Pension and Health Benefits (GBOPHB).
- B. **Current Past Service Rate:** For many years, the Book of Discipline has defined Pre-82 Plan defined benefits as a fixed payment per year of past service. This fixed payment is the Past Service Rate (PSR). The benefit goal is stated to be a PSR of 1% of the Conference Average Compensation (CAC). Participation in the Ministerial Pension Plan (MPP) requires that an Annual Conference maintain its PSR to at least 0.9% of the CAC to continue to participate fully in the MPP. The 2006 CAC for the North Carolina Conference is \$57,876. The 2006 PSR is \$536 or 0.93% of the CAC. Our Conference Board would like to maintain a PSR of at least 0.9% of CAC. North Carolina CAC has increased by approximately 4.7% over the past 10 years; however, we expect future increases to be slightly above this amount. Therefore, we estimate future PSR increases to average approximately 5.0% each year.
- C. **Funded Status:** The Conference is required to fund all future benefits of the Pre-82 Plan by December 31, 2021. Funded Status (previously called unfunded liability) is the difference of the current assets held by the GBOPHB for future benefits of North Carolina participants and the total present value of all future benefits to be paid under the plan at the approved PSR. The GBOPHB values assets and liabilities of the plan every two years and projects data to current years based on the increase in PSR and investment earnings. For the 2006 Funding Plan, GBOPHB and the Conference use an assumed earnings rate of 7.0%.

The General Board of Pension and Health Benefits has determined that the portion of the pre-82 plan liability attributable to North Carolina Annual Conference is \$53,071,727 with a 5.0% PSR increase assumption based on a 2006 PSR of \$536. Plan funds currently held with the General Board of Pension and Health Benefits have a value of \$16,576,419 as of January 1, 2004 (for 2006 funding plan).

The difference between the total plan liability and current plan funding is \$36,495,308. This represents the unfunded plan liability and will be provided through apportionments and non-plan funds that are held in various investment sources. The Conference intends for contributions to be made within the 16-year period, ending December 31, 2021. The minimum annual contribution due December 31, 2006 is currently estimated to be \$2,543,422.

- D. **Funding Plan for 2006:** Our conference pays for plan benefits through several potential funding sources. Both the interest and principal of non-plan funds may be available for retirement funding needs. Below is a description of the non-plan assets available to pay the present value of future contributions: Our Conference expects to utilize annual apportionments from the local churches as the primary source for pre-82 pension funding. Our Conference expects to receive annual apportionments in an amount of \$3,200,000 for 2006, \$3,300,000 for 2007, increasing \$200,000 each year through 2013.

Apportionments of \$4,600,000 are expected for the year 2014. Contributions of 3,500,000 are expected for 2015 and 3,000,000 for 2016. The present value of the expected apportionments is \$28,068,866. This apportionment funding was originally approved by the 1991 Annual Conference.

The Conference maintains a General Deposit Account with the General Board of Pension and Health Benefits that has a value of \$7,772,505 as of January 1, 2006. Both the interest and principal from this account are available to meet future contribution requirements.

The Conference maintains and manages various liquid asset accounts that are available for Supplement One funding. The current value of these accounts are \$1,656,991 as of January 1, 2006. Both the interest and principal from these sources are available to meet future contribution requirements.

The Superannuate Endowment fund has a value of \$300,761 as of January 1, 2006, All of it is available except for the original balance of \$87,195.39 from which interest only is available.

The 2006 funding plan as of January 1, 2004 is summarized below:

**Supplement One Liability:**

|  |                |
|--|----------------|
| Assuming A PSR Increase of 5.0%                | \$(53,071,727) |
| Current Plan Funding as of 1/1/04              | 16,576,419     |
| Unfunded Plan Liability as of 1/1/04           | \$(36,495,308) |
| Projected Unfunded Plan Liability as of 1/1/06 | \$(35,153,217) |

**Additional Plan Assets:**

|  |              |
|--|--------------|
| Present Value of Future Apportionments.....          | \$28,068,866 |
| General Deposit Account (GBOPHB).....                | 7,772,505    |
| Conference Managed Liquid Asset Accounts .....       | 1,656,991    |
| Conference Superannuate Endowment Fund (GBOPHB)..... | 213,566      |
| Total Additional Plan Assets.....                    | \$37,711,928 |

- E. Proposed Past Service Rate:** The 2007 CAC for the North Carolina Conference is \$60,692. We propose that the past service rate beginning January 1, 2007 be increased to \$552.00 per service year, or .909% of the CAC. Assuming 5% future PSR increases and 7.0% investment earnings, this increase creates an unfunded liability of \$31,788,586. This unfunded liability reflects net actuarial gains over the January 1, 2005 valuation. The minimum annual contribution due December 31, 2007 is currently estimated to be \$2,538,229.

- II. Ministerial Pension Plan (MPP) (effective through December 31, 2006)**  
Guidelines for the Ministerial Pension Plan and the Comprehensive Protection Plan are contained in the plan document. A copy of the summary plan document is available on request by contacting pension services in the treasurer's office.
- A. Service on and after January 1, 1982 will be funded on a defined contribution basis. This plan is basically deferred salary, and creates no unfunded liability because it builds an account of funds for a specific minister as his/her salary is paid.
  - B. Funding is based on a percentage of Plan Compensation. Plan Compensation is calculated by the GBOPHB according to the plan document:
    1. Vouchered travel and utilities paid directly to utility companies are not used in Plan Compensation calculations since this is considered by

the General Board of Pension and Health Benefits to be local church expense.

2. Clergy couples housing (Effective January 1, 1988):
  - a. When only one of the spouses is furnished a parsonage, the one furnished the parsonage includes the housing allowance.
  - b. When one spouse is furnished the parsonage and the other a cash allowance, the one furnished the parsonage will use the 25% housing allowance and the other will report the actual cash housing paid.
  - c. When two parsonages are furnished each spouse claims a housing allowance.
  - d. When neither is furnished a parsonage, the actual cash housing allowance may be counted by the person/or persons receiving the allowance.
3. In accordance with the Plan Document, the housing allowance for those furnished housing is 25% times the cash salary.
4. Those furnished a cash housing allowance will report the actual amount in accordance with the Plan Document. (Effective January 1, 1988)
- C. The Ministerial Pension Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office. (Effective November 1, 2004)
- D. These contributions are placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.
- E. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.
- F. We recommend 12% as the level of participation in the Ministerial Pension Plan for the North Carolina Conference participants.

### III. Comprehensive Protection Plan (CPP) (effective through December 31, 2006)

- A. This part of the program contains provisions for a death benefit, disability income, and funding for the peerage portion of the Ministerial Pension Plan. In addition to the provisions of a death benefit for the pastor, there is a death benefit on the life of the spouse and dependent children under age 18 or who are dependent because of disability. The Comprehensive Protection Plan also includes educational benefits for the children of a deceased minister. This part of the plan is only available to those ministers covered under the CPP, whose charges are paying at least minimum full-time salary.
  1. Death Benefits provide \$50,000.00 as the benefit paid on the death of an eligible active participant. Upon retirement at any age, death benefits drop to \$15,718.20 for the year 2006. This is 30% of the DAC.
  2. Effective January 1, 2002, the disability benefit equals 70% of plan compensation, with plan compensation capped at 200% of the DAC. (The DAC for 2006 is \$52,394.00 and for 2007 is \$54,081.00) The disability benefit is reduced by any disability benefits payable under the Social Security Act. This revised benefit applies only to eligible clergy whose disability effective date, as determined by the General Board of Pension and Health Benefits, is on or after January 1, 2002.
  3. The peerage program provides for a contribution from the Comprehensive Protection Plan to the minister's Church Account of a sufficient amount to provide the minister with a total contribution for the year based on the Denominational Average Compensation at 12% of Plan Compensation based on the Denominational Average Compensation for those eligible.

4. The Comprehensive Protection Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office. (Effective November 1, 2004)
  5. Pastors who have been approved for a leave of absence for military service and who were enrolled in the CPP prior to the date of their leave will continue to be enrolled in the CPP under optional Conference enrollment.
- B. Effective January 1, 2002, the cost of the Comprehensive Protection Plan (CPP) is a total of 4.4% of the actual Plan Compensation up to 4.4% of 200% of the Denominational Average Compensation (DAC). The pastor shall be required to pay 1% of Plan Compensation (up to 1% of 200% of DAC) **on an after tax basis** and the church or charge shall pay 3.4% of the Plan Compensation (up to 3.4% of 200% of DAC). ¶1506.19 in *The Book of Discipline 2004*.
- IV. Clergy Retirement Security Program (CRSP) (Effective January 1, 2007)  
Guidelines for the Clergy Retirement Security Program and the Comprehensive Protection Plan are contained in the **plan document**. A copy of the summary plan document is available on request by contacting pension services in the treasurer's office. Service on and after January 1, 2007 will be funded on a combined defined contribution/defined benefit basis.
- A. Defined Benefit**
1. The Defined Benefit will be 1.25% of the Denominational Average Compensation (DAC) according to the plan document.
  2. The Defined Benefit portion will be funded based on a percentage of Plan Compensation calculated on a yearly basis using up to the normal cost rate provided by the General Board of Pension and Health Benefits multiplied by the annual interest rate. The current assumed interest rate is 7.0%. Therefore, the funding percentage rate for 2007 is 10.4% of Plan Compensation.
- B. Defined Contribution**
1. Benefits will be provided based on the participants account balance at their actual retirement date.
  2. The Defined Contribution portion funding is based on three percent (3%) of Plan Compensation.
- C. Plan Compensation is calculated by the GBOPHB according to the **plan document**:
1. Vouchered travel and utilities paid directly to utility companies are not used in Plan Compensation calculations since this is considered by the General Board of Pension and Health Benefits to be local church expense.
  2. Clergy couples housing:
    - a. When only one of the spouses is furnished a parsonage, the one furnished the parsonage includes the housing allowance.
    - b. When one spouse is furnished the parsonage and the other a cash allowance, the one furnished the parsonage will use the 25% housing allowance and the other will report the actual cash housing paid.
    - c. When two parsonages are furnished each spouse claims a housing allowance.
    - d. When neither is furnished a parsonage, the actual cash housing allowance may be counted by the person/or persons receiving the allowance.

3. In accordance with the **plan document**, the housing allowance for those furnished housing is 25% times the cash salary.
4. Those furnished a cash housing allowance will report the actual amount in accordance with the **plan document**.
- D. The Clergy Retirement Security Program contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office.
- E. The Defined Contribution portions are placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.
- F. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.
- V. Comprehensive Protection Plan (CPP) (effective January 1, 2007)
  - A. This part of the program contains provisions for a death benefit and disability income. In addition to the provisions of a death benefit for the pastor, there is a death benefit on the life of the spouse and dependent children under age 18 or who are dependent because of disability. The Comprehensive Protection Plan also includes educational benefits for the children of a deceased minister. This part of the plan is only available to those ministers covered under the CPP, whose charges are paying at least minimum full-time salary.

  - B. Effective January 1, 2007, the cost of the Comprehensive Protection Plan (CPP) will be funded by billing up to the calculated percentage to fund the CPP each year using the rate required by the General Board of Pension. For 2007 the cost is a total of 3% of the actual Plan Compensation up to 200% of the Denominational Average Compensation (DAC). The pastor shall be required to pay 1% of Plan Compensation (up to 1% of 200% of DAC) **on an after tax basis** and the church or charge shall pay 2% of the Plan Compensation (up to 2% of 200% of DAC). ¶1506.19 in *The Book of Discipline* 2004.

3. \*\*The minimum monthly premium billed to the individual will be no less than the active monthly personal portion of the premium for the applicable coverage type.

4. All retired clergy, spouses and surviving dependents must enroll in Medicare part A and part B when first eligible.
- F. **Retirement after January 1, 2007**  
Effective January 1, 2007 the Conference Board of Pensions will fund only the % above as applied to the Medicare Companion plan rate. Retirees and/or dependents not yet Medicare eligible age will be responsible for the difference between the funded amount as calculated based on the above table(s) and the remaining cost of full coverage.
- G. [Paragraphs noted are from The Book of Discipline, 2004]  
Effective August 1, 1992, Pastors who discontinued ¶313.1, or Probationary Members, ¶327.6, as well as Conference Members who are retired involuntarily, ¶359.3, who are granted Honorable Location, ¶360; who withdraw to unite with another denomination, ¶361.1; who surrender the ordained ministerial office ¶361.2; who withdraw under complaints or charges, ¶361.3; and Conference Members who are placed on Administrative Location, ¶362.4 are ineligible to receive retirement health or life insurance benefits when payments from the General Board of Pension and Health Benefits begin.
- H. **Life Insurance**  
A clergy person must have been covered under the conference active life insurance plan in order to retain life insurance benefits after retirement. The Board of Pensions does not provide life insurance for dependents of retired clergy.
- I. **Clergy Couples Insurance**
  1. When one member of a clergy couple retires, medical and life insurance will be paid for the retiree according to the schedules and rules previously listed.
  2. Health insurance will be provided for the spouse and eligible dependents of the retired clergy partner according to the rules and schedules previously listed.
- J. **Surviving Spouses**  
Surviving spouses of active participants must be enrolled in the health insurance plan at the time of the participant's death in order to receive health insurance benefits under the current health insurance plan. Premiums will be determined by the retirement rules in place on the date of death.
  1. When surviving spouses are employed and provided health insurance by their employer, the plan of the Board of Pension will be the secondary carrier.
  2. If the surviving spouse remarries, the conference health insurance will terminate. Future benefits under the conference health insurance plan are waived.
  3. Surviving spouses of retired clergy must be enrolled in the health insurance plan at the time of the retired clergy's death in order to receive health insurance benefits under the current health insurance plan.
    - a. Surviving spouses currently enrolled who married the clergy person after the clergy person's retirement, can remain covered by the health insurance plan. The Board of Pensions grants a flat rate of \$150.00 monthly towards the cost of the surviving spouse's coverage. The remaining premium will be the responsibility of the surviving spouse.
    - b. Surviving spouses of retired clergy who married the clergy person prior to the clergy person's retirement are subject to the payment schedule applicable prior to the death of the clergy person.

- c. Effective January 1, 2001 retired clergy persons may not add new dependents to the health insurance plan.

VIII. Intent

The North Carolina Annual Conference established health, dental, and life insurance plans with the intent of providing coverage for the active and retired pastors. However, the Annual Conference reserves the right to terminate the health, dental, and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plans without the consent of the individual participants.

IX. Dental Insurance

The Board of Pensions recommends that retired ministers covered under the health insurance plan have dental insurance. Dental benefits became available on July 1, 1987.

- X. Maximum Lifetime Benefit Under the Medicare Companion Plan. The lifetime maximum under the current Medicare Companion Plan is \$2,000,000 for each participant.

XI. Special Provisions

The North Carolina Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pension and Health Benefits for active participation in the MPP and/or CPP by persons who are eligible under special rules but not automatically included as active participants. (MPP Section 3.2 and CPP Section 3.2.)

XII. Conclusion

Our constant aim is to provide our retired families with their needs for an adequate income to purchase essentials for living as well as to insure adequate care in case of illness. To these ends our recommendations are directed, and their satisfaction is found in the acceptance of the North Carolina Conference and its membership.

**Report C Housing Exclusion Allowance (For Income Tax Purposes Only)  
Resolutions Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons of the North Carolina Conference**

The North Carolina Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church ("Clergypersons");

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

1. THAT an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist*

Church (the “*Discipline*”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), **any amounts received from the Minister’s Transition Fund (MTF) and including amounts received in this respect from the Duke Endowment**, during the year **2006 and 2007** by each active, retired, or disabled Clergy person who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergy person; and

2. THAT the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergy person rendered to this Conference or that an active, a retired, or a disabled Clergy person of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergy person to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled Clergy person’s pension or disability as part of his or her gross compensation.

**NOTE:** The rental/housing allowance that may be excluded from a Clergy person’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations thereunder to the least of: (1) the amount of the rental/housing allowance designated by the Clergy person’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy person to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. As specified in Rev. Rul. 71 280, 1971 C.B.92, “the only amount that will qualify for exclusion under section 107(2) of the Code as ‘rental allowance’ is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities.” Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

**Please Note:** There is no place on your 1040 Tax Form to list this Housing Exclusion. The General Board of Pension and Health Benefits has provided a sample statement to be used: “I received \$\_\_\_\_\_ from the General Board of Pension and Health Benefits, Incorporated in Missouri; and/or from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline and \$\_\_\_\_\_ from the Duke Endowment (total \$\_\_\_\_\_) as reported on the attached 1099 - R’s. I did not include that amount on Line 16b because \$\_\_\_\_\_ \* has been excluded under provisions of IRC Section 107 of the Internal Revenue Code as a rental allowance exclusion. As a retired clergy person, I am entitled to take this rental allowance exclusion.” (In this blank put the least of the 3 amounts on your Housing Exclusion Worksheet.)

Attach this note to your 1099-R forms.

**Report D Ministers’ Transition Fund**

**I. The Principles of the Fund** - The Ministers' Transition Fund of the North Carolina Conference of The United Methodist Church (the "Fund") was established effective November 20, 1937, to assist the minister to more easily make the transition from the active relationship in which a furnished parsonage has usually been provided, to the retired relationship in which the minister provides his or her housing. The Fund is established by apportionments to each local church in the Outreach Ministries-Fair Share Apportionments and by assessments to each minister who has membership in the Fund. Since all churches contribute to this Fund, it is the desire of the North Carolina Annual Conference of The United Methodist Church that all ministers participate in the Fund. The Conference does not interpret the churches' support of the Ministers' Transition Fund as an additional benefit for their ministers, but as a benefit for all ministers of the Conference. Therefore, the only funds to which a minister can make personal claim are those that he or she contributed to the Fund.

The Conference vigorously emphasizes that the purpose of this Fund is to assist the minister's retirement transition and not to be an emergency fund available for any other purpose. All participant elections available shall be irrevocable. The Fund is intended to be a church plan within the meaning of section 414(e) of the Internal Revenue Code of 1986, as amended (the "Code") which has not made the election under section 410(d) of the Code and is also intended to meet the requirements of a retirement income account under section 403(b)(9) of the Code. The Plan shall be interpreted, wherever possible, to comply with the applicable terms of the Code and all applicable formal regulations and rulings issued under the Code.

**II. The Conference Treasurer** - The Treasurer of the North Carolina Conference (the "Conference Treasurer") shall serve as Treasurer and custodian of this Fund. He or she shall promote this work, receive funds from pastors and charges, and keep permanent records of assessments received and benefits paid.

**III. Eligibility for Membership** - Membership in this Fund is not mandatory. Each ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) who is serving full time in a charge or as a district superintendent, a Conference ministerial staff person, or others who are appointed to serve at a North Carolina Annual Conference Institution (Methodist Retirement Home, Inc.; Methodist Home for Children, Inc.; Louisburg College; Methodist College; North Carolina Wesleyan College) or other Episcopal appointment of the North Carolina Annual Conference shall be eligible to join.

In order to remain an active, participating member, the ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) must continue to serve full time in a charge or other appointment. A full-time local pastor may continue as a member of the Fund only during the time he or she is serving under episcopal appointment. Students under episcopal appointment who have previously served full time and who intend to return to full time service are eligible to continue. Those ministerial members on disability leave, leave of absence, or Conference members with less than full time service, may continue to be active, participating members by meeting the provisions discussed hereafter.

Ministerial members who transfer into the Conference or new ministers receiving appointments for the first time are eligible to join the Fund in January of the year following the Annual Conference session in which their credentials were recognized. Ministers in these categories applying for membership will be assessed on the basis of their total salary and utility allowances for the six months between July 1 and December 31 computed to a twelve-month amount.

Each new member of the Fund shall file an application form. Upon filing of application for membership and paying the recommended assessment for one year, his or her membership becomes effective. The deadline for enrollment for all ministers is January 31 of each year.

**IV. Apportionments and Assessments**

**A. Conference Contributions** -- Funds shall be placed in the Conference budget annually equal to an amount of one percent (1%) of the total salaries and utilities paid to all participating pastors and associates of the Conference based upon the Conference Journal figures for the year preceding the year in which the budget request is made to the Annual Conference. This budgeted amount will be apportioned to charges on the same basis as all other Conference budget items, and this amount shall become part of the Fund.

**B. Minister Contributions** - Each minister in a pastoral appointment who participates in the Fund shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of all salary and utility allowances he or she receives each year from the charge he or she is serving and/or Conference sources. (Salary also includes Equitable Salary Fund payments, Duke Endowment Funds, and missionary sources.) Such contributions may be paid in monthly installments by check or electronic bank drafts.

**C. Council on Finance and Administration Contributions** - The Council on Finance and Administration shall make provision for payment into the Fund an amount equal to one percent (1%) of salary and utility allowances usually paid by the charge for district superintendents and ministers appointed as Conference staff.

**D. District Superintendent and Conference Ministerial Staff Contributions** - District superintendents and Conference ministerial staff shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of their salary and utility allowances.

**E. All Other Ministers** - All other ministers who participate in the Fund shall be assessed and pay into the Fund on an after-tax basis a sum equivalent to two percent (2%) of their annual salary and utility allowances or two percent (2%) of the Conference Average Salary, whichever is greater.

**V. Deadline For Receipt of Assessment** - The plan (fiscal) year of the Ministers' Transition Fund shall be the same as that of the Annual Conference fiscal year, January 1 through December 31. No later than November 1 of each year, the Conference Treasurer shall notify all members their assessment is due. Each member of the Fund shall submit payment for the required assessment no later than January 31 of each year. Such contributions may be paid in monthly installments by check or electronic bank drafts. Assessments received after January 31 will be returned to the minister. If he or she has been a member less than ten (10) years, this lack of payment extends the period for one additional year before dividends can be received. If the minister has been a member over ten (10) years, he or she will receive no dividends for the year involving lack of payment. If any member of the Fund fails to pay his or her required assessment for three consecutive years, he or she shall be required to withdraw from membership in the Fund.

**VI. Base Benefits** - Base benefits shall be paid to retired members of the Transition Fund as follows:

**VII. Allocation of Dividends After Ten Years of Membership** -After ten years of membership, and beginning with the eleventh year, the base benefit to be paid is increased by dividends credited to the members account.

Any funds, **except as provided below**, including apportionments, assessments, forfeitures and earnings thereon, remaining after benefits have been paid to eligible members for the plan year shall be divided into equal parts, in the case of members who remained members through the year, and portions of such equal parts in the case of members who have retired during the year and who are entitled to a part-year allocation, as described below, and credited to the accounts of those who have been participating members for more than ten years and are not in arrears for the previous year.

A reserve equal to ten percent of the members' payments and dividend fund balances as of December 31 each year shall be maintained. Unrealized gains on investments shall be reserved and are not generally eligible to be distributed as annual dividends. The Hearing Committee may supplement the annual dividend from such reserves to maintain the declared dividend in an amount consistent with previous year levels when such action is deemed appropriate considering current investment returns and current economic conditions. The purpose of maintaining these reserves is to insulate the members in any year from market fluctuations and preserve the ability of the fund to consistently provide for housing needs in their retirement.

In the event a member retires during a year after completing ten years of membership, such member **may elect to** submit payment to the Fund of that portion of their assessment for the year equal to the product of (1) the assessment the member would have paid had the member not retired, and (2) a fraction, the numerator of which is the number of whole months in the year prior to the date the member retires, and the denominator of which is 12. If a member pays the assessment described in the preceding sentence, the account of the member shall also receive as an allocation of dividends for such year an amount equal to the product of (1) the amount of dividends which would be credited to the account of such member had the member not retired during such year, and (2) a fraction, the numerator of which is the number of whole months in the year prior to the date the member retires, and the denominator of which is 12.

#### **VIII. Limitations on Contributions Pursuant to the Internal Revenue Code**

**A. In General** - The contributions for any calendar year allocated to a member's account under Articles VI and VII on behalf of a member under all Qualifying Retirement Plans in which the member participates shall not exceed the member's Limit on Annual Additions as determined in subsection B of this Article VIII. The provisions of this Article VIII are intended to provide the limit on the amount of contributions to this Fund which are excludable from the gross income of the member pursuant to Code section 415, and shall be interpreted in a manner consistent with that Code section.

##### **B. Limit on Annual Additions Under Code Section 415**

(1) A member's Limit on Annual Additions shall for any calendar year be an amount equal to the lesser of:

(a) 100% of the member's includible compensation within the meaning of Code section 415(c)(3)(E) in such calendar year, or

(b) \$40,000, or such greater amount as is permitted under Code section 415(c) as adjusted under Code section 415(d)(1)(B).

For purposes of determining a member's Limit on Annual Additions, in the case of a member who has more than 50% control of an employer (a "Controlled Employer") within the meaning of Code section 415(h), contributions to a plan of the Controlled Employer that constitute annual additions (as defined in Code section 415(c)(2)) to the member shall be treated as contributions to this Plan.

(2) A member's "includible compensation" for purposes of paragraph (1), above, shall mean the amount of compensation received from an employer within the meaning of Code section 403(b)(3) and 414(e) which is includible in gross income, computed without regard to Code section 911 for the most recent period ending not later than the close of the taxable year which is counted as a one year period of service as defined under paragraph (3) below. Such term shall not include any amount received by a former member after the fifth taxable year following the taxable year in which such member was terminated, or utilities to the extent such amounts are not includible in compensation pursuant to Code section 107.

(3) A member's "period of service" for purposes of paragraph (2) above shall be expressed as a number equal to the member's number of full years of service plus one-twelfth for each one month period of service in addition to his or her full years of service. Part-time service of a member shall be taken into account as the percentage of such service that is equal to the percentage of full-time service served.

Notwithstanding any provision of this Article VIII.B to the contrary, the Limit on Annual Additions of a member who has made an election under Code section 415(c)(7) shall be determined under such Code section and the regulations issued thereunder.

**D. Prohibition on Before-Tax Salary Reduction Contributions** - Before-tax contributions under a salary reduction agreement shall not be permitted under this Fund.

**IX. Death Benefits** - When a participating member of the Fund dies, the Treasurer shall pay to his or her designated beneficiary or beneficiaries, otherwise to his or her estate, the full amount of the base benefit payments plus the dividends, if any, added to his or her account. In the event that a minister dies prior to the eleventh year of membership, the designated beneficiary or beneficiaries, or otherwise the estate, shall receive the full amount of the base benefit payments plus the assessments contributed by the participating member. In no case would the beneficiary, beneficiaries or estate receive less at the time of the ministers death than the member's assessments plus simple interest credited annually at the rate of The United Methodist Foundation, Inc., cumulative dividend yield for the most recent four quarters prior to the date of death.

**X. Designation of Beneficiary** - Each member shall provide the Conference Treasurer the name(s) of the beneficiary or beneficiaries to whom the death benefits described in Article IX are to be paid in the event of death. The designation shall be indicated on a form provided by the Conference Treasurer. A designation shall not be effective unless such form has been duly completed and filed with the Conference Treasurer. In the absence of a designated beneficiary, benefits shall be paid to the member's estate.

**XI. Irrevocable Election Regarding Distribution of Funds** - Members actively serving must make, prior to attaining age 59 1/2, an irrevocable election to either terminate from the Ministers' Transition Fund beginning with the Annual Conference following the attainment of age 60 or to defer termination from the Fund until retirement, as defined

in the *Book of Discipline, 2004*, ¶¶359.1, 359.2a, 359.2b, 359.2c. Such irrevocable election is the responsibility of the member and must be made in writing to the Conference Treasurer by age 59 1/2. Forms can be obtained upon request from the Conference Treasurer. Should the member fail to make the irrevocable election, the member will not terminate from this Fund until retirement.

## **XII. Payment of Benefits**

**A. In General** - At retirement or early termination from the Fund, members who have accrued the same number of years of service credited under the Fund (during the same calendar years) will have exactly the same accrued benefit and will receive exactly the same benefit regardless of their total individual contributions.

Notwithstanding any other provision of this Fund, all payments under this Fund must be made at least as rapidly as required under section 401(a)(9) of the Code and any proposed or final regulations thereunder, including but not limited to the incidental death benefit requirements of Code section 401(a)(9)(G).

In no case would the member receive less at retirement than the member's assessments plus interest computed at the United Methodist Foundation, Inc. cumulative dividend yield for the four most recent quarters prior to the retirement date.

**(1) Ministers With Less Than Ten (10) Years.** For ministers retiring between January 1 through Annual Conference, and who retire or terminate from this Fund with less than ten (10) years credit in the Fund shall be paid in a single lump sum immediately following the session of the Annual Conference at which he or she retires or terminates. For ministers retiring between Annual Conference and December 31, payment shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. The benefit shall be the base benefit as prescribed in the table for retired members under Article VI plus minister contributions

**(2) Ministers With Ten (10) or More Years.** A minister who retires or terminates from this Fund with ten (10) or more years credit in the Fund must make an irrevocable election to receive benefit payments under one of the following options. This irrevocable election must be made no later than ninety days prior to the retirement month or month of termination due to early retirement or disability. For either option selected, total benefit payments shall be the base benefits as prescribed in the table plus the dividends credited. Interest will accrue on the principal balance beginning on the later of the retirement date or July 1 of the retirement year and will continue until the account is paid in full. The interest rate will equal the United Methodist Foundation, Inc. cumulative dividend yield for the four most recent quarters. All payments excluding the payment of member assessments shall be subject to income tax.

**(a) Two payment option:** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The second payment shall be the remainder of dividends and base benefit payment earned during their membership and interest accrued.

**(b) Six payment option.** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The remaining payments shall be five equal annual installments of the remaining dividends and base benefit payment earned during their membership and interest accrued. The six payment option shall not be available to a member following attainment of age 70.

For ministers retiring between January 1 and Annual Conference, under either option, the first payment shall be paid within 15 working days following the adjournment of the Annual Conference following the ministers' retirement or termination from the Fund. The second and subsequent payments shall be paid annually between January 1 and January 10 of each year following the year in which the minister terminates or retires until the account is paid in full.

For ministers retiring between Annual Conference and December 31, the first payment and second payment for either payment option shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. Unless the minister selects the six payment option, the account shall be disbursed in full in the first January after retirement. If the six payment option is selected, the four remaining installments shall be paid annually between January 1 and January 10 of each subsequent year until the account is paid in full.

## **B. Direct Rollovers**

**(1)** This Article XII.B applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the Fund to the contrary that would otherwise limit a distributee's election under this Article XII.B, a distributee may elect at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

### **(2) Definitions:**

**(a) Eligible rollover distribution:** An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code as made applicable by section 403(b)(10) of the Code, any amount that is distributed upon hardship, and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).

**(b) Eligible retirement plan:** An eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity contract described in section 403(b) of the Code (including custodial accounts described in section 403(b)(7) of the Code and retirement income accounts described in Section 403(b)(9) of the Code), a qualified plan described in section 401(a) or 403(a) of the Code, or an eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state which agrees to separately account for amounts transferred to such 457(b) plan from this Fund, that accepts the distributee's eligible rollover distribution

**(c) Distributee:** A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse.

**(d) Direct rollover:** A direct rollover is a payment by the plan to the eligible retirement plan specified by the distributee.

**(3)** Within a reasonable time before making an eligible rollover distribution from the Fund, the Conference Treasurer shall provide or cause to be provided the written explanation to the distributee required by Code section 402(f).

**XIII. Disability Leave** - A minister who is approved for and placed on Disability Leave granted by the Conference may elect to:

- A. Continue as an active member and pay two percent (2%) of the disability pay received from all sources. Should Disability Leave be granted between sessions of Annual Conference, 2% of the disability pay received from all sources computed to a 12 month amount shall be paid.
- B. Be treated the same as a transferring member.
- C. Receive benefits the same as a retiring member.
- D. Terminate from the Fund and receive all benefits within thirty (30) days following the granting of Disability Leave.

The minister shall notify the Conference Treasurer in writing of his or her choice of option within ten (10) days following the granting of Disability Leave. In no case would the member receive less than the member's assessments plus interest, determined as described in Article IX.

**XIV. Leave of Absence** - A minister who is approved for and placed on Leave of Absence by the Conference may elect to:

- A. Continue as an active member by paying 2% of the Conference Average Compensation while on leave.

- B. Be treated the same as a transferring member under Article XVI.

Conference Average Compensation means the Conference Average Compensation as determined annually by the General Board of Pensions.

**XV. Less Than Full Time Service** - A Conference member who is approved for less than full time service by the Conference may elect to:

- A. Continue as an active member for no more than three years by paying 2% of the Conference Average Compensation (within the meaning of Article XIV) while serving less than full time.

- B. Withdraw from the Fund according to the provisions of Article XVII.

**XVI. Membership Transferring** - Any ministerial member who leaves the North Carolina Conference by transfer to another annual conference of The United Methodist Church cannot make any further payment to the Fund. He or she may leave his or her account (including dividends, if any) in the Fund until retirement. If this is done, the benefit under this Fund will be computed as of the date of transfer from the North Carolina Conference with interest determined in the manner described in Article IX, determined from the date of transfer to the date of retirement. If the account is left, and the minister returns to the North Carolina Conference, he or she may reinstate his or her payments and dividend earnings, effective at the time of transfer back into this Conference.

**XVII. Withdrawing From The Fund Prior to Retirement** - If a member desires to withdraw from the Fund prior to retirement, upon a written request to the Conference Treasurer, he or she shall receive the amount he or she has paid into the Fund, plus interest determined in the manner described in Article IX each year he or she was participating in the Fund. Amounts in the members account in excess of the amount determined under the preceding sentence shall be forfeited and reallocated as dividends for the year of forfeiture pursuant to Article VII.

Each member whose membership is terminated in the Fund in any way will provide the Conference Treasurer with a statement indicating that he or she has received the funds for which he or she is eligible, and that he or she is no longer a member of the Fund. Any minister leaving the North Carolina Conference to join another denomination other than The United Methodist Church will be required to withdraw from the Fund and payment will be made to the minister according to the formula set forth in the first paragraph of this Article XVII.

**XVIII. Reinstatement** - A member who has withdrawn from the Fund may not be reinstated, but is required to begin anew as though he or she were a new

member. A minister shall not be permitted to rejoin the Fund more than two (2) times during his or her ministerial career.

#### **XIX. Hearing Committee**

**A. The Committee** - A Hearing Committee consisting of the Board of Pensions Executive Committee, Conference Treasurer, Director of Ministerial Relations, Conference Controller, and the Conference Insurance Group Administrator shall have authority to act on behalf of the Board of Pensions between Annual Conference sessions concerning matters that relate to, but are not specifically covered by, this constitution of the Ministers' Transition Fund. The Plan Administrator for the Fund for other plan administrative matters and matters delegated by the Hearing Committee shall be the Conference Insurance Group Administrator. Determinations by the Hearing Committee, the Board of Pensions or the Plan Administrator shall be conclusive and binding on all persons and shall be afforded the maximum deference permitted by law.

**B. Claims Procedure** - If a claim is wholly or partially denied, the Hearing Committee shall furnish the member or beneficiary with written notice of the denial within sixty (60) days of the date the original claim was filed. This notice of denial shall provide:

- (1) The specific reason or reasons for denial;
- (2) Provide specific reference to pertinent plan provisions on which denial is based;
- (3) A description of any additional information needed to perfect the claim and an explanation of why such information is necessary; and
- (4) An explanation of the plan's claims procedure.

The member or beneficiary shall have sixty (60) days from receipt of denial notice in which to make written application for review by the Hearing Committee. The Hearing Committee shall issue a decision on such review within sixty (60) days after receipt of an application for review as provided in the preceding sentence. Such decision on review shall be made in writing and shall include specific reasons for the decision written in a manner calculated to be understood by the claimant. All decisions and denials of claims by the Hearing Committee shall be afforded the maximum deference permitted by law.

**XX. New Rules and Constitutional Provisions** - The rules and guidelines of this constitution supersede all previous Conference legislation regulating this Fund. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of this constitution without the consent of individual members of the Fund. No amendment shall have the effect of modifying any benefit election of any member in effect at the time of such amendment or modifying the benefit of any member who retired prior to the date of such amendment, unless the amendment expressly so provides. The Annual Conference established this Fund with the intent that it will be maintained for an indefinite period of time. However, the Annual Conference reserves the right to terminate the Fund, in whole or in part, at any time. No amendment, modification or termination of the Fund shall adversely affect the members benefits accrued for his or her retirement at the time of termination of the Fund.

#### **XXI. Miscellaneous Provisions**

**A. Prohibition Against Diversion** - Subject to Code section 414(p), there shall be no diversion of any portion of the assets of the plan other than for the exclusive benefit of members and their beneficiaries.

**B. Delegation of Authority** - The Board of Pensions, Conference Treasurer and the Hearing Committee may authorize any agent or agents to carry out their duties, and may employ such counsel, auditors, and other specialists and

such clerical, actuarial and other services as it may require in carrying out the provisions of the Fund.

- C. Notification of Mailing Address** - Each member and other person entitled to benefits hereunder shall from time to time file with the Conference, in writing, such persons post office address and change of post office address. Any check representing any payment due hereunder, and any communication forwarded to a member of beneficiary at the last known address as indicated by the records of the Conference shall constitute adequate payment to such person and be binding on such person for all purposes of the plan. The Conference, Board of Pensions, Conference Treasurer and Hearing Committee shall not be under any obligation to search for or ascertain the whereabouts of any such person.
- D. Unclaimed Benefits** - If any benefits payable to, or on behalf of, a member are not claimed within a reasonable period of time from the date of entitlement, as determined by the Hearing Committee, and if the member cannot be located at his or her last provided mailing address, such member shall be presumed dead and the post-death benefits, if any, under this plan shall be paid to his or her beneficiary if he or she is then living and can be located. If the member's beneficiary is not then living or cannot be located, or if no beneficiary was effectively named, the member's account shall be forfeited and treated as dividends pursuant to Article VII.
- E. Facility of Payment** - Whenever, in the Hearing Committees opinion, a person entitled to receive any payment of a benefit under the plan is under a legal disability or is incapacitated in any way so as to be unable to manage such person's financial affairs, the Hearing Committee may, to the extent permitted by law, make payments directly to the person, to the person's legal representative, or to a relative or friend of the person to be used exclusively for such person's benefit, or apply any such payment for the benefit of the person in such manner as the Hearing Committee deems advisable. Any benefit payment (or installment thereof) made in accordance with the provisions of this shall completely discharge the obligation for making such payment under the plan.
- F. Commingling of Assets** - The assets of the Fund may be commingled in a common fund made up of such accounts or in a common fund with other amounts exclusively devoted to church purposes, provided that the part of such fund which equitably belongs to the plan shall be separately accounted for and cannot be used for or diverted to purposes other than for the exclusive benefit of employees and their beneficiaries. The reasonable costs of administering an account may be charged against the account. Such costs may include the reasonable costs of administering a retirement income program of which the account is a part, including costs associated with informing employees and employers of the availability of the program.
- G. Governing Law** - This plan shall be administered, and its validity, construction, and all rights hereunder shall be governed by the *Book of Discipline* of The United Methodist Church, and by the laws of the State of North Carolina to the extent not in conflict with such *Book of Discipline*. If any provisions of the plan shall be held invalid or unenforceable, the remaining provisions hereof shall continue to be fully effective.
- H. Limitations on Liability** - The Conference, Conference Treasurer, Board of Pensions and members of the Hearing Committee shall not be liable to any person or entity for any of their acts carried out hereunder in good faith and based upon the information available at the time.

### ASBURY HOMES

Asbury Homes operates Goremont in Tabor City as group home for families and friends seeking to prepare the future of their developmentally disabled loved ones. Asbury Homes is agency of the North Carolina Annual Conference and is a conference approved advance special number 27f of both regular and special gifts to meet the changing Medicaid funding levels through the State Mental Health Program. Currently there are six residents living in the home and sharing in the daily living skills such as cooking, laundry, self-help, social and recreational activities.

The officers of the agency are: Sylvia Collins - President; Tom Pugh - Vice President; Carrie Ponder -Secretary; Winston Gore - Treasurer; Staff - Lisa Hayes - Program Corridinator and Life Care Management as the management group. The home operates on a break-even basis through the generous support of the conference and individuals and districts in the Annual Conference. The agency is anticipating closing on a HUD Grant of \$175,000 to purchase the Goremont Facility. This will bring greater stability to the agency by eliminating its rental expenses. In addition, the HUD Grant will provide \$123,000 to renovate the home as a part of the long range plan to upgrade the home.

The plans are under way to build a new home in Pembroke through a combination of grants and interest free loans from the NC Housing Financing Agency and three North Carolina Foundations. It is anticipated that the new facility would be operational in 2007. The long range plans include a home in each district of the Annual Conference. Members of the Annual Conference are encourage to have programs on the unique ministry of Asbury Homes or to explore the development of new home by contacting Lisa Hayes at (910) 653-5050. The ministry of Goremont brings the love of God to residents and family members in a most caring way.

### CANDLER SCHOOL OF THEOLOGY

Candler School of Theology at Emory University is grounded in the Christian faith and shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concerns. Its mission is *to educate—through scholarship, teaching and service—faithful and creative leaders for the church's ministries in the world.*

Ethically aware, theologically profound voices are desperately needed in our society, and Emory draws on its Methodist heritage and looks to Candler to bring wisdom, clarity, compassion, and tolerance to the conversation. Candler's faculty

continues to be among the most distinctive in theological education. In our commitment to the practice of ministry, we partner with eighty churches to ensure that ministerial preparation takes place in both the local church and on the campus.

This year, enrollment was 513 across the 4 degree and 1 non-degree programs. The student population is 25% US ethnic minority, 9% international, and 48% women. More than 52 denominations are represented with 60% of MDiv students being United Methodist from 40 Annual Conferences and from 7 denominations in the Methodist family.

Gifts from the Methodist Education Fund (MEF) help us reduce the educational debt of our courageous and committed students. Your continued support, gifts, and prayers mean a great deal as we provide a strong educational program for our students as they follow the call God has placed on their lives.

It has been my privilege to serve as Candler's dean for the last six years. Next year, I will be on sabbatical, working on the long overdue "new" book on the history of the Methodist Church in America and other writing endeavors. Thereafter, I will return to Candler as a member of the faculty. Thank you for your support throughout my deanship and for your support of Candler—and my successor—in the years to come.

### **CHRISTIAN EDUCATORS FELLOWSHIP**

Our 2005-06-program year began with a 35<sup>th</sup> anniversary celebration at Genesis United Methodist Church, Cary. Fifteen persons attended this special evening and heard the story of the chapter's beginning from charter member, Margaret Ann Biddle. She and a small group of Christian educators were sharing a meal at the Rathskeller in 1969 when they made the decision to formally affiliate with the newly formed national Christian Educators Fellowship (CEF). Their application to form a local chapter was accepted by the national organization and the chapter was chartered in May 1970.

NC CEF continues to meet to nurture, support, challenge, and advocate for persons responsible for the formation of Christian disciples through the ministry of Christian education. We continue to meet regularly for worship, fellowship, and the sharing of ideas. We are challenged by a recent decline in membership to seek better ways to connect with Christian educators across the Conference. We look forward to participating in the national Christian Educators Fellowship to be held in October 2006 at Lake Junaluska, NC. We give thanks to God for the opportunities that we have to come together as a chapter and with other Christian educators from across the nation. Through these opportunities we continue to grow as Christian disciples. We encourage anyone with responsibility for Christian education in the local church to become involved in CEF—it's good food for the hungry educator's soul.

Joyce Horn, Chapter President

### **FIFTIETH ANNIVERSARY OF THE ORDINATION OF CLERGY WOMEN**

The year 2006 marks fifty years since the General Conference of 1956 passed legislation granting full clergy rights to women. This action took place on May 4 as the Conference met in Minneapolis, Minnesota. On May 18 of that year, Maude Keister Jensen, the first woman to receive these rights, was ordained on May 18 by the Central Pennsylvania Conference. A total of 22 women were ordained in 1956.

In 1967, the first woman was appointed as district superintendent, and in 1980, the North Central Jurisdiction elected Marjorie Matthews as the first female bishop in the United Methodist Church. In 2004, six women were elected bishop, the largest number chosen in any one year. Today, there are 20 female bishops in our denomination.

Gladys R. Williford was the first woman to receive ordination by the NC Conference on any level when she became a deacon in 1972. Gladys and Helen G. Crotwell were

ordained as elders and made full members of the conference in 1975. In 1983, Helen Crotwell became the first clergywoman appointed district superintendent. She and Ruth Harper Stevens were clergywomen elected in 1987 as delegates to General Conference. Hope Morgan Ward was elected to the episcopacy in 2004.

The North Carolina Annual Conference has ordained 121 women as elders beginning with Gladys Williford and Helen Crotwell. The names and years of ordination are listed below. It is important to note that women ordained by other conferences have served faithfully among us, and there are many women among local pastors past and present. May our conference continue to affirm the gifts, graces and ministries of women called by God to serve the Church.

## **GOLDEN CROSS**

"Golden Cross" is a ministry that reaches out in love to the laity in our Annual Conference who are experiencing financial difficulty due to excessive medical expenses. Through Golden Cross, United Methodists care for members of our local churches in time of emotional stress and financial need.

During 2005 we assisted 17 families from 5 of our 12 districts. Each one represented someone active in their local church. People just like each of us, who in a moment of struggle found means of grace and love coming from "their" church.

Please remember that sometimes the needs that cross my desk challenge the funds we have available. In fact in 2005 we had to stop accepting applications for assistance in October because we were out of funds. In 2005 the budget for Golden Cross was \$19,357.00 and we spent \$26,811.00. The Golden Cross budget for 2006

is only \$19,252.00. That's the bad news. The good news is that some of our churches sent a love offering into Golden Cross this past year totaling \$420.82. The other good news is that beginning this year (2006) Golden Cross will be a recognized Conference Advanced Special! My dream now is to help more families with additional money. But to do that Golden Cross needs your help. Please take a special offering for Golden Cross on the 3<sup>rd</sup> Sunday of August and designate that offering on your conference remittance form.

Finally, to those who sent in a love offering to Golden Cross this past year, I want to publicly say Thank You, Thank You, Thank You! Your gifts enabled me to help a family that Golden Cross would have otherwise had to turn down.

Now if I can just get all our churches to also take a love offering for Golden Cross on that 3<sup>rd</sup> Sunday in August we will be able to truly meet the needs of some very special lay people in our United Methodist Churches in the North Carolina Annual Conference.

Thank you and God bless you.

Richard C. Vaughan, Director

### INFORMATION TECHNOLOGY

The Information Technology (IT) Office works closely with the Communications Office to innovate and further expand our online ministry offerings. This past year marks the first time that Free or Open Source Software (FOSS) has been used in Conference operations. Leveraging the power of the Linux operating system, we have been able to significantly expand our offerings at little to no additional cost to the Conference.

The Local Church Domain Project has been almost exclusively built on this open source platform. We currently host and support 25 local church and 20 related ministry domains as well as domain e-mail accounts for eight local churches and related ministries. We encourage all local churches who wish to establish a web ministry or those who currently support a web ministry to look at our hosting options. We also offer and support free e-mail accounts for all Conference clergy and currently host about 375 accounts.

The IT Office works closely with the Treasurer's Office to help maintain the various financial systems. Every six months the IT Office assists with rolling over systems associated with appointment changes as well as year end financial systems.

The IT Office also supports the MERCI center along with the twelve districts and the Clergy Counsel Office in Durham. We continue to research and implement new technologies as they become available to better equip the Conference moving forward. We are constantly reviewing processes and working with other Conference Offices to target inefficiencies. By identifying and resolving areas of improvement we seek to lower the cost of business for the Conference as a whole.

### METHODIST HOME FOR CHILDREN

*"This is what the LORD says:...there will be heard once more the sounds of joy and gladness...*

*Give thanks to the LORD Almighty,*

*for the LORD is good;*

*his love endures forever." (Jeremiah 33:10-11)*

In service to God, Methodist Home for Children (MHC) has been nurturing children, youth, and families for more than 100 years. Our agency reaches out to serve all young people and families regardless of religion, race, or economic status. We provide care for troubled and neglected children in our 10 community-based residential youth homes. MHC also works to find permanence for children and youth through our foster care and adoption services, and to bring stability to families through our substance abuse program and our family-based counseling services. The agency

serves young children and their families in our five-star early childhood program, the Jordan Child & Family Enrichment Center, and by training parents and childcare professionals. From July 1, 2005-June 30, 2006 we served over 1,200 young people and families with the highest quality of care. MHC is active throughout most of the North Carolina Conference, in 46 counties in central and eastern North Carolina.

We are pleased to report several new developments at the agency:

- We welcomed the Rev. Bruce Stanley as our President/CEO on July 1. He has brought to MHC a wealth of experience that includes serving, most recently, as Senior Pastor at Raleigh's Millbrook United Methodist Church, directing Duke University's Divinity School's Field Education program, and working in several positions at the North Carolina Conference of the United Methodist Church.
- In order to be good stewards of our resources, we brought our operating expenses more closely in line with our revenues. Yet, the outcomes for those MHC serves remained strong, and the distribution of care continues to be well balanced, diverse, and inclusive.
- We have begun to train staff in our model of care at North Carolina's Department of Juvenile Justice and Delinquency Prevention in a demonstration project at the Stonewall Jackson Youth Development Center in Concord.
- We have expanded the breadth of our program offerings in New Hanover County to provide more in-home care to families in crisis, in addition to our group homes and foster and adoption services.
- Finally, we are expanding our substance abuse treatment services to include Sampson County. Our "Bridges" program provides family-centered support to aid in the recovery process.

MHC is strong, healthy, and poised to continue to serve young people and their families in increasingly sophisticated, complex, and innovative ways, while remaining true to our heritage and mission to "build upon the social, physical, emotional, and spiritual strengths of children, youth and families, and to affirm their worth."

While we derive most of our funding from public entities, we are an agency that draws its inspiration from the North Carolina Conference, our historical and spiritual center. We give sincere and heartfelt thanks to all of our supporters, partners, friends, and contributors. Because of you, MHC has had a remarkable year. With your continued prayers and financial help, MHC will move forward to assist those young people and families in need with "joy and gladness."

Blessings,  
Bruce Stanley, President/CEO

## **METHODIST THEOLOGICAL SCHOOL - OHIO**

Enrollment. MTSO started the 2005-06 academic year with the highest number of students under the age of 30 seen here in a decade: of 256 students, almost 30% of new students were under the age of 30. In January, our second cohort group in the Doctor of Ministry program began their studies here.

Leadership Transition. 2005-06 marks the last year that MTSO President Norman E. "Ned" Dewire will lead MTSO. His successor takes office on July 1, 2006.

Financial Strength. Our "Jesus Doesn't Work Alone" campaign has concluded above its \$30 million goal, establishing more than 50 new scholarships; many new programs and institutes; and three new faculty chairs. We have now completely met all facilities renovation needs, meaning we have no deferred campus maintenance issues.

Campus Renovations. Among the buildings brought up-to-date are the Helen Werner Apartment building, the dormitory and the dining hall, which now features central air conditioning. Both the apartment building and dormitory were

extensively remodeled, with air conditioning, free high-speed Internet, new carpeting, paint, light fixtures, cable television, HVAC units, kitchenettes and furniture.

**Scholarships.** Our new Harding Memorial Scholarship provides one national winner with full tuition and a \$10,000 annual stipend. In addition, the Burton D. Morgan Foundation has established a \$250,000 endowed scholarship fund in youth ministry here.

**Faculty.** We have opened searches for two new faculty positions, one in New Testament and one in Christian Education & Youth Ministry.

Norman E. “Ned” Dewire, President

## **RESOLUTION 2: CONCERNING THE NORTH CAROLINA STATE COMMISSION ON CAMPUS MINISTRY**

WHEREAS, the North Carolina Annual Conference, Southeastern Jurisdiction, of The United Methodist Church, and the Western North Carolina Annual Conference, Southeastern Jurisdiction, of The United Methodist Church (hereinafter referred to as the "Annual Conference" or collectively as the "Annual Conferences") formed The North Carolina State Commission on Campus Ministry of the North Carolina and Western North Carolina Annual Conferences of The United Methodist Church, an unincorporated religious association (hereinafter referred to as the "Commission"), effective January 1, 1981, as the duly authorized successor to the United Methodist Regional Commission on Campus Ministry in North Carolina; and

WHEREAS, the Commission has operated since that date pursuant to its By-laws and in accordance with Paragraph 633.4(a)(10) of *The Book of Discipline of The United Methodist Church 2004* (hereinafter referred to as "*The Book of Discipline*") for the purposes, among others, of evaluating the needs of campus ministry programs relating to the Annual Conferences within the State, providing advocacy on behalf of campus ministry, and making recommendations to each of the two Annual Conferences concerning support for such programs and the assignment of campus ministers; and

WHEREAS, the Annual Conferences reaffirm their continuing support of campus ministry in partnership with the boards of campus ministry and local churches within the Annual Conferences, which ministry plays an important role in the life of the church; and

WHEREAS, both Annual Conferences reaffirm that campus ministries provide valuable United Methodist leadership to and discipleship of students and to college/university campuses; and

WHEREAS, the Commission has determined that in this era of changing approaches to funding, the Commission's continued operation is not the most effective means for the Annual Conferences to facilitate and support campus ministry; and

WHEREAS, the Commission recommends that oversight of campus ministry and other functions presently provided by the Commission should be returned to each Annual Conference, and to the Commission on Higher Education and Campus Ministry of each Annual Conference as provided in *The Book of Discipline*, for those campus ministry programs within the geographic boundaries of said Conference; and

WHEREAS, the Commission has concluded that it is in the best interests of the Commission, the Annual Conferences and the campus ministry programs within this State for the Commission to cease operations and wind up its affairs in an orderly fashion and in accordance with the requirements of *The Book of Discipline* and applicable law.

NOW, THEREFORE, BE IT RESOLVED, that the Commission recommends to the Annual Conferences the following actions be taken:

1. The Commission shall cease operations and be dissolved effective January 1, 2007. The Commission's affairs shall be wound up in an orderly manner.
2. All liabilities and obligations of the Commission shall be paid and discharged, or adequate provisions be made therefore. Assets, if any, held by the Commission upon condition requiring return, transfer, or conveyance, which condition occurs by reason of the dissolution, shall be returned, transferred, or conveyed in accordance with such requirements. Other assets, if any, of the Commission shall be transferred or conveyed to the Boards of Trustees of the Annual Conferences or shall be otherwise distributed as agreed upon by the Boards of Trustees of the Annual Conferences.
3. Effective January 1, 2007, responsibility for, and oversight of, campus ministry programs within the geographic boundaries of each Annual Conference shall be vested in the Board of Higher Education and Campus Ministry or an analogous agency of such Annual Conference in accordance with Paragraph 633 of *The Book of Discipline*, including a study of the need and possibility of Campus Ministry on the Community College campuses in the State of North Carolina.
4. Until the local boards of campus ministry are equipped to do so and procedures are adopted and implemented by each Board of Higher Education and Campus Ministry of the Annual Conferences, financial matters for campus ministry programs previously handled by the Treasurer and Finance Committee of the Commission shall be handled by the Treasurer's Office of such Annual Conference.
5. The Council on Finance and Administration of each Annual Conference will provide apportioned funds for the present salaries and benefits of the current campus ministers in the Western North Carolina Conference through June 30, 2007 and in the North Carolina Conference through December 31, 2008. Interim property, legal, and liability issues will be the responsibility of the respective Boards of Trustees or Boards of Higher Education and Campus Ministry of the Annual Conferences, as appropriate, in accordance with the provisions of *The Book of Discipline*.
6. The members and proper officers of the Commission shall be authorized and directed to do and perform, or cause to be performed, any and all other acts which may be necessary or proper to accomplish the dissolution, liquidation and transition of responsibilities of the Commission in accordance with this resolution and the directives of the Annual Conferences.

THE FOREGOING RESOLUTIONS ARE ADOPTED THIS 9TH DAY OF MAY, 2006 BY THE NORTH  
CAROLINA STATE COMMISSION ON CAMPUS MINISTRY

**RESOLUTION 3: THE UNITED METHODIST CHURCH AND THE RELIGIOUS COALITION FOR  
REPRODUCTIVE CHOICE**

Whereas abortion, for over thirty years, has been intensely debated in The United Methodist Church and in American public life; and

Whereas The United Methodist Church's official teaching on abortion: declares "[o]ur belief in the sanctity of unborn human life;" "cannot affirm abortion as an acceptable means of birth control;" "unconditionally reject[s] [abortion] as a means of gender selection;" and "oppose[s] the use of late-term abortion known as dilation and extraction (partial-birth abortion) and call[s] for the end of this practice" except in rare circumstances (Paragraph 161J of the "Social Principles" in The Book of Discipline [2004]); and

Whereas the General Board of Church and Society and the Women's Division/General Board of Global Ministries are members of the Religious Coalition for Reproductive Choice (RCRC); and

Whereas RCRC's educational work contradicts United Methodist teaching by not acknowledging the sanctity, or even the significance, of unborn human life (as evidenced, for example, by the title of its publication *Between a Woman and Her God*, 2004); and

Whereas RCRC's political work contradicts United Methodist teaching by lobbying to protect, in law, the right to any and all abortions, for any or no reason; and

Whereas the 2004 General Conference voted to continue United Methodist agency memberships in RCRC "without much of a debate about how participation in this coalition compromises our public witness against abortion" (Bishop Timothy W. Whitaker, *Lifewatch*, March 2005); and

Whereas other mainline Protestant denominations have never joined RCRC (e.g., the Disciples of Christ and the Evangelical Lutheran Church in America) or have withdrawn from RCRC (e.g., American Baptist Churches, USA and the Moravian Church, Northern Province).

Therefore be it resolved that the 2006 Session of the North Carolina Annual Conference urges the United Methodist clergy and laity of eastern North Carolina to learn more about the Religious Coalition for Reproductive Choice by reading RCRC's Web site ([www.rcrc.org](http://www.rcrc.org)) and to prayerfully reflect on whether United Methodism's two agencies should continue their memberships in RCRC.

JOHN E. NICHOLSON, REV. PAUL T. STALLSWORTH

#### **RESOLUTION 4: TO DEFINE EMBARRASSING DEBT**

Whereas question 18 of our historic examination of candidates for ordination asks "Are you in debt so as to embarrass you in your work?"

And whereas there is widespread uncertainty how to honestly answer the question,

And whereas a 2006 survey of new ministers with consumer debt revealed that their average consumer debt is \$29,000,

And whereas many of our candidates for ordination have large educational debts,

Therefore, be it resolved that the North Carolina Conference of the United Methodist Church create a task force made up of members from the Board of Ordained Ministry and the Stewardship Commission (funded by their respective budgets) to define the threshold of “embarrassing debt” and report back with recommendations for resolving the growing problem of clergy debt at the 2007 NC Annual Conference.

REV. J. ROBERT KRETZU

#### **RESOLUTION 5: SUPPORT OF CAMPUS MINISTRY**

**Whereas**, the North Carolina Conference has established and supported campus ministry over the years in seven geographic locations, providing seven campus ministry sites and local boards that serve eleven campuses across the conference, specifically:

Duke University

North Carolina Central University

East Carolina University

North Carolina State University, serving students at

- o North Carolina State University

- o Peace College

- o Meredith College

University of North Carolina at Chapel Hill

University of North Carolina-Wilmington, serving students at

- o University of North Carolina-Wilmington

- o Cape Fear Community College

University of North Carolina-Pembroke; and

Whereas, student enrollment at these campuses is at an all time high; and

Whereas, campus ministries have worked effectively in partnership with many of their local United Methodist churches; and

Whereas, the benefits of providing a sustainable future for campus ministry in the North Carolina Conference include:

- Extending the ministry of the local church to the campus so that all students can hear and experience the Good News of Jesus Christ, some perhaps for the first time
- Keeping our young people connected to Christ and to the Church during this challenging time of life
- Developing leaders who will fill lay and clergy leadership roles in local churches in the future
- Providing a pool of called, committed, and educated students for ministry in the church; and

Whereas, failing to provide a sustainable future for campus ministry will likely result in:

- Loss of talented and committed students to other churches and denominations which provide more student support and comprehensive programming
- Loss of our resources and assets in these seven locations across the conference
- Loss of future clergy and lay leaders
- Decline in membership in United Methodist churches across the state of North Carolina; and

Whereas, both North Carolina annual conferences and many local churches have historically contributed to the staff budgets, program budgets, and capital budgets of campus ministry through the State Commission on Campus Ministry; and

Whereas, the State Commission on Campus Ministry has determined that it is not the best way to facilitate and support campus ministry; and

Whereas, we in the North Carolina Conference of the United Methodist Church joyfully accept our charge from Paragraph 633 of *The Discipline* to take responsibility for ministry to students

Therefore, be it resolved that the 2006 North Carolina Annual Conference of the United Methodist Church:

Reaffirms its support of campus ministry and its recognition of the important role campus ministry plays in the life of the church; and

Acknowledges that many students served by campus ministry are those to whom we made life long commitments on the occasion of their baptism; and

Challenges our campus ministries to creatively and diligently touch the lives of students and support them during these important years; and

Calls on campus ministry and local churches to continue to coordinate, collaborate, and work together to serve these students effectively; and

Requests that churches throughout the conference within the charge conference reporting system annually identify and provide to the Office of Youth, Young Adult and Campus Ministry in the United Methodist Building in Raleigh a roster of students enrolled at all North Carolina colleges and universities, along with all their respective contact information; and

Be it further resolved that the Conference

Approves the recommendation from the State Commission on Campus Ministry for the reabsorption of oversight for campus ministry to the two separate conferences; and

Recognizes that conference responsibility for campus ministry within the North Carolina Annual Conference rests primarily with the Commission on Higher Education and Campus Ministry; and

Expands membership on the Commission on Higher Education and Campus Ministry to include **a representative from each of the local campus ministry boards** from the campus ministry sites within the North Carolina Conference; and

Appoints the local campus ministry board representatives now serving on the State Commission on Campus Ministry to the new seats on the expanded Commission on Higher Education and Campus Ministry; and

Establishes the effective date of **January 1 2007** to implement this transition; and

Returns any and all North Carolina Conference funds budgeted for the State Commission on Campus Ministry after January 1 2007 to the North Carolina Conference, so as to make this transition budget neutral for the North Carolina Conference; and

Assigns campus ministry funds and expenses that would otherwise be allocated and assigned to the State Commission on Campus Ministry to the North Carolina Annual Conference budget effective **January 1 2007**, including those funds earmarked for campus ministers' salaries and benefits, and program expenses; and

Directs the Commission on Higher Education and Campus Ministry to work with our seven local campus ministry boards to

- Assess the current level of staffing, programming, and funding for campus ministry,
- Project future operating and capital needs for campus ministry in the North Carolina Conference,
- Develop a long range plan in consultation with local campus ministry boards to provide adequate funding for campus ministry, including a means to provide fund-raising sources; and
- Report its findings and recommendations to the 2007 Annual Conference.

**RESOLUTION 6: ADDRESS THE CURRENT RENOVATION, REPAIR AND MAJOR MAINTENANCE CAPITAL NEEDS OF CAMPUS MINISTRY AT EAST CAROLINA UNIVERSITY AND THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL**

Whereas, United Methodist campus ministry at two of the eleven academic institutions within the North Carolina Conference is located in the following facilities

Campus ministry at East Carolina University

- House constructed circa 1920 and Student Center constructed circa 1950
- Campus ministry at University of North Carolina at Chapel Hill
- Wesley Foundation building constructed circa 1965; and

Whereas, the two annual conferences in North Carolina jointly funded the purchase/building of these facilities; and students in each of these ministries are living in the respective residency facility in the context of intentional Christian community, with programs specifically designed for their spiritual formation and vocational discernment;

**Whereas**, these facilities have current and pressing renovation, repair, and major maintenance capital needs including, but not limited to:

- HVAC repairs, replacements and upgrades
- Fire alarm systems
- Sprinkler systems
- Asbestos abatement
- Full ADA compliance, including handicapped accessibility
- Roof replacement
- Plumbing repair and replacement; and

Whereas, capital expenditures and major maintenance line items were eliminated from the campus ministry budget of the State Commission on Campus Ministry beginning January 2004 in order to address the funding shortfall for campus ministry programs and campus ministers' salary and benefits; and

Whereas, facilities may be called for and created in the future at these or other campus ministry locations across the Conference that also will have maintenance, repair and renovation needs;

Therefore, be it resolved that the 2006 North Carolina Christian Conference of the United Methodist Church:

Directs the annual conference leadership through the Commission on Higher Education and Campus Ministry to work with the East Carolina University and University of North Carolina at Chapel Hill local campus ministry boards to

- Assess the current renovation, repair and major maintenance capital needs,
- Develop a plan to assist in providing for these pressing capital needs, and
- Report its findings and recommendations to the 2007 Annual Conference.

**RESOLUTION 7: INTERNET PORNOGRAPHY**

Whereas internet pornography negates human dignity, equality, and mutuality, and is addictive to millions of individuals; and

Whereas, internet pornography is pervasive and damaging to individuals, families, and society and promotes a separation in the relationship with Christ; and Whereas, internet pornography is inextricably linked to alienation in human relationships and distorts the sexual integrity of both women and men; and

Whereas, the use of violent, aggressive themes often accompanying sexually explicit material is demeaning and damaging both to the viewer and to those appearing in the images; and

Whereas, internet pornography at heart is not about sexuality, either as a social evil or a universal right to freedom to expression, but really is about degradation, exploitation, coercion, and addiction; and

Whereas, the vast majority of women involved in pornography are survivors of incest or child sexual abuse; and

Whereas, sexually explicit images are not only widely available on the internet, particularly to children and youth, but also difficult to avoid when on-line; and

Whereas, since pornography is relied upon as a source of information about sexuality, the Church needs to lead society in articulating an ethic which affirms God's good gift of human sexuality and protects the vulnerable from sexual exploitation, coercion and undue influence; and

Whereas, the United Methodist Social principles state in paragraph 161-G:

"We recognize that sexuality is God's good gift to all persons. We believe persons may be fully human only when that gift is acknowledged and affirmed by themselves, the church, and society. We call all persons to the disciplined, responsible fulfillment of themselves, others, and society in the stewardship of this gift. [W]e recognize that God challenges us to find responsible, committed and loving forms of expression. . . . We reject all sexual expressions that damage or destroy the humanity God has given us as birthright, and we affirm only that sexual expression that enhances that same humanity. We deplore all forms of the commercialization and exploitation of sex, with their consequent cheapening and degradation of human personality. The Church offers a unique opportunity to give quality guidance and education in this area. "

Therefore, be it **RESOLVED** that the North Carolina Conference of the United Methodist Church affirms that it is opposed to internet pornography, and abhors sexual images involving children.

Be it **FURTHER RESOLVED** that we call upon the North Carolina Conference of the United Methodist Church, its agencies and local churches, to:

- (1) educate congregations about the issue of internet pornography;
- (2) seek strategies to reduce the proliferation of internet pornography;
- (3) work to break the link between internet pornography and the degradation of human relationships;
- (4) encourage monitoring and limiting access by children and youth to pornography and sexually explicit material through the internet;
- (5) participate in efforts to ban child pornography and protect child victims, including those exploited as well as those subjected to these images;
- (6) call for social responsibility in all media, including the internet, and work with local, national, and international groups that advocate for global media integrity in communicating sexual images of women, men, and children;

(7) Encourage those individuals accessing internet pornography such that it affects their personal relationships with others to seek treatment to break the cycle of addiction; and

(8) participate in ecumenical and/or community efforts that study and address the issue of internet pornography and treatment of internet addictions.

#### **RESOLUTION 8: MENTAL HEALTH CRISIS WITHIN NORTH CAROLINA**

WHEREAS, the mental health system in North Carolina has continued to decline since the last Annual Conference, affecting thousands of North Carolinians and their families;

WHEREAS, reforms instituted by the State to divert mental illness treatment from state hospitals to community-based programs are being undermined by the lack of programs within the communities offering treatment;

WHEREAS parallel reforms within the community to close State-run mental health centers and refer patients to private providers has also led to confusion, reduction in treatment, and growing numbers of individuals who are no longer receiving help because communities lack both adequate private providers as well as transportation necessary for patients to utilize them;

WHEREAS almost half of North Carolina counties have too few or no psychiatrists or psychologists required to conform to state treatment guidelines, much less to meet accepted standards of practice, with the greatest deficiencies reported in eastern North Carolina;

WHEREAS the North Carolina General Assembly and federal government continue to cut funding for mental health, threatening the survival of current programs, much less any reforms or new initiatives;

WHEREAS any intended savings supposedly gained from mental health cutbacks are more than offset by increased cost imposed on other governmental services, including but not limited to the prison system, hospital emergency rooms, and social services;

WHEREAS the number of persons with or affected by mental illness continue to grow to epidemic proportions as great or greater than more visible physical diseases, making society's failure to respond a moral disgrace as well as a medical tragedy;

NOW THEREFORE BE IT RESOLVED the the NC Commission of Church and Society of the North Carolina Annual Conference:

1. Urge the NC Mental Health System to delay or defer implementation of community-based reforms until adequate community based programs are actually in place;

2. Ask the state system to reconsider its elimination of regional mental health centers as treatment providers and restore the services they have previously offered;
3. Urge state and federal leaders and lawmakers to increase, rather than decrease, funding for mental health programs and treatment;
4. Request appropriate Conference agencies to develop educational programs on mental illness and ministering to the mentally ill for presentation within the local churches of our Conference, and urge each church to conduct such educational programs at least annually for our congregations.
5. Take steps to increase the mental health benefit of the Conference's own health insurance for all who are enrolled in our plan to the fullest extent possible so that mental illness receives the same level of medical care as physical illness.
6. Request that appropriate Conference agencies research ways in which they can advocate for increased funding for mental health research and treatment; educate the public on the realities of mental illness while fighting its stigma; affirming the spiritual worth of persons with mental illness and ministering to their spiritual needs; and to assist persons with mental illness and their families to achieve, maintain, or restore meaningful lives—socially, economically, and spiritually - while coping with their devastating illnesses; and

BE IT FURTHER RESOLVED that copies of this resolution be sent to appropriate Conference agencies for implementation, reported to the media, and distributed to state and federal leaders and legislators.

N. C. Commission on Church and Society March 29, 2006

## **RESOLUTION 9: THE ERADICATION OF HATE CRIMES**

With greater diversity, we can expect to see a rise in the incidence of hate crimes in our state. Hate crimes target individual victims, but they also victimize entire communities by creating fear, anger, and mistrust. On May 25, 2005, three cross burnings in three different locations in Durham, North Carolina captured national attention from print and televised media. And although this incident occurred in Durham, it is not limited to Durham, but symptomatic of many of the communities in North Carolina.

WHEREAS, hate crimes result from the intentional selection of victims or property as the object of violence perpetrated against someone solely because of his or her race, religion, or national origin/ethnicity, gender, disability, or sexual orientation of the individual; and WHEREAS, in recent decades, the population of North Carolina has become increasingly diverse, both ethnically and culturally; and WHEREAS, hate crimes have increasingly involved children, youth and young adults as perpetrators and victims thereby causing intense stresses on family units, schools and churches; and WHEREAS, the eradication of hate crimes will intrinsically impact the challenge for the church and society to eliminate hatred and bigotry; and WHEREAS, let it be known that preaching the Word of God from the Bible and calling all to repent of their sins is not a hate crime

THEREFORE, BE IT RESOLVED, that the North Carolina Conference of the United

Methodist Church, accept and support The Book of Resolution #184, pages 464-465, "Hate Crimes" of the 2004 General Conference of the United Methodist Church.

THEREFORE, BE IT FUTHER RESOLVED, that the North Carolina Conference of the United Methodist Church urge it's members to engage in efforts to address hate-based activities in their communities and that this resolution be forwarded to the Conference Commission on Church and Society for implementation.

#### **Annual Conferences/Districts**

- Renew the church's stand and commitment against hate crimes in any form and in any place.
- Call on the North Carolina Annual Conference to develop specific plans which will enable local churches to respond to hate group activities.
- Develop support groups (s) for persons active in antiracism strategies and for persons ministering to victims of hate crimes.
- Recommend that a response team to deal with hate crimes an violence in church and society be established by the Conference Commission on Church and Society.

#### **Local Churches**

- Attention should be given to providing resources and assistance with children, youth, and young adults in churches, schools, and family units. Reference (The Book of Resolutions of the United Methodist Church, 2004, #185, pages 66-467).

#### **Individuals**

- Should not be silent. If you are subject to an act of bigotry or racial violence, tell someone. Tell your family, your friends, neighbors, the church; seek support for yourself. Report the incident to police. Insist that the crime be reported as "hate crime."

Church and Society

### **RESOLUTION 10: HIV/AIDS**

WHEREAS, for twenty years the General Conference of the United MethodistChurch has spoken with prophetic compassion to the global issue of HIV/AIDS;

WHEREAS, according to UNAIDS, 40.3 million persons worldwide are infected with the HIV virus and approximately 600,000 children each year are infected; 13 million children have been orphaned due to the pandemic;

WHEREAS, the United Nations has declared the pandemic is a global emergency, saying human life is threatened everywhere and world security is at risk as the world faces the worst health crisis in 700 years;WHEREAS, the General Conference committed itself to establishing the UnitedMethodist Global AIDS Fund (Advance Special #982345) and established a goal of raising \$8 million during the 2005-8 quadrennium;WHEREAS, this goal equates to one dollar per member of the United MethodistChurch over the quadrennium;

WHEREAS, the NC Conference is engaged in significant and holistic HIV/AIDS ministry through the Zimbabwe Orphans Endeavor

WHEREAS, the ZOE Board and United Methodist Global AIDS fund are interlocking and are working in a partnership arrangement as noted by Bishop Fritz Mutti, co-chair of the Global AIDS Fund Committee when he stated, 'Our objectives are intertwined, making an impact on the AIDS crisis is a formidable task, but we know we can accomplish more if we work together.

'THEREFORE, BE IT RESOLVED, that the North Carolina Conference is highly committed in responding to the global AIDS pandemic, and through the Zimbabwe

Orphans Endeavor, will continue in its partnership activities, fund raising, and resource provisions to the most vulnerable of children throughout Sub-Saharan Africa.

Submitted by the Church and Society Committee

#### **RESOLUTION 11: CARE FOR IMMIGRANTS**

Whereas, scripture mandates that we welcome the stranger until we see the stranger as our neighbor. The Hebrew Bible tells us, "When strangers sojourn in your land, you shall not do them wrong. The strangers who sojourn with you shall be to you as the natives among you, and you shall love them as yourself; for you were strangers in the land of Egypt" (*Lev. 19:34*)

Whereas, further, as United Methodists we are baptized and initiated into the body of Christ by water and the Spirit. Through the vows taken and renewed at every baptism, we accept the freedom and power God gives us to reject evil, injustice, and oppression in whatever forms they present themselves. In confession Jesus Christ as our Savior we promise to serve him in union with people of all ages, nations, and races. (*UMH 34*)

Whereas, Hispanic and Latino immigrants are the fastest growing segment of North Carolina's population. Upon arrival in our country as in our state, they suffer oppression and injustices that are incompatible with Christian scriptural and historical traditions. Undocumented immigrants are denied access to adequate housing, healthcare, and a living wage. Because of a lack of constitutional protection their economic need is exploited as they are forced to work extraordinary hours for a miniscule wage. The current immigration system has made it nearly impossible for many immigrants to achieve legal status. Documented and undocumented workers alike, face discrimination due to racism, which causes the association to be made between immigration policies and terrorism, and uses the immigrants as scapegoats for society's economic ills.

Whereas, the lay people composing United Methodist Hispanic Ministries are baptized, faithful, active, tithing members of our churches, and a majority are undocumented. Therefore, we understand injustice waged against them as an assault on the Body of Christ. We thus call the church to faithfulness to the vows of baptism, resisting the injustice and oppression of this assault, and living in union with people of all ages, nations, and races.

Whereas because Christ has died to reconcile us to himself, we are called to be a reconciled people, and to model that example for the world so that all may be saved. As an act of reconciliation, resistance to oppression, and an effort to live in union with one another;

Therefore, we, the 2006 Annual Conference of the NCC of the United Methodist Church: call the church to:

Recognize and struggle through self-education the contribution of Hispanic and Latino immigrants to American society, and the social injustice Hispanic and Latino people face. We further call the church to find creative ways to embrace their H/L neighbors through outreach, and pastoral care.

As the North Carolina Annual Conference, we urge the Council of Bishops of the United Methodist Church to make a statement regarding immigration reform in order to bring injustices into view and voice our Biblical mandate to Love God and Neighbor.

Finally we call on our elected officials to make and advocate for policies that create opportunities for immigrants to regularize their status upon the satisfaction of reasonable criteria, reducing the overall waiting time in order to end the exploitation and oppression of the body of Christ.

**RESOLUTION 12: MISSIONER, PASTORS AND LEADERSHIP TO HISPANIC/LATINO IN THE  
NORTH CAROLINA ANNUAL CONFERENCE**

Whereas: The 2004 Discipline of the UMC establishes:

20271. Provisions for Lay Missioners – Lay missionaries are committed laypersons, mostly volunteers, who are willing to be trained and work in a team with a pastor-mentor to develop faith communities, establish community ministries, develop church school extension programs, and engage in congregational development. All lay missionaries must follow the guidelines established by the National Committee on Hispanic Ministries of the National Plan for Hispanic Ministries and may be certified by their annual conference. If annual conferences choose to certify lay missionaries, they must do so according to the guidelines. They are accountable to their pastor-mentor as members of the ministry team. The ministry team is accountable to the local congregation or sponsoring body that established the goals for the procedures of the annual conference where assigned. The concept of lay missionaries is theologically based in the ministry of the laity. While lay missionaries are engaged in a variety of ministries, their purpose is to complement, not replace, pastors.

1112. See Judicial Council Decision 693.

Whereas: According to the National Plan for Hispanic/Latino Ministry guidelines, a District Superintendent should be part of the Hispanic Ministries Team.

Whereas: There is a half time Hispanic Director that has been hired by the North Carolina Annual Conference.

Whereas: North Carolina has the fastest growing Hispanic/Latino population in the country, imposing a pressing and immediate need for leadership in our churches that are theologically prepared, as well as knowledgeable of the Hispanic/Latino culture and tongue.

Whereas: The appointments and hiring of personnel for Hispanic/Latino ministry should be in accordance with the objectives and goals of The North Carolina Annual Conference Comprehensive Plan for Hispanic/Latino Ministries.

Whereas: The Hispanic/Latino Ministries Committee has determined a need to acquire and maintain the connection among its ministries and with all levels of the structure of our conference.

*Therefore, be it resolved* that the North Carolina Annual Conference has committed to accompaniment with the Hispanic/Latino Ministries Committee and Office of Hispanic/Latino Ministries in ministry to the Hispanic/Latino people, and this commitment can be affirmed in the following ways:

1. That a cabinet representative is assigned to the Hispanic/Latino Ministries Committee for the North Carolina Conference in compliance with the National Plan for Hispanic/Latino Ministries.
2. That the position of Hispanic/Latino Ministries Director be a full-time position, in order to provide the availability necessary to facilitate the call for increased availability and leadership responsibilities as is necessary to navigate, guide, and support current, new, and emerging Hispanic/Latino ministries in our annual conference.
3. That all the appointments of pastors, hiring of lay missionaries, and of any other kind of Hispanic/Latino leadership should follow the channels already provided in our discipline and UMC tradition, maintaining the connection of Hispanic/Latino ministries by supporting communication among these ministries and their pastors with the Hispanic/Latino Ministries Committee and the office/director of Hispanic/Latino ministries for our conference.

4. That in order to serve and strengthen every Hispanic/Latino outreach or ministry that is begun in any local church or district, the office of Hispanic/Latino Ministries and the Hispanic/Latino Ministries Committee offer and commit themselves as a resource to advise and equip local churches or districts to engage in Hispanic/Latino Ministries in their communities.

**RESOLUTION 12: SUPPORT OF THE FEDERAL TRUST RESPONSIBILITY FOR THE LUMBEE TRIBE**

Whereas, the Lumbee Tribe of North Carolina has been recognized as Indians by the State of North Carolina for more than 100 years; and

Whereas, the Lumbee people are descendants of the Cheraw Indians and have historically maintained their identity through the years; and

Whereas, in 1956 the United States Congress enacted the "Lumbee Act" which federally recognized the Lumbee as American Indian but withheld any federal trust responsibilities because of this status as Indian for Indian services and benefits; and

Whereas, the United States Department of Interior has determined that it lacks the authority to grant full recognition to the Lumbee Tribe because the 1956 Lumbee Act is federal law forbidding the federal relationship – making plain that Congress must act through corrective legislation; and

Whereas it is the desire of the Lumbee people to enjoy the federal trust relationship with the United States in much the same manner as other Tribes; and

Whereas, the Lumbee Tribe has over 40,000 making it the eighth largest tribe in America and the largest tribe east of the Mississippi River; and

Whereas, Senator Elizabeth Dole has introduced S. 660 and U.S. Congressman Mike McIntyre has introduces HR 21 in the United States Congress that will extend full federal recognition to the Lumbee Tribe of North Carolina

Therefore, Be It Resolved that the North Carolina Annual Conference of the United Methodist Church fully endorses the efforts of Senator Dole and Congressman McIntyre and calls upon all members of Congress for the passage of federal legislation that establishes a federal trust responsibility and tribal sovereignty; and

Further, Be It Resolved that the resolution be sent to the US House of Representative Majority Speaker and to the US Senate Majority Speaker for the Lumbee Indians for full acknowledgment of the federal trust responsibility of the Lumbee Tribe.

## SOUTHEASTERN JURISDICTION

The SEJ Connectional Table, under the leadership of Bishop Charlene Kammerer, continues to give leadership and set direction for the ministry of the Southeastern Jurisdiction. An organizational task group and a task group to study the relationship of SEJ Agencies is studying the entire organization of the jurisdiction at the direction of the 2004 Jurisdictional Conference. They continue their work to make our unique jurisdiction more effective.

The entire jurisdiction was saddened with the complete destruction of Gulfside Assembly located in Waveland, Mississippi, one of our seven agencies, as the result of Hurricane Katrina. The Gulfside Board of Trustees has named a long-range study group to look to the future in order to determine how they might serve the needs of the United Methodist Church at this renowned historical African-American mission center. The Southeastern Jurisdiction Ministries for Adult Rehabilitation (SEMAR) worked through a number of challenges this past year in order to reclaim its mission and vision for the future. The SEJ Connectional Table and SEMAR celebrate a partnership with the Western North Carolina Conference through Givens Estates, Inc., in Asheville. Givens has agreed to be the lead partner in a senior adult housing project located at Lake Junaluska.

We continue to celebrate the ministries of the remaining five agencies of the jurisdiction: Hinton Rural Life Center, Intentional Growth Center, Archives and History, Southeastern Jurisdictional Native American Ministries and UM Volunteers in Mission. They each offer their focused ministries with annual conferences and local churches. All seven agencies of the SEJ fall under the total ministry of the jurisdiction.

Ministry within the SEJ continues to expand and grow. The focus of the SEJ Ministry Team for this quadrennium is *Cultivating Spiritual Leaders*. Events and resources are aligning to this end as we take seriously the vision of *making discipl-makers* and connecting the jurisdiction through networking opportunities. Staff leaders are working to discern needs of the jurisdiction with a focus on adults, youth and young adults, laity, clergy and ethnic constituencies. At this writing, a new staff position focusing on strengthening the African-American churches of our jurisdiction is in process. Our staff is committed to moving into the future with careful planning and evaluation of existing resources.

The Lake Junaluska Conference and Retreat Center had 97,000 guest nights in 2005, down from the previous year. We are proud that 55% of those served are United Methodist. We have an extensive marketing program to tell the story and mission of Lake Junaluska and the jurisdiction. We have just completed renovation of an additional 50 rooms at the Terrace Hotel, which completes the renovation. The Harrell Center auditorium was recently recarpeted, the hallways and restrooms rejuvenated. Inspiration Point, located at the west end of Lambuth Inn, is complete and will receive a life-size statue of Christ this spring adding another significant place for reflection and spiritual formation at Lake Junaluska.

We appreciate the local churches that have chosen to meet the challenge of \$.50 per member for the quadrennial special asking for the renovation of the Lake Junaluska dam. Phase 3 of the work has been completed and State of North Carolina inspectors have encouraged us to continue with the schedule that has been set for repairs. The special asking collections totaled \$113,470.36.

The SEJ Connectional Table approved the Junaluska Assembly Community Council (JACC) as an advisory group to Residential Services. The election and ratification of this council was completed by the residents and began meeting in March.

We continue to appreciate the apportionment payments from all annual conferences that support the SEJ connectional ministries. Total 2005 SEJ Annual

Conference apportionment payments were \$1,768,794.88. The collection percentage was 82.0%. The council's allocation of that collection was \$1,631,890, an increase over the 2004 collection.

The General Commission on Religion and Race met with the staff and the Connectional Table of the jurisdiction in the fall, monitoring our progress in becoming inclusive. They were very complimentary of the hard work that has been done to ensure the SEJ becomes an inclusive organization.

We continue to make progress with our Capital Campaign, having received \$8.3 million. Pledges for the Bethea Welcome Center are being completed with the hope of beginning construction this year. Toward the end of the year, we will begin to raise funds to build a new clubhouse for the Junaluska Golf Course.

We are grateful for the work of the elected members on the Connectional Table and those who serve as leaders in other areas of ministry. Those who serve from the North Carolina Conference are:

Bishop Alfred Wesley Gwinn, Jr.  
Elizabeth Q. Frazier  
Gary W. Locklear

## STATE OF THE CHURCH ADDRESS

I greet all of you in the powerful name of our Lord Jesus Christ! And I stand with you before an amazing God who has sounded forth the trumpet that shall never call retreat! An amazing God who calls you and me sons and daughters. An amazing God who calls the Church his beloved.

It seems only yesterday that I stood before you in Fayetteville at our 2005 Annual Conference and sought to name the vision God has planted in your heart and in my heart. To name God's preferred future for us that we continue to discern more clearly every day as we pray with one another, talk with one another and listen to one another.

What a challenging time to be the Church! What a challenging time to be a Christian! What a challenging time to be a United Methodist in North Carolina! Persons like Loren Mead from the Alban Institute, Lesslie Newbigin, Bill Easum, George Barna and others have made the case that these, are indeed, exciting times and that we are living in a truly unique time – a time they are calling a “crack in history” – and in-between-time – between what is and what might be. For example:

- This world is boiling with anger and hatred. The divisions over political ideologies, religion, and economics are deepening to the point of tearing at the very fabric of world peace and stability, as well as the fabric of nations and institutions.
- The gap is widening between the “haves” and the “have-nots” and the “have-nots” are becoming increasingly impatient and angry with those who “have.”
- Our planet is offering up frightening signs and symptoms of too many years of abuse.
- Human life continues to decrease in value: Children are victims of violence that is inconceivable to most. Every day in America alone 2,482 children are confirmed as abused or neglected. Babies continue to be aborted with the same lack of conscience with which they were conceived. The elderly are put away as easy as an afterthought. Hundreds of innocent people are dying every day because of ethnic cleansing and political ideologies.

- Objective truth is so seriously questioned today that for many there remains no true North in terms of the compass of morality.
- Salvation through Christ is considered one option among many that could lead to abundant living and eternal life - so that the passion to make disciples for Jesus is dying out even in the hearts of those who claim His name.

And we are right in the middle of this “crack in history” - the “what is” – but we are God’s people and God is asking us to live into the “what might be.” Erwin McManus *An Unstoppable Force Rightly Says* the Church is an Unstoppable Force Created to Change the World. And, I am more convinced than ever that there is a common song in our hearts here in North Carolina – “*Hear I am Lord. Is it I, Lord? I have heard you calling in the night. I will go Lord, if you lead me. I will hold your people in my heart.*” The theme of this Annual Conference is much more than just a theme – “Walking in the Light of God” – it’s a statement that captures what we truly intend to do!

There is no doubt in my mind that we are being summoned to undertake with renewed vision and vigor the unfinished task of MAKING DISCIPLES OF JESUS CHRIST FOR THE TRANSFORMATION OF THE WORLD.

Our Council of Bishops has identified SEVEN PATHWAYS that we will focus on as we center on making disciples of Jesus Christ for the transformation of the world:

1. Developing new congregations in churches that are more than 10 years old it takes 72 members to win one disciple. In churches that are between 5 to 10 years old it takes 17 members to win one disciple. In churches that are less than 3 years old it takes 2 members to win 1 disciple for Jesus. That alone should show us what powerful tools of evangelism new church launches are. Further, it is important to remember that we now have 20% of our churches where 80% of the American population lives.
2. Teaching the Wesleyan model of forming disciples of Jesus Christ. I am so pleased that our 2005 statistics show that we have 3,735 more accountability groups here in the North Carolina Conference than we had last year. We are moving in the right direction!
3. Strengthening clergy and lay leadership. This is at the heart of our vision here this conference and I will speak more about this pathway later in this address.
4. Reaching and transforming the lives of the new generations of children. Did you know that there are 75 million children and youth in the Millennial generation? That’s a larger generation than the Baby Boomer generation! It’s the largest generation we’ve ever had in America. And yet, the 2005 statistics of our North Carolina Conference show that we had 3,144 fewer children and youth in our Sunday school classes every Sunday than we did in 2004! We experienced a 342 loss in average weekly attendance at our UMYF meetings! The number of children and youth in society has been rising sharply but the number we are reaching is significantly declining.
5. Eliminating poverty in community with the poor. That means we eliminate poverty not with a handout but a hand up.
6. Expanding our Hispanic/Latino ministries. Please hear this: The Hispanic/Latino population in North Carolina is growing faster than in any other state in the nation. Later in the conference we will hear a strategic report about our plans with the Hispanic/Latino Ministry.
7. Transforming existing congregations. Once again, this is at the heart of our vision here in this conference and I will speak more about this pathway later in this address.

These pathways must guide us as we evaluate ministries, build budgets and strategize for the future. Our founder, John Wesley, affirmed personal holiness and social holiness as the twin spires of the Christian faith. These seven pathways seek to address this balance and interplay between strengthening the Body of Christ and

fulfilling the Reign of God. Invitation into the Body of Christ and formation through the Body of Christ cannot be separated from bearing witness to and advocating for the Reign of God in all of creation. Disciples of Jesus do not just believe in Christ, they follow Christ into the world. And, the Church will not be in the world without effective systems of reaching, forming, equipping and sending disciples.

Here in North Carolina, as we travel those seven pathways, we will do so on “two strong legs” – The leg of God-inspired, Christ-centered, Spirit-led, effective, visionary clergy leaders and the leg of healthy Spirit-filled congregations that have radical hospitality, passionate worship, focused spiritual formation from the cradle to the grave and risk-taking ministry and service to the world.

So, let me speak more about the first leg that will carry us down these pathways – Effective, Visionary Clergy Leaders. I thank God daily for the many marvelous, dedicated, cutting-edge clergy we have in this conference! Their effective, faithful and fruitful ministry is richly blessing our smaller membership, medium size and larger membership churches. They are showing us what God can do with obedient, well-trained and equipped, growing servant leaders.

I believe that God desires that same quality of leadership from every single servant leader He calls and the Church sets aside for Word, Sacrament, Order and Service. And I know you believe that also. I wish you knew the number of letters and personal comments I get from our clergy saying to me, “Thank you for calling us to greatness in Christ! Please hold the course!” My brothers and sisters of the “cloth” I implore you to hear this: no servant leader who is willing to give his or her very best has anything to fear about this direction! Only if you are satisfied with mediocrity or maintenance ministry should you have concerns. Later in this conference a Bishop’s Task Force on Effectiveness will update you on a definition of effectiveness and principles that will guide us as we help one another give our very best to the Lord of the Church.

Last year I spoke to you about the vision for an Academy for Leadership Excellence that God had given several lay persons and some clergy persons a few years ago and I reported on the progress of bringing that vision into a reality. Today I report to you that in the next few days a donor couple will step forward with a gift of \$1,000,000.00 to the Academy, which will be added to the \$600,000.00 plus that has already been given or pledged.

Further, on the 29<sup>th</sup> of this month a search committee will make a recommendation of a person (selected from 38 persons identified in a national search) to become the executive director of the Academy and to begin the work as executive director on July 15. Praise be to God! A unique place where clergy can be coached, challenged, “re-tooled” – and clergy and laity can be equipped with specialized and practical leadership skills for the 21<sup>st</sup> century has become a reality in North Carolina. And, God has done all of this through a laity-dominated team!

I am most pleased to report to you that some of our local churches have taken seriously my challenge of last year to become proactive in helping their clergy find healthier, happier and more fulfilling times in their present ministries. Every single congregation, regardless of size, must help us in this endeavor! Laity, please hear me – insisting that your clergy find a rhythm of renewal and re-creation is as important as making sure they have adequate salary! Just a few years ago one of our annual conferences in this nation created a Clergy Morale Task Force to study clergy morale in their conference. Their report included these remarks, *“The key to morale lies within our personal practice of the means of grace. Without fail, there is (was) a direct relationship between the person’s morale and his or her personal piety. The more a person practices the means of grace, the higher the morale.”* Lay member, when you go home begin immediately to talk with your other local church leaders about establishing for your clergy a standard of not less than two three-day spiritual retreats a year and a minimum

of one month sabbatical leave every four years – of course, these are separate from vacation times. Healthier, happier clergy will make for healthier happier congregations!

One more word on this leg of effective clergy leadership: Dan Dick of the General Board of Discipleship wrote in a recent Interpreter Magazine: *“Beyond burgeoning health care costs and skyrocketing insurance premiums, the physical deterioration of United Methodist clergy is appalling.”* He goes on to write, *“Effective clergy leadership requires a new commitment to self-care and wellness. One solution is to form a clergy wellness group. Clergy are banding together to form covenants around exercise, diet, rest, renewal, learning and recreation – where they hold each other accountable to practices that lead to a greater quality of life. Rather than waiting for disaster to strike, these leaders are taking preventative action.”* May all of us treat our bodies and minds like temples of the Living God, which the scriptures teach us they are!

The second leg that must carry us well as we travel these Seven Pathways of making disciples of Jesus Christ for the transformation of the world is: Spirit-filled, healthy, vibrant, alive, dynamic congregations. Healthy congregations are disciple-making center of Jesus Christ for the transformation of the world. Healthy congregations must become the measuring stick for evaluating the effectiveness of every conference board, agency and committee of this conference! If we fail at this task, we fail overall! But we must never forget that Methodism is first and foremost about connection. United Methodist congregations are not independent locally-owned churches. We are a Connection. We are a Body! We are a family! We are responsible for and to each other.

We belong to each other at the same time we belong to God. To belong to God is to belong to God's heart. And God's heart is about love, intimacy, passion and sacrifice. Listen, God's people know that they are secure in God's hands. They love to live and live to love. For them God is the center of life – especially life in the Church.

George Morris, longtime professor of evangelism at Candler School of Theology and recipient of the 2005 Distinguished Evangelism Award writes: *“Both my research and teaching in the field of missiology, as well as, my own missionary experience on national and international levels have taught me the following: Growing churches, whether they be protestant, Roman Catholic, or independent, ordinarily hold three things in common: (1)They are committed to the authority and primacy of Holy Scriptures; (2)They have strong Christological convictions; (3)They are open to both the power and the gifts of the Holy Spirit. On the other hand – declining churches, whether they be protestant, Roman Catholic, or independent are, for the most part, in decline because they are deficient in these three areas.”*

A Spirit-led, healthy, alive, growing congregation understands this truth. And all of us, including every size congregation in our conference, must come to understand this truth as well. So I say to you - friend, if you've been trying to run your church, stop it! If you are controlling your church, stop it! If you've been trying to save your church, stop it! Fall on your knees and give your church back to Jesus, the Lord of the church. The Church belongs to God! So we need more prayer meeting than we do planning meetings. We need more palms open to the heavens than fingers pointing at each other. We need more calloused knees than sharp tongues. We need more people asking deep questions than giving personal opinions and surface answers. Friends, the drag of the horizontal perspective will disease and kill a church! And, too many of our congregations have become a body that looks more like a herd of cattle in a stampede than a flock of God's sheep moving beside still waters and green pastures.

Our congregations must become mission centers for Jesus and not “me” centers with a mission. We have forgotten that there is a kingdom of darkness stealing the hopes and dreams and souls of a humanity without God. Did you know that we had 365 local congregations that did not have one single profession of faith in this last year?

The call of God involves risk, passion and sacrifice. Our congregations must become the heart of God in their community and in this world. John the Baptist tells us in the Scriptures that Jesus would baptize us with both Spirit and fire, meaning passion. And in Acts 2 the Church was baptized with the Holy Spirit and with fire. And what a passion it gave them!

Passion for the lost was not an option in the Acts 2 Church. Passion for reaching out to needy people was not an option in the Acts 2 Church. Passion for justice was not an option in the Acts 2 Church. Passion for being a vessel for the Living God was not an option in the Acts 2 Church. The Acts 2 Church had radical hospitality, passionate worship, intentional spiritual formation from the cradle to the grave and risk-taking mission and ministry to the world.

So, by the Annual Conference of 2008 I want us to be able to identify, by name, 200 Acts 2 Churches in this conference! Churches that have all four of these qualities functioning well in the life of the Body. Churches that have decided to reach the lost, the unchurched, the de-churched – to reach children, youth, Hispanics and Latinos – not counting the cost or sacrifice involved.

Churches that have prayer-based, Spirit-filled, quality worship services. By the way, our 2005 statistics also show that our average Sunday morning worship attendance is down 2,796 persons! That fact should cause us to ask ourselves several serious questions about how we do worship, what we are or are not teaching about commitment and if real relationships actually exist.

By 2008 we will name 200 churches that are teaching their members to go deeper and not just wider. Churches that are serious about every member being in small groups where they are supported, encouraged and challenged to grow in Christ. Churches that are helping their members understand the gifts of the Spirit and the role of those gifts in building up the Body of Christ. Churches that forge strong, full partnerships between the clergy and laity. Churches that want a leader to equip and empower them and not do their ministry for them. Churches that want to be challenged and not coddled.

In 2008 we want to name 200 churches that are risk-takers in attacking poverty, seeking justice, caring for the needy – eager to give a hand-up and not just a hand-out. Churches that cause persons like Bishop Hope Morgan Ward to say ..... **video clip.**

To date we have given \$1,663,204.85 to Katrina relief. And, we have given \$1,093,452.15 to Tsunami relief! Almost every single week since Katrina hit we have had a team or teams of persons in Mississippi – and will continue to do for months to come!

This wonderful, generous outpouring is further proof that money is not our issue. Heart is our issue! When we have the heart of God, we love, we sacrifice, and we burn with passion to help and save others. And just as we have defined effectiveness for clergy we will define effectiveness for local United Methodist congregations. We will find an objective way to evaluate local congregations. So I am asking our conference lay leader, Emily Innes, to lead a team which will bring a report on this issue to the 2007 Annual Conference. And, like I said to clergy, I say to local congregations – there is absolutely no reason to have concern if you want to be an Acts 2 congregation. The only reason for alarm is if you are satisfied with mediocrity or maintenance ministry!

Brothers and sisters, the Church of Jesus Christ is the hope of the world. And we are the Church! The Church is not a group of human beings doing their own thing. We are a Body of disciples under the mandate of a living Lord – and He has trusted us to live in a critical time of history. A “crack in history” – a window – between “what is” and what “might be” - that some say occurs only once or so every thousand years. We were created to be a Daring to Change the World Church. We dare not miss this golden moment for God? What will be written in the Lamb’s Book of Life about you and me and the church we belong to and led in such a crucial time?

This one thing I know, there's a consistent theme woven throughout the stories of the heroes and heroines we read about in the Holy Scriptures – namely, the Lord of the Church called them to risk; none of them knew how the challenge or the call would end. They simply obeyed God and trusted God to work out his heart's desires through them as they Walked in the Light of God. And He always did more than they expected! And, in a way better than they could have imagined!

I'm ready to let go of my fears – and my way – and walk in the light of God.  
“Breathe on me, Breath of God; Fill me with life anew, That I may love what thou dost love, And do what thou wouldst do.”

## UNITED METHODIST RETIREMENT HOMES

The United Methodist Retirement Homes, Inc. (“UMRH”) celebrated fifty years of service in 2005. Through the historical publication, *Celebrating Fifty Years of Service*, we viewed the events that shaped The United Methodist Retirement Homes, Inc. for the past fifty years. In 2006 we look forward to continuing the mission of providing quality care and services to senior adults.

On the **Croasdaile Village** campus, the *William Preston Few Interfaith Chapel* was opened in May, 2005. A consecration service was held Sunday, July 24, 2005. The chapel was formally named for Dr. William Preston Few, the founding president of Duke University. This naming was made possible by the generous gifts of the George W. Newton family of Durham. Mr. Newton is a trustee emeritus of The United Methodist Retirement Homes.

The expansion project of Croasdaile Village, which includes 59 independent living apartments, thirty new cottages, construction of an on-site laundry and maintenance building, expansion of the existing dining room, and refurbishment of other common areas is slowly rising into the sky. The 30 cottage units are scheduled for move-ins September of 2006, while the apartments should be occupied early in 2007.

State survey teams have expressed concern the past couple of years that the residents in the Pavilion health center have no access to an exterior courtyard. A mini-campaign, initiated in January 2005, has been successful in raising \$160,412 towards the development of the Croasdaile Village Courtyard and Gardens. Construction is underway with an anticipated completion date of March, 2006.

A market study was conducted in 2004 to identify whether the Lumberton market could support the addition of independent living units for seniors on the **Wesley Pines** campus. We had hoped the results would indicate the need for such development, yet the results showed limited need and interest at this time. An additional study took place late 2004 (and into 2005) which has identified the needs of the Wesley Pines campus and opportunities for limited development, program changes and campus refurbishments. The Board continues to analyze and absorb the results of the study, but has approved construction of additional cottages on the Wesley Pines campus on a pre-sold basis. A groundbreaking ceremony for the first cottage was held on February 10, 2006. A second “party” has also shown interest in a new cottage, and management is working with them to finalize a contract.

Earlier this year, a mini-campaign was initiated for the development of a conference and training center at Wesley Pines. The community received a \$25,000 gift from Kathryn and Trot Nixon and Holly and David Zingone to name the new conference and training center. The gift was made in honor of Board member Gary Fisher and his wife Kay, and in memory of Kay's father Mr. Ted Brewer, Sr., a former resident of Wesley Pines. A Dedication event was held on December 21, 2005 and the room was named the *Fisher Conference and Training Center*.

A ribbon cutting ceremony for the Memory Care Cottage at **Cypress Glen** was held on August 25, 2005. The Memory Care Cottage will provide a safe and secure, home-like

setting for 12 residents with dementia related illnesses. The cottage officially opened on Monday September 26<sup>th</sup> and welcomed its first residents.

The community has also welcomed more than sixty new residents over the past few months as the independent living expansion project at Cypress Glen has officially opened. Cypress Glen now has 194 available independent living units, and the community is 95% sold and/or occupied.

The management agreement between UMRH and **Quail Haven Village** in Pinehurst was renewed for an additional five years on February 1, 2006. Occupancy at the community has been strong and for the first time in many years, the community is meeting most of its financial targets and experienced a positive net operating income for Fiscal Year 2005. The community begins its 20<sup>th</sup> year of service in 2006.

Each campus had very good results from the annual State inspections of their health centers. In August, the Pavilion at Croasdaile Village was cited with one deficiency during its annual survey. In October, no deficiencies were noted during the annual survey of Cypress Glen's Medicare beds. The annual re-certification survey occurred at Quail Haven Village in November, resulting in two deficiencies. Wesley Pines' annual survey took place in January and the facility was cited with four deficiencies. These are excellent results and we are very proud of management and the nursing staff for the excellent care they provide to our residents.

Resident satisfaction surveys were completed at each campus in 2005. The results show that resident satisfaction remains strong at each campus relative to the satisfaction levels obtained in 2003. Croasdaile Village received an overall satisfaction score of 88% and Wesley Pines received an overall satisfaction rating of 86%. The overall resident satisfaction score for Quail Haven was 89% and Cypress Glen received a 93% overall satisfaction rating. When asked if they would recommend the community to a friend or relative, 95% of respondents answered they would recommend Croasdaile Village, Quail Haven Village and Wesley Pines, while 98% responded they would recommend Cypress Glen.

In April, 2005 the UMRH and Cypress Glen Board of Trustees adopted amended Bylaws that included amendments to honor the request of the Board of Institutions ("BOI") to reduce the percentage of trustees elected by the Annual Conference from 100% to 40%. In order to accomplish the 60%/40% ratio as quickly as possible, the terms of the then current 18 elected board member's expired on June 30, 2005. At the April meeting, the UMRH trustees re-elected eleven of eighteen members (61%), to take office on July 1, 2005. The names of 7 trustees (39%) were sent to the BOI, who held an executive session to re-elect those members, to take office on July 1, 2005. Going forward the UMRH Board will elect members at an Annual meeting in September, the BOI will elect at an October meeting and the new Class of members will take office on November 1<sup>st</sup> following the elections.

Development efforts on behalf of the corporation have resulted in new gift commitments totaling approximately \$400,000 in fiscal year 2005. Payments of previous pledges totaling nearly \$210,000 were also received.

Both UMRH and Cypress Glen exceeded their budgeted financial projections for Fiscal Year 2005, and experienced their best year (from a financial perspective) in their history. The continuation of strong financial performance places both organizations in a favorable situation with the expansion projects coming on board.

The Strategic Planning Committee and Executive Committee of the Board of Trustees met initially in June to begin the planning process which will set the stage for the next 3-5 years. A second session was held on December 8<sup>th</sup> at which time five strategic priorities were identified for the organization. A strategic plan will be developed, incorporating these five priorities, and presented to the Board for adoption at their April, 2006 meeting. Also, from the discussion on December 8<sup>th</sup>, the Board has adopted new Mission, Vision and Values statements. The organization's new mission statement, consistent with the

original Charter, is to “provide quality care and services for an inclusive and diverse population of senior adults.”

The United Methodist Retirement Homes is proud to be affiliated in faith with the Annual Conference, and feels honored to serve not only those connected by faith, but all seniors in Eastern North Carolina.

## UNITED THEOLOGICAL SEMINARY

**UTS Mission Statement:** *United Theological Seminary is a Christ-centered graduate school of the United Methodist Church that equips leaders for the church in a pluralistic world through the nurture of piety, the love of learning and the pursuit of justice.*

2005 was a year of change for us as we relocated to a new campus after 80 years in the previous location. As part of a two-year planning process beginning in 2001, the seminary staff and trustees examined buildings and facilities and came to the conclusion that the school's historic location on Harvard Boulevard would not meet the seminary's future needs. On February 18, 2005, we signed the documents that closed the purchase of a new campus in Trotwood, Ohio. The property, formerly owned by the Jewish Federation of Dayton, consists of an 80-acre campus at 4501 Denlinger Rd.

Renovations began in April, 2005, and seminary staff began to move into the new facility in September of 2005. A gala three-day celebration of the new campus was held October 10-13, 2005, with more than 600 people participating in the celebratory events.

The new campus gives the seminary many new opportunities with expanded classrooms, state-of-the-art technology, a new space for the EUB Heritage Center, a renovated library, programs in Wellness Ministry, and partnerships with the community. The new facility has academic and recreational resources that will allow us to make programmatic, educational, and economic impacts on the entire region.

The technology at the campus creates one of the most sophisticated learning centers in the area, suitable for nearly every constituent group conceivable. Our recreational facilities, which include in-door and out-door swimming pools, a walking track, softball fields, and tennis courts, have provided us with new opportunities for educational programming and community partnerships. Already, a partnership between the City of Trotwood, the YMCA, and UTS has provided a unique initiative to serve children and families with a day camping program held on the campus last summer.

The academic plan at UTS includes a full range of degree programs and initiatives including on-line learning and distance education. The M.Div. degree, with its noteworthy contextual education program, is among the more dynamic in the country, while the Doctor of Ministry program is innovative in its mentor-based contextual model.

United Theological Seminary began a Wellness Initiative in July 2004 in order to explore the establishment of a Center for Wellness Education within the Institute for Applied Theology at the school. The program includes health screening and assistance for incoming students, curriculum development for wellness education with the degree programs, and a full range of strategies for assisting congregations in the exploration of health, healing, and holiness.

The outreach of the seminary through the Institute for Applied Theology includes the Center for Urban Ministry, The Center for Worship, Preaching, and the Arts, and the Pohly Center for Supervision and Leadership Formation. With the addition of the Wellness initiative the seminary is prepared to address many of the current and emerging needs of lay persons, clergy, and the larger church.

## UNITY DIALOGUE

"The Unity Dialogue aims to preserve and advance the unity of the North Carolina Annual Conference as we seek to grow in the grace and knowledge of Jesus Christ — even as we might disagree (and seek to clarify our disagreements) about the matters of homosexual orientation and practice." (*Our Provisional Purpose*)

The Unity Dialogue (comprised of lay and clergy members from the North Carolina Annual Conference, plus Bishop Al Gwinn) has met three times this year to celebrate Holy Communion and to engage the issues facing our denomination regarding homosexuality. The group has dialogued about such timely issues as these:

- ordination and appointment of gay clergy (relevant to the trial, appeal, Judicial Council ruling, and removal of orders of Beth Stroud of Germantown UMC in Eastern Pennsylvania);
- reception into church membership of practicing gay persons and pastoral authority (stemming from the suspension and re-instatement of Ed Johnson as pastor of Southhill UMC in Virginia following Judicial Council ruling 1032), as well as accountability and authority of the bishop and cabinet;
- use of denominational facilities by unofficial caucus groups in the UMC (pertinent to Reconciling Ministries Network hosting "Hearts on Fire" at Lake Junaluska in September 2005); and
- the spiritual struggles of gay Christians and their families (as observed in the documentary video *Coming Out~Coming In: Faith, Identity, and Belonging*).

We are grateful for the avid participation of Bishop Al Gwinn, which validates the importance of episcopal leadership in these areas of church life today. Under God's Providence, we will continue to serve the truth in love.

**The Litany For the Faithful Departed** ..... Rev.Malcolm

Let us remember with humble hearts those servants of the faith who have finished their course and gone on before us, especially those whom we have named this day.

**We must never forget their faithful service.**

Let us remember them as husbands, wives, brothers, sisters, sons, daughters, and special friends who have shared their joys.

**Thank God for the ties that bind their souls to ours forever.**

Let us remember the kind father who loved and led his children, the dear mother who nurtured her loved ones with tenderness and compassion.

**We lift up thankful hearts for all their labors.**

Let us remember the saints of God who have lifted our spirits, enriched our lives, enlightened our minds, and touched our souls by both precept and example.

**Their words and deeds have been like a light shining in the darkness.**

Let us remember those who suffered long in their last days.

**May they find eternal peace and a heavenly rest as they live and reign with God.**

Let us remember those who have comforted us in our adversity, guided us in our resistance to evil, and knit us together as the family of God.

**We remember with renewed dedication their faithful service.**

Let us remember those who bravely stood their ground against the forces of injustice and were willing to take an unpopular stand for the cause of righteousness.

**We remember with pride their bold example.**

Let us remember their teaching, preaching, and strong witness for Jesus Christ.

**Lord, we who are benefactors of this great legacy thank you. We commend our loved ones to Your care. May the Holy angels guard and guide them safely into the heavenly realm. Help us who are left behind to follow their noble example that we may one day share in their victory and bring honor to their name through Jesus Christ our Lord. Amen.**

**\* Benediction** ..... *Bishop Gwinn*

**Postlude** ..... *Toccata in B Minor* ..... *Eugene Gigout*

## **WILLIAM P. LOWDERMILK**

**1933 - 2005**

The Rev. Dr. William P. "Bill" Lowdermilk, 72 passed away on July 18, 2005 after a courageous battle with brain cancer. Bill was born in Norman on June 24, 1933, to the late Dallas and Jennie W. Lowdermilk.

Bill received his A.B. in English from Emory University in 1955 and a master's of divinity degree from Duke University in 1956. He served as pastor of Culbreth Memorial United Methodist Church in Fayetteville from 1958 to 1963, when he joined the staff at Methodist College as director of public relations.

Thirty-two years later, in 1955, Bill retired as vice president for church and community relations. During this time, he received countless honors including an honorary doctor of divinity degree from North Carolina Wesleyan College in 1986 and in 1994, the Francis Asbury Award for supporting the church's higher education ministries.

Bill enjoyed attending many cultural and sporting events at Methodist College and became a highly regarded friend to many students to whom he was affectionately known as "Uncle Bill".

At the time of Bill's retirement, Methodist College trustees named the entrance road to the campus Lowdermilk Drive, and the Reeves School of Business and the Fayetteville Rotary Club established Bill Lowdermilk night. This was an annual program on values and ethics in the workplace.

On April 13, 2005, Bill was awarded the Methodist College Medallion for his devotion, service and outstanding Christian leadership.

Surviving are his two brothers, Dallas H. Lowdermilk of Durham and Frederick H. Lowdermilk of Jamestown; two nieces; two nephews; four great-nieces; and a great-nephew.

A Celebration of Life was held at Reeves Auditorium at Methodist College and burial at Norman United Methodist Church on July 21, 2005. The Rev. Ray Gooch and the Rev. Mike Safley officiated.

## **LESTER JACKSON**

**1919 - 2005**

Lester was born in Lordsburg, New Mexico on December 8, 1919 to Lester Polk Jackson and Eleanor Hagerty Long Jackson. His mother died (flu epidemic) before he was three years old, and he went to live with his grandparents, Benton Stonewall Jackson and Georgia Polk Jackson in El Paso, Texas. His grandparents instilled in him his Christian faith so much so that he preached to the neighborhood children when he was five years old and even married a couple of five year olds. He grew up in Trinity Methodist Church and was very active in the youth programs. He began preaching when he was seventeen.

Lester attended Southwestern University in Georgetown, Texas, and graduated from the University of Texas at El Paso. He chose Duke Divinity School for his ministerial training and came to Duke in 1943.

In 1945, Lester met Henrietta Riggs, and took his first appointment at Fountain Place and Glenco Village (Burlington District). December 27, 1945 he and Henrietta were married and began a life of service together that would span the next sixty years.

A call that seemed very special came from Ferrum College, a mission school in the Virginia Conference, and Lester went to be chaplain and teacher in the college, and to pastor St. James church in the village. When he learned that a small church, Bethany,

over the mountain from Ferrum, was about to be closed, he took it, and went there every Sunday afternoon. (The church is still open.)

He returned to the N. C. Conference and served Trinity (Belhaven), St. Paul (Rocky Mount), West Nash (Wilson – founding pastor), Nashville UMC, Rosemary (Roanoke Rapids), St. James (Raleigh), First (Hamlet), Burgaw UMC, and again took on a church about to be closed, Watha UMC, that is still in service. He retired in 1985, and he and Henrietta moved into their brand new retirement home in Nashville, NC, specially designed for them by their daughter, Eleanor. The day he retired, he was appointed to Middlesex UMC as a “part-time” minister. His appointments came to an end when he had a heart attack on Palm Sunday 1988 as he was about to step into the pulpit. He had served appointments for 43 years. After years of declining health, he died on July 23, 2005 in his beloved home, with Henrietta and Eleanor at his side.

Oh, how he loved Jesus, and the scriptures he studied daily, especially the Gospel of John. He loved his churches, and cared for all the people in them, as well as the communities around them. Lester always had time for the children and youth. He visited his families, and was truly a good shepherd. It was always obvious that he had been with the Lord, and when he prayed he knew who he was talking to. His sweet smile, loving ways, and humbleness are sorely missed, but we rejoice that he is with the Lord now, has gone to the home prepared for him from the beginning, and is free from the pain and decline of so many years. We miss him so, so much, but thank our God that Lester made this world a better place for over eighty-five years.

Henrietta Jackson, Eleanor Jackson Settle, and Donald T. Settle

## **CHARLES F. EAKIN**

**1920 - 2005**

Charles Francis Eakin, 85, died July 30, 2005. His Memorial Service was held at Bethel UMC, Pelham, NC, with Graveside Services held at Sherwood Memorial Park, Salem, VA. The Reverend Phillip Brown of Bethel UMC, officiated at both services. Charles, loving known as “Charlie”, is survived by his beloved wife of 55 years, Frances Lazenby Eakin of Pelham, NC, and his brother, Richard Edwin Eakin of Roanoke, VA.

Charlie passed away at the Brian Center, Yanceyville, NC after three months of declining health.

Born on April 10, 1920 in Craig County, VA, he was the son of the late Cleveland Marshall Eakin and the late Mildred Root Eakin. His parents gifted him with a love for woodworking and art, which he skillfully used in reaching out to others and encouraging them in their faith in God and service to their fellow man.

A WWII veteran, Charlie was an Army Air Force Prop Specialist. After completing his military service he returned home where he attended Roanoke College, Salem, VA for two years. Charlie and his new bride then moved to Atlanta, GA, to continue his education, graduating from Emory University and Candler School of Theology. He began his service in ministry in 1958 and retired in 1982. Charlie served as a role model for those who came in contact with him. He was always eager to share his love for the Lord and possessed the ability to motivate and encourage others to be more Christ like in all things.

Charlie was called as a retired supply minister for the NC Conference from 1984-1997 and again from 1999-2003. During his 41 years of ministry he served churches in Brunswick, Rocky Mount, Goldsboro and Burlington districts.

Charlie was named LaGrange, NC Citizen of the Year in 1994, for his volunteer work and building projects for the children and staff at LaGrange Elementary School. He also

gave his time, talents and expertise to Lenoir Community College, Wayne County Schools and the Lenoir County 4-H.

1994 was also a very busy year for the members of his congregations. Charlie led the Institute UMC congregation in the planning and building of a Fellowship Hall and playground. He also assisted the Hickory Grove UMC congregation in renovating their existing Sanctuary, Fellowship Hall and Multipurpose Room.

Charlie proudly served as chaplain to the Yanceyville, NC Post of the VFW.

Charlie and his friend, Sam, worked with youth of Bethel UMC. Under their guidance and teaching, 9 young men joined the church in 2005.

In a final tribute to their leader "Mr. Charlie", the youth created and presented a memorial garden, "dedicated to the glory of God, and for service in this church, in loving memory of Charles F. Eakin."

## **KATHERINE BOONE**

**1925 - 2006**

One of the first things you'd notice about Katherine Abernethy Boone was the lively twinkle burning bright through brilliant blue eyes. When those eyes lit up a degree brighter, you knew you were in for a treat.

Katherine treated everyone she met to her special brand of love and humor and gave the very best of herself to the Methodist Church families where her husband of fifty-seven years, Rev. Sidney Grant Boone, served as minister. It seems that when things came to a sticking point among disagreeing parishioners, Katherine found a graceful way to charm them unstuck. What a team Katherine and Sidney made.

Together they were honored to serve at the following charges in the North Carolina Conference of the United Methodist Church: Sandy Cross (1941-45); Robersonville (1945-48); Rocky Mount, Clark Street (1948-51); Norlina (1951-55); Wendell (1955-59); Williamston (1959-1964); Durham, Asbury (1964-68); Dunn, Divine Street (1968-73); Wilmington, Trinity (1973-77); and Mt. Pleasant, Middlesex (1977-85).

Katherine continued sharing that special twinkle with those around her until Monday, November 28, 2005 at 7:05 PM when she took her light from our world to the next where she and her dear Sidney are a team again serving in God's care. She also rejoins her parents, Julius Edward and Ruth Wheless Abernethy; sisters, Sarah Frances Abernethy and Ruth Abernethy Belche; brothers, Alfred W. and John W. "Buddy" Abernethy; half sisters, Bessie A. Layton and Beatrice V. Abernethy; and half brothers, G. Edward, Charles O., and Clatie H. Abernethy.

She is survived by her brother, Julius Abernethy; and by her three sons, Sidney Grant Boone, Jr. and wife, Jackie; Samuel Julius Boone and wife, Mary Jo; and John Abernethy Boone and wife, Sharon. She is also survived by seven Boone grandchildren, William Robert, Susan Ashley, Samuel Julius, Jr., Elizabeth Johanna, Mary Katherine, John Wesley, and Avery Marie.

Rev. J. Milton Hadley, Jr. and Rev. Steve McElroy conducted funeral services at Nashville United Methodist Church in Nashville, NC, on Thursday, December 1, 2005. Burial followed at Forest Hill Cemetery in Nashville.

While it's true those of us who knew and loved Katherine Boone now mourn her loss, we take comfort in that lively twinkle still burning deep in our hearts where it makes

us better and always will. But those of us who knew her best and loved her most also have to stop and smile: we know heaven just became a little bit more fun.

## HELEN H. BRODIE

1916 - 2006

Helen Josephine Hunter was born October 25, 1916 at Arcola in Warren County, NC. The youngest of the 7 children of Mattie and Joe Hunter, she attended High Point College in the 1930s but, because of the Depression, was only able to complete 2 years of school. Helen soon moved to Raleigh and became a photographer for Smith Studio. Because she also took photos for the "State College" yearbook, she was able to attend special events that included concerts with Frank Sinatra and band leader Eddie Duchin. Helen also attended events enabling her to photograph the Governor of North Carolina, Katherine Hepburn. Dozens of World War II soldiers posed for her in the studio. She met Stewart Brodie at Edenton Street Methodist Church in Raleigh when a young adult Sunday School class was formed. She and Stewart were married January 29, 1944 at Edenton Street Methodist Church while he was on weekend leave with the US Navy. After he returned to civilian life as a freight agent with Norfolk and Southern Railway, Stewart was called into the Ministry. He graduated from Louisburg College in 1950, Univ. of Fla in 1952, and Duke Divinity School in 1956.

Helen and Stewart served the Halifax Charge near Brinkleyville, NC (1948-1950), Micanopy, Fla, (1950-52), Spring Hope, NC (1952-57), Scotland Neck (1957-59), Tarboro (1959-64), Grifton (1964-67), Zebulon (1967-71), Hope Mills (1971-75), Weldon (1975-78), and West Burlington (1978-81). Stewart died in November 1983, while serving the Gatesville Charge. Helen and Stewart raised 3 children: Bob, Eddie, and Betsy {"Beaver"}. There are 5 grandchildren.

Seeing the need for help for clergy and their families in the late 1960s, Helen and others enlisted help from the Bishop and formed a Committee on Clergy Care; a place for those in need of counseling.

After Stewart died, Helen moved to the Methodist Retirement Home in Durham but, because Bob's wife had been paralyzed in an accident in 1974, Helen built a home next to Sylvia and Bob in Summerfield, NC, where she lived until her death on April 10, 2006. She had fought ovarian cancer for 2 ½ years. Her ashes are with Stewart at Bethlehem Church in Arcola.

While in Summerfield, Helen volunteered with the Red Cross Blood Mobile, was active with the retired Ministers and spouses in the Greensboro area, took computer classes, raised plants and flowers at her home, did ceramics, needlepoint, and volunteered at the Natural Science Center, where she delighted in showing children the Center's spiders and snakes!

Helen Brodie is remembered by those who love her as a caring and positive person, who delighted in life each day and in the life stories of others. Her smile and laughing eyes could captivate a roomful of people, and she faced rather than feared the uncertainties of life, even in her illness and death. We are thankful that God shortened her time of pain and suffering, and has re-united her with Stewart, the love of her life. We look forward to a joyous gathering together in the presence of Jesus our Lord.

## **KURLEE B. MOSER**

**1912 - 2006**

My beloved wife, Kurlee, passed away on April 17, 2006 in Burlington, NC. She was a devoted wife and mother.

We were united in marriage on August 18, 1934. The good Lord gave us 71 happy years and 8 months together. She was faithful in her attendance at church until declining health took a hold of her body.

We were blessed with two children, David Lee Moser, who is a member of Garner United Methodist Church, and Phyllis Lee Moser Partin, who is a member of Trinity United Methodist Church in Raleigh, N.C.

In full support of her husband in the ministry, Kurlee was at home when the children came home from school and she was out of bed in the morning to be sure she had the time to prepare breakfast before the children left for school. When Sunday came, she was in church with the children. She was not a person to express herself outwardly emotionally, but in her own quiet way, she went about keeping a clean parsonage and supporting her preacher husband. She took pride in taking care of the property that belonged to someone else. She was anxious that the parsonage be in good shape for the incoming pastor and his family after we moved to another appointment.

On April 20, a very impressive worship service was conducted in her memory in the Davis Street United Methodist Church in Burlington, N.C. where I served as pastor for eight years. Leading the service was the pastor, Rev. Jerry Dodson, Rev. Albert Trotter, and Rev. W.H. Gattis, District Superintendent. The music was very impressive also, which was furnished by Jimmy Cartner, soloist, and Dolly Shaw, organist.

Kurlee was laid to rest in the cemetery of Bellemont United Methodist Church, where she was a member.

As the Holy Scripture says about a good woman, "She looketh well to the ways of her household, and eateth not the bread of idleness.. Her children rise up and call her blessed." As Margaret Widdmer has said in one of her poems:

She always leaned to watch for us,  
Anxious if we were late,  
In winter by the window,  
In summer by the gate;

And though we mocked her tenderly,  
Who had such foolish care,  
The long way home would seem more safe  
Because she waited there.

Her thoughts were all so full of us  
She never could forget!  
And so I think that where she is  
She must be watching yet,

Waiting till we come home to her,  
Anxious if we are late  
Watching from heaven's window,  
Leaning from heaven's gate.

Lee Moser, husband and children, David and Phyllis

## **CATHERINE P. LEE**

**1935 - 2006**

Catherine Parrish Lee was born December 21, 1935 in Greenville, Alabama to Donald Haynes and Lula Irene Parrish. Catherine's family moved to Benson, NC in 1938 needing to find employment. It was in Benson that Catherine attended Benson High School and graduated in 1954. Following graduation from high school, she attended Appalachian State University, and later transferred to Campbell University where she graduated in 1958.

Catherine was always active in the Benson United Methodist Church with the youth, choir, and United Methodist Women. She worked with Parrish Motor Company as a secretary. It was there that she met her husband Henry W. Lee while making a car payment. Later, they were married on June 12, 1966. One year later, Henry entered the ministry of The United Methodist Church. To the union of their marriage was one daughter, Sarah Catherine, who now lives with her father in Benson.

Catherine followed Henry across the North Carolina Conference giving of her time unselfishly in so many ways as a dedicated minister's wife. While Henry was in college and seminary, Catherine was his private secretary and gave of her time in the work of the churches he was serving. She often had to play the piano in some of the churches, when no one was there to play. She enjoyed making new friends in the churches wherever they might be living.

Even though many years of her life were spent in declining health, Catherine faced it with bravery, faith, love and a concern for others. She always had a smile regardless of whether she was in pain or feeling well. Catherine's love for the Lord was a living testimony of her faith.

In May of 2006, after being on dialysis for approximately ten years, Catherine went home to be with her Lord that she loved and had faithfully served all her life while she was a resident of Smithfield Manor Nursing Home in Smithfield, NC.

A Service of Life, Death and Resurrection was conducted at Benson United Methodist Church in Benson, NC May 18, 2006 by Dr. J. Thomas Smith, Dr. Milton H. Gilbert, Reverend Bobby Smith and Reverend W. Arthur Warren. Interment followed at Roselawn Cemetery in Benson, North Carolina.

Catherine is greatly missed by her family and friends as she has joined her Lord in the Church Eternal. For thirty nine years as the wife of a minister, she touched the lives of many people.
