

COVID Guidelines

-Youth will be grouped into cabin groups with youth primarily from their home churches, except in cases of small churches where youth will need to be grouped together. Youth will spend all day every day with their cabin groups instead of being regrouped into daytime covenant groups.

-There will be very little unstructured free time, instead, cabin groups will move around structured camp activities together to promote social distancing.

-Youth will not eat in the dining hall, but will eat with their cabin groups outdoors, or in assigned separate indoor spaces in the case of inclement weather.

-We will conduct temp checks of all youth and adults twice daily.

-All youth and adults will be properly health screened at check in.

-Cabins will be filled at half capacity.

-Worship will be conducted outdoors as long as weather allows and youth will be required to wear masks while worshipping together.

-Youth will be required to wear masks at all times indoors except when eating or sleeping.
