

Mission & Service Commitments 2025

North Carolina Conference
The United Methodist Church

Dear United Methodist Family,

Disciple Making, Leader Forming, and Peace Building require action - God's action! Jesus' prayer in John 17 envisions that we are with him where he is. We are welcomed into the action of God through Christ!

Mission is the purpose and action of the triune God. As a community of God's followers, the church becomes an instrument of God rather than the possessor of the action. We then move from thinking of mission as something that churches do for God to mission as what God does, and the church participates.

Our UMC mission is To Make Disciples of Jesus Christ for the transformation of the world. Here is the focus! **The transforming action belongs to God.** And we, United Methodists, witness what God has done and is doing in every land where disciples gather in the name of Jesus Christ. Jesus, the Christ, emptied himself of privilege, took on human limitation, lived in servanthood for all humanity, and became obedient to death—even a humiliating execution. Through the resurrection of Jesus, God reconciles creation to God's self. We follow this resurrected Jesus who emptied himself of privilege. We find ourselves alongside Jesus and, by Jesus' invitation, those who suffer.

The Church is a sign of God's presence in the world and of God's intention for creation. Through baptism, we are incorporated into God's mighty acts of salvation, join God's mission of redemption, and bear witness to God's presence in the world. We United Methodists, along with the catholic

Bishop Connie Mitchell Shelton

(universal) church, empowered by the Holy Spirit, engage in God's mission as we empty ourselves for others and call for human dignity for people of every nation and race. This is our **Disciple Making, Leader Forming, and Peace Building** work as we join God in God's mission.

The NC Conference Mission & Service Commitments booklet compiles how we join the triune God in God's mission together. We frame it through **Disciple Making, Leader Forming, and Peace Building**, ever acknowledging that the transforming power belongs to God. Our work as the church is to "make, form, and build." God's work is to transform the world! May we be in the places where Jesus is at work!

"Father, I desire that those also, whom you have given me, may be with me where I am." - Jesus

John 17:24

In Christ,

Bishop Connie Mitchell Shelton

Your Faithful Giving Makes an Impact

Within local churches, gifts are spent as follows: *

36.09% Local Church Programs, Operating Expenses, and Benevolences:

These funds are expended for operational needs such as utilities, building maintenance, salaries and benefits, office supplies, local programs such as Sunday Schools and youth activities, and local benevolences.

*Based on the grand total of all expenditures as reported on the 2023 Table II.

NC Conference Budget

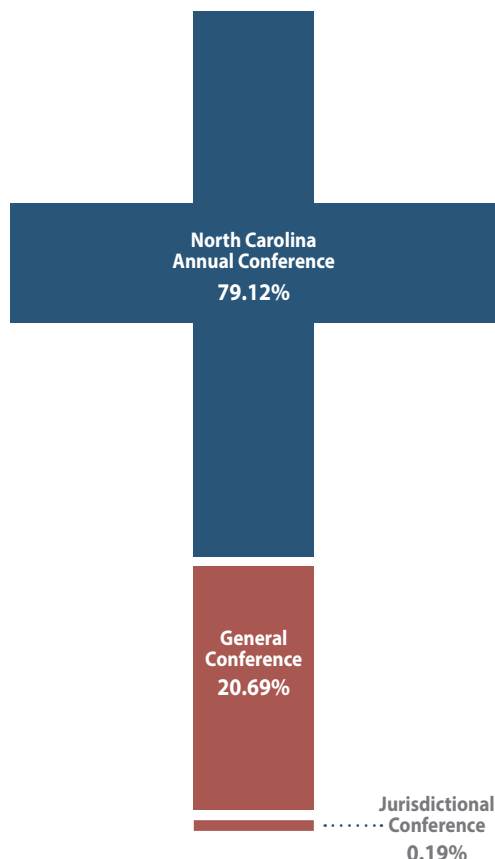

The North Carolina Conference budget is developed through a four-year cycle.

Year 1: A zero-based budget is planned based on ministry needs. Statistical data is collected by NCC Statistician.

Year 2: The budget is debated and voted upon by members of the Annual Conference. Apportionments are calculated based on Table II reports.

Year 3: The budget is raised through apportionments. Funds are invested for future use. At the close of Year 3, individual budget lines are funded based on actual apportionment receipts.

Year 4: The budget developed in Year 1 is spent using monies raised in Year 3. The Council on Finance and Administration may vote to use investment earnings to supplement budget and ministry needs.

Apportionment Formula

The NC Conference apportionment formula is approved by each Annual Conference session and is based on how a church spends money.

The base amount of local church expenses is calculated by adding all expenditures reported on Table II and then subtracting exclusions (as listed below).

Each church's base is then compared to the total of all base amounts for all other churches and the budget approved at the last Annual Conference is distributed to each church using the same ratio.

The apportionment formula limits increases for regular apportionment calculations to 15% from one year to the next.

The exclusions are:

1. Payments on World Service and Connectional Ministries, Past Service Liability, Episcopal Fund and all other apportionments;
2. Principal and interest on indebtedness, buildings and improvements;
3. 50% of property insurance;
4. Local benevolences paid directly by the church;
5. Support of General and Conference Advance Specials;
6. Ten Dollar Club support (new faith communities);
7. Up to \$4,500 for travel paid by a charge for each pastor;
8. Offerings for United Methodist Student Day, Human Relations Day, Peace with Justice Sunday, Native American Awareness Sunday, UMCOR Sunday, World Communion Sunday, Youth Service Fund
9. Housing allowance paid in lieu of furnished parsonage to a full-time pastor serving under Episcopal appointment in a charge of the conference;
10. Offerings taken for disasters as designated by the Disaster Readiness Response Committee and the Resident Bishop;
11. The Gary Wayne Locklear Mission Endowment Support
12. The portion of pastor compensation expense funded by equitable compensation grants from the Conference budget.

Mission & Service Commitments

World Service Fund

Support for this fund is to be raised and spent in 2025.

The World Service Fund is the basic benevolence fund of the Church, designated in The Book of Discipline as “the first benevolent responsibility of the Church” (¶1812, 2016 Book of Discipline). Receipts are distributed to the general program agencies and other benevolent causes by a precise formula. These agencies resource local churches and extended local church mission nationally and internationally. The World Service Fund allows United Methodists to participate in meaningful ways in God’s mission throughout the world.

Giving Report for 2024 Rainbow Covenant

To be a Rainbow Covenant Church, a local church needs to meet the “first mile” by paying in full apportionments as set by the Annual Conference.

Then each local church is asked to support at least one project in each of the five lanes of the Rainbow Covenant: Persons in Mission,

NCC Advance Missions, National Missions, World Missions, and UMCOR.

Each lane reminds the local church that it has touched persons with the love of God in its own community, in the broader areas of the Conference, on a national level, and throughout the world.

2024 Contributions & Reporting Deadlines

In order to be recognized as a Rainbow Covenant church, churches must pay 100% of all apportionments and give a contribution in each of the five lanes. The six Special Sunday offerings are not included.

Contributions

Contributions should be sent to the NCC Treasurer’s Office and be received no later than **January 15, 2025**.

Rainbow Covenant Overview

Photo by Jesse Gardner on Unsplash

The Rainbow Covenant is organized into five lanes and connects persons in mission with the projects in which they are involved.

The lanes are:

- Lane 1: Persons in Mission**
- Lane 2: Conference Missions**
- Lane 3: National Missions**
- Lane 4: World Missions**
- Lane 5: UMCOR**

Persons in Mission

In Lane One are persons in mission supported by the NC Conference and the General Board of Global Ministries. They serve on the ground throughout the world and are the hands and feet of Christ. Some of them work locally in this conference area. Others work in other parts of the nation. Still others work in other countries. All have valid ministries and all have valid needs.

Local churches are encouraged to be involved with the various missionaries that the NC Conference supports. Several persons in mission are not commissioned missionaries through the General Board of Global Mission, yet they still need funds to advance their ministry. (These persons are designated with "S" in their identification code which shows that they are a part of a Conference Advance).

For more information about the GBGM missionaries, go to the website: umcmmission.org. All persons in missions appreciate prayers, cards, letters and emails.

Covenant Relationships

All gifts and contributions share the love of Jesus Christ by supporting missionaries who work to offer hope and alleviate human suffering. Generous one-time gifts make this service possible. Congregations and individuals are also encouraged to support missionaries through Covenant Relationships.

The standard covenant relationship for a local church to support a General Board of Global Ministries (GBGM) missionary is \$2,500 annually or \$5 per church member per year. However, this partnership is much more than a financial commitment. It is a dynamic relationship where the church and missionary pray for one another and communicate regularly. By deepening its own awareness of the struggles and triumphs of the missionary, congregations participate in a work that is truly connectational.

To learn more about covenant relationships, contact the Conference Missions Interpreter, Bill Haddock (revbillh@nccumc.org) or umcmmission.org/covenant-relationships.

Advance Specials

GBGM ADVANCE for Christ projects are General Advance Specials. There are also Conference Advance Specials approved by the North Carolina Annual Conference.

Both types of Advance Specials are assigned numbers which should be recorded on the new remittance sheets (nccumc.org/treasurer/downloads) and turned into the Conference Treasurer with the contribution check. Remittances for General Advance Specials can also be made on-line at the General Board of Global Ministries website at umcmmission.org.

At the end of the fiscal year, please fill out the Rainbow Covenant form and send it to the District Mission Secretary who will issue the Rainbow Covenant Certificate to participating churches. Remember that all remittances need to be sent to the Conference Treasurer or to the General Board of Global Ministries, not to the district secretaries.

This list is not inclusive: any missionary or any ADVANCE Special can be supported by local churches or individuals. The Conference Outreach page, at nccumc.org/outreach has a number of ADVANCE specials that local churches and individuals support.
