WORKING...IN THE LIGHT OF GOD
working...in the light of God

We will gather for our second time in Greenville to celebrate working....in the light of God. This third year in our quadrennial theme reminds us that we will “work till Jesus comes.” The church and the mission of the kingdom continue under construction. We are a work in process under the providential love and guidance of God.

Mission teams travel from our conference to work and rebuild homes for victims of Hurricane Katrina. Others travel to Africa, Costa Rica and to the far reaches of the world to offer light and hope to the suffering. Here at home groups big and small glean to provide food for the hungry. Many participate in bagging meals to Stop Hunger. Local churches host homeless families in their facilities while others provide soup kitchens. Where there is a church steeple or a cross and flame, United Methodists in North Carolina are working as servants of the Risen Christ.

We will gather this year to vote for our delegation that will represent us at jurisdictional and general church conferences. All our work as servants springs forth from the Word of God and from the Table around which we gather. Spirited hymns, inspired preaching, Biblical teaching will shape us as a people.

We will gather acknowledging our need to worship, study and conduct the business of the church. We will scatter into those places we have been called to work and serve in the name of Christ.

 - D. These rules of order and procedure may be amended by a two-thirds (2/3) vote on the next day after a proposed amendment has been presented in writing.

**A note on usage in this document:*

• *The terms “North Carolina Annual Conference,” “Annual Conference,” or “Conference” [note the capital letters] refer to the North Carolina Annual Conference of the United Methodist Church. These terms refer to an organization.*

• *The term “annual conference” [in lower-case letters] refers to the yearly assembly, usually occupying four days in June, at which the North Carolina Annual Conference gathers to worship God and conduct business. This term [not capitalized] refers to this yearly, multi-day convention.*

The term “session” refers to one meeting of the North Carolina Annual Conference occurring on any part of one of those days or to a meeting on a single day for a special or called session. For example, the minutes often refer to the “morning session of the first day of the annual conference” or to the “evening session of Friday of annual conference.” This document avoids the common practice of using the phrase “the annual conference session” to refer to the whole week of meetings in June. This document’s usage would designate that whole series of meetings as “the 2006 annual conference,” or “the 2009 annual conference,” for example

REPORT OF COUNCIL ON FINANCE AND ADMINISTRATION

Ferrell Blount, president of the Conference Council on Finance and Administration, presented the Council's report which is printed on pages 120-135 of *The Conference Program, Recommendations and Reports 2007*. Blount reported a strong financial condition for the Conference and noted that the Jurisdictional and General Conference apportionments were paid in full for a second year in a row. Blount reported that the audit for 2006 was clean and that the district offices are now included with the Conference's audit. He praised the work of Christine Dodson, acting Conference Treasurer, and the staff of the Treasurer's office who received applause. Blount directed the attention of the Conference to the 2009 budget. A zero-based budgeting process was used for the first

time. He then referred to page 120 for the budget to be raised in 2008 to be spent in the year 2009 which would be voted on at this annual conference. The 2009 budget represents a 3.00% increase over the 2008 budget.

MOTION

Reginald Ponder, Louisburg College President (RA), moved "that line item #7 of the proposed 2009 Budget on page 121 of The Conference Program Recommendations and Reports be raised to \$3,600; that line item #9 of the proposed 2009 Budget be raised to \$281,463; and that line item #28 of the proposed 2009 Budget be raised to \$460,750." Ponder's motion was received by the Conference and referred to CF&A.

REPORT OF COUNCIL ON FINANCE AND ADMINISTRATION (CONTINUED)

Blount referred the Conference's attention to page 130. Blount pointed out changes in the apportionment formula policy proposed by the CF&A which would cap increases at 15% but allow unlimited decreases. Blount moved the adoption of this change.

AMENDMENT

Quinton Covington, Central (RO), moved to amend the report of CF&A Section III(A)(2). He moved the following:

Amendment to CF&A's Report: Roman numeral III, A. 2; pg. 130 in the Book of Program Recommendations and Reports.

Under A. "Apportionments: sub-point#2, end of lines 8 and reading on into Line 9 which reads as follows: "...up to \$4,500.00 for travel paid by a charge for each pastor..."

At the end of the sentence on line #9 following "paid by a charge for each pastor:

Add the following:

The amount paid by a charge for the expense of sending their lay members to Annual Conference and to include the expense of the pastor if paid by the charge; (the rest of the sentence) United Methodist Student Day; etc.

Line #9 would then read starting with:

"...paid by a charge for each pastor; The amount paid by a charge for the expense of sending their lay members to Annual Conference and to include the expense of the pastor if paid by the charge;"

Rational: "The cost to attend annual conference is an ever-increasing additional expense that has been laid upon the local church and upon the delegates. Depending upon the location the cost could reach over one thousand dollars for both the laity and clergy who attend the Annual Conference session. There may be some lay members who can afford to pay their entire expense. Also there may be some of the clergy who can pay their own expenses but for those who can't this expense has become a tremendous financial burden and the local church needs some assistance.

Since Annual Conference is a necessity to carry out the business of the Church each charge should be given this reduction to their apportionment tabulation to relief them of this every increasing expense."

Blount responded to Covington's amendment and asked Covington to adjust his addition to the report to ask for a study of that particular item. Covington accepted the offer and withdrew his motion.

POINT OF INFORMATION

Ken Ripley, lay member Spring Hope (RM), rose to a point of information asking about the District Superintendents' non-vouchered allowances and was ruled out of order.

REPORT OF COUNCIL ON FINANCE AND ADMINISTRATION (CONTINUED)

The Bishop called for the vote on the CF&A recommended change to Section III (A) Apportionments and it was approved. Blount then moved the adoption of Section IV, Approval to Solicit Funds, printed on page 132. It was approved. Blount directed the Conference to Section V on page 33, a new policy for computing the district superintendents' compensation. He recommended a 3% increase raising the salary for 2008 to \$99,292. Blount moved the approval of the district superintendents' salary. M. B. Collier, Dukes Chapel (DU), was recognized and spoke against the CF&A motion.

POINTS OF INFORMATION

Grace Hackney, Cedar Grove (BU), asked the Conference to reconsider the language used to describe a district superintendent's job. Ken Ripley inquired about non-vouchered allowances and Blount responded. Jim Huskins, Edenton, (EC), spoke in favor of the compensation formula for district superintendents. PROPOSED REVISIONS TO CONFERENCE CONNECTIONAL TABLE
(Presented to and passed by the 2006 Annual Conference)

Christians have always been people on a journey. United Methodists are particularly noted for their ability to embody what John Wesley called “practical divinity.” Bishop Hope Morgan Ward, when she served as our Executive Director of Conference Connectional Ministries, stated that this position “embodies confidence that change is constant, good, and helpful to the church.” In that spirit, a few important changes in our structure are being proposed that we believe will make it better able to fulfill its mission of being the link to the annual conference and “the link between the circles of ministry” with the purpose of providing “a place for joint planning and problem-solving, to discern the vision for mission and ministry for the conference, and to strengthen the connection between the annual conference and the local church” (2000 Journal, page 185). The following revisions, based largely on the General Conference Connectional Table which came into being in 2005, were discussed and passed by the Conference Connectional Table at its February 13, 2006 meeting, approved in principal by the Structure Review Team on February 23, 2006, polished by a small committee on May 16, 2006 and are now presented to the Annual Conference for action.

3. The NC Annual Conference will organize its ministry as follows:
 - A. Structure Review Team: This team will annually evaluate the conference structure for effectiveness and faithfulness to the vision and mission of the Annual Conference, working in concert with the Connectional Table to propose changes in structure as needed. Ten persons, one from each Circle of Ministry plus the Bishop, Executive Director of Conference Connectional Ministries, and the Conference Lay Leader, plus two at-large members, will be elected by the conference.
 - B. NC Annual Conference Connectional Table
 1. The Connectional Table will provide a forum for the understanding, casting forth, and implementation for the vision of the conference. It shall be the place where ministry and money come to the same table to coordinate the mission, ministries, and resources of the conference. It will be the link among the Circles of Ministry (Communications, Episcopal, Mission Development, Resource Ministries, and Spiritual Formation & Leadership Development) and the agency to which they report. It will provide the primary place in the conference for joint planning and priority setting. It shall report and be amenable to the Annual Conference Session.

Its essential functions are to:

 - a. discern and articulate the vision of the conference
 - b. provide stewardship of the mission, ministry, and resources of the conference and provide fiscal responsibility and establish policies and procedures to carry out the mission
 - c. collaborate with the Council on Finance and Administration by:
 - 1) communicating the vision and priorities of the conference in preparation of budgets for apportioned funds that come before the Annual Conference Session
 - 2) setting allocations of budget requests within totals as recommended by the Council on Finance and Administration the Annual Conference Session
 - 3) as defined in paragraph 613 of The Book of Discipline 2004, the Connectional Table and the Council on Finance and Administration will work to achieve consensus concerning total funds allocated to program agencies

- d. enable the flow of communication among the boards and agencies through the Circles of Ministry.
- 2. Membership: Meeting on a quarterly basis, membership shall consist of 38 voting members:

No further changes in the structure as listed on pages 185-186 of the 2000 Journal are recommended.

This increases the membership of the Conference Connectional Table by only 7 members.

These changes will provide expanded opportunity for input from elected leaders of our boards, agencies, and committees.
The old Conference Council on Ministries had over 70 members.

Our structure will be much closer to that of the General Connectional Table.

Meetings and communications are increasingly taking place electronically saving time and money.

Our commitment to inclusiveness in our churches and in our leadership continues strong.

COMMUNICATIONS CIRCLE

Major news for the Communications Circle in 2006 was the dissolution of relationship with the Western NCC in the joint production of the Christian Advocate, and the good news of the continued publication of the North Carolina Christian Advocate as a publication by, of, and for the United Methodists of the NCC. Since fall of 2006, through the gifts, graces, expertise and work of Brownie Futrell and Barry Merrill, and NCC Communications staffers Bill Norton, Lee Anne Thornton, and Linda Smith, production of the Advocate never stopped. Recognition of the ongoing need for a print publication in the NCC fueled the passion for this effort.

A new Board of Publications has been formed, and the intent of the Board is to increase revenues through advertising and subscriptions, and to be about the business of producing a print and web news “paper” that will form and inform Methodists in the NCC. It is our vision that the Advocate will be helpful in teaching, sharing information, and celebrating the work of the conference as we live into making disciples of Jesus Christ for the transformation of the world. Subscriptions are welcomed! And the Advocate can be enjoyed on-line through a link on the Conference Web site: www.nccumc.org.

Archives and History reported the very successful hosting of the SEJ in a June 2006 event called “The Garber Years.” This event was a huge undertaking for Archives and History, and we celebrate their efforts in keeping us in touch with our roots. Congratulations to Arthur Warren and Laura Bailey and all those who offered their service in this event.

After seven years of Igniting Ministries advertising and grant funding, the effects of the effort are beginning to be known. We are growingly aware and increasingly claiming the vision of Open Hearts, Open Minds, Open Doors as a statement of who we are as United Methodists, and who we want to be. Igniting Ministries will be a topic for the General Conference of 2008, as the matching grants proposal ends at that time. It is the hope of this circle that our delegates support continued funding of Igniting Ministries into the next quadrennium.

Thanksgivings of the Communications Circle:

- For the ability to offer \$15,000 for funding Communications in Liberia as they begin to establish a network of communications in that African Country.
- For the good work and gracious spirit of the Communications Circle in prioritizing the budget requests for 2009.
- For the participation, willingness, passion and vision that are a constant part of the discussion around the Communications Circle
- For an awareness that through the efforts of this Circle, and the Communications staff of the NCC, the seven pathways adopted by the Council of Bishops will be communicated, elevated, educated, and celebrated throughout the conference.
- For the privilege I have as convener of the Communications Circle to work with committed, gifted, talented, and faithful people in telling the world what the church is up to, and being part of what God is blessing in the North Carolina Conference.

ARCHIVES AND HISTORY, COMMISSION ON

The spring meetings of the Commission and Historical Society were held on April 1, 2006 at the Benson United Methodist Church in Benson, NC. We elected Rev. Para Lee Rodenhizer Drake as the President of the Society, the first woman to hold this office. The history of the church was shared by the pastor, Rev. W. Arthur Warren, Jr., based on the former research of Mrs. Stella Creech and Mr. & Mrs. Ralph & Micki Delano. We enjoyed lunch and a presentation on music history by Mr. David Miller of Benson. We toured the local history museum of the Benson area and returned to the church for the Commission meeting. We discussed the final preparation for the SEJHS Meeting and other business.

The Annual Meeting of the Southeastern Jurisdictional Historical Society, June 27-30, 2006, was hosted by the NC Conference Commission on Archives and History and the Conference Historical Society at Duke Divinity School on the 80th Anniversary of the School. The theme for our gathering was "The Garber Era" honoring the leadership of Bishop Paul Neff Garber. Bishop Garber served our Conference from February 1951 to July 1968.

The excitement began as friends from around the Southeast began to arrive for our annual meeting with about 80 participants. Mrs. Thelma Crowder, President of the SEJ Historical Society, welcomed everyone and shared remarks for the week's activities at the opening session of our meeting. Dr. Richard Heitzenrater, William Kellon Quick Professor of Church History and Wesley Studies, presented the keynote address about the life of Bishop Garber that was enlightening and challenging for our future ministry. The Resurrection United Methodist Church provided refreshments for Tuesday evening.

Dean Gregory Jones shared the morning devotion on Wednesday. Mr. Tim Pyatt, Archivist at Duke University, shared about the history of the University and the Divinity School and led a tour in the afternoon of the Divinity School, Duke Chapel and other attractions nearby. Dr. Stephen C. Compton, Director of Congregational Development, shared about the Growth of our Conference through new churches and the support of the Ten Dollar Club. Mr. Bill Billings, Methodist College historian and director of Monarch Press, shared about the influence of Bishop Garber on the building of two new colleges in our Conference, Methodist College in Fayetteville and North Carolina Wesleyan in Rocky Mount in 1956 with continued support for Louisburg College in Louisburg.

Dr. Charles Michael Smith, Executive Director, Conference Connectional Ministries, provided wonderful musical entertainment with his singing and accompaniment by Mr. David Witt, Pianist and Rev. Gayla Collins, Flutist after our evening meal. Dr. Bill Simpson, Rocky Mount District Superintendent, shared information about the history of the United Methodist Building and the beginnings of the Raleigh area. Mr. Tom Walden, Conference Lay Speaking Ministry and Lay Witness Missions, shared about the beginnings of the "no silent pulpit" in Lent and the outgrowth of our present Lay Speaking program. Mrs. Robbie Barrett, Ministerial Relations Office, shared about her experience with the Youth Caravan overseas in rebuilding areas following World War II and helping to improve relationships through their work.

Our bus tour on Thursday was exceptional with Mrs. Beverly S. Pierpoint, Director of Annual Giving and Special Projects, The United Methodist Retirement Homes, Inc., sharing about the history of the Retirement Homes. Lunch was at Camp Rockfish with Mr. Wray Stephens, Director of Camping ministry, informing us about the history of our camping ministry. The Prospect U M C shared refreshments with us and told the story of the Native American heritage in our Conference with the guidance of their pastor Rev. Kenneth Locklear. We then returned to Durham for our evening banquet at Duke Memorial UMC with a delightful meal. Then the history of the Ordination and Full Clergy

Rights of Women was shared by Rev. Patricia Thompson, president of the Historical Society of the United Methodist Church and author of the book *"Courageous Past, Bold Future – The Journey Toward Full Clergy Rights for Women in the United Methodist Church"*.

On Friday morning we concluded the business of the Society with the introduction of Rev. Robert J. Williams, General Secretary of the General Commission on Archives and History. Closing worship with a Memorial Service and Communion with Bishop Alfred Wesley Gwinn as the celebrant concluded the meeting of the Society. It is with grateful hearts that we thank everyone who made this event possible and shared with us in the experience.

The fall meetings of the Commission and the Historical Society were held on October 7, 2006 in Greenville, NC. The Society met at the St. James United Methodist Church. Rev. H. Gray Southern, pastor and others from the church greeted us on our arrival. A delightful tour of the Church facilities and history of the Church were shared with us by Mrs. Martha Moyer. We then met at Cypress Glen Retirement Home hosted by Mrs. Beverly S. Pierpoint, with a wonderful meal provided by the Retirement Home. The meeting of the Commission reviewed the evaluations of the SEJHS meeting at Duke Divinity School, discussed a Junior Historical Program to gain the interest of youth toward local church history, worked on our budget requests and other business.

This past year has been filled with many blessings as people have shared in making and preserving our history as the community of faith. Thank you to everyone for making all of this possible.

W. Arthur Warren, Jr., Chairperson

EPISCOPAL CIRCLE

The Episcopal Circle has taken an immeasurable role in the North Carolina Annual Conference of The United Methodist Church. The circle has pursued the faithfulness to the mission of the Annual Conference, which is "Healthy Congregations and effective leaders in every place making disciples of Jesus Christ for the transformation of the world." The Episcopal Circle is involved in abundant areas of the mission of the North Carolina Annual Conference such as Ministerial Relations, Annual Conference program, Nominations, congregational development, Christian unity and Interreligious Concerns, Monitoring and accountability, Cabinet Representatives, and Episcopacy Committee.

The Episcopal Circle has been pressing on the accomplishment of its mission, "to listen to, prayerfully consider, and offer insight to the Bishop, and to receive and implement tasks of his special interests." The Episcopal Committee has been meeting with the bishop and Ms. Gwinn twice a year at the residency of the Bishop and celebrated the mission and ministry of Jesus Christ, who works through, with and in bishop Gwinn, Ms. Gwinn, and the cabinet.

Bishop Gwinn has been speaking to clergy and laity of 12 districts about healthy congregations and excellence in ministry. Among the topics of conversation are the call to excellence, the building of teams for effective ministry, the biblical roots of the Bishop's terminology of excellence, and how the assessment of pastors and congregations contributes to the whole. The Circle is thankful and grateful for Bishop Gwinn and his leadership at our Annual Conference, and looking forward to seeing God's mighty works through the bishop, Ms. Gwinn, and the cabinet.

The Episcopal circle is called to be faithful to the mission of the North Carolina Annual Conference, and to support the Bishop and the cabinet with all things that we can do for the glory of God.

CHRISTIAN AND INTERFAITH UNITY COUNCIL

Through our common faith we are members together in the Body of Christ. This is a basic theological understanding of Christian unity. With other Christian communions, United Methodists declare the essential oneness of the Church in Christ—which finds expression in scripture, the sacraments of Baptism and Holy Communion, hymnody, liturgies, and the historic creeds; and is experienced in joint ventures of worship, ministry and various forms of ecumenical cooperation and dialogue. Responsibilities of the Christian & Interfaith Unity Council are listed in paragraph 641 of the 2004 Book of Discipline, and our work is done in connectional relationship with the General Commission on Christian Unity & Interreligious Concerns.

Four members of the Council attended the 2006 National Workshop on Christian Unity in San Jose, CA, as we stay informed with the ongoing ecumenical dialogue between the 25 participating communions, and as we seek to raise up a new generation of ecumenical leadership. In recent years the ecumenical ties between the UMC/Episcopal Church (USA) and UMC/ELCA (Evangelical Lutheran Church in America) have been strengthened through establishment of Interim Eucharistic Agreements. Participants in the NC Episcopal/UM Dialogue, led through the years by Belton Joyner and Pat Page, concelebrated the Eucharist at Bethany UMC in Durham on November 27, 2006.

We encourage study of documents related to the continuing ecumenical process—This Holy Mystery and By Water and the Spirit deepen the understanding of our own UM beliefs regarding Holy Communion and Baptism. *Confessing Our Faith Together: A Statement Toward Full Communion* (available from the General Commission website www.gccuic-umc.org) may be studied in partnership with a nearby ELCA church. This coming year the Council plans a conference-wide event to explore *In One Body Through the Cross: The Princeton Proposal for Christian Unity*, which calls for a deeper grounding of Christian unity in “faith and order.”

We are represented in the ongoing Episcopal/UM dialogue, and in the House of Delegates of the NC Council of Churches.

Through our ministry funded by the Conference, we seek “to advance and strengthen ecumenical and interreligious commitments that are essential to the Gospel of Jesus Christ, by forming and inspiring the clergy and lay leadership within the Annual Conference.”

Randy Innes, Chairperson

CONGREGATIONAL DEVELOPMENT, COMMISSION ON

The *Book of Discipline of the United Methodist Church 2004* states that the “mission of the church is to make disciples of Jesus Christ,” and that “local churches provide the most significant arena through which disciple-making occurs.” The North Carolina Conference has taken seriously this charge, as we continue to lead most conferences in professions of faith, new membership, and worship attendance growth.

It is the function of the Commission on Congregational Development, and the associated Office of Congregational Development, to aid congregations and their lay and clergy leaders in creating strong and effective churches. Annually, new churches, and older churches of all sizes, are assisted with vision and mission planning, staff development, lay and clergy leadership development, building committee organization, and evangelism and outreach instruction. Each year about 100 churches are assisted, most of them small membership in size, and this was again the case in 2006. The Office of Congregational Development continues to provide through its annual contract with Percept Group, Inc., up-to-date community demographic data, accessible on-line and without cost, to all local churches (www.link2lead.com).

In a little more than a decade, about 40 new churches have been started within the bounds of the North Carolina Conference. These churches have been started in city settings, growing suburban communities, and rural communities. Membership in these new churches includes persons who are affluent, middle class, and poor, Anglo, Hispanic, African-American, Korean, Native American, and Asian. Although not all of the new church projects initiated have been successful, the newest churches in the North Carolina Conference continue to lead the way in membership growth.

After a season of prayerful reflection we are moving again with new church launches as we celebrate the formation of Shepherd's House in Durham and Greater Heights in East Clayton. In the coming conference year we anticipate launching new churches in the Raleigh, Fayetteville, and Wilmington districts. We celebrate with the *A Time to Grow* funding initiative and the Congregational Development Fund, Inc. the creation of the Academy for Leadership Excellence with the hiring of Dr. Irene Brownlee as the executive director. The quiet efforts of laity and clergy to the *A Time to Grow* campaign continues to identify laity whose generosity with their wealth, combined with their belief in the value of strong churches and effective church leaders, will advance and strengthen local church ministry and new church planting ministry in the North Carolina Conference. To date, about \$1.6 million has been committed by North Carolina Conference laity.

The Ten Dollar Club is administered by the Office of Congregational Development. The Club's loyal members continue to provide funding to underwrite grants to new churches for land purchase and first building construction. Each year, one grant is made to assist in the establishment of a new church outside of the U.S. In 2006 and 2007, grants were made to build a new church and to put roofs on others new churches in Zimbabwe, in cooperation with ZOE Ministry.

DISTRICT SUPERINTENDENTS, REPORT OF BURLINGTON DISTRICT

The Burlington District continues to bear signs of faithfulness at making disciples of Jesus Christ for the transformation of the world. Fifty-four of our 56 charges paid 100% toward their connectional, mission apportionment, for a total district pay-out of 98.4%. Two of our congregations celebrated anniversary years: Eno UMC — 100 years and Cedar Grove UMC — 175 years. Two churches have been engaged in building programs: Carr UMC (renovation) and Prospect UMC fellowship hall (design stage). Cedar Grove UMC has been chosen as one the Thriving Rural Congregations as part of a new cooperative initiative between Duke Divinity School, Duke Endowment, and the Cabinet for equipping future leadership for the rural church. With the

recruitment of a new District Coordinator for Lay Speaking, lay speaker training has been revitalized. Two all-day training sessions are now being offered once in the fall and again in the spring. The district Christmas offering supported special need scholarships at Camp Chestnut Ridge. Twenty-four congregations are Rainbow Covenant missional churches. Two district-wide mission work teams, resourced by our new district disaster response trailer, have continued the hurricane recovery work in Hyde County. Five cluster gatherings of pastor parish relations committees across the district focused on the new clergy assessment instrument. The January Laity Leadership event proved this year to be one of the most popular, with separate classes offered on radical hospitality, passionate worship, spiritual growth from cradle to grave, and risk-taking mission. The clergy and church staff engaged in an all-day workshop on conflict transformation skills for churches. A similar event is being planned for laity. Six of our congregations have been engaged in systemic conflict intervention work through Plow Point Ministries of Graham. A Path Element Profile (PEP) workshop has been offered for clergy for becoming more aware of their own leadership style and that of others. Two new weekly lectionary groups are providing shared insight and support for the clergy's preaching task. District clergy meeting plenary topics have included vocational boundaries/self-care and pastoral care for victims and families of the war. Six clergy completed a six-month group coaching experiment around leadership and wellness in cooperation with the district office and the Intentional Growth Center at Lake Junaluska. Educational scholarships from the Board of Laity were presented to four candidates, "native" of the district, preparing for the ministry. The district churches and pastors continue to experiment (favorably) with new forms of conducting charge conferences, from cluster conferences to elders presiding at their own or exchanging leadership with a neighboring pastor. In each case, the superintendent is expected to be invited to the church for another leadership event within the year. The sustained funding of the Duke Endowment has enabled the Rural Churches in Transition Initiative to provide training and support in rural churches where change and loss are challenging both for clergy and laity. A new District Christian Education Intern from Duke Divinity School, funded by Duke Endowment, has allowed many smaller membership churches to be given help in Christian education. Third Thursday, a district wide event for older adults, has attracted seniors each month to Camp Chestnut Ridge for fellowship, discovery, and worship. And our prayer for the future remains, "God of grace and God of glory, grant us wisdom, grant us courage, lest we miss thy kingdom's goal..."

William (Bill) H. Gattis, District Superintendent

DURHAM DISTRICT

The seventy-four churches of the Durham District experienced a great year in terms of new membership, outreach efforts to the community, and physical growth. The new church in Stovall was completed and dedicated. This has made room for a thriving and ever growing congregation.

A new congregation, Shepherd's House, was officially recognized and blessed with a full-time pastor. This Zimbabwean congregation had met for many formative months in the facilities of McMannan UMC. Having received an invitation to share the facilities at Carr UMC, the pastor and congregation decided to accept and move in order to have Sunday morning worship in addition to space for other activities. Pastors in the Durham churches and members of their congregations banded together as a work team to renovate and repair some rooms at Carr for this group.

Rougemont church embraced a ministry to the homeless in the 15/501 area, and Pleasant Green has been involved in the feeding and care of the homeless. Brooksdale has committed a house they owned across from the church to become a Transitional House in cooperation with Safe Haven in Person County; a playground

was also established and furnished by the church for use by the children of the community and the church. Construction is underway for a fellowship hall and classrooms at Mt. Zion in Person County. A one year anniversary of chartering was celebrated in January by Reconciliation UMC. The purchase of their property has been completed and plans for building are underway.

Four pastors in the district have completed their Doctor of Ministry work this year and were granted their degree.

The churches of the Durham District made possible an apportionment payout of 94.18%. This is the highest percentage in several years and is worthy of celebrating..

The district congregations are served by capable and effective pastors who lead by example. Two of our retired clergy have served congregations this year in a way that only experience and patience could provide. I am grateful for all the pastors and thank God each day that I have been privileged to be in ministry with them for the past five years.

Judi Smith, District Superintendent

ELIZABETH DISTRICT

Our Lord would say to the clergy and laity in Elizabeth City, "Well done, my good and faithful servants". You are faithful to many things. You have been obedient to the call in 2006. Our obedience and faithfulness to the Lord have borne the fruits in the following ways.

1. Three churches received an Evangelism Award for their significant increase in worship attendance and membership: Bethany in Chowan, Colington and Herford.
2. For the second year in a row, all the churches in our district paid 100 % apportionments.
3. The Church Building and Location Committee approved three new building projects and all of them are in good progress.
4. A new paradigm, "Doing Ministry Together" is in the process of implementation. This is a new ministry in our district by partnering with churches across the district.
5. Our Disaster Response Team has been very active to support the Katrina victims in Mississippi in 2006.

Won Namkoong, District Superintendent

FAYETTEVILLE DISTRICT

"I thank my God every time I remember you, constantly praying with joy in every one of my prayers for all of you, because of your sharing in the gospel from the first day until now." (Philippians 1:3-5) I am grateful for your splendid hospitality, welcoming me to the Fayetteville District, and into your churches since July, 2006.

As a people of faith, we can celebrate the accomplishments of a number of congregations:

Anniversaries were observed in 2006:

- Tabor, their 175th
- Roseboro, their 150th
- St. Matthews, their 50th.

Expansions of facilities to expand ministries occurred with the

- Installation of a Letourneau Pipe Organ at First Church, Clinton
- Purchase of a new parsonage at Epworth, Clinton
- Fellowship and activity space added to Hay Street and Haymount, and a

- Similar addition begun at Salem, for a value in excess of \$10 million

A District Work Team repaired 2 homes in Mississippi, restoring hope, as well as, paint. Several churches sent work teams to the hurricane ravaged Gulf Coast in 2006.

Evidence of the strength of United Methodism in the Fayetteville District is found in the ministries of the 64 churches. Many of the churches reflect the qualities of the church described in Acts 2: radical hospitality, passionate worship, intentional spiritual formation, and risk taking ministry for the transformation of the world.

There is room for improvement in our connectional giving. In 2006, 53 of the 64 churches paid 100% of their mission support for the Conference and General (National and World) missions. In addition, 27 of the congregations in the District, are recognized as Rainbow Covenant Churches, which means the churches paid the apportionment in full, and made contributions to the Advance, special missions of the Church, in five categories. Over \$58,000 was contributed to the Advance by these 27 churches.

Many of the churches in the District are healthy, and growing in knowledge and love of Jesus Christ, but we will not be satisfied until ALL 64 churches are thriving centers of mission, radiating the joy of Christ. We are striving for effective pastoral leadership in every church, transforming congregations and communities with the gospel.

The unique challenges facing the Fayetteville District include the high number of military deployments which fracture families and congregations, and at the same time, call forth visions of peace and prayers for all who are affected by war. Still, I believe the best years are ahead of us, not behind us. It is encouraging to see increasing numbers of men and women and youth, seeking Lay Speaker training. Unprecedented numbers attended this year's Lay Leadership Training, where 11 classes provided materials and inspiration for leaders of churches. The District Circle of Ministries has as its purpose, "to provide vision, resources and opportunities for connectional ministries." The DCOM does good work in fulfilling its purpose.

We are blessed to be a blessing, my sisters and brothers. I am delighted be among you, striving to live up to the Great Commandment and in to the Great Commission. May God's grace sustain you all.

Carol Goehring, District Superintendent

GOLDSBORO DISTRICT

2006 has been a year in which the Goldsboro District has centered its ministry on effective pastors and the transformation of congregations for the proclamation of the saving grace of Jesus Christ. Toward this end, pastors have participated in mentoring groups and several congregations have become heightened stations of effective ministry. Transformation groups have been formed throughout the district and a spirited Board of Laity has taken ownership of district ministry. The Goldsboro District began its first new congregation in almost 50 years as the Greater Heights UMC in east Clayton, NC began preview services on Palm Sunday. The Lebanon UMC, a rural church in Greene County was recognized as district church of the year for its healing, dynamic food ministry. Garris Chapel UMC became a full-time station. The district continued to offer education and nurture opportunities supported by the Duke Endowment to the rural congregations in the district. A district preaching workshop was offered to enhance the skills of the district clergy. Under the leadership of the clergy and laity of the district, mission work projects were conducted in Mississippi, North Carolina and other states in the Union. Several congregations sent mission teams to foreign countries and the district supported the connectional ministries of the conference with the largest dollar amounts in the history of

the district. The district has seen increases in worship attendance and financial stability in a number of its congregations. Building projects continue to arise at Walker Memorial UMC, Bethel (Wayne) UMC, Wesley Chapel UMC. New building projects are in the plans for Unity UMC, Saulston UMC, Garris Chapel UMC. Future plans call for the district to begin a Hispanic ministry in the Duplin County area.

As 2007 emerges, the Goldsboro District looks forward to a future in which the incarnate Christ shall continue to be present to the people of the Neuse River Basin.

Milton Gilbert, District Superintendent

GREENVILLE DISTRICT

"If you have any encouragement from being united with Christ, if any comfort from his love, if any fellowship from the Spirit, if any tenderness and compassion, then make my complete by being like-minded, having the same love, being one in spirit and purpose." (Philippians 2:1-2)

United Methodist Christians in the Greenville District celebrate the spirit of Christ in ministry, mission, fellowship, and proclamation. On any given Sunday, the churches of this district will average 6,801 persons. In the last statistical year, 226 persons made a first-time confession of faith in Jesus Christ.

Our Latino-Hispanic ministry, Unidos por Cristo, continues to blossom. Sister churches in the district contributed over \$22,000 to support this ministry as the Christmas Offering. Prior to the opening of school, every elementary child was given school supplies in a new book-bag.

We celebrate that Soule UMC and Hookerton UMC completed their sanctuary renovations. Covenant UMC is now designing a new worship facility which will be a part of a new campus. St. James UMC in Greenville has purchased additional land for future development. Westminster UMC dedicated its newly remodeled kitchen.

With joy we give thanks to God for the work of the laity and clergy of the Greenville District as we seek to have the same mind as Jesus Christ.

Marshall Old, District Superintendent

NEW BERN DISTRICT

The New Bern District has enjoyed another good year in ministry and mission. In various ways our churches have been traveling along the seven pathways of the Disciples' journey. Especially noteworthy was the refugee ministry of Rhems UMC, a rural church averaging only 35 to 40 in worship attendance. The church entered into community with the poor by adopting a refugee family of three from Burma and connecting with the larger Burmese community in New Bern through physical support and incorporation of the community into the life of the church. Another significant item was the initiation of a new covenantal network for the pastors. Each pastor is now a part of a covenantal group, and each group is connected to a central group enabling them to share the same vision for ministry as they engage in common projects of study.

Sixty- three out of our sixty- five churches paid 100% of their conference apportionments, and eighteen were also Rainbow Covenant churches. Building projects completed and consecrated included new sanctuaries at Faith Harbor, Broad Creek and Cherry Point, and a 24,000 square foot Community Life Center at Newport: St James. With the assistance of the Duke Endowment, the Board Creek sanctuary was designed as a green building, and we hope that it can become a model for future church buildings as we attempt to be good stewards of God's resources. In these and many other ways the work of the Kingdom is advancing in the New Bern District.

Doug Jessee, District Superintendent

RALEIGH DISTRICT

In the second chapter of the Acts of the Apostles we read the words ascribed to the prophet Joel: *In the last days it will be, God declares, that I will pour out my Spirit upon all flesh, and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams.*

As the clergy and laity of the Raleigh District, we believe that the Spirit has been, as promised, poured out upon us. With the assurance of the Spirit we now seek to discern and to live into the dreams and visions which God has for each of our congregations. The realizations of God's dreams and visions in the midst of our communities of faith are many. Among them are the following:

Preparations are underway to "plant" two new United Methodist congregations in the Raleigh District. Wakefield United Methodist Church will flourish, in large part, because of the significant support of Edenton Street UMC. As a mother church, Edenton Street UMC has pledged significant financial support as well as encouraging members of their congregation to be "missionaries" to the new church. All Saints UMC, to be launched in the Brier Creek area of Raleigh, will flourish because of the support and encouragement of seven sister congregations. These congregations are making commitments of money, staff support, and missionaries to this new faith community.

The BRIDGE (Building Raleigh District Growth and Effectiveness) partnership will be a resource network of trained partners who help congregations in the Raleigh District with strategic visioning, vision implementation, and processing and healing conflict. In 2007 we anticipate identifying and equipping those who will serve as BRIDGE partners. With a grant from the Duke Endowment we will be able to offer special training for one "partner" to be uniquely equipped to serve rural congregations.

More than twenty of our congregations are involved in year-long equipping/training consultations. Each church builds a team which comes together throughout the year to be equipped to go to the next level of effective ministry. Presently there are (1) a first year and (2) a second year Disciple-based Stewardship training events, and (3) an "Identifying and Inviting" training for leadership identification and invitation of persons into lay ministry.

Three congregations built and consecrated new sanctuaries to the glory of God. North Raleigh, Avent Ferry, and Macedonia United Methodist Churches have beautiful new worship space for their growing worshipping communities. While celebrating these signs of vitality, we regret that New Beginnings UMC (Youngsville) was closed. Land was retained in anticipation of a future congregation in that community.

Ned Hill, District Superintendent

ROCKINGHAM DISTRICT

The Rockingham District: The Rockingham District has made great strides toward living into the Seven Pathways. The churches in the Rockingham District have been intentional about making disciples for the transformation of the world, and providing space, and facilities for worship, and mission outreach. New Hope UMC, Sandy Plains UMC and St. Paul are each in the middle of building programs. Piney Grove UMC celebrated the consecrations of its beautiful new building in October. It was a wonderful celebration that included many former district superintendents, and two Bishops participating in the celebration. Tabernacle UMC also completed renovations to its building. Sandy Plains UMC has been chosen to be one ten churches from both the North Carolina and Western North Carolina Conferences to be a participant in Duke's Thriving Rural Communities Initiative. Many of our African American congregations have benefited greatly from The Duke Endowment funded

Christian Education for African American Churches under the leadership of Gypsie Murdaugh. We continue to be blessed by our Native American Co-operative, and its mission outreach in the community of Roberson County, and international in Boliva. The Rockingham District is also in the process of building and Asbury Home Inc. God is truly leading our district beyond its comfort zone, and we look forward to many the other places of ministry and mission that God will lead us.

The Rockingham District increased its missional giving through conference apportionment by 3% from last years total missional giving. Our district Mississippi work team will be headed to Mississippi City in September. The Rockingham District is truly living into its vision statement: "See The Possibilities, Live The Promise."

Leonard Fairley, District Superintendent

ROCKY MOUNT DISTRICT

The year 2006-07 has again been a year of accomplishment in mission and ministry in the Rocky Mount District. The district superintendent, William C. Simpson, and he pastor of First United Methodist Church, Rocky Mount, Robert Bergland, went as delegates to the World Methodist Conference in Seoul, Korea. While there, the superintendent visited Pai Chai University, the oldest Methodist University in Asia, and participated in the groundbreaking ceremonies for a new chapel. In January, 2007, the choir from Pai Chai gave concerts and toured churches in the Rocky Mount District. A highlight of the year was the mission team from Rocky Mount that traveled to Chon Buri, Thailand and visited the first Methodist church of Thailand sponsored by the District, God's Purpose Church. Seventeen persons spent a week teaching in the church and touring satellite churches already spun off by this first congregation.

The Rocky Mount District again celebrated strong support of connectional ministries with a contribution rate of almost 99% for fair share mission giving from the churches. In addition, thousand of other dollars were sent to the Advance and other mission causes.

Among other accomplishments were the following: a garden established and maintained to feed the hungry by the Sims Church; expansion of the ministry to the Hispanic/Latino population at La Estrella Resplandeciente; the selection of the Edgecombe Parish as a recipient of the Rural Thriving Parish designation by the Duke Endowment and Duke Divinity School; mission teams from the Rocky Mount District to the Gulf coast, Costa Rico, Chon Buri and other sites; and an exciting Lay Rally focused on youth ministry and featuring the Conference president of youth as speaker. Building programs were either planned or executed at Pleasant Grove in Northampton County, Wesley Memorial in Warrenton, Elm City, and Bailey.

The Rocky Mount District, *Cradle of North Carolina Methodism*, continues to move forward while embracing the epithet, "Open Hearts, Open Minds, Open Doors!"

SANFORD DISTRICT

The Sanford District continues to search and seek ways in which to glorify God as the Body of Christ. We are learning that one of the richest things about the Christian life is what we learn from others who are being guided by the power of the Holy Spirit, and who truly have a desire to see the fullness of God's reign and rule. We are excited about the many wonderful things God is doing!

We were fortunate this year to reach almost 98% of our Apportionment giving. We celebrate the missional giving of over \$250,000 received for Katrina victims in 2006;

\$7,900 given for One Grate Hour of Sharing; \$1,800 given on World Communion Sunday; \$1,994 given on Human Relations Sunday, \$1,000 given on Student Day Sunday, \$1,300 given on Peace with Justice Sunday; \$9,300 given to support the \$10 Club; \$75,000 given to Conference events, and \$3,600 given to Native American Ministries. We celebrate 100% pay-out to World Service with our Annual Conference. We supported the Black Colleges with \$1,700; Africa University with \$3,800; and the Interdenominational Corporation Fund with \$3,200. We celebrate 48 Rainbow Covenant Churches. We are psyched up and ready to continue being in ministry for another year. At our 2007 Lay Rally, Bishop Hope Morgan Ward challenged us to continue to be a resource for the Katrina victims. We intend to do just that! We were fortunate to have raised, and presented on February 18th to Bishop Ward approximately \$45,000 for Katrina relief through our Sanford District Mission Fund. We give thanksgiving to God that we have so many churches whose members see the importance of connecting to one another and glorifying God in great ways. 74 out of 77 churches in our District made this 100% commitment.

As you can see, none of this would have been possible if not for strong laity and clergy who have caught the vision of what it really means to be Kingdom people, allowing God to reign and rule in their lives so that God can be glorified in every possible place.

In the Sanford District, we continue to see our church facilities expand. McQueen's Chapel Church has just completed a family life center; Chatham UMC is in the process of building a family life center which should be completed soon; and Mt. Olive UMC is considering building a family life center as soon as possible. Little River UMC has completed a family life center and they are celebrating its use by reaching out to the community.

We continue to see Hispanic Missions growing and expanding in ways which glorify God. Our African American Mission, Trinity UMC, continues to glorify God as it grows in ministry as well as improving its facilities to better serve.

I wish I had a strong, glowing report on evangelism, but I don't. I do have two churches which are making a big difference in their communities by receiving persons by profession of faith. These are communities where there is no population growth and these two churches are to be commended for their work. The two churches are Carthage UMC and Meroney UMC. We lift these two churches up with praise and adoration to God for their continued call of God upon the lives of people.

As you can see, we are still trying to tell the story – "The Old, Old Story of Jesus and His Love." Keep us in your prayers as we continue to do just that!

Jerry Lowry, District Superintendent

WILMINGTON DISTRICT

The Wilmington District takes to heart II Peter 1:3: "God's divine power has granted to us all things that pertain to life...through the knowledge of him who called us to his own glory and **excellence**...."

Good to Great was the theme of our annual January training event which drew a record crowd. A **Valentine's dinner and dance** (Fifties theme) for clergy was offered in lieu of the traditional district Christmas party. It included dance instructors and an Elvis sighting! A district **Children's Day** was offered which featured fun and games on an inflated midway along with the perfect refreshments for a hot summer Sunday afternoon. The fall season commenced with the annual district **Camp Meeting** replete with stirring preaching and toe-tapping music in a unique pastoral setting. The district hosted a development gathering for the **Academy for Leadership Excellence** led by

Irene Brownlee and Bishop Al Gwinn. Response to **Hurricane Katrina** relief was outstanding with one church alone collecting well over \$40,000 and church after church sending work teams. Work teams are planned through the spring of 2007 and beyond. Tragically a tornado struck in the Riegelwood area causing a number of fatalities and significant devastation. Beginning with trained first responders, the Wilmington District has led in various capacities—emergency aid, counseling for children, youth, and adults, and the rebuilding of homes. WARM (Wilmington Area Rebuilding Ministry) continues to repair 25 to 30 homes of needy persons throughout the district with volunteer leadership and labor drawn primarily from local UM churches. We have formed a Congregational Development and Transformation (CD&T) Task Force which will gather local church data, classify churches as growing, maintaining, unrealized decline, and realized decline, and offer resource teams to help churches in the latter three categories become healthier. In consultation with the Conference Office of Church Development, much thought and study have been given to the establishment of a new church start in 2007 in the Leland area along Hwy. 17 South. One of our smaller yet more vital churches has launched a creative Hispanic/Latino outreach called “Walking Together” and underwritten by a Duke Endowment grant. That community of faith is already exporting models, ideas, and enthusiasm throughout the district. Two major local church building programs have just been completed. At least seven churches have buildings under construction. Two churches are completing plans to build. Last, but certainly not least, the Wilmington District has paid 100% of its apportionments for the second year in a row. We give thanks and praise for all God is doing among us and through us to move us from good to great.

Woody Wells, District Superintendent

MONITORING AND ACCOUNTABILITY MINISTRY TEAM

As the Monitoring and Accountability Ministry Team we will continue to offer a ministry of advocacy for inclusiveness in the North Carolina Annual conference. As a diverse people of God who bring special gifts and evidence of God's grace to the unity of the church and society, we are called to be faithful to the call of Jesus Christ's ministry to all persons”(par. 138, The Book of Discipline, 2000). We will continue to guide and encourage the NCC to realize the full and equal participation of all God's children, regardless of ethnicity, gender, physical limitations, or age in the life and leadership of Christ's Church.

During Annual Conference 2006 we again offered the following ministries to encourage inclusiveness in the life of our North Carolina Conference.

- 1) We monitored the conference plenary sessions and worship experiences to record participation rates. The results were published daily in The Saddlebags as feedback. The pattern of participation revealed the following (i.e. leadership from the podium; comments from the floor): 58% white men, 28% white women, 8% racial ethnic men, and 6% racial ethnic women. Of the worship services monitored, 51% of the worship leaders to include musicians were white men, 26% were white women, 14% were racial ethnic men, and 9% were racial ethnic women).
- 2) We monitored the conference Cross-racial appointments and found that as of July 1,2006 there were 35 appointments of racial ethnic clergy in the NCC, of the 35, 12 cross-racial appointments are African American pastors and, or associates in White churches, 2 White Pastors in an African American church, 9 Native American pastors in White churches, 3 Korean American pastors in White Churches, and 1 White pastors in Native American churches, and 8 Asian Americans in White Churches.

- 3) We monitored the NCC District Superintendency and found as of 07/06 the following rates of representation: 83% men and 17% white women. 24.99 racial ethnic men. 57.35 White men and 17.66 White women.
- 4) We monitored the conference staff and found that there are 38 persons working. Three are Racial Ethnics, which is 8%. Twenty-one persons on CF & A; Four of them are Racial Ethnics, which is 19%. Twelve conference trustees; Two of them are Racial Ethnics, which is 17%.
- 5) Our team hosted a sensitivity training in all twelve districts in 2006. The training was held in four district clusters. The attendance was average. The training was an overall success. We determined the success by the evaluations, which were 79.5 percentage overall. As a results of the sensitivity training, two of our districts are scheduled to have the training at district level. The Monitoring and Accountability Team will continue to refine our monitoring and accountability procedures as we continue our yearly reporting. Our desire is to broaden our scope to include more in-depth monitoring of district as well as conference functions. We will continue to familiarize the NCC with the usefulness of monitoring for inclusiveness as we work to keep before the world and ourselves the church's commitment to inclusiveness as a faithful reflection of Jesus' ministry to all people.

CHURCH AND SOCIETY, COMMISSION ON

Specific issues and challenges facing the modern world vary in details from the social issues faced by John Wesley, but the underlying causes are not all that different in principle and practice. Most importantly, the Gospel message of Jesus Christ and the Word of God have not changed and still call all Christians to live out their faith in a broader world where faith and love are in short supply.

This fall the North Carolina Annual Conference Commission on Church and Society began to take a hard look at how we are fulfilling our ministry. We realized that our commission's support for any particular social issue, while necessary, is less important than how the Commission on Church and Society can help United Methodists in eastern North Carolina understand and support why the Church needs to be involved in the world at all. We feel strongly that our conference needs to educate our people on the Social Principles adopted by the United Methodist Church so that our leaders and congregations can understand not only what we are doing but why we are doing it.

At a special retreat in early February, the commission reviewed the official purposes for the general and conference boards of Church and Society, then drafted a mission statement in our words that will guide us for the next year or more:

"Our purpose is to help our churches and communities experience and understand the fullness of the Gospel of Jesus Christ, ministering to the needs of people in the context and circumstances in which we live. We are called to do this through proactive ministries, education about our Social Principles, specific resolutions, and individual and institutional advocacy — helping members to live out our baptismal vows to resist evil and oppression in whatever forms they present themselves and to stand for social holiness and wholeness."

Given time we might have worded it differently or more eloquently. But the main point is this: We do not proclaim the good news of Jesus Christ in a vacuum but to real people, with hopes and hurts, who can only hear, understand, and respond to the gospel in the context of their own lives in this time, in this place, and in this world. We cannot minister fully to the souls of people without also being concerned about all-too-human conditions which might bind or oppress them. To be effective ambassadors for God, we need to see

our world from His eyes and speak to our world with His voice. Our Social Principles are meant to help us do this, so that we can approach any social issue, initiate or evaluate any social ministry, from a Christian perspective that is neither liberal or conservative but in each case truly seeks an answer to the question, "What would Jesus do?"

As a commission, we want to help the congregations of our Conference learn the Social Principles, grapple honestly with their implications, and work within both our own churches and broader society to integrate them into daily life and practice. We want to approach our commission's work on conference resolutions with a deeper understanding of the Social Principles, and we want to partner with other Conference boards and agencies in developing a united, clear Christian voice in advocating the many issues our Conference cares about.

During our retreat, after evaluating last year's priorities and considering all the many issues we might care about, the commission also settled on five priorities for the coming year:

- To study and promote the Social Principles
- To develop an environmental (Green) emphasis
- To support universal health care
- To support a Unity Dialogue on human sexuality issues
- War and peace (creative peace-making)

The commission hopes to promote the Social Principles by developing tri-district one-day training sessions on them, hoping to reach at least 50 congregations during the year. The commission voted to support the Health Alliance in its Smoke Free campaign. We look forward to the Spirit's leading as we faithfully attempt to flesh out these five priorities during the year ahead.

During 2006, under the able leadership of Peace with Justice coordinator Rev. Michael Davis, the work of the commission awarded \$13,500 Peace with Justice grants to four organizations — the "PeaceSis/ash" ministry initiative in Mount Olive aimed at helping young African-American women become advocates for peace against violence in their community; the Reconciliation and Reentry Ministry in Durham to help local congregation Faith teams provided post-release supervision from prison; the Wesley Heritage Foundation to put John Wesley's writings in Spanish on CD for use in home schools with clergy and laity, and the N.C. Council of Churches' Peace Conference. We are looking forward to considering a new round of Peace with Justice grants in the months ahead

The commission also awarded a \$1,000 grant to the N.C. Council of Churches to support Acts of Faith: Resources for Prophetic Worship.

As of March 1, the commission also sent four persons from our conference to the Young Adult Pastors GBCS Leadership Forum in Washington, D.C. in early 2006, eight representatives of our conference attended the GBCS "Call to Hospitality" conference on immigration issues in January, 2007, at Lake Junaluska, and awarded a \$500 scholarship to Global Vision for the UN/D.C. Study Tour. Two of our members, Rev. Charles Michael Smith and Laura Little, have faithfully represented our conference as members of the General Board of Church and Society. The conference commission will remain open to other opportunities for ministry as the year goes on.

Many social issues are complex, difficult, heartbreaking, even humbling. We contend against spiritual powers as well as human sin, in us as well as around us. Sincere Christians often disagree on particular issues. But as the Commission on Church and Society attempts to be faithful to its calling, it is my prayer and great hope as chairman that we make progress towards the powerful challenge of Jeremiah 9:23-24: "Thus says

the Lord: Do not let the wise boast in their wisdom, do not let the mighty boast in their might, do not let the wealthy boast in their wealth; but let those who boast boast in this, that they understand and know me, that I am the Lord; I act with steadfast love, justice, and righteousness in the earth, for in these things I delight, says the Lord."

CRIMINAL JUSTICE AND MERCY MINISTRIES, COMMITTEE ON

Bishop Gwinn is leading the North Carolina Conference of the United Methodist Church asking local churches to develop and implement a prison ministry outreach. He points to Matthew 25: 31-46 reminding the annual conference of Jesus' passion for ministry. Specifically, Bishop Gwinn and CJAMM invited local parishes to participate in the Angel Tree ministry, a program of prison fellowship reaching the children of prisoners at Christmas with gifts in the name of the incarcerated parent and with a Gospel presentation by the local church (excerpts from Bishop Gwinn's letter, fall of 2006).

The committee embraced the zero-based budget process for 2009 following the seven pathways of the Council of Bishops. Two new programs were funded in the 2009 budget: the Community Success Initiative, Inc. and the Capital Restorative Justice Project.

Other ministries supported financially, and/or prayerfully through active participation include Prison MATCH of NC, Inc., Kairos Outside-NC, Yokefellow Prison Ministry of NC, Inc., Disciple Bible Outreach Ministries of NC, Inc., "One Day with God" Camp at Orange UMC, and Epiphany ministries.

Administratively, the CJAMM committee utilized tele-conferencing (assistance provided by Bill Norton) to involve committee members unable to be present at the Methodist Building for an August 2006 meeting.

An individual in our annual conference located the CJAMM website (<http://www.nccumc.org/CJAMM/>) on the internet. This individual has a relative incarcerated in a correctional facility in eastern North Carolina and was able to secure rides through CJAMM to visit this relative on an ongoing basis. CJAMM will continue to open prison doors with open hearts and minds to make Disciples for Jesus Christ.

DISASTER RECOVERY MINISTRIES

MERCI was born at an historic time—the turn of the century. It is a new ministry for a new era. MERCI has grown during this first decade of the 21st century. It is a time in history when we realize with increasing clarity that we all must participate in relief and mission efforts.

During the past seven years, MERCI has evolved to include Disaster Preparation, Response and Recovery, Rural Affordable Housing, Urgent Repair and Mission Support Worldwide. Merci has become a blessing not only to hurting people, but to volunteers from all over our nation. Merci is a training site for youth and adults, a storage facility for building materials and a collection point for preparing health and school kits and flood clean-up buckets. Over 3500 families have been assisted through the efforts of over 79,000 volunteer hours. Your church may be involved with one of these missions or you may have worked as a partner with MERCI to collect textbooks, repair houses or build handicap ramps or encouraged a youth team to participate in the FOOTPRINTS summer mission opportunity.

The North Carolina Conference is involved in mission projects, both abroad and locally. MERCI provides a central home and support for these projects through

involvement with receiving, warehousing and shipping of relief items that are distributed world-wide. We issue an invitation to the over 200,000 United Methodists in more than 800 churches across North Carolina to become a part of this ministry. We offer each person an opportunity to be the hands and feet of Christ.

Many United Methodists and United Methodist Congregations are involved in meaningful ministry within their local church and are in mission to their community through a number of creative projects. However, Christ calls us to go into the world—beyond our own Jerusalem and Judea. MERCI offers each United Methodist in the North Carolina Conference the opportunity to respond to the call to be in mission to other cultures and nations. It encourages congregations to respond to God's call for us to think globally. MERCI is a unique ministry. It was born out of a need for disaster response, but it has become clear that there is a role for MERCI to play in Mission Support throughout the Conference. The need is great and the benefits are far-reaching. From Goldsboro to Zimbabwe, and through the nearly 75,000 volunteers that have travel through MERCI, lives are changed. Through your involvement with MERCI you touch lives, and along the way perhaps MERCI will touch yours.

EVANGELISM, COMMISSION ON

The mission of the Commission on Evangelism is to assist the churches and pastors of the North Carolina Conference to witness to the saving love of Jesus Christ for all persons. To that end, the commitment of the Commission is to equip clergy and laity for the work of Evangelism. During the past year, the Commission has sought to fulfill that commitment by providing scholarship and seed money to individuals, churches, and districts to assist with a variety of training opportunities and programs in evangelism, and to provide education and resources to increase the knowledge and abilities of our people.

The Fifth Annual Academy of Christian Witness (ACW) was held April 24-26, 2007, at the Bergland Retreat Center. The goal of ACW is to train pastors to become more effective evangelists and equippers of witness-minded laity. This year's workshop's included witnessing to post-moderns, natural church development, worship as evangelism, pastoral leadership as evangelism, the personal spirituality of the pastor-evangelist, evangelism and local mission, and personal faith-sharing. Great presenters who have practiced evangelism in effective ways shared, including our own Bishop Al Gwinn. All participants received quality evangelism and leadership resources. The Academy is funded by the NC Commission on Evangelism and is made available to 36 clergy (three from each district) nominated by their district superintendents. We are making plans to add an Academy of Christian Witness for laity in the fall of 2008. This will train laity to be intentional about Evangelism in their church and community.

The Commission also funded seed money for the Wilmington District Camp Meeting Revival along with seed money for a Brunswick County Youth Crusade. We hope to help other districts with events that center on Evangelism. We hope to have a web page placed on the conference website sometime this year and continue to be a resource for churches needing help with Evangelism and Revival.

The North Carolina Conference remains one of the few in the United Methodist Church to report net membership gains. We hope to help continue this trend and combine it with Spiritual growth and renewal.

HISPANIC MINISTRIES TEAM

In response to God's call and in order to continue the work of developing ministries and strengthening the ones that exist, Hispanic/Latino ministries took some giant steps forward over the past year.

These Hispanic/ Latino ministries are:

1. Emerging - Burlington District (EMBRACE)
2. Cristo Vive UMC ~ Durham District (EMBRACE)
3. Center Hill UMC ~ Elizabeth City
4. Unidos por Cristo UMC~ Greenville
5. Latinos Unidos en Cristo/Pine Valley UMC~New Bern District (EMBRACE)
6. Swansboro UMC/ESL Classes~New Bern District (EMBRACE)
7. Avent Ferry UMC: "Kid's Café", Raleigh District
8. Comunidad de Cristo/Christ Community UMC~Raleigh District
9. Knightdale UMC/Hispanic Latino Ministries~Raleigh District
10. La Escuelita/ Fuquay-Varina UMC~ Raleigh District
11. Luz del Pueblo/White Plains UMC~Raleigh District,
12. Pueblo de Esperanza/Milbrook UMC~ Raleigh District
13. Sunrise UMC/Hispanic Latino Ministry~ Raleigh District
14. La Estrella Resplandeciente ~ Rocky Mount District
15. El Camino UMCI~ Sanford District (EMBRACE)
16. La Trinidad/Jonesboro UMC~Sanford District (EMBRACE)
17. Emerging – Wilmington District (EMBRACE)

Under the leadership of Cookie Santiago as the Director of Hispanic/Latino Ministries, who became our full time Director of the Hispanic/Latino Ministries (January 2007), we have presented EMBRACE workshops to key conference leadership, District Superintendents, pastors and the laity. The response was overwhelming, not only in the workshop at West Nash UMC (Wilson, NC) in October, but at the follow-up held at The Methodist Building in December. Key conference leadership and Cabinet members will meet annually for three years to navigate together the early phases of EMBRACE, as we continue to work toward unity in the church and ministry for all people.

The Duke Endowment sponsored a two-day convocation in Greensboro, NC to honor Hispanic/Latino leadership in the WNCC and NCC. They enlisted the help of Hispanic/Latino Ministry directors and laity from both conferences to serve on the design team. Over twenty participants from our conference attended. It was a very enriching event, promoting deeper understanding, stronger commitment and encouragement for all.

Our Director, laity and pastors have participated in other workshops and training events, such as MARCHA in September of 2007 (Hispanic/Latino caucus/UMC), "Our Call to Hospitality" held at Lake Junaluska (Feb. 07).

Our director was commissioned to serve as a consultant for the National Plan for Hispanic/ Latino Ministry in February 2007 and continues to work closely with the National Plan for Hispanic Latino Ministry. With EMBRACE, we strive toward a goal of leadership that can reach out and across cultural lines in every district, encouraging and maintaining coition between the ministries and the non-Hispanic/Latino congregations across the conference.

We base our Ministries in the meaning of the Gospel of Jesus Christ, reaching out and helping the marginalized, the poor and oppressed, and welcoming them to The United Methodist Church. We work together to meet the challenge of social problems, and to offer Christ as the answer to spiritual healing. We want to offer a "home" for the strangers in a foreign land, bringing families together for worship and companionship, or "acompañamiento."

As we reach out with God's love, the fast growing Hispanic/Latino Community is being transformed. There is still so much to be done. One of our biggest challenges continues to be resources, primarily funding of these ministries. Awareness is growing and many pastors and laity are responding to the reality that we all belong to one family: the Family of God. We desire to walk in love and in unity. Dios te bendiga.

Sadot Mendez – Chairman, Hispanic/Latino Ministries

MISSIONS TEAM

There were two fish and five loaves. Blessed and broken by Jesus, this little bit of food fed thousands of children, women, and men who had gathered to hear Jesus speak.

The people of the North Carolina Annual Conference have continued to participate in this ministry of sharing and caring in a variety of ways. One of these ways is through the North Carolina Conference Missions Team.

Individual representatives from each of the 12 districts within the North Carolina Annual Conference help make up the membership of the Missions Team. There are also at-large members and others who are part of the larger body because of their affiliation with various groups and agencies that have a genuine interest in the mission and ministry of The United Methodist Church. In this way, a variety of gifts and graces are brought together around the table.

It needs to be said that mission and ministry does not flow outward from the Missions Team. This body is not the originator but is instead a conduit through which ideas and resources which come from you are connected with ideas and resources from others, and then – like the story of the loaves and fishes – multiplied for ministry into the world, through your hands, feet, and the Body of Christ.

Certainly one of the great joys in serving on the Missions Team is being able to see the breadth of ministry that is taking place in the local church. Imaginative, hands-on efforts are taking place. You are breaking a sweat for the Lord as the hungry are fed, the thirsty are having their thirst quenched, and lonely are visited. The naked and otherwise vulnerable are being clothed and given shelter. The stranger is being welcomed. The sick and imprisoned are being visited and having the Word of God brought to them. These efforts are being facilitated through Ministry Seed Funds, seed funding that encourages and supports the initiation of risky “beyond the walls” ministry.

Through the activities of your Missions Team, the church is reaching out in a number of ways. Disaster relief and emergency response training are but two of those ways in which that outreach occurs. Through your generosity and the guidance of the Holy Spirit, food and clothing ministries are making a difference in communities throughout the conference and in places far removed from North Carolina. Educational enrichment is taking place. Hope is replacing despair. Physical, spiritual, and emotional needs are being met. Radical hospitality is being practiced.

A still relatively unknown responsibility of the Missions Team is the putting on the hat of being the North Carolina Conference Board of Missions, Inc. This legal entity administers a roughly \$5 million fund that is used when local churches have building needs. Your BOMI has been entrusted with the flexibility to respond to the needs of local churches as those needs arise. Loan repayments and the interest income generated from BOMI loans are plowed back into the pot.

An innovative aspect of your BOMI is the employment of two general contractors who work with and provide practical expertise to local churches engaged in building projects in our conference. The overall cost of building projects are greatly reduced by this facet of the program – saving local churches hundreds of thousands of dollars.

“Let your hands be the hands of Christ,” a pastor once urged the congregation to which he had been appointed. “Let your arms and legs and backs be the Body of

Christ here on earth.” Each of us needs to be reminded today and every day of the importance of letting our hearts be like the heart of Christ. Let us see as Christ would see, with compassionate eyes.

You are encouraged to learn more about your Missions Team by going directly to <http://nccmission.org> or by going to the conference website (www.nccumc.org) and clicking on the Offices & Ministries link under Conference Info. Click on “Missions” on the next page. Steve Taylor, Director of the Office of Missions, is available to come to local churches or individual districts to share news about the Missions Team and Board of Missions, Inc.

Remember, we are the church together.

MULTICULTURAL MINISTRIES

Thanks to God we have had a very intense and blessed year. There are a variety of stories that need to be heard but we have the restraints of space: congregations and ministries that are in the process of revitalization in their outreach tasks, in their opening themselves to the new realities of diversity and globalization in their neighborhoods, trying to reach communities in need through educational, health, and youth ministries, etc., incarnating God’s word in their proximity, trying to be faithful to God’s mission. In 2006, our team approved over \$50,880 under the Comprehensive Plan of Inclusiveness, assisting twenty two churches and districts with ministries such as a Hispanic/Latin@ mothers of special children support group, youth ministries, mother’s morning-out, computer training, music ministry, food pantries, pre-school, low-income communities, and stewardship training programs, among others.

Some highlights in this past year have been: Native-American leader’s Retreat with the participation of Bishop Gwinn at Myrtle Beach and work teams that went to Mississippi from the Rockingham District; Cross Racial Appointment pastors meeting and retreat with Bishop Gwinn also, Duke Endowment Convocation honoring Hispanic/Latin@ leaders in Greensboro. Several leaders of our Conference participated in the SEJ Immigration convocation *Our Call to Hospitality: A Biblical Response to the Challenges of Immigration* at Lake Junaluska in February, and in the *Ecumenical Advocacy Days: And How Are the Children?* at Washington DC.

Strengthening the Black Church and Native-American Ministries are in the process of identifying young leaders encouraging them to look for ministerial vocation through mentorship and providing scholarship opportunities for their participation in youth events.

Finally, during this year several of our leaders have gathered on numerous occasions with the Mission Development Circle and around the Connectional Table to discuss the relationship between missions and money. Our constituencies: Native-American Ministries, Strengthening the Black Church, Hispanic/Latin@ Ministries and Asian-American team—had the opportunity to meet with Bishop Gwinn in regard our Comprehensive Plans for the quadrenium (2008-2011) and the necessary funding to support it. These documents are the result of our team efforts following up the vision and mission of the Comprehensive Plan of Inclusiveness that this Conference approved for our whole conference.

For more information about the Comprehensive Plan of Inclusiveness in the North Carolina Conference or about applying for a CPI grant, contact Dr. Lawrence Johnson at 1-800-849-4433, ext. 255 or ljohnson@nccumc.org.

NATIVE AMERICAN MINISTRIES TEAM

The North Carolina CONAM has adopted an aggressive agenda for the upcoming year that will empower and equip our laity and clergy for evangelism, mission, leadership development necessary for the 21st Century. This ministry will evolve out of our vision statement, "Every Member In Ministry". The CONAM's ambitious vision is being fueled by the Comprehensive Plan adopted by the North Carolina Annual Conference in 2006. In this plan there are long range goals, measurable objectives, and time frames necessary for our churches to make great strides towards making Disciples for Jesus Christ. The CONAM will oversee the work of this ministry, and work very closely with the Rockingham District Native American Cooperative Ministry, Inc. to ensure laity and clergy leadership development is available to all identified Native American Ministries.

The CONAM has worked tirelessly over the past year to ensure that Native American Youth and Young Adults are incorporated into the life of the church. We have held several youth and young adult rallies that brought to the table over 100 youth and young adults to experience worship, address leadership needs, and experience affirmation from the church. Our youth defined a historical moment for our Native American youth this year by participating in Pilgrimage 2006.

Our churches have the necessary resources to begin the work for evangelism and church growth. We have seen most of our churches experience growth, and as they have experienced an increase in giving. We are excited about the possibilities, and we want this trend to continue. As a result of this new trend, we are even more active in missions.

We continue to send people to Bolivia, provide leadership for our District to develop a mission trip to Mississippi, feed the hungry, ensure adequate medical care for the needy, identify resources for students to pursue educational dreams, and serve on boards and agencies that address social needs in our communities. We thank the North Carolina Annual Conference Bishop, Cabinet, Staff, and Churches for the overwhelming support you continue to afford us each time we come to the table to address issues, and ask for support. In particular, thank you for supporting Native American Ministries Sunday, which makes it possible for many of these ministries to occur.

PERU COVENANT, TASK FORCE ON

The past eighteen years have given proof that the Covenant between the North Carolina Conference and the Methodist Church of Peru is an excellent example of mutuality-in-mission.

This Covenant not involves us in administrative and financial issues, the *traditional mission relationship*, but what is most important is the human relationship of mutuality, connecting the churches through the love of Christ, where Latin American Christians can contribute to the church of the Northern Hemisphere and thereby enrich this relationship (Bishop Aldo Etchegoyen – Chair of the Methodist Churches in Latin America).

When we sing the Hymn of Promise do we really mean it? In the "bulb" that was planted so many years ago there is today a "flower" and "in the seed" there is today an "apple tree." The unanimous vote of the delegates to the XVII IMP assembly to RENEW THE NCCUMC/PERU COVENANT proved that "in the cold and snow of winter there's spring that waits to be, unrevealed until its season, something God alone can see" (Luis F. Reinoso & Gene Joiner – delegates from the NCCUMC to the IMP General Assembly). One of the key participants in this vibrant ministry is the Southern Pines United Methodist Church. The church's work in Peru has included three components: doing manual labor, conducting free medical clinics, and leading a Sunday afternoon children's activity. Over the last several years, the Southern Pines UMC has worked at

a small Methodist Church at Jose Olaya, a shantytown about 45 minutes north of Lima. With the help of a United Methodist Volunteer in Mission team from the Missouri Annual Conference and grants from the North Carolina Annual Conference, land was purchased and a Christian Education building was constructed. They have now begun work on a new sanctuary that is scheduled for completion in 2007/2008. In the fullest spirit of the Covenant, Southern Pines UMC, joined by other churches through Rainbow Covenant Advance giving, has birthed a free medical clinic. Last year under the direction of a Peruvian doctor, Raul Diaz, about 400 men, women, and children were seen! Medicines were purchased at a local pharmacy from donations by the Southern Pines congregation. Each family was also given a health kit to take home, which contained toothbrushes, toothpaste, soap, and band-aids. Dr. Astrid Diaz, a dentist, gave instructions to the children and their parents on proper brushing techniques.

Another key facet of the Peru Covenant ministry has been the strong commitment to training, teaching, and seminary relationship. Envisioned in 1987 by Professor Fred Herzog and Dr. Mark Wethington, the exchange of lay people and pastors has been a cornerstone of the covenant. In 2006, as in previous years, a group of Duke Divinity School students went to Peru during their spring break. Six students were accompanied by the Rev. Christopher Barrett, UMC pastor in Manning, S.C., Dr. Kristin Herzog, widow of Professor Frederick Herzog who helped to initiate the exchange with Peru in 1987, the Rev. Tiffney Marley, Director of Black Church Studies in the Divinity School, and Prof. Susan Eastman, Professor of New Testament.

It was an especially exciting trip because the group went to Cusco, near the world-famous Inca temple ruins of Machu Picchu. The team taught a three-day intensive biblical course for Methodist lay pastors of the area who are indigenous Quechua and Aymara people. The superintendent, the Rev. Juan Chura, and other Methodist leaders (one of which was Marco Quispe who had studied at Duke Divinity for a semester in the late 1990s), warmly welcomed them. The students were also able to visit the capital of Lima and get to know the unique Children's Village, an orphanage, two hours outside of Lima where about 100 children who were traumatized by the guerilla war of the 1980's have found a wonderful home (another project supported over the years by the NC Conference).

While these spring-break exchanges will continue, there is also a new connection between Duke and Peru. For the first time in the summer of 2006 a Divinity School student did a ten-week internship in Huancaayo, 12000 feet high in the Peruvian Andes, working with two seminaries, one Methodist and one ecumenical. In 2007 there will even be two students assigned to this internship.

In this mutual journey, these two Methodist bodies, the North Carolina Conference and the Iglesia Metodista del Peru have greatly benefited in affirming their global Methodist heritage, have breathed in the richness of life with the other, and have known God in connected expressions of worship and faith. In this, they have learned that they know more of Christ in covenant than they ever did apart. As the Reverend Sherry Driscoll, co-leader of the Southern Pines UMC Peru Mission Team, said so well, "One of the most beautiful moments happened last year when we shared the sacrament of Holy Communion with the Comas 13 congregation. Even though we spoke different languages, were from different cultures and economic groups, and lived on different continents, we were all one through Christ Jesus, our Lord! Thanks be to God!"

Luis F. Reinoso, Chairperson

REFUGEE REPORT

"The stranger, by definition, is an outsider, and may be excluded from the networks which insiders rely on for the satisfaction of their daily needs. Therefore, Christian teaching about hospitality insists that strangers be treated the same as insiders and so, the outsider becomes our neighbor. The stranger is created in the image of God and shares the same rights as the rest of us simply because of their humanness."

Dr. Philip A. Amerson

What would happen if your church co-sponsored a family of refugees?

You will have one of the most precious experiences of how the Gospel turns to be the living word in your life.

Brianne Casey, Co-Sponsorship Developer, at the Lutheran Family Services in the Carolinas, raises the question.

This affirmation comes from many of our United Methodist Churches in the NC Conference, and many others from other denominations, that are already involved in this ministry. Please read carefully:

"The faith and prayer life of Trinity members has been strengthened by our relationship with the Sudanese...We have been spiritually nourished and uplifted by their presence. We now realize what is truly importa in life – people." Rev. Robert Snyder.

My job is to coordinate many efforts of the churches in the NC Conference and I am at present building up a database that will help us to serve brothers, sisters, families that come from many countries around the world.

May God help and guide us, as we get involved in this precious challenge.

Luis F. Reinoso, Refugee Coord

UNITED METHODIST WOMEN

"They that wait upon the Lord shall renew their strengths. They shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint." (Isaiah 40:31) This is the scripture for our 2006 theme: "Come to the Potter for Strength". During this year we gave thanks to God for allowing us to again to be able help millions of women, children and youth through our pledges to mission. This year we sent Women's Division \$474,921.31 in mission giving (\$436,346.74 undesignated and \$38,574.57 designated)

Approximately 60 women attended the United Methodist Women's Assembly in Anaheim, California. The theme was "Rise, Shine, Glorify God". We heard testimonials from women of all ages from around the world. These testimonials were on how United Methodist Women helped them with education, job skills, life skills as well as bringing them closer to God. There were over 2,000 prayer shawls on display. These were made local United Methodist Women. They were distributed to those who were in crisis situations. Some were distributed by Women's Division and others were distributed by local conferences. We received 24 prayer shawls for distribution. There were displays of mission projects, workshops and time for fellowship.

Cookie Santiago blessed our 39 and Under Event at Westminster UMC, Kinston. Our Charter for Racial Justice Workshop was at the United Methodist Building in Raleigh. This year our spiritual growth retreat was held at Belmont UMC in Belmont. Dr. Jones (wife of Dean Jones) from Duke Divinity School helped us grow in our spirituality. Conference School of Christian Mission was held at Methodist College. Mother/Child Retreat was held at Camp Chestnut Ridge and Camp Don Lee. Our annual meeting was held at Methodist College. The Reverend Regina Henderson gave the communion message and assisted Bishop Gwinn in the communion service. District Officers in Training (DO IT Day) was held at Haymount UMC, Fayetteville.

In June our conference officers and study leaders for our School Christian Mission traveled to Virginia Wesleyan College in Norfolk, Virginia, to attend the South Atlantic

Regional School of Christian Mission. Ann Davis, conference secretary, served as Dean of the School and was reelected to serve as dean for the 2007 Regional School. Newly elected officers (Sandra Mendell, treasurer; Phyllis Jacobs, spiritual growth coordinator; Madoline Murphy, membership, nurture and outreach coordinator; Melba McCallum, education and interpretation coordinator) attended the Leadership Training Event for their offices in St. Louis, Missouri, in November.

Again, \$8,000 in scholarship money was distributed to six young women attending either Methodist College and Duke Divinity School.

District teams of United Methodist Women continue to visit and to help at our project sites (M.E.R.C.I. and Robeson County Church and Community Center)

Emily Innes, immediate past president of NC Conference United Methodist Women and current director of Women's Division, was elected Vice President of Women's Division in August.

We thank all the United Methodist Women in the our conference for all they do everyday to help others improve their lives.

SPIRITUAL FORMATION AND LEADERSHIP CIRCLE

CAMPUS MINISTRY

Prior to January 1, 2007 United Methodist ministry on our state supported college/university campuses related to the Annual Conference through the State Commission on Campus Ministry, a joint venture with the Western NC Conference UMC. The State Commission was dissolved effective December 31, 2006 by resolution of both Annual Conferences in June, 2006. Campus ministry now relates to the Annual Conference through the Board of Higher Education and Campus Ministry (see related report).

In the NC Conference geographical area there are four United Methodist Wesley Foundations (Fellowship), two ecumenical Christian campus ministries in which United Methodists participate and one local church campus ministry outreach to the local university. The four full-time United Methodist campus ministries (called Wesley Foundations or Fellowships) are found in Chapel Hill at UNC; Durham at Duke; Raleigh for NC State, Meredith College, Peace College and Wake Technical Community College; and Greenville for ECU and Pitt Community College. There is a full-time ecumenical Christian campus ministry in which United Methodists are a partner in Wilmington for UNC-W and Cape Fear Community College. United Methodists are partners in the part-time ecumenical Christian campus ministry of NC Central University in Durham. First UMC in Pembroke sponsors and operates a United Methodist Christian campus ministry at UNC-Pembroke. Below is a brief glimpse of what some of these ministries are doing...

Wesley Campus Ministry at UNC Chapel Hill – Jan Rivero, campus minister

Campus ministry in Chapel Hill continues to grow and thrive as we seek to meet the needs of students on campus. It is a challenging time to be in ministry: students are more interested than ever before in matters of spirituality but also more defined by a culture of consumerism, depression and entitlement. Finding ways to feed that deep spiritual hunger is a constant test, but one, by the grace of God, we continue to meet. Through our ministries of worship and spiritual formation we provide multiple opportunities for students to grow their faith in the context of a supportive community. Through our outreach ministries students deepen their connection to God's world while also gaining a rich understanding of the complexities of justice in the midst of delivering glimmers of God's great mercy. An even larger challenge looms before us as we struggle to meet the demands of an aging building with dwindling financial resources coming from the conference. We are in the midst of plans that we hope will result in a redevelopment of our Wesley property in such a way as to expand our

ministry and also create financial sustainability. It is an exciting time for us as we strive to be faithful and think thoughts as big as God dares us to. Thank you, North Carolina Conference, for your commitment to this essential ministry, and for the support you continue to provide!

Duke Wesley Fellowship – Jenny Copeland, campus minister

What began as a hypothetical conversation among members of the Duke Wesley Fellowship about wishing for a place we might call our own has turned into the purchase of a house adjacent to Duke's East Campus. In a great testament to the strength of connectionalism, nearly one-third of the necessary funds for the down payment have been raised through the North Carolina Conference and a loan for the balance of the cost has been obtained through the Western North Carolina United Methodist Foundation. Alumni are supportive (yes, with their dollars) and students are excited (yes, with their years of MERCI home repair expertise). Such a space provides us the means to become an Acts 2 congregation. Radical hospitality in the form of a safe, welcoming community; passionate worship by accentuating our emphasis as an Eucharistic community; intentional spiritual formation through continued growth toward sanctification in a community of accountability; risk-taking mission and ministry by continuing our long tradition of social justice witness both inside and outside our national borders. We give thanks to God that we are part of our Church that understands the vision of such hopeful undertakings.

Raleigh Wesley Foundation – Kirk Oldham, campus minister

This year marks the sixty-fifth year of ministry for the Raleigh Wesley Foundation, serving North Carolina State University, Meredith College, Peace College and Wake Tech. Students meet each week for dinner followed by a program that features guest speakers, study, fellowship, worship or service projects. We also have a weekly Bible study / spiritual formation group. This past fall we completed *Exploring the Way*, part of the *Companions In Christ* Series. Other activities included:

- A quarterly service project in conjunction with Temple Beth Or and Under One Roof, an HIV/AIDS service organization in Raleigh,
- Participation in the Habitat for Humanity Shack-A-Thon at NC State to raise money for Habitat for Humanity of Wake County where we placed second among campus groups in most funds raised
- Leading worship at Fairmont UMC
- Hosting Wesley Foundation alumni gatherings
- Sponsored a Parent's Night Out for Valentine's Day

In May we traveled to Belize for our annual mission trip. We helped to construct classrooms for Holy Cross Anglican School and worked with school children in the classroom.

Wesley Foundation at Greenville – Scott Wilkinson, campus minister

At the Wesley Foundation in Greenville, forty to fifty students from ECU and Pitt Community College gather each Thursday night for a home cooked meal (often fixed by area United Methodist Women) and then raise the roof for Jesus with praise and worship music, followed by a Bible study or other program. In January, 15 students from the Greenville Wesley went to a Young Adult Chrysalis weekend; two made first time commitments of their lives to Christ and one answered a call to the mission field. Eighteen students spent their spring break in the nation's capital attending Church and Society's "Washington Seminar On Poverty" and volunteering with Habitat For Humanity.

United Christian Campus Ministry at UNC-Wilmington and Cape Fear Community College – Nancy Cooper, campus minister

2006-07 on the campuses of UNC-W and Cape Fear Community College has been a W.O.W. experience. Worship through Bible Study, prayer times, sharing Holy Communion and holy conversations-allowing space for different convictions while

being centered in the love of God in Christ; Outreach and Service through bowling with the children of The Methodist Home for Children, walking with local churches and the community to raise awareness and funds in the battle against cancer; and Wellness through partnering with the campuses to invite and encourage healing and wholeness in "Celebrating Our Spirituality"-walking and praying the labyrinth, participating in educational opportunities to eat better and stress less; sharing in special time of fellowship to nurture and support one another. Even while we celebrate the W.O.W. of 2007, we cast our vision to the horizon of the next semester, and to all the rising opportunities before us. United Christian Campus Ministry continues to transform ordinary people into extraordinary lovers of God and of other.

United Methodist Campus Ministry at UNC-Pembroke – Rev. Dufrene Cummings

We have a steady group that meets on Wednesday mornings for Bible study, prayer, devotion and fellowship. We also meet in the University Student Center sometimes to pray/read the Bible. For Valentine's Day, we distributed almost 100 gift bags that included candy, gospel tracts, and invitations to become part of the Wesley Foundation. We are also currently in the process of deciding on some local community service projects that we would like to be a part of and also finding a place within the Rockingham District Native American Cooperative Ministries.

CHILDREN'S MINISTRY TEAM

In children's ministries we celebrate...

..."Through the Eyes of a Child" workshop for leaders and workers in weekday ministries with children held August 2006 with close to 70 participants.

..."For Such a Time as This" Children's Ministry Resource Event held at Centenary UMC-New Bern on Friday, April 27 and Saturday, April 28. Special resources folks from the general United Methodist Church: Jim Ritchie and Delia Halverson were with us to lead us in considering full inclusion of children in worship and the spiritual formation of children. A wide range of workshops were held for all types of local church children's ministry programs and settings in order to resource any and all persons in leadership of children's ministry. This was the first time this event was held and future training opportunities will be considered.

...The work of the Conference Safe Sanctuaries Task Force. (See related report)

...Participation by several leaders in children's ministry from churches across the Conference in the Large Church Initiative/General Board of Discipleship sponsored FORUM event in February-March, 2007 as well as the National Christian Educators Fellowship Conference in October, 2006 (held every two years).

...The next phase of the Hand in Hand Project which places the expertise and resources for further development of partnerships between local churches and schools with one of our original partners in the project – NC Communities in Schools.

We celebrate all that local churches are doing in ministry to, with and by children as we welcome every child in Jesus' name!

CHRISTIAN EDUCATORS FELLOWSHIP

Christian education is more than children's Sunday School. Christian education is vital to the life and mission of the church. Christian education is the sum of all the things the church does from worship to service projects that shapes us from "womb to tomb" into disciples of Christ. We need to reclaim our Wesleyan heritage of educating Christians and promote Christian education in the church. We cannot do this alone, and that's why we have Christian Educators Fellowship (CEF). The purpose of CEF is to nurture, support, challenge, and advocate for persons responsible for the formation

of Christian disciples through the ministry of Christian education. The North Carolina Conference chapter meets monthly for this very purpose as we worship, fellowship, and share ideas. In October 2006 chapter members journeyed to the national CEF Conference at Lake Junaluska and returned renewed by the rich experiences of worship, study, and fellowship. Our chapter recently began a conversation with each other and with God to discern the vision of God's preferred future for NC CEF. We sent surveys to Christian educators throughout the Annual Conference in an effort to determine their needs and how the chapter might most effectively address those needs. With God's help, by June 2007 we hope to have a glimpse of God's vision for the chapter and updated by-laws that will set the course for implementing the vision. We encourage persons called by God to the ministry of Christian education to consider joining CEF for nurture and support and to be challenged to grow as a Christian educator and a disciple of Christ.

CLERGY CARE, COMMITTEE ON

Since 1971 the Committee on Clergy Care (formerly the Committee on Pastoral Care) has served clergy in the North Carolina Annual Conference by providing financial aid for confidential professional counseling and marriage and family enrichment. Beginning 2004, in keeping with our understanding of the call and ministry of those who serve the Church as commissioned minister, deacon, diaconal minister, elder, or licensed local pastor under appointment, the Committee is now referred to as the Committee on Clergy Care. The Committee is comprised of five members from the Board of Ordained Ministry (one of whom serves as chairperson); one representative from the Conference Clergy Living Committee; one representative from the Clergy Partners Association; and one Pastoral Counselor. Funding for grants and expenses of the committee is included in the budget of the Board of Ordained Ministry and the awarding of grants is dependent upon the availability of funds.

Financial aid is available to both clergy and diaconal ministers and their families, as described in the section below entitled, "Eligibility for Financial Grants". The financial grants, of up to \$400 per family per calendar year, are provided to cover one-half of the cost of counseling sessions. Ministers under the NC Conference health insurance program should review the Health Care Benefits for outpatient psychiatric care. The coordination of insurance benefits and Clergy Care Grants should not exceed 100% of fees charged.

MARRIAGE AND FAMILY ENRICHMENT

The Committee on Clergy Care encourages participation in marriage and family enrichment events, including those focusing on the needs of single, as well as married ministers. Grants up to \$100 per individual, or \$200 per family or couple, per calendar year, are available. A schedule and/or outline of the events, leaders' names and credentials and verification of participation should accompany a letter of application for the grant.

ELIGIBILITY FOR FINANCIAL GRANTS

Persons who qualify for financial grants:

1. Clergy who are members of the NC Annual Conference whose status is active, retired or on leave in accordance with ¶¶ 353, 354 or 355 of The Book of Discipline 2004, OR any person, regardless of conference relationship, who is serving a local church of the NC Annual Conference, or a dependent.

2. Diaconal ministers and or candidates who are serving a local church and are members of the NC Conference.
3. Grant eligibility continues for two years for persons who have terminated their relationship with The United Methodist Church, for surviving spouses of minister and for former spouses of eligible persons.

Conference clergy and diaconal ministers and their families are eligible for grants. A family is defined as dependents of the minister living in a ministers' home or parsonage, including spouse, children, parents and grandparents. Ministers' children through the age of 22, whether attending college or living at home, are eligible to receive financial grants.

COUNSELORS AND THERAPISTS WHO QUALIFY FOR FINANCIAL GRANTS

Only counselors and therapists who meet the following criteria qualify to receive grants from the Committee on Clergy Care:

Psychiatrist: American Medical Association (AMA) Board Certification, North Carolina License;

Psychologist (Clinical): Licensed Practicing Psychologist LPP and/or HSP-P), North Carolina License;

Pastoral Counselor: Member, Fellow or Diplomat of the American Association of Pastoral Counselors, Inc. (AAPC)

Counselor: Clinical Member of the American Association of Marriage and Family Therapists (AAMFT), North Carolina Certified Marriage and Family Therapists, North Carolina Licensed Professional Counselors (LPL)

Social Worker: Member Association of Certified Social Workers (ACSW)

APPLICATION PROCEDURE

The Counselor or therapist, at the request of the qualifying client who is receiving the counseling, is to make application for a grant to the Chairperson of the Committee on Clergy Care in the following manner:

1. The counselor or therapist requests an application form and instructions from the Office of Ministerial Relations. This request should be addressed in care of the Office of Ministerial Relations, PO Box 10955, Raleigh, NC 27605, or by calling either 919-832-9560 or 800-849-4433, ext 244.
2. Once the application and instructions for a Clergy Care Grant are received by the counselor/therapist, and a determination is made that the client qualifies, the application should be completed and returned to the Chairperson of the Committee on Clergy Care. To protect the confidentiality of the client, the client's name shall never appear on the application. When more than one member of the client's family is involved in counseling, all family members shall be assigned the same case number.
3. The counselor/therapist will receive the financial aid grant on behalf of the client to apply to the client's account or to refund to the client if the account has already been paid. Clients should request from the therapist a statement showing the amount of financial assistance received from the Clergy Care Committee and should request the counselor/therapist to contact the Chairperson of Clergy Care to negotiate an acceptable procedure if any problems arise concerning the process. The client, not the Clergy Care Committee, is responsible for all contracts, negotiated fees and payment of services that are provided.
4. The deadline for submitting grant applications is December 20th of the calendar year in which the services were provided.

In 2006, the Committee on Pastoral Care granted \$8037.17 for counseling sessions. This represents 271 sessions with counselors and therapists during the calendar year. Grants processed in 2006 totaled 45, representing 113 sessions for clergy, 49 for cleric and spouse, 82 for spouse, 27 for children. Of these 45 grants, 10

received the 2005 maximum of \$400.00 in assistance and 4 received at least half to two-thirds of the maximum grant .

CLERGY COUNSELING AND CONSULTATION, COMMISSION ON

The 2000 Annual Conference voted unanimously to establish and fund the Clergy Counseling and Consultation Service (CCCS) to provide support for our pastors and their families. It created this Commission to develop and oversee this program. Jane Clark Moorman, MSW, LCSW, BCD has served as Director since beginning the Service January 1, 2001.

The primary purposes of CCCS are: 1) to meet the emotional/psychological needs of pastors and their families; and, 2) to provide mental health consultation for clergy to assist them in providing effective pastoral care and counseling to members of their congregations. Ms. Moorman also provides round-the-clock assistance to pastors in handling emergencies as well as other challenges in ministry. There are no fees for her services.

Ms. Moorman provides diagnostic assessment, counseling, psychotherapy, and referral services for clients within their own faith perspective. In 2006, 163 persons from 155 clergy families (20% of our active clergy under appointment) utilized her services. She provided 1,078 direct counseling hours and 295 mental health consultations. More than 640 clergy and family members have received her help with depression, anxiety, marital conflict, parent-child problems, addictions, sexual concerns, grief, moving/transition difficulties, professional identity, and congregation-related issues. Ms. Moorman continually updates a network of mental health providers and pastoral counselors across our Conference to whom she refers when referral is requested or needed.

Ms. Moorman adheres closely to a policy of strict confidentiality which guards the privacy of each person who contacts or uses the CCCS. No information is released to anyone without prior written authorization. The Director reports only to this Commission and this Commission reports only to the Annual Conference.

Services are provided in three locations. In addition to the main office in Durham, Ms. Moorman provides services two days each month in satellite offices in both **Washington** and **Wilmington**. For further information, consultation, or an appointment, please call toll-free 866-440-4200 or locally 919-402-4200.

This Commission believes Ms. Moorman's counseling and consultation benefit the entire Conference by helping to create healthier clergy who are able to serve the Lord more effectively and build stronger churches. The cost of this service is less than 1% of our Conference budget. We urge members of the 2007 Annual Conference to continue full funding in the 2009 budget for this highly utilized clergy support program.

Ted R. Kunstling, M.D., Chairman

CONFERENCE RELATIONS, COMMITTEE ON

The Committee on Conference Relations has as its primary responsibility the assisting of any clergy who seek to change or terminate their relationship with the Annual Conference. Changes in conference relationship may occur in any of the following ways: 1) discontinuation, 2) leave of absence, 3) retirement, 4) sabbatical leave, 5) maternity/paternity leave, 6) family leave, 7) termination of conference relationship (surrender of credentials), 8) honorable location.

The Conference Relations Committee meets with the person who is seeking a change

in conference relationship upon the request of that person, or upon request of the Cabinet or the Board of Ordained Ministry. The committee attempts to determine what is appropriate in each case by posing questions, offering counsel and providing support. The committee then discusses the request and acts upon it by making a recommendation to the Board of Ordained Ministry. In any event, the person requesting the change and the Conference Relations Committee acting on the request must follow the requirements in *The Book of Discipline*.

The Book of Discipline provides specific guidelines applying to each of the categories of conference membership. All those persons in the various categories of conference membership (other than the effective relationship) should remember to familiarize themselves with, and adhere to, the disciplinary guidelines which apply to that category. The Committee on Conference Relations issues a yearly reminder of these guidelines through a letter approved by the Board of Ordained Ministry at its annual meeting. Following the appropriate guidelines is particularly important for clergy on leave of absence; for these persons, exercise of any ministerial function is restricted to the Charge Conference in which their membership is held. The Conference Relations Committee would take this opportunity to reiterate that pastors on leave of absence cannot perform weddings, conduct funerals, or administer the sacraments outside the bounds (both geographical and membership bounds) of that charge conference.

Every spring (since 1987) the Conference Relations Committee has hosted a luncheon for those who will be retiring from the North Carolina Annual Conference at the June session of that year. At this luncheon, the retirees and their spouses are informed about various matters relating to their retirement such as insurance, housing, and pension benefits. This year's retirement luncheon was held at St. Luke United Methodist Church in Goldsboro on Tuesday, May 08, 2007.

Thomas G. Holtsclaw, Chairperson

CONTINUING EDUCATION, COMMITTEE ON

The Continuing Education Committee of the Board of Ordained Ministry has the responsibility of developing continuing education programs that will enable ministers to fulfill the Disciplinary requirements. According to the *Book of Discipline*, "*Clergy shall be expected to continue their education and spiritual growth throughout their careers, including carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities.*" *The Discipline* further states that, "*In most cases the ordained ministers' continuing education and spiritual growth program should allow for such leaves at least one week each year and at least one month during one year of each quadrennium. Such leaves shall not be considered as part of the ministers' vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, district superintendent, and Annual Conference Continuing Education Committee.*"

In providing the resources to enable pastors to meet the minimum requirement of *The Discipline*, the Committee on Continuing Education has edited a brochure that applies to all clergy and diaconal ministers of the NC Annual Conference. The brochure contains information defining Continuing Education, the role of the local church, and how the pastor's continuing education can be financed. The brochure is printed as part of this report.

Continuing Education for Ministry in the NC Annual Conference:

Rationale: A prime expectation of every minister of the NC Annual Conference is professional growth. In recent years, one of the major avenues through which such growth occurred has been continuing education. In *The Book of Discipline* it states, "*There are professional responsibilities that elders are expected to fulfill and that represent a fundamental part of their accountability and a primary basis for their continued eligibility*

for annual appointment. Growth in vocational competence and effectiveness through continuing formation is expected of conference members."

Definition: Continuing education is defined as an organized structured program of formal study under competent leadership with clearly defined goals and objectives. Here the key words are "organized," "competent leadership," and "clearly defined goals and objectives." By this definition certain activities, though worthwhile, are not considered "continuing education"; e.g., degree programs, recreational programs, promotional meetings, worship services, entertainments, undirected reading, and study travel (except for limited lecture, seminar, or workshop time), and the like.

The Conference Program:

The Conference Board of Ordained Ministry, through the Committee on Continuing Education, performs three functions: 1) it sets minimum continuing education standards for ministry; 2) it establishes guidelines for continuing education; and 3) it seeks to insure their availability.

1. **Minimum Standards:** The NC Conference has established as a minimum standard one Continuing Education Unit (CEU) to be earned by each minister from an approved continuing education program each year. One CEU is defined as ten contact hours of participation in an approved continuing education program.
2. **Guidelines for Continuing Education Programs:** CEUs will be approved for those persons sponsored by organizations which are accredited by a) a regional educational agency (such as the Southern Association of Colleges and Schools), b) a professional accrediting agency (such as the American Medical Association), or c) the Council on the Continuing Education Unit. It should also be noted that only those programs which relate directly to ministerial growth and development will be approved.
3. **Insuring their Availability:** Efforts by the Board of Ordained Ministry to insure the availability of continuing education programs include encouraging conference-related and other colleges within the Conference bounds to offer courses for ministers, providing supplementary financial aid for ministers, publicizing approved programs, and identifying specific subject areas for needed programs.

Role of the Local Church: In addition to the minister, the local church has a significant stake in the success of continuing education programs. The local church, therefore, has an important role to play in continuing education.

The Pastor-Parish Relations Committee of the Local Church:

1. Confers with the pastor and the district superintendent in the development of a continuing education program that will enhance the total ministry of the church.
2. Provides study leaves at least one week each year and at least one month during one year of each quadrennium. Such study leaves are not to be considered vacation time.
3. Recommends to the church's Finance Committee budgetary funds to be applied toward the minister's continuing education program. In providing funds for continuing education programs, the Pastor-Parish Relations Committee should insure that only those programs which meet both the definitions and specific guidelines above are funded.

Financial Aid to Clergy:

Funding for continuing education is the combined responsibility of the participant, the congregation, the sponsoring institution, and the Annual Conference. Conference funds for continuing education are derived as a portion of conference apportionments. Thus, it is not possible (nor is it desirable) for the conference to assume a major responsibility. Continuing education can be expensive. For this reason, local churches are encouraged to provide a minimum of \$300.00 annually for each clergy and diaconal ministers' continuing education.

All persons under Episcopal appointment to charges, conference staff positions, Conference Evangelists, retired supply, and Extension Ministries appointed to conference-related agencies and institutions are eligible for grants from the Conference funds provided:

1. The program meets the definitions and Conference guidelines described above.
2. The applicant has documented his or her efforts to secure funding from other sources, including local church, Duke Endowment, and personal resources.
3. The application for a grant is filed on the appropriate form which furnishes *complete* information about the event and bears the signatures of the applicant, the Pastor-Parish chairperson, and district superintendent.

Continuing Education Grant Guidelines:

1. The maximum grant to an individual applicant over one conference year is \$300.00
2. Grants are available for ordained, commissioned, licensed and diaconal ministers who receive less than the CAC (Conference Average Compensation), which includes salary and utilities, or less.
3. Applicants must use all funds designated by their local congregation or employing organization *prior to* requesting Conference grants.
4. Grants for *District* Continuing Education Seminars shall be limited to \$100.00, based upon the availability of funds, regardless of the number of CEUs involved and within the limits outlined in #1, 2, and 3.
5. Grants for Clinical Pastoral Education (CPE) can be given when the CPE program offers the required CEU credits. No more than \$300.00 per CPE unit will be granted in any given year. Grants for CPE are given only for non-degree programs.
6. Holy Land Trips: A grant according to the current policy may be made once in a pastor's career, providing funding is available.

Monitoring Continuing Education Units:

1. The district superintendent, in annual consultation, may suggest to the clergy or diaconal minister the area of continuing education he or she should take to facilitate his or her professional growth. The pastor's annual Continuing Education Report will be given to the district superintendent at the annual consultation or other appropriate time.
2. Clergy shall have the responsibility for securing from the institution granting Continuing Education credit a record of earned credit *and providing a copy of this record to the Office of Ministerial Relations.*
3. It is the responsibility of each participant to determine, in consultation with the Committee on Continuing Education, if a proposed program meets the criteria prior to participation and funding.

E. Powell Osteen, Jr., Chairperson

ENLISTMENT, COMMITTEE ON

A simple look at the ages and faces of clergy in The United Methodist Church, one has a better understanding of the statistical projections about the tremendous loss of clergy through retirement over the next eight to ten years.

In our conference, for example, over 90 clergy are eligible for retirement. The means by which clergy are eligible for retirement are as follows:

- Mandatory retirement at age 70
- Early retirement
- Retirement base upon years of service

If these eligible clergy were to retire in the next 3-5 years, the Bishop and the Cabinet would be faced with an awesome void within the North Carolina Annual Conference.

The primary concern of the Committee on Enlistment is *to raise the awareness of our constituency within the bounds of the North Carolina Conference so that identification and enlistment of ordained ministers is an ongoing concern that touches every dimension of the body of Christ*. In keeping with this goal the Committee on Enlistment is ready to provide direction and encouragement in the process of clergy enlistment. More importantly, the primary responsibility for identifying youth, young adults, and second career individuals who are ready to answer God's call, falls upon local church pastors, laity in the local churches, and campus ministers.

All too often, some people place God's call to the ministry behind economic or security concerns. Sometimes a friend or a respected leader in a local church is more aware of a calling upon an individual than the person him or herself. One of the roles of individuals and Pastor-Parish Relations Committees in local churches is to confirm the claim of God upon those that are called by directing them to their local church pastors, District Superintendents, and District Committees on Ministry.

Previously the denomination offered an event on the even-numbered years designed to help persons who are "exploring" a call to ministry. The 2006 *Exploration* event was held November 17-19, 2006 in Jacksonville, Florida. Due to a recent change to every four years, the next Exploration weekend will take place in 2010, and it is designed to help one explore the call to ministry, discover one's giftedness for ministry and ways in which to fulfill the call.

There are other spiritual encounters [opportunities] that have proven to be helpful in understanding a call to ministry, such as, Disciple Bible Study and Emmaus. Events like these have awakened and provided opportunities for so many to hear and respond to God's call.

The Committee on Enlistment encourages all pastors and laity to assist [the Holy Spirit] in facilitating, clarifying and discovering God's call. To assist those whom God has called into ministry, is a high and holy honor and commitment.

Sam Wynn, Chairperson

HIGHER EDUCATION AND CAMPUS MINISTRY

The Board of Higher Education and Campus Ministry is charged by *The Discipline* with interpreting and promoting United Methodist ministries in higher education, specifically those related to the North Carolina Annual Conference. Accordingly, the Board has worked to maintain and strengthen its ties with the colleges and universities historically related to the Conference – Louisburg College, North Carolina Wesleyan College, Methodist University, Duke University, Bennett College and Greensboro College. Additionally, the Board has taken on a new role in relating to the campus ministries at state supported institutions within the bounds of the Annual Conference.

The past year has been a year of transition for several colleges and universities, as well as for the Board itself. The president of Louisburg College, Dr. Reginald Ponder, has announced his retirement at the end of the 2006-07 academic year and a search for his successor should be completed by Annual Conference. North Carolina Wesleyan celebrated its fiftieth anniversary and continues to engage in a study with the UNC system. Methodist College also celebrated the fiftieth anniversary of its chartering and changed its name to Methodist University.

The greatest change, and the one with the most direct impact on the work of the Board, was the decision by the North Carolina and Western North Carolina Annual Conferences in 2006 to discontinue the State Commission on Campus Ministry and transfer its work to the respective Annual Conferences. As a result, much of the Board's work this year has been centered on reacquainting itself with the work of the campus ministries, assisting the campus ministries in the necessary process of legal

incorporation and restructure, and envisioning an effective structure for its own work in the future.

The Board makes the following recommendations to the Annual Conference:

1. That the Conference Board of Higher Education and Campus Ministry be comprised of sixteen (16) members, clergy and lay, nominated and elected by the Annual Conference. These sixteen members shall be chosen based on experience, interest, or relationships with the colleges or campus ministries. Additionally, any member of the Conference serving on the General Board of Higher Education and Ministry shall be a voting member of the Conference Board (*The Book of Discipline*, para. 633.2). Non-voting members shall include the Executive Director of Conference Connectional Ministries; the Conference Director of Children, Youth, and Young Adult Ministries; the presidents of the colleges related to the Annual Conference; the campus ministers serving within the bounds of the North Carolina Conference; a representative from Duke Divinity School; and a Cabinet representative.
2. That the Board shall have a Section on Colleges, comprised of eight of the sixteen members, whose responsibilities include nurturing the historic relationship with the colleges, promotion and administration of loans and scholarships, publicity and interpretation of the work of the colleges, and other matters specific to the ministry of the colleges.
3. That the Board shall have a Section on Campus Ministry, comprised of eight of the sixteen members, whose responsibilities include publicity and interpretation of the campus ministries, matters relating to local campus ministry boards, personnel matters relating to the campus ministries, and any other matters specifically related to the campus ministries.
4. That the two Sections are amenable to the full Board whose responsibilities are outlined in *The Book of Discipline of The United Methodist Church, 2004*, para. 633.

Finally, the 2006 session of the Annual Conference directed that a study be done on the expansion of campus ministries onto the campuses of the community colleges within the geographic bounds of the Conference. The Board has studied this concern and determined that it is not feasible for the Annual Conference to establish or fund a campus ministry on site at each community college within its bounds. The Board strongly recommends that local churches in the areas of the community colleges consider establishing such ministries as an outreach and extension of its witness in that community.

 - C. Reporting and Payment Requirements
 - 1. IRS guidelines require that moving expense reimbursements be reported on a W-2. Based on recommendation from legal counsel and their consultations with the Internal Revenue Service, we recommend that the W-2 be issued by the local church. The Conference Treasurer will provide to the local church all moving expense information to be reported on the W-2. The Conference Treasurer will make payment to the new local church appointment. The new local church will pay the clergy and include the moving expense on the W-2 that they issue to the pastor at the end of the year. In absence of a new appointment, payment will be made to and reported by the old appointment.

2. The Conference Treasurer will make this payment upon receiving the Itinerant Clergy Moving Expense Requisition form signed by the person receiving reimbursement and approved by the sending District Superintendent, along with appropriate receipts to substantiate the expenses.
 3. The pastor should send the completed document, "So You're Moving" checklist to the sending District Superintendent. This will fulfill the 2004 *Discipline*, Paragraph 2532.4, which states "The chairperson of the board of trustees or the chairperson of the parsonage committee, if one exists, the chairperson of the committee on pastor-parish relations, and the pastor shall make an annual review of the church-owned parsonage to ensure proper maintenance."
 4. Moving expense funds will be withheld by the Conference treasurer if the district superintendent determines that the parsonage was inadequately cleaned or was damaged beyond normal wear and tear. If an inspection by the district superintendent and the pastor-parish relations committee or the parsonage committee reveals monetary needs for cleaning or repairs, or for having the fuel tank filled, the remaining balance of the moving expense due said pastor shall be made payable to the respective district to pay for needed cleaning or repairs. If the district superintendent or the moving pastor is NOT in agreement with said pastor-parish relations committee or the parsonage committee, the superintendent may request the arbitration committee of the clergy living committee to inspect the parsonage involved and give an impartial recommendation.
- D. The Conference treasurer will make an advance payment up to \$600.00 to eligible itinerant clergy to cover the expense of deposit and fees for moving expenses prior to their move, upon approval by the district superintendent. Those receiving an advance must substantiate their expenditures, and any money that is left over shall be refunded to the Conference treasurer. All advance payments shall be included in W-2 information provided to the local church by the Conference Treasurer for inclusion on the W-2.
 - E. No additional claim can be made against a local church, district, or the Conference for payment of moving expenses.
 - F. Reimbursable expenses include the cost of boarding and moving domestic animals, the moving of recreational vehicles, boats, etc., moving household and personal goods, travel as defined in II.B., lodging, packing, crating, in-transit storage and insurance, labor costs, and any other expense necessary to physically move household items. Expenses which are not reimbursable include meals, purchase of household items, or any other item not reasonable or necessary for the move.
 - G. The request for moving expense reimbursement must be received in the Treasurer's Office no later than four months following the date of the move.
 - H. Reimbursement will be considered a qualified, non-taxable fringe benefit not subject to income and self-employment tax when:
 - Your move is 50 or more miles from the old appointment to the new appointment and
 - Your new appointment is full time for at least 39 weeks during the first 12 months at the new location.

If your appointment does not meet the above conditions, then the reimbursement will be reported as taxable for both income and employment tax. However, if your reimbursement is treated as taxable income, an additional stipend in the amount of 20% of the taxable income portion will be provided. The maximum stipend will be no more than 20% of the applicable limit stated in section II.A.

III. Review Committee

- A. There will be a Review Committee consisting of two persons appointed by the chairperson of the Council on Finance and Administration, one district superintendent appointed by the Bishop, the Conference treasurer, the director of Ministerial Relations and the chair of the Moving Expense Committee.
- B. The Review Committee will consider- and have final authority over any questionable or disallowed claim or special claim beyond allowances set in the approved plan.

LAITY, COMMISSION ON

The primary purpose of the Conference Board of Laity is to make known the good news of God's love and salvation through Jesus Christ, and to challenge, inspire and equip the laity of the North Carolina Annual Conference for ministry in the local church.

In the past year the District Lay Leaders have implemented training workshops for local church Lay Leaders, held District Lay Rallies to celebrate the ministries of laity, and ensured that Lay Speaker Training courses were offered in their districts. Laity Sunday was promoted on the third Sunday in October, and most congregations participated. Some District Lay Leaders were a part of the Bishop's Task Force on Clergy Effectiveness and some have served on the Bishop's Task Force on Healthy Congregations. The Conference Lay Leader as well some District Lay Leaders participated in the Bishop's "Excellence in Ministry" events held in every district this past year. In addition our Conference United Methodist Men, United Methodist Women, and United Methodist Youth sponsored many events aimed at spiritual enrichment, leadership development and education (please refer to their individual reports).

Every year the opportunity to lift up an Outstanding Lay Ministry is given to each district. These will be celebrated at Annual Conference as we "shine the spotlight" on excellence in ministry. (Please refer to the following report to learn more)

Once again this year the Conference Board of Laity will offer a "Laity Event" to be held during Annual Conference on Friday June 15th at 7:30 p.m. The speaker for our "Laity Event" will be the Reverend Vance Ross the Associate General Secretary of the General Board of Discipleship; the General Agency of the United Methodist Church which relates to laity.

Over the last year, the Conference Board of Laity has truly embraced the council of Bishop's seven pathways as a means of making disciples of Jesus Christ for the transformation of the world and has begun to see its' role in the life of the Annual Conference in a new light. Excitement is building as we discover fresh ways to live into this focus through our servant leadership May our work together as disciples of Jesus Christ bring glory to God.

Emily Innes, Conference Lay Leader

LAY MINISTRIES OF THE YEAR

Burlington District: Faith UMC—"Kidspiration Ministry"

"Kidspiration" provides children ages 3 through 5th grade with a hot meal, safe facilities, and Christian mentors who help the children learn how to make good, biblically-based choices in today's complex world. More than 20 volunteers minister to at least 26 children monthly, teaching them bible stories and related crafts. A special event, Fun Day, crossed racial and status barriers and attracted over 100 children and adults many of whom continue to come to the church.

Durham District: McMannen UMC—"Mission Team to the Zimbabwe Orphan Endeavor"

Through joint efforts of the church and the community money was raised for tools, materials and travel expenses for a team of people to minister to the orphans of AIDS

victims in Zimbabwe (ZOE). The mission of the work team was to build tables, thus providing a place of dignity for the orphans to eat their daily meal of gruel. (Prior to this, the children ate their meal sitting on the ground.) The team helped cook & serve 1,000 children each day. They also began building a library for the UMC's mission school.

Elizabeth City District: Mount Olivet UMC – “Food For Thought Ministry”

This ministry staffed by over 100 volunteers provides non-perishable food for elementary age children on weekends. 230 students take home food bags each weekend at the close of school and are able to study and learn better because they are well fed. Other United Methodist Churches involved in the ministry include: Duck, Mighty Wind, and Bethany.

Fayetteville District: Camp Ground UMC–“Clowns for Christ Ministry”

“Clowns for Christ” started in 1999 and had such a great impact in the local church that it surprised both the clowns and the congregation. This ministry joyfully meets the desire to show the grace and love of Christ for all people. Additionally, a puppet team was formed as an extension of the clown ministry. The puppeteers and the clowns while spreading joy, also receive spiritual inspiration by being able to extend their message.

Goldsboro District: LebanonUMC–Lebanon Food Pantry Ministry”

By the leading of the Holy Spirit the people of Lebanon UMC were guided to start a (North Carolina Food Bank Approved) food pantry. In 2006, 2,623 persons were served with nearly 49,000 pounds of food. Additionally, health fairs were held under the direction of the parish nurse and early interventions of serious illnesses such as high blood pressure were provided for many people.

Greenville District: District United Methodist Churches “Latino-Hispanic Ministry”

Unidos Por Cristo (United In Christ) is a United Methodist faith community in Grimesland. It began as a lay-led ministry with lay persons conducting Sunday services and teaching English classes. It has evolved into a ministry partnership between Latino laity, Greenville District congregations and now a pastor who is one of six Duke Rural Church Fellows attending Duke Divinity School. Worship services (Sunday morning and evening), prayer groups, and bible studies are conducted in Spanish. Fellowship meals, a women's group meeting, and English classes are offered weekly.

New Bern District: Rhems UMC–“Refugee Ministry”

This small membership congregation offers radical hospitality to the nearly 100 refugees of Cambodia and Burma who now live in the community. Rhems UMC has started two new Sunday School classes and worship attendance has grown considerably as the church has opened its' heart to provide for the physical and spiritual needs of its' new neighbors.

Rockingham District: First UMC Pembroke UMC–“Caring and Sharing Ministry”

This interdenominational initiative has over thirty churches involved in ministry with un-churched, homeless, and hungry people of the community, as well as elderly shut-ins. During the past two years 400 people have been fed Thanksgiving dinners either on-site or by home delivery and 138 holiday food boxes have been delivered during the Christmas season. In addition, an on-going clothing closet and soup kitchen ministry which serves breakfast and lunch daily has now been started. Organized by United Methodist Church leaders and enabled by volunteers of all denominations, this lay ministry has relied totally on volunteers and community donations.

Rocky Mount District: Sims UMC-God's Garden Ministry”

During a Lenten bible study “God's Garden Ministry” was planted in the hearts and minds of the people of Sims UMC. During the Spring, Summer, and Fall of 2006 the harvest of a half acre garden fed hundreds of hungry people in the community and surrounding area. In this congregation with an average worship attendance of 32, approximately 15 people participated in the garden work and distribution.

Sanford District: Goldston UMC—"United Methodist Men's -Mishach's Carpenter's VIM Team"

Mishach's Carpenters VIM mission team rebuilt a church in Clermont Harbor Mississippi. Completed in June of 2006 after just eight days on site the 90 + volunteers worked virtually around the clock in shifts, reconstructing the church from the slab up, including all plumbing, electrical, heating and cooling requirements. They built the sanctuary, the pews, alter, kitchen, steeple, meeting and fellowship rooms. When they had finished building, they painted and even put on a new metal roof. This was all paid for with donations and fundraising efforts from the UMM's group. The 90 + volunteers came from 30 churches in the immediate Goldston area and from several denominations.

Wilmington District: Wesley Memorial UMC—"NC Dental Mission of Mercy—MOM"

450 persons with few or no options for dental care were given free dental services during a two-day event. Approximately \$100,000 worth of dental services were donated by the 200 volunteers who were involved in the mission, including dental office personnel, college hygiene students, dental students from UMC Chapel Hill, local dentists, and technicians. In addition other volunteers provided food for the dental workers and transported people to the event.

NORTH CAROLINA PASTORS' SCHOOL AND DUKE DIVINITY SCHOOL CONVOCATION

On October 9-11, 2006, five hundred and seventy-two persons gathered for the annual Convocation and Pastors' School at Duke Divinity School. The event focused on the theme "Called to Follow, Called to Lead" and featured thoughtful lectures, insightful seminars, and inspiring worship services. The James A. Gray Lectures were presented by Eugene Peterson, the acclaimed pastor, scholar, writer, and poet, with the titles "Pastors: The Call to Exile," and "Pastors: The Call to Beauty." The Hickman Lectures were delivered by Dr. Craig Dykstra, Senior Vice President for Religion at Lilly Endowment, Inc., on the subject of the pastoral and ecclesial imagination. Convocation preachers Trevor Hudson, a Methodist minister from Northfield Church in Benoni, South Africa, Ann Svenningsen, the president of The Fund for Theological Education, and William Turner, the Associate Professor of the Practice of Homiletics at Duke Divinity School, brought messages of challenge and hope on the theme of pastoral leadership; the three also served as panelists for a discussion entitled, "Leading Congregations: Lessons I've Learned Along the Way." Fifteen different continuing education seminars, including "Preaching from John's Gospel," "Wrestling with God: Jacob, Moses, Jonah, Job," "Cultivating Excellence in Pastoral Ministry," and "Beyond Techniques: Developing the Capacity to Lead," enrolled over four hundred participants.

The 2007 Convocation and Pastors' School is entitled "Our Daily Bread," and will be held October 8-10. Primary lecturers will be author Wendell Berry, environmentalist Wes Jackson, and theologian Norman Wirzba. A detailed brochure will be available from Duke Divinity School later this summer. Individuals are encouraged to contact the Center for Continuing Education for more information (www.divinity.duke.edu/learningforlife, email div-conted@duke.edu, phone 888-845-4216).

OLDER ADULT MINISTRIES, COMMITTEE ON

The committee seeks to be the focal point for aging issues which impact the program and ministry of the local church and the Annual Conference as a whole. The committee hopes to raise the consciousness of how, where and why the church ought to be involved in ministry with, to and by older adults. The committee has promoted the following services and learning programs:

1. The Conference Web Page now offers a link for Older Adult Ministry and it may be reached at: <http://www.nccumc.org/OlderAdultMinistries/default.htm>
2. Through a Speaker's Bureau the committee can offer churches a list of names of people who could speak on issues pertaining to Older Adults.
3. A Resource Library is being maintained in the Conference Audio-Visual Library for use by local churches.
4. The Norman T. Allers Academy on Older Adult Ministries is a certification program established by the Older Adult Association of the Southeastern Jurisdiction to provide training and credentials for those in older adult ministry.
5. Annually in August, we encourage Older Adults and those working with older adults to attend the SEJ Older Adult Conference. The conference is designed for anyone over the age of 55. The event will be held August 6– 9, 2007 at Lake Junaluska. Bishop Will Willimon and Richard Gentzler, Director of the Center of Aging of The United Methodist Church will be the featured speakers.
6. To partner with other conference groups and agencies in the sponsorship of the education and training of clergy and lay persons in the spiritual development for the fourth quarter of life. On May 9, 2007, we held a one day event in Garner. The event programming was for Older Adults and those who work in Older Adult Ministries. Linda K. George, Professor of Sociology, Psychology: Health and Social, and Psychiatry and Behavioral Sciences at Duke University was the keynote speaker. The committee looks forward to hosting a similar program in 2008.
7. We continue to explore the possibility of partnering with MERCI to offer a work camp/training for older adults.
8. The Burlington District with the support of NCC Older Adult Committee and other ministries/agencies is hosting a program entitled *Third Thursdays at Chestnut Ridge* that "... provides a way for older adults to use their special knowledge and life experience for the benefit not only of themselves, but for others." This program began in September 2006.
9. We have developed and will continue to distribute resource packets to Pastors new to the Conference at the yearly training event. The packets contain useful resources and ideas for Older Adult Ministries.

PSYCHOLOGICAL TESTING AND BACKGROUND CHECKS, COMMITTEE ON

The Conference Board of Ordained Ministry evaluates all prospective and continuing candidates in accordance with requirements in *The Book of Discipline 2004*. Those seeking to enter ordained ministry or licensed ministry undergo a comprehensive evaluation. One component of the evaluation process involves psychological testing and background investigation, conducted under the direction of the Committee on Psychological Testing and Background Checks.

Psychological testing serves two purposes: (1) It provides the individual with valuable information, feedback and guidance related to psychological health and wholeness. (2) It provides the Board of Ordained Ministry and District Committees with useful information as they evaluate and mentor prospective and continuing candidates to determine their fitness, potential, and promise for fruitful and effective service in ordained and/or licensed ministry.

Psychological evaluation services are being provided through a contract with Dr. Bert Lucas, a member of St. Luke United Methodist Church in Sanford, North Carolina. Dr. Lucas has done an outstanding job this past couple of years in providing this service, and the Committee is indebted to him for his guidance and counsel.

Expenses for psychological evaluations are borne by the Board of Ordained Ministry for those persons residing within the annual conference and for those transferring into the conference *when they are included with North Carolina Conference candidates for group testing*.

Background checks on prospective and continuing candidates are furnished through a contract with Kroll Background America, Inc. Each background check costs \$60.00 and the cost is borne by the applicant. The applicant is provided with a copy of their background check report once completed by Kroll.

On average the Committee processes 75 psychological tests and 80 background checks a year.

The other members of the Committee on Psychological Testing and Background Checks are the following persons: Jimmy Cummings, Clyde Denny, Paul Phillips, Sue Robertson, David Wade and Ray Wittman. I am very appreciative of the seriousness and dedication with which the Committee approaches its work. The Committee would like to thank Paul Leeland for his guidance and wisdom, and Linda Bourey for her assistance with the administrative aspects of our work.

RESIDENCY IN ORDAINED MINISTRY, COMMITTEE ON

The North Carolina Conference Residency in Ordained Ministry (RIOM) program began in fulfillment of ¶417.3 of the 1984 *Discipline* requiring Annual Conferences to provide Counseling Elders for Probationers. Adjusting to changes in the mentoring process mandated by subsequent *Disciplines*, RIOM continues to provide an opportunity for probationary members to grow and find support as they live and learn through this opportunity of concentrated focus and reflection on ministerial theology and practice. Twenty years of experience with this program have demonstrated the great value in preparing probationers for Full Conference Membership.

The North Carolina Conference Board of Ordained Ministry uses a "Cluster Group Model" to meet the Disciplinary requirements for providing leadership and supervision for our probationary members. Probationers meet in small "cluster" groups throughout the probationary period. These groups are arranged, as often as possible, by geographical area in order to minimize travel time and facilitate greater fellowship. Cluster leaders are Elders who, by intention, are not members of the Board of Ordained Ministry. Recognizing that these cluster groups become an important source for collegiality and support, every

effort is made to keep each participant in the same cluster throughout the probationary period.

A candidate serving under the 2004 *Discipline* can complete his/her requirements for Deacon/or Elder in Full Connection within three (3) years by accepting a full-time appointment and participating in the RIOM process. *The Book of Discipline* provides a maximum time line of six (6) years to complete these requirements. Beginning last fall we increased the number of meetings, began using uniform resource materials and changed the focus for each year. Under this three-year probationary process, year one (Phase A) focuses on Spiritual Disciplines, while year two (Phase B) focuses on the leadership skills necessary for ordering the life of the Church. Year three (Phase C) is a time of preparation for written and oral interviews with the Conference Board of Ordained Ministry as candidates consider the Disciplinary questions for all who seek to come into Full Connection.

During the RIOM process, certain candidates may be required by the Board of Ordained Ministry to spend an additional year or more “continuing” the probationary process. A continuance does not mean the probationer has failed or that he/she does not have the gifts and grace for ministry. This continuance is better understood as an opportunity for the probationer to continue to grow in grace as they seek to answer God’s call to ordained ministry.

In September of each year, Duke Divinity School sponsors a conference for candidates who are preparing for *Full Connection interviews* in the coming year. This annual seminar is led by faculty from the Divinity School and focuses on theology, worship, and pastoral concerns. Though not mandatory, we strongly recommend this time of reflection for all who are planning to come before the Board for Full Connection interviews. As a part of this seminar, participants are given the opportunity to meet with representatives from the Board of Ordained Ministry’s interview committees to discuss their preparations for the coming year and to address questions they may have. Duke Divinity School also sponsors a seminar each October for candidates who are writing their first papers and seeking commissioning/probationary membership.

In addition we have begun conversations with Duke Divinity School, the Duke Endowment and the Western North Carolina Annual Conference about the issue of mentoring young pastors. We have had a conference call and a group of leaders met in May in Greensboro to continue to explore ways to improve the mentoring process.

The Residency in Ordained Ministry Committee would like to offer a word of sincere thanks to: Kong Namkung, Bob Wallace, Grace Hackney, Teresa Lawrence, Charles Moseley, Joy MacVane, Charles Cook, Jim Reed, Jenny Wilson, Richard Greenway, Thomas Sweeley and Bob Bauman for their service as Cluster Group Leaders during the past year. We significantly increased the number of meetings and their responsibilities but they handled those increased commitments with grace and faithfulness. These gifted servants have enabled our Annual Conference to offer candidates an enriching and worthwhile experience of growth and reflection. We, as a committee, are committed to helping candidates for Ordained Ministry in every way possible.

The Committee wants to express their sincere thanks to the Dr. Paul Leeland, Director of Ministerial Relations and Assistant to the Bishop, and to Linda Bourey, assistant in the Office of Ministerial Relations for their wisdom and assistance.

SAFE SANCTUARIES

At Annual Conference in June, 2005 the following was adopted by the Annual Conference:

- a. Conference and district program agencies which work with programs for children and youth, in covenant with the United Methodist Church, within the following policy, in order that the abuse of children and youth in all conference and district related settings may be prevented to the fullest extent possible: As a Christian community of faith, we pledge to conduct the ministry of the Gospel in a manner that assures the safety and spiritual growth of all children and youth and the adults who work with them. We will follow reasonable safety measures in the recruitment and selection of staff. We will implement prudent procedures of operation for all programs and events. We will educate those who work with children and youth in conference and district settings as to the use of all appropriate policies and procedures. We will have a clearly defined procedure for reporting suspected incidents of abuse that conform to the requirements of state law.
- b. Each and every local church will adopt and implement for themselves a safe sanctuary policy and procedures as outlined in the 1996 General Conference Resolution (***Book of Resolutions of the United Methodist Church, 1996, pp. 384-386***) for use in their present and future ministry with children and youth.
- c. A Conference ***Safe Sanctuaries Committee***, selected by the Conference Committee on Nominations, will provide oversight for the Conference safe sanctuary policy and procedures and resource the implementation of a safe sanctuary policy and procedures within local churches of the North Carolina Annual Conference of the United Methodist Church.

The Safe Sanctuaries Committee has met several times since its creation to give oversight to implementation of the Conference safe sanctuary policy and procedures and to provide resources to local churches. A follow-up workshop with Joy Melton, denominational leader in this area, was held in 2006 on October 27 at Garner UMC and October 28 at Queen St UMC in Kinston. The website resources have been increased and updated for accessibility by local churches: www.nccumc.org/childrnmin/safesanctuaries1.htm. These resources include sample forms, guidelines for procedures, background resources and other links. Reporting of the safe sanctuaries policy and implementation of procedures for each local church was part of charge conference reporting in the fall, 2006.

During 2007, the Committee reviewed the charge conference reports noting most churches had either adopted a policy and were in the implementation phase or were working toward adoption of a policy and procedures. For those churches not yet taking action on this and deemed to be at risk, District Superintendents were asked to follow up with them. In the fall, the Committee is planning special resources and assistance to those churches with no children or youth ministry currently taking place who have not yet taken action on developing a safe sanctuaries policy and procedures.

SEXUAL ETHICS SUPPORT TEAM

The Board of Ordained Ministry was asked at the 1999 Annual Conference to implement a policy on professional sexual misconduct for the North Carolina Conference. Since this

time the committee was organized and implemented the policy. The present committee is comprised of the following members: Tom Holtsclaw, Faye Rouse, T.R. Miller, Charles Astrike and Trish Archer.

The committee continued the training of sexual ethics support teams, persons available if the bishop wishes to deploy them to support persons who bring a complaint of sexual misconduct, to support persons against whom such complaints are made, and to support congregations which might be impacted by such circumstances. The careful training, coordinated by Mary Jane Wilson-Parsons, has prepared nine persons to serve as support team members.

In response to the request of the Board of Ordained Ministry in 2000, Bishop Edwards appointed The Reverend Mary Jane Wilson-Parsons to a less-than-full-time extension ministry as Coordinator of the Sexual Ethics Concerns. Her responsibilities include: 1) Design and implement training for SEST; 2) Make recommendations to and serve on the subcommittee of the Board of Ordained Ministry as a consultant and advisor to policy decisions; 3) Coordinate each SEST response, providing supervision to team members as needed; 4) Be available to consult with the bishop or members of the Cabinet regarding any instance of alleged clergy misconduct; 5) Provide outreach and education to members of the conference regarding the Sexual Ethics Policy and the role of the response team; 6) Be responsible for staffing the toll-free Clergy Ethics Hotline. This ministry began July 1, 2000, and is funded by the Board of Ordained Ministry.

Moral responsibility underlines the importance of our attention to this area of our life together. The sub-committee invites you to review the Sexual Ethics Policy (pgs. 248-250 of The Journal 1999 – note: will be reprinted in 2007 journal). The policy is also available on disk from the Conference Secretary's Office. Awareness of and fulfillment of that policy will strengthen our covenant and will offer new avenues for grace in our lives.

The Sexual Ethics Support Team, in conjunction with the Bishop and the Cabinet, will provide opportunities for each clergy person to attend workshops that will provide continuing education to assist us in maintaining moral responsibility in our work as pastors. Each pastor will be notified well notified in advance by his/her district superintendent regarding the location and dates for these meetings, and each pastor is required to attend. Opportunities for the laity to be involved either has been, or will be shared in the January Workshops, or at a time chosen by the district superintendent.

Plans for workshops to continue from time to time in the future in order that pastors may be assisted in maintaining moral responsibility as ministries are shared for the cause of Christ. Every new minister to the North Carolina Conference is required to attend Orientation Workshops that also include a one-day training in this area as they begin their ministry.

UNITED METHODIST MEN

God has been powerfully at work in the North Carolina Conference United Methodist Men as we seek His leadership for this year to deepen our faith and pursue Him into deeper waters.

Fellowships continue to witness His leadership as they grow in Him. Fellowships such as First UMC-Cary, Swansboro UMC, First UMC-Garner, St. James UMC – Greenville, St. Peter's UMC – Morehead City, St. Luke UMC – Sanford, and Sappling Ridge UMC, among others, are growing and developing disciples by looking for new ways to reach men.

God has opened a door to show us ways to better connect with more men. No Man Left Behind is an approach to men's ministry that differs radically from the traditional meet and eat that has formed many of our fellowships for many years. Two of our fellowships sent teams to Orlando training last year, and they are backing

bringing that training to North Carolina, May 10-12 at First UMC-Cary. Several NC Conference churches have indicated they will have five men from their church attending. All of our conference officers and many of our district presidents will be attending.

We are appreciative of financial support from District Superintendents, a number of laity, and churches to spiritually reform men's ministry in the North Carolina Conference.

Our greatest challenge continues to be communication. We have plans to publish and distribute our first conference newsletter during the first quarter of 2007, produce it quarterly, and to include two pages of district news in each issue.

While we will promote connecting with UMM through chartering and EMS, and promoting upcoming UMM events, we will especially lift up successful UMM fellowship who are seeking new ways of connecting men with Christ.

We already have scheduled our 3rd UMM Duke Day for October 6. We will gather for a spiritual speaker, a known athlete with a powerful testimony, and lunch, followed by the Duke football game with Virginia.

Later that month, October 27, we will gather in Goldsboro for our annual conference rally. Again, we hope to have a powerful individual testimony, and our national executive, General Secretary Dave Adams, has agreed to speak. While we continue to seek district presidents in two districts, Durham and Fayetteville, we have new and energetic leadership in three districts. As of Feb. 28, we have district presidents in ten of 12 districts. We also have three new conference officers. We are here to serve and support the local churches to help them connect men with Christ. We have held local presidents' training events in a number of our districts this year, and hope to provide an opportunity in each district before the year is up.

We had 28% of our fellowships chartered in 2006, and we expect that number, along with our 197 EMS members as of January to increase. We were one of the leaders in the SEJ and across the church in both percentage of churches chartered and EMS members.

Barry Merrill, UMM president

UNITED METHODIST YOUTH

"Get a Life...Follow Jesus" is the theme for the year 2007 in Conference youth ministry. This theme is best expressed in the call of the disciples – who left everything to follow Jesus and found real life as a result. Our mission statement for Conference youth ministry is *to walk with youth in their journey to know Christ by creating an environment in which youth can experience Christian communion to hear the Gospel, to know God's love and to respond in faith by loving and serving others...for in all of this we are making disciples of Jesus Christ.* Through local church youth ministry with a variety of faces and programs and service projects; through districts offering opportunities for youth; with about 8500 youth and adults participating in Conference youth events; and with the new general church Division on Ministries with Young People, we indeed offer the wonderful life of Christian discipleship, following Jesus.

Youth (and adults) from across the Conference have participated in nine events over the year: PK Getaway, Confirmation Celebration, Global Vision, Kaleidoscope, Rally Day, Appalachian Trail Hike, Summer Breakaway, ACS-Annual Conference Session for Youth, and Pilgrimage. PK Getaway offered a weekend retreat for youth-age "preacher's kids" to support one another and to celebrate the unique dynamics of their lives as part of parsonage families. The Confirmation Celebration offered an experience of the connectional church to those in confirmation classes from local churches. Global Vision included a visit to Washington DC and New York City with a

seminar to explore issues around the state of the church in the world and the role of faith in politics. Kaleidoscope is a Conference youth event that offers a spiritual life retreat for middle school youth. Rally Day was a bright and sunny spring afternoon that celebrated the place of youth within the life of the church. The Appalachian Trail Hike proved to be a mountaintop experience of God for those involved. Summer Breakaway and ACS offered times of worship and sharing experiences of fellowship and faith in small and large groups. Pilgrimage (with close to 6000 in attendance from close to 300 churches) in the Crown Coliseum with challenging messages of God's call on our lives to be the light of Christ in the world from Lisa Yebuah and music by Chris Hughes and our own NC Conference youth will be a Pilgrimage not soon forgotten.

Youth Service Fund continues to be an avenue of mission for United Methodist Youth. Grants to such ministries with youth as Positive Attitude Youth Center in Burlington, Zimbabwe Orphans Endeavor in Africa, Jubilee Project in Tennessee, Footprints Youth Mission Camp at MERCI, Simpson Community Playground and Trail, God's Own Healthy Harvest in Durham, Carolina Cross Connection, and the Society of St Andrew – Harvest of Hope program are possible only in as much as local churches support and contribute to Youth Service Fund. Youth Service Fund is money raised by youth and spent by youth to benefit youth. While the contributions to YSF at Conference youth events are very good, more support from local churches is needed to reach our goal each year of remaining at "Top 10 Conference."

We rejoice in the vision that local church youth ministries are living toward in areas of mission, service, study, outreach, fellowship and spiritual growth. We celebrate and give thanks to the Annual Conference and all the people within local churches giving support and encouragement to youth ministry. We pray for God's guidance and blessing as we seek LIFE in following Jesus.

WORSHIP, COMMISSION ON

The goal of the Committee on Worship continues to be one of service, planning, and precise execution of outlined liturgy for the Annual Conference. The Committee is committed to Bishop Alfred Gwinn's effective leadership and concept of a healthy congregation. We are working diligently to ascribe to the seven pathways in all our presentations during the Annual Conference.

The 2006 Annual Conference was a high spiritually rich experience, as we sojourned and enter into a new venue, at the Greenville Conventional Center. Prior to the 2006 Annual Conference, the Committee on Worship met several times in Raleigh to plan trips to work on the ins and outs of certain logistics. We sojourned several times with excitement to see the Greenville Conventional Center. On our first trip, the committee was blessed and treated with great hospitality in the new building that would house our 2006 Annual Conference; we met the manger, assistant manger, and others that were in charge. On the next, trip to Greenville Conventional Center, again, we were greeted very warmly, shown to facilities and made some more plans for our committee. Finally, on our third trip, we inquired about particular space for the Committee on Worship for set ups and, at this time, we were given a generous place in the back, for our team to work and prepare for all events, and we were close to the stage.

We experienced no real difficulty from our perspective. The Committee on Worship team was organized and ready to work on day one. Each assignment that was taken by each member of the team was administered with agape love and humility. You must understand that each program had to be taken with extreme

patience and compassion, to the letter. I personally feel that the team went above and beyond the call of duty for the Annual Conference in a new venue.

We are please to report that we ascribed to address the various requests that were brought up at the Annual Conference Planning meeting regarding having diversity in all presentations. The different music and singers included a multi-culture and inclusive genre. The programs and speakers that were presented such as; the Ordination Service, the Holy Communion Service, the Memorial Service, the Love Feast Service plus others, all showed a true example of having and working with a deep dedication, conviction, and commitment to a policy of being an inclusive denominational church with open hearts, open minds, and open doors in harmony for Christ Jesus.

In conclusion, the Committee on Worship is all about availability at the Annual Conference. We are always open to assist in any way that the Annual Conference Planning Committee recommends. We are pro-active to a changing culture in worship and music. Our goal is to function as servant leaders for Christ, working behind the scene-making things happen, positively in concert with the other committees. Therefore, the Committee on Worship is committee to giving and making each Annual Conference the best that it can be, in the name of our Lord and Savior Christ Jesus.

RESOURCE MINISTRIES CIRCLE

The mission of the Resources Ministry Circle is: **to foster a culture of stewardship, connection, and covenant to fulfill the mission of the church, which is to make disciples of Jesus Christ.** God has truly given the North Carolina Annual Conference an abundance of resources. As we work together discussing budgets and buildings, entitlements, information, and insurance, money and its management, we know that the greatest resource that we have in the North Carolina Annual Conference is our people. Each of the ministry areas of the Resources Ministry Circle face the challenges of these days and times with faith in God and with a sense of dedication to lead and serve guided by the highest ideals of stewardship, connection, and covenant. We are all in this work together making vital, healthy congregations and providing effective lay and clergy leaders to make disciples of Jesus Christ for the transformation of the world. I give thanks to God for the spirit of dedication and willingness to serve of the leadership in the areas of ministry in this circle.

DISABILITY CONCERNS, COMMITTEE ON

The chances of becoming disabled are probably greater than you realize. Studies show that a 20-year-old worker has a 3-in-10 chance of becoming disabled before reaching retirement age Mental Illness is the second largest reason people are on disability in NC.

Our Fall Mental Health Conference on November 7, 2006 was greatly attended as well as jointly sponsored with NAMI-NC (National Alliance on Mental Illness); NAMI-Wake County, NC Mental Health Association, and NAMI-SC. Our keynote speaker was Rev. Susan Gregg-Schroeder who Coordinator of Mental Health Ministries. We also heard from Mr. John Tote who is the executive director of the NC-MHA.

Sixty-six of the 113 persons in attendance were United Methodists from ten out of twelve Districts in the NCCUMC. This group represented thirty-eight UM Churches with thirty active pastors and twenty seven church members. One church had seven members present.

The other forty-seven were from other denominations and/or people active in mental health work. A few traveled from as far west as Boone, and Villas. Others came from as far east as Morehead City and Jacksonville as well as far south as Whiteville. They represented eleven churches from ten denominations, and eleven care providers.

NAMI-NC invited me to conduct a workshop during the Spring Annual Conference on March 9-11. My topic was Churches Offering Radical Hospitality for Individuals with Mental Illness and their Families

On March 20, we met with the Joint Committee on Incapacity Leave to discuss our mutual concerns for those on incapacity and what we can intentionally do in their behalf. The Book of Discipline charges us to work toward the involvement of the person's gifts and graces of persons with a disability in the life and ministry of the church. We are very concerned about our own disabled and feel we must focus on our clergy on incapacity leave in advocating for the involvement of persons with a disability in the life and ministry of the church.

We would appreciate it very much if Bishop Gwinn would lead our conference is doing something like the Kansas East Conference Bishop's Conference on Mental Health Issues who worked with Bishop Gerald Mansholt, Central States Synod, Evangelical Lutheran Church of America; and Bishop Dean Wolfe, Episcopal Church in Kansas, to address Mental Health Issues.

Also, Baltimore-Washington Conference has a yearly "Jesus Rock" youth gathering. At ROCK 2005 last month in Ocean City, more than 500 teens and youth leaders attended a break-out session I helped to lead, "Recognizing and Responding to Teen Depression and Bipolar Disorder." A follow-up quiz revealed that the participating teens had gotten the message. They understood that being a Christian did not make them immune from mental illness but that their faith and their faith community could be a resource in recovery. Both youth and their leaders were challenged to be more sensitive to those around them who may need help and to make their youth groups places of compassion and healing for those in recovery. Several youth leaders requested help in developing follow-up programs in their local churches. While Pilgrimage is not organized with breakout groups, we would hope some other conference and/or district youth event would have such a breakout session.

EQUITABLE COMPENSATION, COMMISSION ON

The *Book of Discipline* mandates that “there shall be in each annual conference a **commission on equitable compensation**” (§ 624), whose purpose is “to support fulltime clergy serving as pastors in the charges of the annual conference” (§624.2). Three broad areas of responsibility are outlined in §624.2, which are: “(a.) Recommending conference standards for pastoral support; (b.) administering funds to be used in base compensation supplementation; and (c.) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations.”

God calls persons to ministry to go into all the world, preaching, teaching and baptizing (Matthew 28:19), for without them the world would not have heard Christ preached (Romans 10:14). These are called to be stewards of the mysteries of God (1 Corinthians 4:1). The Church lifts up some persons for the role of clergy and ordains these persons to the work of pastoral ministry to be servants of the servants of God.

Those who are ordained to pastoral ministry answer affirmatively the historic question of John Wesley, (§330.17) “Are you determined to employ all your time in the work of God?” For such a called, set apart and committed clergy, the Church assumes an obligation to plan adequate support. The *Book of Discipline* is clear that “the primary responsibility for payment of pastoral salaries remains with individual pastoral charges (§624.5; see also §247.13). Pastoral charges carry a responsibility for clergy salaries as one expression of their missional and ministry presences in the community. We recognize that such a missional presence also includes faithful payment of apportionments in full as ministry beyond the local church.

The Commission seeks equity and fairness for both pastors and local churches. Why should this commission be so concerned about equity and fairness? Our prayerful consideration of scriptural and historical foundations are found in the following:

- a. Jesus says, “the laborer deserves to be paid,” (Luke 10:7) and Paul reminds us “Let the elders who rule well be considered worthy of compensation, especially those who labor in preaching and teaching; for the scripture says, “You shall not muzzle an ox while it is treading out the grain,”” (1 Timothy 5:17,18).
- b. Wesley was concerned that clergy have responsibility not to be “in debt so as to embarrass you in your work” (§330.18), which implies that the Church has a responsibility that it neither lead its clergy into positions of embarrassing indebtedness, nor leave them there.
- c. The Great Commission to “go into all the world preaching, teaching and baptizing” brings with it a cost. Systems of clergy support which foster the use of the right pastor in the right place, hold up the hope of seeing the Great Commission bear its promised fruit.
- d. The Commission on Equitable Compensation embraces the Great Commandment to “love our neighbors as we love ourselves” by desiring for each pastor what our members’ desire for themselves – compensation adequate to free persons for the work of pastoral ministry.

Through our prayers, working and considering together as both laity and clergy from across The N.C. Annual Conference, we make the following recommendations, which we believe will help us move toward fairness for both local churches and pastors as together we support ordained ministry in The N.C. Annual Conference.

For the year 2007, the average full-time salary increase was approximately 4.63%. The CPI (Urban South) for the last twelve months ending December 2006 showed an increase of 3.4%.

The Commission currently recommends a 3.59% increase in Salary and a 4.76% increase in utilities. Including the recommended travel amount this represents a total increase of 3.4% for the year 2008. Our recommendation is based on several factors: (1) the average compensation from other conferences; (2) it more closely reflects the majority of salary increases for this conference; (3) shows concern for general economic trends.

I. Recommended Schedule of Minimum Compensation for 2008:

A. Salary Schedule

We recommend that the *student minimum salary* be based on 65% of the minimum salary of full-time pastors.

PASTORS UNDER FULL-TIME APPOINTMENT (Full Connection, Associate, Probationary, Local Pastor)	2007	2008
Salary	\$37,459.00	\$38,806.00
Utilities	<u>\$2,100.00</u>	<u>\$2,200.00</u>
TOTAL	\$39,559.00	\$41,006.00

STUDENT PASTORS (Local Pastors or Conference Members)

	2007	2008
Salary	\$24,348.00	\$25,224.00
Utilities	<u>\$2,100.00</u>	<u>\$2,200.00</u>
TOTAL	\$26,448.00	\$27,424.00

B. Travel Expense

Although travel is reimbursed by the local charge as an item of pastoral expense, it is expected that *each local charge would provide at least \$3,000 for travel expense*. The Commission encourages each charge to establish a plan to reimburse the pastor for all legitimate business mileage at the current rate established by the IRS. Where such a plan is established for reimbursement of business mileage, equitable compensation support shall not be affected by payment of travel expenses. However, where a reimbursement plan is not implemented and a travel allowance is given, *any travel allowance in excess of \$3,000 will result in a reduction of equitable compensation support*.

C. Pension Program

Charges receiving Equitable Compensation Funds support are responsible for paying the total amount required for the Clergy Pension Plan and the Comprehensive Protection Plan (CPP) based on the pastor's cash base compensation (including funds from the Equitable Compensation Fund, Duke Endowment, and any other sources), and housing (percentage of cash base compensation designated by the General Board of Pension/Health Benefits or housing allowance, if provided in lieu of a parsonage).

II. Principles Governing Eligibility for Equitable Compensation Funds:

The pastor's base compensation is the responsibility of the charge; therefore, each charge of The North Carolina Annual Conference should be so arranged as to be able to assume full salary support. The Commission urges each charge receiving Equitable Compensation Funds, its pastor, and the district superintendent responsible for that charge, to administer the affairs of that charge to the end that it may move as rapidly as possible toward total self-support. To enable the Annual Conference, the Commission and the district superintendents to carry on their cooperative efforts in

understanding, in harmony, and for the greatest good for all concerned, the following principles and procedures are set forth:

- A. **Base Compensation:** In considering the base compensation for the charge, all income, including base compensation, bonuses, and other benefits not specifically excluded, are included as base compensation in determining appropriations from the Equitable Compensation Fund. Base compensation support for retired supply, interim supply, part-time local pastors, less than full-time conference members, or associate pastors in other than larger parish arrangement of churches will not be available. Equitable Compensation funds shall not be used to supplement amounts above minimum full-time compensation.
- B. **Annual Stewardship Campaign:** Churches receiving Equitable Compensation Funds shall conduct an annual financial/stewardship campaign in the second year of receiving Equitable Compensation funds, to accurately gauge the level of financial support the local church can reasonably expect from its members.
- C. **Any Equitable Compensation Fund supplement will be terminated immediately** upon information that the pastor has taken full-time, secular employment. The supplement may be reinstated at the time the charge's appointed pastor returns to full-time or student status. Exceptions to this provision will be permitted only by the approval of the executive committee of the Commission on Equitable Compensation upon the recommendation of the district superintendent of the pastor seeking to be employed outside their ministerial responsibilities for emergency reasons.
- D. **Disbursement of funds from Conference Treasurer's Office:** Equitable Compensation Funds are to be sent to charges that have applied for their use to provide their pastor with the minimum base compensation established by the Annual Conference. The monthly base compensation supplement checks sent by the Conference Treasurer's office are to be deposited by the charge treasurer into the charge/church bank account. *Checks shall not be endorsed nor cashed by the pastor.*
- E. **Application for funds:** Churches or charges applying for Equitable Compensation Funds shall submit a request on the appropriate form, supplied by the district superintendent. The pastor, recording secretary of the charge conference, and the district superintendent, shall carefully analyze the request. The application form must have the signatures of the pastor, recording secretary of the charge conference, and the district superintendent affixed to it, and receive the approval of the charge conference. **Applications received that are not completed in full are not eligible for consideration by the Commission until such time that they have been completed and resubmitted.**
- F. The Commission on Equitable Compensation will not fund any charge that is also receiving funds from The Emerging Church Salary Fund. The Commission on Equitable Compensation plans further consultation and study with other Conference boards and agencies to seek ways to more adequately provide for the temporal needs of our pastors and churches.
- G. In some instances, for missional reasons, consideration may be given to make funds available for the deacon in full connection when the primary appointment is to a local church. (Discipline 2004, paragraph 624.4)

III. Policies Governing Use of Equitable Compensation Funds

- A. **Charges must be so arranged that no more than one third (1/3) of the total base compensation will come from the Equitable Compensation Fund on the first application of the charge.**

1. **Charges seeking more than one third (1/3) supplement** shall provide specific information with their application, indicating the reasons for their inability to meet these guidelines. Information shall be made available to the Commission on Equitable Compensation and the district superintendent regarding the terms of Equitable Compensation support, giving the date of its inception and the present amount of support being received by the respective charges.
 2. **When the division of a charge is desired**, Equitable Compensation funds will be used only upon the recommendation of the Bishop and the approval of the cabinet. In the division of a charge in which one church seeks to become a station, it is recommended that such a church shall assume total responsibility for base compensation and its proportionate share of all apportionments.
 - a. The remainder of the charge in such a division assumes full pastoral support and proportionate share of all apportionments. In no case will the Commission on Equitable Compensation provide more than one third (1/3) of the base compensation required for such a division.
 - b. When there is a division of a charge forming one or more student appointments, each newly created charge shall pay initially two thirds (2/3) of the pastoral support established by the division.
- B. Annual Reduction and Length of Time for Support:**
1. The Commission further recommends that each charge which is receiving, or shall hereafter receive, Equitable Compensation Fund assistance, shall reduce this aid by at least twenty-five percent (25%) each year, until the charge has achieved full self-support in five (5) years.
 2. A minimum mandatory reduction of ten percent (10%) will be required each year.
 3. At the end of the fourth (4th) year an evaluation shall be conducted with the church and the district superintendent to evaluate the ability of the church to sustain a full time appointment in the future.
 4. After review by the cabinet and the Commission, an extension in the length of time for support can be granted for missional purposes.
The Commission wants to be clear at this point that its intent in this recommendation is that each charge will accept in full whatever increases are made in the minimum base compensation for their pastor each year and receive at least ten percent (10%) less each year in assistance from Equitable Compensation Funds than granted the previous year.
- C. Merit Grant Supplemental to Base Compensation:** Each full-time minister, associate member, or member in full connection of The N.C. Annual Conference, serving full time, and who, in the opinion of the cabinet is rendering unusually effective service, may apply for a grant in the amount of \$400, when such clergy person's salary and utilities are equal to the Conference minimum base compensation.

1. This grant must be applied for on an annual basis, with an annual incremental increase of \$400 per year, not to exceed \$2,000 per year, for five years of full-time service. Special attention shall be given to ethnic pastors serving ethnic ministries (*Book of Discipline 2004*, paragraph 624.6). Said incremental increase is to be administered by the Commission on Equitable Compensation upon the recommendation of the cabinet, approval by the charge conference, and the district superintendent.
 2. Further, the local church shall be responsible for all Clergy Pension Plan and Comprehensive Protection Plan (CPP) payments on incremental increase.
 3. This policy does not restrict the Commission on Compensation, upon the recommendation of the cabinet, from making additional grants in extraordinary circumstances.
- D. **Anticipated future funding needs:** The cabinet shall report to the Executive Committee of the Commission the anticipated Equitable Compensation funding needs immediately after the first appointment session prior to Annual Conference.

INCAPACITY, JOINT COMMITTEE ON

The Joint Committee on Incapacity acts as the advocate for those pastors in the North Carolina Conference who are forced by physical or emotional incapacity to seek temporary or permanent relief from their appointment. The committee is given the responsibility to study the problems of incapacity within the Conference, to provide a continuing personal ministry to those who are incapacitated, and to make recommendations to the appropriate agencies of the Conference for each pastor or deacon seeking Incapacity Leave, including the source of their disability income. Persons interested in discovering more about the process of being granted Incapacity Leave can contact a district superintendent or the chair of the Joint Committee on Incapacity.

The following recommendations are presented to the 2007 session of the North Carolina Annual Conference:

I. General Policies

- A. The Joint Committee on Incapacity, through the Conference Treasurer's Office, will make available upon request the necessary forms for any full time pastor or deacon to make application for Incapacity Leave. In all cases the applications must be completed by the pastor or deacon, the physician, chair of the Joint Committee on Incapacity, Conference benefits officer, and the district superintendent before the request for Incapacity Leave can be acted upon. Whenever possible incapacity requests are to be submitted ninety (90) days prior to Annual Conference except in life-threatening situations after that date, or when the disabling condition occurs after that date. Requests presented before May 15 will be included in the Committee's report to the Annual Conference.
- B. Definition of Incapacity: For the first 24 months, an active participant will be considered incapacitated for the purposes of the Comprehensive Protection Plan or the Basic Protection Plan as of the date the Administrator determines, on the basis of medical evidence, that such active participant was unable to perform the usual and customary duties of his/her employment by reason of bodily injury, disease, or mental or emotional disease or disorder that will presumably last for at least six continuous months, exclusive of any incapacity resulting from service in the armed forces of any country, warfare, intentionally self-inflicted injury, or participation in any criminal or unlawful act.
- C. Definition of Clergy: Clergy in The United Methodist Church are individuals who serve as commissioned ministers, deacons, elders, and local pastors under appointment of a bishop (full- and part-time), who hold membership in an annual conference, and who are commissioned, ordained, or licensed.
- D. A pastor or deacon seeking to be on Incapacity Leave secures a disability claim kit from the Office of Ministerial Relations. The applicant completes Form A, has his or her physician complete Form B, completes the applicant's portion of Form C, and submits all these forms to the Office of Ministerial Relations for completion. Disability Management Alternatives reviews the claim and recommends a determination to the General Board of Pension and Health Benefits who retains the authority to approve or deny a claim.
- E. We recommend that pastors applying for Incapacity Leave be approved only when the General Board of Pension and Health Benefits grants their request for incapacity benefits through the Comprehensive Protection Plan.

- F. The Annual Conference and Conference Board of Pensions (effective January 1, 2007), will fund pension contributions for the Clergy Retirement Security Program-Defined Benefit Plan in the required annual payment for normal cost as defined by the plan document and the General Board of Pension and Health Benefits for all pastors receiving incapacity benefits from the Comprehensive Protection Plan.
- G. The Comprehensive Protection Plan (effective January 1, 2007), will fund contributions for the Comprehensive Protection Plan and the Clergy Retirement Security Program-Defined Contribution Plan which is 3% of plan compensation as defined by the plan document and the General Board of Pension and Health Benefits for all pastors receiving incapacity benefits from the Comprehensive Protection Plan.
- H. Hospital Insurance, and Life Insurance shall be paid by the Joint Committee on Incapacity both for those approved by the General Board of Pension and Health Benefits and those approved by the Joint Committee on Incapacity who are pastors receiving incapacity benefits from the Comprehensive Protection Plan according to Section II, below.
- I. Pastors on Incapacity Leave are reminded to investigate the penalties by the Social Security Administration if they do not elect to come under Medicare at age 65. Participation in Medicare Part A and B is required at the earliest possible date in order to receive full health insurance benefits.
- J. We recommend that a lump sum grant of \$3,500 be made at the beginning of Incapacity Leave. This grant will be available only one time in a pastor's years of service.
- K. The Joint Committee on Incapacity will review the progress of each pastor or deacon on Incapacity Leave at least annually. This review will include both recommendations from the pastor's physician and district superintendent as well as opportunities for continuing fellowship with the pastor to develop further possibilities of assistance in his/her disabled circumstances.

II. Incapacity Policies Related to Life and Health Insurance

- A. Insurance Coverage — Participants approved for Incapacity Leave must be covered under the Conference life and/or health insurance plan immediately preceding the approval date of Incapacity Leave in order to have life and/or health insurance coverage after the appointment of Incapacity Leave.
- B. Five Year Rule — Participants must be covered for five consecutive years immediately prior to the date of retirement in order to retain health insurance benefits after retirement.
- C. Life Insurance –
 - 1. The life insurance premiums are paid by the Joint Committee on Incapacity.
 - 2. Current participants on Incapacity Leave who are enrolled in the life insurance are covered as follows: \$25,000 life coverage, \$10,000 on eligible dependents.
- D. Health Insurance –
 - 1. The health insurance premiums are paid in full by the Joint Committee on Incapacity until the participant is Medicare eligible due to age and eligible to retire. Upon reaching Medicare eligibility due to age and eligibility to retire, clergy receiving CPP benefits will receive the same contribution towards the health insurance premium as if they were retired.
 - 2. If the participant is enrolled in Medicare (part A and/or B) due to Incapacity, the Conference health insurance will coordinate benefits with Medicare as primary, the Conference plan as secondary. Family members (with no other coverage) will be covered as primary by the Conference health insurance plan. Participation in Medicare Part B is required at the earliest possible date in order to receive full health insurance benefits. Participants, who choose not to participate in Medicare Part B at that date, will receive the same contribution towards the health insurance premium as if they were retired. The Conference health insurance will coordinate

with Medicare as primary, the Conference plan as secondary whenever possible.

III. Health Insurance Benefits

A. Group Health

1. The Insurance Committee will mail the proposed benefits to the members immediately before each Annual Conference session. The committee considers the most current financial information that is available before adopting its recommendations.
2. Insurance companies who make inquiries, for the purpose of submitting proposals, will be notified of a \$200 processing fee. This fee will help cover the costs of preparation and processing of the information necessary for proposals.
3. A Health Fair will be sponsored by the Insurance Committee on a biannual basis. The Insurance Committee encourages everyone to take advantage of this service in 2008.
4. The Insurance Committee will donate \$1,000 for handicap camperships on an annual basis.

B. Policy and Rules

1. Effective January 1, 2004, the North Carolina Conference offered a Preferred Provider health insurance plan administered by Blue Cross Blue Shield of North Carolina. Benefits will include health, dental, pharmacy, mental health, Medical Reimbursement Accounts, Dependent Day Care Accounts, and life insurance. Details may be obtained by contacting the Benefits Manager in the Treasurer's Office, 800-849-4433.
2. Open enrollment for insurance and annual election of benefits (Medical Reimbursement and Dependent Care Accounts) ends on November 30, for an effective date of the following January 1. Medical Reimbursement Accounts and Dependent Day Care Accounts must be re-established on an annual basis. If you do not claim these funds prior to March 31 (for the preceding year), these funds are forfeited. Participation in the Medical Reimbursement and Dependent Care accounts is contingent upon participation in the health insurance plan.
3. A change of life circumstances (divorce, death, loss of spousal coverage) will allow a mid-year change. When there is a change in family status, or a change of address, it is the insured's responsibility to notify the Treasurer's Office within 30 days. The toll free number to the Methodist Building in Raleigh is 1-800-849-4433 where staff persons continue to provide personal attention to insurance matters.
4. Effective January 1, 2004, health insurance for the subscriber may continue for 18 months after employment is terminated provided that full payment of the monthly premiums is made in advance. The continuation of life insurance beyond the termination of employment is not permitted by the life insurance carrier.
5. Adding new family members must be completed within 30 days of the qualifying event.
6. Participants applying at any time other than the initial enrollment period (30 days from the date first eligible) would be subject to the one year pre-existing conditions clause. Submission of a valid Certificate of Insurance may eliminate or decrease this 12 month clause. The exception to this rule would be possible by a change in life status causing loss of coverage: divorce, death of spouse, loss of spouse's employment, reduction of hours regarding spouse's coverage.

7. Effective January 1, 2004, the Conference health insurance plan will be the primary carrier for active participants who continue to work past the Medicare eligibility age, and are enrolled in the conference health plan.
8. Retired participants should sign up for Medicare parts A and B upon reaching the Medicare eligibility age. The Medicare Companion Plan is the only plan offered to retirees past this age. Medicare becomes the primary payer, with the Conference plan as secondary.
9. A participant must be covered in the Conference insurance for five consecutive and uninterrupted years immediately prior to retirement to retain health benefits after retirement. All participants enrolled on January 1, 2001 will be prorated under this rule.
10. Pre-Certification of all in-patient admissions is required. Effective January 1, 2004, call Blue Cross Blue Shield of NC at 800-214-4844. Mental Health benefits should be pre-certified through Magellan Behavioral Health at 800-359-2422
11. Denial of claims or incorrect processing of claims should be appealed through Blue Cross Blue Shield of NC. There are two levels of appeal.
12. Payment for the church's portion of the insurance programs must be made by the church/charge treasurer. Personal checks cannot be accepted due to IRS regulations governing Section 125 cafeteria plans. The personal portion of insurance premiums should be withheld from the participant's salary by the salary-paying unit on a pre-tax basis.
13. Premiums for health and life insurance may be paid in ADVANCE on a monthly, quarterly, semi-annual, or annual basis.
14. Lay persons or clergy on maternity/family medical leave may continue their insurance coverage, as long as the premiums are paid.
15. The Insurance Committee may terminate the coverage for non-payment of premiums Insurance payments which are 60 days late (from the date of the bill) will result in termination of benefits. Termination will take place on the last day of the month in which the 60th day has occurred. Benefits may be reinstated without lapse in coverage if full payment is made within 30 days of the termination date. Thereafter, insurance coverage may be reinstated upon full payment and coverage will be effective the first day of the following month. The one-year waiting period for pre-existing conditions will apply to all reinstatements where a lapse in coverage occurs.
16. In case of termination of coverage, the church is responsible for the premium until the Treasurer's Office is notified in writing of such termination.

IV. Statement of Intent

The NC Annual Conference established a Group Health and Life Insurance Plan with the intent of providing coverage for the active and retired clergy. However, the Annual Conference reserves the right to terminate the health and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plan without the consent of individual participants.

V. Eligibility Policies of Non-Retired Participants

A. If you enroll in the Conference insurance plan, you are eligible for your coverage to begin on the first day of the month following the date of hire, or appointment. Coverage is not automatic. Completion of an enrollment form on a timely basis is required (within 30 days of original eligibility).

B. You must work a minimum of 30 hours per week to be eligible for the Conference insurance plans.

C. Health insurance and life insurance through the Conference groups will be available to the following:

1. Clergy who are member in full connection of the Conference, probationary and commissioned probationary members, associate members, student local clergy, part-time local clergy, interim supplies (covered as lay employees) serving full-time or part-time under appointment in:

a. One of the churches or charges of the NC Conference.

b. One of the institutions or agencies of this Conference receiving financial support from the Conference.

c. An institution or agency established to provide a ministry or service provided that:

i. Clergy shall elect in writing within 30 days after the appointment to continue the coverage. If the coverage is discontinued, a one year waiting period for pre-existing conditions may apply.

ii. The institution shall be responsible for payment of all insurance premiums by the due date.

2. Clergy on Leave of Absence, provided a written request to retain benefits is submitted to the Benefits Manager within 30 days of the appointment of Leave of Absence. The participant is responsible for the entire monthly rate (church portion and personal portion) by the due date.

D. Clergy Couple Appointments

1. Clergy couples will be enrolled in the life insurance program separately. This affords the clergy couple with the maximum life insurance benefits available. Clergy couples are not permitted to cover each other under the provisions of the life insurance. Eligible dependents may only be covered by one member of the clergy couple.

E. Incapacity Leave Appointments

1. Clergy placed on Incapacity Leave can remain covered under the Conference insurance plans, provided they were enrolled and covered in the Conference plan immediately preceding the approval date of Incapacity Leave.

F. Clergy eligible for life and health insurance through the North Carolina Conference benefits under option A 1 a (above) are entitled to these benefits.

G. Lay Employees:

1. An insurance administrator must be appointed at each church/charge to manage insurance policies dealing with lay staff. It is the responsibility of each local church/charge and its officers to be apprised of the parameters of the Conference insurance plan.

2. Each local church must have at least 75% participation of the eligible lay employees to participate in the Conference plan.

a. As of January 1, 2007, churches who currently have less than 75% participation will be allowed to continue the current participation of their lay employees under the Conference plan.

3. The employee must work a minimum of 30 hours weekly and must be enrolled in the period specified for initial enrollment.

a. This period being within 30 days of date first eligible, or be added as a late applicant during Open Enrollment.

4. Persons appointed as Interim Supply are enrolled as lay employees.

5. The Committee recommends that the church provide this benefit to lay employees with the same premium payment policy as recommended for clergy.

6. All churches providing post-retirement benefits to lay employees will be billed in full for all premiums associated with retirement insurance benefits. The Annual Conference is not responsible for the premiums of local church retired lay staff.

H. Continuation of Benefits

1. The participant may be eligible to continue health insurance for up to 18 months following the loss of employment or appointment.
2. Written requests for continuation should be submitted to the Conference Benefits Manager within 30 days of the termination of employment or loss of appointment.
3. The life insurance cannot be continued.
4. Flexible Spending Accounts are not available to terminated participants, as they are no longer receiving salary from which to with-hold these funds. Funds already contributed may be claimed by the participant.

I. Open Enrollment

1. Open Enrollment is held each year from November 1 through November 30.
2. During Open Enrollment, an active employee or appointee may enroll in the Conference insurance plan.
3. Flexible Spending Accounts must be established for the upcoming year during Open Enrollment. If the participant does not establish a new account during each Open Enrollment, they cannot participate in the Flexible Spending Accounts for the upcoming year.

J. The Insurance Committee continues to explore eligibility options for future benefit plans and questions of church participation.

K. Participants enrolled in the Conference health and life insurance plans may continue to be enrolled in the Conference benefits as long as they are Episcopally appointed, employed as lay staff, meet the qualifications of Continuation as defined in Section G above, and meet the required eligibility rules and regulations.

VI. Historically, the Insurance Committee has developed rates based on maximum actuarially projected claims. The Insurance Committee may use funds in excess of the plan's operational needs to fund post retirement benefits.

VII. The Insurance Committee strives diligently to present the best possible health and life insurance coverage available to the North Carolina Annual Conference. Careful consideration is given to benefits and rates that are proposed each year.

Report B Recommendations for the Pension Program

I. Funding Plan for Supplement One of the Ministerial Pension Plan

- A. Defined Plan Benefits:** Supplement One of the Ministerial Pension Plan (Pre-82 Plan) provides defined benefit pension benefits to participating retired clergy for all service rendered to the North Carolina Conference through December 31, 1981. This plan will continue until all pastors with past service benefits and their surviving spouses are deceased and is administered by the General Board of Pension and Health Benefits (GBOPHB).
- B. Current Past Service Rate:** For many years, the Book of Discipline has defined Pre-82 Plan defined benefits as a fixed payment per year of past service. This fixed payment is the Past Service Rate (PSR). The benefit goal is stated to be a PSR of 1% of the Conference Average Compensation (CAC). Participation in the Ministerial Pension Plan (MPP) requires that an Annual Conference maintain its PSR to at least 0.9% of the CAC to continue to participate fully in the MPP. The 2007 CAC for the North Carolina Conference is \$60,692. The 2007 PSR is \$552 or 0.91% of the CAC. Our Conference Board would like to maintain a PSR of at least 0.9% of CAC. North Carolina

CAC has increased by approximately 4.7% over the past 10 years; however, we expect future increases to be slightly above this amount. Therefore, we estimate future PSR increases to average approximately 5.0% each year.

- C. Funded Status:** The Conference is required to fund all future benefits of the Pre-82 Plan by December 31, 2021. Funded Status (previously called unfunded liability) is the difference of the current assets held by the GBOPHB for future benefits of North Carolina participants and the total present value of all future benefits to be paid under the plan at the approved PSR. The GBOPHB values assets and liabilities of the plan every two years and projects data to current years based on the increase in PSR and investment earnings. For the 2007 Funding Plan, GBOPHB and the Conference use an assumed earnings rate of 7.0%.

The General Board of Pension and Health Benefits has determined that the portion of the pre-82 plan liability attributable to North Carolina Annual Conference is \$51,357,588 with a 5.0% PSR increase assumption based on a 2007 PSR of \$552. Plan funds currently held with the General Board of Pension and Health Benefits have a value of \$19,110,674 as of January 1, 2005 (for 2007 funding plan).

The difference between the total plan liability and current plan funding is \$32,246,914. This represents the unfunded plan liability and will be provided through apportionments and non-plan funds that are held in various investment sources. The Conference intends for contributions to be made within the 16-year period, ending December 31, 2021. The minimum annual contribution due December 31, 2007 is currently estimated to be \$2,237,921.

- D. Funding Plan for 2007:** Our conference pays for plan benefits through several potential funding sources. Both the interest and principal of non-plan funds may be available for retirement funding needs. Below is a description of the non-plan assets available to pay the present value of future contributions. Our Conference expects to utilize annual apportionments from the local churches as the primary source for pre-82 pension funding. Our Conference expects to receive annual apportionments in an amount of \$3,300,000 for 2007, \$3,300,000 for 2008, increasing \$200,000 each year through 2013. Apportionments of \$4,500,000 are expected for the year 2014, and \$2,500,000 are expected for 2015. The present value of the expected apportionments is \$23,815,563. This apportionment funding was originally approved by the 1991 Annual Conference.

The Conference maintains a General Deposit Account with the General Board of Pension and Health Benefits that has a value of \$9,000,959 as of January 1, 2007. Both the interest and principal from this account are available to meet future contribution requirements.

The Conference maintains and manages various liquid asset accounts that are available for Supplement One funding. The current value of these accounts are \$1,763,786 as of January 1, 2007. Both the interest and principal from these sources are available to meet future contribution requirements.

The Superannuate Endowment fund has a value of \$342,162 as of January 1, 2007. All of it is available except for the original balance of \$87,195.39, from which interest only is available.

The 2007 funding plan as of January 1, 2005 is summarized below:

Supplement One Liability:

Assuming A PSR Increase of 5.0%	\$(51,357,588)
Current Plan Funding as of 1/1/05	19,110,674
Unfunded Plan Liability as of 1/1/05	\$(32,246,914)
Projected Unfunded Plan Liability as of 1/1/07	\$(30,845,048)

Additional Plan Assets:

Present Value of Future Apportionments.....	\$23,815,563
General Deposit Account (GBOPHB).....	9,000,959
Conference Managed Liquid Asset Accounts	1,763,786
Conference Superannuate Endowment Fund (GBOPHB).....	342,162
Total Additional Plan Assets.....	\$34,922,470

- E. **Proposed Past Service Rate:** The 2008 CAC for the North Carolina Conference is \$62,997. We propose that the past service rate beginning January 1, 2008 be increased to \$572 per service year, or 0.91% of the CAC. Assuming 5% future PSR increases and 7.0% investment earnings, this increase creates an unfunded liability of \$32,185,324. The minimum annual contribution due December 31, 2008 is currently estimated to be \$2,501,141.

II. Ministerial Pension Plan (MPP) (effective through December 31, 2006)

Guidelines for the Ministerial Pension Plan and the Comprehensive Protection Plan are contained in the plan document. A copy of the summary plan document is available on request by contacting pension services in the treasurer's office.

- A. Service on and after January 1, 1982 through December 31, 2006 was funded on a defined contribution basis. This plan is basically deferred salary, and creates no unfunded liability because it builds an account of funds for a specific minister as his/her salary is paid.
- B. These contributions were placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.
- C. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.

III. Clergy Retirement Security Program (CRSP) (Effective January 1, 2007)

Guidelines for the Clergy Retirement Security Program and the Comprehensive Protection Plan are contained in the plan document. A copy of the summary plan document is available on request by contacting pension services in the treasurer's office. Service on and after January 1, 2007 will be funded on a combined defined contribution/defined benefit basis.

A. **Defined Benefit**

- 1. The Defined Benefit will be 1.25% of the Denominational Average Compensation (DAC) according to the plan document.
- 2. The Defined Benefit portion will be funded based on a percentage of Plan Compensation calculated on a yearly basis using up to the normal cost rate provided by the General Board of Pension and Health Benefits multiplied by the annual interest rate. The current assumed interest rate is 7.0%. Therefore, the funding percentage rate for 2008 is 10.4% of Plan Compensation.

B. **Defined Contribution**

- 1. Benefits will be provided based on the participants account balance at their actual retirement date.
 - 2. The Defined Contribution portion funding is based on three percent (3%) of Plan Compensation.
- C. Plan Compensation is calculated by the GBOPHB according to the plan document:
- 1. Vouchered travel and utilities paid directly to utility companies are not used in Plan Compensation calculations since this is considered by the General Board of Pension and Health Benefits to be local church expense.

2. Clergy couples housing:
 - a. When only one of the spouses is furnished a parsonage, the one furnished the parsonage includes the housing allowance.
 - b. When one spouse is furnished the parsonage and the other a cash allowance, the one furnished the parsonage will use the 25% housing allowance and the other will report the actual cash housing paid.
 - c.. When two parsonages are furnished each spouse claims a housing allowance.
 - d. When neither is furnished a parsonage, the actual cash housing allowance may be counted by the person/or persons receiving the allowance.
3. In accordance with the plan document, the housing allowance for those furnished housing is 25% times the cash salary.
4. Those furnished a cash housing allowance will report the actual amount in accordance with the plan document.
- D. The Clergy Retirement Security Program contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office.
- E. The Defined Contribution portions are placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.
- F. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.
- IV. Comprehensive Protection Plan (CPP)
 - A. This part of the program contains provisions for a death benefit and disability income. In addition to the provisions of a death benefit for the pastor, there is a death benefit on the life of the spouse and dependent children under age 18 or who are dependent because of disability. The Comprehensive Protection Plan also includes educational benefits for the children of a deceased minister. This part of the plan is only available to those ministers covered under the CPP, whose charges are paying at least minimum full-time salary.
 1. Death Benefits provide \$50,000.00 as the benefit paid on the death of an eligible active participant. Upon retirement at any age, death benefits drop to \$16,224.30 for the year 2007 and \$16813.20 for 2008. This is 30% of the DAC.
 2. Effective January 1, 2002, the disability benefit equals 70% of plan compensation, with plan compensation capped at 200% of the DAC. (The DAC for 2007 is \$54,081.00 and for 2008 is \$56,044.00) The disability benefit is reduced by any disability benefits payable under the Social Security Act. This revised benefit applies only to eligible clergy whose disability effective date, as determined by the General Board of Pension and Health Benefits, is on or after January 1, 2002.
 3. The Comprehensive Protection Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office. (Effective November 1, 2004)
 4. Pastors who have been approved for a leave of absence for military service and who were enrolled in the CPP prior to the date of their leave will continue to be enrolled in the CPP under optional Conference enrollment.
 - B. Effective January 1, 2007, the cost of the Comprehensive Protection Plan (CPP) will be funded by billing up to the calculated percentage to fund the CPP each year using the rate required by the General Board of Pension. For 2008 the cost is a total of 3% of the actual Plan Compensation up to 200% of the Denominational Average Compensation (DAC). The pastor shall be required to

pay 1% of Plan Compensation (up to 1% of 200% of DAC) on an after tax basis and the church or charge shall pay 2% of the Plan Compensation (up to 2% of 200% of DAC). ¶1506.19 in The Book of Discipline 2004.

V. Implementation of the Program

The benefit program adopted by your Conference Board of Pensions seeks to provide a wider range of support for the minister's family through death benefits for every member of the family, disability income for the minister in time of great stress, educational benefits for children of deceased ministers, minimum annuity benefits for surviving spouses, and clergy benefits based on the Denominational Average Compensation (DAC).

- A. Costs of the Clergy Retirement Security Program/Comprehensive Protection Plan will be borne by the local charge as an item of ministerial support according to the Plan Compensation of the minister and the category of the charge.

FULL TIME (Conference Member/Local Pastor) – 10.4% of Plan Compensation for CRSP – Defined Benefit portion and 3% of Plan Compensation for CRSP - Defined Contribution portion and 2% of Plan Compensation for CPP (up to 2% of 200% of the DAC)

VI. Policies Related to Life and Health Insurance

- A. The 2009 budget needed to fund health and life insurance, pension grants, administration, etc., is \$2,700,000.

B. Eligibility Policies

1. **Five-Year Rule** A participant must be covered under the health insurance plan for five consecutive years immediately prior to the date of retirement in order to retain health insurance benefits after retirement.
2. Clergy persons who retire from the North Carolina Annual Conference with twenty or more full time years of earned pension credit in the North Carolina Annual Conference may receive life and health insurance benefits when the clergy person attains age 62 and receives pension benefits or retires with thirty-five (35) years of service and receives pension benefits provided at least twenty (20) of the thirty-five years of pension credit is in the North Carolina Annual Conference. The North Carolina pension credit record used to determine insurance funding for retiring Deacons in Full Connection shall consist of eligible North Carolina earned pension credit years in both the lay and clergy pension plans.
3. Effective July 1, 2007, clergy persons who retire at age 59 ½ may remain on the Conference insurance plan, provided written notification of this intent is provided to the Conference Benefits Manager. The clergy person will be responsible for 100% of the applicable monthly premium until the attainment of age 62 (Report B Section VI B2). At the attainment of age 62, the monthly premium will be adjusted according to the retirement rules in place at the time of retirement. Monthly premiums will then be calculated at the applicable percentages as defined in Report B Section VI D and E.
4. All retired clergy, spouses and surviving dependents must enroll in Medicare part A and part B when first eligible.
5. Effective August 1, 1992, Pastors who discontinued ¶313.1, or Probationary Members, ¶327.6, as well as Conference Members who are retired involuntarily, ¶359.3, who are granted Honorable Location, ¶360; who withdraw to unite with another denomination, ¶361.1; who surrender the ordained ministerial office ¶361.2; who withdraw under complaints or charges, ¶361.3; and Conference Members who are placed on Administrative Location, ¶362.4 are ineligible to receive retirement health or life insurance benefits when payments from the General Board of Pension and Health Benefits begin. [Paragraphs noted are from The Book of Discipline, 2004]

C. Retirement prior to January 1, 2004

Clergy persons who retire prior to January 1, 2004 from the North Carolina Annual Conference will be subject to the current rate policy as outlined below. Effective January 1, 2004, there will be a minimum monthly contribution of \$10 per participant (for all surviving dependents and retirees with a clergy retirement date prior to January 1, 2004). The following policies apply:

1. Before the retired clergy person and/or spouse reach the age of Medicare eligibility (currently 65 years of age), the retired clergy person will pay the amount of premium that he/she paid in the year in which he/she retires. The Conference Board of Pensions will pay the difference between the clergy person's payment and the costs of his/her health insurance. The retired clergy person must continue to pay the amount of premium that he/she paid in the year of retirement until both the retired clergy person and his/her spouse reach the age of Medicare eligibility. Billings will be made monthly from the Treasurer's Office.
2. If a clergy person who, prior to retirement, has been covered as a single individual for the purposes of health insurance, wishes at the time of retirement to add family members to his/her health care plan, he/she must pay the premium applicable to that type of coverage for the year in which

he/she retired. The retired clergy person must continue to pay that amount of premium until both the retired clergy person and his/her spouse reach the age of Medicare eligibility.

A clergy person who retires from the North Carolina Annual Conference with less than twenty (20) full-time years of earned pension credit in the North Carolina Annual Conference may receive life and health insurance benefits when the clergy person attains age 62 and receives pension benefits or retires with thirty-five (35) years of service and receives pension benefits provided at least twenty of the thirty-five years of pension credit is in the North Carolina Annual Conference. Retired clergy persons and/or dependents with less than twenty years of earned pension credit in the North Carolina Annual Conference will be responsible for the monthly insurance premiums as described in #1 above, with the remaining monthly portion shared by the retired clergy person and/or dependents and the Conference Board of Pensions, based on the following formula:

E. Retirement after January 1, 2007

(Eligibility policies can be found in Report B, section VI B)

Effective January 1, 2007 the Conference Board of Pensions will fund only the % above as applied to the Medicare Companion plan rate. Retirees and/or dependents not yet Medicare eligible age will be responsible for the difference between the funded amount as calculated based on the above table(s) and the remaining cost of full coverage.

- F. Life Insurance** - A clergy person must have been covered under the conference active life insurance plan in order to retain life insurance benefits after retirement. The Board of Pensions does not provide life insurance for dependents of retired clergy.
- G. Clergy Couples Insurance**
1. When one member of a clergy couple retires, medical and life insurance will be paid for the retiree according to the schedules and rules previously listed.
 2. Health insurance will be provided for the spouse and eligible dependents of the retired clergy partner according to the rules and schedules previously listed.

H. Surviving Spouses

Surviving spouses of active participants must be enrolled in the health insurance plan at the time of the participant's death in order to receive health insurance benefits under the current health insurance plan. Premiums will be determined by the retirement rules in place on the date of death.

1. When surviving spouses are employed and provided health insurance by their employer, the plan of the Board of Pension will be the secondary carrier.
2. If the surviving spouse remarries, the conference health insurance will terminate. Future benefits under the conference health insurance plan are waived.
3. Surviving spouses of retired clergy must be enrolled in the health insurance plan at the time of the retired clergy's death in order to receive health insurance benefits under the current health insurance plan.
 - a. Surviving spouses currently enrolled who married the clergy person after the clergy person's retirement, can remain covered by the health insurance plan. The Board of Pensions grants a flat rate of \$150.00 monthly towards the cost of the surviving spouse's coverage. The remaining premium will be the responsibility of the surviving spouse.
 - b. Surviving spouses of retired clergy who married the clergy person prior to the clergy person's retirement are subject to the payment schedule applicable prior to the death of the clergy person.
 - c.. Effective January 1, 2001 retired clergy persons may not add new dependents to the health insurance plan.

VII. Intent

The North Carolina Annual Conference established health, dental, and life insurance plans with the intent of providing coverage for the active and retired pastors. However, the Annual Conference reserves the right to terminate the health, dental, and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plans without the consent of the individual participants.

VIII. Dental Insurance

The Board of Pensions recommends that retired ministers covered under the health insurance plan have dental insurance. Dental benefits became available on July 1, 1987.

IX. Maximum Lifetime Benefit Under the Medicare Companion Plan. The lifetime maximum under the current Medicare Companion Plan is \$2,000,000 for each participant.

X. Special Provisions

The North Carolina Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pension and Health Benefits for active participation in the CRSP and/or CPP by persons who are eligible under special rules but not automatically included as active participants. (CRSP Plan Document Section 3.3 and CPP Plan Document Section 3.2.)

XI. Conclusion

Our constant aim is to provide our retired families with their needs for an adequate income to purchase essentials for living as well as to insure adequate care in case of illness. To these ends our recommendations are directed, and their satisfaction is found in the acceptance of the North Carolina Conference and its membership.

Report C Housing Exclusion Allowance (For Income Tax Purposes Only)
Resolutions Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons of the North Carolina Conference

The North Carolina Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference: WHEREAS, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church ("Clergypersons"); WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

1. THAT an amount equal to 100% of the pension or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the "Discipline"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), any amounts received from the Minister's Transition Fund (MTF) and including amounts received in this respect from the Duke Endowment, during the year 2007 and 2008 by each active, retired, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and
2. THAT the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled Clergyperson's pension or disability as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations thereunder to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. As specified in Rev. Rul. 71 280, 1971 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income

exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

Please Note: There is no place on your 1040 Tax Form to list this Housing Exclusion.

The General Board of Pension and Health Benefits has provided a sample statement to be used: "I received \$_____ from the General Board of Pension and Health Benefits, Incorporated in Missouri; and/or from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline and \$_____ from the Duke Endowment (total \$_____) as reported on the attached 1099 - R's. I did not include that amount on Line 16b because \$_____ * has been excluded under provisions of IRC Section 107 of the Internal Revenue Code as a rental allowance exclusion. As a retired clergyperson, I am entitled to take this rental allowance exclusion." (In this blank put the least of the 3 amounts on your Housing Exclusion Worksheet.)

Attach this note to your 1099-R forms.

Report D Ministers' Transition Fund

I. **The Principles of the Fund** - The Ministers' Transition Fund of the North Carolina Conference of The United Methodist Church (the "Fund") was established effective November 20, 1937, to assist the minister to more easily make the transition from the active relationship in which a furnished parsonage has usually been provided, to the retired relationship in which the minister provides his or her housing. The Fund is established by apportionments to each local church in the Outreach Ministries-Fair Share Apportionments and by assessments to each minister who has membership in the Fund. Since all churches contribute to this Fund, it is the desire of the North Carolina Annual Conference of The United Methodist Church that all ministers participate in the Fund. The Conference does not interpret the churches' support of the Ministers' Transition Fund as an additional benefit for their ministers, but as a benefit for all ministers of the Conference. Therefore, the only funds to which a minister can make personal claim are those that he or she contributed to the Fund.

The Conference vigorously emphasizes that the purpose of this Fund is to assist the minister's retirement transition and not to be an emergency fund available for any other purpose. All participant elections available shall be irrevocable. The Fund is intended to be a church plan within the meaning of section 414(e) of the Internal Revenue Code of 1986, as amended (the "Code") which has not made the election under section 410(d) of the Code and is also intended to meet the requirements of a retirement income account under section 403(b)(9) of the Code. The Plan shall be interpreted, wherever possible, to comply with the applicable terms of the Code and all applicable formal regulations and rulings issued under the Code.

II. **The Conference Treasurer** - The Treasurer of the North Carolina Conference (the "Conference Treasurer") shall serve as Treasurer and custodian of this Fund. He or she shall promote this work, receive funds from pastors and charges, and keep permanent records of assessments received and benefits paid.

III. **Eligibility for Membership** - Membership in this Fund is not mandatory. Each ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) who is serving full time in a charge or as a district superintendent, a Conference ministerial staff person, or others who are appointed to serve at a North Carolina Annual Conference Institution (Methodist Retirement Home, Inc.; Methodist Home for Children, Inc.; Louisburg College; Methodist College; North Carolina Wesleyan College) or other Episcopal appointment of the North Carolina Annual Conference shall be eligible to join. In order to remain an active, participating member, the ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) must continue to serve full time in a charge or other appointment. A full-time

local pastor may continue as a member of the Fund only during the time he or she is serving under episcopal appointment. Students under episcopal appointment who have previously served full time and who intend to return to full time service are eligible to continue. Those ministerial members on disability leave, leave of absence, or Conference members with less than full time service, may continue to be active, participating members by meeting the provisions discussed hereafter. Ministerial members who transfer into the Conference or new ministers receiving appointments for the first time are eligible to join the Fund in January of the year following the Annual Conference session in which their credentials were recognized. Ministers in these categories applying for membership will be assessed on the basis of their total salary and utility allowances for the six months between July 1 and December 31 computed to a twelve-month amount. Each new member of the Fund shall file an application form. Upon filing of application for membership and paying the recommended assessment for one year, his or her membership becomes effective. The deadline for enrollment for all ministers is January 31 of each year.

IV. Apportionments and Assessments

- A. Conference Contributions** — Funds shall be placed in the Conference budget annually equal to an amount of one percent (1%) of the total salaries and utilities paid to all participating pastors and associates of the Conference based upon the Conference Journal figures for the year preceding the year in which the budget request is made to the Annual Conference. This budgeted amount will be apportioned to charges on the same basis as all other Conference budget items, and this amount shall become part of the Fund.
- B. Minister Contributions** - Each minister in a pastoral appointment who participates in the Fund shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of all salary and utility allowances he or she receives each year from the charge he or she is serving and/or Conference sources. (Salary also includes Equitable Salary Fund payments, Duke Endowment Funds, and missionary sources.) Such contributions may be paid in monthly installments by check or electronic bank drafts.
- C. Council on Finance and Administration Contributions** - The Council on Finance and Administration shall make provision for payment into the Fund an amount equal to one percent (1%) of salary and utility allowances usually paid by the charge for district superintendents and ministers appointed as Conference staff.
- D. District Superintendent and Conference Ministerial Staff Contributions** - District superintendents and Conference ministerial staff shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of their salary and utility allowances.
- E. All Other Ministers** - All other ministers who participate in the Fund shall be assessed and pay into the Fund on an after-tax basis a sum equivalent to two percent (2%) of their annual salary and utility allowances or two percent (2%) of the Conference Average Salary, whichever is greater.

- V. Deadline For Receipt of Assessment** - The plan (fiscal) year of the Ministers' Transition Fund shall be the same as that of the Annual Conference fiscal year, January 1 through December 31. No later than November 1 of each year, the Conference Treasurer shall notify all members their assessment is due. Each member of the Fund shall submit payment for the required assessment no later than January 31 of each year. Such contributions may be paid in monthly

installments by check or electronic bank drafts. Assessments received after January 31 will be returned to the minister. If he or she has been a member less than ten (10) years, this lack of payment extends the period for one additional year before dividends can be received. If the minister has been a member over ten (10) years, he or she will receive no dividends for the year involving lack of payment. If any member of the Fund fails to pay his or her required assessment for three consecutive years, he or she shall be required to withdraw from membership in the Fund.

VI. Base Benefits - Base benefits shall be paid to retired members of the Transition Fund as follows:

If retired at the end of one year of membership	\$200.00
If retired at the end of two years of membership	300.00
If retired at the end of three years of membership	400.00
If retired at the end of four years of membership	500.00
If retired at the end of five years of membership	600.00
If retired at the end of six years of membership	700.00
If retired at the end of seven years of membership	800.00
If retired at the end of eight years of membership	900.00
If retired at the end of nine years of membership	1,000.00
If retired at the end of ten years of membership	1,100.00
If retired at the end of eleven years of membership	1,200.00
If retired at the end of twelve years of membership	1,300.00

If retired at the end of twenty-four years of membership	2,500.00
If retired at the end of twenty-five years of membership	2,600.00

VII. Allocation of Dividends After Ten Years of Membership -After ten years of membership, and beginning with the eleventh year, the base benefit to be paid is increased by dividends credited to the members account.

Any funds, **except as provided below**, including apportionments, assessments, forfeitures and earnings thereon, remaining after benefits have been paid to eligible members for the plan year shall be divided into equal parts, in the case of members who remained members through the year, and portions of such equal parts in the case of members who have retired during the year and who are entitled to a part-year allocation, as described below, and credited to the accounts of those who have been participating members for more than ten years and are not in arrears for the previous year.

A reserve equal to ten percent of the members' payments and dividend fund balances as of December 31 each year shall be maintained. Unrealized gains on investments shall be reserved and are not generally eligible to be distributed as annual dividends. The Hearing Committee may supplement the annual dividend from such reserves to maintain the declared dividend in an amount consistent with previous year levels when such action is deemed appropriate considering current investment returns and current economic conditions. The purpose of maintaining these reserves

is to insulate the members in any year from market fluctuations and preserve the ability of the fund to consistently provide for housing needs in their retirement.

In the event a member retires during a year after completing ten years of membership, such member **may elect** to submit payment to the Fund of that portion of their assessment for the year equal to the product of (1) the assessment the member would have paid had the member not retired, and (2) a fraction, the numerator of which is the number of whole months in the year prior to the date the member retires, and the denominator of which is 12. If a member pays the assessment described in the preceding sentence, the account of the member shall also receive as an allocation of dividends for such year an amount equal to the product of (1) the amount of dividends which would be credited to the account of such member had the member not retired during such year, and (2) a fraction, the numerator of which is the number of whole months in the year prior to the date the member retires, and the denominator of which is 12.

VIII. Limitations on Contributions Pursuant to the Internal Revenue Code

A. In General - The contributions for any calendar year allocated to a member's account under Articles VI and VII on behalf of a member under all Qualifying Retirement Plans in which the member participates shall not exceed the member's Limit on Annual Additions as determined in subsection B of this Article VIII. The provisions of this Article VIII are intended to provide the limit on the amount of contributions to this Fund which are excludable from the gross income of the member pursuant to Code section 415, and shall be interpreted in a manner consistent with that Code section.

B. Limit on Annual Additions Under Code Section 415

- (1) A member's Limit on Annual Additions shall for any calendar year be an amount equal to the lesser of:
- (a) 100% of the member's includible compensation within the meaning of Code section 415(c)(3)(E) in such calendar year, or
 - (b) \$45,000, or such greater amount as is permitted under Code section 415(c) as adjusted under Code section 415(d)(1)(B).

For purposes of determining a member's Limit on Annual Additions, in the case of a member who has more than 50% control of an employer (a "Controlled Employer") within the meaning of Code section 415(h), contributions to a plan of the Controlled Employer that constitute annual additions (as defined in Code section 415(c)(2)) to the member shall be treated as contributions to this Plan.

- (2) A member's "includible compensation" for purposes of paragraph (1), above, shall mean the amount of compensation received from an employer within the meaning of Code section 403(b)(3) and 414(e) which is includible in gross income, computed without regard to Code section 911 for the most recent period ending not later than the close of the taxable year which is counted as a one year period of service as defined under paragraph (3) below. Such term shall not include any amount received by a former member after the fifth taxable year following the taxable year in which such member was terminated, or utilities to the extent such amounts are not includible in compensation pursuant to Code section 107.
- (3) A member's "period of service" for purposes of paragraph (2) above shall be expressed as a number equal to the member's number of full years of service plus one-twelfth for each one month period of service in addition to his or her full years of service. Part-time service of a member shall be taken into account as the percentage of such service that is equal to the percentage of full-time service served.

Notwithstanding any provision of this Article VIII.B to the contrary, the Limit on Annual Additions of a member who has made an election under Code section 415(c)(7) shall be determined under such Code section and the regulations issued thereunder.

C. Prohibition on Before-Tax Salary Reduction Contributions - Before-tax contributions under a salary reduction agreement shall not be permitted under this Fund.

IX. Death Benefits - When a participating member of the Fund dies, the Treasurer shall pay to his or her designated beneficiary or beneficiaries, otherwise to his or her estate, the full amount of the base benefit payments plus the dividends, if any, added to his or her account. In the event that a minister dies prior to the eleventh year of membership, the designated beneficiary or beneficiaries, or otherwise the estate, shall receive the full amount of the base benefit payments plus the assessments contributed by the participating member. In no case would the beneficiary, beneficiaries or estate receive less at the time of the ministers death than the member's assessments plus simple interest credited annually at the rate of The United Methodist Foundation, Inc., cumulative dividend yield for the most recent four quarters prior to the date of death.

X. Designation of Beneficiary - Each member shall provide the Conference Treasurer the name(s) of the beneficiary or beneficiaries to whom the death benefits described in Article IX are to be paid in the event of death. The designation shall be indicated on a form provided by the Conference Treasurer. A designation shall not be effective unless such form has been duly completed and filed with the Conference Treasurer. In the absence of a designated beneficiary, benefits shall be paid to the member's estate.

XI. Irrevocable Election Regarding Distribution of Funds - Members actively serving must make, prior to attaining age 59 1/2, an irrevocable election to either terminate from the Ministers' Transition Fund beginning with the Annual Conference following the attainment of age 60 or to defer termination from the Fund until retirement, as defined in the *Book of Discipline, 2004*, ¶¶359.1, 359.2a, 359.2b, 359.2c. Such irrevocable election is the responsibility of the member and must be made in writing to the Conference Treasurer by age 59 1/2. Forms can be obtained upon request from the Conference Treasurer. Should the member fail to make the irrevocable election, the member will not terminate from this Fund until retirement.

XII. Payment of Benefits

A. In General - At retirement or early termination from the Fund, members who have accrued the same number of years of service credited under the Fund (during the same calendar years) will have exactly the same accrued benefit and will receive exactly the same benefit regardless of their total individual contributions. Notwithstanding any other provision of this Fund, all payments under this Fund must be made at least as rapidly as required under section 401(a)(9) of the Code and any proposed or final regulations thereunder, including but not limited to the incidental death benefit requirements of Code section 401(a)(9)(G).

In no case would the member receive less at retirement than the member's assessments plus interest computed at the United Methodist Foundation, Inc. cumulative dividend yield for the four most recent quarters prior to the retirement date.

(1) Ministers With Less Than Ten (10) Years. For ministers retiring between January 1 through Annual Conference, and who retire or terminate from this Fund with less than ten (10) years credit in the Fund shall be paid in a single lump sum immediately following the session of the Annual

Conference at which he or she retires or terminates. For ministers retiring between Annual Conference and December 31, payment shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. The benefit shall be the base benefit as prescribed in the table for retired members under Article VI plus minister contributions

- (2) **Ministers With Ten (10) or More Years.** A minister who retires or terminates from this Fund with ten (10) or more years credit in the Fund must make an irrevocable election to receive benefit payments under one of the following options. This irrevocable election must be made no later than ninety days prior to the retirement month or month of termination due to early retirement or disability. For either option selected, total benefit payments shall be the base benefits as prescribed in the table plus the dividends credited. Interest will accrue on the principal balance beginning on the later of the retirement date or July 1 of the retirement year and will continue until the account is paid in full. The interest rate will equal the United Methodist Foundation, Inc. cumulative dividend yield for the four most recent quarters. All payments excluding the payment of member assessments shall be subject to income tax.

(a) **Two payment option:** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The second payment shall be the remainder of dividends and base benefit payment earned during their membership and interest accrued.

(b) **Six payment option.** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The remaining payments shall be five equal annual installments of the remaining dividends and base benefit payment earned during their membership and interest accrued. The six payment option shall not be available to a member following attainment of age 70.

For ministers retiring between January 1 and Annual Conference, under either option, the first payment shall be paid within 15 working days following the adjournment of the Annual Conference following the ministers' retirement or termination from the Fund. The second and subsequent payments shall be paid annually between January 1 and January 10 of each year following the year in which the minister terminates or retires until the account is paid in full.

For ministers retiring between Annual Conference and December 31, the first payment and second payment for either payment option shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. Unless the minister selects the six payment option, the account shall be disbursed in full in the first January after retirement. If the six payment option is selected, the four remaining installments shall be paid annually between January 1 and January 10 of each subsequent year until the account is paid in full.

B. Direct Rollovers

- (1) This Article XII.B applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the Fund to the contrary that would otherwise limit a distributee's election under this Article XII.B, a distributee may elect at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

(2) Definitions:

- (a) Eligible rollover distribution:** An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code as made applicable by section 403(b)(10) of the Code, any amount that is distributed upon hardship, and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).
- (b) Eligible retirement plan:** An eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity contract described in section 403(b) of the Code (including custodial accounts described in section 403(b)(7) of the Code and retirement income accounts described in Section 403(b)(9) of the Code), a qualified plan described in section 401(a) or 403(a) of the Code, or an eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state which agrees to separately account for amounts transferred to such 457(b) plan from this Fund, that accepts the distributee's eligible rollover distribution
- (c) Distributee:** A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse.
- (d) Direct rollover:** A direct rollover is a payment by the plan to the eligible retirement plan specified by the distributee.
- (3)** Within a reasonable time before making an eligible rollover distribution from the Fund, the Conference Treasurer shall provide or cause to be provided the written explanation to the distributee required by Code section 402(f).

XIII. Disability Leave - A minister who is approved for and placed on Disability Leave granted by the Conference may elect to:

- A.** Continue as an active member and pay two percent (2%) of the disability pay received from all sources. Should Disability Leave be granted between sessions of Annual Conference, 2% of the disability pay received from all sources computed to a 12 month amount shall be paid.
- B.** Be treated the same as a transferring member.
- C.** Receive benefits the same as a retiring member.
- D.** Terminate from the Fund and receive all benefits within thirty (30) days following the granting of Disability Leave.

The minister shall notify the Conference Treasurer in writing of his or her choice of option within ten (10) days following the granting of Disability Leave. In no case would

the member receive less than the member's assessments plus interest, determined as described in Article IX.

XIV. Leave of Absence - A minister who is approved for and placed on Leave of Absence by the Conference may elect to:

- A. Continue as an active member by paying 2% of the Conference Average Compensation while on leave.
- B. Be treated the same as a transferring member under Article XVI. Conference Average Compensation means the Conference Average Compensation as determined annually by the General Board of Pensions.

XV. Less Than Full Time Service - A Conference member who is approved for less than full time service by the Conference may elect to:

- A. Continue as an active member for no more than three years by paying 2% of the Conference Average Compensation (within the meaning of Article XIV) while serving less than full time.
- B. Withdraw from the Fund according to the provisions of Article XVII.

XVI. Membership Transferring - Any ministerial member who leaves the North Carolina Conference by transfer to another annual conference of The United Methodist Church cannot make any further payment to the Fund. He or she may leave his or her account (including dividends, if any) in the Fund until retirement. If this is done, the benefit under this Fund will be computed as of the date of transfer from the North Carolina Conference with interest determined in the manner described in Article IX, determined from the date of transfer to the date of retirement. If the account is left, and the minister returns to the North Carolina Conference, he or she may reinstate his or her payments and dividend earnings, effective at the time of transfer back into this Conference.

XVII. Withdrawing From The Fund Prior to Retirement - If a member desires to withdraw from the Fund prior to retirement, upon a written request to the Conference Treasurer, he or she shall receive the amount he or she has paid into the Fund, plus interest determined in the manner described in Article IX each year he or she was participating in the Fund. Amounts in the members account in excess of the amount determined under the preceding sentence shall be forfeited and reallocated as dividends for the year of forfeiture pursuant to Article VII. Each member whose membership is terminated in the Fund in any way will provide the Conference Treasurer with a statement indicating that he or she has received the funds for which he or she is eligible, and that he or she is no longer a member of the Fund. Any minister leaving the North Carolina Conference to join another denomination other than The United Methodist Church will be required to withdraw from the Fund and payment will be made to the minister according to the formula set forth in the first paragraph of this Article XVII.

XVIII. Reinstatement - A member who has withdrawn from the Fund may not be reinstated, but is required to begin anew as though he or she were a new member. A minister shall not be permitted to rejoin the Fund more than two (2) times during his or her ministerial career.

XIX. Hearing Committee

- A. **The Committee** - A Hearing Committee consisting of the Board of Pensions Executive Committee, Conference Treasurer, Director of Ministerial Relations, Conference Controller, and the Conference Insurance Group Administrator shall have authority to act on behalf of the Board of Pensions between Annual Conference sessions concerning matters that relate to, but are not specifically covered by, this constitution of the Ministers' Transition Fund. The Plan Administrator for the Fund for other plan administrative matters and matters delegated by the Hearing Committee shall be the Conference Insurance

Group Administrator. Determinations by the Hearing Committee, the Board of Pensions or the Plan Administrator shall be conclusive and binding on all persons and shall be afforded the maximum deference permitted by law.

- B. Claims Procedure** - If a claim is wholly or partially denied, the Hearing Committee shall furnish the member or beneficiary with written notice of the denial within sixty (60) days of the date the original claim was filed. This notice of denial shall provide:

- (1) The specific reason or reasons for denial;
- (2) Provide specific reference to pertinent plan provisions on which denial is based;
- (3) A description of any additional information needed to perfect the claim and an explanation of why such information is necessary; and
- (4) An explanation of the plan's claims procedure.

The member or beneficiary shall have sixty (60) days from receipt of denial notice in which to make written application for review by the Hearing Committee. The Hearing Committee shall issue a decision on such review within sixty (60) days after receipt of an application for review as provided in the preceding sentence. Such decision on review shall be made in writing and shall include specific reasons for the decision written in a manner calculated to be understood by the claimant. All decisions and denials of claims by the Hearing Committee shall be afforded the maximum deference permitted by law.

XX. New Rules and Constitutional Provisions - The rules and guidelines of this constitution supersede all previous Conference legislation regulating this Fund. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of this constitution without the consent of individual members of the Fund. No amendment shall have the effect of modifying any benefit election of any member in effect at the time of such amendment or modifying the benefit of any member who retired prior to the date of such amendment, unless the amendment expressly so provides. The Annual Conference established this Fund with the intent that it will be maintained for an indefinite period of time. However, the Annual Conference reserves the right to terminate the Fund, in whole or in part, at any time. No amendment, modification or termination of the Fund shall adversely affect the members benefits accrued for his or her retirement at the time of termination of the Fund.

XXI. Miscellaneous Provisions

- A. Prohibition Against Diversion** - Subject to Code section 414(p), there shall be no diversion of any portion of the assets of the plan other than for the exclusive benefit of members and their beneficiaries.
- B. Delegation of Authority** - The Board of Pensions, Conference Treasurer and the Hearing Committee may authorize any agent or agents to carry out their duties, and may employ such counsel, auditors, and other specialists and such clerical, actuarial and other services as it may require in carrying out the provisions of the Fund.
- C. Notification of Mailing Address** - Each member and other person entitled to benefits hereunder shall from time to time file with the Conference, in writing, such persons post office address and change of post office address. Any check representing any payment due hereunder, and any communication forwarded to a member or beneficiary at the last known address as indicated by the records of the Conference shall constitute adequate payment to such person and be binding on such person for all purposes of the plan. The Conference, Board of Pensions, Conference Treasurer and Hearing Committee shall not be under any obligation to search for or ascertain the whereabouts of any such person.

- D. Unclaimed Benefits** - If any benefits payable to, or on behalf of, a member are not claimed within a reasonable period of time from the date of entitlement, as determined by the Hearing Committee, and if the member cannot be located at his or her last provided mailing address, such member shall be presumed dead and the post-death benefits, if any, under this plan shall be paid to his or her beneficiary if he or she is then living and can be located. If the member's beneficiary is not then living or cannot be located, or if no beneficiary was effectively named, the member's account shall be forfeited and treated as dividends pursuant to Article VII.
- E. Facility of Payment** - Whenever, in the Hearing Committees opinion, a person entitled to receive any payment of a benefit under the plan is under a legal disability or is incapacitated in any way so as to be unable to manage such person's financial affairs, the Hearing Committee may, to the extent permitted by law, make payments directly to the person, to the person's legal representative, or to a relative or friend of the person to be used exclusively for such person's benefit, or apply any such payment for the benefit of the person in such manner as the Hearing Committee deems advisable. Any benefit payment (or installment thereof) made in accordance with the provisions of this shall completely discharge the obligation for making such payment under the plan.
- F. Commingling of Assets** - The assets of the Fund may be commingled in a common fund made up of such accounts or in a common fund with other amounts exclusively devoted to church purposes, provided that the part of such fund which equitably belongs to the plan shall be separately accounted for and cannot be used for or diverted to purposes other than for the exclusive benefit of employees and their beneficiaries. The reasonable costs of administering an account may be charged against the account. Such costs may include the reasonable costs of administering a retirement income program of which the account is a part, including costs associated with informing employees and employers of the availability of the program.
- G. Governing Law** - This plan shall be administered, and its validity, construction, and all rights hereunder shall be governed by the *Book of Discipline* of The United Methodist Church, and by the laws of the State of North Carolina to the extent not in conflict with such *Book of Discipline*. If any provisions of the plan shall be held invalid or unenforceable, the remaining provisions hereof shall continue to be fully effective.
- H. Limitations on Liability** - The Conference, Conference Treasurer, Board of Pensions and members of the Hearing Committee shall not be liable to any person or entity for any of their acts carried out hereunder in good faith and based upon the information available at the time.

UNITED METHODIST FOUNDATION

YOUR UNITED METHODIST FOUNDATION - OUR CONNECTIONAL RELATIONSHIP

The United Methodist Foundation, Inc. is an independent, non-profit corporation, related by faith to the North Carolina Conference through the Board of Institutions. Strengthened by its *faith connection* and a rich tradition of excellence in Stewardship Ministry, the Foundation is chartered to serve only the churches, institutions, agencies and ministries of the North Carolina Annual Conference.

Since 1955, the Mission of United Methodist Foundation, Inc. has been to:

- Provide professional investment management services for long-term funds belonging to local churches, institutions, agencies and special ministries of the North Carolina Conference.
- Educate, encourage and receive planned gifts from individuals in support of their local church, United Methodist institutions, and special ministries of the North Carolina Conference.

PROFESSIONAL INVESTMENT MANAGEMENT SERVICES

Currently, the Foundation is assisting more than 300 churches, agencies, and institutions in the North Carolina Conference. This investment partnership offers the benefits of greater diversification of investments along with the possibility of minimizing costs and maximizing investment return.

Through its relationship with a carefully-selected team of national and international professional money managers, United Methodist Foundation, Inc. is able to offer high quality asset management for its long-term funds at a cost that may be lower than available elsewhere. UMF currently partners with Smith Barney Consulting Group and has nine portfolio managers handling our custom portfolio of investments. Total investment in the nine funds is allocated based on percentages determined by our Board of Directors as the best to have reasonable returns while minimizing risk. In the Foundation's Balanced Fund investment option, assets are actively managed in a much larger pool of assets, currently totally over \$89 million. This fund has returned just over \$78.5 million in total disbursements to Foundation Investment Partners during the past 15 years while simultaneously growing the overall value of the Balanced Fund by \$52 million. Over the past 25 years, this fund has provided churches an average annual return of 9.64%, net of all fees.

At the same time, funds invested with United Methodist Foundation are uniquely managed according to *The Social Principles of the United Methodist Church*. Thus, all money managers are instructed to screen out of their investment portfolios any industries and companies that derive significant gross revenue from alcohol, tobacco, gambling, pornography, or armaments. Investments are encouraged in companies that are dedicated to making a positive social, moral, and economic impact on society. UMF is dedicated to socially responsible investing (SRI) and will not knowingly invest in companies whose activities are contrary to the *Social Principles*. Fund managers follow the Statement of Investment Guidelines of the Investment Committee of the UM General Council on Finance and Administration and the guidance of the UM General Board of Pensions and Health Benefits in determining social responsibility of the companies in which monies are invested.

PLANNED GIVING AND ENDOWMENT EDUCATION SERVICES

The central mission of United Methodist Foundation, Inc. is its Endowment Program and gift planning consultation service for member churches, Conference agencies, institutions, and special ministries, and for individual members of the North Carolina Conference. This service provides stewardship consultation to help local churches as well as Conference institutions and agencies establish permanent endowment programs.

UMF also provides planned giving consultation for individual donors wishing to establish permanent or long-term gift arrangements to benefit various ministries of the Church. The staff offers specialized “technical” assistance to help donors accomplish their benevolent goals by creating gift plans most appropriate for their situation and works cooperatively with donor’s legal, tax and financial advisors.

Additionally, the Foundation serves as trustee for many individual *Family Endowments* and *Donor Advised Funds*, and *Life-Income* Gift Plans producing charitable remainder benefits for ministries throughout the Church. As Trustee of these special funds, the Foundation is responsible to ensure that all charitable remainder amounts and Endowment Fund earnings support the ministries selected by the donor.

UNITED METHODIST FOUNDATION INVESTS IN NEW PLANNED GIVING EDUCATION RESOURCES FOR THE LOCAL CHURCH

In July 2006, United Methodist Foundation, Inc. welcomed Rev. James G. Mentzer, CLU, ChFC, to the Foundation staff as the new Director of Planned Giving. Rev. Mentzer provides gift planning and endowment education through presentations at Conference, district, and local church events as well as through one-on-one consultations. Rev. Mentzer is an ordained elder in the North Carolina Conference and most recently served as pastor of Roseboro United Methodist Church (Fayetteville District).

Rev. Mentzer received his B.A. in history from Allegheny College (Pennsylvania) in 1971, an M.A. in history from Duke University in 1972, his Masters of Divinity degree from Duke Divinity School in 1999, and is currently pursuing a Doctor of Ministry degree at Union Theological Seminary in Richmond, Virginia. As part of his continuing commitment to education, he has earned both the Chartered Life Underwriter (CLU) and Chartered Financial Consultant (ChFC) designations from the American College. Prior to entering ordained ministry, Rev. Mentzer was involved in both the public and private sectors. Since 1986, Rev. Mentzer has also worked as a financial planner with Delta Financial Advisors, Inc. of Pinehurst. He is married to Jo Ann Warren Mentzer, a retired registered nurse. They have three adult children and one grandson.

TRUSTEES, CONFERENCE BOARD OF

The Board of Trustees of the Annual Conference is charged with responsibilities vital to the mission and ministry of the Conference as defined in paragraphs 2512- 2516 of the Book of Discipline. These include holding legal title and managing Conference property; receiving and holding bequests and donations; receiving and managing closed or abandoned churches and other property; recommending action to the Annual Conference regarding sale, lease or acquisition of property to serve the Conference interests and mission; and intervening to protect Annual Conference interests.

THE UNITED METHODIST BUILDING RELOCATION

The Board of Trustees has appointed a committee to evaluate the long-term plans for the potential relocation of the United Methodist Building. This committee has begun the review process of all current property holdings including the 1307 Glenwood Avenue property as well as the Greenfield Parkway property. The committee has met with a realty consultant, Grubb Ellis, Thomas and Linderman, and is considering four main courses of action. These courses include selling the Glenwood Avenue property and relocating to the Greenfield property, keeping the Glenwood Avenue property and either building a new building or renovating the existing facility, or selling both properties and researching and purchasing a new property for relocation. The committee is in the data gathering phase for all of these options and will continue this assessment throughout the upcoming year.

In order to proceed, the Board of Trustees must evaluate the market value of the existing Glenwood Avenue property. As reported in previous Annual Conference reports, the Raleigh Towne Apartments land and building is currently under a land lease that will expire in 2014. At that time, the land and building will be owned by the Conference. The Board of Trustees recommends that the property on Glenwood Avenue be put out for bid so that a true market value can be determined. This bidding process is not intended to find a buyer at this time and any recommendation for the actual sale of Annual Conference property would be presented to the Annual Conference for consideration and vote.

The Board of Trustees must also consider the cost to renovate the existing facility. As it will be an extensive project to evaluate the current condition of the building, current building code implications and the associated costs to renovate and bring the building to meet code specifications, the Board of Trustees proposes contracting with an engineering consulting firm to obtain a proposed plan for renovation as well as an estimate of cost. This estimate will be used as the four options listed above are considered by the committee. With the great task of evaluating such an important decision ahead of them, the committee and full Board of Trustees recommends bringing a proposed course of action to the Annual Conference during its 2008 session.

Until such time that the Annual Conference votes otherwise, the Board of Trustees continues to recommend retaining the Raleigh Towne Apartment property under the existing ground lease and retaining the Greenfield property as an investment.

Major repairs were completed to the United Methodist Building HVAC system and roof during 2006. All budget monies for the operation and capital lines for the United Methodist Building were exhausted during 2006 on general building maintenance and these capital expenditures. Additional supplemental appropriations of \$365,780 were requested and received from the Council on Finance and Administration to fund the remaining operational and capital expenses after budget funds had been depleted.

The Board of Trustees has also appointed a committee to evaluate the ongoing needs of the existing United Methodist Building. Though the major HVAC and roof repairs were completed, further maintenance is needed on the United Methodist Building. The committee has met and is considering options for the beautification and maintenance of the building while considering the funding available. Other than the

operating and capital lines in the Conference budget, there are no other sources of funding for the Trustees which are not designated for specific uses by other Conference action. These options will be considered over the next year and a report of any actions will be brought to the next Annual Conference session.

CLOSED CHURCHES

- Charity – Goldsboro District – closed February 4, 2007.
- Gold Valley – Rocky Mount District – church closed December 31, 2004. This property sold in March 2006 and the net proceeds were \$27,944. Administrative and management costs were deducted and the remaining funds were invested in the United Methodist Foundation for the Rocky Mount District – Gold Valley Scholarship Fund.
- Hoffman – Sanford District – closed February 4, 2007.
- Mann's Chapel – Sanford District - closed December 1983. The Board has approved the sale of this property and the sale is pending.
- Middlesex – Rocky Mount District. The Board approved the sale of this property and it was sold in April 2007. Net proceeds of the sale were \$224,446. These proceeds are being held by the Board in an investment account in the United Methodist Foundation until requested by the district as per Annual Conference policy.
- New Beginnings – Raleigh District – church closed October 1, 2006. Property belonging to New Beginnings has been approved to be transferred to another party in exchange for payment of the indebtedness on the land and another parcel of land near Youngsville. This is expected to close in May 2007.
- Providence – Sanford District. The Board approved the sale of this property and it was sold to the former tenants in February 2006. Net proceeds of the sale were \$89,820. These proceeds less administrative selling costs will be held for the district until requested as per Annual Conference policy.
- Wadeville – Sanford District – closed January 28, 2007.
- Wellspring – Wilmington District – closed May 1, 2007.

The Board of Trustees continues to receive local church property as they are closed in compliance with the Discipline.

The Board of Trustees was asked to study the matter of the disposition of the proceeds of close church property sales in response to an approved 2005 Annual Conference motion directing those proceeds back to the district from which the church was located and a 2006 Annual Conference motion directing the proceeds to congregational development wherever within the Annual Conference they are most needed. The Board of Trustees appointed a committee to study this issue and the committee and the full Board of Trustees recommend the following policy.

Policy for the Remaining Assets of Closed or Abandoned Church Property

We move that the North Carolina Conference adopt the following policy with regard to the assets of closed and/or abandoned churches or related properties such as parsonages including any funds received from the sale of such real estate:

- (1) All properties of closed churches within a District shall be noted through annual audit of abandoned or closed churches by the District Superintendent as detailed in ¶423.7 of the *Book of Discipline*. Notification of the status of such properties shall be reported to the Conference Board of Trustees and the Treasurer's Office by the District Superintendent at the time of the closing of a church.
- (2) The properties shall devolve to the Trustees of the North Carolina Annual Conference and the Board of Trustees shall hold both legal and beneficial title to such properties as provided by the *Book of Discipline*.
- (3) The Conference Trustees shall work with the District Superintendent in fulfilling the provisions of ¶ 2512.3 and ¶ 2548.

- (4) Any sale of such properties shall conform to the provisions of ¶ 2515 of the *Book of Discipline*.
- (5) The proceeds of the sale of such closed or abandoned church properties shall be managed by the Conference Trustees and made available for church extension, congregational development or other legitimate ministry needs and programs within the District in which the closed or abandoned church property was located upon recommendation of the District Superintendent and District Trustees and with approval by the Conference Board of Trustees.
- (6) All bank accounts, certificates of deposit, or other investments previously held by a closed or abandoned church shall be received by the Conference Board of Trustees and shall be held in an account for use in ministry within the District from which it came. The Conference Board of Trustees shall invest such funds for the benefit of the respective Districts from which the funds assets have been received. Any gift, legacy, devise, annuity, or other benefit to a pastoral charge or local church that has been discontinued or abandoned that accrues shall likewise be made available for ministry needs within the District from which it was received upon recommendation of the District Superintendent and District Trustees and approval by the Conference Board of Trustees. Transfer of usage of these funds to other Conference usages or usages in other Districts may be made by agreement of the Conference Board of Trustees and the District Board of Trustees in the District from which the funds originated.
- (7) The Conference Trustees shall have the right and authority to be compensated for reasonable expenses incurred in the disposition and management of the assets of closed or abandoned churches. This shall include but not be limited to expenses for insurance, realty management, realty commission and other related expenses. An accounting of these expenses and what has been deducted from accounts managed for the individual District shall be reported as requested by the District Board of Trustees or District Superintendent.
- (8) The Conference Trustees shall retain 10% of the net proceeds, up to a maximum of \$5,000, from the sale of closed or abandoned churches to be used for maintenance of closed or abandoned church property.
- (9) When properties from the discontinuation of a congregation or abandonment are sold in urban centers with more than 50,000 population, the proceeds of sale must be used for new and/or existing ministries within that urban center. (¶ 2548.7 *Book of Discipline*)

CONFERENCE PARSONAGES AND EPISCOPAL RESIDENCE

The Board of Trustees currently provides four Conference staff positions with housing allowances in lieu of parsonages. The Trustees remain committed to the parsonage system and hold investments from previous parsonage sales to fund future acquisitions of parsonages if needed. Market value of those investments is currently \$1,170,476 as of December 31, 2006. A combination of earnings on investments and proceeds from the Conference budget fund the housing allowances.

The Episcopal Residence is maintained by the Board of Trustees and funding provided by the conference apportionments and the Episcopal Fund which is managed by the General Council on Finance and Administration. The new residence obtained in 2004 still needs minimal maintenance and the Trustees will make future recommendations as needed.

FREDERICK AND CLOSS PEACE WARDLAW BEQUEST

In August of 2002, the Trustees were notified of a bequest to be received from the estate of Frederick and Closs Peace Wardlaw in the form of some fourteen acres with dwelling on the Virginia shoreline of Kerr Lake. This was left for the purpose of providing a retreat or renewal location for clergy of the Conference. With concurrence of the estate trustees in 2003, the property was sold for \$500,000 and a new lot in a gated

community, Somerset Plantation, near Williamsboro, NC, was purchased. The remaining funds of the sale, \$351,437.02 are held for future consideration of an appropriate way to honor Frederick and Closs Peace Wardlaw.

PROPERTY INSURANCE

The Board of Trustees placed all annual conference property and all closed church properties with the Property and Casualty Trust (PACT) in August 2006. PACT is a captive insurance company created by the General Council on Finance and Administration and 15 other annual conferences. With the conference property being placed with PACT, we can now extend PACT coverages to local churches for property and casualty insurance needs. There is currently one local church that has joined PACT for insurance and all local churches are invited to place coverage with PACT.

Discounted group rates will be available beginning July 1, 2007. When joining PACT, all members must pay a one-time capitalization fee for membership. This fee is used by the trust to build the base required legally for insurance funding. The Trustees requested and received a supplemental appropriation from the Council on Finance and Administration during 2006 to provide funding for a program to assist local churches with paying this capitalization fee by providing loans to local churches to fund the fee initially.

One primary reason to join PACT was to provide some vehicle for our coastal churches to obtain coverage. Some of our coastal churches are not currently able to obtain coverage due to the very high costs for this coverage in the wind pool group programs. Though wind coverage will not initially be available to coastal churches in July, the Board of Trustees is working with PACT to ensure that this coverage will be available beginning in January 2008.

BOARD OF TRUSTEES

The Conference Board of Trustees seeks to be faithful stewards of the assets of the North Carolina Conference. Complete reports of the financial activities and assets held by the Conference Board of Trustees are available in the audited financial statements of the Conference. We will continue to manage property of the Conference to the best of our ability in compliance with the Discipline and welcome the suggestions, ideas and input of every person in this Conference. We thank you for your faithful support of the work of the Conference and seek your prayers for the work that is given to us.

FINANCE AND ADMINISTRATION, COUNCIL ON

III. FINANCIAL POLICIES

The United Methodist Church is a connectional church, and all local churches participate in the mission and service giving of the larger church. The outreach and mission giving opportunities of the Connection are distributed to the churches of the NC Conference by means of a formula based on the financial performance in each local church. Every effort is made to develop a computation which is shared with fairness by all. Church leaders are encouraged to interpret the work of the Connection so that each congregation understands these funds to be a necessary extension of the ministry and mission of the church beyond its local organization.

A. APPORTIONMENTS:

1. The funds to be apportioned are:
 - World Service and Connectional Ministries
 - Past Service Liability - Pensions
 - Episcopal Fund
 - Interdenominational Cooperation Fund
 - Black College Fund
 - Africa University Fund
2. Formula: The Apportionments for each year shall be based on the average of the total monies disbursed by each church in the four years immediately previous to the apportionment year less the approved exclusions each year, or on the most recent year less the approved exclusions, whichever is lower. The change in unadjusted apportionments from the previous year shall not increase in excess of 15%. The exclusions are: Payments on World Service and Connectional Ministries, Past Service Liability – Pensions, Episcopal Fund, and all other apportionments; district work fund; principal and interest on indebtedness; buildings and improvements; 50% of property insurance; local benevolences paid directly by the local church; General and Conference Advance Specials; Ten Dollar Club; up to \$4,500 for travel paid by a charge for each pastor; United Methodist Student Day; Human Relations Day; Peace and Justice Sunday; Native American Awareness Sunday; One Great Hour of Sharing; World Communion Sunday; UMW Funds sent to district or conference treasurer; housing allowance paid in lieu of furnished parsonage to a minister serving under Episcopal appointment in a charge of the Conference; offerings taken for disasters as designated by the Disaster Response Committee and the Resident Bishop.
3. Effective July 1, 2004, new congregations shall be assigned an apportionment beginning in the year in which the church is chartered (Year A in the following table). The new and projected charter dates for all new churches shall be reported annually by the Office of Congregational Development to the Treasurer's Office immediately following Annual Conference. The amount to be apportioned shall be a percentage of the apportionment as computed on the standard formula described in III.A.2 above. Because this formula results in a lower apportionment for a longer period than earlier new church formulas, no adjustment will be allowed to the apportionment computed as shown in the following table:

Year	Percent	Base Year Net Disbursement Formula	Maximum % Change
A	0%	None	None
B	60%	$= (4A)/4$	None
C	65%	$= ((3A)+B)/4$	None
D	70%	$= ((2A)+B+C)/4$	None
E	75%	$= (A+B+C+D)/4$	None
F	80%	$= (B+C+D+E)/4$	None
G	85%	$= (C+D+E+F)/4$	None
H	90%	$= (D+E+F+G)/4$	None
I	95%	$= (E+F+G+H)/4$	None
J	100%	$= (F+G+H+I)/4$	None

4. Apportionments to the churches shall be made by the Council on Finance and Administration (CFA) based on the current formula. Each cause shall be paid proportionately out of the income from funds received up to the amount fixed by the Annual Conference. In the event receipts shall fall short, all items shall be paid pro-rata. The CFA is authorized to make supplementary appropriations between sessions of the Annual Conference, if funds are available, for emergency or unforeseen needs. Such supplementary appropriations shall be made only from available undesignated funds. It is the intent of CFA that 50% of supplemental funds available be designated for the retirement of our current liabilities. In the light of possible unforeseen and emergency need beyond available resources within the Annual Conference, the CFA is authorized to adjust the pro-rata distribution by up to 10% at it's discretion and is authorized to use such funds to make supplementary appropriations according to this provision. General Church apportionments will be paid in full as collected to general agencies and will not be subject to adjusted pro-rata distributions. All supplementary appropriations made under these provisions shall be reported in the Conference Journal for purposes of information.
 5. Apportionments will be delivered from the treasurer's office to the district superintendents by **July 20, 2007**.
- B. The following special offerings shall be taken in each local church and remitted to the Conference treasurer as separate items. They are not to be included in the Apportionments. General Church special offerings include United Methodist Student Day, Human Relations Day, Peace with Justice Sunday, Native American Awareness Sunday, One Great Hour of Sharing, and World Communion Sunday. **Annual Conference approved special offerings include Project AGAPE Mission to Armenia, Methodist Home for Children, Mother's Day Offering for the Methodist Retirement Homes, Golden Cross Sunday and Disciple Bible Outreach Ministries.**
 - C. No Conference agency's budget shall incorporate funds to be appropriated to a non-conference agency, without specific approval of CFA. All funds granted to a non-conference agency must be spent consistent with the Social Principles of The United Methodist Church.
 - D. No transfer of funds shall be made from one line item in the Conference Budget to another.
 - E. All General Church Funds (World Service, Episcopal, Ministerial Education, Black Colleges, Africa University, Interdenominational Cooperation, General Administration) and College Sustaining Fund, Past Service Liability Fund,

Jurisdictional Conference, and Methodist Building Routine and Capital Maintenance Funds will be raised and paid out in the same year. All other funds will be raised and paid out in the subsequent year on a schedule determined by the CFA.

- F. Investment Policy: The investment of the funds of the conference shall be such that funds available for mission are maximized in a manner consistent with the preservation of capital and with the Social Principles of The United Methodist Church. Investments are with the United Methodist Foundation, Inc. (local), the United Methodist Church Foundation (national), area banks, and with specific minority financial institutions within the bounds of the NC Conference. Investments of funds reserved for use in the next budget year shall be invested 50% fixed income investments and 50% equity investments. The Conference is also a member of Project Equality.
- G. Monies paid by the churches shall be reported to the statistician by the pastors at the end of the year on the Table II, Financial Report. The Table I and Table II reports for **2007** shall be due to the statistician no later than **January 31, 2008**.
- H. The Council may enact its own bylaws governing meetings, quorum, and other matters of procedure as authorized in the *Discipline*, Para. 610.5.b.
- I. The Council shall maintain a central treasury for all Conference agencies as authorized by Para. 611.11 of the *Discipline*, and the 1953 session of the Annual Conference. Annual Conference boards and agencies, including those separately incorporated, are required to maintain their funds on deposit in the central treasury unless exempted by the Annual Conference or the *Discipline*. Exemptions are granted to the Methodist Home for Children, the Methodist Retirement Homes, the Colleges, the United Methodist Foundation, Inc., Board of Missions, Inc., Asbury Homes, and North Carolina United Methodist Commission on Outdoor and Camping Ministries, Inc.
- J. All new programs or entities which would not be funded by an existing approved budget shall be referred to the CFA for review of budget needs and supplemental funds available prior to approval by Annual Conference. If the item is approved, the next year's budget shall be amended to include the necessary funds based on the CFA recommendation.
- K. Contracts executed by commissions, boards, or agencies which obligate the Annual Conference must: 1) be created for periods of no more than 12 months and should be completed by June 30 annually, 2) not involve expenditures exceeding \$50,000 in the aggregate and 3) not include a guarantee by the Conference of debt incurred by a separately incorporated entity. All contracts that exceed a 12-month period and/or \$50,000 must be authorized by the Council on Finance and Administration. Should authorization be needed between meetings of CFA, it can be given by two signatures from the Executive Director of Connectional Ministries, the president of CFA or the Conference Treasurer and will require ratification by CFA at its next meeting.

IV. APPROVAL TO SOLICIT FUNDS

Any organization designated as a Conference Advance Special may ask local churches to consider opportunities for giving. It shall be at the discretion of the local church as to whether, when and how these opportunities will be presented to the membership. Solicitation or private campaign may not be taken directly into local churches of the Conference through solicitation in classes or other groups or by the use of membership lists (either partial or in entirety).

Approval is given to the requests of the following agencies *and programs* for the privilege of soliciting funds under these policies throughout the District or Conference.

- A. Christmas Offering for District programs and/or projects.
- B. The Commission on Congregational Development for the promotion of the Church Extension Ten Dollar Club and the John Wesley Endowment for Congregational Development.
- C. The Board of Directors for Outdoor and Camping Ministries, Inc. to solicit from church groups and individuals, materials and money for specific projects for the four camps of the North Carolina Conference.
- D. The State Commission on Campus Ministry for the privilege of private solicitation for special gifts for the benefit of special works in the state-supported institutions of higher education.
- E. Methodist Retirement Homes, Incorporated; Methodist Home for Children; Louisburg College; Methodist College; North Carolina Wesleyan College; and Asbury Homes for the privilege of private solicitation and receipt of such funds as may be directed thereto.
- F. The United Methodist Foundation, Incorporated, as provided in its charter.
- G. The Disaster Response Committee upon joint decision of the committee and the Resident Bishop to respond to disasters within the bounds of the NC Annual Conference.

The CFA continues to recommend that 100% "Missional Service Giving" be the on-going priority. The Council also recommends that stewardship continue to be a missional focus, Conference priority.

V. DISTRICT SUPERINTENDENTS' SALARY

The Council on Finance and Administration recommends that the formula for computing the annual salary for the district superintendents be the average of the top 25 pastors' salaries in the Conference for the previous year. Salary is defined as cash salary plus nonvouchered allowances. We recommend the 2008 salary for district superintendents be set at \$99,292.

VI. ORGANIZATION and PROCEDURE *(presented for information only)*

- A. The audit for **2007** will be by McGladrey & Pullen, Raleigh, NC.
- B. The president, vice-president, secretary, and treasurer of the CFA shall serve as the executive committee of the Council. The Council shall elect two additional members to the executive committee from its voting membership.
- C. The Conference treasurer will include in the monthly financial reports, for any given month, all monies received in the office by 8:30 a.m. on the 5th day of the following month, except when the 5th day falls on a weekend or holiday the report will include the funds received by 8:30 a.m. on the following workday.
- D. The treasurer may approve minor overexpenditures of a budget line item up to \$5,000 or 5% of the line item, whichever is less. A request for such overexpenditure shall be submitted in writing in advance and shall state the reason for the request. The overexpenditure will be reported to CFA and will be listed in the Conference Journal.
- E. Any Conference or non-conference agency which receives Conference funds in excess of \$1,000 shall submit, with any budget request, an annual detailed audited budget report of all receipts, disbursements and assets. A statement in effect that "All funds granted have been spent consistent with the social principles of The United Methodist Church" will be furnished to CFA upon submission of the audit. Such reports received may be reported in whole or in summary form in the Conference *Journal* and shall remain on file in the treasurer's office. An agency may be exempted (for just cause) from this

reporting requirement by CFA. Note: CFA requests the Board of Institutions to provide regular reports (at least annually) regarding its financial monitoring of related institutions/programs.

- F. A carry-over of budgeted funds remaining (not including any supplemental appropriations) of up to 10% of the amount raised for the subsequent year will be allowed for Conference budget line items. Any carryover or portion thereof by this policy may be rescinded in any year in which funds are not available to meet basic ministry needs as determined by the CFA.
- G. Funds appropriated to a board or agency must be spent in the calendar year of the appropriation unless otherwise allowed.
- H. Supplemental Appropriations: The Council will consider requests for supplemental appropriations in the following priority order:

First Priority

- Salary and benefit items previously approved according to the policies of the Annual Conference or General Conference (i.e. Equitable Compensation Funds, staff salaries, etc.)
- Programs authorized and mandated by the NC Annual Conference which are not included in the Annual Conference budget for that financial year.
- Amounts required by the Past Service Funding Plan adopted jointly by the Board of Pensions and the CFA which are not raised by the Board of Pensions annual budget requests.

Second Priority

- New creative programs to respond to emerging needs and to expand the mission of the Annual Conference which are not included in the Conference budget for that year. Such programs will be funded through supplemental appropriations only on a short-term basis.
- Emergency needs and programs in the life of the boards and agencies of the Annual Conference. The petitioning group shall make such requests in writing to the treasurer's office at least 15 working days before a scheduled CFA meeting.

Third Priority

- Any other type of funding requests.

Procedure for seeking supplemental appropriations:

1. All requests for supplemental appropriations shall be made to the CFA President and/or the Conference Treasurer's office in writing at least 15 working days before a scheduled CFA meeting.
 2. The normal procedure for requests for supplemental appropriations will be a review by the CFA supplemental appropriations committee which will make a recommendation to the full Council.
 3. If an emergency request for supplemental appropriations is received between scheduled meetings, the CFA supplemental appropriations committee will consider the request and direct the Conference treasurer to forward it to the membership via mail with a recommendation for action.
- I. Interest shall be paid to/from the Board of Pensions, Insurance Fund, Blackburn Scholarship Fund, Camps Endowment for Maintenance, Church Extension Redevelopment, and Church Extension Salary Endowment funds using the rate of the conference interest bearing checking account, compounded monthly, on monthly average balances held by the Conference treasurer.
 - J. Retroactive adjustments for transfer or posting delays will be made to the Board of Pensions and the Insurance Fund accounts for earnings calculations.

- K. Funds in excess of operational needs for the Board of Pensions and the Insurance fund are invested in the United Methodist Foundation, Inc. of the N.C. Conference or other socially balanced investment funds as deemed appropriate by the Council.
- L. In order to prevent a loss of funds due to investment risk, and in order to have funds available for emergency use, the goal of the Council is to maintain minimum reserve funds equal to 15% of the current operating budget for World Service and Connectional Ministries and the Past Service Liability. Supplemental appropriations from current year earnings shall follow the guidelines in paragraph H above. Supplemental appropriations beyond current year earnings shall follow the following guidelines: 1. If reserves are less than or equal to 20% of the current operating budget, then only supplements to meet payroll for existing positions may be considered. 2. If reserves are above 20% and below 30% of operating budget, then only supplements to meet payroll for existing positions and unfunded liabilities may be considered. 3. If reserves are equal to or greater than 30% of operating budget, then other requests may be considered. 4. No request may be considered if the amount requested would reduce reserves below 15% of operating budget.
- M. Mailing address labels will be available for a nominal fee to conference agencies, clergy and lay members of Annual Conference or other United Methodists for church related uses.
- N. **CFA Meeting Schedule:** The executive committee meets at the call of the President. Scheduled meetings are:
June, 2007: There may be a called meeting in conjunction with Annual Conference if necessary to elect officers or conduct other business.

ACADEMY FOR LEADERSHIP EXCELLENCE

What is it? The Academy for Leadership Excellence has been launched in our conference as a place of specialized learning and experience to develop leaders of excellence. The Academy's purpose is to identify, equip, and support lay and clergy leaders for missional ministry. Where is it? The Academy occurs at different locations around our conference based on the learning needs identified. How is it done? The Academy does its work by creating leader development processes; offering courses and workshops which equip conference leaders in the practical, applicable aspects of leadership; and supporting leaders. A leader development process has been established for the identification and assessment of potential persons for new church plants. Lay and clergy leaders are equipped through educational events based in the local-church context and providing practical, applicable leadership skills. Academy activities to date include: the New Church Pastor's Learning Cycle, a "tune-up for new church pastors and lay leaders," a leadership transitions seminar, district-based clergy and lay leadership development events, etc. Fifteen individuals are involved in the coaching network to support clergy leaders. Who is invited and involved? The Academy is a unique opportunity for lay and clergy leaders to learn together. At times a learning opportunity will target a specialized group, i.e. new church leaders, but most events will be open to all. Why do it? ...because of the God-honoring results that can be accomplished in our personal leadership, our congregations, our conference, and our communities. In the Academy we lead lay and clergy leaders to identify congregational mission, vision, and values, and to measure excellence in terms of transformation and impact on their communities.

Dr. Irene Brownlee, Executive Director, Academy for Leadership Excellence

A TIME TO GROW

A Time to Grow is the fund-raising arm of the Congregational Development Fund, Inc. in our conference. Currently, our primary focus is raising funds for the Academy for Leadership Excellence. We are excited to assist our conference in implementing a vision of "every church, a vibrant, vital church led by effective, spiritual leaders." Lay and clergy leader development is a vital avenue of this transformation. We believe that lay and clergy leaders must be resourced and equipped for fruitful ministry by spiritually-focused, experience-based learning events. In partnership together, the laity and clergy leaders of our conference can create an academy that provides practical, real-world leadership skills and ongoing support to current and future generations of church leaders.

To date, 63 donors have pledged \$1.6 million and we are so appreciative of each gift. In 2006, 36 donors pledged \$95,662. Don and Barbara Curtis of Raleigh have presented a \$1 million challenge gift, and we anticipate achieving this goal. The total goal to be raised is \$5 million.

Mr. Norris Tolson, a certified lay speaker from Pinetops UMC and secretary of the NC Department of Revenue, is leading a fund-raising team which includes the bishop as well as lay and clergy persons from every district. Our plan includes information sharing about the work of the Academy for Leadership Excellence, mailings, cultivation events, and one-on-one conversations. We invite you to join us in this important work of developing leaders.

Larry Coats, Chairperson, Congregational Development Fund, Inc. and Mr. Norris Tolson, A Time to Grow Chairperson

CAMP RETREAT MINISTRIES

Embracing our mission “to invite children, youth, and adults to discover, reconnect and celebrate God and God’s creation through Jesus Christ in the United Methodist tradition”, the Conference Camp and Retreat Ministries served over 28,000 summer campers, adult and youth retreat participants, day campers, and school students in 2006. Chestnut Ridge in Efland, Don Lee in Arapahoe, and Rockfish in Parkton are in ministry year round. Under the leadership of executive director Wray Stephens; center directors Rev. John Farmer, Gene Joiner and Rev. Rhonda Parker; and retreat ministries coordinator Rev. Judy Stephens, Christian hospitality and the opportunity to grow in Christ were provided. The ministry also finished 2006 on solid financial ground.

In 2007, we celebrate the successful conclusion of our first Annual Fund campaign; welcome our first development director, Dail Ballard; complete a master planning process for all three sites led by Kathy Trotter, a renowned leader in Christian Camping who also served as consultant for our strategic planning process in 2003; and define a new strategic vision for the future of camp and retreat ministries.

In addition, we seek to build and strengthen relationships—

- with Christ for summer and day campers, as well as retreat participants and staff;
- with local churches through program and retreat opportunities;
- with local committees that strengthen the ministry at each local site;
- with staff and camper alumni through a Reunion Celebration..

The Board of Directors is deeply thankful for the support of the Annual Conference for your camp and retreat centers!

CANDLER SCHOOL OF THEOLOGY

Candler School of Theology is grounded in the Christian faith and shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concern. Its mission is *to educate—through scholarship, teaching, and service—faithful and creative leaders for the church’s ministries in the world*. Candler, uniquely located in a top twenty research university and committed to educating pastoral and academic leadership, is actively playing a role in the positive transformation of the church and world.

Candler’s faculty is among the most distinctive in theological education with 46 full-time, 6 part-time, and 15 adjunct members. Bishops Woodie White and Jack Meadors serve as Bishops in Residence. This year, enrollment was 510, with 396 in the Master of Divinity program and 59 in the Master of Theological Studies program. Eighty-three % of students are full-time, 23% US ethnic minority, 10% international, and 51% women. More than 50 denominations are represented with 56% of MDiv students being United Methodist from 34 Annual Conferences.

This spring’s Groundbreaking on our new building will provide faculty and administrative offices, state-of-the-art classrooms, new library facilities, a teaching chapel, and Emory’s Ethics Center. When complete, Emory’s rich religious resources will be drawn together to create a “religious complex” centered on Candler.

I am honored to serve as Candler’s dean as of January 2007 and deeply grateful for the leadership of Russell Richey. He will continue to be a powerful presence at Candler as a leading scholar of Methodism, teacher, and one who makes significant contributions to the church. Thank you for your many expressions of welcome and for your support of Candler.

DISCIPLE BIBLE OUTREACH

Chartered in 1999 as a ministry of both the North Carolina and Western North Carolina conferences, Disciple Bible Outreach Ministries (DBOM) has been transforming lives in prison and pew with the power of God's word! This transformation is achieved through three powerful ministries:

1. **Local Church DISCIPLE Bible Study ministry.** As the conferences' DISCIPLE Bible Study liaison, DBOM provides DISCIPLE Bible Study promotion and training to local churches throughout the state. DBOM's new district training initiative provides training in all four levels of DISCIPLE Bible Study and RINGS OF FELLOWSHIP at no cost to the participants! This is the only program of its kind in the country and makes these powerful Bible study programs accessible and affordable to every lay and clergy person in NC!
2. **DISCIPLE Prison Ministry.** In the area of prison ministry, DBOM's DISCIPLE prison ministry is known throughout the country as a model of lay empowerment. DBOM recruits, trains and mobilizes volunteers from local churches as DISCIPLE Bible Study teachers in the prisons. To date 7,000 inmates have participated in this ministry and more than 400 volunteers have been trained and certified as DBOM prison missionaries.
3. **RINGS OF FELLOWSHIP Youth Outreach.** As in the DISCIPLE Prison Ministry, DBOM sends volunteers forth for ministry in the state's Youth Development Centers with the RINGS OF FELLOWSHIP outreach. RINGS is a youth Bible curriculum based on the model of DISCIPLE. Currently RINGS is the NC Department of Juvenile Justice's faith-based program and is active in Youth Development Centers throughout the state. Recently updated and enhanced by a new DVD, RINGS is now available to local churches as an exciting new middle school Bible school curriculum.

DBOM's Vision: "Making disciples through Bible Study to offer God's grace to a hurting world."

DBOM's Mission: "Developing and strengthening Bible Study ministries to transform lives, make disciples, and empower Christians for outreach ministry."

We wish to thank our brothers and sisters in the North Carolina Conference for their generous support of our August Special Offerings. Together we will continue to offer the transforming power of scripture to a world in need!

DUKE DIVINITY

Duke Divinity School prepares students to become effective, faithful leaders in the church, the academy and the world through its attention to spiritual formation and transforming ministry as well as to academic rigor. The school is an integral part of Duke University, and divinity students enjoy and contribute to the university's intellectual, spiritual and social resources.

Programs:

Duke Divinity School welcomed its first class of Doctor of Theology (Th.D.) students in the fall of 2006. The Th.D. program is designed to match the rigor of the Ph.D. program and focuses explicitly on the ministries and practices of Christian communities. Following university approval in late 2005, the Association of Theological Schools gave preliminary approval to the Th.D. in January, 2006. This program will enhance the education and formation of men and women for Christian ministry and leadership both in church-related positions and theological schools.

The divinity school continues its major work on grants from Lilly Endowment, Inc., including coordinating the Sustaining Pastoral Excellence program and our Advancing Pastoral Excellence initiative. In May of 2005, we hosted a major "Forum on Excellence in Ministry" in Indianapolis, which brought together 250 leaders from a variety of churches and church-related settings.

In early 2006 we launched a six-year program, "Thriving Rural Communities," in collaboration with the North Carolina and Western North Carolina Annual Conferences of the United Methodist Church and The Duke Endowment. This multi-pronged initiative is designed to help strengthen rural communities, especially by working with the churches and the leadership in those communities. The program will identify eight thriving United Methodist churches and provide grants to support initiatives in those churches; create full-tuition scholarships for Duke Divinity students who plan to go into rural ministry and support leadership development for rural clergy.

Events and Activities:

When Hurricane Katrina struck the Gulf Coast in Mississippi and Louisiana, Duke Divinity School faculty, staff and students sought to support our brothers and sisters there in meaningful ways. The school focused a period in the fall as "Autumn's Lent," a time when we had prayer, worship and fund-raising to support the recovery. In addition, we sent a group of faculty and staff, led by Bishop Kenneth Carder, to conduct a Sabbath-renewal continuing education event for Mississippi Annual Conference pastors in February, 2006. We also invited and financially supported pastors from both United Methodist conferences to come to Duke for one- to two-week study leaves for rest and renewal.

During 2005-06 the divinity school developed a strategic plan for the next five years. Entitled "Transformative Leadership," it seeks to sustain and strengthen the momentum we have built over the past five years. At the heart of our planning is the conviction that Duke Divinity School aims to be an agent of transformation for the church, the academy and the world. Our aspirations can be defined by four complementary measures: (1) academic research and teaching; (2) preparation of men and women for leadership in the church and other institutions, both through our degree programs and through lifelong learning; (3) engagement with major issues in church and society; and (4) our role in strengthening the broader academy, especially in theological education.

The divinity school continued its fundraising efforts related to Duke University's "Financial Aid Initiative," launched during the past year. Duke Divinity is pursuing a goal of \$10 million in endowment gifts for this three-year initiative (2006-08).

Students:

In the fall of 2006, Duke Divinity enrolled a diverse body of 575 students from 40 states and seven foreign countries. Approximately 55 percent of the student body is United Methodist, 20 percent is Baptist, and the other students come from more than 30 different denominations in the Christian faith. The overall entering class had an ethnic minority enrollment of 21.8 percent, a slight increase over the previous year. The median undergraduate G.P.A. of the entering class was 3.55.

Our field education program continues to grow. More than 200 of our students experienced summer field education placements, including many in rural United Methodist congregations (whose stipends were supported by The Duke Endowment), 16 in our Teaching Congregations program, five in the Center for Reconciliation's Teaching Communities program, and international placements in South Africa (7), Guatemala and El Salvador (4), Uganda (2), Sri Lanka (2) and Peru (1).

Faculty:

We strengthened the faculty with the addition of two colleagues: Kavin Rowe joined us as assistant professor of New Testament, and Esther Acolatse became assistant professor of pastoral theology.

Professor Rowe's academic research focuses primarily on the historical particularity of the New Testament and its relation to the later Christian theological tradition. Professor Acolatse explores the intersection of psychology and Christian thought, with interests in gender and the experience of Christianity, methodological issues in the practice of theology of the Christian life, and the relevance of these themes in the global expression of Christianity.

Notable books published by our faculty in 2005-06 include the following: *God's Potters*, by emeritus professor Jackson Carroll; *Wondrous Depth*, by Ellen Davis; *Left Behind?* by James E. Fird; *The Conversion of the Imagination*, by Richard Hays; *Resurrecting Excellence*, by L. Gregory Jones and Kevin Armstrong; *A Future for Africa*, by Emmanuel Katongole; *The End of Words*, by Richard Lischer; *The Oxford History of Christian Worship*, co-edited by Geoffrey Wainwright and Karen Westerfield Tucker; *Isaiah*, by Jo Bailey Wells; and *God's Companions*, by Sam Wells.

Honors & Achievements:

David Steinmetz, Amos Ragan Kearns Professor of the history of Christianity, was elected to join the 2006 class of the American Academy of Arts and Sciences, an international organization of the world's leading scholars, scientists, artists, business people and political leaders.

Timothy Tyson, visiting professor of American Christianity and Southern culture, won the prestigious Louisville Grawemeyer Award in Religion for his 2004 book "Blood Done Sign My Name."

The award is presented annually by the University of Louisville and Louisville Presbyterian Theological Seminary.

The divinity school's 53,000-square-foot addition and renovation project, dedicated in late 2005, garnered two awards for Hartman-Cox Architects: an award of merit in architecture from the American Institute of Architects and an International Religious Art and Architecture award from Faith and Form/ Interfaith Forum on Religion, Art and Architecture.

We are thankful for the relationships among the United Methodist Church, this Annual Conference, and Duke Divinity School, and we look forward to another year of working to prepare men and women for Christian ministry. GOLDEN CROSS

"Golden Cross" is a ministry that reaches out in love to the laity in our Annual Conference who are experiencing financial difficulty due to excessive medical expenses. Through Golden Cross, United Methodists care for members of our local churches in time of emotional stress and financial need.

During 2006 we assisted 17 families from 6 of our 12 districts. Each one represented someone active in his or her local church. People just like each of us, who in a moment of struggle found means of grace and love coming from "their" church.

Please remember that sometimes the needs that cross my desk challenge the funds we have available. For instance, in 2006 the budget for Golden Cross was \$19,252.00 and we spent \$22,051.25. We were able to spend the \$22,051.25 because of the wonderful love offering many of our churches sent in this past year. However, the Golden Cross budget for 2007 is only \$14,600. That's the bad news. The good news is that the churches in our conference responded wonderfully with a love offering to Golden Cross this past year totaling \$9218.15! The other good news is that beginning in 2006 Golden Cross became a recognized Conference Advanced Special. My dream now is to help even more families but that means additional money. And, what that means is that Golden Cross continues to need your help. Due to our Annual Conference tightening its financial belt our budget is now the lowest it has ever been. So, please take a special offering for Golden Cross on the 3rd Sunday of August and designate that offering on your conference remittance form.

Finally, to those who sent in a love offering to Golden Cross this past year, I want to publicly say Thank You! Thank You! Thank You! Your gifts enabled me to help families that Golden Cross would have otherwise had to turn down.

Now if I can just get all our churches to also take a love offering for Golden Cross on that 3rd Sunday in August we will be able to truly meet the needs of some very special lay people in our United Methodist Churches in the North Carolina Annual Conference. Thank you and God bless you.

Richard C. Vaughan, Director

INFORMATION TECHNOLOGY

The Information Technology (IT) Office continues to work closely with the Communications Office to improve the online capabilities of the Conference. We are able to continue this innovation through the use of open source software at little to no additional cost.

The IT Office also works closely with the Treasurer's Office to maintain all financial systems. Every six months the IT Office assists with rolling over systems associated with appointment changes as well as year end financial systems.

The IT Office also supports the MERCI center along with the twelve districts and the Clergy Counsel Office in Durham. We continue to research and implement new technologies as they become available to better equip the Conference moving forward. We are constantly reviewing processes and working with other Conference Offices to target inefficiencies. By identifying and resolving areas of improvement we seek to lower the cost of business for the Conference as a whole.

LEGACY PARTNERS

UM Legacy Partners provide information, training, encouragement and support for local churches to significantly enhance and expand their capability to solicit and receive special and planned gifts that will support the special ministries and outreach services of our local churches and that will further ministries of Christ through the United Methodist Church.

Annual Conference June 2006 approved this Legacy Vision for local churches and authorized Legacy Partners to:

- Provide conference-wide emphasis on building legacy gifts for our congregations and church agencies over the coming years.
- Support the cooperative teamwork approach of the unique UM Legacy Partners in their service of information delivery, training, and encouragement for planned giving.
- Invite and encourage each congregation within the Annual Conference to appoint (elect) a "Legacy Leader" who will be charged with learning about planned giving options and with developing an ongoing Legacy Program through endowment-building and planned giving initiatives within the congregation; and to encourage each congregation that already has an active Legacy Program such as an Endowment Committee also to name a Legacy Leader for ongoing local leadership and for sharing of experiences and best practices with other congregations. Local churches elected more than 150 Legacy Leaders to serve in 2007.
- Support the delivery by the UM Legacy Partners of special training and information sessions through District workshops and other special regional gatherings and the distribution of supportive materials, videos, and online information.
- Establish a timetable that will encourage selection of Legacy Leaders as soon as possible so that they begin to receive training and assistance from the UM Legacy Partners soon after their election.
- Utilize the second Sunday in September (formerly United Methodist Foundation Sunday) as an annual Legacy Building Sunday to inspire and educate congregational members to make use of wills, bequests, life insurance and other planned gifts such as income-producing gifts to expand the mission and ministries of our church - locally, in our Conference, and worldwide.

LOUISBURG COLLEGE

I am pleased to make this report to the lay and clergy members of the North Carolina Annual Conference of The United Methodist Church. Louisburg College is the nation's oldest private two-year college, having been founded in 1787. This marks the 220th consecutive year of service by Louisburg College and its antecedent institutions. The College officially became related to the church when the Duke family gave Louisburg College to the North Carolina Annual Conference of the Methodist Episcopal Church, South in 1907.

Now, one hundred years later, Louisburg College continues to serve the young men and young women primarily from eastern North Carolina with a mission **"to offer a supportive community which nurtures young men and young women intellectually, culturally, socially, physically, and spiritually."**

Five years ago Louisburg College was struggling to survive. Today, Louisburg College is striving to achieve strength and stability. There has been a strong increase in enrollment with the college enrolling 710 students in the fall of 2006. These 710 students represent an increase in enrollment of 89% since the fall of 2002.

In December 2006 Louisburg received the reaffirmation of its accreditation by the Commission on Colleges of the Southern Association of Colleges and Schools. This is a very significant achievement for the College. It affirms the vitality and the mission of Louisburg College.

Academically, Louisburg College provides many students a "better beginning" for their post-secondary studies. Ninety-two percent of the Louisburg College graduates pursue a bachelor's degree at a college or university. Of those students, ninety percent graduate from the chosen four-year institution. These are remarkable statistics that indicate that Louisburg College is doing an excellent job in preparing student to be successful academically.

On the 2006 two-year college national Survey of Student Engagement (CCSSE), Louisburg College students ranked their Louisburg experience above the median in each of the benchmark cohorts, including student-faculty interaction, active and collaborative learning, support of learners, student effort, and academic challenge. As a result of student performance on this survey (CCSSE), Louisburg College has received recognition as a national model with regard to student-faculty interaction.

The campus spiritual life program under the leadership of Chaplain Gloria Winston Holloway has involved the students in worship, Bible study, witness, service projects (including a mission team to Mississippi to aid victims of Hurricane Katrina). With solid academic programs, many exciting athletic teams, student events, and service projects, Louisburg College is the place to be.

The Board of Trustees has approved plans to engage in a Comprehensive Financial Campaign focusing upon raising funds to undergird the College in providing funds for annual fund, capital projects, and endowment. It is planned that the campaign success will coincide with the College's 225th anniversary.

I have announced to the Board of Trustees my retirement effective June 30, 2007. The Board is conducting a search to determine the 26th president of this historic and effective place of mission and ministry. I encourage the North Carolina Annual Conference to continue to support Louisburg College as well as the other ministries of higher education related to the annual conference. Serving college students continues to be a mission endeavor that is vital to the future of the Church.

METHODIST HOME FOR CHILDREN

In Service to God, our mission is to build upon the social, physical, emotional, and spiritual strengths of children, youth, and families and to affirm their worth.

- Imagine serving a 4-year-old child who has had unspeakable physical damage done to her.
- Imagine serving a former drug abuser who wants nothing more than to have returned to him and be a father to his two teenaged sons.
- Imagine helping a former juvenile delinquent leave his past behind, apply to and succeed in college.

This is what we do at Methodist Home for Children. We do incredible work, hard work...but often rewarding work—that no one else does. And with your support, you participate in this mission to serve young people and their families. This is your Methodist Home for Children.

MHC has cared for children and families for more than 100 years; and in fiscal year 2005-2006, we were active throughout the Conference's geographical boundaries. We worked to strengthen families through community-and home-based counseling and other supportive services. We cared for children and teens in our 10 group homes and through our foster and adoption programs. We served young children and families through our five-star early childhood program and by training early childhood professionals and parents. **In all, we worked with over 1200 children, youth and families last year.**

There is indeed much to celebrate at MHC, including that

- Last year we were a part of 16 adoptions....and we placed 208 children with foster families;
- Enrollment at our five-star childcare center, the Jordan Child & Family Enrichment Center, has never been higher. Last year we served 244 young children and their families. Further, more than 23% of these children received financial aid; and more than 20% have special needs;
- Last year we provided 13 youth with financial scholarship assistance to 11 institutions of higher education;
- We continue to practice, promote and teach others our model of care that is based on our core values of compassion, honesty, empowerment, responsibility, respect, and spirituality.

I thank you for the support that so many individuals, churches and church organizations have given Methodist Home for Children over the last year. We continue to provide the highest quality of services and remain committed being good stewards of your generosity.

METHODIST UNIVERSITY

Methodist University was pleased to celebrate its 50th anniversary of the chartering of the University and to recognize also that it has had 50 years of friendship and support from the North Carolina Conference of The United Methodist Church. In connection with this celebration, the Board of Trustees voted in October to change the label applied to the institution to Methodist University.

The campus continues to develop physically. This year we opened two new apartment-style residence halls, the sixth new residence halls that have been constructed in recent years and, currently, a large addition to the science building is under construction, which should open about the middle of April. A health and wellness center is near completion, which will open in late March.

Methodist University is pleased to reactivate a position not filled at Methodist University since the retirement of Bill Lowdermilk with the appointment of Mike Safley as Vice President of Church and Community Relations. Mike also serves as Chaplain to the campus community.

The University is pleased to continue to enroll a large number of international students—this year about 75 from 34 foreign countries.

In the fall of 2006, Methodist University enrolled 2,116 students, 887 whom are residential. Students come from 42 states, 34 countries, and 65% are North Carolinians.

A team of individuals at Methodist University studied the seven pathways proposed by the Bishop and we are happy to recognize these pathways were consistent with the purpose and mission of the University and that we are committed to nurturing that relationship with the Annual Conference fulfilling what the Annual Conference has identified as the fundamental issues.

UNITED METHODIST RETIREMENT HOMES

I am pleased to present this report on behalf of The United Methodist Retirement Homes, Inc. ("UMRH") and Cypress Glen Retirement Community ("CGRC"). Following is a brief review of fiscal year 2006.

As a whole, the organization experienced positive operational and financial results for the fiscal year ending September 30, 2006. Both corporations (UMRH and CGRC) exceeded all bond covenant requirements, including debt service coverage ratios, cash to debt ratio, and days cash on hand. Dixon Hughes LLC completed an annual audit of the fiscal year 2006 financial statements. The auditing firm issued an unqualified opinion, and there were no significant audit adjustments or material weaknesses noted during the audit process. The annual operating and capital budgets for fiscal year 2007 were approved by the Board of Trustees in August.

On the **Croasdaile Village** campus, the expansion project is nearing completion. The community is adding fifty-nine independent living apartments and 30 cottages. Other additions or renovations include: an expanded dining room and kitchen, new café, new and expanded library, new arts and crafts room, new classroom, enhanced outdoor garden areas, and the new corporate office suite. A commercial laundry facility has been built, as well, and is currently operational. The expansion is scheduled for completion by mid-April, 2007.

On February 10, 2006, **Wesley Pines** in Lumberton broke ground for a new cottage, the first since the original villas and duplexes were built in 1983 and 1984. Interest in the cottages grew and by year end one was occupied, one was under roof and the third was in the foundation stage. At the September meeting of the UMRH Board of Trustees, the board committed to the development of a plan to renovate and reposition Wesley Pines for the future. A formal analysis is in progress to develop a long range plan for the community.

Wesley Ridge, the affordable housing development on the Wesley Pines campus, remains fully occupied. The residents of Wesley Pines continue to explore opportunities to strengthen the relationship between the residents of the two communities. Recently, the UMRH Auxiliary committed to providing a donation of \$50 per month to Wesley Ridge for crafts and activities.

Cypress Glen completed an expansion of its campus to include fifty-four new independent living apartments and a twelve bed memory care cottage for residents diagnosed with a dementia related illness. These additions have enhanced the appearance of the community and increased the cash flow.

The management agreement between UMRH and **Quail Haven Village** in Pinehurst was renewed for an additional five years on February 1, 2006. Occupancy at the community has been strong. Quail Haven has been in the process of fully renovating its apartments with new cabinetry, bathrooms, water heaters and other items at the time of re-occupancy. Also, on February 1, 2006 Quail Haven Village began a twelve month celebration of 20 years of service to senior adults.

Development efforts on behalf of the corporation have resulted in new gift commitments totaling approximately \$700,000 in fiscal year 2006. Payments of previous pledges totaling nearly \$114,000 were also received. New donors accounted for 25% of the new commitments.

The **2006 Mother's Day Offering** raised \$59,598 for the Benevolent Care Annual Fund. We are extremely grateful to the conference for supporting UMRH through this offering and for its annual contribution for benevolence care! The Benevolent Care Fund provides financial support to residents in our communities who can no longer fully pay for their care. We are presently supporting sixteen through our benevolence ministry (2006 estimated - \$329,870), not including Medicaid benevolence (\$1,939,895).

The United Methodist Retirement Homes is proud to be affiliated in faith with the Annual Conference, and feels honored to serve not only those connected by faith, but all seniors in Eastern North Carolina.

RESOLUTIONS

NATIONAL HUNGER AWARENESS DAY

WHEREAS, over thirty-six million Americans struggle with the reality of hunger even though God has blessed the United States of America with more than adequate resources, including an extraordinary abundance of food, to provide for the material needs of all her citizens; and

WHEREAS, the only factor hindering the creation of a hunger-free America is the political and moral conscience to make it so; and

WHEREAS the prophets continually call the nation and rulers to care for the poor and that Jesus said how we respond to the poor demonstrates how we respond to him; and

WHEREAS, National Hunger Awareness Day has been established as a platform for faith-based and domestic hunger relief organizations to raise awareness about hunger in America and the work they do to create a hunger-free America; and

WHEREAS, the annual observance of National Hunger Awareness Day has been set for the first Tuesday in June each year; now therefore be it

RESOLVED, that the North Carolina Annual Conference of The United Methodist Church formally and actively recognizes National Hunger Awareness Day as a time to unite and stand in solidarity with and for the poor and those who minister to the; and be it

RESOLVED FURTHER, that all congregations of the North Carolina Annual Conference of The United Methodist Church are encouraged to lift up the poor and hungry in prayer, receive an offering for relief of the poor, actively minister to serve the poor locally, contact their state, local, and national representatives on behalf of the poor, or in some other appropriate way observe National Hunger Awareness Day during the morning worship service on a convenient Sunday in June each year, and throughout the year continue to stand in solidarity with the poor until hunger is eliminated from our land.

THE ANNUAL CONFERENCE PASSED THE RESOLUTION

AMEND THE BOOK OF DISCIPLINE'S PARAGRAPH ON ABORTION (161J)

WHEREAS, the Church has consistently witnessed and ministered, through the ages, to protect the unborn human life and the mother from abortion;

WHEREAS, the United States Supreme Court's 1973 decision, *Roe v. Wade*, overturned state abortion laws and established abortion rights throughout the United States;

WHEREAS, from 1973 until 2002, over 42 million abortions have been performed in American society ("Facts on Induced Abortion in the United States," Guttmacher Institute, Facts in Brief, June 2006, www.guttmacher.org/pubs/fb_induced_abortion.pdf);

WHEREAS, a particular sentence in Paragraph 161J of **The Book of Discipline** (2004)—specifically, "In continuity with past Christian teaching, we recognize tragic conflicts of life with life that may justify abortion, and in such cases we support the legal option of abortion under proper medical procedures."—can be interpreted so as to identify United Methodist social teaching on abortion with the "pro-choice" legal position of **Roe v. Wade**;

WHEREAS, the aforementioned sentence from Paragraph 161J has allowed official agencies of The United Methodist Church to promote the legality of abortion not just in certain tragic circumstances, but in all circumstances; and

WHEREAS, Paragraph 161J expresses moral disapproval of most abortions that are performed, while the aforementioned sentence from Paragraph 161J has been, and is, used by official agencies of The United Methodist Church to approve all judicial decisions, and legislative actions, that promote abortion rights;

THEREFORE BE IT RESOLVED, that the 2007 session of the North Carolina Annual Conference of The United Methodist Church hereby charges its Conference Secretary, using the entire rationale stated above, to petition, in a timely and appropriate manner, the 2008 General Conference to amend Paragraph 161J of **The Book of Discipline** to read:

*“Abortion—*The beginning of life and the ending of life are the God-given boundaries of human existence. While individuals have always had some degree of control over when they would die, they now have the awesome power to determine when and even whether new individuals will be born. Our belief in the sanctity of unborn human life makes us reluctant to approve abortion. But we are equally bound to respect the sacredness of the life and well-being of the mother, for whom devastating damage may result from an unacceptable pregnancy. In continuity with past Christian teaching, we recognize tragic conflicts of the physical life of the unborn with the physical life of the mother that may justify abortion, and in such cases we support the legal option of abortion under proper medical procedures. We cannot affirm abortion as an acceptable means of birth control, and we unconditionally reject it as a means of gender selection. We oppose the use of late-term abortion known as dilation and extraction (partial-birth abortion) and call for the end of this practice except when the physical life of the mother is in danger and no other medical procedure is available, or in the case of severe fetal anomalies incompatible with life. We call all Christians to a searching and prayerful inquiry into the sorts of conditions that may warrant abortion. We commit our Church to continue to provide nurturing ministries to those who terminate a pregnancy, to those in the midst of a crisis pregnancy, and to those who give birth. We particularly encourage the Church, the government, and social service agencies to support and facilitate the option of adoption. (See Paragraph 161L.) Governmental laws and regulations do not provide all the guidance required by the informed Christian conscience. Therefore, a decision concerning abortion should be made only after thoughtful and prayerful consideration by the parties involved, with medical, pastoral, and other appropriate counsel.”

**THE NC ANNUAL CONFERENCE IS CALLING ON GENERAL CONFERENCE TO
AMEND PARAGRAPH 161J FROM THE **BOOK OF DISCIPLINE**, SOCIAL
PRINCIPLES.**

SPIRITUAL INTERVENTION TO PREVENT GANG ACTIVITY

Whereas, the North Carolina Annual Conference of the United Methodist Church is made up of Christian principled people, focused on renewal, reconciliation, and salvation of all human-beings.

Whereas, forces of discontent exist in our society and manifest itself into groups of misdirected persons often referred to as Gangs.

Whereas, these Gangs have become many in our communities and have numerous names and markings.

Whereas, the presences of Gangs creates fear, discontent, and is often related to criminal activity.

Whereas: we are an organization of principled centered, Christ Directed, believers desiring to serve Christ.

May it be henceforth set out in this resolution that we engage our people through the church families and communities to become more informed regarding Gang activity.

May it be further resolved that as servants of a compassionate Savior that we further pursue alternative avenues to help redirect the lives of those lost to Gang corruption and violence.

Let it therefore be resolved that standardized educational material about Gangs and Gang activities be developed and disseminated through our local churches and their servant-leaders (Lay and Clergy) to create awareness and understanding of this crisis.

ADOPTED

WITHDRAW THE UNITED METHODIST CHURCH FROM THE RELIGIOUS COALITION FOR REPRODUCTIVE CHOICE

WHEREAS, the Religious Coalition for Reproductive Choice (RCRC) is dedicated to defending and expanding abortion rights—that is, legal rights to all abortions, whatever the circumstances, without exception—in American law;

WHEREAS, “RCRC was founded in 1973 to safeguard the newly won constitutional right to abortion,” according to The Reverend Carlton W. Veazey, RCRC president and CEO (www.rcrc.org/about/index.cfm, 12/10/06);

WHEREAS, RCRC's founding mission remains intact: “The primary struggle for reproductive choice has shifted to the state level, with new legislation limiting access to reproductive health care traveling from state to state until enough momentum develops to bring it to the national arena. In such a climate, we need healthy state [RCRC] organizations so that we can stop each new threat as it arises” (www.rcrc.org/getinvolved/affiliate.cfm, 12/10/06);

WHEREAS, RCRC works for abortion rights in any and all circumstances, while The United Methodist Church teaches that moral discernment, on matters related to abortion, is essential; for the church “[believes] in the sanctity of unborn human life,” “cannot affirm abortion as an acceptable means of birth control,” and “unconditionally reject[s] [abortion] as a means of gender selection” (**The Book of Discipline** [2004], Paragraph 161J);

WHEREAS, RCRC consistently lobbies government for the preservation of partial-birth abortion rights, while The United Methodist Church “oppose[s] the use of late-term abortion known as dilation and extraction (partial-birth abortion) and call[s] for the end of this practice” with rare exceptions (Paragraph 161J);

WHEREAS, United Methodists hold various political positions on abortion, and therefore agencies of The United Methodist Church should not be permitted to join a particular political lobby on abortion, such as RCRC; and

WHEREAS, Bishop Timothy W. Whitaker, of the Florida Area, has declared: “At the 2004 General Conference, the church endorsed our [United Methodist] agencies’ continued participation in the Religious Coalition for Reproductive Choice without much

of a debate about how participation in this coalition compromises our public witness against abortion" ("Do No Harm!," a sermon, www.flumc.org/bishop_whitaker/do_no_harm.htm);

THEREFORE BE IT RESOLVED, that the 2007 session of the North Carolina Annual Conference of The United Methodist Church hereby charges its Conference Secretary, using the entire rationale stated above, to petition, in a timely and appropriate manner, the 2008 General Conference to withdraw immediately the General Board of Church and Society and the General Board of Global Ministries/Women's Division from the membership of the Religious Coalition for Reproductive Rights.

**THE CONFERENCE SECRETARY IS DIRECTED TO PETITION "THE 2008
GENERAL CONFERENCE TO WITHDRAW IMMEDIATELY THE GENERAL BOARD OF
CHURCH AND SOCIETY AND THE GENERAL BOARD OF GLOBAL MINISTRIES/
WOMEN'S DIVISION" FROM THE RELIGIOUS COALITION FROM REPRODUCTIVE
CHOICE**

Bishop Gwynn ruled resolution **Regarding "Interfaith Chapel" UMRH**, out of order. The Annual Conference has no authority to direct any of the incorporated institutions on what to do. The Committee on Resolutions had recommended that the resolution be defeated since there is an established tradition of providing for the spiritual needs of all people in our institutional work.

A Resolution Concerning Pastors Compensation was ruled out of order. The resolution called on clergy to not be allowed to vote on matters of base compensation which is in direct violation of paragraph 334.1 of the *Book of Discipline*.

HUMAN INDUCED CLIMATE CHANGE

WHEREAS, the Holy Bible records that the beginning of God's work was the creation of the heaven and the earth and the Psalmist declares "the earth is the Lord's and everything in it;" and

WHEREAS, the Lord God from the dust of the earth created humanity in his own image and has assigned us a task to take care of His creation; and

WHEREAS, the United Methodist Social Principles affirm that "all creation is the Lord's, and we are responsible for the ways in which we use and abuse it" (Para. 160, 2004 Book of Discipline).; and

WHEREAS, we United Methodists take seriously God's call to "love our neighbors as ourselves" and recognize that we cannot truly love our neighbor if we ignore our responsibility to the environment upon which we are all dependent; and

WHEREAS, the Social Principles (paragraph 160) also "recognize the responsibility of the church and its members to play a high priority on changes in economic, political, social, and technological lifestyles to support a more ecologically equitable and sustainable world leading to higher quality of life to all God's creation;" and

WHEREAS, the polar ice cap is melting at an alarming rate and a growing number of scientists and scientific organizations worldwide say the scientific evidence is overwhelming that human activities are playing a major role in disturbing the earth's eco-system;

NOW, THEREFORE, BE IT RESOLVED that the 2007 North Carolina Conference of the United Methodist Church decry the excessive emission of industrial gases into the atmosphere that causes ozone layer disturbance and support urgent international efforts, by nations and their private manufacturing and energy industries, to minimize and possibly eliminate emission of harmful gases; and

BE IT FURTHER RESOLVED that the 2007 North Carolina Conference call upon our government to impose stricter emission control rules and promote cleaner power alternatives at home and play a more active and constructive role in uniting world governments towards a cleaner environment; and

BE IT ALSO RESOLVED that the 2007 Annual Conference direct the Commission on Church and Society to create a Creation Care Team that would muster resources and give guidance to each local church to enable them to make an appropriate personal and collective witness in response to the challenges posed by human induced climate change.

THE REVISED RESOLUTION WAS PASSED .

IRAQ WAR

Members of the Annual Conference voted down a resolution that would “call upon the President and Congress to disengage from wasteful military spending and commit our nation to an appropriate withdrawal of U.S. forces.”

A CALL TO THE LAITY AND CLERGY ABOUT N.C. MENTAL HEALTH REFORM

WHEREAS, Jesus said that when we do something good for the overlooked or the ignored, we have done it to Him; and when we do not do something good for the overlooked or the ignored, we have failed to do good to Him;

WHEREAS, John Wesley advocated for improved hospital conditions, better housing, and community services for the poor and ill; and

WHEREAS, the Social Principles of *The Book of Discipline of The United Methodist Church* recognizes the role of governments in ensuring that each individual has access to those elements necessary to good health;

WHEREAS, the North Carolina State Legislature’s Mental Health Reform Bill H831 has resulted in an unintentional reduction of services for all citizens of the state because of system fragmentation and a serious shortage of mental health professionals; and

WHEREAS, mental health “reform” started in 2001 with the premise that the public mental health system was “broken” claiming there weren’t enough community services, Area Programs were “monopolies,” state hospitals were overused and no new money would be needed because so much was being wasted; and

WHEREAS, now, six years later, it seems that what we meant to say was that Area Programs were “safety nets,” not “monopolies.” The “broken” mental health system had aspects we now sorely miss but are unlikely to be restored for some time. And so many North Carolinians will continue needlessly to suffer; and

WHEREAS, the supply of community psychiatrists essential to providing community-based care fell 16 percent per capita between 2003 and 2005, and these losses have continued even as the demand has increased; and

NOW, THEREFORE, BE IT RESOLVED that the North Carolina Annual Conference send a letter to Governor Mike Easley, N.C. THE IRAQ WAR (REVISED)

WHEREAS, as persons of faith we believe that scripture teaches us God's unconditional love and not War; and

WHEREAS, our Lord and teacher Jesus Christ taught us to love one another and commanded us to love our enemies as well as our neighbors, a lesson reinforced by the sacrificial example of our Lord and the early saints; and

WHEREAS, the Book of Discipline of the United Methodist Church in our Social Principles VI (paragraph 165C) states:

"We believe war is incompatible with the teachings and example of Christ. We therefore reject war as a usual instrument of national foreign policy and insist that the first moral duty of all nations is to resolve by peaceful means every dispute that arises between or among them; that human values must outweigh military claims as governments determine their priorities;" and

WHEREAS, the war in Iraq is in its fifth year of death and destruction, at a great cost of \$500 billion and growing, not counting the tragic human loss among U.S. Personnel as well as among the civilian population of Iraq; without a consistent or well-defined purpose; and

WHEREAS, the continued war in Iraq has weakened our overall military strength, alienated many of our allies, damaged our moral standing in the world, destabilized the Middle East, and continues to spawn new generations of hostility in the Muslim world; and

NOW, THEREFORE, BE IT RESOLVED that the North Carolina Conference cannot in conscience support the continuing war in Iraq and call upon the President and Congress to disengage from wasteful military spending and commit our nation to an appropriate withdrawal of U.S. forces in a timely and responsible manner and instead pursue diplomatic and political initiatives within the international community to achieve U.S. strategic goals and move Iraq towards stability and reconstruction and away from its current state of violence and chaos; and

BE IT FURTHER RESOLVED, that the Conference calls upon our congregations to pray and work for peace and for healing of all those affected by the war, friend or enemy, and to minister to the physical, emotional, and spiritual needs of our veterans and their families.

CLERGY CARE, TASK FORCE ON

At the 2005 Annual Conference Session, Bishop Gwinn was requested to create a task force to *examine the numbers and kinds of services rendered by the Clergy Counseling and Consultation Service; the degree of continued need; and any possible ways of funding the position.*

The task force was appointed in the fall of 2005 and includes representatives from Conference Council on Finance & Administration; Clergy Counseling Consultation Services' Board of Directors; the Conference Board of Ordained Ministry; an independent pastoral counselor and several at large members. The Task Force has reviewed the types and numbers of services being offered and noted that the primary services are individual assessment, counseling, consultation and referrals. The Task Force has met with the Director of CCCS, several members of their Board of Directors, and has surveyed the conference clergy to determine the continued need for service.

It is the recommendation of the Task Force that the ministry of CCCS be continued. It is further recommended that the CCCS Board of Directors consider the following:

- 1) That a more detailed system of accountability be developed which will protect the Director and provide due diligence over the funding provided by local churches of the conference.
- 2) That a plan be developed to continue the services of CCCS in the event that the present Director resigns, retires or is unable to continue.
- 3) That the CCCS Board of Directors explore additional means of moving toward self funding, such as the possibility of filing insurance claims and/or charging clients a nominal fee for counseling services rendered by the Director.
- 4) That efforts be made to strengthen the linkage between the CCCS and the North Carolina Conference Connectional Table.

The task force appreciates the work of the Director, its Board of Directors and the ministry they are offering.

One aspect of the task force's work was the development of a survey to help determine what services were being utilized and how those services were utilized. The survey was received and collated by Jeff Olbrys, Assistant Professor of Mathematics at Louisburg College.

It may be of interest to note:

- 865 surveys were mailed; 397 were returned which represents a 46% return rate, a very high response.
- 87.3% of the respondents were *very satisfied or satisfied* with the services rendered.
- Of the 397 surveys returned, 133 persons acknowledged they have used the services
- Complete results of the survey can be seen on the Conference website:

The Litany For the Faithful Departed Mr. Jay Locklear

 Leader: God of Light, we anticipate what is not yet visible, and practice now your
 future. We say and sing that all you have made - your creation - is good!

People: God, you are good - all the time!

Leader: Very slowly we work out your promise, in hope and fear. By your grace, we
 strive to build a city of peace - a new Creation where you will be our light, our all.

People: God of light, shine upon us.

Leader: We do not want it easy, Lord. But we did not contemplate that it would be
 quite this hard. Keep faith with us, O God, and be with us, holding our hands as we
 weep.

People: Wipe the tears from our eyes and be our peace.

Leader: Give us strength, O God, to persevere, and bring us to a happy end.

**People: In your mercy, teach us to number our days in this life - to never lose
 sight of the coming day, which has no end.**

ALL: God of love, we are ever thankful for all those who have gone on before us,

whose souls rest secure in your merciful arms, through Christ our Lord.

PAUL CASTO BROWNING

1923 - 2006

Paul Browning of Burlington, NC died on June 25, 2006. The funeral was held at Lowe Funeral Home with the Rev. Thomas G. Holtsclaw officiating and the Rev. Gene Ferrell assisting.

Paul is survived by his wife Winnie, daughter Sherry Slate, grandson James L. Slate and granddaughter, Torii Boulanger.

Paul was born in Charleston, WV on August 28, 1923. He served in the USMC during WWII, seeing action in the South Pacific. He graduated from Morris Harvey College/The University of Charleston and Duke University Divinity School.

He served the following churches in the NC Conference: Burlington Circuit, Wrightsville, Trinity; Fairmont, Trinity; Jacksonville; and Morehead City: First. Paul served in Conference leadership positions, among those, he chaired the Commission on Evangelism for eight years. In 1975 Paul was appointed to the position of Administrator for the United Methodist Retirement Homes in New Jersey; he continued serving as administrator of Retirement Homes until his own retirement in 1989.

Paul exhibited a genuine love for Jesus Christ; his evangelistic zeal was evidenced throughout his ministry as well as in his retirement years. The last seven years of his life, though very ill, he loved to sing the hymn "O, How I Love Jesus" as he continued his powerful witness. Just prior to this death, Paul shared with Winnie and his brother-in-law, the Rev. Auburn Lore, his vision with this statement "You can't believe how beautiful Heaven is".

One of the last gifts Paul presented to his wife Winnie was a "10 ½" pendant encrusted with diamonds on a gold chain, with the statement "you are more than a 10, you are a 10 ½".

In addition to Paul's ministry, he had a hobby of furniture making. The cedar chest and a magazine rack that he made are in their home at present.

At the conclusion of the graveside rites, the Marines presented Winnie with a United States flag and taps were played. The Marine's acts of participation at the funeral home, funeral service and at the Alamance Memorial Park, Burlington, NC were very touching and greatly appreciated.

Jerry passed away after a brief but valiant fight against a blood infection that resulted in heart damage and blood clots. He was a beloved husband, father, brother and friend to all who came in contact with him and knew him.

Jerry was born to Albert Nelsie Dodson and Edna Crutchfield Dodson in Mebane, NC, on October 28, 1950. The family continued to reside in Mebane where Jerry attended Eastern Alamance High School, graduating in 1969. Having felt the call to ministry since his youth, Jerry then attended Appalachian State University, graduating in 1973 with a BS in Business Administration. Feeling that the UMC was where the Lord would have him serve, Jerry attended Duke University, graduating in 1976 with a Masters in Divinity.

In 1973 Jerry married his high school sweetheart, the former Wanda Louise Hamilton, and shortly afterward began both his long and exciting journey of starting a family and serving the Lord. With a deep passion and conviction on serving the Lord by reaching out to and ministering to His people, Jerry began his ministry career under the Field Education Program at Phillips Chapel UMC in 1973. In 1974 Jerry was called as a Student Pastor at Union Grove UMC where he and Wanda's first child Deborah was

From Wilmington Jerry was appointed to Horne UMC in Clayton in 1998 where he served 2 years before feeling the strong call from the Lord to plant a church in the Mebane area.

Following many weeks and months of prayer and discussions with the Bishop and DS, Jerry was given the green light to begin the planting of Faith Community. He left Horne in 2000, moved to Mebane and began the seeding and planting of not just any church but a new and contemporary Methodist church to reach the baby boomer and generation X population.

Jerry worked tirelessly through the process of sending out mailings, making phone calls, finding facilities, obtaining equipment and find a core group of people to be the foundation on which to build the church. Jerry poured his life into these people, building them, equipping them and preparing them for what the Lord would do with them.

In 2002, Jerry was appointed to Davis Street UMC in Burlington. At Davis Street, as with all the churches Jerry had previously served, Jerry's passion and conviction for serving the Lord never wavered, he consistently sought the Lord's will in all he did. WALLACE B. LEWIS

1937 - 2007

Wallace Bradford Lewis, 69, of Dover, North Carolina, went to be with the Lord on January 27, 2007 in Key West Florida. Reverend Leland Heath and Reverend Sherman Guthrie officiating held a celebration of life on Sunday, February 4, 2007 at the Dover United Methodist Church. Interment was later in the Daugherty Family Cemetery at Dover. Wallace is survived by his wife of fifty years, Loretta Griffin Lewis; son Eric Bradford Lewis, and wife Shelly of Dover; daughter Nadine Lewis Hood, and husband Roger of Key West, Florida; granddaughter Shandi Lewis, of Wilmington, North Carolina; brother, Tommy Lewis; sisters Shirley Cauley, Grace Hayden, and Christine Aman.

He was born to Riley and Lilly Tew Lewis, in Kinston, North Carolina on February 16, 1937. He grew up in and around the Kinston area. Wallace was a graduate of Dover High School and attended East Carolina University. He was employed in law enforcement and accounting, until he answered God's call to the United Methodist Ministry at age thirty-four. He entered the ministry as a Lay Pastor from the Dover United Methodist Church under the leadership of Reverend Joseph Parker.

Wallace completed the United Methodist course of study at Emory University on August 13, 1976. He was an Associate member of the North Carolina Conference serving the following pastorates: Harker's Island, 1971; Maury Mount Herman, 1977; Saint Mark-Woodington, 1980; Airboro-Zion, 1984; Jerusalem-Bethel, 1988; and Bethel (Wayne County), 1992. Wallace retired in 1999.

In December of 1981 he was stricken with an acute pancreas disorder resulting in a ruptured pancreas. Doctors gave no hope of survival, but through the prayers of God's people his life was spared. God always has the last word, not man. He returned full-time ministry in 1984, but continued with various health issues.

Wallace's greatest love was preaching and sharing God's word with everyone he met. He never failed to confront a person about their eternal destination, whether from the pulpit, in a home, on the street, or from a hospital bed. He was truly a fisher of men. He touched and blessed many lives. He fought a good fight and finished the race. He has entered into the glories of his Lord.

JERRY LOWRY

1937 - 2007

Jerry grew up in a family which demonstrated that God was the most important thing in life. He and his brothers were also taught the important thing in life. He and his brothers were also taught the importance of education, hard work and community. With these values, it soon became apparent that his mission in life was to do the Lord's work first and foremost and to bring others to know Christ's love.

Jerry was born on October 31, 1948 in Laurinburg, NC to the late Rev. Harvey and Mrs. Myrtle Locklear of Rowland, NC. He married his high school sweetheart, Doreen Lowry of Rowland, NC and they were blessed with 36 years of marriage. God granted them two daughters: Elena Maria of Apex, NC and Ana Alicia of Magnolia, TX. God also gave them the joy of six grandsons: Ceth, Gavin, Cole, Chandler, Jacob and Ashton. His three brothers are Jimmy Lowry of High Point, NC, Robby Lowry of Rowland, NC and Harvey Lowry, Jr. of Maxton, NC.

Obtaining an education was a key ingredient in Jerry's mission to help others. In 1970, he graduated from Pembroke State University with a B.A. degree in Spanish. Later, he would become Chairperson for the Board of Trustees at this university as well as trustee for Brunswick Community College and Methodist College. Jerry put his Spanish Degree in action by establishing the first foreign language program for elementary schools in the state of North Carolina. He furthered his education in 1981 when he entered Duke Divinity School and graduated with honors in 1985. In addition, Jerry recently received an Honorary Doctorate of Humane Letters from the University of North Carolina at Pembroke.

Jerry's twenty-five years of ministry have been centered on evangelism and social mission ministries. As a child, youth and young adult, he was active in various church ministries in rural Robeson County. He was licensed to preach in 1981, ordained a deacon in 1985, and an elder in full connection in 1987. Most of the churches served were predominately Native American which included the following: Fairview UMC, Branch Street UMC, Sandy Plains UMC, First UMC at Pembroke.

For some people, it takes a lifetime to figure out what their purpose in life is. Jerry discovered early on that his purpose was to help others by being God's faithful servant. He often said, "Wherever there is a hell we must bring heaven to it, for we are part of the Kingdom of love and salvation (deliverance) not destruction and condemnation. We are called to usher in a Kingdom of Love."

GEORGIA DAVENPORT

1916 - 2005

Georgia Louise Collins Davenport was born on September 14, 1916 to Raymond I. and Alice K. Collins. She was a graduate of Roper High School and a licensed cosmetologist.

In 1937, she and her childhood sweetheart, William Smith (Bill) Davenport, entered into a loving marriage that lasted for 41 years. In 1954, when Bill became a Methodist Minister, Georgia reported to have told him, "I'm not sure I know how to be a minister's wife." But over the years, her lovely disposition and kind spirit made them a remarkable pastoral team as together they served The Jamesville Charge, Clark Street United Methodist Church in Rocky Mount, Trinity United Methodist Church in Southport, Havelock United Methodist Church and LaGrange United Methodist Church.

When Bill died in 1978, Georgia continued to devote herself to quiet, humble service, being a constant and never-failing blessing to her family and friends. She was a faithful member of Salem United Methodist Church in Simpson, NC and especially enjoyed the love and fellowship of her Sunday School Class.

JANETTER. SINGLEY

1952 - 2006

Janette Jacobs Singley, 54, of Bradshaw Farm Road, died Saturday, July 15, 2006 at UNC Hospitals in Chapel Hill.

A native of Johnstown, PA., she was the wife of the Rev. Dr. Kenneth Carl Singley of the home and the daughter of Duane and Phyllis Jacobs of Stoney Creek. She received her BS and MA degrees in Nursing at the University of Buffalo in Buffalo, NY and her doctorate in Health Education & Medicine at UNC, Chapel Hill.

Jan was commissioned as Deacon in June 2003 in Fayetteville. She was also a Stephen Minister and Leader at Hebron UMC. She was happiest teaching the Disciple Bible study and shared that ministry with the churches they served.

Jan loved to sing, to teach and to counsel others burdened with problems. She sang with her heart, feeling every word. She taught with focus, desiring that others would develop a Bible study habit. She was not so much a hand holder of those with a problem but rather gave encouragement and assistance by helping analyze the problem. Through her dedication and devotion the faith of many was increased. She reached out freely to others, knowing that God is a God of grace.

Other ways Jan shared her love of life was her displays of gardens and nature surrounding her farm. Her twelve Irish Setter dogs were free to roam on this massive farm. She cared for them as she did her family.

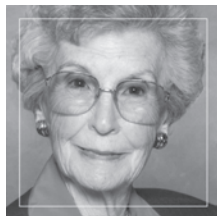

Survivors other than her husband and parents include a daughter, Leigh Ann Singley of Meredith College in Raleigh; a son, Jack K. Singley of Boone; and four sisters, Lynette DeBerardinis of Old Lyme, CT; Patricia Anderson of Boonsboro, MD, Joyce Kobel of Louisville, KY; and Martha Callicott of Randleman.

A memorial service was held on Monday, July 17th at 11 a.m. at Hebron United Methodist church by the Rev. Bill Holliday and the Rev. Jesse Staton.

MARIE D. STATON

1924 - 2006

Marie Davis Staton was born February 29, 1924, in Beaufort, North Carolina, the daughter of Leslie and Uldene Davis, and she died October 14, 2006, at Gales Creek. A funeral service was held at First United Methodist Church, Morehead City. Marie was the wife of The Reverend Jesse C. Staton, a retired member of the North Carolina Conference. Their marriage on October 18, 1946, lasted 53 years. Mama and Pop served as ministry partners in churches throughout the Conference, prior to his retirement in 1986, and then during his fourteen years as Chaplain at Carteret General Hospital. A graduate of the University of Maryland, she ministered as a registered nurse in many of the communities where the Statons served.

The fifth of eleven children in the Davis family, she knew the value of, and provided, a strong foundation for the Parsonage family she and Pop established. They reared their four children in a home filled with love, laughter, discipline, and Christian commitment. On many occasions this home served as safe harbor for family members or others in time of transition.

Mama was never afraid of hard work, a trait she instilled in her children. Others observed her quiet dignity, and in many congregations, she was "Miss Marie," the arbiter of manners and taste. That same dignity, not pride, was instilled in her children, whom she admonished to "always hold your head up and remember who you are!"

The Staton home was a friendly port, a refuge where their children's families could have their burdens shared, their dreams restored, and their joy increased.

Mama and Pop loved the happy confusion of holidays when the crowd descended on their waterfront cottage home, when "Mama's dressing" was the featured delicacy and laughter-unto-tears frequently erupted. She would clap her hands in unrestrained glee. One memorable Christmas, seventeen people shared their one-bedroom house; all the grandchildren slept "lined up like cordwood in pallets on the porch."

Mama navigated widowhood with grace and courage, relying on her Lord as always for wisdom and strength. She held her personal devotions just before sunrise when she could watch day's first light streaking across diamond-studded Bogue Sound. She would say, "the Lord is showing off today."

We all, especially her grandchildren, found her to be a source of wisdom and compassion, and we all drew courage from her strength of character.

Clear of mind and sound of body, Mama's passing came as a surprise. But she left as she wanted, dying peacefully in her sleep, secure in the warm and joy-filled home she had shared with Pop at Gales Creek.

She is survived by her four children: The Reverend Jesse Staton, Jr., and wife Emma, Ms. Carol Salter and husband The Reverend Neal Salter, Ms. Rebecca Brady and husband Lee, Ms. Martha Dowty and husband Calvin; six grandchildren: Ashley Brady, Adam Staton and wife Betsy, Chris Salter, Sara Salter, Rachel Brady, Jessica Dowty; great-grandchildren Ellie and Davis Staton.

LULA MAES. OLIVE

1936 - 2006

Lula Mae Smith Olive was born November 29, 1936. She was married to Rev. John G. Olive of Unicoi, Tennessee. She is also survived by her sons, Ken and wife, Diana Olive, and Jim Olive; daughters, Linda E. Rhodes and Darlene Fennel and husband, Kevin

Lula Mae enjoyed things such as leading the children in singing at Vacation Bible School, planting flowers and working in her vegetable garden. She enjoyed the outdoors and preferred being outside rather than cooped up inside the house. She couldn't sit down and relax unless she had something in her hands, such as a crossword puzzle or crochet, anything to keep

herself busy.

She was active in the United Methodist Women's group in all of the churches John served. She sang in the choir and supported John throughout his entire ministerial career. Lula Mae served her Lord and Saviour well throughout her 69 years on this wonderful earth. Now she will serve Him throughout all Eternity.

A service of Celebration was held at Unicoi United Methodist Church in Unicoi, Tennessee on October 21, 2006. The preacher's who spoke at the service were: Rev. Mack Turner, Maryville, TN, Rev. Dennis Loy, Dr. George Edwin Odle and Rev. John G. Olive.

Lula Mae was laid to rest on October 22, 2006 in Roselawn Memory Gardens located I Johnson City, Tennessee.

FRANCES Z. LAYFIELD

1917 - 2007

Frances Zimmerman Layfield was born August 2, 1917, in Decatur, Georgia. She died on March 17, 2007. A graveside service was held on March 20 in Waynesville, North Carolina, where she had lived for 22 years before moving to Atlanta, Georgia.

Frances was the widow of the late Reverend Pearce H. Layfield, Jr., a member of the North Carolina Conference. She was also preceded in death by her daughter, Mary Ann Layfield.

Frances' husband Pearce chose to serve God in ministry after practicing dentistry for thirteen years. Following his graduation from Duke University School of Divinity, the couple served churches in West End, Tabor City, Zebulon, Benson, and Wilson (West Nash), before Pearce's untimely death in 1976. Frances moved to Waynesville after completing the retirement home they had planned together.

She was a gifted professional artist and art teacher. As the Layfields moved from pastorate to pastorate, Frances became well known as a portrait artist, an expert in watercolor and acrylic painting, and a teacher of young people and adults. Her paintings display her mastery of color and light, and in her portraits, her subjects come to life.

Blessed with an independent nature and a creative and resourceful spirit, she led a rich, long life full of art, family and devotion to God. She was an avid student of scripture. Her Bible classes were important to both youth and adults.

Frances Layfield is survived by a daughter, Sue Layfield Sandell and her husband Cliff, of Decatur, Georgia; a son, Pearce Hudson Layfield, III and his wife Francine, of Nicholasville, Kentucky; and two grandchildren, Carrie Ann Layfield Drake of Herndon, Virginia, and Katherine Ruth Layfield of Lexington, Kentucky.

ALICE V. COTTON

1915 - 2007

Alice Worthy VonCanon was born in Moore County January 29, 1915, the eldest child of Forrest W. and Margaret McCaskill VonCanon. Born into a Christian family and reared in the Methodist Church, Alice spent her early life in Pinehurst and later lived in West End. In her childhood, Alice learned to play the piano and so it was that as a young woman she was pianist of West End Methodist Church when a new, young pastor came to that community. Worth Bagley Cotton and Alice VonCanon became husband and wife on August 12, 1935.

That marriage was the beginning of a partnership in which Alice enabled Worth's ministry. She was always patient and supportive. In the years that followed, they served charges in Garland, Newton Grove, Alamance County, Parkton, Rose Hill, Snow Hill, Richlands, Raleigh, Troy, Ahoskie, Wilmington and Fayetteville. To their union five children were born: four sons, Worth, Jr., Solon Forrest, David Lee, Paul Frederick, and a daughter, Margaret Alice. As Worth served God through the churches, Alice kept the home fires burning. A stay-at-home mother, she was able to stretch the always-inadequate resources, canning or freezing vegetables from the garden, making houses that didn't "fit" the family into a home, and encouraging the children to do their best and be a good example for others. All the while she was involved in church affairs and might be found at the piano or organ on Sunday morning, sometimes on very short notice. Alice and Worth labored together for the Lord for 40 years.

In 1975 they retired to Mount Gilead where they spent time with family, remained active in church, gardened, fished and generally enjoyed life. By the time Worth died in 1980, Alice had established deep roots in the community, and continued to cultivate and enjoy close friendships. She remained active in the church as she had been all through her life. Her faith sustained her through the loss of Worth, and also in the terrible loss she felt when her oldest son, Worth, Jr. died in 1987.

Alice continued to live in Mount Gilead for several years, but eventually realized that she needed to make other arrangements, and moved into an apartment at Quail Haven in Pinehurst. When she had to give up driving, with eyesight failing, she moved to Spring Arbor Assisted Living in Wilmington. Even as she became more frail, her spirit remained serene. She never complained about her circumstances, but she had a peace and a sense of humor that served her well. She enjoyed reminiscing about all the places the family had lived, and the wonderful people they had known.

Alice passed away May 17, 2007 in Wilmington at age 92. Her funeral was held at Mount Gilead United Methodist Church, conducted by Jim Harris. She was buried next to her husband, Worth, in Sharon Cemetery, Mount Gilead. Hers had been a long life, a life of self-sacrifice and service.

Survivors include sons Solon and wife Anita of Monroe, David and wife Esther of Mount Gilead, Paul and wife Lorraine of Wilmington, daughter Margaret Harriss-Foote and husband Allen of New Bern and daughter-in-law Carolyn Cotton of Greensboro. She is also survived by 11 grandchildren and 15 great grandchildren.

Thanks be to God for a life well lived.

ETTA MAE M. UMSTEAD

1915 - 2007

Etta Moore Umstead, wife of the late Rev. Charles I. Umstead, Jr. was born to Walter R. Moore, Sr. and Georgia W. Moore on October 10, 1925 in Saratoga, NC.

Etta and Charles were married on August 23, 1963. They were blessed with the birth of a son, Walter Allan (Henry) and also by Etta's daughter from a previous marriage, Georgia Willoughby of Farmville. In 1965, Charles answered the call of God to the ministry and served Him faithfully with Etta at this side. Together, they served a total of six pastoral appointments in the NC Conference between 1965 and 1980.

Etta was a woman of God with an unwavering faith and an abundance of wisdom who loved her Lord and Savior Jesus Christ with all her heart. She lived a selfless life, putting the needs of others ahead of her own. She exhibited the wonderful characteristics of humility and servant hood that we would all do well to have in our own lives. Etta was a prayer warrior throughout her years but especially at Core Creek UMC, where she was a vital part of the prayer team. She lived the life of a prayer that Paul instructs us to live when he wrote "Pray without ceasing".

Etta impacted the lives of many people during her lifetime and continued to do so right up to her final minutes with us. Being in church with family and friends was her favorite place to be. During her last time at church, the choir dedicated a song to her called "The Anchor Holds". This song speaks volumes of the faith that Etta had in her Lord over the years. Her life of faith was a wonderful example for the rest of us to learn from and to follow.

Etta was admitted to Carteret General Hospital in Morehead City, NC on May 25, 2007 after suffering a severe stroke. Denise and I were blessed to be with Etta at the hospital during her final hours. We prayed with her and read scriptures to her although she could not speak, we knew she heard our words and was comforted by them. Moments before Etta passed away she looked right past Denise for a few seconds and then laid her head back and breathed her last breath. Although Denise and I could not see what Etta saw in those brief seconds, we believe she saw Jesus reaching out His hand to her to take her home. His first words to her were undoubtedly "Well done thou good and faithful servant." Etta left us to be with her Lord on May 26, 2007. Her funeral service was held at Core Creek UMC near Beaufort on June 3, 2007. Participating in the service were the pastor, Diane LeBlanc and previous pastor at Core Creek, Michael Nelson.

ALPHABETICAL ROLL OF CLERGY IN THE NC CONFERENCE WITH STATUS AND PASTORAL RECORDS

2007 - 2008

Note: This was formerly the Chronological Roll and is now alphabetically arranged for greater convenience and to provide a listing of the service records of conference clergy, both effective and retired. These records include only service in the North Carolina Conference. Note that service years vary in value and the Conference Board of Pensions evaluates each year of service in terms of annuity credit. The figures in the far right hand column indicate the number of years service under episcopal appointment to the North Carolina Conference, after being received into the Conference. All questions concerning years applicable to annuity credits should be directed to the Board of Pensions
