

RECENT CHANGES

This section lists recent changes, which may include additions, deletions or revisions to your benefit booklet. These changes supersede language that appears elsewhere in your benefit booklet, and are effective at the start of your BENEFIT PERIOD (see “Summary of Benefits”) unless otherwise noted.

Revisions to Your Obesity Treatment/Weight Management Benefits (Effective January 1, 2016)

Effective January 1, 2016, these revisions will impact language in your benefit booklet.

The Obesity Treatment/Weight Management Exclusions section is amended by deleting the following in its entirety:

Obesity Treatment/Weight Management Exclusions

- PRESCRIPTION DRUGS for short-term use in the treatment of clinical obesity
- Removal of excess skin from the abdomen, arms or thighs
- Any costs associated with membership in a weight management program except as specifically described above
- Any treatment or regimen, medical or surgical for the purpose of reducing or controlling the weight of the member except as specifically described above.

And replacing it with the following:

Obesity Treatment/Weight Management Exclusions

- Removal of excess skin from the abdomen, arms or thighs
- Any costs associated with membership in a weight management program except as specifically described above
- Any treatment or regimen, medical or surgical for the purpose of reducing or controlling the weight of the member except as specifically described above.
