# WORSHIPING...IN THE LIGHT OF GOD

The quadrennial theme for the North Carolina Annual Conference is "...in the light of God." Over the next four years we will gather to worship, attend to conferencing matters and be the Church in the world. We will continue to seek God's direction for the Church and for us as a people called Methodists.

In the midst of natural disasters, warring times and threats upon the unity of the Church, we join prayerful hands and hearts to faithfully live in the light of God. The Church is called to be a light to the nations and a message of hope in a fear stricken world.

We will gather from Burlington to Southport, from Rockingham to Manteo to begin this journey with a focus on corporate worship. All our work as servants springs forth from the Word of God and from the Table around which we gather. Spirited hymns, inspired preaching, Biblical teaching will shape us as a people.

We will come with framed pictures of our churches to place in the Church Family Display which will be our Worship Focus for the conference. We will celebrate our churches at worship across this conference where the Spirit moves to empower us to live and serve in the light of God.

He served five years as a district superintendent of the Tuscaloosa District. He was Senior Pastor of the Vestavia Hills United Methodist Church, Birmingham, for more than 10 years prior to his election to the episcopacy in 1984. The Southeastern Jurisdiction elected him a bishop of the United Methodist Church on July 19, 1984. He was assigned to the Mississippi Area of the United Methodist Church, where he served for eight years. In July 1992, he was assigned to the Louisville Area and the Kentucky Conference where he served until his retirement in September 2000.

After retirement he became *Bishop in Residence* and a member of the faculty at Birmingham-Southern College. His courses at BSC include: "Pauline Writings"; "John Wesley and the Methodists"; and "The Parables of Jesus." This nomination will be made in joint session of the Board of Laity Executive Committee and Cabinet. The nomination is to be made no later than October of the year prior to General Conference.
4. Recommendations and Nominations shall be subject to the approval of the Annual Conference.
5.

At the beginning of each quadrennium all boards, agencies, commissions, committees, and ministry groups shall elect their officers only after all their members have been notified of the organizational meeting. A member of the Cabinet or the Conference Staff (designated by the Cabinet) shall serve as the convening officer for the organizational meeting.
  - B. All elections in the boards and agencies of the North Carolina Annual Conference shall be by written, secret ballot of those present and eligible to vote. Nominations from the floor may be made.
  - C. Tenure for membership for all persons on boards, agencies, commissions, committees, and ministry groups shall be four years with possibility of reelection for a second four-year term.
6. The membership of the Annual Conference is to be as outlined in the complete Lay/Clergy Equalization Plan found in the 1991 Journal pages 400 - 401.
7. The Conference structure is diagramed on page 185 in the 2000 Journal. The North Carolina Annual Conference will organize its ministry, as follows:
  - A. Structure Monitoring Group—A group will be established for the purpose of evaluating the conference structure for effectiveness. It will also ensure that the Conference Rules are accurate in the description of the structure of the Annual Conference, making proposals for change as structure evolves. This group will be elected by the Annual Conference and made up of seven people, four of whom are not serving within the Conference Structure.
  - B. North Carolina Conference Connectional Table
    - 1) The Connectional Table will be the link among the circles of ministry. Its purpose is to provide a place for joint planning and problem-solving, to discern the vision for mission and ministry for the North Carolina Conference, and to strengthen the connection between the Annual Conference and the local church. The Connectional Table is linked to the Annual Conference Session. The Annual Conference Session will have the responsibility of hearing the Connectional Table's vision, and either affirming that vision or

setting forward an alternate proposal.

- 2) Membership: Meeting on a quarterly basis, the Connectional Table will be made up of 31 people - 3 representatives from each circle of ministry, 12 at-large members selected by the Conference Committee on Nominations, and elected by vote of the Annual Conference, the Bishop, 2 District Superintendents, and the Executive Director of Connectional Ministries. At-large members will ensure connecting links between districts and local churches and the Connectional Table. Membership in the Connectional Table will be for four-year terms, with one quarter of the table changing each year. The Conference Committee on Nominations will meet once each year to nominate representatives to the Conference Connectional Table and to the five circles of ministry. Openings occurring during the year due to moves, resignations and other reasons will be filled by the Bishop and Cabinet. The Committee on Nominations will be made up of one representative of the monitoring and accountability group, the 12 District Superintendents, 12 others to be nominated by the bishop (at least 75% of whom should be laity), and the Bishop will also serve as convener.

- C. Five Circles of Ministry—The agencies, boards and commissions defined by the Book of Discipline will organize themselves according to the requirements outlined in the current Book of Discipline and will connect through the circles of ministry. Ministry areas not prescribed by the Book of Discipline will be organized by the circles of ministry, using task forces or standing groups to plan and implement ministry and mission. Circles of ministry will organize, plan, lead, and evaluate, as they live out the vision embraced by the Conference. Circles of ministry are accountable to the Connectional Table for holding up and living out the vision affirmed by the Annual Conference, and for faithfully presenting ministry needs to the Connectional Table. Each circle of ministry will organize itself and will determine its schedule of meetings, meeting at least once a year during the conference year. Membership in the five circles of ministry will be for one four-year term with the option to extend for an additional four-year term, using staggered classes to provide continuity within the ministry area.

## EXECUTIVE SESSION OF THE 2005 ANNUAL CONFERENCE

WEDNESDAY, JUNE 8, 2005, 3:00 P.M.

Charles Michael Smith led the clergy in the singing hymns including: To God Be The Glory, From All That Dwells, Fairest Lord Jesus, Forward Through The Ages, and Close To Thee. Bishop Alfred W. Gwinn, Jr. opened the Executive Session in prayer then called the clergy session to order at 3:05 p.m. Bishop Gwinn reminded the Clergy of the covenant community. His theme was "The Body of Christ" taken from 1 Corinthians 13. He explained that the Board of Ordained Ministry helps the Executive Session to do three things: welcome new clergy, rearrange clergy, and recognize the ministries of those clergy who are retiring or who have died. All three are part of being in communion with each other as the body of Christ. The Bishop encouraged the clergy community to have Christ as their center. The Bishop referred to ¶605 which outlines who may vote and who is eligible to have the privilege of the floor during the Executive Session of Annual Conference.

The Bishop called for a motion to grant permission for the non-clergy and non-voting members to be included in this clergy session. Charles Michael Smith moved to grant permission for guests to be present. The motion was seconded and approved.

Bishop Gwinn referred to ¶362 and asked the traditional question, "Are the clergy blameless in their life and conduct?" The Bishop declared the district superintendents blameless in their character and official administration. Bishop Gwinn called on the district superintendents to report on the moral character and conduct of the clergy in their respected districts. All districts except the Elizabeth City, Rockingham, and Wilmington Districts reported nothing against the clergy of their districts. Each of the three named districts had one exception. The body was asked by the Bishop to vote on the moral character of the clergy of all the districts. They were passed.

The Bishop asked all the Board of Ordained Ministry members to stand as he expressed his appreciation for their work. The Executive Session responded with applause. Bishop Gwinn thanked Beth H. Hood for her leadership of the Board of Ordained Ministry. She too was shown appreciation by applause as she came to lead the body through the report of the Board of Ordained Ministry for 2005. Hood made a few introductory remarks. She referred the body to The Board of Ordained Ministry Annual Report and gave an overview of the individual committee reports printed on pages 3-12. On page 6 of the report Hood noted the recommendation of a maximum continuing education grant of \$300 person individual per conference year. The Enlistment Committee encourages pastors and lay people to look in their churches for men and women who might be called to the ministry. She noted two upcoming enlistment events: Exploration which is scheduled for November 17-19, 2006 in Jacksonville, FL and a joint event with the Western North Carolina Conference set for October 7-9, 2005 in Asheboro, NC. Hood mentioned the Ministerial Education Fund which assists with educational expenses. The Residency in Ministry Committee is responsible for reconciling the progress of people coming into the Conference under different disciplinary directives. The Sexual Ethics Support Team oversees the implementation of the Conference's Sexual Ethics Policy. These committees are a part of the larger responsibility of the Board of Ordained Ministry.

The Executive Session was directed to page 3 to the nominations for the Board of Managers, Pastors' School and Convocation. Eldrick Davis and David Goehring were nominated for the class of 2009 Board of Managers, Pastors' School and Convocation. They were elected. The Administrative Review Committee nominations were presented. Johnnie L Wright was added to the nominations. The Bishop called for a vote and they were approved.

Hood directed the Executive Session to page 26, Question 33(b) of the Annual Report of the Board of Ordained Ministry: Who are elected as members in full connection as Elders? Hood also referred to Question 27: Who are elected as associate members? They were invited to come forward as their names were read. The Bishop asked the traditional questions of the candidates who were before him. The Bishop addressed them briefly.. After examination, the Bishop presented all the persons eligible for Elders Orders to the Executive Session. He asked the members if there were any questions for him or any of the Elder candidates. Bishop Gwinn called for the vote for the one person presented for associate membership and he was approved. He called for a vote by the Executive Session for Elder candidates and they were approved and congratulated with applause. The Bishop asked Charles Michael Smith to lead the Executive Session in singing, Love Divine all Loves Excelling. Bishop Gwinn recognized Dr. Joel B. Green, Dean of the School of Theology, Asbury Theological Seminary, as a special guest. Beth Hood thanked and recognized the District Committees on Ordained Ministry. She then asked the pastors who are being licensed for the first time to stand and be greeted by the Executive Session. Hood directed the Executive Session to Page 15, Question 20 and made corrections. Hood noted corrections to Question 21(a) and addressed Question 21(c). Grace Dill Murray was involuntarily discontinued as a Probationary Member. Lisa Cole reported on the review committee's findings regarding the Grace Dill Murray issue. The Bishop asked for a vote following the recommendations of the Board of Ordained Ministry. It was approved but not unanimously. Question 47(a1) refers to granting an honorable location this year. The Bishop called for the vote granting honorable location and it was granted. Hood then turned to Question 48(a): "who have been granted the status of honorable location-retired?" Hood addressed Question 54(d). She then moved to Question 55(a): related to Family Leave. The Bishop called for the vote and they were approved. Imathiu, originally from Kenya, now serves a local congregation in Milwaukee, Wisconsin. Imathiu preached from Luke 15:11ff. Because Jesus is big enough to deal with the complexities of family, Imathiu challenged the listeners to see the events of the story as that of a normal family where mercy is extravagant instead of a story about a specific prodigal. She then reminded us of our place in the human family. Special music was provided by Cookie Santiago and Alice Kunka, co-directors of the Hispanic-Latino ministry. An offering of \$5,585.40 was received for the Peru Covenant. Imathiu's message was followed by the celebration of Holy Communion.

He reported that over 27,000 people attend small groups. An analysis of attendance and giving indicate that the conference is in good

shape and that the statistic for worship attendance was probably due to inaccurate reporting. He introduced Table III as a new requirement for 2006. Table III will report the number of pledges and givers, the amount received from individuals who are non-pledgers and then the amount received from unidentified givers, fundraisers and other sources. Table III will help the General Conference analyze the strengths and needs of the denomination. Table III is now available on the North Carolina Conference website and the GCFA website. Speake encouraged pastors and churches to begin tracking the information they will need for Table III.

**Report of the Board of Institutions:** Gray Southern, chairperson, presented the report for the Board of Institutions. Colleges, camps and homes are included in the Board of Institutions. His report concluded the work of a two-year task force charged with reassessing the relationship between the Annual Conference and the institutions. At each Charge Conference pastors will report on what they have done in the preceding year and plan to do in the coming year to promote a better understanding of at least two NC Conference related institutions. District Superintendents will be asked to include Institutional leaders at their pastors' meetings. Southern reported that the Board of Institutions is investigating hiring a part time person to be a Board of Institutions promotional speaker.

Schmidt brought two chairs and a table to show what kind of seating arrangements would be available. Schmidt highlighted the sophisticated and advanced audio and video capabilities of the Greenville Convention Center. He also talked about the availability of hotel rooms for Conference delegates. ## STRUCTURE REVIEW COMMITTEE

In 2004/2005, our Annual Conference began its second quadrennium of life with the Connectional Table and Circles of Ministry structure. Observations of those who are involved in the various circles of ministry and the Connectional Table are that the groups are becoming more comfortable with the new roles and responsibilities. The Structure Review Committee affirms the growth that has occurred, and has these observations and recommendations:

1. We affirm the ways in which the Circles of Ministry and the Connectional Table are living into the structure as envisioned by our conference, where ministries advocate not only for themselves, but also for the entire conference. This has been evidenced as the Circles have worked together in forming their budget proposal for the Council on Finance and Administration. We know that budgeting can be a difficult and emotional process, and appreciate the work that has been done to include the ministry circles in the budget conversation.
2. We affirm the continued work on the part of the Conference Committee on Nominations as it has sought to balance conference leadership, including men and women, lay and clergy, all races and representation by all size churches.
3. We continue to encourage the Conference Committee on Nominations to work toward the goal of rotating membership of each of the Ministry Circles and the Connectional Table by 25% each year. This will provide for continuity in each area and will extend service opportunities to more of the conference membership.
4. We continue to appreciate the time and energy given to our Conference by Carlin Johnson, Raleigh District Lay Leader, who is sharing her expertise in organizational theory and practice with the Connectional Table.

The Structure Review Team also responds to Resolution #4, brought to the last session of the Annual Conference, entitled "Establishing a Conference Commission on Small Town and Rural Churches," which was referred to the Structure Review Team. In order to appropriately respond, the team met with Steve Taylor, Conference Director of Missions, with Steve Compton, Executive Director of Congregational Development and with Charles Smith, Director of Connectional Ministries. A lengthy discussion of the needs and perceptions of members of small churches and the pastors appointed to serve those churches assisted the Structure Review Team in making these observations.

1. It is important that all of our conference membership know that they are included, valued and heard. We also know that perception is reality, and the wording of the resolution spoke clearly of the perception that small churches are overlooked in our conference.
2. Our Conference Missions staff and our Congregational Development spend 60-70% of their time working specifically with small membership and rural congregations.
3. Our Hinton Rural Life Center has programs designed especially for developing pastoral leadership in small and rural congregations. This Southeastern Jurisdiction ministry is a unique offering that only our jurisdiction has. We need to more fully take advantage of the training, networking and resourcing opportunities afforded by this center.
4. Our Office of Congregational Development has the responsibility for the small membership church subcommittee as described by paragraph 630 of the 2004 Book of Discipline. This office has developed a Small Membership Covenant Group, which includes pastors serving small churches, and which meets on a regular basis. In addition, the office has developed a "dreaming group" for small membership churches. This group has met on a regular basis and includes persons who are interested, involved or have expertise in working with small membership churches. In the past year, 30 or so of our pastors have chosen to participate.

5. Our Missions Team makes Town & Country grants available for small and rural congregations or para-church ministries so as to empower local ministry. In addition, the Missions Team makes construction loans available to churches, and many of the recipients are rural churches. The construction loans are at low rates, so as to make them accessible to churches, and the construction interest is used to pay two general contractors for the churches to use, thus reducing the cost of the building projects. The general contractors have worked extensively with rural churches. These funds are available for building and renovation projects, and the Missions Team considers this to be a missional outreach of our Annual Conference.

6. Our Missions Team has also begun missional training around rural churches in the form of *Street Smarts*, for pastors and lay persons, and continuing with *Thy Kingdom Come*. The Missions Team is in the process of developing a two-year program designed to bring rural churches together for spiritual development moving to justice. This program is planned for implementation in 2006.

Based on the above observations, the Structure Review Team has these recommendations:

1. That the Office of Congregational Development pursue establishing a fellowship of pastors serving small and rural churches, and that this fellowship be for the purpose of mutual support and encouragement and ministry resourcing, and that it be led by persons within the group.

2. That we support Missions Team in establishing a subcommittee to formalize work with rural churches, consisting of about six people, and incorporating in an ex-officio capacity representatives from Hinton Rural Life Center, the Duke Endowment, and the Office of Congregational Development.

3. That the District Superintendents actively encourage pastors appointed to small and rural churches to pursue training and support at Hinton Rural Life Center.

## CONFERENCE CONNECTIONAL MINISTRIES

The Conference Connectional Table continues to serve as the “steward of the vision” for the Annual Conference. That vision is being renewed and refashioned as we begin a new quadrennium with a new bishop. Our first overnight retreat was held February 28-March 1 and a subsequent meeting was set for March 31. The new vision that will guide our Annual Conference’s mission and ministry over the next four years will be shared in the District Training Sessions in May prior to Annual Conference in June during which we will have opportunity to perfect the vision and adopt it. Pray that God will guide us as we seek his will for our conference.

Charles M. Smith, Executive Director

## COMMUNICATIONS CIRCLE

The General Conference 2004 approved another four years of Igniting Ministry, funding national media advertising of the United Methodist Church and offering matching grants for churches and conferences to use for supplemental advertising purchases with more regional emphasis advertising. Both television and other media can be purchased with the matching funds.

Training local churches in the practices of invitation, welcome and discipleship continues to be an important interest of the Communications Circle. Plans are being made to offer Igniting Ministry Training in cluster groups throughout the North Carolina

Conference with hopes of offering video streaming of this training to be used in the local churches.

Archives and History is working on plans for the 2006 SEJ to be held at Duke Divinity School June 27 – 30, 2006. Theme for the celebration is “The Garber Era.” There will be bus tours offered to historic sites in the conference. Volunteers are needed to help host this event. If anyone is interested in serving as a host for this event, contact Laura Bailey at the Media Center at the Methodist Building in Raleigh.

The Communications Circle is working on plans to do video streaming of the major events of Annual Conference 2005. The Circle feels it is important “to tell what the church is up to . . .” through providing video of the events of the conference on a broader and more convenient basis. It is hoped that video offerings of the conference will educate and inspire United Methodists across the conference with information and inspiration from the Annual conference.

The newly designed web site of the North Carolina Annual Conference is up and running with beautiful graphics and easy to operate links. Thanks to Alan Swartz and the Task Force that worked with the IT committee in the conference office to accomplish this user- friendly web page. Discussion about choices of links and organization of data for the website is ongoing.

Evaluation of the publications of the Annual Conference is the work of a new Task Force within the Communications Circle for 2005. The Christian Advocate and other publications of the conference will be evaluated through survey of pastors and laypersons throughout the conference in order to provide direction for publication efforts and funding in the coming years. The feedback will be beneficial for creating meaningful communications and meeting the information needs of contemporary Methodists.

As the Structure Committee of the Conference evaluates and formulates configuration and function of the Connectional Table, the Communication Circle works to outline and live into its purpose for being. The Communications Circle has the responsibility of Celebrating and Preserving our Past (through Archives and History), Informing and Inspiring our Present (Via the Resources of the Media Center and Igniting Ministry), and Preparing A Future Place for Methodists to know who they are and what they are about (through the internet and through the publications of the conference) – Informing Methodists about the Past, the Present and the Future that they may go and tell the world about Jesus Christ!

The Communications Circle is excited about the past, the present and the future of the United Methodist Church in the North Carolina Conference. We celebrate and give thanks for the Spirit that moves among us as we meet together as the Communications Circle and pray for continued guidance as we move forward for Christ – telling the world what the church is up to.

Personal thanks to Bill Norton, Lee Anne Thornton, Laura Bailey, and Linda Smith for all their efforts in Communications in the North Carolina Conference.

## **ARCHIVES AND HISTORY, COMMISSION ON**

The spring meetings of the N. C. Conference U. M. Historical Society and the Commission on Archives and History were held March 27, 2004 at Newbegun UMC in the Elizabeth City District. The history of the church was given by Mrs. Beverly Small. The pastor Rev. William (Bill) H. Otis and his congregation were gracious host. The Union UMC was on the charge with Newbegun and May 1, 2003 the two congregations merged into one and chose Newbegun UMC as their official name. The earliest deed for Newbegun is dated October 31, 1784, Book J, page 283. We enjoyed a tour of Union Church also, that is currently being used by a Black Baptist congregation due to

a fire.

We had a wonderful meal at the church provided by the UM Women and then began the Commission meeting in the afternoon. We discussed events that would be offered by the Southeastern Jurisdiction Historical Society and Commission. Heritage Preservation Workshops were offered at Lake Junaluska Assembly this past fall for local church historians. We make available small grants, \$125 for Historic Churches that need preservation work. The work of Laura Bailey, staff representative on our Commission, and Rev. Frank Grill, Conference Historian, is greatly appreciated and is a major contribution to our ongoing activities in preservation and education. We express thanks to Mrs. Mildred Swain, our past Chairperson, for her outstanding leadership and also to Mrs. Ann Veazey Davis, our past Editor of the Saddlebags Newsletter for the Historical Society, for her commitment and support to our work. There were classes on Local Church Historians offered at District events. There is a wonderful wealth of information on the internet at the General Commission web site- gcuh.org.

A large part of our work has been planning the S. E. J. Historical Society meeting to be held in our Conference June 27-30, 2006. It will be hosted at Duke University Divinity School and will celebrate the Bishop Garber Era. Bishop Paul Neff Garber served our Conference from February 1951 to July 1968 holding 18 regular sessions and several special sessions. Higher Education, Camping Ministry, Retirement Homes and New Church Development are several areas among others that flourished during his tenure. We invite everyone to be a part of this event and join with us in the celebration. The meeting at St. Simons Island, Georgia this past year in July was exceptional. The next meeting of the S. E. J. Historical Society will be at Charleston, SC July 12- 15, 2005.

The fall meetings of the Society and the Commission were held at First Methodist, Williamston, NC October 2, 2004. The history of the church was presented by Mrs. Elizabeth Roberson. It was delightful to hear of their past and see their present work under the leadership of Rev. Taylor Mills. Our lunch was provided at a nearby restaurant and the work of the Commission continued at that location with items noted as above. We had an election of the following officers: Rev. W. Arthur Warren, Jr., Chairperson, Mrs. Jane Greeson, Vice-Chairperson, and Mr. John Mitchell, Secretary.

There is much work to be accomplished, but we rejoice in the privilege of preserving and sharing our heritage as Christians serving God through the United Methodist Church.

W. Arthur Warren, Jr., Chairperson

#### **METHODIST BOARD OF PUBLICATION, INC.**

*The North Carolina Christian Advocate* reaches more than 10,000 United Methodists twice a month with the latest church-related international, national, state and local news, commentaries and features. The paper, targeted to UM church pastors and laity in the North Carolina and Western North Carolina conferences, is funded by a combination of subscriptions, conference grants, advertising, and an endowment. Recent special coverage supplements included General Conference 2004, Jurisdictional Conference 2004, and related activity at both annual conferences. North Carolina conference-related writers/columnists include Bishop Al Gwinn, the Rev. Charles Michael Smith, the Rev. Belton Joyner, Jr., the Rev. Paul Stallsworth, the Rev. Kevin Baker, and many others.

The paper continues to be the voice of United Methodism in North Carolina, where readers receive a comprehensive overview of the varied mission and ministry that encompasses United Methodism in our state. From consecrations to celebrations, the

activity of the Church, and ultimately its vision, is reflected on the pages of the *Advocate*.

## EPISCOPAL CIRCLE

The Episcopal Circle carries a very significant role in the North Carolina Annual conference. The circle has been faithful to the mission of the Annual Conference, making disciples. It contains ample areas such as Ministerial Relations, Annual Conference program, Nominations, congregational development, Christian unity and Interreligious Concerns, Monitoring and accountability, Cabinet Representatives, and Episcopacy Committee. The last two, Cabinet Representatives and Episcopacy Committee were included on February 13, 2004.

The mission of the Episcopal Circle is “to listen to, prayerfully consider, and offer insight to the Bishop, and to receive and implement tasks of his special interests.” The circle and all United Methodists in the North Carolina Conference are honored and privileged to have our new bishop, Al Gwinn, last year in July. As we all welcomed the new bishop and Ms. Gwinn, the Committee on Episcopacy with the conference Board of Trustees purchased the new Episcopal residence.

Bishop, Gwinn, shared where he wants to lead the conference and his vision with lay leaders of the local churches, clergies, and District Superintendents in all twelve districts. With District Superintendents the bishop had a time of retreat and shared the insights of the principles of the book, Good to Great. In the clergy session, the bishop emphasized on four fields – the effectiveness of pastors, vision, team work, and integrity. These four fields have developed and implemented. In lay leaders session, Bishop, Gwinn, diagnosed local churches that they are living in two paradigms. One is a pastor –centered and oriented church. The other is visionary laity -oriented church. In these two paradigms the churches in the North Carolina Conference will move forward to accomplish the mission and ministry of Jesus Christ, who calls us to be faithful disciples and wants us to make disciples of all nations.

The Episcopal circle will continue to be faithful to the mission of the North Carolina Annual Conference, to support new Bishop with our prayers, and to implement Bishop’s special interests in the year of 2005-2006.

## CHRISTIAN AND INTERFAITH UNITY COUNCIL

Christian Unity is founded on the theological understanding that through faith in Jesus Christ we are made members together in the Body of Christ. With other Christians, United Methodists declare the essential oneness of the Church in Christ. This unity finds expression in our hymnody, liturgies, and the historic creeds when we confess one holy, catholic, and apostolic Church. It is also experienced in joint ventures of ministry and in various forms of ecumenical cooperation and dialogue. These are the focus of the Christian and Interfaith Unity Council. Our responsibilities are found in paragraph 641 of the 2004 *Book of Discipline*; and our work is done in connectional relationship with the General Commission on Christian Unity of The United Methodist Church.

In continued work toward union with Pan-Methodist brothers and sisters, CIUC planned and celebrated the 2004 Annual Conference presentations of Drs. C. G. Newsome (president, Shaw University) and Richard Lischer (professor at Duke Divinity School), who addressed the topic – “*Civil Rights & Christian Unity: Continuing the Journey.*”

CIUC participates in statewide Episcopal/United Methodist dialogue, and in the membership of the House of Delegates of the NC Council of Churches. In reorganizing for the new quadrennium (2005-2008) members of CIUC will represent the NC Conference at the National Workshop on Christian Unity to keep current the work of ecumenism in the NC Conference. Our purpose is to provide an ecumenical and interfaith witness consistent with Jesus' prayer that we be one, as he and the Father are one (John 17:20-21).

#### CONGREGATIONAL DEVELOPMENT, COMMISSION ON

The *Book of Discipline of the United Methodist Church 2004* states that the "mission of the church is to make disciples of Jesus Christ," and that "local churches provide the most significant arena through which disciple-making occurs." The North Carolina Conference has taken seriously this charge, leading most conferences in professions of faith, new membership, and worship attendance growth.

It is the function of the Commission on Congregational Development, and the associated Office of Congregational Development, to aid congregations and their lay and clergy leaders in creating strong and effective churches. Annually, new churches, and older churches of all sizes, are assisted with vision and mission planning, staff development, lay and clergy leadership development, building committee organization, and evangelism and outreach instruction. Each year about 100 churches are assisted, most of them small membership in size, and this was again the case in 2004. In the past decade, 35 new churches have been started within the bounds of the North Carolina Conference. These churches have been started in city settings, growing suburban communities, and rural communities. Membership in these new churches includes persons who are affluent, middle class, and poor, Anglo, Hispanic, African-American, Korean, Native American, and Asian. Although not all of the new church projects initiated have been successful, the newest churches in the North Carolina Conference continue to lead the way in membership growth.

The Office of Congregational Development continues to provide through its annual contract with Percept Group, Inc., up-to-date community demographic data, accessible on-line and without cost, to all local churches ([www.link2lead.com](http://www.link2lead.com)).

In 2003-04, the Congregational Development Fund, Inc., with the support of Bishops Edwards and Gwinn, and an outstanding team of laity and clergy, launched *A Time to Grow* funding initiative. This quiet effort is aimed at identifying laity whose generosity with their wealth, combined with their belief in the value of strong churches and effective church leaders, will advance and strengthen local church ministry and new church planting ministry in the North Carolina Conference. To date, about \$1 million has been committed by members of the initiative's steering committee members. Initially, available funding will be used to create an outstanding new church leadership academy, and to purchase land for new churches.

The Ten Dollar Club, now in its 52<sup>nd</sup> year, is administered by the Office of Congregational Development. The Club's loyal members continue to provide funding to underwrite grants to new churches for land purchase and first building construction. Each year, one grant is made to assist in the establishment of a new church outside of the U.S. In 2004, a grant was made to a new church in Moscow, Russia, and in 2005, a new church will be aided in Zimbabwe, in cooperation with ZOE Ministry.

## DISTRICT SUPERINTENDENTS, REPORT OF

As we come to the end of another Conference year and stand on the threshold of a new Conference year, we thank God because we have much to be proud about within the Conference year 2004-2005.

This past September 1, 2004 the Conference and Cabinet members were highly blessed to receive and welcome Bishop Alfred W. Gwinn, Jr. as our Episcopal leader. As he moved into his Episcopal office to serve as the Bishop of the Raleigh Area we have been blessed with the exceptional guidance he has given to the Cabinet during the past months.

Bishop Gwinn has worked faithfully and tirelessly with the Cabinet members as we strive to work together to serve the United Methodists across eastern North Carolina.

As District Superintendents we have traveled across the North Carolina Conference consisting of 234,000 plus members, 840 churches that encompass 56 counties and 12 districts. We have committed ourselves to the task of spending more time with each church and pastor promoting the causes of evangelism, missions, spiritual formation, education stewardship, and New Church Development we continue to focus upon these emphasis because we understand they are still paramount in the programs of every church in all twelve districts.

In retrospect, we reflect now upon the Mission and Ministry accomplished by the pastors and laity of the twelve districts.

**Burlington District:** In 2004, the churches of the Burlington District paid 98.2% toward their conference apportionments. All but five gave 100%. Front Street UMC: conducted its first annual Triathlon for Missions with 400 athletes participating raising thousands of dollars for missional causes. Grace UMC: continues to build greater advocacy and support across Alamance County for the Hispanic ministry, Manna Ministries, operated out of their church. Cedar Grove UMC: will enter and consecrate their new church building in April 2005 (the original destroyed by fire in 2000). Christ UMC and Orange UMC in Chapel Hill: have found strong support and community response from their newly initiated contemporary services of worship (i.e. Evolution and Pathways). Morningstar UMC: the new church start in the Chapel Hill area sadly was discontinued in November 2004 due to lack of participants for sustaining the vision. Evergreen UMC: in Chapel Hill has added a modular unit to their church property for purposes of needed classroom and meeting space. First UMC: in Graham, the UMYF was awarded the outstanding district youth fellowship engaged in missions locally and beyond. Milton Charge: in Caswell County was re-united as a three-point full-time charge, after several years of being part-time as the Milton, Connally, and Semora churches. Saxapahaw UMC: with assistance from the Duke Endowment is developing a community outreach and after-school program called "Mosaic Rural Wellness Center," housed in a recently renovated, abandoned textile mill. Shady Grove: in Caswell County built a new parsonage. Christ UMC: in Chapel Hill sustained the tragic loss and suicidal death of their pastor, Raegan V. May. Subsequently, the district clergy in meeting facilitated by mental health professionals dealt with the loss, plus self-care, and strategies for observing depression among their congregants and themselves. The District Council on Ministries has been re-structured and named the District Connectional Table for visioning and resourcing consistent with that of the Conference Connectional Table. The January Leadership Development Workshops, with 12 classes, was a "standing-room" only event with 350 persons attending. Eighteen (18) of our churches were Rainbow Covenant - Mission Advance congregations. To God be the Glory

**Durham District:** There are seventy-five (75) individual churches in the Durham District making 61 charges. Each church is a center of mission and ministry both to the surrounding community and to the area at large. During the year several churches were involved in the following changes:

Trinity purchased a new parsonage and completed the sale of the old one in time for the new pastor's arrival. Plank Chapel has renovated the parsonage. Salem in Person county has completed a renovation of their fellowship hall and the addition of a playground.

White Memorial in Henderson has replaced all the lighting fixtures in their sanctuary greatly enhancing the illumination. Calvary experienced the loss of a large stained glass window in their sanctuary due to vandalism. This has been replaced. Hispanic ministry in Durham has been expanded into the Butner area with home groups meeting weekly. Reconciliation has developed a bi-lingual service for the aid of their many Hispanic worshippers. Cokesbury is beginning construction of a fellowship hall and the renovation of several classrooms.

Space does not permit the telling of the many good things that have happened not involving buildings and renovation but which has made a dramatic difference in people's lives because of the pastors and churches. We give thanks to God for his activity among us all in this great Durham District.

**Elizabeth City District:** Built a new district parsonage to be occupied by April 1, 2005.

- Edenton UMC held ground breaking March 6, 2005 to build a multipurpose building.
- Realignment of the Kinnakeet Charge. St. John Church (Avon) will become stationed July 1, 2005. Fair Haven and Clark Bethel will remain on as a charge.
- Collington Church will become full-time July 1, 2005
- First Elizabeth City and Pilmoor Currituck is in the midst of a capital fund campaign.
- Hatteras Church completed a \$200,000 restoration project.
- Duck Church completed a \$1,000,000 addition.

**Fayetteville District:** Two congregations, Leslie UMC and Coats UMC did significant remodeling on their worship facilities. Solid Rock has purchased a church building to conduct worship services and start its second Day Care Center in Harnett County. Strong emphasis is being placed on evangelism and leadership development. The January Leadership Workshops were well attended with approximately 380 in attendance. Most churches grew slightly in membership. Several churches grew slightly in membership.

Several churches have begun a praise or contemporary worship services. Ministries of Hand-in-Hand, Disciple Bible Study, Prison Ministry, Emmaus Walk and AGAPE continue to be growing strong. Many Churches are engaged with the 40 Days of Purpose. The District churches gave to UMCOR toward the Tsunami and Florida hurricanes relief efforts. The churches of the District paid 91.46% toward their Conference Apportionments. All but seven churches gave 100%.

**Goldsboro District:** The 2004-2005 Calendar year has truly been a time where the spirit of God has been in the hearts of the United Methodist in the Neuse River Basin. Fremont UMC has started a low power Radio Station. The district has begun the first steps in a Hispanic Ministry. Faison UMC has begun an exciting partnership with a community day care center. The district has begun a Parish Nurse Program with the employment of its first part-time nurse when Karen Preston became part of the district staff. Edgerton Memorial UMC in Selma and the Lebanon UMC in Greene County began dynamic food closets. Whitley UMC in Smithfield and Elizabeth UMC in Johnston County have been part of a vital ministry to Migrant Labor Camps. The district had its first Camp Meeting as hundreds experienced the presence of Jesus in a week-long event. New building projects have begun at Salem UMC in Goldsboro and Walker Memorial UMC in Wayne County. Providence UMC has consecrated a new parsonage and the Holy Spirit continues to move throughout this district of fifty-four charges.

**Greenville District:** Across the Greenville District, God's people are united in service to the Kingdom of God. Sixty-three of sixty-six churches remitted 100% of their apportioned mission gifts for outreach and nurture. Following last year's annual conference, 5 of the 8 Hyde County churches became a new congregation based at Soule UMC. The church now has an average worship attendance of 80 and is completing a new fellowship hall. Our Hispanic ministry at Grimesland, Unidos por Cristo, is growing numerically and spiritually. New ministries include outreach to women and youth. We celebrate the dedication of a new fellowship hall at Bethany UMC and the anticipated completion of a new church facility for Sharon UMC. Hookerton UMC will complete a new fellowship hall this spring and plans a sanctuary renovation. Covenant UMC is in the process of acquiring additional land to support its expanding worship and service ministry. Thanks be to God!

**New Bern District:** The New Bern District has enjoyed a good year. Growth in ministry and mission has been reflected throughout the District. 61 of our 65 churches paid 100% of their 2004 apportionments. An exciting new Hispanic Ministry called EMBRACE has emerged for the District after taking root in Trinity UMC in Jacksonville. Several churches have been expanding their facilities in order to expand their ministries. Sneads Ferry UMC occupied a new \$700,000 sanctuary in January. FUMC in Morehead City prepares to soon occupy a new 2.2 million dollar educational building. Garber UMC, which received 59 on profession of faith in 2004, is constructing a 5.5 million multipurpose building. A new 1.3 million sanctuary is underway for Faith Harbour UMC in Surf City, a church which was chartered in 2003 and is already averaging 160 in worship. And St. James in Newport is on the verge of breaking ground for a new community life center.

We praise God for these and all the other smaller but significant ways that His purposes are being advanced in the New Bern District

**Raleigh District:** The Raleigh District celebrated the election of its superintendent, the Reverend Hope Morgan Ward, to the episcopacy. She was assigned to the Jackson Area (Mississippi) of the United Methodist Church. With the support of Apex UMC, ACTS United Methodist Church was launched. Major construction projects in the district included: (1) Windborne UMC moved to its permanent structure which included worship and educational space, (2) Garner UMC is completing a major expansion project which includes the enlargement of its sanctuary, (3) Macedonia UMC has begun a construction project which includes a new sanctuary, (4) Avent Ferry UMC has received approval and will be breaking ground for a new sanctuary and the renovation of existing space, (5) North Raleigh UMC has a new sanctuary and additional educational facilities under construction, and (6) Layden Memorial broke ground for a new fellowship hall. The Raleigh District will again sponsor the Race of Grace which, in 2005, seeks to raise an awareness of homelessness and to raise funds that benefit agencies working with the homeless. The District continues to celebrate its diversity with the inclusion of two Korean congregations, seven (7) congregations which have Hispanic ministries, two intentionally multi-cultural congregations, and seven (7) cross-racial appointments.

**Rockingham District:** The Rockingham District continues to celebrate its inclusive ethnic and gender diversity by sharing in a Pulpit Exchange Sunday each Spring whereby churches host a pastor with a different uniqueness than their appointed pastor. Roberson County, through work within churches in the district, has formed a coalition with a mission to help low income families file for EIC and receive counseling about how to break out of the poverty cycle. A part of the same program will eventually help provide low cost housing, and a family has been selected, property purchased, and with the help of churches in the Lumberton area a house is in the planning stage. Piney Grove UMC nears completion of its new sanctuary and education complex. Chestnut Street UMC completed its renovation project merging

three buildings into one and held a consecration service with Bishop Gwinn officiating. The Gibson/Saint John Charge spearheaded and completed a Habitat House which involved many of their sister UMC congregations in Scotland County. First UMC: Rockingham completed remodeling an adjacent building into a multi purpose complex that houses a worship area for a contemporary worship on Saturday night that is attracting many new Christians. The same facility also houses a countywide food pantry that is shared with the other Rockingham area churches creating a huge mission project for the UMC in Richmond County. Two work teams went to Bolivia. Chestnut Street UMC has been recognized nationally for the fourth year in a row for its work in the Igniting Ministry program. The Disciple Bible Studies continue to be strong ministries within local churches and several prison units are being taught. These and other projects attest that the work and witness of Jesus is at work throughout the district.

**Rocky Mount District:** The Rocky Mount District experienced a superb year in 2004-2005. A work team went to the mountain areas Western North Carolina Conference staying at the Bakerville UMC and providing recovery work following the floods in that area. The Littleton UMC sent a medical work team to Sri Lanka. In response to the Tsunami that hit December 26, they raised \$21,000 for relief. They have purchased two fishing boats, putting sixteen people back to work supporting their families. Wilson: First also has bought a fishing boat for Sri Lanka. This mission-minded church has also sent work teams to Central America where they built a church and a house. The *ROMEOS (Retired Old Men Eating Out)* of First, Wilson, worked to construct the Sandy Cross church between Wilson and Nashville. Several pastors and lay persons went on a mission trip to Costa Rico in the summer for the purpose of constructing houses.

The Hispanic Ministry at Stanhope was enhanced and strengthened. We celebrate the appointment of an Hispanic pastor, the Reverend Lucho Reinoso, to guide this work. Two ESL classes are underway each week, a ministry to children and a worship service on Sunday afternoon. A bus has been secured to transport persons for this ministry, and plans are underway to construct a new kitchen facility.

Fellowship halls were completed at Shady Grove in Warren County and Pleasant Grove in Wilson County. The fellowship hall at Jackson was reinforced and saved from sinking due to the impact of hurricanes in the area. Ground was broken for Halifax UMC educational complex. Plans were made for new building projects at Lucama and Smith and Evansdale Church broke ground for a new building. All of these projects were done with Duke Endowment assistance. Concord Church, built in 1795, a Northampton County church in which Francis Asbury preached, near the Virginia line, is making plans to undergird and save its building.

The District continues to experience growth in ministry and program. This district paid 100% of its apportionments and raised hundreds of thousands beyond this for mission work. A record number of persons gathered to hear Bishop Al Gwinn at the District Lay Rally in February, 2005. The Rocky Mount District celebrates its 86 certified lay speakers and the work they do in support the ministry of the pulpits of the district.

**Sanford District:** The Sanford District is truly blessed with laity and clergy who reveal their love of God and love of others. We praise God for another year in being able to support our Connectional Ministries, as we were able to pay 95% of our Apportionment asking. We continue to see growth in some of our churches by Profession of Faith. Pinehurst United Methodist Church and Southern Pines United Methodist Church led our District in numbers of Professions of Faith. We did see a slight increase in average worship attendance and church school attendance. We thank God for the continued growth we see taking place in spiritual formation throughout the District as persons are participating in Disciple Bible Studies, Companions in Christ, and Christian Believer studies. Work teams have been deployed throughout the global village and within the Annual Conference. Other

missional outreach has included a major contribution to Tsunami victims which has exceeded \$60,000.00. The District United Methodist Men continue to have their quarterly rallies and they are involved in providing Spirit Dinners wherever there is devastation and need. Many of our local churches are still involved in the Hand in Hand project with the public schools. Several of our churches have completed building projects and/or renovations and some are about to begin building projects. Following are a few of these: St. Luke United Methodist Church, Sanford, has completed a new family life center, new Sunday School rooms, offices and several other renovations. Our District is most thankful to this church for its willingness to serve as a vital center for many of our District gatherings. Merritt's Chapel United Methodist Church is beginning a new multipurpose facility. Piney Grove United Methodist Church completed its new fellowship hall. Jonesboro United Methodist Church received a home as a gift to be used by the senior pastor as a parsonage and they are making renovations for this transition.

In closing, the good news is that many of our local churches are having planning retreats to focus on vision, mission, core values, and spiritual formation. We believe this will enable these churches to continue to do cutting-edge ministry in the day ahead. We are excited about what God is going to do in 2005 through the laity and clergy of the Sanford District.

**Wilmington District:** Outstanding district events included multiple Safe Sanctuary Workshops, a flu shot program by the District Parish Nurse, the district-wide Camp Meeting, a Children's Day Celebration and a Senior Citizens' Celebration with record attendance. Having reorganized, the DCOM is now the Resource Circles of Ministry (RCOM). Old Dock, Live Oak, and Seaside are building new facilities. Oleander, Wrightsville Beach, and Smith's Chapel are purchasing land for future building. The district collected a Christmas offering of \$16,000 for the Gormont Home, an Asbury Home located near Tabor City.

## **MONITORING AND ACCOUNTABILITY MINISTRY TEAM**

During Annual Conference 2004 we again offered the following ministries to encourage inclusiveness in the life of our North Carolina Conference. The Monitoring and Accountability Team rated the activities by percentages, and presented our findings for viewing in the Saddle Bag each day.

- 1) We monitored the conference plenary sessions and worship experiences to record participation rates. The results were published daily in The Saddlebags as feedback. The pattern of participation revealed the following (men overall participation (80%) white men, (77%). Women overall participation, (20%), white women (10%). Racial Ethnic men, (10%) and racial ethnic women (3%). Worship services throughout the annual conference averaged (10%) racial ethnic participation. Leadership rolls in Worship Services averaged (1%), racial ethnic women, (10%) racial ethnic men, (28%), Anglo women, and (62%) Anglo men.
- 2) In one area of worship (the conference preacher) we were surprised to note that the three morning services were conducted by (100%) Anglo men. We are sure that that was an unintentional oversight.
- 3) There are twelve Districts Superintendents in our conference: Two are African American men which constitute (17%); One Native American man which constitute (8%) Eight Anglo American men which constitute (67%); One Anglo American woman which constitute (8%) Bishop, we think your cabinet looks good, however, it would look much better if it consisted of (52%) Anglo men.
- 4) Of the 642 (give or take) appointments in our North Carolina Annual Conference (27) are cross-racial, which constitute (4%). Of the 27 cross-racial appointments, eight are Africans Americans which constitute (30%); Four are Euro Americans,

which constitute (15%); Eight are Native American which constitute (30%); Six are Asians which constitute (22%); One is Hispanic which Constitute (3%).

- 5) There are thirty eight people on the conference staff, three of them are Racial-ethnics which constitute (8%); Twenty one persons on C F & A; four of them are Racial Ethnic, which constitute (19%); Twelve conference treasurers, two of them are Racial Ethnics, which constitute (17%).
- 6) Bishop, your conference Monitoring and Accountability Team offer two recommendations: One,when your conference staff hire again, every effort is made for that person or persons to be Racial Ethnic.  
Two, when there is a replacement in your conference trustees, that person or persons be Racial Ethnic.

## **MISSION DEVELOPMENT CIRCLE**

The theme challenges us to continue to live into our original vision for mission and ministry in this annual conference. "To inspire courage, cultivate generosity, and to ignite service for Christ's mission in the world" is best understood as we step into the mission programs of our conference and understand the roles God has called us collectively and individually to. The areas of ministry relating to the Mission Development Circle are: Criminal Justice and Mercy Ministries, Evangelism, Church and Society, Disaster Response, Health and Human Services, Multicultural Ministries, Ethnic and Local Church Concerns, Global Ministries Missions and United Methodist Women. Every day scores of United Methodist of the North Carolina Conference live this vision out in action. We are blessed to have so many wonderful ministries that focus on and address human need and suffering in every place.

The past year has been one that has showcased many examples of missions not only in our conference but around the world. While focusing on traditional forms of

mission we endeavor to address new issues as they arise in society and world. We have been blessed to be able to share the gospel in our prisons around the conference. We are fortunate to have those special individuals who sense this unique call to share ministry of Jesus Christ in these special places. We continue to advocate for those who seemingly have no voice in society. Today our response to disaster within our conference is a well thought out and orchestrated example of Christian love in action. From the recruiting and training of volunteers to the putting back together broken lives the MERCI Center is bridging many gaps and making possible service for volunteers and a new life and in some cases a new home for those who hurt. This year churches all across our conference have deployed teams for service on the mission field. Many have made their marks locally while others have given in Cuba, Russia, Peru, Bolivia, Afghanistan, Armenia and other parts of the world. These are but a few of the many mission efforts that are ongoing in our conference today.

We also understand that there is a major harvest in our own communities. As our communities continue to be reshaped and redefined we must continually seek new and creative ways to be in mission and ministry in all places. With a new Comprehensive Plan of Inclusiveness rolled out this year we will be presented with many new challenges to serve unmet needs in our own communities as seek to live into Gods plan for our lives and society in general.

1. Advocates a living wage for the “working poor.”
2. Partners with the NC Council of Churches to defeat the Lottery for North Carolina.
3. Promotes the moratorium of the Death Penalty in this state.
4. Urged each local congregation to have educational settings to study the Social Principles of the United Methodist Church.

William (Bill) Cottingham, Chairperson

#### **CRIMINAL JUSTICE AND MERCY MINISTRIES, COMMITTEE ON**

John Wesley challenged others to reach out and be in ministry with persons incarcerated in prison. The Criminal Justice and Mercy Ministries Committee (CJAMM) is reaching out to those persons in prison and looking for, exploring, and studying ways to see what new ministries and support for educational opportunities can be established and maintained in the future. Several committee members are involved in The Disciple Bible Outreach Ministries of N.C. This ministry continues to be an example that other Annual Conferences are following. Additionally, CJAMM is providing continued support for the Yokefellow Prison Ministry, Kairos Prison Ministry, Prison MATCH of N.C., Inc., and Epiphany Ministry, Inc. The committee hopes to support Kairos Outside and will study the possibility of funding (partially or fully) a community-based chaplain's position. In October 2004, the committee met with Betty Brown, the Director of Chaplains for the N.C. Department of Corrections. The committee also contacted District Superintendents asking them to include prison chaplains in their district continuing education programs for clergy. The committee will continue to distribute a booklet prepared and updated annually by Dr. James Waggoner listing prison ministries in N.C. A speaker's bureau has also been developed from committee members with a willingness to educate and witness to groups who are interested in more information regarding prison ministries in the North Carolina Annual Conference. From Hebrews 13:3: “Remember those who are in prison, as though you were in prison with them....”

## MARION EDWARDS RECOVERY CENTER INITIATIVES

(M.E.R.C.I.)

*As a member of the North Carolina Annual Conference, you own MERCI, the Marion Edwards Recovery Center Initiatives. So you might ask, "Just what do I own?"*

You are owner of:

- 46,000 square feet of warehouse space on 22 acres of land near Goldsboro, NC.
- Four, 4 bedroom mobile homes that you allow volunteers to live in while they serve your programs.
- 5 old pick up trucks that you let staff drive to deliver building materials to homes where volunteers are working.
- One large old delivery truck for big loads/pre-fabricated walls.
- A rather large collection of tools that you allow volunteers to use while they are working on the homes in your program.
- 4 travel trailers, one converted to a portable office, and 3 that you allow families to live in while the volunteers are rebuilding their homes.
- 2 moveable shower trailers for emergencies or areas with an overflow of volunteers.
- 25 acres of subdivision known as Strawberry Fields.
- Office equipment used to track activities associated with all the families, all the volunteers, all the materials, and all the funds used to run all your programs.

### ***As the owner, what is the benefit of all this for you?***

The greatest benefit this facility/program offers is the opportunity to share the love of Jesus Christ with the "least, the last, and the lost" of eastern North Carolina and beyond. MERCI provides opportunities that allow you:

- Who feel blessed to share those blessing with others
- Who profess to have faith, to put that faith into action
- To be the "hands and feet" of Christ here on earth in this day and time.
- To "go and do likewise". (Luke 10:37)
- To be prepared to respond to disasters in NC or in Florida or in Asia, or in....
- To empower your local church to get involved in community missions.
- The youth of our conference, to have affordable and rewarding experiences which teach you what it means to be a servant for Christ.
- To help nearly 4000 families in eastern NC to have a safe, sanitary and secure home in which to live.

And beyond the conference itself, many other states and countries benefit by your generous offerings of emergency supplies, food, clothing, books, house wares, and medical equipment. All these opportunities come with the benefit of allowing you the feeling that you DO make a difference in the world.

### ***And the question always follows-"What does all this cost me?"***

- It costs you according to your faith and your commitment to find ways to serve Christ.
- It costs you time in your volunteer service.
- It costs you time in your prayer to ask for God's guidance in MERCI's ministries.
- It costs you exposing your talents to help others less talented or skilled.

And it will cost you some of your hard earned income if you believe "that where your money goes, there your heart will also be." (Matt.6:21).

Since 1999, MERCI has operated completely outside of the conference budget. All funds have come from grants, donations or volunteer fees. (In 2004/2005, a Church and Community Grant was awarded from the Missions Team of the NCCUMC: \$28,000 which funds Neighbor to Neighbor)

It cost nearly 1 million dollars a year for MERCI to supply the needs for:

- home repair and replacement in counties all across eastern NC,
- N2N church projects in all 12 Districts,

- Footprints Summer Youth Camp,
- emergency response training and equipment,
- informational materials,
- Operating basics and employee salaries.

Bishop Edwards assured the conference that MERCI would never become a “burden”. Therefore MERCI will only be able to continue as long as you feel the benefits are worth the price. Your prayers, your time and talents, and your personal funding are what enable Marion Edwards Recovery Center Initiatives to offer Christ to the world.

On behalf of all of the families in eastern North Carolina, around the country, and around the world, thank you for your support in helping share Christ’s awesome redeeming love.

Barbara Tripp, Director, DRM/MERCI

**The mission of the Commission on Evangelism** is to assist the churches and pastors of the North Carolina Conference to witness to the saving love of Jesus Christ for all persons. To that end, the commitment of the Commission is to equip clergy and laity for the work of evangelism. During the past year, the Commission has sought to fulfill that commitment by providing scholarship and seed money to individuals, churches, and districts to assist with a variety of training opportunities and programs in evangelism, and to provide education and resources to increase the knowledge and abilities of our people.

The denomination’s **Igniting Ministries** program continues to provide a platform for creativity in evangelism and outreach. Across our Conference, billboards, targeted mailings, printed media advertising, radio and TV spots, all communicate that the hearts, minds, and doors of the United Methodist Church are open, and invite persons outside our Church to come join the family.

In September, the Commission was privileged to have as our guest speaker the Rev. **Dr. Kwasi Kena**, Director of Evangelism for the General Board of Discipleship. Dr. Kena shared with us some information about a new project in development which aims to provide a structured way of growing transformational leaders.

Since our last report, the third annual **Academy of Christian Witness (ACW)** was held March 8-10 at the Bergland Retreat Center. The goal of ACW is to train pastors to become more effective evangelists and equippers of witness-minded laity. This year’s workshops included: natural church development; worship as evangelism; pastoral leadership in evangelism; the personal spirituality of the pastor-evangelist; evangelism and local mission; personal faith-sharing; and witnessing to post-moderns. This year’s presenters included: Marty Cauley, Dean of ACW and Director of Ministries with Young People, SEJUMC; Vic Culberson, pastor of Moyock UMC; Vann Spivey, Chairperson of Evangelism and pastor of Christ Community UMC; Tim Reaves, Associate Dean of ACW, former Denman Award winner, and pastor of the Bladen Charge; Laura Early, pastor of All God’s Children UMC; David Beck, pastor of Hertford UMC; Ray Warren, pastor of Orange UMC; and Lawrence Johnson, Director of Multicultural Ministries. In addition, Bishop Alfred Gwinn was the keynote speaker at the Denman Award Banquet, held during ACW. All ACW participants received quality evangelism and leadership resources, including books by Eddie Fox, Andy Stanley, Christian Schwarz, and George Hunter. ACW participants are nominated by their district superintendent or a member of the Commission on Evangelism based on the promise they have shown in evangelism. Full scholarship support is given so that training is available to all pastors.

The Commission has requested an increase in funding for the 2007 conference year in order to expand our ministry. We hope to offer three ACWs in 2007: one for

pastors, one for laity, and an advanced ACW for past ACW graduates.

The North Carolina Conference remains one of the few in the United Methodist Church to report net membership growth year after year. Making disciples is the command of Christ and must be the primary mission of the Church. The Commission on Evangelism seeks your prayers and support as we do our part to fulfill that mission by continuing to faithfully equip all United Methodists in the North Carolina Conference to share their faith in Jesus Christ.

### **HISPANIC MINISTRIES TEAM**

On November 16, 2004, members of this committee met with the Bishop and other conference leadership and agreed that it was time to take a moment to pause, "SELAH" and rethink how we will continue to reach out to the Latin@s and bring them into our churches with a message of grace, love, and hope in Christ Jesus.

A strategic planning process was initiated and two consultants responded to our invitation to come and help us develop an accurate picture of our strengths, weaknesses, and most importantly, opportunities for continued support and development of current and prospective ministries vital to carrying out the great challenge of Christian discipleship, and spiritual formation within the rapidly growing Latin@ population in North Carolina.

Their report reflects a great openness to Latin@ ministries on the part of non-Latin@ churches currently embracing these ministries throughout the conference. There is also a strong commitment on the part of conference leadership to support Latin@ ministries. A common purpose in seeking God's continued guidance for future ministry in such an important area of evangelism and outreach is evident.

This committee is committed to serving our conference with continued information gathering of ongoing activities and opportunities. We desire open, honest, and constant communication between the Latin@ and Anglo congregations and leadership, keeping us true to our need for connectionalism. We offer our love and our service in standing with the pastors, lay missionaries and parish associates, and congregations in every way possible so that all might be encouraged, edified, and strengthened. We continue in the vision of the National Plan for Hispanic Latino Ministry toward a church, intentional in its goal to make the United Methodist Church truly inclusive, as one body with many cultures joining together not just with our words, but by making room in our hearts and in our sanctuaries for one another. "A cord of three strands is not easily broken." (Ecclesiastes 4:12) This is a time of coming together for God's purposes.

### **MISSIONS TEAM**

The people known as United Methodists have been engaged in outreach and missions through an incredibly diverse plethora of specific activities. Within the bounds of the N.C. Conference and beyond, God's Spirit, working through the connection of our United Methodist church has transformed lives, individually and collectively, those served by our outreach ministry and those who have served. Because we have sought the Christ who says that he can be found in the "least," we have discovered life in the midst of death, found hope in the realm of despair, and have

learned what it is to be a people who believe that God's kingdom really can be formed "on earth as it is in heaven."

Although it is an impossible task to fully measure or completely capture this story of mission, particularly in regards to the activities of individual congregations and specific lives, we can name a portion of our collective journey. Through your outreach efforts, we have claimed that we are a church that sees the possibility that there be no hungry neighbors in our midst. To this end, you provided over \$460,000 for hunger relief right here in North Carolina, funds used by the food banks in our conference and through the ministry of Society of St. Andrew. This is over four million meals that you offered to God's hungry children. In your outreach to proclaim that Jesus is Lord, you have brought ministry to ex-combatant child soldiers in Liberia, children who, out of your efforts, now proclaim and celebrate the love of Jesus rather than raising weapons and killing. In great measure, because you care, people who have no where else to turn are once again receiving medical care at Ganta Mission Hospital. This medical ministry that hatred sought to suppress and war sought to destroy, goes forward, uplifted by God's love lived out through your lives and the lives of North Carolina supported missionaries. It is your love that has provided weekly food assistance for over 2500 of the world's most vulnerable children in Zimbabwe, orphans who, except for you, would go forgotten and neglected. Another 1282 children are given a future through education, because you loved enough to provide school uniforms and over 2000 school kits. A congregation of 300, most who are living on dirt floors and under leaking roofs in a half-million person slum, will soon have a safe and secure place to worship, because you knew that your church extended further than the walls of your own sanctuary. Around the world, in places like Russia, Costa Rica, Jamaica, Bolivia, Mexico and France, as far as Guyana and Belize and Estonia, or as close as Kentucky and Tennessee, you were in ministry. Through love lived out in the touch of your hands and the journeys of your feet, through the outreach ministry of scores of UMVIM work teams from across the NC Conference, you provided hundreds of persons safe and secure housing, you dug wells, you built churches and repaired schools, you taught children and proclaimed the gospel, and most importantly, you loved as Jesus loves, and because you loved, many now know that same saving grace. Your love cared for hurricane victims in Florida and orphans in Armenia. Your love reached out across the world and claimed life for those whose existence seemed decimated by a killing tsunami. Your love is evangelical. Your love is apostolic. Your love is in Him and from Him who is life, the light for all people, the light that shines in the darkness, so much so, that the darkness does not overcome it. This is the story of missions. This is the story of the North Carolina Conference in love in the world.

## **MULTICULTURAL MINISTRIES**

Many, many are the walls and barriers that still keep us apart from each other because our class, race, gender, ethnicity, language, etc. We as the people of God need to keep asking for God's forgiveness but at the same time need to keep using the best of our imagination remembering that we are already one in Christ because Christ "has broken down the dividing wall, that is, the hostility between us." (Eph. 2:14)

Bishop Gwinn is leading us with a renewed and challenging vision for inclusive ministry as he affirms and understands the concerns of each ethnic ministry. There are 27 pastors serving in cross-racial appointments in our Conference. A summary of the Comprehensive Plan of Inclusiveness (CPI) approved at the 2003 Annual Conference has been distributed to the groups that were identified.

Each of the ethnic groups - Native-American Ministries, Strengthening the Black Church, Hispanic/Latino Ministries, and Korean Ministries - is developing the CPI plan that should be ready for the end of December 2005.

We have sponsored the participation of several of our ethnic/racial leadership to attend leadership conferences across the country like the Healthy Church Conference in Texas in which our delegation was one of the largest. We have participated in the Quadrennium Training of the SEJ in Georgia with representatives of Ethnic Local Church Concerns (ELCC), Religion and Race, and the Commission on the Status and Role of Women (Monitoring and Accountability.) Members of the conference Hispanic Team participated in Fiesta 2005 in Dallas, TX.

Hispanic Ministries is in the process of evaluating what has been done to date in our attempt to revise plans and ministry for the future.

CPI funds have been awarded to 17 ministries in the areas of Spiritual Formation, Racial Awareness, Leadership Training, Education and Assistance. Applications for these grants can be found online with deadlines for the fall (Sept. 30) and spring (March 31). Access for the CPI guidelines and applications can be found at <http://www.nccumc.org/multiculturalandsocialministries.htm>.

We should celebrate that we have a new racial ethnic congregation development in the Elizabeth City District.

A word of appreciation for our new Director, Dr. Lawrence E. Johnson for his leadership and sensitivity. To God be the Glory!

#### **NATIVE AMERICAN MINISTRIES TEAM**

The Conference Committee on Native American Ministries continues to broaden the vision of the work of Native American Ministries in our conference. The primary focus will be involving our churches in both corporate and individual ministry. The core areas of focus will continue to be on leadership development, evangelism, congregational development and missions and outreach to the community. Task oriented Christian leadership, evangelism and witness, will continue to be the most effective tool used for translating our dreams into reality.

We accept the challenge of providing opportunities for the leadership of our churches to become involved in spiritual leadership in a new and more dynamic society. Church leadership is addressing a new type of challenge as economic opportunities diminish in our communities. We struggle to find new ways to address these new and rapidly increasing issues. We are challenged to understand our unique gifts and graces and how we might apply them to these new problems that we have not known before. The goal of this deployment is always to serve God in their local congregations and beyond with the results being growth and commitment. We want our membership to be involved in spiritual enrichment and leadership development programs.

The Native American Interfaith Ministry efforts we entered into three years ago have now begun to produce significant results in the community. More than 125 congregations are working cooperatively to address five core areas of need in the Native American Community that have come about primarily because of "Spiritual Depletion" in the lives of many in our community: homelessness, domestic violence, the spread of STD within the Native American community, substance abuse and suicide prevention. We are now aggressively addressing these five goals as we work with a team of health care, Faith-based, education and social professionals.

We continue to develop local, national and international mission opportunities for our local church members. The youth of our congregations are now organizing and planning challenging agendas to address their most pressing needs. Our youth have now extended their focus area within their own local church and beyond addressing some of the needs of our communities, particularly for the elderly.

## **PERU COVENANT, TASK FORCE ON**

The Covenant relationship between the North Carolina Conference and the Methodist Church of Peru (Iglesia Metodista del Peru) is now in its sixteenth year. In 2005 the Peru Covenant Task Force is reorganizing itself in order to assess and re-evaluate this mission relationship. Many years of partnership have developed close ties between particular congregations of North Carolina and congregations in Peru. These relationships have led to building teams, medical teams and teaching teams.

In March 2005, Luis Reinoso (a native Peruvian and member of the NC Conference) and Mark Wethington traveled to Peru and met with leadership of the IMP in order to discuss the past history of the Covenant, present relationships, and future hopes and expectations. This meeting will prove to be essential in our conference evaluation of this mission relationship and how it might be sustained in years to come.

In March 2005, the Southern Pines UMC took a team of fourteen members to Lima to continue the construction of a Sunday School/parsonage building in a shanty, Jose Olaya, on the outskirts of Lima. At the same time, this congregation also conducted three days of a medical clinic for women and taught a Sunday afternoon Bible School for over 50 children. In 2004, the Southern Pines UMC built the first stage of the building and conducted a pediatric clinic in two shanty areas, serving some 300 children.

In addition, for the past four years, a team of students from the Duke Divinity School have spent Spring break in Peru assisting in a teaching seminar, led by Dr. Kristin Herzog and Dr. Mark Wethington. In March 2005, five students were part of this teaching team and taught 40 Methodist lay pastors for four days in the area of Ica, south of Lima. The topic of teaching was "Women, Children and the Bible."

The Peru Covenant Team eagerly welcomes persons to share in these mission opportunities and in helping to sustain a historically strong and meaningful relationship.

Luis Reinoso & Mark W. Wethington, Co-Chairs

## **STRENGTHENING THE BLACK CHURCH**

At the February 2004 General Conference briefing on the five ethnic initiatives, of which Strengthening the Black Church is one, Rev. Mark Nakagawa, executive director of the National Federation of Asian American United Methodists stated: "The growth edges for this millennium, for this century, will come from racial-ethnic communities. Therefore, the growth edges of our church will come from these communities as well. These initiatives are a gift to the church." The SBC committee does see the Strengthening the Black Church (SBC) initiative as a gift to the church because it focuses on building the kingdom of God.

Leadership formation for lay people and clergy has been a priority of the Strengthening the Black Church initiative. The SBC Committee of the North Carolina Conference has embraced this priority and is working on plans to provide leadership training for our Conference. Our Convocation on the Black Church is scheduled for September 23-24, 2005 at Hay Street UMC in Fayetteville. The theme for this event is "Developing and Equipping Effective Leaders." Our scriptural theme is Ephesians 4:11-12 which reads:

"And He Himself gave some to be apostles, some prophets, some evangelist, and some pastors and teachers, for the equipping of the saints for the work of ministry, for the edifying of the body of Christ."

On April 30<sup>th</sup> the SBC committee is sponsoring a Resource Workshop. Representatives from the several General Agencies of the denomination will be on hand to provide information on how local churches can be resourced by their agency. This workshop is targeted for Pastors, Lay Leaders, Chairs of the Administrative

Board\ Council and Mission Outreach Coordinators. This event will be held at John Wesley UMC in Fayetteville.

In 2003, the Annual Conference approved the Comprehensive Plan of Inclusiveness. In 2005, each of the Ethnic Ministry Teams is encouraged to develop a four-year comprehensive plan. The SBC committee is putting together a writing team to accomplish this task with an expected completion date of year-end.

As I write this report we are celebrating Black History Month. As a part of the celebration, my local church looked at the historical timeline of Methodism. We saw the 1939 date when the church created the Central Jurisdiction, a racially segregated, nongeographical jurisdiction for African-American churches in the denomination. The Black Church brings a wonderful heritage of faith to this denomination by choosing to remain in a church that celebrated one body and one baptism but yet segregated a portion of the church. How can we sing a song about Zion in a weary land? Look to the Black Church for the answer.

LaNella Smith, Chairperson

### **UNITED METHODIST WOMEN**

Two thousand four was a year of celebration of United Methodist Women and its predecessor organizations being in mission for 135 years. Throughout the year, local units and districts had birthday celebrations. The annual meeting was centered around 135 years in mission.

The theme for 2004 was "Ordinary People with and Extraordinary Mission: Expanding Mission". The United Methodist Women of the North Carolina Conference expanded missions in several ways. We again exceeded our pledge to mission by submitting \$464,430.84 to Women's Division. An additional \$34,494.13 in designated given was sent. The Wilmington District collected textbooks for students in Liberia. Several districts visited Robeson County Church and Community Center to take items for their food and clothing pantries and to do hands on ministry. Some districts helped pack kits at M.E.R.C.I. in Goldsboro. The local units help raise over \$150,000 for the Methodist Home for Children on Sharing Sunday in February.

For the first time in recent history, an event was canceled. The 39 and Under Event was canceled due to snow in February.

At the end of each quadrennium, each jurisdiction has a meeting to elect officers of the Core Planning Groups. In March, 2004, 65 women from this conference attended the Southeastern Jurisdiction meeting in Louisville, Kentucky. The theme was "Vessels in Mission". There was preaching, Bible study, communion, and workshops. Each person left with a piece of pottery. Sonja Tilley, former president of the Burlington District, was elected to the committee on nominations for the Southeastern Jurisdiction Core Planning Group. Emily Innes, immediate past president of the NC Conference United Methodist Women, was nominated to Women's Division. She was formally elected to Women's Division at the Southeastern Jurisdictional conference at Lake Junaluska in July.

In April we had our Racial Justice Workshop at Apex United Methodist Church. The focus was on Hispanic ministries.

Two hundred fifty-two women attended the Spiritual Enrichment Retreat May 14 and 15 at Louisburg College in Louisburg. The Rev. Lily Chou, Wilmington District inspired us with scripture and music.

June 17-20 the executive committee, the dean and assistant dean of the conference School of Christian Mission, and study leaders traveled to Huntingdon College in Montgomery, Alabama, to attend the South Atlantic Regional School of Christian Mission. We were introduced to our 2004-2005 mission studies

(Concerning Prayer, Public Education and Cuba). The elected officers also received updated information for their offices.

Over 230 persons attended the NC Conference School of Christian Mission at Methodist College, Fayetteville, NC.

The annual Mother and Child Retreats were held September 17-19 at Camp Chestnut Ridge and at Camp Don Lee. There were workshops on various topics, arts and crafts and recreational activities.

The year culminated with our annual meeting on October 9 at Methodist College, Fayetteville. We welcomed Bishop Al Gwinn and his wife, Joyce; celebrated the works of local units and districts; collected kits (health, sewing, school, layettes), flood buckets; food and clothing. Districts were recognized for the number of women who participated in the reading program and in mission studies. New officers were elected and installed. The book of reports was dedicated to the late Elizabeth Moore of the Wilmington District. She served United Methodist Women in North Carolina Conference in many capacities.

The last event of the year was district officer training at Duke Memorial United Methodist Church, Durham, in November. This is to prepare our district officers for their duties of the coming year.

## **SPIRITUAL FORMATION AND LEADERSHIP CIRCLE**

The mission of the Spiritual Formation and Leadership Development Circle is to: **Inspire, nurture, and empower individuals and Christian communities to become centers of spiritual formation and transformational leadership in the image of Christ for others.**

Goals and Objectives of the Spiritual Formation and Leadership Development Circle:

1. Intentionally engage in worship, Bible study, prayer, ministry with the poor, teaching, and shalom in local churches and communities
2. Develop creative support spiritual communities
3. Provide opportunities for clergy and lay members of the annual conference to develop leadership skills to work with local churches and communities
4. Develop spirit-filled dynamic leaders who can influence people to love God and serve their churches and communities effectively

The SFLD Ministry Circle continued the challenge of understanding its roles and functions relative to the Connectional Table and the North Carolina Annual Conference. In two meetings during the year, we focused intentionally on gaining that understanding and sharing our mission and ministries. Working with our staff person, Sue Ellen Nicholson, we found the roles and functions becoming more clear as we began to focus on our mission and goals and how to accomplish them. Attendance at meeting was much higher this year than in the past and exciting programs and ministries are bubbling up from grassroots levels. Most of the ministries in this Circle work independently to carry out their missions.

The laity ministries, adult, older adult, youth, and children ministries have experienced growth in attendance at events and these ministries have engaged in creative worship services, Bible study, prayer, assisting those in poverty, and working to establish peaceful solutions to individual and group problems. The camping and outdoor ministries group is transitioning into a dynamic, creative supportive community open to all ages and communities with a focus on spiritual formation and leadership development for lay and clergy members of the Annual Conference. The Stewardship

committee had developed a certification process for laity in recognition and work of being "Good Stewards." Christian Education through campus ministries and the Higher Education Commission is reaching a very large number of students on college campuses across the state of North Carolina. The campus ministers are working to increase the number of students attending church related schools. These efforts will result in the development of spirit-filled dynamic leaders for now and in the future. The Worship committee mainly worked on providing opportunities for lay and clergy members to the Conference to engage in meaningful worship services during the Annual Conference meeting in June. Wellspring has several initiatives designed to develop creative supportive spiritual communities, leadership skills, and spirit-filled dynamic leadership to serve our local churches and communities. Events and opportunities are offered to keep lay and clergy members inspired, nurtured and enlightened.

The Ordained Ministry continued their work of making sure candidates for the ministry are prepared academically, theologically, and psychologically to lead and develop churches in such a way that influences people to love God and serve their churches and communities effectively.

This report is an introduction and summary of the Spiritual Formation and Leadership Development Ministry Circle's work during the past year. In the pages which follow, each ministry within the SFLD Ministry Circle will provide greater details of its work to Inspire, nurture, and empower individuals and Christian communities to become centers of spiritual formation and transformational leadership in the image of God for others.

## **CHILDREN'S MINISTRY TEAM**

In children's ministries we celebrate...

"Through the Eyes of a Child" workshop for workers with preschool age children held August 2004 with close to 120 participants. The workshop will be expanded in 2005 to include afterschool programs and thus become a *Weekday Ministries with Children Workshop*.

The Hand in Hand project, our intensive work under the Bishops' Initiative on Children and Poverty, in collaboration with the Western NC Conference UMC, Methodist Homes for Children and Communities in Schools, works toward developing partnerships between churches and schools to meet the needs of children and their families. Susan Pennock has served as the Project Director for the North Carolina Conference. The grant funding provided by The Duke Endowment will be exhausted by the end of 2005 so the Hand in Hand Project in its current structure will be discontinued. Attention to this ministry and mission option for local churches will be continued through the Conference Children's Ministry Team.

Continued commitment to the Bishops' Initiative on Children and Poverty and local church efforts to reach out to children and the impoverished beyond their four walls. A Children's March on the State Capitol is being planned with the Western North Carolina Conference with a projected date of summer, 2006. More information will be forthcoming in this regard.

The children's ministry page on the Conference website. During 2005 this will be enhanced with Safe Sanctuaries materials.

The work of the Conference Safe Sanctuaries Task Force. (See related report)

We celebrate all that local churches are doing in ministry to, with and by children as we welcome every child in Jesus' name!

## CHRISTIAN EDUCATORS FELLOWSHIP

The Christian Educators Fellowship of the United Methodist Church (CEF) is a fellowship of "nurturing, supporting, challenging, and advocating for persons with responsibility for fostering discipleship through Christian education." Through our North Carolina Conference chapter of CEF we nurture, support, and challenge one another in our monthly gatherings and annual retreat. During this past conference year we shared insights and practical advice on "Sunday School for Life" and dealing with stress. We literally began 2005 with a clean slate as we decorated clay tiles and reflected on the marks that God and others put on our lives. We spent a day at MERCI working and learning about the Center. Several of our members attended the national Christian Educators Fellowship Conference in New Orleans and returned to share their insights and new understandings with others in the chapter and in their churches. Carol Hayes joined us for our annual retreat and led us in "A New Direction for Leadership: Coaching in the Church." We also enjoyed our traditional Christmas luncheon and spring book review. We look forward to gathering as a chapter during Annual Conference. We encourage anyone with responsibility for Christian education and formation to become involved in CEF—it's good food for the hungry soul.

Joyce Horn, NC CEF Chapter President

## CLERGY COUNSELING AND CONSULTATION, COMMISSION ON

Upon the direction of the 2000 Annual Conference, this commission established the Clergy Counseling and Consultation Service (CCCS) January 01, 2001, and employed Jane Clark Moorman, MSW, LCSW, BCD as Director. The primary purposes of this service are to meet the emotional/psychological needs of clergy and their families and to provide mental health consultation to assist clergy with their pastoral counseling work.

Ms. Moorman provides assessment, counseling, psychotherapy and referral services for pastors and members of their families within the context of their own faith perspective. In 2004, more than 150 clergy and family members representing 144 clergy family units (19% of our clergy under appointment) used her services. Since the CCCS began, more than 500 persons have received Ms. Moorman's assistance concerning a wide range of personal, family, and church-related problems. These include anxiety, depression, grief, marital conflict, parent-child problems, sexual concerns, moving and transition difficulties, professional identity and congregation-related issues. In addition, she provides consultation to clergy concerning problems that arise in their pastoral care and counseling work as well as other difficult matters that come up in the practice of ministry.

There are no fees for these services since the 2000 Annual Conference voted unanimously to fund this program to provide support for our clergy. All of our clergy, including pastors serving churches throughout the Conference, those in appointments beyond the local church, and retired clergy, are eligible for these services. Ms. Moorman continues to develop a network of mental health providers across our Conference who also understand the particular stresses of clergy families and can provide professional services for them when referral is needed.

**A policy of strict confidentiality guards the privacy of each person who contacts the Service or seeks consultation, counseling/psychotherapy, or referral.** In order for information to be released concerning anyone's contact with the Service, that person must give written authorization prior to such release. This is extremely important in our itinerant appointment system, and Ms. Moorman adheres to this policy closely. As Director, she is responsible only to the Annual Conference and reports through this Commission.

The office is located at 2804 Montgomery Street in a Durham residential community which is easily accessible from Interstate routes 40 and 85. If you wish further information, would like to consult by phone with Ms. Moorman, or make an appointment for a visit, please call the toll-free number: 866-440-4200 or the local number: 919-402-4200.

At the time of this writing, there is an existing recommendation from the Budget Committee of the Council on Finance and Administration that the funding for the Clergy Counseling and Consultation Service be eliminated when current funding approved by the Annual Conference expires at the end of 2006.

Ted R. Kunstling, M.D., Chairperson

#### **CONFERENCE RELATIONS, COMMITTEE ON**

The Committee on Conference Relations has as its primary responsibility the assisting of any clergy who seek to change or terminate their relationship with the Annual Conference. Changes in conference relationship may occur in any of the following ways: 1) discontinuation, 2) leave of absence, 3) retirement, 4) sabbatical leave, 5) maternity/paternity leave, 6) family leave, 7) termination of conference relationship (surrender of credentials), 8) honorable location.

The Conference Relations Committee meets with the person who is seeking a change in conference relationship upon the request of that person, or upon request of the Cabinet or the Board of Ordained Ministry. The committee attempts to determine what is appropriate in each case by posing questions, offering counsel and providing support. The committee then discusses the request and acts upon it by making a recommendation to the Board of Ordained Ministry. In any event, the person requesting the change and the Conference Relations Committee acting on the request must follow the requirements in *The Book of Discipline*.

*The Book of Discipline* provides specific guidelines applying to each of the categories of conference membership. All those persons in the various categories of conference membership (other than the effective relationship) should remember to familiarize themselves with, and adhere to, the disciplinary guidelines which apply to that category. The Committee on Conference Relations issues a yearly reminder of these guidelines through a letter approved by the Board of Ordained Ministry at its annual meeting. Following the appropriate guidelines is particularly important for clergy on leave of absence; for these persons, exercise of any ministerial function is restricted to the Charge Conference in which their membership is held. The Conference Relations Committee would take this opportunity to reiterate that pastors on leave of absence cannot perform weddings, conduct funerals, or administer the sacraments outside the bounds (both geographical and membership bounds) of that charge conference.

Every spring (since 1987) the Conference Relations Committee has hosted a luncheon for those who will be retiring from the North Carolina Annual Conference at the June session of that year. At this luncheon, the retirees and their spouses are informed about various matters relating to their retirement such as insurance, housing, and pension benefits. This year's retirement luncheon was held at St. Luke United Methodist Church in Goldsboro on Tuesday, May 03, 2005.

Thomas G. Holtsclaw, Chairperson

#### **CONTINUING EDUCATION, COMMITTEE ON**

The Continuing Education Committee of the Board of Ordained Ministry has the responsibility of developing continuing education programs that will enable ministers to fulfill the Disciplinary requirements. According to the Book of Discipline, "Clergy shall be

expected to continue their education and spiritual growth throughout their careers, including carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities.” The Discipline further states that, “In most cases the ordained ministers’ continuing education and spiritual growth program should allow for such leaves at least one week each year and at least one month during one year of each quadrennium. Such leaves shall not be considered as part of the ministers’ vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, district superintendent, and Annual Conference Continuing Education Committee.”

In providing the resources to enable pastors to meet the minimum requirement of The Discipline, the Committee on Continuing Education has edited a brochure that applies to all clergy and diaconal ministers of the NC Annual Conference. The brochure contains information defining Continuing Education, the role of the local church, and how the pastor’s continuing education can be financed. The brochure is printed as part of this report.

### **Continuing Education for Ministry in the NC Annual Conference:**

**Rationale:** A prime expectation of every minister of the NC Annual Conference is professional growth. In recent years, one of the major avenues through which such growth occurred has been continuing education. In The Book of Discipline it states, “There are professional responsibilities that elders are expected to fulfill and that represent a fundamental part of their accountability and a primary basis for their continued eligibility for annual appointment. Growth in vocational competence and effectiveness through continuing formation is expected of conference members.”

**Definition:** Continuing education is defined as an organized structured program of formal study under competent leadership with clearly defined goals and objectives. Here the key words are “organized,” “competent leadership,” and “clearly defined goals and objectives.” By this definition certain activities, though worthwhile, are not considered “continuing education”; e.g., degree programs, recreational programs, promotional meetings, worship services, entertainments, undirected reading, and study travel (except for limited lecture, seminar, or workshop time), and the like.

### **The Conference Program:**

The Conference Board of Ordained Ministry, through the Committee on Continuing Education, performs three functions: 1) it sets minimum continuing education standards for ministry; 2) it establishes guidelines for continuing education; and 3) it seeks to insure their availability.

1. **Minimum Standards:** The NC Conference has established as a minimum standard one Continuing Education Unit (CEU) to be earned by each minister from an approved continuing education program each year. One CEU is defined as ten contact hours of participation in an approved continuing education program.
2. **Guidelines for Continuing Education Programs:** CEUs will be approved for those persons sponsored by organizations which are accredited by a) a regional educational agency (such as the Southern Association of Colleges and Schools), b) a professional accrediting agency (such as the American Medical Association), or c) the Council on the Continuing Education Unit. It should also be noted that only those programs which relate directly to ministerial growth and development will be approved.
3. **Insuring their Availability:** Efforts by the Board of Ordained Ministry to insure the availability of continuing education programs include encouraging conference-related and other colleges within the Conference bounds to offer courses for ministers, providing supplementary financial aid for ministers, publicizing approved programs, and identifying specific subject areas for needed programs.

Role of the Local Church: In addition to the minister, the local church has a significant stake in the success of continuing education programs. The local church, therefore, has an important role to play in continuing education.

**The Pastor-Parish Relations Committee of the Local Church:**

1. Confers with the pastor and the district superintendent in the development of a continuing education program that will enhance the total ministry of the church.
2. Provides study leaves at least one week each year and at least one month during one year of each quadrennium. Such study leaves are not to be considered vacation time.
3. Recommends to the church's Finance Committee budgetary funds to be applied toward the minister's continuing education program. In providing funds for continuing education programs, the Pastor-Parish Relations Committee should insure that only those programs which meet both the definitions and specific guidelines above are funded.

**Financial Aid to Clergy:**

Funding for continuing education is the combined responsibility of the participant, the congregation, the sponsoring institution, and the Annual Conference. Conference funds for continuing education are derived as a portion of conference apportionments. Thus, it is not possible (nor is it desirable) for the conference to assume a major responsibility. Continuing education can be expensive. For this reason, local churches are encouraged to provide a minimum of \$300.00 annually for each clergy and diaconal ministers' continuing education.

All persons under Episcopal appointment to charges, conference staff positions, Conference Evangelists, retired supply, and Extension Ministries appointed to conference-related agencies and institutions are eligible for grants from the Conference funds provided:

1. The program meets the definitions and Conference guidelines described above.
2. The applicant has documented his or her efforts to secure funding from other sources, including local church, Duke Endowment, and personal resources.
3. The application for a grant is filed on the appropriate form which furnishes complete information about the event and bears the signatures of the applicant, the Pastor-Parish chairperson, and district superintendent.

**Continuing Education Grant Guidelines:**

1. The maximum grant to an individual applicant over one conference year is \$300.00
2. Grants are available for ordained, commissioned, licensed and diaconal ministers who receive less than the CAC (Conference Average Compensation), which includes salary and utilities, or less.
3. Applicants must use all funds designated by their local congregation or employing organization prior to requesting Conference grants.
4. Grants for District Continuing Education Seminars shall be limited to \$100.00, based upon the availability of funds, regardless of the number of CEUs involved and within the limits outlined in #1, 2, and 3.
5. Grants for Clinical Pastoral Education (CPE) can be given when the CPE program offers the required CEU credits. No more than \$300.00 per CPE unit will be granted in any given year. Grants for CPE are given only for non-degree programs.
6. Holy Land Trips: A grant according to the current policy may be made once in a pastor's career, providing funding is available.

**Monitoring Continuing Education Units:**

1. The district superintendent, in annual consultation, may suggest to the clergy or diaconal minister the area of continuing education he or she should take to facilitate his or her professional growth. The pastor's annual Continuing Education Report will be given to the district superintendent at the annual consultation or other appropriate time.

2. Clergy shall have the responsibility for securing from the institution granting Continuing Education credit a record of earned credit and providing a copy of this record to the Office of Ministerial Relations.

3. It is the responsibility of each participant to determine, in consultation with the Committee on Continuing Education, if a proposed program meets the criteria prior to participation and funding.

#### **ENLISTMENT, COMMITTEE ON**

A simple look at the ages and faces of clergy in The United Methodist Church helps all to understand the truth of the statistical projections indicating a tremendous loss of clergy through retirement over the next eight to ten years. The primary concern of the Committee on Enlistment is to raise the consciousness of our constituency within the bounds of the North Carolina Conference so that identification and enlistment of ordained ministers is an ongoing concern that touches every dimension of our church. In keeping with this goal the Committee on Enlistment can provide guidance and encouragement in the process of clergy enlistment. However, the primary responsibility for identifying youth, young adults, and second career adults who need to answer God's call upon their lives falls upon local church pastors, laity in the local churches, and campus ministers.

All too frequently, people place God's call to the ministry behind economic or security concerns. Sometimes others that are close to that person are more aware of their calling than the person themselves. The role of individuals and Pastor-Parish Relations Committees in local churches is to confirm the claim of God upon those that are called and direct them to their local church pastors, District Superintendents, and District Committees on Ministry.

During each even-numbered year, the denomination offers an event designed to help persons who are "exploring" a call to ministry. The 2006 Exploration event is scheduled for November 17-19, 2006 in Jacksonville, Florida. The Exploration weekend is designed to help one explore the call to ministry, discover one's giftedness for ministry and ways in which to fulfill the call.

There are other spiritual encounters that have been helpful to persons defining a call to ministry. Disciple Bible Study and Emmaus Walk events have awakened and provided opportunities to hear and respond to God's call in one's life.

The Committee on Enlistment encourages all pastors and committed laity to assist God in facilitating the process of discovery. To assist those whom Christ has called into His service is a high and holy commitment.

#### **ITINERANT CLERGY MOVING EXPENSE, COMMITTEE ON**

##### **EFFECTIVE DATE - JUNE 1, 2005**

The Itinerant Clergy Moving Expense Committee met to study moving expense needs and policies.

The Committee makes the following recommendations.

##### **I. Eligibility**

- A. Pastors of local churches continuing under appointment to local churches within the Conference, district superintendents, and Conference ministerial staff whose salaries are paid from the Conference treasurer's office.
- B. Pastors in section I.A. who become Conference Evangelists upon moving from an appointment to new residence. Their moving expense to return to any of the above categories will also be paid.
- C. Pastors in section I.A. who retire from serving appointment or who assume ap

proved incapacity leave or return into active service from approved incapacity leave.

- D. Widows or widowers of **those identified** in section I.A. upon moving from place of appointment to new residence.
  - E. Pastors moving into an appointment in the North Carolina Conference to assume full-time or student appointments under section I.A.
  - F. Interim Supply pastors
  - G. Pastors being appointed to leave of absence are entitled to moving expense for one leave of absence.
  - H. **Pastors** who are called to active military duty will be entitled to moving expense at the time of call up, if need be, and at the time of return, if need be, if not covered by the military, with substantiation of the military orders.
  - I. Persons moving who are not defined above will not be eligible to make claim.
- II. Payment of Claims
- A. All reimbursements must be substantiated with paid receipts for actual moving expenses. All reimbursements must be for expenses which are deductible for income tax purposes according to Internal Revenue code, Section 217, non-taxable fringe benefits. Payment will be granted to all who are eligible to make claims as follows:
    - 1. Active itinerant clergy in section I.A., I.B., I.E., I.F., I.G. and I.H. (except retiring clergy, widows, widowers, and clergy couples) will receive reimbursement of costs up to \$1,500.00 with submission of paid receipts for actual moving expense.
    - 2. Retiring itinerant clergy, widows, or widowers will receive reimbursement of costs up to \$2,200.00 with submission of paid receipts for actual moving expenses. The retirement amount may be granted upon request when taking incapacity leave in lieu of receiving the retirement benefit at retirement.
    - 3. Itinerant clergy couples will receive reimbursement of costs up to \$1,750.00 with submission of paid receipts for actual moving expenses. If only one member of the clergy couple is re-appointed, section II.A.1. will apply.
  - B. Travel: Mileage is reimbursed at the standard IRS rate for moving expense deductions. This rate may be paid per mile per vehicle for a single trip to move each vehicle to the new residence. If a vehicle is used to move household goods, i.e., in lieu of a moving company, additional trips may be reimbursed as necessary. The per trip mileage will be computed from appointment to appointment, or from the Conference boundary to the appointment, or from the appointment to the residence/Conference boundary (in case of retirement), whichever is less. Either the mileage as described above or actual out of pocket expenses for gas, oil, etc, may be reimbursed from the Conference boundary.
  - C. IRS guidelines require that moving expense reimbursements be reported on a W-2. Based on recommendation from legal counsel and their consultations with the Internal Revenue Service, we recommend that the W-2 be issued by the local church. The Conference Treasurer will provide to the local church all moving expense information to be reported on the W-2. The Conference Treasurer will make payment to the new local church appointment. The new local church will pay the clergy and include the moving expense on the W-2 that they issue to the pastor at the end of the year. In absence of a new appointment, payment will be made to and reported by the old appointment. The Conference treasurer will make this payment as soon as the district superintendents have received the completed document, "So You're Moving" checklist properly signed along with all appropriate receipts to substantiate expenses. This will fulfill the **2004 Discipline**, ¶2532.4, which states "The chairperson of the board of trustees or the chairperson of the parsonage committee, if one exists, the chairperson of the committee on pastor-parish relations, and the pastor shall make an annual review of the church-owned parsonage to ensure proper maintenance." Moving expense funds

will be withheld by the Conference treasurer if the district superintendent determines that the parsonage was inadequately cleaned or was damaged beyond normal wear and tear. If an inspection by the district superintendent and the pastor-parish relations committee or the parsonage committee reveals monetary needs for cleaning or repairs, or for having the fuel tank filled, the remaining balance of the moving expense due said pastor shall be made payable to the respective district to pay for needed cleaning or repairs. If the district superintendent or the moving pastor is NOT in agreement with said pastor-parish relations committee or the parsonage committee, the superintendent may request the arbitration committee of the clergy living committee to inspect the parsonage involved and give an impartial recommendation.

- D. The Conference treasurer will make an advance payment up to \$600.00 to eligible itinerant clergy to cover the expense of deposit and fees for moving expenses prior to their move, upon approval by the district superintendent. Those receiving an advance must substantiate their expenditures, and any money that is left over shall be refunded to the Conference treasurer. All advance payments shall be included in W-2 information provided to the local church by the Conference Treasurer for inclusion on the W-2.
- E. No additional claim can be made against a local church, district, or the Conference for payment of moving expenses.
- F. Reimbursable expenses include the cost of boarding and moving domestic animals, the moving of recreational vehicles, boats, etc., moving household and personal goods, travel as defined in II.B., lodging, packing, crating, in-transit storage and insurance, labor costs, and any other expense necessary to physically move household items. Expenses which are not reimbursable include meals, purchase of household items, or any other item not reasonable or necessary for the move.
- G. The request for moving expense reimbursement must be received in the Treasurer's Office no later than four months following the date of the move.
- H. Reimbursement will be considered a qualified, non-taxable fringe benefit not subject to income and self-employment tax when:
  - Your move is 50 or more miles from the old appointment to the new appointment and
  - Your new appointment is full time for at least 39 weeks during the first 12 months at the new location.

If your appointment does not meet the above conditions, then the reimbursement will be reported as taxable for both income and employment tax. However, if your reimbursement is treated as taxable income, an additional stipend in the amount of 20% of the taxable income portion will be provided. The maximum stipend will be no more than 20% of the applicable limit stated in section II.A.

### III. Review Committee

- A. There will be a Review Committee consisting of two persons appointed by the chairperson of the Council on Finance and Administration, one district superintendent appointed by the Bishop, the Conference treasurer, and the director of Ministerial Relations and the chair of the Moving Expense Committee.
- B. The Review Committee will consider and have final authority over any questionable or disallowed claim or special claim beyond allowances set in the approved plan.

## LAITY, COMMISSION ON

The primary purpose of the Conference Board of Laity is to make known the good news of God's love and salvation through Jesus Christ, and to challenge, inspire and equip the laity of the North Carolina Annual Conference for ministry in the church.

In the past year the District Lay Leaders have implemented training workshops for local church Lay Leaders, held District Lay Rallies to celebrate the ministries of laity, and ensured that Lay Speaker Training courses were offered in their districts. Duke Divinity School sponsored a Laity Weekend; and the Southeastern Jurisdiction held a Laity Retreat at Lake Junaluska. Laity Sunday was promoted on the third Sunday in October, and most congregations participated. In addition our Conference United Methodist Men, United Methodist Women, and United Methodist Youth sponsored many events aimed at spiritual enrichment, leadership development and education (please refer to their individual reports).

The opportunity to nominate an Outstanding Lay Ministry of the Year is given to each district. All nominees will be recognized at Annual Conference, and one will receive a grant from the endowment fund left by the late Roy Turnage, a former Conference Lay Leader.

Each year the Conference Board of Laity offers a Laity Banquet held during Annual Conference. This year our speaker will be Laurie Beth Jones, a nationally known author.

In the new quadrennium (2005-2008) our theme will be: *"One in Spirit – All in Ministry ..."* with the emphasis in 2005 being *"... in the Spirit of Discipleship,"* in 2006 *"... in the Spirit of Worship,"* in 2007 *"... in the Spirit of Stewardship,"* in 2008 *"... in the Spirit of Fellowship."* We look forward to exploring this theme, provided by the General Board of Discipleship in consultation with the Association of Annual Conference Lay Leaders, in our work together for the glory of God as disciples of Jesus Christ.

Emily Innes, Conference Lay Leader

## MINISTERIAL EDUCATION FUND, COMMITTEE ON

The Ministerial Education Fund (MEF) is one of the most "unsung blessings" of our connectional support! In addition to being the underlying support to our seminaries, it provides invaluable support for the following ministries: Annual Conference Board of Ordained Ministry for programs they provide for clergy and diaconal ministers; scholarships for students studying for the ordained and diaconal ministry in the 13 outstanding United Methodist seminaries and in non-United Methodist seminaries approved by the Division of Ordained Ministry and taught by seminary professors and conference leaders throughout the United Methodist Church; Continuing Education; Course of Study Schools (more than 4,700 people are involved in 12 Course of Study Schools); research and special programs related to candidacy and enlistment; pastoral care initiatives; clergy women concerns; racial and ethnic concerns; spiritual formation; testing and evaluation; training of boards of ordained ministry; international theological education; jurisdictional block grants; supervision issues and Dempster Fellowships. All of these ministries are nurtured by money from the Ministerial Education Fund.

The general policies for the North Carolina Annual Conference's portion of the Ministerial Education Fund (25% of MEF apportionments) are set by the Board of Ordained Ministry. Brochures with guidelines and policies for the MEF scholarships are available from the Office of Ministerial Relations.

Some interesting facts regarding MEF are:

- Hundreds of millions of dollars have been given by local congregations to the MEF since 1968.

- More than twenty-five percent (25%) of that amount from the MEF has supported conference board services in each annual conference since 1970.
- MEF supports Duke Divinity School, which for over 79 years has prepared men and women for leadership in the church as clergy and laity.

Other institutions supported by Ministerial Education Funds are: Boston University School of Theology, Boston, MA; Candler School of Theology at Emory University, Atlanta, GA; The Theological School at Drew University, Madison, NJ; Iliff School of Theology, Denver, CO; Gammon Theological Seminary, Atlanta, GA; Garrett-Evangelical Theological Seminary, Evanston, IL; Methodist Theological School in Ohio, Delaware, OH; Perkins School of Theology at Southern Methodist University, Dallas, TX; Saint Paul School of Theology, Kansas City, MS; Claremont School of Theology, Claremont, CA; United Theological Seminary, Dayton, OH; Wesley Theological Seminary, Washington, DC.

**NORTH CAROLINA PASTORS' SCHOOL AND DUKE DIVINITY SCHOOL CONVOCATION**

On October 11-13, 2004, 500 clergy gathered for the annual Convocation and Pastors' School at Duke Divinity School. The event focused on the theme "The Art and Craft of Preaching" and featured strong lectures, seminars and worship services. The James A. Gray Lectures were presented by Marva Dawn, well-known theologian and author of *Unfettered Hope: A Call to Faithful Living in an Affluent Society* and *A Royal "Waste" of Time: The Splendor of Worshipping God and Being Church for the World*. Thomas G. Long, Bandy Professor of Preaching at Candler School of Theology, presented the Jameson Jones lectures. Convocation preacher Peter Gomes, Plummer Professor of Christian Morals and Pusey Minister in The Memorial Church at Harvard University, and Jones Lecturer Thomas Long led worship for the program. William Willimon offered a sermon for a panel discussion critique and feedback by colleagues including Dawn, Gomes, Stanley Hauerwas and Fleming Rutledge. Fourteen different continuing education seminars enrolled over three hundred pastors. The seminars included "Proclamation in the Hard Places," "Imaginative Exegesis," and "Showing the Story."

The 2005 Convocation and Pastors' School will be held October 10-12, and will focus on the theme "A New Creation: Building a Ministry of Reconciliation." A detailed brochure will be available from Duke Divinity School later this summer. Individuals are encouraged to contact the Center for Continuing Education for more information ([www.divinity.duke.edu](http://www.divinity.duke.edu), email [div-conted@duke.edu](mailto:div-conted@duke.edu), phone 888-845-4216).

#### **OLDER ADULT MINISTRIES, COMMITTEE ON**

The committee seeks to be the focal point for aging issues which impact the program and ministry of the local church and the Annual Conference as a whole. The committee hopes to raise the consciousness of how, where and why the church ought to be involved in ministry with, to and by older adults.

The committee has promoted the following services and learning programs:

1. The Conference Web Page now offers a link for Older Adult Ministry and it may be reached at: <http://nccumc.org/ncccf/OlderAdultMins.htm>
2. A Speaker's Bureau has been formed so the committee can offer churches a list of names of people who could speak on issues pertaining to Older Adults.
3. A Resource Library is being maintained in the Conference Audio-Visual Library for use by local churches.
4. The Norman T. Allers Academy on Older Adult Ministries is a certification program established by the Older Adult Association of the Southeastern Jurisdiction to provide training and credentials for those in older adult ministry.
5. Each year in August, we encourage Older Adults and those working with older adults to attend the SEJ Older Adult Conference. "Restoring the Joy" is the theme of 2005 conference designed for anyone over the age of 55. The event will be held August 8 – 11, 2005.
6. To partner with other conference groups and agencies in the sponsorship of the education and training of clergy and lay persons in the spiritual development for the fourth quarter of life. In 2006 we will partner with the Western NC Conference to hold a day a way event in Greensboro. The event will have programming for Older Adults and those who work in Older Adult Ministries. It will be lead by Richard Gentzler, Director of the Center of Aging of The United Methodist Church.
7. We have developed and will continue to distribute resource packets to Pastors new to the Conference at the yearly training event. The packets contain useful resources and ideas for Older Adult Ministries.

#### **ORDAINED MINISTRY, BOARD OF**

The North Carolina Conference Board of Ordained Ministry is pleased and privileged to present to the clergy session of the North Carolina Annual Conference our report for 2005.

Our Board is a strong, representative body from the clergy and laity of this Annual Conference wrestling constantly with its responsibilities outlined in The Book of Discipline 2004 (§634). These duties require the Board to exercise strong care in its examination of candidates for ordination in a way which is both fair and diligent. The Board also seeks always to encourage and sustain those in the process, and to provide resources for growth for those already involved with ministry to local churches and other places of mission.

To provide this report, the Board of Ordained Ministry members have given eleven (11) full days in meetings and interviews along with innumerable times for committee

assignments. All of this is summarized in the names and recommendations found in this submission of our work for your approval.

The duties of the Board of Ordained Ministry include:

- 1) To assume the primary responsibility for the enlistment of ordained clergy, with due regard for the inclusive nature of the Church. It provides guidance for these persons in the process of education, training, and ordination.
- 2) To examine all applicants as to their fitness for ordained, commissioned, licensed, or consecrated ministry and their election as: a) Diaconal Ministers, b) Local Pastors, c) Associate Members, d) Probationary Members, and e) Full Members of the Annual Conference.
- 3) To interview and report recommendations concerning: a) Candidates for Commissioning b) Students to be appointed to attend school, c) Candidates for ordination as Deacon, and d) Candidates for ordination as Elder.
- 4) To interview applicants and make recommendations concerning changes in ministerial relationships: Leaves of Absence, Retirement, Sabbatical Leaves, Incapacity Leaves, Less-than-Full-time Appointments, and Readmission to, or the termination of, conference membership.
- 5) To provide support services for the ordained minister's career development, including personal and career counseling, continuing education, assistance in preparation for retirement, and matters pertaining to ministerial morale.
- 6) To provide a means of evaluating the effectiveness of the clergy in the Annual Conference.
- 7) To interpret the high ethical standards of ministry as set forth in The Book of Discipline 2004, and to study matters pertaining to character.
- 8) To administer the portion of the Ministerial Education Fund for use by the Annual Conference.

Members of the North Carolina Conference Board of Ordained Ministry have worked faithfully to fulfill their duties.

This year we are pleased to report that (12) persons were elected to Probationary Membership and commissioned on the Elder Track; (2) persons were elected to Probationary Membership and commissioned on the Deacon Track; (1) person was elected as Deacon in Associate Membership (under the 1992 Discipline); (4) persons were elected for ordination as a Deacon in Full Connection; (12) persons were elected for ordination as Elder in Full Connection (moving from Probationary Membership under the 2000 Discipline); and (1) person from Another Denomination had his orders recognized as an Elder.

This year's retirement class includes (10) Members in Full Connection, (1) Associate Member, ad interim; and (2) Full-time Local Pastors. We are deeply grateful for their love, commitment and service to the North Carolina Annual Conference. Many opportunities continue to open for persons in this field of service!

Please note that various committee reports follow this introduction and are significant for the various areas of concern they address. All of this material, as well as our supportive services during the year, have been provided through the Office of Ministerial Relations under the leadership of Dr. Paul L. Leeland, Robbie W. Barrett, and Linda L. Bourey. We are indebted to these individuals for their excellent work and dedication to the Ordained Ministry of our Annual Conference.

#### **PASTORAL CARE, COMMITTEE ON**

Since 1971 the Committee on Pastoral Care (hereafter referred to as the Committee on Clergy Care) has served clergy in the North Carolina Annual Conference by providing financial aid for confidential professional counseling and marriage and family enrichment. In keeping with our understanding of the call and ministry of those who serve the Church as commissioned minister, deacon, diaconal minister, elder, or licensed local pastor under appointment, the Committee recommends that it now be referred to as the Committee on Clergy Care. The Committee is comprised of five members from the Board of Ordained Ministry (one of whom serves as chairperson); one representative from the Conference Clergy Living Committee; one representative from the Clergy Partners Association; and one Pastoral Counselor. Funding for grants and expenses of the committee is included in the budget of the Board of Ordained Ministry and the awarding of grants is dependent upon the availability of funds.

Financial aid is available to both clergy and diaconal ministers and their families, as described in the section below entitled, "Eligibility for Financial Grants". The financial grants, of up to \$400 per family per calendar year, are provided to cover one-half of the cost of counseling sessions. Ministers under the NC Conference health insurance program should review the Health Care Benefits for outpatient psychiatric care. The coordination of insurance benefits and Clergy Care Grants should not exceed 100% of fees charged.

## **MARRIAGE AND FAMILY ENRICHMENT**

The Committee on Clergy Care encourages participation in marriage and family enrichment events, including those focusing on the needs of single, as well as married ministers. Grants up to \$100 per individual, or \$200 per family or couple, per calendar year, are available. A schedule and/or outline of the events, leaders' names and credentials and verification of participation should accompany a letter of application for the grant.

### **ELIGIBILITY FOR FINANCIAL GRANTS**

Persons who qualify for financial grants:

1. Clergy who are members of the NC Annual Conference whose status is active, retired or on leave in accordance with ¶¶ 353, 354 or 355 of The Book of Discipline 2004, OR any person, regardless of conference relationship, who is serving a local church of the NC Annual Conference, or a dependent.
2. Diaconal ministers and or candidates who are serving a local church and are members of the NC Conference.
3. Grant eligibility continues for two years for persons who have terminated their relationship with The United Methodist Church, for surviving spouses of minister and for former spouses of eligible persons.

Conference clergy and diaconal ministers and their families are eligible for grants. A family is defined as dependents of the minister living in a ministers' home or parsonage, including spouse, children, parents and grandparents. Ministers' children through the age of 22, whether attending college or living at home, are eligible to receive financial grants.

### **COUNSELORS AND THERAPISTS WHO QUALIFY FOR FINANCIAL GRANTS**

Only counselors and therapists who meet the following criteria qualify to receive grants from the Committee on Clergy Care:

Psychiatrist: American Medical Association (AMA) Board Certification, North Carolina License;

Psychologist (Clinical): Licensed Practicing Psychologist LPP and/or HSP-P), North Carolina License;

Pastoral Counselor: Member, Fellow or Diplomat of the American Association of Pastoral Counselors, Inc. (AAPC)

Counselor: Clinical Member of the American Association of Marriage and Family Therapists (AAMFT), North Carolina Certified Marriage and Family Therapists, North Carolina Licensed Professional Counselors (LPL)

Social Worker: Member Association of Certified Social Workers (ACSW)

### **APPLICATION PROCEDURE**

The Counselor or therapist, at the request of the qualifying client who is receiving the counseling, is to make application for a grant to the Chairperson of the Committee on Clergy Care in the following manner:

1. The counselor or therapist requests an application form and instructions from the Office of Ministerial Relations. This request should be addressed in care of the Office of Ministerial Relations, PO Box 10955, Raleigh, NC 27605, or by calling either 919-832-9560 or 800-849-4433, ext 244.
2. Once the application and instructions for a Clergy Care Grant are received by the counselor/therapist, and a determination is made that the client qualifies, the application should be completed and returned to the Chairperson of the

Committee on Clergy Care. To protect the confidentiality of the client, the client's name shall never appear on the application. When more than one member of the client's family is involved in counseling, all family members shall be assigned the same case number.

3. The counselor/therapist will receive the financial aid grant on behalf of the client to apply to the client's account or to refund to the client if the account has already been paid. Clients should request from the therapist a statement showing the amount of financial assistance received from the Clergy Care Committee and should request the counselor/therapist to contact the Chairperson of Clergy Care to negotiate an acceptable procedure if any problems arise concerning the process. The client, not the Clergy Care Committee, is responsible for all contracts, negotiated fees and payment of services that are provided.
4. The deadline for submitting grant applications is December 20<sup>th</sup> of the calendar year in which the services were provided.

In 2004 the Committee on Pastoral Care granted \$9091.57 for counseling sessions. This represents 294 sessions with counselors and therapists during the calendar year. Grants were processed for 32 clients during 2004 representing 200 sessions for clergy, 39 for cleric and spouse, 35 for spouse, 18 for children, and 2 for family. Of these 32 clients 10 received the 2004 maximum of \$400.00 in assistance.

#### **PSYCHOLOGICAL TESTING AND BACKGROUND CHECKS, COMMITTEE ON**

The Conference Board of Ordained Ministry evaluates all prospective and continuing candidates in accordance with requirements in The Book of Discipline 2004. Those seeking to enter ordained ministry or licensed ministry undergo a comprehensive evaluation. One component of the evaluation process involves psychological testing and background investigation, conducted under the direction of the Committee on Psychological Testing and Background Checks.

Psychological testing serves two purposes: (1) It provides the individual with valuable information, feedback and guidance related to psychological health and wholeness. (2) It provides the Board of Ordained Ministry with useful information as it evaluates prospective and continuing candidates to determine their fitness, potential, and promise for fruitful and effective service in ordained and/or licensed ministry.

Psychological evaluation services are being provided through a contract with Dr. Bert Lucas, a member of St. Luke United Methodist Church in Sanford, North Carolina. Bert has done an outstanding job this past couple of years in providing this service, and the Committee is indebted to him for his guidance and counsel.

Expenses for psychological evaluations are borne by the Board of Ordained Ministry for those persons residing within the annual conference and for those transferring into the conference when they are included with North Carolina Conference candidates for group testing.

Background checks on prospective and continuing candidates are furnished through a contract with Kroll Background America, Inc. Each background check costs \$55.00 and the cost is borne by the applicant. The applicant is provided with a copy of their background check report once completed by Kroll.

The Committee on Psychological Testing and Background Checks is composed of the following persons: Brigitte Freeman Morris, Jimmy Cummings, Clyde Denny, Paul Phillips, Sue Robertson, David Wade and Ray Wittman.

## RESIDENCY IN ORDAINED MINISTRY, COMMITTEE ON

The North Carolina Conference Residency in Ordained Ministry (RIOM) program began in fulfillment of ¶417.3 of the 1984 Discipline requiring Annual Conferences to provide Counseling Elders for Probationers. Adjusting to changes in the mentoring process mandated by subsequent Disciplines, RIOM continues to provide an opportunity for probationary members to grow and find support as they live and learn through this opportunity of concentrated focus and reflection on ministerial theology and practice. Twenty years of experience with this program have demonstrated the great value in preparing probationers for Full Conference Membership.

Special thanks are offered to the Reverend Bob Wallace, an RIOM pioneer. Bob has developed a manual for Cluster Group Leaders which has provided invaluable information to our leaders, and brought order and consistency to this significant process. An emerging group of current and future Cluster Groups leaders can be directly attributed to Bob's servant heart.

The North Carolina Conference Board of Ordained Ministry uses a "Cluster Group Model" to meet the Disciplinary requirements for providing leadership and supervision for our probationary members. Probationers meet in small "cluster" groups throughout the probationary period. These groups are arranged, as often as possible, by geographical area in order to minimize travel time and facilitate greater fellowship. Cluster leaders are Elders who, by intention, are not members of the Board of Ordained Ministry. Recognizing that these cluster groups become an important source for collegiality and support, every effort is made to keep each participant in the same cluster, with the same leader, throughout the probationary period.

A candidate serving under the 2004 Discipline can complete his/her requirements for Deacon/or Elder in Full Connection within three (3) years by accepting a full-time appointment and participating in the RIOM process. The Book of Discipline provides a maximum time line of six (6) years to complete these requirements. Under this three-year probationary process, year one (Phase A) focuses on issues of Christian spirituality, while year two (Phase B) involves the shared exploration of the practice of ordained ministry. Year three (Phase C) is a time of preparation for written and oral interviews with the Conference Board of Ordained Ministry as candidates consider the Disciplinary questions for all who seek to come into Full Connection.

During the RIOM process, certain candidates may be required by the Board of Ordained Ministry to spend an additional year or more "continuing" the probationary process. A continuance does not mean the probationer has failed or that he/she does not have the gifts and grace for ministry. This continuance is better understood as an opportunity for the probationer to continue to grow in grace as they seek to answer God's call to ordained ministry.

The RIOM committee also sponsors events aimed at sharing information helpful to candidates in their probationary process. In the past, probationers have met for an overnight retreat. A resource person selected by the Committee has led the group in exploring issues such as call to ministry, spiritual formation and practical concerns of pastoral leadership in the local church.

In September of each year, Duke Divinity School sponsors a conference for candidates who are preparing for Full Connection interviews in the coming year. This annual seminar is led by faculty from the Divinity School and focuses on theology, worship, and pastoral concerns. Though not mandatory, we strongly recommend this time of reflection for all who are planning to come before the Board for Full Connection interviews. As a part of this seminar, participants are given the opportunity to meet with representatives from the Board of Ordained Ministry's interview committees to discuss their preparations for the coming year and to address questions they may have. Duke Divinity School also sponsors a seminar each October for candidates who are writing their first papers and seeking commissioning/probationary membership.

The Residency in Ordained Ministry Committee would like to offer a word of sincere thanks to Bob Wallace, Mike Frese, Kong Namkung, Teresa Lawrence, Alan Swartz, Rich Greenway, Claire Clyburn, Jeff Arthurs, Stan Smith, Richard Williams, William Braswell, Tommy Sweeley and Jon Strother for their service as Cluster Group Leaders during the past year. These gifted servants have enabled our Annual Conference to offer candidates an enriching and worthwhile experience of growth and reflection. We, as a committee, are committed to helping candidates for Ordained Ministry in every way possible.

The Committee wants to express their sincere thanks to the Dr. Paul Leeland, Director of Ministerial Relations and Assistant to the Bishop, and to Linda Bourey and Robbie Barrett, the administrative staff of the Office of Ministerial Relations for their wisdom and assistance.

Won S. Namkoong, Chairperson

### **SEXUAL ETHICS SUPPORT TEAM**

The Board of Ordained Ministry was asked at the 1999 Annual Conference to implement a policy on professional sexual misconduct for the North Carolina Conference. Since this time the committee was organized and implemented the policy. The present committee is comprised of the following members: Tom Holtsclaw, Faye Rouse, T.R. Miller, Charles Astrike and Trish Archer.

The committee continued the training of sexual ethics support teams, persons available if the bishop wishes to deploy them to support persons who bring a complaint of sexual misconduct, to support persons against whom such complaints are made, and to support congregations which might be impacted by such circumstances. The careful training, coordinated by Mary Jane Wilson-Parsons, has prepared nine persons to serve as support team members.

In response to the request of the Board of Ordained Ministry in 2000, Bishop Edwards appointed The Reverend Mary Jane Wilson-Parsons to a less-than-full-time extension ministry as Coordinator of the Sexual Ethics Concerns. Her responsibilities include: 1) Design and implement training for SEST; 2) Make recommendations to and serve on the subcommittee of the Board of Ordained Ministry as a consultant and advisor to policy decisions; 3) Coordinate each SEST response, providing supervision to team members as needed; 4) Be available to consult with the bishop or members of the Cabinet regarding any instance of alleged clergy misconduct; 5) Provide outreach and education to members of the conference regarding the Sexual Ethics Policy and the role of the response team; 6) Be responsible for staffing the toll-free Clergy Ethics Hotline. This ministry began July 1, 2000, and is funded by the Board of Ordained Ministry.

Moral responsibility underlines the importance of our attention to this area of our life together. The sub-committee invites you to review the Sexual Ethics Policy:

#### **I. PURPOSE**

A church professional is in a position of great trust, power, and responsibility. This provides the opportunity for unique relationships of grace and caring. Church professionals sometimes violate the trust given them. Sexual misconduct is one of the gravest violations of this trust.

This policy seeks to address the abuse of power by all church professionals, both men and . women, who engage in sexual misconduct.

The intent is to provide guidance to both laity and clergy of the Annual Conference and the local church regarding sexual misconduct.

It is both the ethical and legal responsibility of the Annual Conference to ensure that there are mechanisms for addressing grievances in matters of sexual misconduct.

This policy, which includes procedures for complaints, will serve to guard against inappropriate behavior and will outline a means for handling grievances should sexual misconduct occur.

## **II. THEOLOGICAL FOUNDATION**

All persons are created by God. In the Genesis stories, as in the life, death and resurrection of Jesus, it is affirmed that we are created in the image and likeness of God. God values human life, intending all women, men and children to have worth and dignity in all relationships with God and others. God calls us into covenant with each other in God. We are one connected body, holy in Christ, created equal. Where one part of the body is injured, physically, emotionally or spiritually, the entire body is rendered less than God's intended wholeness. We are called to use our bodies, including our sexuality, in a responsible way. Sexual misconduct of any kind violates a person's integrity and is an unjust use of status and power, and a sinful behavior against God and one another. The United Methodist Book of Resolutions (1996, p. 481) states:

*"Jesus was sent into this world that we might experience whole relationship with each other and God. 'There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus' (Galatians 3:28 RSV)."*

One who repents for sinful behavior is promised forgiveness. However, discipline should be distinguished from forgiveness. A church professional guilty of sexual misconduct needs and may receive forgiveness and be offered avenues for redemption and change. And yet, the church must still take steps to protect the people of God.

## **III. DEFINITIONS**

- A. Sexual misconduct occurs when a church professional engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member or other person (adult, teenage or child) within the professional relationship. Sexual misconduct includes sexual harassment and any form of criminal sexual conduct.
- B. Sexual Harassment includes unwanted sexual advances or demands, either verbal, or physical, or by communication including electronics (i.e. computer) and may be demeaning, humiliating, intimidating, or coercive, often resulting from exploitation of power. Sexually oriented humor or language, questions or comments about sexual behavior or preference, unwelcome or undesired physical contact, inappropriate comments about clothing or physical appearance, or repeated requests for social engagements are sexual harassment in a situation where there is an employment, mentor, or colleague relationship between the persons involved. Sexual harassment may include the development or attempted development of a sexual or romantic relationship between a church professional and a person with whom he/she has a ministerial relationship, whether or not there is apparent consent from the individual.
- C. Complainant is a person who communicates a concern regarding alleged sexual misconduct.
- D. Grievant is a person who submits a written allegation of sexual misconduct. A grievant may be a parent or responsible party for a minor or an adult incapable of self-reporting.
- E. For the purposes of this policy, a church professional is a clergy person, diaconal minister, or local pastor whose appointment is set by the Bishop.

## **IV. SEXUAL ETHICS SUPPORT TEAMS**

- A. The purposes of the support teams:
  - 1. To provide support to the complainant, the accused, and the congregation affected by allegations or incidents of sexual misconduct.

2. To provide the complainant with a safe, non-threatening environment within the church family in which he/she can reveal allegations of sexual misconduct and receive support, compassion, and direction.
  3. To provide support, compassion, and direction for a person accused of sexual misconduct.
  4. To offer congregations affected by incidents of sexual misconduct support and recommendations regarding care and healing for their community and the individuals and families involved.
  5. To offer information about the sexual misconduct policy to persons who are referred to the support team.
- B. The makeup of the support teams:
1. A support team or teams may be named by the Bishop.
  2. A support team may consist of three or more persons who are sensitive to issues of sexual harassment, misconduct and abuse. A team may include church professionals (clergy or diaconal), mental health professionals and lay persons. Members of a support team may be chosen from within and beyond the North Carolina Annual Conference.
  3. Training on issues of sexual misconduct shall be available and the names of persons receiving such training shall be made available to the Bishop. Such training shall be the responsibility of those to whom the Bishop assigns said responsibility.
- C. Structure and Function
1. A team may be instructed by the Bishop to respond to the needs of any or all of the following: complainant or grievant, the accused professional, the congregation.
  2. A team will:
    - a. explain the procedures available within the structures of the church for dealing with the problem;
    - b. offer resources and consultation to the accused professional, the complainant and/or the congregation and assist in any appropriate manner;
    - c. encourage the person making the allegation to keep a diary listing time, place, and nature of the offenses;
    - d. support the person if they choose to submit a written grievance;
    - e. accompany the person to meetings with the church authorities if he/she desires it.

## **V. PROCEDURES FOR REPORTING AND RESPONDING TO COMPLAINTS OF SEXUAL MISCONDUCT**

- A. Anyone who desires to discuss a concern regarding sexual misconduct may contact their pastor, another United Methodist clergy person, a district superintendent, the Bishop, or a person trained to function as a member of a Sexual Ethics Support Team.
- B. The provisions of Paragraphs 358, 413 and 2623-2629 of THE BOOK OF DISCIPLINE (2000) shall determine the procedure.
- C. When an allegation of misconduct is subject to mandatory reporting requirements by the state (as in the case of a minor or an adult incapable of self-reporting), it shall be reported to the Bishop, and to the appropriate authorities and agencies.
- D. When appropriate the Bishop may utilize the services of one or more of the Sexual Ethics Support Teams. E. Upon completion of the 2000 General Conference of the United Methodist Church (April 2000) if new judicial processes go into effect related to complaints against clergy or diaconal ministers, these changes shall supersede fair process and grievance procedures for clergy contained in THE BOOK OF DISCIPLINE (2000) which are referenced in this policy document.

The policy is also available on disk from the Conference Secretary's Office. Awareness of and fulfillment of that policy will strengthen our covenant and will offer new avenues for grace in our lives.

The Sexual Ethics Support Team, in conjunction with the Bishop and the Cabinet, will provide opportunities for each clergy person to attend workshops that will provide continuing education to assist us in maintaining moral responsibility in our work as pastors. This will take place early in 2006. Each pastor will be notified by the district superintendents regarding the date and place where they are to be present for these meetings. Each pastor will be required to attend. There will also be separate sessions held for certain lay persons in leadership roles in local churches. These meetings will probably take place during the January Workshops or a time the district superintendent will choose.

## STEWARDSHIP

The Stewardship Commission is working in several areas:

1. The Stewardship Seminar for New Pastors.
2. Good \$ense Stewardship Training Events.
3. Formation of District Stewardship Teams.
4. Bishop Gwinn's Stewardship Focus on training children and youth.
5. Raising Awareness of Stewardship Issues.
6. Stewardship Leader Certification.

A stewardship prayer for you:

Dear God, I surrender my financial affairs and concerns about money to your divine care and love. I have only to look to the world you have created to see proof of the abundance you provide. I brought nothing into this world and I can take nothing out. All that I have belongs to you. I commit to being grateful for what you have given me. I know that it is your will to deliver me from bondage to debt and to prosper me so that I might bless others. Your Word challenges me to test you through tithing. I ask that you remove my worries, anxieties and fears about money, and replace them with faith, wisdom and trust. Teach me to manage my finances wisely, seeking help where needed. And finally, I ask you to help me understand your purpose for my life and to act on that purpose with courage and strength. I know that prosperity will come, in part, by doing work I love. Please help me use the gifts you have given me to be of service in the world. Thank you, God. Amen

## WORSHIP, COMMISSION ON

The goal of the Committee on Worship continues to be one of service, plan, and precise execution of outlined liturgy for the Annual Conference. The Committee is committed to Bishop Alfred Gwinn's new agenda; vision, team, culture, and integrity and the General Conference's theme for the next quadrennial. The Committee is carefully listening, waiting, and opening up for suggestions from the districts how to enhance worship and music during Annual Conference. Previously, the Committee on Worship sponsored several "spiritual hymn sing festival workshops." Since, this period the Committee has been in dialogue with churches, to find out how can the Committee be more helpful and meaningful to those churches experiencing challenges. The Committee continues to incorporate all styles of worship and music during each Annual Conference. Currently, there are three challenges we must address annually. The three paramount challenges are traditional, contemporary, and blended worship and music in local services and the Annual Conference.

The first challenge is the “tradition worship and music” and maintaining John and Charles Wesley’s traditional worship and hymn styles. The Committee is committed to doing what ever is necessary to maintain a high hallmark level of integrity of the Wesleyan’s traditional and historical worship and hymn styles. These particular worship and hymn styles are rich in theology and inspiration to a larger number of Methodists. However, worship and music are changing to a large degree, and people preferences and taste are changing, and this is a part of reality. The twentieth-first century is here, and a different worship, music, lyrics, is causing a great awakening within the walls of the churches. This has caused the second challenge for the Committee on Worship.

The second challenge is the “contemporary worship and music” in individual settings of worship and the Annual Conference. This has loomed large and constantly need revisiting. It is most obvious that the demographic and congregations are looking different within their perspective communities. Their work ethic and beliefs, their ages, culture, their love for music and praise and preference of worship and music styles have changed, and this cannot be ignored. Their voices are boisterous and assertive from contemporary constituents and this is a growing fact with worship and music. The contemporary constituents must be respected and heard whether they are in the same building together or in separate building praising God and up lifting Jesus Christ as Savior of the world. Therefore, this great challenge is on the priority list for the Committee, and positive actions are being taking.

If this was not enough, the third challenge is called “blended worship and music”. The Committee will incorporate into the Annual Conference venue. Blended worship and music are attempts to be all things to all people in God’s house of praise. On one hand, the Committee on Worship has heard of several great success stories found in churches settings. There are positive reports found in reconstruction, re-vitalized, new churches, and new churches start-ups, how blended worship and music is the most effective worship and music in this century. On the other hand, all Methodists are not in agreement with this report, because many traditional churches have rejected blended worship and music.

In short, the Committee on Worship is listening, listening, and listening to all of these challenges from churches and worship leaders in this regard. At the present there is no “fixed solution” to all of the above challenges. The positive things that this Committee on Worship strives to achieve are open doors, open hearts, and open minds. It is the goal of the Committee to visit the districts if possible during their “district leadership training workshop” in subsequent months to share and hear more from the heartbeat of the churches in this conference about worship and music.

## UNITED METHODIST YOUTH

A New Day Dawning” is the theme for the year 2005 in Conference youth ministry. Lamentations 3:22-24 reminds us, “The steadfast love of the Lord never ceases, his mercies never come to an end; they are new every morning; great is your faithfulness. ‘The Lord is my portion,’ says my soul, ‘there fore I will hope in Him.’” This theme is also expressed in the mission statement of Conference youth ministry: *to walk with youth in their journey to know Christ by creating an environment in which youth can experience Christian communion to hear the Gospel, to know God’s love and to respond in faith by loving and serving others...for in all of this we are making disciples of Jesus Christ.* Through local church youth ministry with a variety of faces and programs and service projects; through districts offering opportunities for youth; with about 8500 youth and adults participating in Conference youth events; and with a new general church Division on Ministries with Young People, we are indeed rejoicing in a new day dawning!

Youth (and adults) from across the Conference have participated in eight events over the year: Confirmation Celebration, Global Vision, Kaleidoscope, Rally Day, Appalachian Trail Hike, Summer Breakaway, ACS-Annual Conference Session for Youth, and Pilgrimage. The Confirmation Celebration offers an experience of the connectional church to those in confirmation classes from local churches. Global Vision included a visit to Washington DC and New York City with a seminar to explore issues around racism. Kaleidoscope is a Conference youth event that offers a spiritual life retreat for middle school youth. Rally Day was a bright and sunny spring afternoon that celebrated the place of youth within the life of the church. The Appalachian Trail Hike proved to be a mountaintop experience of God for those involved. Summer Breakaway and ACS offered times of worship and sharing experiences of fellowship and faith in small and large groups. Pilgrimage (with 6347 in attendance-setting another record) in the Crown Coliseum with moving messages of invitation to Christian discipleship from Ed Trimmer and music by Chris Hughes and our own NC Conference youth will be a Pilgrimage not soon forgotten. In addition to these events, Exploration is an event offered with the Western NC Conference for senior high youth and college age young adults exploring Christian vocation and a call to ministry (to be held in October 2005).

Youth Service Fund continues to be an avenue of mission for United Methodist Youth. Grants to such ministries with youth as Trinity UMC-Wilmington child care center, Positive Attitude Youth Center in Burlington, Foundations for Freedom in Raleigh, CrossBridge in southeastern NC, Books Alive with the Fuquay Varina Youth Initiative, Mt Olivet UMC Fish House in Manteo, Seeds of Peace in New York, Community Organic Gardens in Mississippi, ASP Cup of Cold Water Project in Tennessee, Zimbabwe Orphans Endeavor in Africa, the Youth Omladinski Center in Bosnia, and the Society of St Andrew program Harvest of Hope are possible only in as much as local churches support and contribute to Youth Service Fund. Youth Service Fund is money raised by youth and spent by youth to benefit youth. While the contributions to YSF at Conference youth events are very good, more support from local churches is needed to reach our goal each year of remaining at "Top 10 Conference."

We rejoice in the vision that local church youth ministries are living toward in areas of mission, service, study, outreach, fellowship and spiritual growth. We celebrate and give thanks to the Annual Conference and all the people within local churches giving support and encouragement to youth ministry. We pray for God's guidance and blessing as we seek to find and live with Christ in our lives.

## RESOURCE MINISTRIES CIRCLE

On January 25, 2005 I was privileged to chair my first meeting with The Resources Ministries Circle. I am amazed at the spirit of dedication exhibited by the leadership in the areas of ministry in this circle. God has blessed the North Carolina Annual Conference with such abundant resources of which the most important is its people. I am reminded that we are blessed in order to be a blessing. I look forward to working with the leadership of the circle as we face the challenges and opportunities that God will certainly provided for us as Stewards of God's gifts. Each ministry in this circle is a vital part of our vision for God's creative and prophetic work among the people called United Methodist in North Carolina. I am truly indebted to the hard and dedicated work of Louis Felipe Reinoso as he guided the work of The Resources Ministries Circle for the past four years. May God's blessings be upon us as we strive to live out the

mission statement of The Resources Ministries Circle; OUR MISSION is to foster a culture of stewardship, connection and covenant to fulfill the mission of the church, which is to make disciples of Jesus Christ.

Leonard Fairley, Chairperson

### **TRUSTEES, CONFERENCE BOARD OF**

The Board of Trustees of the Annual Conference is charged with responsibilities vital to the mission and ministry of the Conference as defined in paragraphs 2512-2516 of the Book of Discipline. These include holding legal title and managing Conference property; receiving and holding bequests and donations; receiving and managing closed or abandoned churches and other property; recommending action to the Annual Conference regarding sale, lease or acquisition of property to serve the Conference interests and mission; and intervening to protect Annual Conference interests.

### **THE UNITED METHODIST BUILDING RELOCATION**

In 2002, the Annual Conference approved the purchase of land for the potential relocation of the United Methodist Conference headquarters. Easily accessible to the entire Conference, the property is located in Greenfield Park, just east of Raleigh at the intersection of Interstate 40 and Highway 70. The Trustees continue to hold this land as an investment for a future relocation. As resources become available without apportionments, the Trustees will initiate a study of facility needs and develop plans for new facilities. The goal of the trustees is to obtain a building suitable to the needs of the Conference and its staff without engaging in a major capital campaign or encumbering the Annual Conference with debt service.

Until that time, we recommend continuing to hold the land as an investment.

The current headquarters are located at 1307 Glenwood Avenue, in Raleigh. It is a valuable asset which would be a necessary part of any plan to relocate. We continue to rely on the advice of our consultant Grubb Ellis, Thomas and Linderman, and wait until the local real estate market improves before moving forward with plans for a new building to present to the Annual Conference. While the economy and office market in the Raleigh area are improving, property values and other investment sources do not currently support the cost of a new facility.

### **1307 GLENWOOD AVENUE, RALEIGH**

The current headquarters building has remained almost fully occupied with rent paying tenants and we are maximizing our cash flow. During a year of soft leasing markets, we realized a 21% increase in leasing income. Although it is a valuable site, the current condition of the building is slowly declining and major system replacement will be necessary in the coming year. Both the mechanical heating and air handling system and the roof will need to be replaced.

The current roof system is a rubber membrane system installed approximately 25 years ago. It has been patched repeatedly as normal ageing deteriorates the joint and edge flashing. Replacement is being deferred until the improvements in the heating and air handling systems are completed.

The mechanical system is original to the 1962 building except for the water chilled air conditioning system installed in 1992. With the help of Bass Nixon and Kennedy Consulting Engineers, a plan has been developed to install roof top systems in phases to limit down time for heating and air systems.

The boiler is a gas fired boiler located on the roof in a small equipment room. Parts are obsolete and no longer available. The air handling system is also original equipment. The four units and the drain pans are room sized units, rusted out and, due to their size and the tight space in which they are installed, can not be replaced without extensive demolition work. Both systems are highly inefficient without any

variability in firing or fan controls. The plan includes installation of a new boiler and two new variable air handlers on the roof, removal of the existing units, structural reinforcement of the roof, and new ductwork to connect all of the systems. Because the new boiler will have infinite proportional firing rates and the new air handlers will have variable speed fan controls and outdoor air economizers, the completed system will have much less electrical load and should generate future savings in utilities and repairs. The initial estimate for these repairs is approximately \$250,000.

The Trustees plan to fund the repairs from existing reserves, operating revenues of the leasing activities, and the Annual Conference budget for Methodist Building Capital maintenance. Should these funds be insufficient during 2005 and 2006 to fund both the mechanical needs and roofing needs of the facility, we will need to be prepared to either designate use of proceeds from closed church or parsonage sales for this purpose, increase the Annual Conference budget, or request supplemental appropriations from CFA.

### **EPISCOPAL RESIDENCE**

The 2004 Annual Conference approved the Episcopal Residence Committee's recommendation to acquire a new residence and sell the old one. In acting on that recommendation, the Trustees have cooperated with the Episcopal Residence Committee and assisted in funding the new residence as reported in that committee's report.

### **CLOSED CHURCHES**

Grove Hill – Durham District closed 7/1/04. Formerly on the Banks-Grove Hill Charge, the property was sold by the Durham District and funds were returned to the Banks UMC.

Holly Grove UMC – Elizabeth City District closed 2002. A sale in the amount of \$4,000 is approved by the Board and is still pending closing. Funds are to be donated to Elizabeth City District for the district parsonage.

Gold Valley UMC – Rocky Mount District closed 12/31/2004. A sale is pending. Cash assets of the congregation are to be invested in the United Methodist Foundation in a scholarship fund to benefit a resident of the Children's Home or Nash County resident to a United Methodist institution. The Rocky Mount District trustees will select the scholarship recipients.

Providence UMC – Sanford District closed. The Board approved offering the property for sale and are currently negotiating with tenants of the church.

The Board of Trustees will continue to receive local church property as they are closed. It is the consensus of the Board that funds from proceeds of future sales should be retained by the Conference Trustees until Annual Conference policies can be definitively established and published.

### **CONFERENCE PARSONAGES**

The Board of Trustees currently provide four Conference staff positions with housing allowances in lieu of parsonages. The Trustees remain committed to the parsonage system and hold investments from previous parsonage sales to fund future acquisitions of parsonages if needed. Market value of those investments are currently \$919,496.27 as of December 31, 2004. A combination of earnings on investments and proceeds from the Conference budget fund the housing allowances.

### **FREDERICK AND CLOSS PEACE WARDLAW BEQUEST**

In August of 2002, the Trustees were notified of a bequest to be received from the estate of Frederick and Closs Peace Wardlaw in the form of some fourteen acres with dwelling on the Virginia shoreline of Kerr Lake. This was left for the purpose of providing a retreat or renewal location for clergy of the Conference.

With concurrence of the estate trustees and cabinet in 2003, the property was sold for \$500,000 and a new lot in a gated community, Somerset Plantation, near Williamsboro, NC, was purchased. The remaining funds of the sale, \$351,437.02 are

held for future development of the lot in honor of the testamentary language and the intent of the original bequest.

### **BOARD OF TRUSTEES**

The Conference Board of Trustees seeks to be faithful stewards of the assets of the North Carolina Conference. We will continue to manage property of the Conference to the best of our ability in compliance with the Discipline and welcome the suggestions, ideas and input of every person in this Conference. We thank you for your faithful support of the work of the Conference and seek your prayers for the work that is given to us.

Cashar Evans, Jr., President

### **CONFERENCE STAFF RELATIONS, COMMITTEE ON**

As a part of the Resource Ministries, the Conference Staff Relations Committee confers and counsels with the Conference Connectional Ministries staff to continue and enhance effective ministry. In consultation with the Executive Director, the Committee makes recommendations to and meets at least annually with the staff, leads filling of staff positions and sets compensation levels upon recommendation of supervisory personnel for employees whose salaries are not set by the Annual Conference. It also considers and recommends changes in other areas of staff support and concerns such as vacation, sick leave, housing, continuing education etc. It functions as a Personnel Committee for the Administrative Assistants in the Methodist Building.

This nine-member Committee includes four laity and five clergy, two of whom are District Superintendents. Ex officio members without vote are the Bishop, Conference Lay Leader, CFA President, Executive Director of Conference Connectional Ministries, Assistant to the Bishop/Director of Ministerial Relations, Conference Treasurer-Business Manager, Conference Secretary, and United Methodist Foundation Director. At the fall meeting the Committee received reports from the Conference staff with whom the Committee is satisfied are devoted and dedicated to the missions of the North Carolina Conference. It is recommended that our two clergy staff (Charles M. Smith and Larry Johnson) be reappointed. An overall 3 ½% lay salary increase for 2005 was approved. The Employee Handbook is being updated and will be reviewed when the Committee meets again in April with an appreciation lunch for the staff.

We are appreciative of all the good work done by our Conference staff and trust you will express your thanks to them also.

L. Merritt Jones, Chairperson

### **EQUITABLE COMPENSATION, COMMISSION ON**

The *Book of Discipline* mandates that “there shall be in each annual conference a **commission on equitable compensation**” (§ 624), whose purpose is “to support full-time clergy serving as pastors in the charges of the annual conference” (§624.2). Three broad areas of responsibility are outlined in §624.2, which are: “(a.) Recommending conference standards for pastoral support; (b.) administering funds to be used in base compensation supplementation; and (c.) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations.”

God calls persons to ministry to go into all the world, preaching, teaching and baptizing (Matthew 28:19), for without them the world would not have heard Christ preached (Romans 10:14). These are called to be stewards of the mysteries of God (1 Corinthians 4:1). The Church lifts up some persons for the role of clergy and ordains these persons to the work of pastoral ministry to be servants of the servants of God.

Those who are ordained to pastoral ministry answer affirmatively the historic question of John Wesley, (§330.17) “Are you determined to employ all your time in the work of God?” For such a called, set apart and committed clergy, the Church assumes an obligation to plan adequate support. The *Book of Discipline* is clear that “the primary responsibility for payment of pastoral salaries remains with individual pastoral charges (§624.5; see also §247.13). Pastoral charges carry a responsibility for clergy salaries as one expression of their missional and ministry presences in the community. We recognize that such a missional presence also include faithful payment of apportionments in full as ministry beyond the local church.

The Commission seeks equity and fairness for both pastors and local churches. Why should this commission be so concerned about equity and fairness? Our prayerful consideration of scriptural and historical foundations are found in the following:

- a. Jesus says, “the laborer deserves to be paid,” (Luke 10:7) and Paul reminds us “Let the elders who rule well be considered worthy of compensation, especially those who labor in preaching and teaching; for the scripture says, “You shall not muzzle an ox while it is treading out the grain,” (1 Timothy 5:17,18).
- b. Wesley was concerned that clergy have responsibility not to be “in debt so as to embarrass you in your work” (§330.18), which implies that the Church has a responsibility that it neither lead its clergy into positions of embarrassing indebtedness, nor leave them there.
- c. The Great Commission to “go into all the world preaching, teaching and baptizing” brings with it a cost. Systems of clergy support which foster the use of the right pastor in the right place, hold up the hope of seeing the Great Commission bear its promised fruit.
- d. The Commission on Equitable Compensation embraces the Great Commandment to “love our neighbors as we love ourselves” by desiring for each pastor what our members desire for themselves – compensation adequate to free persons for the work of pastoral ministry.

Through our prayers, working and considering together as both laity and clergy from across The N.C. Annual Conference, we make the following recommendations, which we believe will help us move toward fairness for both local churches and pastors as together we support ordained ministry in The N.C. Annual Conference.

For the year 2005, the average full-time salary increase was approximately 3.99%. The Commission currently recommends a 4% increase for the year 2006. Our recommendation is based on several factors: (1) the average compensation from other conferences; (2) it more closely reflects the majority of salary increases for this conference; (3) shows concern for general economic trends.

I. Recommended Schedule of Minimum Compensation for 2006:

A. Salary Schedule

We recommend that the *student minimum salary* be based on 65% of the minimum salary of full-time pastors.

<b>PASTORS UNDER FULL-TIME APPOINTMENT</b>	<b>2005</b>	<b>2006</b>
(Full Connection, Associate, Probationary, Local Pastor)		
Salary .....	\$34,500.00	\$35,880.00
Utilities .....	<u>2,100.00</u>	<u>2,100.00</u>
TOTAL .....	\$36,600.00	\$37,980.00
 <b>STUDENT PASTORS (Local Pastors or Conference Members)</b>		
Salary .....	\$22,425.00	23,322.00
Utilities .....	<u>2,100.00</u>	<u>2,100.00</u>
TOTAL .....	\$24,525.00	\$25,422.00

B. Travel Expense

Although travel is reimbursed by the local charge as an item of pastoral expense, it is expected that *each local charge would provide at least \$3,000 for travel expense*. The Commission encourages each charge to establish a plan to reimburse the pastor for all legitimate business mileage at the current rate established by the IRS. Where such a plan is established for reimbursement of business mileage, equitable compensation support shall not be affected by payment of travel expenses. However, where a reimbursement plan is not implemented and a travel allowance is given, *any travel allowance in excess of \$3,000 will result in a reduction of equitable compensation support*.

C. Pension Program

Charges receiving Equitable Compensation Funds support are responsible for paying the total amount required for the Ministerial Pension Plan (MPP) and the Comprehensive Protection Plan (CPP) based on the pastor's cash base compensation (including funds from the Equitable Compensation Fund, Duke Endowment, and any other sources), and housing (percentage of cash base compensation designated by the General Board of Pension/Health Benefits or housing allowance, if provided in lieu of a parsonage). Cash base compensation plus housing in Plan Compensation.

II. Principles Governing the Use of Equitable Compensation Funds:

The pastor's base compensation is the responsibility of the charge; therefore, the each charge of The North Carolina Annual Conference should be so arranged as to be able to assume full salary support. The Commission urges each charge receiving Equitable Compensation Funds, its pastor, and the district superintendent responsible for that charge, to administer the affairs of that charge to the end that it may move as rapidly as possible toward total self-support. To enable the Annual Conference, the Commission and the district superintendents to carry on their cooperative efforts in understanding, in harmony and for the greatest good for all concerned, the following principles and procedures are set forth:

- A. In considering the base compensation for the charge, all income, including base compensation, bonuses, and other benefits not specifically excluded, are included as base compensation in determining appropriations from the Equitable Compensation Fund. Base compensation support for retired supply, interim supply, part-time local pastors, less than full-time conference members, or associate pastors in other than larger parish arrangement of churches will not be available.
- B. Charges must be so arranged that no more than one third (1/3) of the total base compensation will come from the Equitable Compensation Fund on the first application of the charge. Charges seeking more than one third (1/3) supplement shall provide specific information with their application, indicating the reasons for their inability to meet these guidelines. Information shall be made available to the Commission on Equitable Compensation and the district superintendent regarding the terms of Equitable Compensation support, giving the date of its inception and the present amount of support being received by the respective charges.

When the division of a charge is desired, Equitable Compensation funds will be used only upon the recommendation of the Bishop and the approval of the cabinet. In the division of a charge in which one church seeks to become a station, it is recommended that such a church shall assume total responsibility for base compensation and its proportionate share of all apportionments.

1. The remainder of the charge in such a division assumes full pastoral support and proportionate share of all apportionments. In no case will the Commission on Equitable Compensation provide more than one third (1/3) of the base compensation required for such a division.
2. When there is a division of a charge forming one or more student appointments, each newly created charge shall pay initially two thirds (2/3) of the

pastoral support established by the division.

- C. Churches receiving Equitable Compensation Funds shall conduct an annual financial/stewardship campaign in the second year of receiving Equitable Compensation funds, to accurately gauge the level of financial support the local church can reasonably expect from its members.
  - D. The Commission further recommends that each charge which is receiving, or shall hereafter receive, Equitable Compensation Fund assistance, shall reduce this aid by at least ten percent (10%) each year until the charge has achieved full self-support in ten years. The Commission wants to be clear at this point that its intent in this recommendation is that *charge will accept in full whatever increases are made in the minimum base compensation for their pastor each year and receive ten percent (10%) less each year in assistance from Equitable Compensation Funds than granted the previous year.*
  - E. Any Equitable Compensation Fund supplement will be terminated immediately upon information that the pastor has taken full-time, secular employment. The supplement may be reinstated at the time the charges appointed pastor returns to full-time or student status. Exceptions to this provision will be permitted only by the approval of the executive committee of the Commission on Equitable Compensation upon the recommendation of the district superintendent of the pastor seeking to be employed outside their ministerial responsibilities for emergency reasons.
  - F. Equitable Compensation Funds are to be sent to charges that have applied for their use to provide their pastor with the minimum base compensation established by the Annual Conference. The monthly base compensation supplement checks sent by the Conference Treasurer's office are to be deposited by the charge treasurer into the charge/church bank account. *Checks shall not be endorsed nor cashed by the pastor.*
  - G. Supplemental Base Compensation: Supplemental base compensation beyond the minimum may be approved based on joint approval of the Commission and the cabinet. Special attention shall be given to ethnic pastors serving ethnic ministries in accordance with the Book of Discipline 2004, paragraph 624.6. Said incremental increase is to be administered by the Commission on Equitable Compensation upon the recommendation of the cabinet, approval by the charge conference, and the district superintendent. Further, the local church shall be responsible for all MPP and CPP payments on incremental increase. This policy does not restrict the Commission on Equitable Compensation, upon the recommendations of the cabinet, from making additional grants in extraordinary circumstances.
  - H. Churches or charges applying for Equitable Compensation Funds shall submit a request on the appropriate form, supplied by the district superintendent. The pastor, recording secretary of the charge conference, and the district superintendent, shall carefully analyze the request. The application form must have the signatures of the pastor, recording secretary of the charge conference, and the district superintendent affixed to it, and receive the approval of the charge conference.
  - I. The Commission on Equitable Compensation will not fund any charge that is also receiving funds from The Emerging Church Salary Fund. The Commission on Equitable Compensation plans further consultation and study with other Conference boards and agencies to seek ways to more adequately provide for the temporal needs of our pastors and churches.
- III. The Commission reports that 25 charges received a total of \$155,229 in compensation assistance in the year 2004.

**FINANCE AND ADMINISTRATION, COUNCIL ON**

**III. FINANCIAL POLICIES**

The United Methodist Church is a connectional church, and all local churches participate in the mission and service giving of the larger church. The outreach and mission giving opportunities of the Connection are distributed to the churches of the NC Conference by means of a formula based on the financial performance in each local church. Every effort is made to develop a computation which is shared with fairness by all. Church leaders are encouraged to interpret the work of the Connection so that each congregation understands these funds to be a necessary extension of the ministry and mission of the church beyond its local organization.

**A APPORTIONMENTS:**

1. The funds to be apportioned are:
  - World Service and Connectional Ministries
  - Past Service Liability - Pensions
  - Episcopal Fund
  - Interdenominational Cooperation Fund
  - Black College Fund
  - Africa University Fund
2. Formula: The Apportionments for each year shall be based on the average of the total monies disbursed by each church in the four years immediately previous to the apportionment year less the approved exclusions each year, or on the most recent year less the approved exclusions, whichever is lower. The change in unadjusted apportionments from the previous year shall not increase or decrease in excess of 15%. The exclusions are: Payments on World Service and Connectional Ministries, Past Service Liability – *Pensions*, Episcopal Fund, and all other apportionments; district work fund; principal and interest on indebtedness; buildings and improvements; 50% of property insurance; local benevolences paid directly by the local church; General and Conference Advance Specials; Ten Dollar Club; up to \$4,500 for travel paid by a charge for each pastor; United Methodist Student Day; Human Relations Day; Peace and Justice Sunday; Native American Awareness Sunday; One Great Hour of Sharing; World Communion Sunday; UMW Funds sent to district or conference treasurer; housing allowance paid in lieu of furnished parsonage to a minister serving under Episcopal appointment in a charge of the Conference; offerings taken for disasters as designated by the Disaster Response Committee and the Resident Bishop.
3. Effective July 1, 2004, new congregations shall be assigned an apportionment beginning in the year in which the church is chartered (Year A in the following table). The new and projected charter dates for all new churches shall be reported annually by the Office of Congregational Development to the Treasurer's Office immediately following Annual Conference. The amount to be apportioned shall be a percentage of the apportionment as computed on the standard formula described in III.A.2 above. Because this formula results in a lower apportionment for a longer period than earlier new church formulas, no adjustment will be allowed to the apportionment computed as shown in the following table:

Year	Percent	Base Year Net Disbursement Formula	Maximum % Change
------	---------	------------------------------------	------------------

A	0%	None	None
B	60%	$= (4A)/4$	None
C	65%	$= ((3A)+B)/4$	None
D	70%	$= ((2A)+B+C)/4$	None
E	75%	$= (A+B+C+D)/4$	None

4. Apportionments to the churches shall be made by the Council on Finance and Administration (CFA) based on the current formula. Each cause shall be paid proportionately out of the income from funds received up to the amount fixed by the Annual Conference. In the event receipts shall fall short, all items shall be paid pro-rata. The CFA is authorized to make supplementary appropriations between sessions of the Annual Conference, if funds are available, for emergency or unforeseen needs. Such supplementary appropriations shall be made only from available undesignated funds. It is the intent of CFA that 50% of supplemental funds available be designated for the retirement of our current liabilities. In the light of possible unforeseen and emergency need beyond available resources within the Annual Conference, the CFA is authorized to adjust the pro-rata distribution by up to 10% at its discretion and is authorized to use such funds to make supplementary appropriations according to this provision. General Church apportionments will be paid in full as collected to general agencies and will not be subject to adjusted pro-rata distributions. All supplementary appropriations made under these provisions shall be reported in the Conference Journal for purposes of information.

All new programs or entities which would not be funded by an existing approved budget shall be referred to the CFA for review of budget needs and supplemental funds available prior to approval by Annual Conference. All contracts that exceed a 12 month period and/or \$50,000 must be authorized by the Council on Finance and Administration. Should authorization be needed between meetings of CFA, it can be given by two signatures from the Executive Director of Connectional Ministries, the President of CFA or the Conference Treasurer, and will require ratification by CFA at its next meeting. Commissions, boards, or agencies may not bind a future Annual Conference by contractual obligations. This provision will not apply to contracts involving the purchase or sale of property authorized by the Conference Board of Trustees in accordance with the Trustees' authority under the Book of Discipline.**

If reserves are less than or equal to 20% of the current operating budget, then only supplements to meet payroll for existing positions may be considered. 2. If reserves are above 20% and below 30% of operating budget, then only supplements to meet payroll for existing positions and unfunded liabilities may be considered. 3. If reserves are equal to or greater than 30% of operating budget, then other requests may be considered. 4. No request may be considered if the amount requested would reduce reserves below 15% of operating budget.

## INCAPACITY, JOINT COMMITTEE ON

The Joint Committee on Incapacity acts as the advocate for those pastors in the North Carolina Conference who are forced by physical or emotional incapacity to seek temporary or permanent relief from their appointment. The committee is given the responsibility to study the problems of incapacity within the Conference, to provide a continuing personal ministry to those who are incapacitated, and to make recommendations to the appropriate agencies of the Conference for each pastor seeking Incapacity Leave, including the source of their disability income. Persons interested in discovering more about the process of being granted Incapacity Leave can contact a district superintendent or the chair of the Joint Committee on Incapacity.

The following recommendations are presented to the 2005 session of the North Carolina Annual Conference:

1. The Joint Committee on Incapacity, through the Conference Treasurer's Office, will make available upon request the necessary forms for any full time pastor or Deacon to make application for Incapacity Leave. In all cases the applications must be completed by the pastor, the physician, chair of the Joint Committee on Incapacity, Conference benefits officer, and the district superintendent before the request for Incapacity Leave can be acted upon. Whenever possible incapacity requests are to be submitted ninety (90) days prior to Annual Conference except in life-threatening situations after that date, or when the disabling condition occurs after that date. Requests presented before May 15 will be included in the Committee's report to the Annual Conference.
2. Definition of Incapacity: For the first 24 months, an active participant will be considered incapacitated for the purposes of the Comprehensive Protection Plan or the Basic Protection Plan as of the date the Administrator determines, on the basis of medical evidence, that such active participant was unable to perform the usual and customary duties of his/her employment by reason of bodily injury, disease, or mental or emotional disease or disorder that will presumably last for at least six continuous months, exclusive of any incapacity resulting from service in the armed forces of any country, warfare, intentionally self-inflicted injury, or participation in any criminal or unlawful act.
3. Definition of Clergy: Clergy in The United Methodist Church are individuals who serve as commissioned ministers, deacons, elders, and local pastors under appointment of a bishop (full- and part-time), who hold membership in an annual conference, and who are commissioned, ordained, or licensed.
4. A pastor or Deacon seeking to be on Incapacity Leave secures a disability claim kit from the Office of Ministerial Relations. The applicant completes Form A, has his or her physician complete Form B, completes the applicant's portion of Form C, and submits all these forms to the Office of Ministerial Relations for completion. Disability Management Alternatives reviews the claim and recommends a determination to the General Board of Pension and Health Benefits who retains the authority to approve or deny a claim.
5. We recommend that pastors applying for Incapacity Leave be approved when the General Board of Pension and Health Benefits grants their request for incapacity benefits through the Comprehensive Protection Plan.
6. The Ministerial Pension Plan, Comprehensive Protection Plan, Hospital Insurance, and Life Insurance shall be paid by the Joint Committee on Incapacity both for those approved by the General Board of Pension and Health Benefits and those approved by the Joint Committee on Incapacity.

7. Pastors on Incapacity Leave are reminded to investigate the penalties by the Social Security Administration if they do not elect to come under Medicare at age 65.
8. We recommend that a lump sum grant of \$3,500 be made at the beginning of Incapacity Leave. This grant will be available only one time in a pastor's years of service.
9. The Joint Committee on Incapacity will review the progress of each pastor on Incapacity Leave at least annually. This review will include both recommendations from the pastor's physician and district superintendent as well as opportunities for continuing fellowship with the pastor to develop further possibilities of assistance in his/her disabled circumstances.
10. We recommend the following pastors to be continued on Incapacity Leave:
  - A. Wilson E. Barber, P O Box 4931, Emerald Isle, NC 28594 252/354-5635

7. Participants applying at any time other than the initial enrollment period (30 days from the date first eligible) would be subject to the one year pre-existing conditions clause. Submission of a valid Certificate of Insurance may eliminate or decrease this 12 month clause. The exception to this rule would be possible by a change in life status causing loss of coverage: divorce, death of spouse, loss of spouse's employment, reduction of hours regarding spouse's coverage.

8. Effective January 1, 2004, the Conference health insurance plan will be the primary carrier for active participants who continue to work past the Medicare eligibility age, and are enrolled in the Conference health plan.
9. Retired participants should sign up for Medicare parts A and B upon reaching the Medicare eligibility age. The Medicare Companion Plan is the only plan offered to retirees past this age. Medicare becomes the primary payer, with the Conference plan as secondary.
10. A participant must be covered in the Conference insurance for five consecutive and uninterrupted years immediately prior to retirement to retain health benefits after retirement. All participants enrolled on January 1, 2001 will be prorated under this rule.
11. Pre-Certification of all in-patient admissions is required. Effective January 1, 2004, call Blue Cross Blue Shield of NC at 800-214-4844. Mental Health benefits should be pre-certified through Magellan Behavioral Health at 800-359-2422.
12. Denial of claims or incorrect processing of claims should be appealed through Blue Cross Blue Shield of NC. There are two levels of appeal.
13. Payment for the church's portion of the insurance programs must be made by the church/charge treasurer. Personal checks cannot be accepted due to IRS regulations governing Section 125 cafeteria plans. The personal portion of insurance premiums should be withheld from the participant's salary by the salary-paying unit on a pre-tax basis.
14. Premiums for health and life insurance may be paid in ADVANCE on a monthly, quarterly, semi-annual, or annual basis.
15. Lay persons or clergy on maternity/family medical leave may continue their insurance coverage, as long as the premiums are paid.
16. The Insurance Committee may terminate the coverage for non-payment of premiums. Insurance payments which are 60 days late (from the date of the bill) will result in termination of benefits. Termination will take place on the last day of the month in which the 60th day has occurred. Benefits may be reinstated without lapse in coverage if full payment is made within 30 days of the termination date. Thereafter, insurance coverage may be reinstated upon full payment and coverage will be effective the first day of the following month. The one-year waiting period for pre-existing conditions will apply to all reinstatements where a lapse in coverage occurs.
17. In case of termination of coverage, the church is responsible for the premium until the Treasurer's Office is notified in writing of such termination.

#### IV. Statement of Intent

The NC Annual Conference established a Group Health and Life Insurance Plan with the intent of providing coverage for the active and retired clergy. However, the Annual Conference reserves the right to terminate the health and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plan without the consent of individual participants.

#### V. Eligibility Policies

If you enroll in this program, you are eligible for your coverage to begin on the first day of the month following date of hire. Coverage is not automatic. Completion of an enrollment form on a timely basis is required.

Health insurance and life insurance through the Conference groups will be available to the following:

- A. Clergy who are members in full connection of the Conference, probationary and commissioned probationary members, associate members, student local clergy, part-time local clergy, interim supplies (covered as lay employees) serving full-time or part-time under appointment in:
  - 1. One of the churches or charges of the NC Conference.
  - 2. One of the institutions or agencies of this Conference receiving financial support from the Conference.
  - 3. An institution or agency established to provide a ministry or service provided that:
    - (a) Clergy shall elect in writing within 30 days after the appointment to continue the coverage. If the coverage is discontinued, a one-year waiting period for pre-existing conditions may apply before re-establishing the health insurance coverage.
    - (b) The Institution shall be responsible for payment of all health insurance premiums by the due date.
- B. Clergy eligible for life and health insurance through the Conference are entitled to these benefits.
- C. Clergy on Leave of Absence provided that a written request to continue the coverage shall be filed with the Conference treasurer within 30 days after the beginning of the leave of absence.
- D. Lay Employees:
  - 1. Each church/charge must apply for a group insurance contract with the Conference Treasurer's Office in order to offer insurance to eligible lay employees. An insurance administrator must be appointed at each church/charge to manage insurance policies dealing with lay staff. This contract may be obtained from the Conference Treasurer's Office. It is the responsibility of each local church/charge and its officers to be apprised of the parameters of the Conference insurance plan.
  - 2. Each local church must have at least 75% participation of the eligible lay employees to participate in the Conference plan. Those churches who currently have less than 75% participation will be allowed to continue their current coverage of lay employees now under the Conference plan. Diaconal Ministers are not subject to this rule.
  - 3. The employee must work a minimum of 30 hours weekly and must be enrolled in the period specified for initial enrollment - this period being within 30 days of date first eligible, or be added as a late applicant.
  - 4. The Committee recommends that the church provide this benefit to lay employees with the same premium payment policy as recommended for clergy.
  - 5. All churches providing post-retirement benefits to lay employees will be billed in full for all premiums associated with retirement insurance benefits. The Annual Conference is not responsible for the premiums of local church retired lay staff.
- E. The Insurance Committee continues to explore eligibility options for future benefit plans and questions of church participation.
- VI. Historically, the Insurance Committee has developed rates based on maximum actuarially projected claims. The Insurance Committee may use funds in excess of the plan's operational needs to fund postretirement benefits.
- VII. The Insurance Committee strives diligently to present the best possible health and life insurance coverage available to the North Carolina Annual Conference. Careful consideration is given to benefits and rates that are proposed each year.

**Report B Recommendations for the Pension Program**

**I. Funding Plan for Supplement One of the Ministerial Pension Plan**

**A. Defined Plan Benefits:** Supplement One of the Ministerial Pension Plan (Pre-82 Plan) provides defined benefit pension benefits to participating retired clergy for all service rendered to the North Carolina Conference through December 31, 1981. This plan will continue until all pastors with past service benefits and their surviving spouses are deceased and is administered by the General Board of Pension and Health Benefits (GBOPHB).

**B. Current Past Service Rate:** For many years, the Book of Discipline has defined Pre-82 Plan defined benefits as a fixed payment per year of past service. This fixed payment is the Past Service Rate (PSR). The benefit goal is stated to be a PSR of 1% of the Conference Average Compensation (CAC). Participation in the Ministerial Pension Plan (MPP) requires that an Annual Conference maintain its PSR to at least 0.9% of the CAC to continue to participate fully in the MPP. The 2005 CAC for the North Carolina Conference is \$57,248. The 2005 PSR is \$516 or 0.90% of the CAC. Our Conference Board would like to maintain a PSR of at least 0.9% of CAC. North Carolina CAC has increased by approximately 4.7% over the past 10 years; however, we expect future increases to be slightly above this amount. Therefore, we estimate future PSR increases to average approximately 5.0% each year.

**C. Funded Status:** The Conference is required to fund all future benefits of the Pre-82 Plan by December 31, 2021. Funded Status (previously called unfunded liability) is the difference of the current assets held by the GBOPHB for future benefits of North Carolina participants and the total present value of all future benefits to be paid under the plan at the approved PSR. The GBOPHB values assets and liabilities of the plan every two years and projects data to current years based on the increase in PSR and

investment earnings. For the 2005 Funding Plan, GBOPHB and the Conference use an assumed earnings rate of 7.5%.

The General Board of Pension and Health Benefits has determined that the portion of the pre-82 plan liability attributable to North Carolina Annual Conference is \$53,395,785 with a 5.0% PSR increase assumption based on a 2005 PSR of \$516. Plan funds currently held with the General Board of Pension and Health Benefits have a value of \$13,157,616 as of January 1, 2003 (for 2005 funding plan).

The difference between the total plan liability and current plan funding is \$40,238,169. This represents the unfunded plan liability and will be provided through apportionments and non-plan funds that are held in various investment sources. The Conference intends for contributions to be made within the 17-year period, ending December 31, 2021. The minimum annual contribution due December 31, 2005 is currently estimated to be \$3,300,020.

**D. Funding Plan for 2005:** Our conference pays for plan benefits through several potential funding sources. Both the interest and principal of non-plan funds may be available for retirement funding needs. Below is a description of the non-plan assets available to pay the present value of future contributions:

Our Conference expects to utilize annual apportionments from the local churches as the primary source for pre-82 pension funding. Our Conference expects to receive annual apportionments in an amount of \$3,100,000 for 2005, \$3,200,000 for 2006, increasing \$200,000 each year through 2011. Apportionments of \$4,600,000 are expected for the years 2012 through 2014. Apportionments of \$750,000 are expected for the year 2015. The present value of the expected apportionments is \$28,384,930. This apportionment funding was originally approved by the 1991 Annual Conference.

The Conference maintains a General Deposit Account with the General Board of Pension and Health Benefits that has a value of \$ 7,558,877 as of January 1, 2005. Both the interest and principle from this account are available to meet future contribution requirements. This balance is net of an additional payment to the plan of \$3,000,000 during June 2003 beyond the required amortized payment in December 2003.

The Conference maintains and manages a cash account that is available for Supplement One funding. The current value of the account is \$1,579,526 as of January 1, 2005. Both the interest and principle from these sources are available to meet future contribution requirements.

The Conference maintains and manages other miscellaneous accounts that are available for Supplement One funding. The current value of these accounts is \$14,946 as of January 1, 2005. Both the interest and principle from these sources are available to meet future contribution requirements. The 2005 funding plan as of January 1, 2003 is summarized below:

Supplement One Liability:	
Assuming A PSR Increase of 5.0%	\$(53,395,785)
Current Plan Funding as of 1/1/03	<u>13,157,616</u>
Unfunded Plan Liability	\$(40,238,169)

Additional Plan Assets:	
Present Value of Future Apportionments	\$28,384,930
General Deposit Account (GBOPHB)	7,558,877
June 2003 Additional Plan Contribution	3,000,000
Conference Managed Cash Accounts	1,579,526
Conference Superannuate Endowment Fund (GBOPHB)	254,706
Conference Managed Investment Accounts	<u>14,946</u>
Total Additional Plan Assets	\$40,792,985

**E Proposed Past Service Rate:** The 2006 CAC for the North Carolina Conference is \$57,876. We propose that the past service rate beginning January 1, 2006 be increased to \$536 per service year, or 0.93% of the CAC. Assuming 5% future PSR increases and 7.5% investment earnings, this increase creates an unfunded liability of \$36,495,307. This unfunded liability reflects application of an additional plan contribution of \$3,000,000 during 2003 and net actuarial gains over the January 1, 2005 valuation. The minimum annual contribution due December 31, 2006 is currently estimated to be \$2,862,133.

**II. Ministerial Pension Plan (MPP)**

Guidelines for the Ministerial Pension Plan and the Comprehensive Protection Plan are contained in the plan document. A copy of the summary plan document is available on request by contacting pension services in the treasurer's office.

- A. Service on and after January 1, 1982 will be funded on a defined contribution basis. This plan is basically deferred salary, and creates no unfunded liability because it builds an account of funds for a specific minister as his/her salary is paid.
- B. Funding is based on a percentage of Plan Compensation. Plan Compensation is calculated by the GBOPHB according to the plan document:
  - 1. Non-vouchered travel is never used in Plan Compensation calculations since this is considered by the General Board of Pension and Health Benefits to be local church expense.
  - 2. Clergy couples housing (Effective January 1, 1988):
    - a. When only one of the spouses is furnished a parsonage, the one furnished the parsonage includes the housing allowance.
    - b. When one spouse is furnished the parsonage and the other a cash allowance, the one furnished the parsonage will use the 25% housing allowance and the other will report the actual cash housing paid.
    - c. When two parsonages are furnished each spouse claims a housing allowance.
    - d. When neither is furnished a parsonage, the actual cash housing allowance may be counted by the person/or persons receiving the allowance.
  - 3. In accordance with the Plan Document, the housing allowance for those furnished housing is 25% times the cash salary.
  - 4. Those furnished a cash housing allowance will report the actual amount in accordance with the Plan Document. (Effective January 1, 1988)
- C. The Ministerial Pension Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office. (Effective November 1, 2004)
- D. These contributions are placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.
- E. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.
- F. We recommend 12% as the level of participation in the Ministerial Pension Plan for the North Carolina Conference participants.

**III. Comprehensive Protection Plan (CPP)**

A. This part of the program contains provisions for a death benefit, disability income, and funding for the peerage portion of the Ministerial Pension Plan. In addition to the provisions of a death benefit for the pastor, there is a death benefit on the life of the spouse and dependent children under age 18 or who are dependent

because of disability. The Comprehensive Protection Plan also includes educational benefits for the children of a deceased minister. This part of the plan is only available to those ministers covered under the CPP, whose charges are paying at least minimum full-time salary.

1. Death Benefits provide \$50,000.00 as the benefit paid on the death of an eligible active participant. Upon retirement at any age, death benefits drop to \$15,279.30 for the year 2005. This is 30% of the DAC.
  2. Effective January 1, 2002, the disability benefit equals 70% of plan compensation, with plan compensation capped at 200% of the DAC. (The DAC for 2005 is \$50,931.00 and for 2006 is \$52,394.00) The disability benefit is reduced by any disability benefits payable under the Social Security Act. This revised benefit applies only to eligible clergy whose disability effective date, as determined by the General Board of Pension and Health Benefits, is on or after January 1, 2002.
  3. The peerage program provides for a contribution from the Comprehensive Protection Plan to the minister's Church Account of a sufficient amount to provide the minister with a total contribution for the year based on the Denominational Average Compensation at 12% of Plan Compensation based on the Denominational Average Compensation for those eligible.
  4. The Comprehensive Protection Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the Conference Treasurer's Office. (Effective November 1, 2004)
- B. Effective January 1, 2002, the cost of the Comprehensive Protection Plan (CPP) is a total of 4.4% of the actual Plan Compensation up to 4.4% of 200% of the Denominational Average Compensation (DAC). The pastor shall be required to pay 1% of Plan Compensation (up to 1% of 200% of DAC) and the church or charge shall pay 3.4% of the Plan Compensation (up to 3.4% of 200% of DAC). ¶1506.19 in *The Book of Discipline 2004*.

#### IV. Implementation of the Program

- A. Costs of the Ministerial Pension Plan/Comprehensive Protection Plan will be borne by the local charge as an item of ministerial support according to the Plan Compensation of the minister and the category of the charge.
- FULL TIME (Conference Member/Local Pastor) 12% of Plan Compensation for MPP and 3.4% of Plan Compensation for CPP (up to 3.4% of 200% of the DAC) ¶ 1506.19, *Book of Discipline 2004*
- STUDENT (Conference Member/Local Pastor) 12% of Plan Compensation

- INTERIM OR RETIRED SUPPLY no pension responsibility
- B. The pastor will make regular monthly payments to the Conference Treasurer's Office through the local church treasurer for his/her 1% of Plan Compensation (up to 1% of 200% of the DAC) for CPP.

Benefits for his/her personal tax paid or tax deferred contributions of at least 3%.

(The following, Item V, was approved by the 1997 Annual Conference to be placed in effect at the conclusion of the Session of the Annual Conference, Year 2000:)

**H. Life Insurance**

A clergy person must have been covered under the conference active life insurance plan in order to retain life insurance benefits after retirement. The Board of Pensions does not provide life insurance for dependents of retired clergy.

**I. Clergy Couples Insurance**

1. When one member of a clergy couple retires, medical and life insurance will be paid for the retiree according to the schedules and rules previously listed.
2. Health insurance will be provided for the spouse and eligible dependents of the retired clergy partner according to the rules and schedules previously listed.

**J. Surviving Spouses**

Surviving spouses of active participants must be enrolled in the health insurance plan at the time of the participant's death in order to receive health insurance benefits under the current health insurance plan.

Premiums will be determined by the retirement rules in place on the date of death.

1. When surviving spouses are employed and provided health insurance by their employer, the plan of the Board of Pension will be the secondary carrier.
2. If the surviving spouse remarries, the conference health insurance will terminate. Future benefits under the conference health insurance plan are waived.
3. Surviving spouses of retired clergy must be enrolled in the health insurance plan at the time of the retired clergy's death in order to receive health insurance benefits under the current health insurance plan.
  - a. Surviving spouses currently enrolled who married the clergy person after the clergy person's retirement, can remain covered by the health insurance plan. The Board of Pensions grants a flat rate of \$150.00 monthly towards the cost of the surviving spouse's coverage. The remaining premium will be the responsibility of the surviving spouse.
  - b. Surviving spouses of retired clergy who married the clergy person prior to the clergy person's retirement are subject to the payment schedule applicable prior to the death of the clergy person.
  - c. Effective January 1, 2001 retired clergy persons may not add new dependents to the health insurance plan.

#### VI. Intent

The North Carolina Annual Conference established health, dental, and life insurance plans with the intent of providing coverage for the active and retired pastors. However, the Annual Conference reserves the right to terminate the health, dental, and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plans without the consent of the individual participants.

#### VII. Dental Insurance

The Board of Pensions recommends that retired ministers covered under the health insurance plan have dental insurance. Dental benefits became available on July 1, 1987. VIII. Maximum Lifetime Benefit Under the Medicare Companion Plan. The lifetime maximum under the current Medicare Companion Plan is \$2,000,000 for each participant.

#### IX. Special Provisions

The North Carolina Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pension and Health Benefits for active participation in the MPP and/or CPP by persons who are eligible under special rules but not automatically included as active participants. (MPP Section 3.2 and CPP Section 3.2.)

#### X. Conclusion

Our constant aim is to provide our retired families with their needs for an adequate income to purchase essentials for living as well as to insure adequate care in case of illness. To these ends our recommendations are directed, and their satisfaction is found in the acceptance of the North Carolina Conference and its membership.

#### **Report C Housing Exclusion Allowance (For Income Tax Purposes Only)**

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who are duly ordained, commissioned, or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained, commissioned, or licensed ministers of the Church ("Clergypersons"); and

WHEREAS, pensions or other amounts paid to retired and disabled Clergypersons are considered to be deferred compensation and are paid to retired and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized that the North Carolina Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled Clergypersons who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled Clergyperson who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister including such payments from the General Board of Pension and Health Benefits (GBOPHB) and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, including amounts received in this respect from the Duke Endowment, or 100% of the disability benefit payments received by a disabled minister, during the year of 2006 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church, who is or was a member of the North Carolina Annual Conference at the time of his or her retirement or disability.

2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited under Internal Revenue Code section 107(2) to the least of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71 280, 1971 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

**Please Note:** There is no place on your 1040 Tax Form to list this Housing Exclusion. The General Board of Pension and Health Benefits has provided a sample statement to be used: "I received \$\_\_\_\_\_ from the General Board of Pension and Health Benefits, Incorporated in Missouri; and/or from a commercial

annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline and \$\_\_\_\_\_ from the Duke Endowment (total \$\_\_\_\_\_) as reported on the attached 1099 - R's. I did not include that amount on Line 16b because \$\_\_\_\_\_ \* has been excluded under provisions of IRC Section 107 of the Internal Revenue Code as a rental allowance exclusion. As a retired clergyperson, I am entitled to take this rental allowance exclusion." (In this blank put the least of the 3 amounts on your Housing Exclusion Worksheet.)

Attach this note to your 1099-R forms.

## **Report D Ministers' Transition Fund**

**I. The Principles of the Fund** - The Ministers' Transition Fund of the North Carolina Conference of The United Methodist Church (the "Fund") was established effective November 20, 1937, to assist the minister to more easily make the transition from the active relationship in which a furnished parsonage has usually been provided, to the retired relationship in which the minister provides his or her housing. The Fund is established by apportionments to each local church in the Outreach Ministries-Fair Share Apportionments and by assessments to each minister who has membership in the Fund. Since all churches contribute to this Fund, it is the desire of the North Carolina Annual Conference of The United Methodist Church that all ministers participate in the Fund. The Conference does not interpret the churches' support of the Ministers' Transition Fund as an additional benefit for their ministers, but as a benefit for all ministers of the Conference. Therefore, the only funds to which a minister can make personal claim are those that he or she contributed to the Fund.

The Conference vigorously emphasizes that the purpose of this Fund is to assist the minister's retirement transition and not to be an emergency fund available for any other purpose. All participant elections available shall be irrevocable. The Fund is intended to be a church plan within the meaning of section 414(e) of the Internal Revenue Code of 1986, as amended (the "Code") which has not made the election under section 410(d) of the Code and is also intended to meet the requirements of a retirement income account under section 403(b)(9) of the Code. The Plan shall be interpreted, wherever possible, to comply with the applicable terms of the Code and all applicable formal regulations and rulings issued under the Code.

**II. The Conference Treasurer** - The Treasurer of the North Carolina Conference (the "Conference Treasurer") shall serve as Treasurer and custodian of this Fund. He or she shall promote this work, receive funds from pastors and charges, and keep permanent records of assessments received and benefits paid.

**III. Eligibility for Membership** - Membership in this Fund is not mandatory. Each ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) who is serving full time in a charge or as a district superintendent, a Conference ministerial staff person, or others who are appointed to serve at a North Carolina Annual Conference Institution (Methodist Retirement Home, Inc.; Methodist Home for Children, Inc.; Louisburg College; Methodist College; North Carolina Wesleyan College) or other Episcopal appointment of the North Carolina Annual Conference shall be eligible to join.

In order to remain an active, participating member, the ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) must continue to serve full time in a charge or other appointment. A full-time local pastor may continue as a member of the Fund only during the time he or she is serving under episcopal appointment. Students under episcopal appointment who have previously served full time and who intend to return to full time service are eligible to continue. Those ministerial members on disability leave, leave of absence, or Conference members with less than full time service, may

continue to be active, participating members by meeting the provisions discussed hereafter.

Ministerial members who transfer into the Conference or new ministers receiving appointments for the first time are eligible to join the Fund in January of the year following the Annual Conference session in which their credentials were recognized. Ministers in these categories applying for membership will be assessed on the basis of their total salary and utility allowances for the six months between July 1 and December 31 computed to a twelve-month amount.

Each new member of the Fund shall file an application form. Upon filing of application for membership and paying the recommended assessment for one year, his or her membership becomes effective. The deadline for enrollment for all ministers is January 31 of each year.

**IV. Apportionments and Assessments**

**A. Conference Contributions** -- Funds shall be placed in the Conference budget annually equal to an amount of one percent (1%) of the total salaries and utilities paid to all pastors and associates of the Conference based upon the Conference Journal figures for the year preceding the year in which the budget request is made to the Annual Conference. This budgeted amount will be apportioned to charges on the same basis as all other Conference budget items, and this amount shall become part of the Fund.

**B. Minister Contributions** - Each minister in a pastoral appointment who participates in the Fund shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of all salary and utility allowances he or she receives each year from the charge he or she is serving and/or Conference sources. (Salary also includes Equitable Salary Fund payments, Duke Endowment Funds, and missionary sources.)

**C. Council on Finance and Administration Contributions** - The Council on Finance and Administration shall make provision for payment into the Fund an amount equal to one percent (1%) of salary and utility allowances usually paid by the charge for district superintendents and ministers appointed as Conference staff.

**D. District Superintendent and Conference Ministerial Staff Contributions** - District superintendents and Conference ministerial staff shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of their salary and utility allowances.

**E. All Other Ministers** - All other ministers who participate in the Fund shall be assessed and pay into the Fund on an after-tax basis a sum equivalent to two percent (2%) of their annual salary and utility allowances or two percent (2%) of the Conference Average Salary, whichever is greater.

**V. Deadline For Receipt of Assessment** - The plan (fiscal) year of the Ministers' Transition Fund shall be the same as that of the Annual Conference fiscal year, January 1 through December 31. No later than November 1 of each year, the Conference Treasurer shall notify all members their assessment is due. Each member of the Fund shall submit payment for the required assessment no later than January 31 of each year. Assessments received after January 31 will be returned to the minister. If he or she has been a member less than ten (10) years, this lack of payment extends the period for one additional year before dividends can be received. If the minister has been a member over ten (10) years, he or she will receive no dividends for the year involving lack of payment. If any member of the Fund fails to pay his or her required assessment for three consecutive years, he or she shall be required to withdraw from membership in the Fund.

**VI. Base Benefits** - Base benefits shall be paid to retired members of the Transition Fund as follows:

If retired at the end of one year of membership .....\$200.00  
If retired at the end of two years of membership ..... 300.00

If retired at the end of three years of membership .....	400.00
If retired at the end of four years of membership .....	500.00

If retired at the end of nine years of membership .....	1,000.00
If retired at the end of ten years of membership .....	1,100.00
If retired at the end of eleven years of membership .....	1,200.00
If retired at the end of twelve years of membership .....	1,300.00

If retired at the end of twenty-four years of membership .....	2,500.00
If retired at the end of twenty-five years of membership .....	2,600.00

**VII. Allocation of Dividends After Ten Years of Membership** -After ten years

of membership, and beginning with the eleventh year, the base benefit to be paid is increased by dividends credited to the members account.

Any funds, **except as provided below**, including apportionments, assessments, forfeitures and earnings thereon, remaining after benefits have been paid to eligible members for the plan year shall be divided into equal parts, in the case of members who remained members through the year, and portions of such equal parts in the case of members who have retired during the year and who are entitled to a part-year allocation, as described below, and credited to the accounts of those who have been participating members for more than ten years and are not in arrears for the previous year.

A reserve equal to ten percent of the members' payments and dividend fund balances as of December 31 each year shall be maintained. Unrealized gains on investments shall be reserved and are not generally eligible to be distributed as annual dividends. The Hearing Committee may supplement the annual dividend from such reserves to maintain the declared dividend in an amount consistent with previous year levels when such action is deemed appropriate considering current investment returns and current economic conditions. The purpose of maintaining these reserves is to insulate the members in any year from market fluctuations and preserve the ability of the fund to consistently provide for housing needs in their retirement.

In the event a member retires during a year after completing ten years of membership, such member **may elect to** submit payment to the Fund of that portion of their assessment for the year equal to the product of (1) the assessment the member would have paid had the member not retired, and (2) a fraction, the numerator of which is the number of whole months in the year prior to the date the member retires, and the denominator of which is 12. If a member pays the assessment described in the preceding sentence, the account of the member shall also receive as an allocation of dividends for such year an amount equal to the product of (1) the amount of dividends which would be credited to the account of such member had the member not retired during such year, and (2) a fraction, the numerator of which is the number of whole

months in the year prior to the date the member retires, and the denominator of which is 12.

#### **VIII. Limitations on Contributions Pursuant to the Internal Revenue Code**

**A. In General** - The contributions for any calendar year allocated to a member's account under Articles VI and VII on behalf of a member under all Qualifying Retirement Plans in which the member participates shall not exceed the member's Limit on Annual Additions as determined in subsection B of this Article VIII. The provisions of this Article VIII are intended to provide the limit on the amount of contributions to this Fund which are excludable from the gross income of the member pursuant to Code section 415, and shall be interpreted in a manner consistent with that Code section.

##### **B. Limit on Annual Additions Under Code Section 415**

(1) A member's Limit on Annual Additions shall for any calendar year be an amount equal to the lesser of:

- (a) 100% of the member's includible compensation within the meaning of Code section 415(c)(3)(E) in such calendar year, or
- (b) \$40,000, or such greater amount as is permitted under Code section 415(c) as adjusted under Code section 415(d)(1)(B).

For purposes of determining a member's Limit on Annual Additions, in the case of a member who has more than 50% control of an employer (a "Controlled Employer") within the meaning of Code section 415(h), contributions to a plan of the Controlled Employer that constitute annual additions (as defined in Code section 415(c)(2)) to the member shall be treated as contributions to this Plan.

(2) A member's "includible compensation" for purposes of paragraph (1), above, shall mean the amount of compensation received from an employer within the meaning of Code section 403(b)(3) and 414(e) which is includible in gross income, computed without regard to Code section 911 for the most recent period ending not later than the close of the taxable year which is counted as a one year period of service as defined under paragraph (3) below. Such term shall not include any amount received by a former member after the fifth taxable year following the taxable year in which such member was terminated, or utilities to the extent such amounts are not includible in compensation pursuant to Code section 107.

(3) A member's "period of service" for purposes of paragraph (2) above shall be expressed as a number equal to the member's number of full years of service plus one-twelfth for each one month period of service in addition to his or her full years of service. Part-time service of a member shall be taken into account as the percentage of such service that is equal to the percentage of full-time service served.

Notwithstanding any provision of this Article VIII.B to the contrary, the Limit on Annual Additions of a member who has made an election under Code section 415(c)(7) shall be determined under such Code section and the regulations issued thereunder.

**D. Prohibition on Before-Tax Salary Reduction Contributions** - Before-tax contributions under a salary reduction agreement shall not be permitted under this Fund.

**IX. Death Benefits** - When a participating member of the Fund dies, the Treasurer shall pay to his or her designated beneficiary or beneficiaries, otherwise to his or her estate, the full amount of the base benefit payments plus the dividends, if any, added to his or her account. In the event that a minister dies prior to the eleventh year of membership, the designated beneficiary or beneficiaries, or otherwise the estate, shall receive the full amount of the base benefit payments plus the assessments contributed by the participating member. In no case would the

beneficiary, beneficiaries or estate receive less at the time of the ministers death than the member's assessments plus simple interest credited annually at the rate of The United Methodist Foundation, Inc., cumulative dividend yield for the most recent four quarters prior to the date of death.

**X. Designation of Beneficiary** - Each member shall provide the Conference Treasurer the name(s) of the beneficiary or beneficiaries to whom the death benefits described in Article IX are to be paid in the event of death. The designation shall be indicated on a form provided by the Conference Treasurer. A designation shall not be effective unless such form has been duly completed and filed with the Conference Treasurer. In the absence of a designated beneficiary, benefits shall be paid to the member's estate.

**XI. Irrevocable Election Regarding Distribution of Funds** - Members actively serving must make, prior to attaining age 59 1/2, an irrevocable election to either terminate from the Ministers' Transition Fund beginning with the Annual Conference following the attainment of age 60 or to defer termination from the Fund until retirement, as defined in the *Book of Discipline*, 1996, ¶¶355.1, 355.2a, 355.2b, 355.2c. Such irrevocable election is the responsibility of the member and must be made in writing to the Conference Treasurer by age 59 1/2. Forms can be obtained upon request from the Conference Treasurer. Should the member fail to make the irrevocable election, the member will not terminate from this Fund until retirement.

## **XII. Payment of Benefits**

**A. In General** - At retirement or early termination from the Fund, members who have accrued the same number of years of service credited under the Fund (during the same calendar years) will have exactly the same accrued benefit and will receive exactly the same benefit regardless of their total individual contributions. Notwithstanding any other provision of this Fund, all payments under this Fund must be made at least as rapidly as required under section 401(a)(9) of the Code and any proposed or final regulations thereunder, including but not limited to the incidental death benefit requirements of Code section 401(a)(9)(G).

In no case would the member receive less at retirement than the member's assessments plus interest computed at the United Methodist Foundation, Inc. cumulative dividend yield for the four most recent quarters prior to the retirement date.

- (1) Ministers With Less Than Ten (10) Years.** For ministers retiring between January 1 through Annual Conference, and who retire or terminate from this Fund with less than ten (10) years credit in the Fund shall be paid in a single lump sum immediately following the session of the Annual Conference at which he or she retires or terminates. For ministers retiring between Annual Conference and December 31, payment shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. The benefit shall be the base benefit as prescribed in the table for retired members under Article VI plus minister contributions
- (2) Ministers With Ten (10) or More Years.** A minister who retires or terminates from this Fund with ten (10) or more years credit in the Fund must make an irrevocable election to receive benefit payments under one of the following options. This irrevocable election must be made no later than ninety days prior to the retirement month or month of termination due to early retirement or disability. For either option selected, total benefit payments shall be the base benefits as prescribed in the table plus the dividends credited. Interest will accrue on the principal balance beginning on the later of the retirement date or July 1 of the retirement year and will continue until the account is paid in full. The interest rate will equal the United Methodist Foundation, Inc. cumulative

dividend yield for the four most recent quarters. All payments excluding the payment of member assessments shall be subject to income tax.

- (a) **Two payment option:** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The second payment shall be the remainder of dividends and base benefit payment earned during their membership and interest accrued.
- (b) **Six payment option.** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The remaining payments shall be five equal annual installments of the remaining dividends and base benefit payment earned during their membership and interest accrued. The six payment option shall not be available to a member following attainment of age 70.

For ministers retiring between January 1 and Annual Conference, under either option, the first payment shall be paid within 15 working days following the adjournment of the Annual Conference following the ministers' retirement or termination from the Fund. The second and subsequent payments shall be paid annually between January 1 and January 10 of each year following the year in which the minister terminates or retires until the account is paid in full.

For ministers retiring between Annual Conference and December 31, the first payment and second payment for either payment option shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. Unless the minister selects the six payment option, the account shall be disbursed in full in the first January after retirement. If the six payment option is selected, the four remaining installments shall be paid annually between January 1 and January 10 of each subsequent year until the account is paid in full.

#### **B. Direct Rollovers**

- (1) This Article XII.B applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the Fund to the contrary that would otherwise limit a distributee's election under this Article XII.B, a distributee may elect at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

#### **(2) Definitions:**

- (a) **Eligible rollover distribution:** An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code as made applicable by section 403(b)(10) of the Code, any amount that is distributed upon hardship, and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).
- (b) **Eligible retirement plan:** An eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity contract described in section 403(b) of the Code

(including custodial accounts described in section 403(b)(7) of the Code and retirement income accounts described in Section 403(b)(9) of the Code), a qualified plan described in section 401(a) or 403(a) of the Code, or an eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state which agrees to separately account for amounts transferred to such 457(b) plan from this Fund, that accepts the distributee's eligible rollover distribution

- (c) **Distributee**: A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse.

- (d) **Direct rollover**: A direct rollover is a payment by the plan to the eligible retirement plan specified by the distributee.

(3) Within a reasonable time before making an eligible rollover distribution from the Fund, the Conference Treasurer shall provide or cause to be provided the written explanation to the distributee required by Code section 402(f).

**XIII. Disability Leave** - A minister who is approved for and placed on Disability Leave granted by the Conference may elect to:

- A. Continue as an active member and pay two percent (2%) of the disability pay received from all sources. Should Disability Leave be granted between sessions of Annual Conference, 2% of the disability pay received from all sources computed to a 12 month amount shall be paid.
- B. Be treated the same as a transferring member.
- C. Receive benefits the same as a retiring member.
- D. Terminate from the Fund and receive all benefits within thirty (30) days following the granting of Disability Leave.

The minister shall notify the Conference Treasurer in writing of his or her choice of option within ten (10) days following the granting of Disability Leave. In no case would the member receive less than the member's assessments plus interest, determined as described in Article IX.

**XIV. Leave of Absence** - A minister who is approved for and placed on Leave of Absence by the Conference may elect to:

- A. Continue as an active member by paying 2% of the Conference Average Compensation while on leave.
  - B. Be treated the same as a transferring member under Article XVI.
- Conference Average Compensation means the Conference Average Compensation as determined annually by the General Board of Pensions.

**XV. Less Than Full Time Service** - A Conference member who is approved for less than full time service by the Conference may elect to:

- A. Continue as an active member for no more than three years by paying 2% of the Conference Average Compensation (within the meaning of Article XIV) while serving less than full time.
- B. Withdraw from the Fund according to the provisions of Article XVII.

**XVI. Membership Transferring** - Any ministerial member who leaves the North Carolina Conference by transfer to another annual conference of The United Methodist Church cannot make any further payment to the Fund. He or she may leave his or her account (including dividends, if any) in the Fund until retirement. If this is done, the benefit under this Fund will be computed as of the date of transfer from the North

Carolina Conference with interest determined in the manner described in Article IX, determined from the date of transfer to the date of retirement. If the account is left, and the minister returns to the North Carolina Conference, he or she may reinstate his or her payments and dividend earnings, effective at the time of transfer back into this Conference.

**XVII. Withdrawing From The Fund Prior to Retirement** - If a member desires to withdraw from the Fund prior to retirement, upon a written request to the Conference Treasurer, he or she shall receive the amount he or she has paid into the Fund, plus interest determined in the manner described in Article IX each year he or she was participating in the Fund. Amounts in the members account in excess of the amount determined under the preceding sentence shall be forfeited and reallocated as dividends for the year of forfeiture pursuant to Article VII.

Each member whose membership is terminated in the Fund in any way will provide the Conference Treasurer with a statement indicating that he or she has received the funds for which he or she is eligible, and that he or she is no longer a member of the Fund. Any minister leaving the North Carolina Conference to join another denomination other than The United Methodist Church will be required to withdraw from the Fund and payment will be made to the minister according to the formula set forth in the first paragraph of this Article XVII.

**XVIII. Reinstatement** - A member who has withdrawn from the Fund may not be reinstated, but is required to begin anew as though he or she were a new member. A minister shall not be permitted to rejoin the Fund more than two (2) times during his or her ministerial career.

#### **XIX. Hearing Committee**

**A. The Committee** - A Hearing Committee consisting of the Board of Pensions Executive Committee, Conference Treasurer, Director of Ministerial Relations, Conference Controller, and the Conference Insurance Group Administrator shall have authority to act on behalf of the Board of Pensions between Annual Conference sessions concerning matters that relate to, but are not specifically covered by, this constitution of the Ministers' Transition Fund. The Plan Administrator for the Fund for other plan administrative matters and matters delegated by the Hearing Committee shall be the Conference Insurance Group Administrator. Determinations by the Hearing Committee, the Board of Pensions or the Plan Administrator shall be conclusive and binding on all persons and shall be afforded the maximum deference permitted by law.

**B. Claims Procedure** - If a claim is wholly or partially denied, the Hearing Committee shall furnish the member or beneficiary with written notice of the denial within sixty (60) days of the date the original claim was filed. This notice of denial shall provide:

- (1) The specific reason or reasons for denial;
- (2) Provide specific reference to pertinent plan provisions on which denial is based;
- (3) A description of any additional information needed to perfect the claim and an explanation of why such information is necessary; and
- (4) An explanation of the plan's claims procedure.

The member or beneficiary shall have sixty (60) days from receipt of denial notice in which to make written application for review by the Hearing Committee. The Hearing Committee shall issue a decision on such review within sixty (60) days after receipt of an application for review as provided in the preceding sentence. Such decision on review shall be made in writing and shall include specific reasons for the decision written in a manner calculated to be understood by the claimant. All decisions and denials of claims by the Hearing Committee shall be afforded the maximum deference permitted by law.

**XX. New Rules and Constitutional Provisions** - The rules and guidelines of this constitution supersede all previous Conference legislation regulating this Fund. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of this constitution without the consent of individual members of the Fund. No amendment shall have the effect of modifying any benefit election of any member in effect at the time of such amendment or modifying the benefit of any member who retired prior to the date of such amendment, unless the amendment expressly so provides. The Annual Conference established this Fund with the intent that it will be maintained for an indefinite period of time. However, the Annual Conference reserves the right to terminate the Fund, in whole or in part, at any time. No amendment, modification or termination of the Fund shall adversely affect the members benefits accrued for his or her retirement at the time of termination of the Fund.

**XXI. Miscellaneous Provisions**

- A. Prohibition Against Diversion** - Subject to Code section 414(p), there shall be no diversion of any portion of the assets of the plan other than for the exclusive benefit of members and their beneficiaries.
- B. Delegation of Authority** - The Board of Pensions, Conference Treasurer and the Hearing Committee may authorize any agent or agents to carry out their duties, and may employ such counsel, auditors, and other specialists and such clerical, actuarial and other services as it may require in carrying out the provisions of the Fund.
- C. Notification of Mailing Address** - Each member and other person entitled to benefits hereunder shall from time to time file with the Conference, in writing, such persons post office address and change of post office address. Any check representing any payment due hereunder, and any communication forwarded to a member of beneficiary at the last known address as indicated by the records of the Conference shall constitute adequate payment to such person and be binding on such person for all purposes of the plan. The Conference, Board of Pensions, Conference Treasurer and Hearing Committee shall not be under any obligation to search for or ascertain the whereabouts of any such person.
- D. Unclaimed Benefits** - If any benefits payable to, or on behalf of, a member are not claimed within a reasonable period of time from the date of entitlement, as determined by the Hearing Committee, and if the member cannot be located at his or her last provided mailing address, such member shall be presumed dead and the post-death benefits, if any, under this plan shall be paid to his or her beneficiary if he or she is then living and can be located. If the member's beneficiary is not then living or cannot be located, or if no beneficiary was effectively named, the member's account shall be forfeited and treated as dividends pursuant to Article VII.
- E. Facility of Payment** - Whenever, in the Hearing Committees opinion, a person entitled to receive any payment of a benefit under the plan is under a legal disability or is incapacitated in any way so as to be unable to manage such person's financial affairs, the Hearing Committee may, to the extent permitted by law, make payments directly to the person, to the person's legal representative, or to a relative or friend of the person to be used exclusively for such person's benefit, or apply any such payment for the benefit of the person in such manner as the Hearing Committee deems advisable. Any benefit payment (or installment thereof) made in accordance with the provisions of this shall completely discharge the obligation for making such payment under the plan.
- F. Commingling of Assets** - The assets of the Fund may be commingled in a common fund made up of such accounts or in a common fund with other amounts exclusively devoted to church purposes, provided that the part of

such fund which equitably belongs to the plan shall be separately accounted for and cannot be used for or diverted to purposes other than for the exclusive benefit of employees and their beneficiaries. The reasonable costs of administering an account may be charged against the account. Such costs may include the reasonable costs of administering a retirement income program of which the account is a part, including costs associated with informing employees and employers of the availability of the program.

- G. Governing Law** - This plan shall be administered, and its validity, construction, and all rights hereunder shall be governed by the *Book of Discipline* of The United Methodist Church, and by the laws of the State of North Carolina to the extent not in conflict with such *Book of Discipline*. If any provisions of the plan shall be held invalid or unenforceable, the remaining provisions hereof shall continue to be fully effective.
- H. Limitations on Liability** - The Conference, Conference Treasurer, Board of Pensions and members of the Hearing Committee shall not be liable to any person or entity for any of their acts carried out hereunder in good faith and based upon the information available at the time.

## UNITED METHODIST FOUNDATION, INC.

### CELEBRATING 50 YEARS of STEWARDSHIP MINISTRY & SERVICE

#### **Since 1955, the Mission of United Methodist Foundation, Inc. has been to:**

- Provide professional investment management services for long-term funds belonging to local churches, institutions, agencies and special ministries of the North Carolina Conference.
- Educate, encourage and receive planned gifts from individuals in support of their local church, United Methodist institutions, and special ministries of the North Carolina Conference.

#### **OUR CONNECTIONAL RELATIONSHIP**

The United Methodist Foundation, Inc. is an independent, non-profit corporation, related by faith to the North Carolina Conference through the Board of Institutions. Strengthened by its *faith connection* and a rich tradition of excellence in Stewardship Ministry, the Foundation is chartered to serve only the churches, institutions, agencies and ministries of the North Carolina Annual Conference.

#### **PROFESSIONAL INVESTMENT MANAGEMENT SERVICES**

All funds entrusted with the Foundation are invested according to the Social Principles of the United Methodist Church as guided by the Statement of Investment Guidelines (Revised Edition 11/99) of the Investment Committee of the General Council on Finance and Administration of the United Methodist Church. The Consulting Group of Smith Barney provides the Foundation with investment consultation and management services. Eight professional investment fund managers, employed by the Foundation's Board of Directors and reporting to the Investment Consultant, successfully accomplish the day-to-day management of the Foundation's \$72 million in total assets.

#### **PLANNED GIVING AND ENDOWMENT EDUCATION SERVICES**

While the Foundation's Investment Management Service provides valuable support for Ministry throughout the Church and the North Carolina Conference, the heart of the Foundation's mission is its Planned Giving and Endowment Building Services. These "donor-focused / Church-building" services provide specialized

planning and “technical” assistance that help individuals and their legal, tax and financial advisors to accomplish their charitable goals.

Additionally, the Foundation serves as trustee for many individual Family Endowments and life-income Gift Plans producing charitable remainder benefits for a variety of ministries within the Church. As Trustee of these special funds, the Foundation is responsible to assure that all charitable remainder amounts and Endowment Fund earnings support the ministries selected by the donor.

#### **YOUR FOUNDATION - PAST AND FUTURE**

Since the Foundation’s founding in 1955 its Board of Directors has provided significant stewardship in the investment management of Church funds. Over the past 20 years the Foundation’s Balanced Fund average annual return on investment has been just over 9% (net of all fee charges). In 2004, the Foundation’s Balanced Fund provided church Investment Partners a return on investment of 8.67% (net of fees). Long term, permanently endowed church funds will continue to grow in value and active Church Endowment Programs, in partnership with United Methodist Foundation will provide the vehicle for this growth. Even more important, however, than these successful returns are the education and planned giving services the Foundation provides to church leaders and lay members, helping them to build future financial resources for ministry within and beyond the local United Methodist Church.

#### **CELEBRATING 50 YEARS OF SERVICE!**

United Methodist Foundation celebrates its 50<sup>th</sup> anniversary this year. This is a significant achievement for both the Foundation and for the North Carolina Annual Conference, and one worthy of recognition for the significant increases in overall Conference wide endowment programs. Most important, however, are the many wonderful and lasting relationships with Conference clergy and lay leaders and generous benevolent donors that have blessed the success of the Foundation’s stewardship ministry over its 50 years.

United Methodist Foundation *welcomes* opportunities to assist individuals and their families who wish to create special gift plans that benefit their local church, Conference Institution or other additional ministry of the Church. The Foundation encourages local churches to strengthen their stewardship programs by including planned giving and endowment programs as a part of their overall stewardship program.

The Board of Directors and staff of United Methodist Foundation wish to express sincere appreciation to all Investment Partners for their ongoing participation and support of the stewardship ministry of United Methodist Foundation, Inc. Of special importance is the support from Conference, District and Church clergy whose leadership and initiative contribute significantly to the success of the Foundation’s stewardship and service.

#### **DISCIPLE BIBLE OUTREACH MINISTRIES**

DBOM develops and strengthens Bible study ministries in local churches.

DBOM manages ministries in outreach settings - especially prisons and juvenile training schools.

DBOM transforms lives, make disciples, and empowers Christians for outreach ministry.

Founded in 1999 as a statewide ministry of DISCIPLE Bible Study, Disciple Bible Outreach Ministries of NC, Inc., (DBOM) fulfills her mission through four dynamic ministries.

- **Local Church DISCIPLE Outreach** - As the conference's DISCIPLE Bible Study ministry, DBOM promotes NC's DISCIPLE training events and provides training scholarships for small membership, rural and ethnic churches.
- **DISCIPLE Prison Ministry** - DBOM manages the explosive DISCIPLE Prison Ministry. As one of NC's largest volunteer-based prison ministries, DBOM has trained and equipped 300 local church volunteers for ministry in the prisons. To date, more than 6,000 inmates have participated in DISCIPLE Bible Study in the NC prison system!
- **FAITHFUL FRIENDS** - Working with DISCIPLE prison participants following release and providing a connection to the local church community is the aim of FAITHFUL FRIENDS. FAITHFUL FRIENDS provides a bridge back to the community during the difficult first year following release.
- **RINGS OF FELLOWSHIP** - Understanding the need for early intervention in the lives of at-risk youth, DBOM has joined forces with the North Carolina Department of Juvenile Justice and Delinquency Prevention to create a Bible Study program for juvenile offenders called RINGS OF FELLOWSHIP. RINGS is now being offered in all five youth Development Centers and other settings outside of the institutions.

DBOM's reputation outside of NC continues to grow as she provides her unique model of ministry to other annual conferences. The heart of DBOM is empowerment. DBOM

empowers volunteers by providing the setting, training and tools they need to make a difference for Christ in the world. We hope that all of our churches will support DBOM through the Special Sunday offering on August 28, 2005. For the many ways to become involved, call the DBOM office. We would love to talk to you!

#### **DIVINITY SCHOOL OF DUKE UNIVERSITY**

Duke Divinity School prepares students for strong, faithful leadership in the church through a persistent focus on spiritual formation and transforming ministry as well as rigorous academic study.

The school is at the center of Duke University, both physically and historically, and divinity students regularly access and enhance the university's intellectual and material resources. Several programs allow students to pursue joint degrees with other highly regarded schools on campus such as the School of Nursing and the School of Law. A partnership with the nearby University of North Carolina at Chapel Hill allows a joint master of divinity/master of social work degree.

Major construction was completed on the 47,000-square-foot building addition in recent months. It was named The Westbrook Building, honoring the Rev. Hugh Westbrook, a 1970 divinity school graduate who has donated nearly \$20 million to the school in recent years. The addition includes significant new classroom space, the 315-seat Goodson Chapel, a large refectory, and offices for admissions and student life. It also includes offices for the Duke Institute on Care at the End of Life, a multi-disciplinary effort begun in 2000 to improve care at all levels for those near death.

The portions of the school formerly known as New Divinity and Old Divinity were renamed The Thomas A. Langford Building, in honor of the professor and dean who later served as Duke University provost. Langford, who died in 2000, was associated with the university for five decades.

The divinity school also was honored to receive a \$6.7 million grant from Lilly Endowment Inc. for *Advancing Pastoral Excellence*, a program bringing the school together with churches and church leaders across the country to promote innovative leadership and excellence in ministry. The effort is the second phase of the successful *Pulpit & Pew: Research on Pastoral Leadership* program, also based at the divinity school.

In the fall of 2004, Duke Divinity enrolled approximately 550 students. The student body continued to be younger, especially among master of divinity candidates. The median age overall for the school was 26. The median age for master of divinity students who entered in the fall of 2004 was about 22 and a half.

Duke Divinity students hailed from 32 states and several foreign countries. Most were from the United Methodist tradition, but more than 30 denominations were represented in the school. The student body was 55 percent male and 45 percent female. Eighteen percent of students were ethnic minorities; 12 percent were African-American.

The Divinity School's Field Education Department had another strong summer of placements. Duke Divinity had 195 students in full-time, formal placements (excluding student pastors and people working in ministry other than field education). This included four students in South Africa, and one each in Uganda, Lithuania, Brazil and Switzerland. The school has another 177 placements for the academic year. As 2005 began we welcomed from Mississippi the Revs. Joey and Connie Shelton, who have joined the school as co-directors of field education and church relations. Most recently, Joey was the pastor of Court Street United Methodist Church in Hattiesburg, and Connie has served as executive director of the "United Methodist Hour of Mississippi," a weekly television show.

Also in 2004 Allen Verhey, formerly of Hope College in Michigan, joined our faculty as professor of Christian ethics. He is a leading scholar in both Christian medical ethics and in the relationship of Scripture and Christian ethics.

Several Duke Divinity School faculty members were honored with major fellowships in 2004. Amy Laura Hall, assistant professor of theological ethics, received a Henry Luce III Fellowship in theology; Jay Carter, assistant professor of theology and black church studies, received fellowships from the Woodrow Wilson Foundation, the Louisville Institute and the Association of Theological Schools; and Joel Marcus, professor of New Testament and Christian origins, was awarded a fellowship by the National Humanities Center. Faculty publications continued to provide essential resources for a variety of disciplines.

We are thankful for the relationship between this Conference and Duke Divinity School, and we look forward to another year of working to prepare men and women for Christian ministry.

### **GOLDEN CROSS**

"Golden Cross" is a ministry that reaches out in love to the laity in our Annual Conference who are experiencing financial difficulty due to excessive medical expenses. Through Golden Cross, United Methodists care for members of our local churches in time of emotional stress and financial need.

During 2004 we assisted 17 families from 8 of our 12 districts. Each one represented someone active in their local church. People just like each of us, who in a moment of struggle found means of grace and love coming from "their" church.

Please remember that sometimes the needs that cross my desk challenge the funds we have available. In 2004 the budget for Golden Cross was \$19,357.00

and we spent \$19,779.70. (We were able to overspend because of a small carry over but that is now gone.) The Golden Cross budget for 2005 is only \$18,994.00. That's the bad news. The good news is that 65 churches and 6 individuals sent a love offering into Golden Cross this past year totaling \$6,095.67. The other good news is that beginning in the year 2006 Golden Cross will be a recognized Conference Advanced Special! My dream now is to help more families with additional money. But to do that Golden Cross needs your help. Please take a special offering for Golden Cross on the 3rd Sunday of August and designate that offering on your conference remittance form.

Finally, to those 65 churches and 6 individuals who sent in a love offering to Golden Cross this past year, I want to publicly say Thank You, Thank You, Thank You! Your gifts enabled me to help 4 families that Golden Cross would have otherwise had to turn down.

Now if I can just get our other 770 churches to also take a love offering for Golden Cross on that 3rd Sunday in August we will be able to truly meet the needs of some very special lay people in our United Methodist Churches in the North Carolina Annual Conference. Thank you and God bless you.

Richard C. Vaugan, Director

### **INFORMATION TECHNOLOGY**

The Information Technology (IT) Office continues to work on ways to improve and streamline the online ministry of the North Carolina Annual Conference. Working together with the Communications Office we have expanded our web ministry into the following areas:

- 1) Free web space for local churches on the churches.nccumc.org domain
- 2) Free listserv e-mail lists for local churches
- 3) Hosting local church domain names for a small fee

The IT Office has also implemented a patch management solution that allows critical system patches to be deployed in a matter of hours. Before this solution was in place the patch process took days. We have also been working with the

Communications office to provide the ability to stream live events over the internet as well as participating in major upgrades to financial and e-mail systems. A global backup solution was implemented to ensure better protection of critical data assets.

The IT Office will continue this year to seek to improve the web ministry capabilities of local churches. We are also constantly searching for ways to improve internal processes and lower the cost of doing business for the Conference as a whole.

#### **LAY MINISTRIES OF THE YEAR**

##### **Elizabeth City District: All God's Children UMC, "No Hungry Neighbor Ministry"**

"No Hungry Neighbor" is a feeding ministry in the Aulander area and surrounding communities that follows Jesus' example to feed the hungry by providing several weekly meals as well as food distribution to poverty stricken families. At each gathering programs for adults, children, and youth that proclaim God's love are also offered.

##### **Fayetteville District: Camp Ground UMC, "Back Pack Ministry"**

This ministry provides back packs filled with school supplies for children and youth whose families cannot afford these necessities. Over 200 back packs were distributed through teacher recommendations in Cumberland County, Fort Bragg, and Pope Air Force Base this year.

##### **Goldsboro District: Freemont UMC, "WFWC-LP 99.3 FM Radio Ministry"**

Because of lay led vision and donations Freemont UMC is the owner of a low power radio license. Their station 99.3 FM is a Christian radio presence in Northern Wayne County. The programming is designed to spread the gospel of Jesus Christ through music, preaching, and teaching. Community news and issues are also presented. Audio resources from the United Methodist "Igniting Ministries" are used extensively as well as material from some of the most popular and respected radio ministries in the country. The station is on the air 7 days a week, 24 hours a day.

##### **Raleigh District: Wendell UMC "Faith and Phonics" and "Saints for Santa Ministry"**

This is really a threefold ministry aimed at helping children and youth who live in poverty. "Saints for Santa" is a low cost toy store provided by the lay members of the church for low in-come families in the community. Parents shop and pick out new toys for their children and pay only 20% of the retail price. This year 90 families were served. The proceeds from this ministry are used for the "Well Baby Pantry" which provides diapers, formula, and medicines for babies in the community. The "Faith and Phonics" ministry is an intensive tutoring program for students who have been identified to be a risk of needing to repeat a grade level. All instruction materials used by the volunteer tutors are drawn from the Bible. 19 students were served this year and all 19 students were passed to their next grade level with tremendous results.

##### **Rocky Mount District: Bailey UMC "Youth-Red Clay Mission Ministry"**

Through drama this teen ministry group goes out into the community to teach the gospel to those who do not know Christ. They present their drama ministry on local city streets and also to area churches with the purpose of saving souls for Jesus. The ministry has been getting the attention of today's youth and the results have been overwhelming.

##### **Sanford District: Southern Pines UMC "Moore Free Care Clinic Ministry"**

The Moore Free Health Clinic's purpose is to provide high quality primary, preventative, and special health care for adults and children who lack adequate income and do not have health insurance. It was begun and is now sustained by the donations and volunteer hours of lay people. The doctors who serve at the clinic are also volunteers. The clinic operates two days a week and is at full capacity in it's mission to serve the sick and suffering poor of Moore County.

**Wilmington District: Andrews Chapel UMC.**

**"Vessel Makers Ministry"**

This ministry is designed to help children grow in their faith through hands-on crafts projects and bible lessons. It teaches children to know that Jesus is present in everything they see and do. As a result of this ministry the children are growing in faith and numbers. Sunday School attendance has increased dramatically and the children are bringing new vitality to the church.

**RESOLUTIONS**

**RESOLUTION 1: A MOTION TO ESTABLISH CONGREGATIONAL TITHING AS THE SOURCE OF APPORTIONMENTS**

A Motion to Establish Congregational Tithing as the Source of Apportionments

Whereas the tithe is the minimum standard of Biblical giving,

And whereas tithing is as much a spiritual matter as it is a financial matter,

And whereas tithing is not emphasized in our congregations,

And whereas tithing is not common among our laity,

And whereas congregations receive less than a tithe from their membership, while being apportioned more than a tithe by this Annual Conference,

And whereas the local churches of the North Carolina Annual Conference feel powerless to restrain the increasing financial burden of apportionments,

And whereas the North Carolina Annual Conference has not justified budget expenditures against measurable, Scriptural objectives,

And whereas a tithing emphasis would result in financial and spiritual blessing to our members, greater resources for ministry in our local churches, and ultimately greater strength for our Annual Conference,

And whereas the United Methodists of this Annual Conference are generous and cheerful givers when appealed to,

Therefore, be it resolved that the formula for apportionments to our local churches be reduced by 1% per year until it equals a tithe (10%) of the congregational income for the previous year, and payable at 1/12 per month.

**ACTION: REFERRED TO COUNCIL ON FINANCE AND ADMINISTRATION FOR STUDY AND REPORT BACK TO 2006 ANNUAL CONFERENCE.**

**RESOLUTION 2: A MOTION TO ESTABLISH PASTORAL TITHING AS THE SOURCE OF DISTRICT FUNDS**

Whereas the tithe is the minimum standard of Biblical giving,

And whereas the tithe of the tithe is Scriptural standard,

And whereas tithing is as much a spiritual matter as it is a financial matter,

And whereas tithing is not common among our clergy,

And whereas tithing is not emphasized in our congregations,

And whereas clergy who do not tithe will not teach tithing with conviction,

And whereas tithing is not common among our laity,

And whereas congregations receive less than a tithe from their membership, while being apportioned more than a tithe by this Annual Conference,

And whereas the local churches of the North Carolina Annual Conference feel powerless to restrain the increasing financial burden of apportionments,

And whereas the Districts of the North Carolina Annual Conference have not

justified budget expenditures against measurable, Scriptural objectives,

And whereas the distribution of congregational development and planting funds are inequitably distributed with our strongest Districts receiving the most funds,

And whereas a tithing emphasis would result in financial and spiritual blessing to our members, greater resources for ministry in our local churches, and greater strength for our Districts,

Therefore, be it resolved that beginning in 2006, the formula for District Work Funds equal a tithe (10%) of District Pastor's incomes, receivable as an offering from each pastor each month.

**ACTION: REFERRED TO COUNCIL ON FINANCE AND ADMINISTRATION FOR STUDY AND REPORT BACK TO 2006 ANNUAL CONFERENCE**

### **RESOLUTION 3: A MOTION TO ENCOURAGE PERSONAL STEWARDSHIP TRAINING**

Whereas the borrower is slave to the lender, and no man can serve two masters,

And whereas our God delivers those in bondage and teaches us to create wealth,

And whereas many of our clergy and laity are in bondage to debt,

And whereas our ordination questions reflect concern regarding pastoral debt,

Therefore, be it resolved that beginning in 2006, NCC Clergy will be encouraged to have participated in a published, personal financial stewardship training program (such as Good \$ense, Financial Peace University, or Crown Financial Concepts) in fulfillment of their continuing education plan.

And be it further resolved that pastors serving local churches be urged to offer one of these programs to their congregation and community.

And be it further resolved that pastors serving local churches be urged to train children and youth in personal financial stewardship.

**ACTION: APPROVED AS AMENDED**

### **RESOLUTION 4: TO ESTABLISH THE TITHE**

Whereas the tithe is the minimum standard of Biblical giving,

And whereas tithing is as much a spiritual matter as it is a financial matter,

And whereas a tithing emphasis would result in financial and spiritual blessing to our members, greater resources for ministry in our local churches, and ultimately greater strength for our Annual Conference,

And whereas the United Methodists of this Annual Conference are generous and cheerful givers when appealed to,

Therefore, be it resolved that in the North Carolina Conference of the United Methodist Church, the Tithe (10%) is recognized as the minimum Biblical expectation of congregational, clergy and lay giving.

**ACTION: PASSED**

### **RESOLUTION 5: TO REQUIRE PARTICIPATION IN THE CONFERENCE HEALTH INSURANCE PLAN**

Whereas healthcare costs continue to grow, with many congregations and pastors

struggling to pay,

And whereas significant savings have been realized in other Conferences by wider participation,

And whereas NCC pastors are a relatively high-risk constituency,

And whereas NCC pastors are challenged by poor stewardship of physical and mental health,

And whereas poor stewardship of physical and mental health by NCC pastors is unbecoming of the Gospel,

Therefore, be it resolved that, as soon as practical, participation in the NCC healthcare program is required of all churches.

And be it further resolved that the NCC healthcare program will include strong incentives and accountability for physical and mental health.

**ACTION: REFERRED TO INSURANCE COMMITTEE**

### **RESOLUTION 6: SAFE SANCTUARY POLICY FOR CHILDREN AND YOUTH**

Whereas: One of the foremost duties of the church is to extend safe Christian hospitality, nurture and community to the children and youth (age 18 and under) in our midst, in which they can feel secure and unthreatened from physical and emotional abuse; and

Whereas: Jesus said of this responsibility, "Whoever welcomes a child welcomes me...If any of you put a stumbling block before these little ones...it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea" (Matthew 18:5-6); and

Whereas: Children and youth represent our hope and trust in the future of the Christian community while at the same time being active and invaluable full participants in the present life of the church; and

Whereas: Churches have tragically not always lived up to this sacred obligation, inasmuch as child sexual abuse, exploitation and ritual abuse occur in churches across the broad spectrum of society: large and small churches, rural and urban churches and churches of all socio-economic and racial backgrounds; and  
Whereas: United Methodist Annual Conferences can cite examples of child sexual abuse and exploitation within churches and churches have among their membership adult survivors of early abuse trauma; and

Whereas: Such instances are devastating to all involved—children, families, local churches and their leadership, exacting emotional, legal and financial tolls that accompany such allegations; and

Whereas: The 1996 General Conference of the United Methodist Church adopted a resolution (*Book of Resolutions of the United Methodist Church 1996, pp. 384-386*) designed to reduce the risk of any type of abuse of children and youth in the church, including neglect and physical, emotional, sexual or ritual abuse, prompting most Annual Conferences since this time to adopt for themselves policy and procedures to reduce the risk of child abuse in the church ; and

Whereas: The North Carolina Conference of the United Methodist Church is committed to conducting ministry so that children, youth and adults may be safe to grow spiritually, demonstrating the love of Jesus in our midst so that each person will be "...surrounded by steadfast love...established in the faith and confirmed and strengthened in the way that leads to life eternal" (Baptismal Covenant II, *United Methodist Hymnal*, p. 44);

Therefore be it resolved that the North Carolina Annual Conference:

- a. Direct Conference and district program agencies which work with programs for children and youth, in covenant with the United Methodist Church, to adopt the following policy, in order that the abuse of children and youth in all conference and district related settings may be prevented to the fullest extent possible:

As a Christian community of faith, we pledge to conduct the ministry of the Gospel in a manner that assures the safety and spiritual growth of all children and youth and the adults who work with them. We will follow reasonable safety measures in the recruitment and selection of staff. We will implement prudent procedures of operation for all programs and events. We will educate those who work with children and youth in conference and district settings as to the use of all appropriate policies and procedures. We will have a clearly defined procedure for reporting suspected incidents of abuse that conform to the requirements of state law.

- b. Direct each and every local church to adopt and implement for themselves a safe sanctuary policy and procedures as outlined in the 1996 General Conference Resolution (*Book of Resolutions of the United Methodist Church, 1996, pp. 384-386*) for use in their present and future ministry with children and youth. Training events will be offered throughout the Conference using the resource book *Safe Sanctuaries for Youth Ministry* by Joy Melton (Discipleship Resources) to assist local churches in this. The local church shall send at least two (or more) of the following: clergy, staff or lay leadership with direct responsibility for children/youth ministry, trustees, staff-parish relations committee members, nurture/education chairpersons, Sunday School superintendents, lay leaders, etc.
- c. Create a Conference *Safe Sanctuaries Committee*, to be selected by the Conference Committee on Nominations, for the purpose of providing oversight for the Conference safe sanctuary policy and procedures and to oversee and resource the implementation of a safe sanctuary policy and procedures within each local church of the North Carolina Annual Conference of the United Methodist Church. Funding will come from the Children's Ministry line item of the Conference budget.

**ACTION: WITHDRAWN AS A RESOLUTION AND INTRODUCED AS A MOTION WHICH WAS PASSED AFTER THE REMOVAL OF THE WORD "WHEREAS"**

#### **RESOLUTION 7: A CALL FOR RAISING THE MINIMUM WAGE**

Whereas many families and individuals are working two jobs and are still not able to make ends meet, or are paying nearly 50 percent of their income towards housing.

Whereas the federal minimum wage has not been raised in almost 10 years while the salaries of some leaders of major corporations has grown sometimes 10 times the average wage increase.

Whereas workers are having to depend more on the charity of friends, family members, churches and even government assistance to help put food on the table and a roof over their heads.

AndWhereas in Matthew 25:31-46 we are called on to help the least of these in society.

And Whereas contrary to a popular myth a rise in minimum wage does not cause a major loss in jobs.

Therefore be it resolved at that the North Carolina Annual Conference of the United Methodist Church goes on as supporting a gradual rise in the minimum wage over three years to \$7.00 an hour.

And be it further resolved that this resolution be forwarded to members of the North Carolina Congressional delegation and the President of the United States.

Submitted by, Methodist Federation for Social Action, North Carolina Annual, Conference Chapter, Henry Jarrett, President

**ACTION: DEFEATED**

### **RESOLUTION 8: A CALL FOR RESPONSIBLE TAXATION**

Whereas currently both the federal and state governments face huge deficits due to many needs and inadequate revenue. And...

Whereas both federal and state governments face difficult choices of either cutting service to needy people or finding more revenue by resorting to public lotteries which is an additional tax on poor people. And

Whereas both the federal and state federal governments have caused the shortfalls in revenue in part by giving huge tax cuts or tax credits to wealthy individuals and major corporations. And

Whereas many major corporations end up paying no taxes at all or they are incorporated in foreign countries to avoid taxes, while the burden of taxation is shifted to low and middle income individuals.

Therefore be it be resolved that the North Carolina Annual Conference of the United Methodist Church goes on record as supporting an overhaul of both the federal and state tax code that more fairly and justly tax individuals and businesses based on their ability to pay.

And be it further resolved that this resolution be forwarded to the North Carolina General Assembly and the Governor of North Carolina and the United States Congress and the President.

### **RESOLUTION 9: DUKE ENDOWMENT RURAL-CHURCH DIVISION**

Whereas, James B. Duke, in 1924 established the Duke Endowment to offer financial assistance to rural Methodist Churches in North Carolina as well as higher education, health care and child-care programs;

Whereas, after eighty years of establishment, Duke Endowments has helped hundreds of rural Methodist Churches in the two United Methodist Conferences in North Carolina, and has provided financial assistance to four higher education institutions, several health care institutions and child-care institutions with more than 2

billions dollars;

Whereas, the Rural Church Division have helped rural churches to build and improve sanctuaries, educational buildings and to develop rural church/co-operative ministries through grants, architectural advice, consultation and energy conservation materials;

Whereas, the Duke Endowment specifically targets churches in rural areas of North Carolina and churches in small towns with population under 1500;

Whereas, the population of North Carolina is approaching Eight million people and there are fewer churches in small towns with populations under 1500 as well as fewer rural churches;

Whereas, many of the guidelines used for building churches by the Rural Church Division of Duke Endowment were developed before many of the counties in North Carolina had building codes and inspection of buildings for rural areas as well as towns and cities;

Whereas, some rural churches would like to build facilities that do not meet the guidelines of the Rural Church Division, but meet the guidelines of the building codes of their counties/state and are cheaper to erect, thus disqualifying them for Duke Endowment;

Be It Resolved, that we, the North Carolina Annual Conference of the United Methodist Church, give "Praise and Thanks" to the Rural Church Division of Duke Endowment for its financial assistance to our rural churches and churches in small towns; and

Be It Further Resolved, that we, the North Carolina Annual Conference, ask the Rural Church Division of Duke Endowment, to review the limitation clause of assistance to churches in small towns, to consider raising the population to 2500; and Be It Further Resolved, that the Rural Church Division review the guidelines for the building of churches, since all the counties in North Carolina require building inspections as well as have strict building codes .

### **RESOLUTION 10: ENDING OF THE MOUNT OLIVE PICKLE BOYCOTT**

Whereas the General Conference of the United Methodist Church last year joined several other denominations and the National Council on Churches in a national boycott of the North Carolina based Mount Olive Pickle Company originally called in 1999 by the Farm Labor Organizing Committee (FLOC); and

Whereas on September 16, 2004, a three-way agreement was signed by FLOC with the Mount Olive and the North Carolina Grower's Association which gave more than 8,000 farm workers union representation for the first time in the history of the United States and the largest union contract in North Carolina's history; and

Whereas the agreement calls for the Mount Olive Pickle Company to raise the price it pays growers for cucumbers by more than 10 percent over three years and the growers to raise wages by the same amount for workers who pick vegetables; and

Whereas FLOC has ended its boycott of Mount Olive Pickle Company as a result of the agreement, thereby ending the painful dispute between company and union organizers; and

Whereas the ending of the boycott also ends years of prayerful concern and multiple attempts by the North Carolina Conference Board of Church and Society and others to help mediate a just and a compassionate resolution to the dispute;

Therefore, now be it resolved that the North Carolina Annual Conference joins its own Board of Church and Society in applauding the end of the boycott and the successful resolution of the dispute through the signing of the three-way agreement; and

Be it further resolved that the Conference commends the Mount Olive Pickle Company, and particularly the Christ-centered leadership of its president, Bill Bryan, for the company's patient and persistent efforts in the face of public attack to find a fair and constructive solution to the farm worker issues raised by FLOC, including its eventual willingness to participate in the historic labor agreement; and

Be it further resolved that the Conference also commends the North Carolina Grower's Association for its willingness to work with FLOC in establishing a fair and legal foundation for the continued improvement of economic benefits and working conditions for its workers, and calls upon the entire North Carolina agricultural community to find ways to increasingly work together in identifying and resolving issues affecting workers on all North Carolina farms; and

Be it further resolved that the Conference also commends FLOC for raising the issue of the farm workers and seeking to move towards a fair resolution; and

Be it further resolved that copies of this resolution be sent to the Mount Olive Pickle Company, the N. C. Grower's Association, FLOC, and North Carolina Media.

#### **RESOLUTION 11: SUPPORT OF AN INCREASE IN NC'S CIGARETTE TAX OF AT LEAST 75 CENTS**

Whereas, the use of tobacco products is the leading cause of preventable death and disability in North Carolina; and

Whereas 24,600 N.C. children become new daily smokers each year (66 a day); and

Whereas, a cigarette tax of 75 cents would result in a 17.3 percent decrease in youth smoking rates, preventing 113,000 N.C. children from starting to smoke and saving 36,100 from premature smoking related deaths; and

Whereas, the use of tobacco products cost the State \$4.75 billion in medical costs and lost productivity annually; and

Whereas, North Carolina expects to suffer a deficit in fiscal year 2005 (in the \$1Billion range), and

Whereas, this is the fifth year in succession that the State has suffered deficits; which have caused cuts to important programs affecting the health and wellbeing of North Carolinians, and more reductions may be threatened; and

Whereas, North Carolina's cigarette tax is currently 5 cents, the second lowest in the nation; and

Whereas, an increase in the cigarette tax of 75 cents would generate an estimated \$380 million in new revenue which would help reduce the deficit as well as the possibility of adverse program cuts;

Now, therefore be it resolved that the North Carolina Annual Conference endorses

an increase in the cigarette tax in North Carolina of at least 75 cents a pack; and

Be it further resolved that copies of this resolution be sent to each North Carolina legislator, the Governor, and the North Carolina media.

**RESOLUTION 12: URGING CONGRESS TO GRANT AID TO THE PALESTINIAN AUTHORITY**

Whereas there is a new mood developing in the Middle East. Attitudes toward the Palestinians in Washington, D. C. are thawing; and

Whereas Palestinian representatives and administration officials are discovering, however, that it is not easy to convince congressman, many of whom are close friends of Israel, that the Palestinian Authority is indeed eligible for American aid; and

Whereas President Bush proposed \$350 million aid to the Palestinian Authority in the State of the Union Address; and

Whereas \$350 million is not a large amount of money when compared to the \$3 billion that Israel receives annually from the United States, but in Palestinian Authority terms is a significant sum; and

Whereas there is an unique moment for support of a Palestinian State by Prime Minister Sharon's disengagement and his willingness to take risks in Israel; Election of Habbas; and the support of President Bush; and

Whereas the citizens of Palestine are experiencing great difficulty. For example, in Gaza one-half the population lives on less than \$2 per day; and

Whereas the Palestinians expect President Habbas to deliver results for them; and

Whereas the July elections for the legislature could undermine the progress toward peace if President Habbas is not returned to office; and

Whereas violence could return in greater proportions if the Hamas Party gains control; and

Whereas this aid of \$350 million in unrestricted aid from Washington could mobilize the international community to provide more assistance to the Palestinian people;

Be it resolved the North Carolina Conference urges Congress to approve the Bush administration's request of \$350 million in direct aid to the Palestinian Authority; and

Be it further resolved that copies of this resolution be sent to congressional leaders, the President, and the media.

### **RESOLUTION 13: ACADEMIC FREEDOM**

Expressing the sense of the North Carolina United Methodist 2005 Annual Conference that colleges and universities that are financially supported by the North Carolina Conference of the United Methodist Church should adopt an Academic Bill of Rights to secure the intellectual independence of faculty members and students, protect the principles of academic freedom, promote intellectual diversity, and support the pursuit of knowledge and truth as a fundamental purpose of the university and or college; and for other purposes.

Whereas, the central purposes of a university and college is the pursuit of truth, the discovery of new knowledge through scholarship and research, the study and reasoned criticism of intellectual and cultural traditions, the teaching and general development of students to help them become creative individuals and productive citizens of a constitutional republic, and the transmission of knowledge and learning to a society at large;

Whereas, free inquiry and free speech within the academic community are indispensable to the achievement of the central purposes of a university, the freedoms to teach and to learn depend upon the creation of appropriate conditions and opportunities on the campus as a whole as well as in the classrooms and lecture halls, and these purposes reflect the values of pluralism, diversity, opportunity, critical intelligence, openness, and fairness that are the cornerstones of American society, and academic freedom and intellectual diversity are values indispensable to an American university;

Whereas, from its first formulation in the General Report of the Committee on Academic Freedom and Tenure of the American Association of University Professors, the concept of academic freedom has been premised on the ideas that human knowledge is a never-ending pursuit of the truth, that there is no humanly accessible truth that is not in principle open to challenge, and that no party or intellectual faction has a monopoly on wisdom;

Whereas, academic freedom is most likely to thrive in an environment of intellectual diversity that protects and fosters independence of thought and speech. In the words of the general report, it is vital to protect "as the first condition of progress, [a] complete and unlimited freedom to pursue inquiry and publish its results";

Whereas, because free inquiry and its fruits are crucial to the democratic enterprise, and academic freedom is a national value as well;

Whereas, academic freedom consists of protecting the intellectual independence of professors, researchers, and students in the pursuit of knowledge and the expression of ideas from interference by legislators or authorities within the institution itself, meaning that no political, ideological, or religious orthodoxy should be imposed on professors and researchers through the hiring, tenure, or termination process, nor through any other administrative means by the academic institution;

Whereas, it has long been recognized that intellectual independence means the protection of students and faculty members from the imposition of any orthodoxy of a political, ideological, or religious nature;

Whereas, the 1915 Declaration of Principles of the American Association of University Professors admonished faculty members to avoid "taking unfair advantage of the student's immaturity by indoctrinating him with the teacher's own opinions before the student has had an opportunity fairly to examine other opinions upon the matters in question, and before he has sufficient knowledge and ripeness of judgment to be entitled to form any definitive opinion of his own";

Whereas, in 1967, the American Association of University Professors' Joint Statement on Rights and Freedoms of Students reinforced and amplified this injunction by affirming the inseparability of "the freedom to teach and freedom to learn" and, in the words of the joint statement, "[s]tudents should be free to take reasoned exception to the data or views offered in any course of study and to reserve

judgment about matters of opinion”:

Now, Therefore, Be It Resolved By The North Carolina United Methodist 2005 Annual Conference , that, to secure the intellectual independence of faculty members and students, protect the principles of academic freedom, promote intellectual diversity, and support the pursuit of knowledge and truth as a fundamental purpose of the university and college—

(1) the Annual Conference strongly recommends that the following principles and procedures be observed at all colleges and universities that receive any funding from the North Carolina Conference of the United Methodist Church :

- (a) All faculty members will be hired, fired, promoted, and granted tenure on the basis of their competence and appropriate knowledge in the field of their expertise and, in the humanities, the social sciences, and the arts, with a view toward fostering a plurality of methodologies and perspectives;
- (b) No faculty member will be hired, fired, promoted, or denied promotion or tenure on the basis of his or her political, ideological, or religious beliefs;
- (c) No faculty member will be excluded from tenure, search, and hiring committees on the basis of his or her political, ideological, or religious beliefs;
- (d) Students will be graded solely on the basis of their reasoned answers and appropriate knowledge of the subjects and disciplines they study, not on the basis of their political, ideological, or religious beliefs;
- (e) Curricula and reading lists in the humanities and social sciences should provide students to a learning environment in which they have access to a broad range of serious scholarly opinion ;
- (f) While teachers are and should be free to pursue their own findings and perspectives in presenting their views, they should consider and make their students aware of other viewpoints;
- (g) Academic disciplines should welcome a diversity of approaches and institutions should recognize that exposing students to the spectrum of significant scholarly viewpoints on the subjects examined in their courses is a major responsibility of faculty members;
- (h) Faculty members will not use their courses or their positions for the purpose of political, ideological, religious, or antireligious indoctrination;
- (i) The freedom of speech, freedom of expression, freedom of assembly, and freedom of conscience of students and student organizations shall not be infringed by instructors, university administrators, student government organizations, or by institutional policies, rules or procedures;
- (j) Selection of speakers, allocation of funds for speakers' programs, and other student activities will observe the principles of academic freedom and promote intellectual pluralism;
- (k) Except as provided by law, the obstruction of invited campus speakers, the destruction of campus literature, and other efforts to obstruct this civil exchange of ideas shall not be permitted;
- (l) Academic institutions and professional societies should maintain a posture of organizational neutrality with respect to the substantive disagreements that divide researchers on questions within, or outside, their fields of inquiry, recognizing that—
  - a. knowledge advances when individual scholars are left free to reach their own conclusions about which methods, facts, and theories have been validated by research; and
  - b. academic institutions and professional societies formed to advance knowledge within an area of research, maintain the integrity of the research process, and organize the professional lives of related

researchers serve as indispensable venues within which scholars circulate research findings and debate their interpretation.

#### **RESOLUTION 14: JUDICIAL NOMINATIONS**

Whereas The United Methodist Church maintains official teaching on abortion (“Abortion,” Paragraph 161J, The Book of Discipline, 2004) that is ambiguous (that is, its position is neither strictly “pro-life” nor rigidly “pro-abortion”), somehow “pro-choice,” and open to various interpretations.

Whereas The United Methodist Church’s General Board of Church and Society (GBCS) and Women’s Division/General Board of Global Ministries co-sponsored, and participated in, the March for Women’s Lives on April 25, 2004.

Whereas — according to the Religious Coalition for Reproductive Choice ([www.rcrc.org](http://www.rcrc.org), April ;2004), The Washington Post (April 26, 2004), Sarah Blustein in the American Prospect ([www.prospect.org](http://www.prospect.org), December 6, 2004), and an eyewitness account (Lifewatch, June 2004) — the March for Women’s Lives was primarily dedicated to promoting abortion for any reason (or no reason) and abortion rights without compromise.

Whereas the United States Senate’s confirmation process of judicial nominees, from the President, has become, remarkably contentious — in large part because of the politics of abortion.

Whereas the confirmation of a new chief justice, and other justices, of the United States Supreme Court will most certainly unleash extraordinary political contention in our nation’s political culture — in large part because of abortion politics.

Whereas GBCS and WD/GBGM, because of their past involvements in pro-choice politics, will most likely be invited to take the pro-choice side and join in the political contentions over judicial confirmations.

Therefore be it resolved that that the 2005 North Carolina Annual Conference, of The United Methodist Church, authorizes and charges the North Carolina Conference Secretary to write letters, as soon as possible, to the General Board of Church and Society and to the Women’s Division/General Board of Global Ministries. These letters, which will enclose copies of this resolution, will advise these general-church agencies to refrain from commenting, and lobbying, on all present and forthcoming judicial nominations during the current administration.

#### **RESOLUTION 15: TEACHING ABOUT CARE FOR THE DISABLED AND THE DYING**

Whereas the recent death of Terry Schiavo, a severely brain-damaged woman, presents the opportunity to be renewed in The United Methodist Church’s teaching about care for the disabled and the dying.

Whereas The United Methodist Church “recognize[s] and affirm[s] the full humanity and personhood of all individuals with mental, physical, developmental, neurological, and psychological conditions or disabilities as full members of the family of God. We

also affirm their rightful place in both the [C]hurch and society... We call on the Church and society to protect the civil rights of persons with all types and kinds of disabilities." (Paragraph 162G, "Rights of Persons with Disabilities," The Book of Discipline. 2004)

Whereas "[h]istorically, the Christian tradition has drawn a distinction between the cessation of treatment and the use of active measures by the patient or care-giver which aim to bring about death, if death is deliberately sought as the means to relieve suffering, that must be understood as direct and intentional taking of life, whether as suicide or homicide. This United Methodist tradition opposes the taking of life as an offense against God's sole dominion over life, and an abandonment of hope and humility before God..." ("Faithful Care for Persons Suffering and Dying," 115, The Book of Resolutions. 2004)

Whereas "[t]he Church opposes assisted suicide and euthanasia." ("Suicide," Paragraph 161N, The Book of Discipline. 2004)

Whereas the aforementioned teachings of The United Methodist Church can be summarized by "always to care, never to kill" (The Ramsey Colloquium, 1992). "Always to care, never to kill" recognizes that the dying person may morally be allowed to die without extraordinary medical interventions, that are burdensome to the patient and that would only extend the process of dying.

Therefore be it resolved that the 2005 North Carolina Annual Conference, of The United Methodist Church, encourages the clergy and laity of the conference to teach and practice "always to care, never to kill" with regard to the disabled and the dying.

## **RESOLUTION 16: REMEMBER THE LEGACY OF POPE JOHN PAUL II**

Whereas the Roman Catholic world, the Christian world, and the world in general still mourn the death of Pope John Paul II, even as these various worlds continue to give thanks to God for this man's extraordinary life, faithful ministry, and good death in the Lord.

Whereas Pope John Paul II's pontificate, from 1978 until 2005, was theologically prolific, for it included: the Catechism of the Catholic Church (1994), many, encyclicals (notably "The Splendor of Truth" [1993:], "The Gospel of Life" [1995], "That All May Be One" [1995], and "Faith and Reason" [1998]), and other important documents (e.g., "Church of the Eucharist" [2003]) and books (e.g., Crossing the Threshold of Hope [1994]).

Whereas Pope John Paul II's ministry and witness, including his literary ministry and witness, were offered to the Church universal and to the world.

Whereas The United Methodist Church is profoundly ecumenical in its faith and life, mission and ministry.

Therefore be it resolved that the 2005 North Carolina Annual Conference, of The United Methodist Church, asks those who plan the 2006 North Carolina Annual Conference to set aside at least one hour for a presentation on the theological legacy of Pope John Paul II and its importance for United Methodists. This presentation would be made by Professor Geoffrey Wainwright of Duke Divinity School (or by another of

similar theological perspective and accomplishment).

**RESOLUTION 17: THE APPEALS COMMITTEE DECISION REGARDING REV. STROUD**

Whereas The Book of Discipline (2004), reflecting Biblical and traditional teaching, clearly states: "The practice of homosexuality is incompatible with Christian teaching. Therefore self-avowed practicing homosexuals are not to be certified as candidates, ordained as ministers, or appointed to serve in The United Methodist Church." (Paragraph 304.3)

Whereas The Book of Discipline (2004), reflecting Biblical and traditional teaching, clearly declares: "A clergy member of an annual conference...may be tried when charged...with one or more of the following offenses:...(b) practices declared by The United Methodist Church to be incompatible with Christian teachings, including but not limited to: being a self-avowed practicing homosexual..." (Paragraph 2702.1)

Whereas, in March 2003, Rev. Irene Elizabeth Stroud of the Eastern Pennsylvania Annual Conference disclosed to her bishop "that she was a lesbian living in a committed relationship with a partner." (Committee on Appeals, p. 1)

Whereas the aforementioned disclosure led to a Trial Court, which, on December 2, 2004, returned a verdict of guilty and imposed a penalty of "withdrawal of the credentials of ordination." (Committee on Appeals, p. 6)

Whereas Rev. Stroud appealed her case to the Northeastern Jurisdiction Committee on Appeals.

Whereas the Committee on Appeals, on April 29, 2005, reversed the Trial Court's verdict and set aside its penalty.

Whereas the April 29 Committee on Appeals decision avoids the plain meaning of The Book of Discipline (200#) and demands of the Discipline a legal precision that is beyond the ability of any General Conference to produce.

Therefore be it resolved that the 2005 North Carolina Annual Conference, of The United Methodist Church, hereby declares its disapproval of the Committee on Appeals Stroud decision.

Be it further resolved that the North Carolina Conference Secretary write and send a letter, which expresses the aforementioned disapproval and encloses a copy of this resolution, to each member of the Northeastern Jurisdiction's Committee on Appeals and College of Bishops.

Be it further resolved that the Conference Secretary write and send another letter, which encloses a copy of this resolution, to each member of the Judicial Council. This letter shall urge the members of the Judicial Council to reverse the Committee on Appeals' Stroud decision and to reinstate the Trial Court's penalty.

#### RESOLUTION 18: CLARIFICATION OF LANGUAGE CONCERNING HOMOSEXUALITY

While recognizing the struggle with the issue of homosexuality in The United Methodist Church and the attempted resolution of that struggle has been defined by the General Conference of the United Methodist Church in the language of The Discipline of the United Methodist Church; 2004; (**¶ 161.G II. THE NURTURING COMMUNITY** "The United Methodist Church does not condone the practice of homosexuality and considers this practice incompatible with Christian teaching. We affirm that God's grace is available to all, and we will seek to live together in Christian community. We implore families and churches not to reject or condemn lesbian and gay members and friends. We commit ourselves to be in ministry for and with all persons."), there is also the recognition that the language of ¶ 161.G is insufficient for the resolution of this issue within the context of the local United Methodist Church.

While the language of The Discipline does clarify the relationship, involvement, service and participation of homosexual persons in the ordained ministry (**¶ 304.3 Qualifications for Ordination- Therefore self-avowed practicing homosexuals are not to be certified as candidates, ordained as ministers, or appointed to serve in The United Methodist Church.**) it does not clarify the membership, relationship, involvement, service and participation of homosexual laity in the life and ministry of the local congregation.

Whereas the language of ¶ 161.G states that "We implore families and churches not to reject or condemn lesbian and gay members and friends. We commit ourselves to be in ministry for and with all persons;"

Whereas the language of ¶ 161.G does condemn lesbian and gay members and friends by stating; "The United Methodist Church does not condone the practice of homosexuality and considers this practice **incompatible** with Christian teaching

Whereas the language of ¶ 161.G states that we are in ministry **FOR** lesbian and gay members and friends as a means to minister to our gay and lesbian members and friends

Whereas the language of ¶ 161.G states that we are in ministry **WITH** our lesbian and gay members and friends which means that we accompany each other in ministry in membership, relationship, involvement, service and participation in the life and ministry of the local congregation and the general church.

Whereas the language of ¶ 161.G is contradictory at worse and confusing at best for the local congregation

Therefore let it be resolved that the Judicial Council or the appropriate body interpret the language of ¶ 161.G and paragraphs containing similar language for the clarification of the membership, relationship, involvement, service and participation of homosexuals persons in the life and ministry of the local congregation.

Respectfully submitted, The Reverend Jimmie R. Tatum, Chestnut Street United Methodist Church, Lumberton, NC

#### RESOLUTION 19: ERADICATION OF HATE CRIMES

With greater diversity, we can expect to see a rise in the incidence of hate crimes in our state. Hate crimes target individual victims, but they also victimize entire

communities by creating fear, anger, and mistrust. On May 25, 2005, three cross burnings in three different locations in Durham, North Carolina captured national attention from print and televised media. And although this incident occurred in Durham,, it is not limited to Durham, but symptomatic of many of the communities in North Carolina.

Whereas, hate crimes result from the intentional selection of victims or property as the object of violence perpetrated against someone solely because of his or her race, religion, or national origin/ethnicity, gender, disability, or sexual orientation of the individual; and

Whereas, in recent decades, the population of North Carolina has become increasingly diverse, both ethnically and culturally; and

Whereas, hate crimes have increasingly involved children, youth and young adults as perpetrators and victims thereby causing intense stresses on family units, schools, and churches; and

Whereas, the eradication of hate crimes will intrinsically impact the challenge for the church and society to eliminate hatred and bigotry;

Therefore, be it resolved, that the North Carolina Conference of the United Methodist Church, accept and support The Book of Resolution #184, pages 464-465, "Hate Crimes" of the 2004 General Conference of the United Methodist Church.

Therefore be it further resolved, that the North Carolina Conference of the United Methodist Church urge it members to engage in efforts to address hate-based activities in their communities and that this resolution be forwarded to the Conference Commission on Church and Society for implementation.

#### Annual Conference/Districts

- Renew the church's stand and commitment against hate crimes in any form and in any place.
- Call on the North Carolina Annual Conference to develop specific plans which will enable local churches to respond to hate group activities.
- Develop support groups (s) for persons active in antiracism strategies and for persons ministering to victims of hate crimes.
- Recommend that a response team to deal with hate crime and violence in church and society be established by the Conference Commission on Church and Society.

#### Local Churches

- Attention should be given to providing resources and assistance with children, youth, and young adults in churches, schools, and family units. Reference (The Book of Resolutions of the United Methodist Church, 2004, #185, pages 466-46.)

#### Individuals

- Should not be silent. If you are subject to an act of bigotry or racial violence, tell someone. Tell your family, your friends, neighbors, the church seek support for yourself. Report the incident to police. Insist that the crime be reported as a "hate crime":

### **SAFE SANCTUARIES, TASK FORCE ON**

On Wednesday, January 26, 2005 "The Daily Record" newspaper in Dunn covering news for Harnett County, contained the headlines: "Police: Man Met Boy Through Church Program." The article reported on a 26 year old former Harnett County man charged with first degree statutory sex offense against a child. This man had "used a leadership position in a local church youth group in Dunn to get close to children." In the same issue of that newspaper another story told of a retired postman in Dunn arrested on molestation charges – some of which occurred as he drove a bus for a local church. The father of one of his victims passed off his daughter's claim because "I knew he was a church-going man..." On Tuesday, February 1, 2005 "The Daily Record" reported that some church members even knew of allegations against the man.

It cannot be said, "Oh, that (meaning child abuse) won't happen here – in eastern North Carolina – in our churches" because it has! In 1996 the General Conference of the United Methodist Church passed a resolution to reduce the risk of abuse of children and youth in the church. The movement that has grown out of that resolution is called "Safe Sanctuaries." How can we make our churches safe and welcoming places for the children, youth and adult workers in ministry with children and youth? Being a "safe sanctuaries" church means giving intentional attention to our practices in ministry, our procedures of operation, our selection and screening of workers, and our plans of response when instances of abuse occur.

The Conference Safe Sanctuaries Task Force - named by the Bishop and Cabinet in October, 2003 presents the following motion for Annual Conference action.

#### **Motion Concerning NC Annual Conference Safe Sanctuary Policy For Children and Youth (replacing Resolution #6 in Book of Resolutions)**

One of the foremost duties of the church is to extend safe Christian hospitality, nurture and community to the children and youth (age 18 and under) in our midst, in which they can feel secure and unthreatened from physical and emotional abuse.

Jesus said of this responsibility, "Whoever welcomes a child welcomes me...If any of you put a stumbling block before these little ones...it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea" (Matthew 18:5-6).

Children and youth represent our hope and trust in the future of the Christian community while at the same time being active and invaluable full participants in the present life of the church.

Churches have tragically not always lived up to this sacred obligation, inasmuch as child sexual abuse, exploitation and ritual abuse occur in churches across the broad spectrum of society: large and small churches, rural and urban churches and churches of all socio-economic and racial backgrounds.

United Methodist Annual Conferences can cite examples of child sexual abuse and exploitation within churches and churches have among their membership adult survivors of early abuse trauma.

Such instances are devastating to all involved—children, families, local churches and their leadership, exacting emotional, legal and financial tolls that accompany such allegations.

The 1996 General Conference of the United Methodist Church adopted a resolution (Book of Resolutions of the United Methodist Church 1996, pp. 384-386) designed to reduce the risk of any type of abuse of children and youth in the church, including neglect and physical, emotional, sexual or ritual abuse, prompting most Annual Conferences since this time to adopt for themselves policy and procedures to reduce the risk of child abuse in the church.

The North Carolina Conference of the United Methodist Church is committed to conducting ministry so that children, youth and adults may be safe to grow spiritually, demonstrating the love of Jesus in our midst so that each person will be "...surrounded by steadfast love...established in the faith and confirmed and strengthened in the way that leads to life eternal" (Baptismal Covenant II, United Methodist Hymnal, p. 44).

Therefore on behalf of the Conference Safe Sanctuaries Task Force we move that the North Carolina Annual Conference:

- a. Direct Conference and district program agencies which work with programs for children and youth, in covenant with the United Methodist Church, to adopt the following policy, in order that the abuse of children and youth in all conference and district related settings may be prevented to the fullest extent possible:

As a Christian community of faith, we pledge to conduct the ministry of the Gospel in a manner that assures the safety and spiritual growth of all children and youth and the adults who work with them. We will follow reasonable safety measures in the recruitment and selection of staff. We will implement prudent procedures of operation for all programs and events. We will educate those who work with children and youth in conference and district settings as to the use of all appropriate policies and procedures. We will have a clearly defined procedures which conform to the requirements of state law for reporting suspected incidents of abuse.

- b. Direct each and every local church to adopt and implement for themselves a safe sanctuary policy and procedures as outlined in the 1996 General Conference Resolution (***Book of Resolutions of the United Methodist Church, 1996, pp. 384-386***) for use in their present and future ministry with children and youth. Training events will be offered throughout the Conference using the resource book Safe Sanctuaries for Youth Ministry by Joy Melton (Discipleship Resources) to assist local churches in this. The local church shall send at least two (or more) of the following: clergy, staff or lay leadership with direct responsibility for children/youth ministry, trustees, staff-parish relations committee members, nurture/education chairpersons, Sunday School superintendents, lay leaders, etc.
- c. ## **THE UNITED METHODIST RETIREMENT HOMES, INC.**

The 2004 calendar year was a very busy and productive year for both, The United Methodist Retirement Homes, Incorporated and Cypress Glen Retirement Community. Four major construction projects began to unfold, two projects on the Croasdaile Village campus and two projects on the Cypress Glen campus. To add to the excitement, Wesley Ridge, an affordable housing unit in Lumberton North Carolina opened its doors during the month of March. All these projects were products of the Board of Trustees' vision several years back and they now form the foundation for an expanded and revitalized organization.

The first project to come out of the ground at Croasdaile Village was the William Preston Few Interfaith Chapel. The chapel was named after the first president of Duke University. The Chapel naming rights were provided to the George W. Newton family of Durham North Carolina in relation to their generous gift towards the chapel. Mr. Newton is a trustee emeritus of The United Methodist Retirement Homes, Incorporated and is also a member of the Trinity United Methodist Church in Durham North Carolina. The chapel, which is expected to open in May of 2005, will provide a formal place of worship that was absent on the Croasdaile Village campus in the past.

The larger expansion that will take place during the 2005 calendar year is the addition of 59 apartments and 18 cottages. This expansion will also include the construction of an on-site laundry and maintenance building, with expansion of the existing dining room and refurbishment of other common areas also being part of the entire project. The project is expected to be completed in the fall of 2006 and will bring the total number of independent living units to close to 400 apartments/cottages. The development of a Pavilion courtyard and garden also became more of a reality during 2004 as the Foundation received a generous gift from Mrs. Pauline Nance, a current resident of Croasdaile Village, which provided the naming rights of the Pavilion courtyard and garden. This garden will be located adjacent to the corridor from the Village Commons and will provide exterior enjoyment for the residents of the Pavilion.

Excitement filled the air at the Cypress Glen Retirement Community with the groundbreaking for two major additions to the campus. On June 3<sup>rd</sup>, groundbreaking was held for their major expansion project which includes 54 apartments, a dining room expansion, and refurbishment of various common areas. In October, groundbreaking was held for the Memory Care Cottage. This cottage, which will be home to twelve senior adults with dementia related disorders, is expected to open June, 2005. Both of these projects will enhance the existing programs and services offered at Cypress Glen and will allow them to better meet the needs of the seniors in the Greenville community.

March, 2004 saw the opening of Wesley Ridge, a 24 unit affordable housing development adjacent to the Wesley Pines campus in Lumberton, North Carolina. This project is an outgrowth of the strategic planning process of 2001 when Bishop Marion Edwards expressed his desire for UMRH to expand their level of service to meet the growing demand for affordable housing in Eastern North Carolina. The Duke Endowment stepped forward with a generous grant of \$300,000 to assist UMRH in making this development a reality. The Board of Trustees will give consideration for the development of additional affordable housing units across Eastern North Carolina during their strategic planning session scheduled for mid-2005.

Not to leave Wesley Pines out of the planning for potential development and community enhancements, a market study was conducted early 2004 to determine the feasibility of renovating and expanding the existing campus. Although the results indicated a limited interest in housing needs, the study will be taken a step further in 2005 to see what can be done to enhance the current operations. Wesley Pines was also fortunate to have Wade Rozier, a Lumberton native, become the community Executive Director. Mr. Rozier is a graduate of North Carolina State University and is an experienced nursing home administrator in the state of North Carolina. The community has embraced Mr.

Rozier's leadership, and feels very fortunate to have an individual of his caliber to provide their leadership.

Quail Haven, a continuing care retirement community in Pinehurst, North Carolina, is a community that came under the management of UMRH in September, 1994. This community continues to provide a quality lifestyle for the retirees of Pinehurst and has experienced operational and financial improvements this past year. The major renovation of their skilled nursing facility back in 2002 continues to be a positive marketing tool for the community, along with their outstanding reputation and tranquil setting.

Each campus experienced positive results in relation to their annual state of North Carolina health center inspections. In particular, special recognition goes to Wesley Pines which received another deficiency free survey. Cypress Glen also received a perfect rating from the state health department, while Croasdaile Village received only one deficiency. This is a tremendous feat for a community as large as Croasdaile Village and this survey followed a deficiency free survey in 2003. Both organizations had a successful 2004 year in relation to the financial situation, and subsequent years are projected for even healthier returns once the new projects open. Each organization continues to be challenged in today's tight labor market and escalating expenses (i.e. general insurance and employee insurance, etc.). But, through partnerships and support from the management company, Life Care Services LLC, the major expenditures such as the general insurance and unemployment insurance were held in check with the general insurance package coming in at \$16,000 less than the 2003 premium and the worker's compensation premium coming in \$42,000 lower than 2003. Both of these significant savings were attributed to the Life Care Services Advantage Insurance Program.

In summary, the 2004 year was a year of continued financial and operational improvements within the organization. It was also a year when new projects unfolded to provide the new framework for the Cypress Glen and Croasdaile Village communities. The Board of Trustees is committed to providing a quality lifestyle for the existing community residents while having the vision for enhancing the operation for the future. The organization continues to display and support their mission of serving senior adults with compassion, respect and dignity.

## STATE OF THE CHURCH ADDRESS

Grace to you and peace from God our Creator and the Lord Jesus Christ, who is alive and is among us this very day, in this very place!

For months, I have been looking forward to this time when I could speak to you about the things I see, the passions that burn within me and the vision God seems to be unfolding. I want to begin by saying, I'm from North Carolina. I'll say it again, I'm from North Carolina. I was born and raised in Kentucky. I pastored for thirty-seven years in Kentucky. But I'm from North Carolina. I don't know the exact day, but soon after arriving here I awakened one day and had this complete feeling – "I am home." When you sense that you are right where God needs you to be, you are at home, in the truest sense. And besides, I've already told you, as Ruth told Naomi, "Wherever you go, I will go. And wherever you stay, I will stay. Your people will be my people. Your God, my God. And right now – the basketball team thing is on hold for the summer!"

Seriously, I am so grateful to be living and serving among so many clergy and great numbers of laity in this conference who have such a love for God and God's ways. Your unswerving faithfulness and deep commitment to this awesome God causes my heart to overflow constantly with thanksgiving. No wonder, I sense so strongly that God is up to something really significant with the people of this North Carolina Annual Conference. Jim Wallis in his book, *God's Politics: Why the Right Gets it Wrong and the Left Doesn't Get it*, speaks of a departed colleague and street organizer who use to frequently remind him, "We're the Ones We've Been Looking For." What an incredible statement! To change one word in this incredible statement is to make it almost too incredible to comprehend – "We're the ones God has been looking for." But I truly believe it! Not because of who we are, but whose we're willing to be!

The voice of the Lord continues to ask, as surely as it asked Isaiah, "Whom shall I send, and who will go for us?" (Isaiah 6:8) In this broken world so full of hatred, isolation, loneliness, gross economic inequities, polarizing rhetoric and darkness, God continues to ask, "Who will be my light?" So I ask you, "If not us, who? If not now, when?"

I sense there's a common song in our hearts:

I am resolved no longer to linger, charmed by the world's delight. Things that are nobler, things that are higher, these have allured my sight.

(*I am Resolved* by Palmer Hartsough—Cincinnati, Ohio: Fillmore Brothers, 1896).)

I sense we are ready to worship, to walk, to work, to witness in the light of God. We are ready to do it God's way!

And what is that way? It is God's vision for us! That vision is something called God's preferred future. Whatever we call it, it is for sure a truly systemic, comprehensive, strategic, Holy Spirit-inspired approach to being the people of God.

In every district lay rally, clergy event, and conference meeting, I have been inviting persons to join with me in prayer, dialogue and discernment as we seek to discover what God is calling us to be and do. And today, I invite you, if you have not already been invited, into this time of prayer, dialogue and discernment. For I am convinced that God wants us to move forward together. And dear friend, it is presumptuous to spend time seeking God's way if we do not embrace the biblical truth that God always calls us beyond current reality. May we never be comfortable with anything less than our very best for God. As Robert Frost said in the words of a point, "We have promises to keep, and miles to go before we sleep."

One thing we know for certain – God's vision for us will be grounded in scripture. And it will most assuredly include the Great Commandment (Matthew. 22:37-40) and the Great Commission (Matthew. 28:10-20). That's why I have sounded the trumpet for God-inspired, Christ-centered, Spirit-led, effective, visionary clergy leaders and healthy Spirit-filled congregations that have radical hospitality, passionate worship, spiritual formation from the cradle to the grave and risk-taking ministry and service to the world.

We can no longer ignore the cry coming from every level of society and the church –

a cry for bold, courageous, effective leadership. Warren Bennis, respected author and founder of The Leadership Institute at the University of California, observes that the leadership deficit is dangerous and global: He writes,

Humanity currently faces three extraordinary threats: the threat of annihilation as a result of nuclear accident or war, the threat of a worldwide plague or ecological catastrophe, and a deepening leadership crisis in most of our institutions. Unlike the possibility of plague or nuclear holocaust, the leadership crisis will probably not become the basis for a best-seller or a blockbuster movie, but in many ways it is the most urgent and dangerous of the threats we face today, if only because it is insufficiently recognized and little understood.

Every church study I have read identifies effective, bold, visionary, Spirit-led, servant-oriented clergy leadership as the singularly, most important factor in congregational vitality. Here in North Carolina, I sense an over-whelming majority of our clergy want to be the best and most effective they can be for God. Hardly a day goes by without one of our clergy saying to me, "Thank you for calling us to greatness for the sake of Christ." So many of our clergy are hungry to be all they can be for Christ and His Church. And I am proud of the fact that clergy themselves, within the Cabinet and the board of Ordained Ministry, are taking the lead in helping us define the character traits, ministry skills and personal skills that make for effectiveness in ministry today. I'm also delighted that a group of committed lay persons in this annual conference have already raised over \$500,000.00 to begin an Academy for Effective Pastoral Leadership which will allow our clergy to be "re-tooled" and equipped with specialized and practical leadership skills for the 21<sup>st</sup> Century that they do not receive in their academic training. Friends, we are well out of the starting gate toward excellence and effectiveness in pastoral ministry.

Today, I call our congregations and laity to come alongside our clergy in a new way as they commit to excellence and effectiveness. Our vision is too myopic when we center our attention only on retirement and health issues for our clergy. In fact, the load we are creating for our conference and our congregations as we stress these two issues may soon become more than we can bear. We must give more attention to proactive ways of helping our clergy find healthier, happier and more fulfilling times in their present ministries. We must verbally and practically release them from carrying the burden of being a hired servant to do all the ministry of the congregation. We must allow them; yea, even encourage them, to spend serious time in prayer, meditation and reflection. We must help them, and even insist, that they find a rhythm of renewal and re-creation. In this difficult day of doing effective ministry over the long haul, every one of our clergy persons needs a Sabbath day other than the Lord's Day, every week, as well as annual spiritual retreats and quadrennial sabbaticals. I hope that we will consider establishing a standard of not less than two three-day spiritual retreats a year and not less than two months sabbatical leave every four years. Healthier, happier clergy make for healthier happier congregations.

The second bridge God is surely calling us to build as we travel in the light of God preferred future is healthy congregations. I continue to remind us that the conference exists for the local congregations- the local congregation does not exist for the conference. Clergy are called to serve local congregations – not local congregations to serve clergy. The center of our attention and our first priority must be healthy congregations! The first priority in appointment making will be the needs of the local congregation. And I pledge to you that we are going to train clergy to give the ministry away. It is biblical to expect full partnership between clergy and laity. Clergy will be evaluated, in part, on their ability to equip and empower the laity in ministry. Emily Innes sits here today as a visible sign that a healthy church, at any level – conference, district or local, is a healthy, full partnership between the ordained and baptized.

But please hear this clearly, healthy congregations are not "me" centered but mission centered! We must refresh our biblical knowledge that the church is the Body of Christ and we are to be living out the Great Commission. That certainly means that we called

to be mission centers and saving stations for Jesus Christ and not simply religious centers that support missions. We are called to advance, not to retreat! We are called by God to be vital, healthy disciple-making centers for Jesus Christ for the transformation of the world. Therefore, we will attempt to help every single congregation in the North Carolina Annual Conference understand and live out the New Testament Model of being Church. And please understand, size has nothing to do with healthiness. Twenty pound little children can be as healthy as three hundred and fifty pound robust middle linebackers. But just as there are basic factors that make for health in both, so there are basic factors that make every congregation a healthy, New Testament-like disciple-making center. Among them are radical hospitality, passionate worship, spiritual formation from the cradle to the grave and risk-taking mission and ministry to the world. Be it known, that no longer will we “prop up” congregations who are in the misery mode and have no real interest in being vital, healthy disciple-making centers for Jesus Christ for the transformation of the world.

In the midst of helping our congregation into new levels of health, we must not forget the great need to birth new congregations, both in growth areas and in changing neighborhoods. Through the years we have seen several great migrations of population with the United States. The first was the westward expansion early in our history. Next came the move from the farm to the city. A lesser migration has been from the city center to the suburbs, accompanied by an influx of minority population into the city. Now we are in the beginning stages of another full-fledge migration.

In the September 2004 issue of *American Demographics*, Dr. Jim Taylor writes: We are entering a new, third great American migration. People from the South who left to work in the auto plants are retiring and heading home to the land of their fathers (and mothers). Joining them are corporate transplants, the urban poor and those who are looking for an uncomplicated life. As many as three-quarters of the people pondering retirement have established a good reason to head for America below the 25<sup>th</sup> Parallel north. This may mean as many as 50 million émigrés to the South over the next 20 years. And my North Carolinian brothers and sisters, guess where we are? Right in the heart of the south with great weather, tall pines, fish-rich inlets and beautiful beaches. This reality does not include the southern movement within corporate America, or the hundreds of thousands of Latino and Hispanic persons that are on their way to North Carolina. North Carolina is the 11<sup>th</sup> fastest growing state in the Union and this astounding reality does not include the thousands upon thousands of individuals who are already in our communities that have no functional faith experiences or relationships to any faith community. We must use every means possible to start, at least, five new faith communities every year for the next decade.

Bothers and sisters, our church and our nation are on a fast train to a multicultural future. Already there is a rich cultural diversity in our annual conference which provides us with a magnificent opportunity to model His Kingdom on earth as it is in Heaven. From this day forward, we must be determined to walk together hand in hand, regardless of race or color, male or female. With willing hearts we lay down prejudice, bigotry, white privilege, racism, tokenism and any other “ism” that separates from one another. Questions as to whether the pastor is black or white or red or brown, young or old, male or female are inappropriate and out of bounds, and will no longer be tolerated. The appropriate questions are: Is this an effective leader? Is this a Spirit-led, servant-oriented, bold, courageous, visionary leader?

Two additional words. First, we are redefining the “role” of the district superintendent so that the primary functions of our district superintendents will be teachers, mentors, vision casters, team leaders, effectiveness consultants. This will mean they will attend fewer “institutional” meetings and empower others to assist in the work of the connection.

Secondly, I am convinced that our conference budget can and must reflect the priorities of our vision – that of providing effective clergy leaders for local congregations and

equipping local congregations to be disciple-making centers of Jesus Christ for the transformation of the world. We must move from turf protection to alignment around our shared vision of vital, healthy, growing congregations. We can do this if we are willing to get out of the box and explore creative ways to fund ministry differently; and, if we, as believers, will live out of a theology of abundance rather than an attitude of scarcity.

My dearest brother, my dearest sister, there is NO greater calling than our calling to be coworkers with God in “making disciples for Jesus Christ for the transformation of the world.” Therefore, we must never allow mediocrity to mask as faithfulness. We must never forget – it is a sin to be good if God calls us to be great!

Someday we’re going to stand face to face with the Lord of the Church who gave his single best to his redemptive calling. Someday we’re going to stand face to face with a finisher who finished well. Someday we’re going to stand face to face with a leader who didn’t quit even though his blood splashed from its veins to the dust beneath the cross. When we stand face to face with this Lord of the Church, I think we will want to say, “Thank you for staying so focused on your calling. Thank you for not bailing out on your way to the cross. Thank you for changing my life and our world.”

Hopefully, all of us will be able to add, “And thank you for being my example.” What moments those will be!

## WELLSPRING

Wellspring encompasses five thriving and sustainable ministries in the areas of Spiritual Formation and Leadership Development. They are:

- Clergy Covenant Groups
- The Wellspring Colleague Forum for Pastors of Small Membership Churches
- The Wellspring Leadership Academy for Pastors
- The Five-Day Academy for Spiritual Formation – clergy and laity
- The Large Congregation Initiative for Pastors and Teams

**Clergy Covenant Groups** are organized and meeting in all twelve Districts of the Conference. Coordinators are in place in each District. These groups are voluntary and meet with the purpose of Support, Encouragement, Accountability and Learning. Rev. Glenda Johnson has ably guided this ministry until her retirement in December of 2004.

**The Wellspring Colleague Forum for Pastors** continues to be an enriching and oftentimes life changing or life saving, experience for clergy serving congregations of small membership. The Forum is a two-year experience in personal spiritual formation. Participants meet once a quarter for two years (for a total of eight weeks). During these eight sessions: 1) forty presentations are made by outstanding faculty in their field; 2) the community practices daily worship, prayer, and Eucharist; 3) a first year project (directed “inward” at one’s own practice of spiritual disciplines) and a second year project (directed “outward” and focused on the spiritual formation of members of the community of faith within one’s own ministry setting) are completed; and 4) members meet together daily in covenant groups.

Colleague Forum #1 ran from August of 2002 through May of 2004.

Colleague Forum #2 runs from August 2004 through May of 2006, and is currently mid-way. Forum #3 will begin in August of 2006 and continue through May of 2008. Dr. Jimmy Weaver is the Retreat and Team Leader

**The Wellspring Leadership Academy** is designed to develop excellent pastoral leadership for clergy in our Conference. Participants are clergypersons who are serving churches of small membership. The group of twelve gathers for monthly modules in the areas of spiritual formation, long range planning, strategic training of laity, preaching to a contemporary culture, and vision casting. The program also combines assigned readings, mentoring and a project designed to bring spiritual/missional wholeness to the participants ministries. The third group concludes in May of 2005, and a new group of pastors will begin in September of 2005. Dr. Branson Sheets is director.

### **The Five Day Academy for Spiritual Formation**

The third annual event was held on October 25-29, 2004 at The Trinity Center at Atlantic Beach. Presenters were Dr. Robert Mulholland – author of Shaped by the Word, Invitation to a Journey and Sister Kathleen Flood who is a trainer in Spiritual Direction at Stillpoint. This event is for clergy and laity. There were 40 registrants. Rev. David Brownlee is Retreat Leader.

The next Five Day Academy is October 23-28, 2005 at The Trinity Center at Atlantic Beach.

### **The Large Church Initiative**

Two major events were offered in 2004:

Seminar for newly appointed Lead Pastors serving multiple staff congregations Paul Nixon, author of Spiritual Amnesia and Swing Open the Doors and Charles Halley, Executive Director of Covenant UMC in Greenville provided leadership to fifty pastors of Large Congregations.

Building an Equipping Congregation was held on September 19, 20, 2004 at Covenant UMC in Greenville. Don Cousins, former Director of Ministries at Willow Creek Church for seventeen years was the resource person. Worship led by Covenant

music team, and seminars led by Covenant staff team in areas of: Worship; children's ministries; large church administration; vision casting for pastors. Over one hundred pastors and team members attended.

On January 20, 2005, in depth training in C.O.S.T. principles (Calling, Orienting, Sustaining, Transitioning) for pastors and staff persons of large congregations was held. Don Cousins, facilitator of this follow-up event to the above September conference. Snow was a travel concern, but over fifty pastors and staff members were able to attend.

**Additional Wellspring Events included:**

Pre-Conference Spiritual Day Apart. June 4, 2004 10:00 a.m. – 2:00 P.M at Hay Street Church in Fayetteville.

Our resource person was Rev. Tom Albin who is Dean of The Upper Room in Nashville. He provided excellent material and inspiration in the area of Wesleyan Spirituality.

A 2004 Lenten Prayer Retreat was held at Aqueduct Conference Center and was co-led by Rev. Glenda Johnson and Rev. Gerry Ingram.

Wellspring Prayer Breaks were designed to bring a focus of prayer throughout the days of Annual Conference in 2004.

**The Litany For the Faithful Departed** ..... Rev. Thomas

Let us remember with humble hearts those servants of the faith who have finished their course and gone on before us, especially those whom we have named this day.

**We must never forget their faithful service.**

Let us remember them as husbands, wives, brothers, sisters, sons, daughters, and special friends who have shared their joys.

**Thank God for the ties that bind their souls to ours forever.**

Let us remember the kind father who loved and led his children, the dear mother who nurtured her loved ones with tenderness and compassion.

**We lift up thankful hearts for all their labors.**

Let us remember the saints of God who have lifted our spirits, enriched our lives, enlightened our minds, and touched our souls by both precept and example.

**Their words and deeds have been like a light shining in the darkness.**

Let us remember those who suffered long in their last days.

Let us remember those who have comforted us in our adversity, guided us in our resistance to evil, and knit us together as the family of God.

## BARNEY L. JONES

1920 - 2005

Barney L. Jones, Jr. was born in Raleigh, N.C., on June 11, 1920, the only child of Barney Lee Jones and Gladys Estelle Upshur. Orphaned at an early age, he was raised in Norfolk, VA., by his aunt, Mary Lee Upshur, and her husband, Roy Elliott. Jones nurtured his faith during his summers on the family farm in Fuquay Springs, NC.

After graduating from Maury High School in Norfolk in 1938, Barney attended Duke University where he received his B.A. in 1941. While enrolled at Yale University Divinity School he served as pastor of the United Methodist Church of Woodbury, Ct., (1942-44). He met and married Marjorie Hunting Curts, on June 5, 1944. Barney then enlisted as a Chaplain in the U. S. Navy (1944-48) during the last months of World War II. He would return to the Navy to serve in the Korean War after doing graduate work at Yale (1946-48), and working as an instructor in the Department of Religion at Duke (1948-50). In 1953 Barney returned to Duke for the rest of his professional career. He served as Chaplain to the University until 1956 and later as Assistant Dean of Trinity College and Assistant Professor in the Department of Religion. He received his Ph.D. from the Divinity School in 1958. Twenty six years later in 1984 he retired from the University as Professor Emeritus.

In the competitive "publish or perish" atmosphere of a major university, Barney's focus was always on teaching the individual student. His large lecture courses in Old and New Testament were routinely oversubscribed. He took special interest in each and every student and his office door was always open. Countless students returned to have Barney perform their marriages and baptize their children. The Duke Alumni Association honored Barney's commitment to classroom instruction by awarding him their "Distinguished Undergraduate Teaching Award" for the 1977-78 academic year.

In retirement, Barney continued to teach adult Bible study courses and maintain an active correspondence with many of his former students. Settled with Marjorie in her family's home in Bridgehampton, Long Island, Barney expanded his farming to generate a year round supply of fruits and vegetables for visiting family and friends.

After Marjorie's death from cancer in 1999, Barney married their longtime friend, Florence Williams. Keeping up with children and grandchildren, community and church, their busy pace hardly slackened after Barney suffered a major stroke in 2000. Barney and Florence attended church every Sunday at the United Methodist Church of Bridgehampton. He continued to be intensely involved and interested in personal, local, and global affairs until his death at home from cancer on April 12, 2005. Barney is buried in a family cemetery in Fuquay-Varina, NC.

In addition to his wife, Florence, Barney is survived by his children, Roy B. Jones of Houston, TX, Stella J. Herpel of Acworth, NH, Walter C. Jones of Bronxville, NY, Gladys J. Esquivel of Wake Forest, NC, and Christopher A. Jones of Central, SC, twelve grandchildren, three nieces and numerous cousins.

He was in the first class to graduate on the new West Campus of Duke University, after which he attended Duke University School. He won a varsity letter on the Duke wrestling team, making him a member of the Varsity D Club. ## JAMES H. COILE

1937 - 2004

The Rev. James Henry Coile died Wednesday, November 10, 2004 in New Bern, NC. A Celebration of Life was held at Centenary United Methodist Church on Sunday, November 14, 2005 with the Revs. Danny Allen, Charlene Guider and Douglas Jessee officiating. Burial was at Evergreen Memorial Gardens in Wilson, NC.

Jim served in many professions before joining the ministry: he was a farmer, insurance agent, and served in the U.S. Air Force for four years. He was a graduate of Atlantic Christian (now Barton) College and the Divinity School at Duke University. Jim was first ordained as a Methodist minister in 1963 and served churches throughout eastern North Carolina. He met his wife, Sara Lucas, while serving Lucama United Methodist Church, and they were married in 1966. He twice served as Conference Secretary (1974-1980 and 1988-1996), overseeing the records and administration of numerous Annual Conferences.

His uncanny and extensive knowledge of the Book of Discipline enabled the Conference to better fulfill its calling, and he was frequently consulted by pastors, laypersons, and bishops on matters of procedure and church law. After retirement, Jim continued to serve his Lord as an adjunct chaplain at Craven Regional Medical Center and as a volunteer with the prison ministry in Pamlico County. He frequently filled in at numerous churches as a guest preacher, and also served as the pastor of Bridgeton United Methodist Church in Bridgeton, NC.

Jim was also very active in the Masonic fraternity. He was an honorary lifetime member and past master of Zion Lodge 81 in Trenton, a member of the York Rite Bodies of New Bern, a class lecturer for the New Bern Scottish Rite Bodies, a 33-Degree Scottish Rite Mason, a past recorder of Sudan Temple, and a past Grand chaplain of the Grand Lodge of North Carolina.

Jim was a fan of "hillbilly music," as he called it. He frequently played Hank Williams, Sr., Roy Acuff, and comedian Jerry Clower, and enjoyed "a Pepsi Cola and a pack of nabs." In addition to his wife, Jim is survived by one son, J. Taplie Coile of Greenville; his mother, Lena Coile of LaGrange; two brothers, William R. "Bob" Coile and Taplie Nixon Coile, Jr. of LaGrange; and one sister, Betty Jean Hicks of Henderson.

Jim said that the only introduction a Methodist preacher needed was that he (or she) was a Methodist preacher. To those who knew him, however, he was much more. His enthusiasm for life was evident in all that he did. We never doubted his love for the Lord, his love for his family, his love for others, and his love for the Lord's calling upon his life. Nor do we doubt that he is at home with his Lord. The words of Jesus were never more appropriate, "Well done, thou good and faithful servant." To God be the Glory!

J. Taplie Coile

## EBERN E. ALLEN

1940 - 2005

*"And we know that all things work together for good to them that love God, to them who are called according to His purpose."* (Romans 8:28) These are the words that constantly inspired Ebern throughout his journey of faith. Ebern went home to be with Heavenly Father on Thursday, March 10, 2005 at Duke Medical Center., Durham

The Reverend Ebern E. Allen, born May 25, 1940 in Greenville, NC was the first born son of the late Joseph Ebern Allen and Edna Ellers Allen Baker (surviving). An infant son, Kenneth Wayne Allen, and one brother Kenneth Lane Allen, preceded him in death.

On March 12, 1960, Ebern married Kay Rogerson of Bethel, NC who was the light of his life and a helpmate in ministry in every respect. They had two surviving children: Kay Lynn Atchison of Chesapeake, VA and Martha Anne DuBose of Greensboro, NC, five grandchildren, Sarah Jacobs, Kyle Jacobs, Carson DuBose, Blaine DuBose and Allie Dubose. Ebern loved his family deeply.

Funeral services were held at Phillips Chapel UMC, Haw River on Sunday, March 13, 2005 by the Rev. Jerry Bryan, and Rev. Bill Gattis. Burial was held at Phillips Chapel UMC Cemetery. A memorial service was held at Bethel UMC in Bethel, NC on Tuesday, March 15, 2005 at 2:00 pm by Rev. William Simpson, Rev. Marshall Old and Rev. Steve Smith.

Ebern grew up in Greenville, NC and was educated in the Greenville City Schools. He also resided in Bethel, NC in the years preceding his call to ordained ministry. He received his BA degree from East Carolina University and his Master's of Divinity Degree from Duke Divinity School, Duke University. He was an ordained Elder in Full Connection with the North Carolina Methodist Conference. He served Hamilton UMC in Hamilton, NC, Hobgood UMC in Hobgood NC and Phillips Chapel UMC in Haw River for the last 14 years.

Ebern experienced many changes in his life. But the greatest experience of all was his new birth in Christ. He discovered God's grace for sinners. He also discovered that contentment and fulfillment could only come by way of Jesus Christ. His greatest discovery was that he could only be complete (and all God called him to be) through his relationship in Christ Jesus.

One could describe Ebern as humorous, sensitive, and excited. He was also serious, especially about his Lord and Savior Jesus Christ. His goal in ministry was to nurture the saved and win the lost at any cost. All his sermons demonstrated this Christian belief.

Ebern wanted to end his life's journey with these words from Paul, the Apostle: *"I have fought a good fight, I have finished my course, I have kept the faith: Henceforth, there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day; and not to me only, but unto all them also that love his appearing."* (II Timothy 4:7-8). "I have had a wonderful ride called "life". I am now home with the Lord. I'll see all of you in the morning" (Ebern Allen)

## **ROBERT S. GIBSON**

**1923 - 2005**

Robert Stansill (Bob) Gibson was born in Richmond County on August 1, 1925, the first son of Luke and Edna Marks Gibson. His parents were devout Christians, and the church was the center of family life.

After working for the War Department and serving in the navy during World War II Bob entered High Point College in 1946 to prepare for Christian service. In 1947 he felt that his ministry could best be lived out in the academic community. He transferred to Duke in 1948 and was graduated in 1949. In Duke Divinity School he majored in research and teaching and was especially impressed by the courses in Christian ethics and the need to emphasize social justice. When Bob was graduated from the Divinity School, the extreme shortage of qualified pastors led the church administrators to decide that Bob should accept assignment as pastor of three rural churches. He served in the pastorate for six years before he felt compelled to seek work in an academic community. In 1958 he was appointed director of the Appalachian Wesley Foundation, a work he enjoyed. In 1960 Bob entered the School of Library and Information Science at Florida State University where he received the M.A. degree. He gave instruction in library use and provided information to faculty and students for five years before the president of Radford University assigned him to teach in the Library Science Department where Bob had personal interest in each student. Bob found satisfaction both in reference work in the library and as a teacher of women who wished to prepare to be school library media specialists. Bob retired May 31, 1992 and was named Associate Professor Emeritus.

Bob's quality work earned for him membership in the national honorary fraternity in library science, an Advanced Master's Degree in Library Science from FSU, and the Media Educator of the Year Award in Higher Education for the state of Virginia.

On August 25, 1955 Bob married Janie Belle Edwards in the Hay Street UMC. They adopted two sons in whom they both delighted. Jamie died of cancer on October 25, 1977 after a life of loving service.

After Bob's retirement he found great happiness in the Epworth Place of Aldersgate, a United Methodist Retirement Community in Charlotte. Bob never lost his interest in social justice and enjoyed helping others throughout his life. He died on April 30, 2005 and a memorial service was held at Aldersgate. Bob is survived by his sons, Donald Scott and Edward Scott; brothers, Paul Gibson and Ray Gibson; a sister, Earline Waddell; four grandchildren, three nieces and three nephews.

## **ERAH M. HARRIS**

**1912 - 2005**

Erah Mason Harris was born August 8, 1912 in Atlantic, NC. She was the second daughter born to Joseph and Elizabeth Mason. She died in Morehead City on January 26, 2005. Her funeral was held at Atlantic UMC by Rev. Chris Humphreys. She was buried in the Atlantic Community Cemetery.

She received teacher's training after high school and taught school briefly, before she and her fellow teacher and later, principal, husband Cecil B. Harris were blessed with their first child. When Cecil received the call to enter the ministry, she often told the children that she didn't hear it, but went along anyway. At first they were close to home, serving the Straits UMC. Later, they would serve churches in Grimesland, Garland, Laurel Hill, St. Paul's, and Biscoe where Cecil died in 1957.

After Cecil passed away, she moved back to her home town, Atlantic, where she lived until her health required her to be in a nursing home. She was more comfortable behind the scenes and didn't like being in the limelight. But she liked people, and her home was always a gathering place where people were made welcome. She particularly enjoyed visits from friends she had made while Cecil was in the ministry.

She didn't know how she would raise her children without her husband's help, but with her Social Security check and through the faithfulness of the monthly Methodist pension she always had enough. She leaves behind four surviving children: two daughters; Mona Evans of St. Paul's, and Kay Salter of Atlantic, and two sons; Roger Harris and Paul Harris both of Atlantic and nine grandchildren and eighteen great-grandchildren.

## **MERCER R. HUBBARD**

**1915 - 2005**

Mercer Reeves Hubbard was born in Mt. Airy, NC, on April 10, 1915, to Marvin Coke and Myrtle Spough Reeves. She was a graduate of UNCG with a degree in music. Mercer was married to the Charles S. Hubbard and was an active wife, homemaker and mother. She did extensive graduate studies in philosophy and art. She received many service awards from the agencies and groups she served.

She was an active volunteer in the various churches Charles served over the years. Her interest in gardening was well known, and her influence was varied. She enjoyed traveling and was a published writer. She was a painter and had pieces placed in the NC Museum of Art, and featured in national magazines. She was co-editor and historian of the family newspaper. She served, also, as president of the Minister's Wives of the NC Conference of the United Methodist Church, and as board member of the Country Doctor's Museum in Bailey, NC.

She is survived by her husband Charles Spence Hubbard; a daughter and son-in-law, the Rev. Martha and Robert Forest; sons and daughters in-law, Charles Spence, Jr. and Stella Hubbard; Thomas Edwin Hubbard; John Spough And Elizabeth J. Hubbard; 14 grandchildren; 10 great-grandchildren; sister, Elizabeth Reeves Lyon.

Mercer died on March 1, 2005 in Pittsboro, NC. A Memorial Service to celebrate Mercer's life was held at Pittsboro UMC by the Rev. Jack Page, and the Rev. Ray Gooch.

## **PEGGY B. CARDEN**

**1932 - 2005**

Peggy B. Carden, daughter of James D. Bobbitt, Sr. and Hattie H. Bobbitt, was born on November 16, 1932, in Durham, NC. After graduation from Durham High School, she was a secretary at Durham Realty and Insurance Company for several years. On June 12, 1954, she married Billy M. Carden, who was employed at a local bank,

Upon answering his call to the ministry, Peggy assisted Billy through Duke University and Duke Divinity School, earning her PHT degree ("Put-Husband-Through"). She was a loving, devoted wife and mother and supported Billy in all

their churches before his retirement. Peggy was a very active member of the United Methodist Women and taught a Sunday School class in several churches.

In addition to her husband, she is survived by one daughter, Lisa Carden Elliott and husband, Andrew of Roxboro, NC and one son, Michael E. Carden and wife, Leslie of Reidsville, NC and one granddaughter, Brooke Carden.

Parkinson's Disease and dementia took their toll on Peggy's life during their retirement years. She died on Palm Sunday, March 20, 2005. Her funeral was held at Concord United Methodist Church in Roxboro, NC, with the Rev. Randy Blanchard and the Dr. Wallace H. Kirby, officiating.

Peggy left us a legacy of laughter and joy, love and comfort, servanthood and friendship, and a steadfast faith. She has received the commendation of our Lord: "Well done, good and faithful servant."

## **BERTHA M. CARTER**

**1933 - 2004**

Bertha McCrimmon Carter of Raleigh, died June 5, 2004. Her funeral was held at Wilson Temple UMC on June 11, 2004, with the Reverend Walter McLeod officiating. Burial was at Montlawn Memorial Park.

Bertha was the wife of the late Reverend Theodore V. Carter who, prior to his death in 2003, was a retired member of the NC Conference. A loving mother and devoted wife for more than 50 years, she felt blessed to have received God's calling to serve in partnership with Ted. Bertha faithfully supported her husband's ministry, exhibiting a quiet strength that endeared her to the hundreds of persons she encountered throughout his career.

Bertha was born April 20, 1933 in Maxton, North Carolina, the daughter of Alberta McCrimmon. She attended the R. B. Dean High School and later, as a young bride, became a de facto partner in her husband's educational pursuits by helping him with assignments while he worked nights to support the family. Her husband Ted often talked in later years about how she would read books and make notes that would help him in studying when he came home from working a late-night shift.

As a full-time homemaker, Bertha developed an interest in sewing. She began by making clothes for herself and her daughter, and as people began to see her work, she took on projects for other ladies in the communities in which they lived. In later years this led to a brief career outside the home as a seamstress in the

alterations department of the former Boylan-Pearce Department Store in Raleigh's Cameron Village. When she left the Department Store, Bertha's apparent love of children caused one young couple in the church to ask her about providing daycare for their infant son. She consented, and over the years she continued to enjoy a special relationship with him and with other children whom she cared for in her home as if they were members of the family.

For several years prior to her death, Bertha faced many health-related challenges that stemmed from diabetes. She met those challenges with grace and dignity and, in the words of the Apostle Paul, she learned in whatsoever state she was, therewith to be content. She left this earth as quietly and serenely as she walked upon it, content because of her unwavering faith in a loving and just God.
