

2024 Health Reimbursement Account (HRA) Funding

The HRA arrangement will continue in 2024. Please refer to the below chart about the funding amount. Any unused funds in the HRA will carry forward into 2024 and will be added to the 2024 approved amount. Participants may contact Via Benefits at 855-801-9759 to inquire about their specific HRA amount, balance or to claim reimbursements.

Years of Insurance Credit	Board of Pension (BOP) %	BOP 2023 Contribution \$4,181 Benchmark	BOP 2024 Contribution \$4,306 Benchmark
1-14	0%	\$0	\$0
15-19	40%	\$1,672	\$1,722
20-24	50%	\$2,091	\$2,153
25-29	60%	\$2,509	\$2,584
30-34	70%	\$2,927	\$3,014
35-39	80%	\$3,345	\$3,445
40+	90%	\$3,763	\$3,875

Each participant's specific HRA Contribution is based upon their individual retirement criteria. Based on the rules in place at the time of their retirement, their percentage may be slightly different than those in this chart.

The approved 2024 HRA funding amount is based on a beginning funding rate of \$4,306. Participants should apply their percentage to this figure for calculation of their 2024 HRA amount. A single account will receive one 2024 HRA contribution. A joint account (retiree and spouse) will receive two 2024 HRA contributions.

Example:

- * Retiree received \$2,509 in 2023 (60%).
- * Spouse of retiree received \$2,509 in 2023 (60%).
- * Total joint account in 2023 was \$5,018.
- * In 2024, the retiree and spouse will receive a joint account in the amount of \$5,168 (\$2,584 + \$2,584).
