

BUILDING A STEWARDSHIP MINISTRY

INTEGRATING STEWARDSHIP INTO THE CULTURE OF THE CHURCH

	 <p>WHAT IS YOUR VISION?</p>	 <p>HOW IS IT ALIGNED WITH GOD'S PURPOSES?</p>	 <p>WHAT IS YOUR PLAN?</p>	 <p>HOW WILL YOU ASSESS THE RESULTS OF YOUR PLAN?</p>	 <p>WHAT TOOLS DO YOU NEED?</p>
PRAYERS	When stewardship is reflected in the prayer life of the congregation, what will that look like? What will you see?	Where in scripture do we find stories of God honoring stewardship?	How will you integrate the message of stewardship into the prayer life of the congregation and its people?	Where will you be able to point to evidence of the effectiveness of your work? How will you know the plan has provided benefit to God, the congregation and its people?	What resources will help you achieve the goals you set forth in your plan? (Remember to make your resources age-appropriate.)
PRESENCE	When people in your congregation embrace a life of stewardship, how will that impact the ministry of presence?	How does God call His children to be stewards of presence?	How will you preach/teach the steward's ministry of presence in the life of a disciple?	Where will you be able to point to evidence of the effectiveness of your work? How will you know the plan has provided benefit to God, the congregation and its people?	What resources will help you achieve the goals you set forth in your plan? (Remember to make your resources age-appropriate.)
GIFTS	What will it look like when the people in your church practice a stewardship of all of God's gifts?	How is God glorified when we are stewards of all God's gifts throughout creation?	How will you help people come to a full understanding of 'gifts' and what is required of us to be a steward of those gifts?	Where will you be able to point to evidence of the effectiveness of your work? How will you know the plan has provided benefit to God, the congregation and its people?	What resources will help you achieve the goals you set forth in your plan? (Remember to make your resources age-appropriate.)
SERVICE	From the perspective of stewardship through service, how do you envision people in your community will describe your congregation?	How can the ministry of service help us continually point to God? How can we prompt people to look for Jesus in their service?	How will you develop an increased offering of service among the people in your church?	Where will you be able to point to evidence of the effectiveness of your work? How will you know the plan has provided benefit to God, the congregation and its people?	What resources will help you achieve the goals you set forth in your plan? (Remember to make your resources age-appropriate.)
WITNESS	What will it look like when your congregation practices a stewardship of witness?	In what ways will your stewardship be lived out before your community as a witness to God's grace?	How will you help your congregation and the individual members live a witness that is an expression of stewardship?	Where will you be able to point to evidence of the effectiveness of your work? How will you know the plan has provided benefit to God, the congregation and its people?	What resources will help you achieve the goals you set forth in your plan? (Remember to make your resources age-appropriate.)
