

2022 Health Reimbursement Account (HRA) Funding

The HRA arrangement will continue in 2022. Please refer to the below chart about the funding amount. Any unused funds in the HRA will carry forward into 2022 and will be added to the 2022 approved amount. Participants may contact Via Benefits at 855-801-9759 to inquire about their specific HRA amount, balance or to claim reimbursements.

Years of Insurance Credit	Board of Pension (BOP) %	BOP 2021 Contribution \$3,941 Benchmark	BOP 2022 Contribution \$4,059 Benchmark
1-14	0%	\$0	\$0
15-19	40%	\$1,576	\$1,624
20-24	50%	\$1,971	\$2,030
25-29	60%	\$2,365	\$2,435
30-34	70%	\$2,759	\$2,841
35-39	80%	\$3,153	\$3,247
40+	90%	\$3,547	\$3,653

Each participant's specific HRA Contribution is based upon their individual retirement criteria. Based on the rules in place at the time of their retirement, their percentage may be slightly different than those in this chart.

The approved 2022 HRA funding amount is based on a beginning funding rate of \$4,059. Participants should apply their percentage to this figure for calculation of their 2022 HRA amount. A single account will receive one 2022 HRA contribution. A joint account (retiree and spouse) will receive two 2022 HRA contributions.

Example:

- * Retiree received \$2,365 in 2021 (60%).
- * Spouse of retiree received \$2,365 in 2021 (60%).
- * Total joint account in 2021 was \$4,730.
- * In 2022, the retiree and spouse will receive a joint account in the amount of \$4,870.
